Me: Oh it's horrible Camie! You wouldn't believe the kind of abuse she went through! She has burn marks, slash marks, cut marks and they even branded NW on her back!

Xenia: Yeah she showed us the scars and they were terrible!

Zocks: NW?

Nico: The initials of her former last name - Northwest.

Qin: They even carved Don't Lose into her back.

Zocks: Oh I get it.

Preston Northwest: HEY! Everything we did was the best for Pacifica!

Me: (SCOFFS) "THE BEST!?" More like she had to endure sessions of pure torturous hell!? As a loving father myself I would NEVER do that to my own children!

Eli: YEAH! You two give all fathers everywhere a REALLY Bad name!

Mandee: And now it's time you paid the ultimate price for everything you did!

Suddenly, Mandee's eyes turned neon turquoise and she was surrounded by a rainbow energy aura with stars, fires, flames, lava, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached The Northwests, she left rainbow energy, stars, fires, flames, lava, dragons, phoenixes, and angels with every step.

Mandee: Words can't even describe how much I hate you two mongrels so much. You've committed a ton of crimes against the world and on top of that, your crimes resulted in your vast wealth, but it's also further proof that none of you never cared for anyone else, all you ever care about is yourselves. Not only that, but you also physically and psychologically abused Pacifica and ordered her to do your bidding, that's also further proof that you're nothing more than bad parents, and for that, I'll reduce you both to ashes!

Suddenly, Mandee was surrounded by a massive vortex of rainbow energy with stars, fires, flames, and lava surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a turquoise phoenix with red eyes glaring at The Northwests: the red eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Mandee's massive greatsword, and then, it glowed, and then surrounding the massive vortex of rainbow energy with stars, fires, flames, and lava surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a turquoise phoenix with red eyes glaring at The Northwests: the red eyes of eternal death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF MANDEE AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOUR TIME'S FINALLY UP, YOU PRICKS!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO MANDEE! THEN, AS SOON AS THE VORTEX FADED, MANDEE EMERGED FOREVER CHANGED!

Lincoln, Blossomforth, and Mandee went after The Northwests who've now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, brilliant cerise energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Northwests and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Blossomforth, and Mandee attacked them with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving The Northwests mad and they were becoming EVEN MORE

ANGRIER BY THE SECOND! THEN, THEY LITERALLY TURNED INTO OUT-OF-CONTROL RABID DOGS AND THEY WERE FOAMING AT THE MOUTH EVEN MORE!

Mr. and Mrs. Northwest: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL! LOW-BORN GUTTER TRASH!

Nico punched Mr. Northwest in the face and sent him crashing Mrs. Northwest and sent them crashing into a tree.

SMASH!

But then they got up and went at us.

Nico: Want some more?!

Nico then pulled out a can of spinach.

Nico: Time for something Popeye can be proud of.

Nico popped open the can and ate the spinach and then…

BOING! BONG!

Nico flexed his muscles and they showed MOUNT EVEREST IN THEM!

Nico: YEAH!

BAM BAM BAM BAM BAM BAM BAM! TING TING TING TING TING TING TING TING TING TING!

Nico then punched Mr. Northwest all over the place and beat him to a pulp!

May then pulled out a can of spinach too and opened it and then ate it.

BOING! DING!

She flexed her muscles and then a battleship showed in it and fired its cannons and then she bashed and pulverized Mrs. Northwest!

May: That's how it's done!

Rarity and Rainbow Dash were having popcorn and enjoying the fight.

Laney: Boy this is one fight that Popeye would love!

The Northwests ran at Lincoln, Blossomforth, and Mandee now completely crazy and now out of their minds, but Lincoln and Blossomforth kicked them into the air and Lincoln imprisoned The Northwests inside two rainbow energy balls. Mandee then summoned massive barrels of explosives and TNT, and Lincoln and Blossomforth kicked the energy balls with The Northwests imprisoned inside them, and they passed it to Mandee who gave a super mega-hard kick and she kicked the balls hard and sent it hurtling towards the massive barrels of explosives and TNT, and then… !

KRABOOOOOOOOOOOOOOMMMMMMMMMMMM!

THE MASSIVE BARRELS OF EXPLOSIVES AND TNT EXPLODED AND SET OFF MEGA EXPLOSIONS!

Me: AW YEAH! NICE ONE!

Nico: TAKE THAT, YOU DUMBASS EVIL RICH CRIMINAL ASSHOLES!

Me: YEAH!

Then, The Northwests' spirits appeared and Lincoln, Mandee, and Blossomforth drew the Judgement Kanji on her forehead and condemned them and all their ancestors to The Black Gates forever, good riddance. We all cheered as Lincoln, Mandee, and Blossomforth holstered their massive greatswords on their backs and powered down, and Blossomforth's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer brilliant cerise and grayish emerald green striped tail, longer pinkish gray horn, and massive pinkish gray angel wings are permanent, and Mandee's new body, clothes, gold halo, weapons, jewelry, Third Eye, and massive light brown angel wings are permanent.

Mandee: Good riddance forever, you criminal snobs.

Suddenly, Blossomforth felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Blossomforth?

Blossomforth: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave those criminals the violent beatings of their lives.

Nico: You got that right, and you did the same tactic Jackie used on Cruella, Mandee.

Mandee: It's proof of how much I despised Pacifica's so-called parents.

Blossomforth: We all did, now we're so glad they're gone forever.

Suddenly, Blossomforth wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Blossomforth's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Blossomforth sucked in and absorbed the elements and they came back to us as the display vanished.

Nico: That's two more old enemies gone for good.

Suddenly, another massive army of hulking muscled thugs hired by

The Northwests appeared and they charged at us, but Nico fired vacuum tubes from his chest which latched onto the chests of The Northwests' massive army of hulking muscled thugs, and the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into Nico and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive dark blue angel wings with dark blue tips spread out and glowed and he also grew even stronger. Suddenly, something had appeared behind Nico's head: a gold version of a gold version of Mithra's halo: a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner.

When Nico was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Nico, and the thugs were now weak and thin as a rake and he fired a powerful blast of fire and incinerated them leaving them as ashes.

Nico: Oh damn, that was quite a rush. (Notices the halo) And I also got the same gold version of Mithra's halo. (Sees his now bigger massive muscles) And I'm also even more buff and ripped! How was that possible?

Lincoln: You and J.D. saw what happened when I did that, right? Your bodies scanned and copied it and you acquired the same technique.

Me: He's right, whoa.

Varie: And we'll get used to seeing you even bigger and beefier than ever, J.D.

May: Same with you, Nico.

Then, May and Varie kissed Nico and I on our cheeks, and Nico and I had atomic red blushes on our faces.

Me and Nico: WHOA MAMA!

WE LAUGHED!

Lincoln: Nice!

Nico: Now onto other business.

Eli: Yep. And we have Another Lumpjaw, Orange Slice Candy, Skittles Monster, M&Ms Villains, Chocolate Cake, Waffles, Pancakes, Sushi, Burrito, Burger of Giant Beef, Strikning and Thundermon.

Me: Whoa. Wait a second. Lumpjaw from the movie Fun and Fancy Free? Whoa I never saw that movie before but it was awesome.

Eli: Yep it sure was.

Lana: Yeah those were good times.

Nico: Boy that brings back memories.

May: Who do we call?

Me: Heidi Reynolds, Gina Matta Hari, Valencia Raiden, Camie, Cammy, Camula & Camee Cammos, Ronalda Paleozoa, Melanie Loki, Simone Terrance, Roxanne Talbot, Yin Yolei and Zina Zinnia.

Qin: Cool!

Nico: Nice!

Eli: Yep and the most cool part is that we have 6 Embodiments. The Anothers minus Thundermon are 6 people. But I sense that one of them has it REALLY DARK.

Me: Uh oh.

Maria called them in.

Yin Yolei: Hey, guys.

Heidi Reynolds: We're here guys!

Nico: Awesome you all came.

Qin: Yep.

Eli: This will be a good one and here comes the first Another.

We saw ANOTHER LUMPJAW!

Valencia Raiden: Another Lumpjaw!? Boy I haven't seen that one in like forever.

Me: Yeah.

We saw that it was CRYING REALLY HARD.

Me: Oh man.

Another Lumpjaw: (CRYING HARD) (In a girls voice) You have to help me J.D.!

Me: (GASP!) Oh dear god!

She reverted back and it was a girl with red hair and she had purple eyes and was in orange torn clothes and to our shock and horror she had TALLY MARK SCARS ALL OVER HERSELF!

Me: (GASP!) Veronica Zsasz!

WE GASPED!

Me: Oh man!

Her Tally Marks were still bleeding too like they were freshly cut!

We brought her over to us.

Me: Oh dear god.

Nico: What happened?

Veronica Zsasz: (WAILING SCREAMING) MY FATHER DID THIS TO ME!

Nico: Victor Zsasz you monster fuckup!

Me: I'll face him Nico! Varie you comfort and help Veronica.

Varie: Right!

Then a figure came out with a bloody knife and he was in an orange jumpsuit and it was VICTOR ZSASZ!

Me: Victor Zsasz!

Victor Zsasz: (LAUGHS HOMICIDALLY AND MALEVOLENTLY) YES!

Me: I have had it with you! Now I'm going to kill you once and for all!

Victor Zsasz: And how are the Joker's biggest masterpieces today?

Me: Shut your fucking mouth! That doesn't work on us anymore! For your information we are nothing like the Joker. Now it's time you died!

I teleported and kicked him in his face and leg swept him and punched him square in his stomach and then punched him in his mouth and knocked out some of his teeth!

Camie: So he is Victor Zsasz?

Nico: Yep.

Camie: What are those scars all over his body?

Eli: They show how many people he killed. He killed over 300 people.

Laney: Not nearly as many as the Joker. But he is just as screwed up as he is.

I kicked him in the crotch and grabbed him by his head and smashed him into the ground!

I pulled him out and bashed him all over!

He pulled out his knife.

Me: You call that toothpick a knife?

Then I pulled out.

Me: THIS is a knife!

I slashed off his hand and he screamed in pain his hand fell to the ground with the knife in it.

Xenia: Nice one!

Nico: Did you know there's at least one version of him I actually like? It's not this one!

Lola: Really Nico?

Nico: Yep.

Me: That's for all the people you killed! Now here is this! For hurting your OWN DAUGHTER!

I then stabbed him all the way through his black heart and channelled Black Gates energy into my sword and he was found guilty by all those he hurt and was banished to the Black Gates forever!

Me: Good riddance.

Varie was healing Veronica up as she was crying hard.

Nico: How he had a daughter, I will never know.

Me: Must be from someone in Arkham.

Veronica Zsasz: Yes I am the also the daughter of Jaina Hudson.

Me: The White Rabbit? Whoa.

Xenia: Wow.

Nico: Please tell me she's sane!

Veronica Zsasz: She is but she went into hiding after Victor was resurrected.

Me: She is one of Batman's forgotten enemies.

Xenia: Yeah.

Varie healed her up good.

Varie: I'm sorry this happened to you.

Veronica Zsasz: I know.

Thundermon: We'll have your mom join our ranks.

Veronica Zsasz: I would like that very much.

Nico: First lets separate you and then deal with the Another.

Veronica Zsasz: Good idea.

Lincoln fired a beam of light and separated her and then Heidi Reynolds blasted the Another Lumpjaw and I caught the Wonder Ride Book.

Me: There we go.

Qin: Yeah.

Nico: Now for the rest of them.

Lola: Yep.

Eli: The Anothers Minus Thundermon are all 5 people individually.

Nico: There they are!

We saw Another Orange Slice Candy, Skittles Monster, M&Ms Villains, Chocolate Cake, Waffles, Pancakes, Sushi, Burrito, Burger of Giant Beef and Strikning!

Me: Whoa! Boy I haven't had Orange Slice Candy in forever!

Nico: OH WOW! M&M'S! I'm eating all these after we beat them!

Me: I knew you would!

Another Skittles Monster: (In a girls voice) This is gonna be awesome!

Me: (GASP) That voice!

They merged and split into 5 figures and reverted back. The first girl had orange hair and had yellow eyes and had yellow and orange clothes and had yellow wings and had a tiara with the Symbol of The Sun in it and the same symbol was on her skirt and she had a sun sword. The second girl had blue hair and blue eyes and had blue clothes and blue angel wings and had a tiara with the symbol of the Moon on it with the same symbol on her skirt and she had a moon sword. The third girl had aqua blue hair and blue eyes and had aqua blue clothes and had blue wings and had a tiara with the symbol of a Whale on it and the same symbol was on her skirt and she had a blue scythe in her hands. The 4th girl had orange hair and had red eyes and had red clothes and she had red wings and she had a tiara with the symbol of the Explosion Dopant on it and the same symbol was on her skirt and she had a fire whip in her hand. And the last girl had red hair and red eyes and had orange clothes and had red angel wings and had a tiara with the symbol for the Spice dopant on and she had the same symbol on her skirt and she had a chili pepper sword in her hands.

Me: (GASP) Selene Sun, Mina Moon, Winona Whale, Elandra Explosion and Svetlana Spice!

Selene Sun: Awesome to see you again J.D.

Mina Moon: Boy you are looking awesome.

Me: Yep. These girls are the embodiments of the Sun, Moon, Whale, Explosion and Spice Dopants.

Nico: COOL! Spice and Explosion were unused in the show.

Me: I know and the others were made up.

Nico: Nice!

Laney: Wow! What can you all do?

Selene Sun: I have the powers of the Sun and control fire and light.

Mina Moon: I have the powers of the Moon and control darkness and the stars.

Winona Whale: I have the powers to talk to whales and can summon pods of them and even control the water.

Elandra Explosion: I have the power to fire energy blasts and can blow stuff up with 100 pounds of C4.

Svetlana Spice: And I have the power to grow pepper and spice plants and also use fire.

Nico: Wow!

Qin: That is cool!

Me: Is the Another Thundermon friendly or hostile?

Selene Sun: Friendly and you're going to be surprised who it is.

Me: Okay then.

Maria: Awesome.

Me: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoé

They glowed and were separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

Nico: Must eat!

Fujiko fired an energy blast and blasted down Another Strikning and I caught the Wonder Ride Book.

Nico ran and ate the rest of them and he was stuffed!

Nico: Ahh! (LOUD BELCH!)

He belched out the Wonder Ride Books and I caught them.

Me: Ew.

Nico: Excuse me.

Me: Boy that was a tasty one.

Qin: Yep.

Nico: That was tasty!

Qin: Now for Another Thundermon.

Lola: That one is going to be shocking.

Me: Boy we've just been full of puns these last couple of days haven't we?

Eddy: (LAUGHS) We sure have been.

Nico: Except yesterday involved sand.

Lana: Yeah.

Mina Moon: I can tell. Lola still has sand coming out of her ears.

Lola: Yeah it was crazy.

Svetlana Spice: I heard you guys were collecting the fragments of the Tablet of Order and Chaos.

Me: We sure have.

Selene Sun: I found this on Victor Zsasz. He dropped it as he was coming after you guys.

She pulled out a fragment of the tablet.

Me: Hey thanks Selene.

I put it in our case for the tablet.

Nico: Now we wait for Another Thundermon.

But then…

ZOOOM!

We saw something move fast and then…

ZZAAAAAAAAAAPPPPP!

Nico got zapped in the butt!

Maria: Wait. Zsasz didn't use his fragment?!

Elandra Explosion: No he dropped it before he got here to you guys.

Me: That's a relief. Zsasz obviously had no idea what the fragments can do.

Maria: Yeah.

Nico: But who is the wiseass that shocked me!?

Eli: I think that guy!

We saw ANOTHER THUNDERMON!

Me: WHOA! Another Thundermon.

Thundermon: Boy who is that handsome shocker?

Another Thundermon: (In a girls voice) I am a shocking one huh?

Me: (GASP) That voice!

She reverted back and was a girl with aqua blue hair, green eyes, and had blue clothes and blue wings and she had a tiara with the symbol for Sea on it and the same symbol was on her skirt and she had a sword of pure water.

Me: (GASP) Saya Sea!

Saya Sea: Awesome to see you again J.D. No pun intended.

Me: Same to you. Saya is the Embodiment of the Sea Dopant.

Nico: Another unused Dopant.

Me: Yep. And she has the powers of the Sea and even Storms at sea. She can use the powers of lightning, water and the wind and she has the power to talk to fish and knows lots of amazing mermaids.

Saya Sea: It's true. Awesome having the powers of the ocean like this.

Thundermon: Boy that is awesome.

Sougo: (gets out Mighty Morphin Ridewatch) I hope there are Embodiments of the Ranger teams next.

Geiz: (gets out Jetman Ridewatch) All 47 of them.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor.

Saya Sea: Actually believe it or not there are. You'll all meet them soon.

Me: Awesome! Sorry we have to fight like this.

Saya Sea: No worries.

She turned into ANOTHER THUNDERMON!

Optimus Primal: Lets make this fun too. Optimus Primal, MAXIMIZE!

He transformed!

Cheetor: This will be fun! Cheetor, MAXIMIZE!

He transformed!

Rhinox: You know this will be awesome. Rhinox, MAXIMIZE!

He roared and transformed!

Rattrap: I'm always up for some fun. Rattrap, MAXIMIZE!

He transformed as well.

Nico: Time to bring down the lightning! (ACTIVATES THUNDERMON AND STRIKNING'S RIDEWATCHES)

Nico fired spikes and they hit Another Thundermon and then lightning struck her and electrocuted her.

May: Top this! (ACTIVATES CARAPAX AND PENNY THE CHICKEN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: And this too. (ACTIVATES TUBLAT AND OVERLOAD'S RIDEWATCHES)

She fired waves of bananas and lightning and smashed her down!

Fujiko: Taste this lightning! (ACTIVATES STRIKNING'S RIDEWATCH)

She fired spikes and lightning struck Another Thundermon all over.

Then Turtle, Scirocco Mole, Dr. Abel Cuvier, Universe 666 Floronic Man, Meka and Wolf Eels came.

Nico: Awesome team Turtle!

Turtle: Thanks Nico.

Qin: Yeah!

?: (Speaking in Russian) Мальчик, это будет веселая команда. (Boy that is gonna be a fun team.)

We then saw a Slither Wing come.

Me: Cool a Slither Wing.

Nico: Nice!

Slither Wing: (In a girls Voice) Рад снова видеть тебя, Нико, и тебя тоже, Цинь. (It's good to see you again Nico and you too as well Qin.)

Nico: Sevyon Korzhamenshekova! (Speaking in Russian) Я тоже рад тебя видеть. (It's good to see you too.)

She reverted back and was a girl with orange hair and had blue eyes and had orange angel wings and had orange clothes.

Sevyon Korzhamenshekova: Мы можем поговорить после того, как закончим здесь. (We can talk after we finish here.)

She fired a blast of fire and smashed down Another Thundermon and I caught the ridewatch and purified it.

I brought Saya Sea over.

Me: (Speaking in Russian) Мальчик, Семен, это было действительно потрясающее выступление. (Boy that was a really amazing performance there Semyon.)

Semyon Korzhamenshokova: Спасибо, товарищ Кнудсон. Я люблю хороший бой. (Thank you comrade Knudson. I do love a good battle.)

Fujiko: What's your favorite memory of Nico?

Me: Фудзико хочет знать, какое у вас самое любимое воспоминание о нем. (Fujiko wants to know what your favorite memory is of him.)

Semyon Korzhamenshokova: Мне больше всего нравится, когда мы с Нико устроили соревнование по поеданию борща, и Нико победил, съев более 100 тарелок борща. Это был самый борщ, который я когда-либо видел, чтобы он ел. (My favorite is when me and Nico had an all you can eat borscht eating contest and Nico won by eating over 100 bowls of borscht. That was the most borscht I've ever seen him eat.)

Me: She said that her favorite was an all you can eat borscht eating contest and Nico won by eating over 100 bowls of it. That was the most borscht she ever saw him eat.

Nico: That was a lot of borscht there. Good times too.

Nico and Semyon hugged.

Nico: Я соскучилась по тебе, Семен. (I've missed you Semyon.)

Semyon Korzhamenshokova: То же самое со мной, Нико. (Same with me Nico.)

We went back home.

Earlier today, the emotionless and cold-blooded former mad scientist of the defunct Incognito Labs turned convicted criminal, Dr. Carol Linnaeus, has escaped from prison once again and regained her intelligence thanks to the help of Damian Erebus, the evil older brother of Darcy Erebus, and she's about to do something that we never thought we would encounter again.

It seems she'd gotten her hands on the files on Project: Mother in Law, and she injected a Funnel Web Spider with the Alien DNA that was used in the 2000 horror movie, Spiders, and it has grown into a dangerous and very super aggressive monster spider and wants to lay its eggs inside living hosts for them to grow and hatch. But, we're not going to let that happen once again, we're going to destroy that alien mutant monster spider and this time for good, and Dr. Carol Linnaeus will pay the ultimate price for her unethical and illegal experiments and all for her desire for glory, and that price will be her life, and we'll also make sure that Damian Erebus pays infinite-fold for that stunt later on after our mission to get the next fragment of the Tablet of Order and Chaos!

Lincoln: Whoa, we're here in Sterling Heights, Michigan, and I know what we're going to do here, not only am I going to rescue the fourteen girls, but we also got a nasty case of bad news, as we had seen: earlier today, the emotionless and cold-blooded former mad scientist of the defunct Incognito Labs turned convicted criminal, Dr. Carol Linnaeus, has escaped from prison once again and regained her intelligence thanks to the help of Damian Erebus, the evil older brother of Darcy Erebus, and we'd also gotten bad news: she's done something that we never thought we would encounter again. You remember my rescue a year ago in the world of the 2000 horror movie, Spiders?

Me: Yeah, I remember. What's up?

Lincoln: It seems she'd gotten her hands on the files on Project: Mother in Law, and she injected a Funnel Web Spider with the Alien DNA that was used in the 2000 horror movie, Spiders, and it has grown into a dangerous and very super aggressive monster spider and wants to lay its eggs inside living hosts for them to grow and hatch.

We gasped.

Lisa Loud: That madwoman, she's unleashed untold calamity with that stunt!

Nico: That bitch!

Lincoln: We're not going to let that happen once again, first, we're going to destroy that alien mutant monster spider and this time for good, and then, Dr. Carol Linnaeus will pay the ultimate price for her unethical and illegal experiments and all for her desire for glory, and that price will be her life, and we'll also make sure that Damian Erebus pays infinite-fold for that stunt later on after our mission to get the next fragment of the Tablet of Order and Chaos.

Stacy: You said it. Now, let's find that mutant alien monster spider and destroy it.

We travelled throughout Sterling Heights, and we saw people cocooned inside webs, we got them out and scanned them: the spider didn't lay any eggs in them, not yet anyways. We got them to safety at a hospital in Sterling Heights. Suddenly, we heard something we thought we'd never hear again.

?: (SCREECH)

Lincoln: Oh boy, it's here!

Lincoln put up the massive diamond barrier, and we soon saw our target: the spider that Dr. Carol Linnaeus injected with the Alien DNA and it grew into a super aggressive out-of-control breeding monster. It was trying to attack the barrier, but nothing helped, and it was still screeching like crazy.

Suddenly, we saw a beautiful and super sexy girl with long sunlight blonde hair, sunlight yellow, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful golden angel wings and Sun Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, elements, Keyblades, and angels on the coattails and on the back is The Kingdom of Corona, in her right hand is the Ever After Keyblade, appear in the barrier and with her are the fourteen girls.

Lincoln: (GASPS) Iona Xion, Keyblade Knight of The Kingdom of Corona and Embodiment of Xion, The 14 Elements of The Sun.

Iona Xion: Yep, and I got the girls away from that mutant spider and that cackling madwoman who wanted the spider to cocoon them and lay eggs in their flesh.

Lincoln fired a massive fire blast which hit the spider and it exploded and the barrier still up protected us from the spilled guts of the spider! TRIPLE YUCK YUCK!

?: (ENRAGED SCREAM) DAMN YOU, TEAM LOUD PHOENIX STORM, YOU RUINED MY EXPERIMENT!

We then saw our target, Dr. Carol Linnaeus, and boy was she mad and out of her mind.

Sylvester: Well, look who showed up to see her big bad creation get destroyed and incinerated to ashes.

Dr. Linnaeus: HUMAN BEINGS ARE NOTHING MORE THAN TEST SUBJECTS TO BE USED, ABUSED, AND MURDERED! I WILL ACHIEVE MY ROAD TO GLORY!

Then, Lincoln fired threads of red energy from his massive greatsword which pierced Dr. Linnaeus' arms and legs, and then, with an upward swing of his massive greatsword, he tore Dr. Linnaeus to pieces and sent her spirit to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Go to Hell, Linnaeus, your days of treating human beings as your test subjects are over. (To Iona Xion) And it's so good to see you again, Iona Xion.

Iona Xion: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Sora, Lea, Namine, and Roxas again, Xion.

Xion: You too, Iona.

Lincoln went up to Iona Xion and he hugged her, and Iona Xion is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, the gold version of Mithra's halo behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Iona Xion: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to

measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Iona Xion, Keyblade Knight of The Kingdom of Corona and Embodiment of Xion, The 14 Elements of The Sun, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of The Sun and the 14 Elements, and she harbors a very very nasty hatred towards Mother Gothel for locking up Rapunzel and using her powers over the sun to sustain her youth, and she also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they did to Xion and make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Xion: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Roxas: We hadn't forgotten just how deep her hatred for Mother Gothel was, along with her hatred for Organization XIII.

Lincoln: You said it, but that old witch paid the price.

Iona Xion: Thank God, I hated her with all my heart.

Eli: Plus, we didn't know you're the Keyblade Knight of The Kingdom of Corona. So, the embodiments of Organization XIII are also Keyblade Knights of the worlds Sora and the others went to.

Xion: You guessed it.

Lincoln: Yeah, not only do they have the powers of each of the members of Organization XIII, but they're also Keyblade Knights as well, and no one dares to mess with them at all.

Me: Because one wrong move, and they were toast, and the same went with Lincoln's old enemies.

Nico: Namely Scoots, Flip, Lewis Travolta, Hawk, Hank, Pablo, Anderson, and the other jerks from Royal Woods and Great Lakes City.

Lincoln: And Lori, Lynn, Lola, Lisa, and Luan, just one of their attempts to kill me and the Keyblade Knights and Organization XIII Embodiments will pulverize the daylights out of them, and now that you're here, Iona.

Lincoln went up to and hugged Iona Xion in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his gold halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Iona Xion: Whoa, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Iona Xion's neck with sunlight yellow gems on the gold lightning bolts and sunlight yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Iona Xion: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Iona Xion.

Iona Xion had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the fourteen girls, and when Lincoln saw them, he immediately recognized them immediately. The fourteen girls are Julia Murai, Momoi, and Takahama from Great Teacher Onizuka, Vermilio and Hyura from Helck, and Claire, Simulator Arnest Flaming, Jessica, Sophitia Femto, Cu Chulainn, Seireen, Maria, Mao, and Doctor Annabelle from Classroom for Heroes.

Lincoln: Oh wow, it's Julia Murai, Momoi, and Takahama from Great Teacher Onizuka, Vermilio and Hyura from Helck, and Claire, Simulator Arnest Flaming, Jessica, Sophitia Femto, Cu Chulainn, Seireen, Maria, Mao, and Doctor Annabelle from Classroom for Heroes.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Julia Murai: Yes, we're okay, thanks to you.

Then, when Julia Murai and the other thirteen girls saw who it was that saved them from Dr. Carol Linnaeus and that mutant funnel web spider of hers, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with a gold version of Mithra's halo behind his head: the large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Julia Murai: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Julia Murai: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal

Love appeared on the necks of Julia Murai, Momoi, Takahama, Vermilio, Hyura, Claire, Simulator Arnest Flaming, Jessica, Sophitia Femto, Cu Chulainn, Seireen, Maria, Mao, and Doctor Annabelle with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was the emotionless and cold-blooded former mad scientist of the defunct Incognito Labs turned convicted criminal, Dr. Carol Linnaeus, who escaped from prison once again and regained her intelligence thanks to the help of Damian Erebus, the evil older brother of Darcy Erebus, and she'd gotten her hands on the files on Project: Mother in Law, and injected a Funnel Web Spider with the Alien DNA that was used in the 2000 horror movie, Spiders, and it grew into a dangerous and very super aggressive monster spider and wanted to lay its eggs inside living hosts for them to grow and hatch.

But, when Lincoln showed what we did first by rescuing the captured people and destroying the giant mutant spider and finally laying the beatdown on Dr. Carol Linnaeus and Lincoln finishing her off and sending her to The Black Gates, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Iona Xion have a lot of catching up to do, now that she's back in town.

Maria: I can't believe it, so the reason for what happened at Sterling Heights, it was because of that bitch, Linnaeus!

Lincoln: Yep, but we destroyed her grotesque creation and destroyed her too.

Darcy Erebus: But, this won't deter Damian, not even for a second.

Lincoln: I know, Darcy.

Me: But, he won't get away with this, not even for a second.

Suddenly, Lincoln's halo glowed, and a gold glow appeared behind the heads of the rest of our team, and then, when the golden glow disappeared, we saw the rest of our team now had golden versions of Mithra's halo behind their heads: a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner.

Nico: Now, that's so awesome.

Maria: That's really awesome. Thanks, Lincoln.

Lincoln: You're welcome.

---

After getting rid of the giant mutant spider and finally getting rid of Dr. Carol Linnaeus and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Iona Xion saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Iona Xion: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now

looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Iona, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Iona Xion: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Iona Xion: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Iona, what memories did you have with Lincoln?

Iona Xion: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Reinengers', and it was seriously packed with customers. But, then, we heard a loud banshee shriek in the air, and the alarm sounded, but we knew who it was that'd announced her arrival: it was Lori and she was out for blood. Lori charged right at Lincoln and was about to kill him, but I blasted Lori with a blast of light and she was blinded temporarily and I pushed her and she got stuck to the wall in a Symbiote web Venom made and she was unable to move. We then called Luna who pulled Lori out of the wall and threw her in a cage and she took her back home where she got grounded for twenty weeks and thrown in a titanium cage.

Nico: Lori, what the heck were you even thinking trying to attack Lincoln at Leni's place of work?! If she saw you, she'd hit you on the head with a sandal.

Lincoln: Leni wanted to do just that to Lori, but Miguel and Fiona stopped her from doing so and they let her go back to work. But, that didn't mean Miguel and Fiona would restrain themselves from going at Lori.

Me: It was ugly, Fiona and Miguel told Lori off saying that she's not an older sister, she was a control freak with an unquenchable thirst for blood and destruction, and Fiona said if she were in Leni's shoes, she'd be disgusted having her for an older sister.

Nico: Jeez! Fiona, you took a huge risk angering Lori like that.

Fiona: I had to, Lori was really pushing her luck with trying to kill her little brother, and I'd heard all of the scary stuff from Lincoln's Guardian Angels and I wanted to throw up in a trash can. Lori, Lynn, Lola, Lisa, and Luan really did tons of shit towards their brother and no one was able to stand up to any of them because they were that frightening. But, he was so lucky to have his nice sisters and parents by his side along with his Guardian Angels.

Selene Emperyous: That's right, you mess with Linky, you risk eternal damnation from us!

We got a shower, and then, Lincoln, Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain are heading to Lake Floria.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Ace Bunny was dressed in black and yellow-trimmed swim trunks, sandals, and he had his weapons holstered in case of trouble.

And Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Princess Misa: Wow, so this is Lake Floria, it sure is awesome.

Lincoln: It sure is, Princess Floria, and it's perfect for our first date. Shall we?

Lincoln, Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain and they hugged them in their abnormally massive and powerful muscular arms, and Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Lake Floria, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain are in your harem.

Chi-Chi: You can thank me and Goku for introducing Princess Misa, Melee, Universe 666 Towa, Universe 666 Aeos, and Dr. Nain to Lincoln, they heard all about Lincoln and they wanted to meet him. So, we set them up on a dinner date at Lynn's Table, and immediately, sparks flew when he laid eyes on them.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Princess Misa, Universe 666 Towa, Universe 666 Aeos, Melee, and Dr. Nain, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Ace Bunny: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Toy Time Galaxy.

Me: Cool! That one looked like a toy robot.

Xenia: Boy those are fun.

Lola: Yep.

Nico: Who wants to go with me?

Mera: Me and Aquaman will go with.

Nico: Awesome.

Me: Cool cool.

Qin: Nice.

Nico: All right lets head in.

They went into the simulator and Nicole activated it and they were at Toy Time Galaxy!

Nico: Here we are.

Mera: Wow!

Aquaman: Amazing!

Mera: It sure is.

Nico: Buzz and Woody would like this

Mera: They sure would.

Nico: We're going after a Undergrunt Gunner.

Aquaman: Cool!

Nico: Any tips on that one Nicole?

Nicole: (On the radio) Just do what you did before in Gold Leaf Galaxy.

Nico: Okay.

?: Let me help too!

They saw a Sandy Shocks!

Nico: Cool a Sandy Shocks.

Sandy Shocks: (In a girls voice) This is gonna be fun.

Nico: Sandra Tesla! Wow! Don't revert back yet.

Sandy Shocks: I won't. I was gonna wait till the end anyway.

Nico: Lets go then.

Aquaman: Any sand relation? Because we got a lot of that yesterday

Sandy Shocks: Nope. Just lightning.

Nico: Lets go.

They were off and they got to the planet and saw UNDERGRUNT GUNNER! He was on a jar of balls.

Nico: This will be good.

Nico: (gets out Thundermon and 10,000 Volt Ghost) Sandy, watch this!

Nico activated them and fired waves of lightning and electrocuted the gunner!

Sandy Shocks: AWESOME! Now this!

She fired waves of lightning and blasted the Gunner.

Mera: YEAH!

Then the gunner steamed red with rage!

Me: WHOA! Now he is mad!

Nico: Yep.

Aquaman: We got this!

Aquaman and Mera fired a wave of energy and blasted the Gunner and then it exploded!

Me: YEAH!

The star came out!

Nico: There it is!

Aquaman: We got it.

Aquaman and Mera went and got the star!

YOU GOT A STAR!

Nico: YEAH!

Sandra reverted back and she was a girl with purple hair and yellow eyes and had yellow clothes and purple wings.

Sandra Tesla: That was awesome!

Nico: Yeah it was!

They high five!

Mera: What's your favorite memory of Nico?

Sandra Tesla: When me and Nico were on our way to class and then we saw a bunch of bullies attacking some of the nerds and then I fired a blast of lightning and it hit them in their butts and burned them badly and we got them expelled.

Nico: That was funny.

Aquaman: Wow.

Nico and Sandra hugged.

Nico: I've missed you.

Sandra Tesla: Same here.

They left the simulator and we cheered.

---

Later we were watching TV and then Colette came in and she was red all over.

Raj: (India Accent) You okay, Colette?

She then started swelling up and she was all swollen!

Me: OH MAN! She's having a Peanut Allergy attack!

We got up and then brought her over!

Me: Laney, Varie get Epinephrine allergy shots stat!

Varie: On it!

Draco: Does Nico know about this?!

Nico: Yes I do! She is severely allergic to peanuts.

Sam Sparks: Welcome to my world!

We sat her on the couch.

Me: Okay who gave her peanuts!?

Rita: Oh I it was from this!

She pulled out a bag of peanut butter chocolate Oreo cookies.

Me: Oops! Must've mistooken them for regular Oreos.

Laney and Varie came back and gave Colette an Epinephrine Shot.

Colette took in a big breath of air.

Colette: (INHALES) WHEW! Thanks guys.

Me: Are you okay Colette?

Colette: Yeah I think so.

Octopunch: (to the mascots) You guys know what to do.

They helped Colette.

Poromon: Are you okay?

Colette: Yeah I'll be okay.

Poliwag: Here Nico.

Poliwag gave Nico the cookies.

Nico: It's all right guys. You didn't know.

Rita: Oh actually I bought those cookies for all of us. But you can have them Nico.

Nico: Thanks Ms. Rita.

Me: Sorry Colette we had no idea you were allergic to peanuts until Nico told us.

Poromon: Maybe you should Shark out.

Colette: Why?

Me: Why would there be a reason for her to shark out if she is having a Peanut Allergy attack?

Poromon: Just to see if it cures her

Nico: Poromon sharking out won't do that.

Laney: Epinephrine shots are the best thing to keep Peanut Allergies at bay.

Poromon: Oh right.

Nico: That and avoiding foods that contain peanuts.

Xenia: Yeah.

Laney: She has to be careful.

Qin: Yeah.

?: Tough doing that huh.

We saw an Iron Treads!

Me: Cool an Iron Treads.

Xenia: The future relative of Donphan. Neat.

Iron Treads: (In a girls voice) Boy not every day you have to deal with allergies huh?

Nico: Jeri Quincy? Whoa!

She reverted back and was a girl with black hair and red eyes and had magenta sports clothes on.

Jeri Quincy: Awesome to see you again Nico.

Nico: Same here.

Seaspray: What's your favorite memory of Nico?

Jeri Quincy: When me and Nico were in Iron Works classes and Nico and I made awesome decorative fountains.

She pulled out a photo album and we saw amazing and beautiful fountains.

Me: Whoa those are amazing.

Qin: Yeah they sure are.

Nico: Yep.

Nico and Jeri hugged.

Nico: I've missed you.

Jeri Quincy: Same here.

Beastbox: Who's next to lead?

Luan: How about me, Scott, Tracer, Animated Optimus, Live Action Optimus, Wataru, and Jun?

Me: Good ideas.

Nico: I like it. Okay Luan it's your turn to shine now.

Qin: Cool.

The previous group came.

Gameface: Can me, Arbormon, BlackWarGreymon, David Cain, Dumbbelltron, Oculous, Ben Ravencroft, Deadwood, Moonstone, and Mercurymon go with you guys?

Nico: Yes you all can come with.

Qin: Awesome.

Burst Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Next will be Iron Bundle and Iron Hands.

Me: Cool!

Xenia: Future Relative of Hariyama and Delibird!

Nico: Yep.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The fifth piece of The Tablet is located on Noir Earth, and it's in the hands of Noir Vulture, and he's an actual cannibal.

We gasped.

Nico: Oh man.

Me: That's just disgusting!

Eli: HOLY CRAP!

Lincoln: A cannibal like that running loose, this is one we're so going to put down and sent to The Black Gates for good.

Me: You said it, Linc.

Nico: We're not letting that disgusting cannibal live a single second further, this time, he dies here and now.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Damian Erebus, the evil older brother of Darcy Erebus and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Darcy and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Darcy, you're not going to like it: the figure we sensed is none other than your evil older brother, Damian Erebus, one of the eleven most dangerous thugs from

Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

Darcy Erebus: So, now my older brother, Damian, has come after us. I always knew that stupid moron would be the first to come after us, he's such a demonic asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say he Gene-Slammed himself into Erebus the Underworld Monarch, right, Darcy.

Darcy Erebus: Yes, I did, Anna. But, I refuse to let Damian live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Noir Earth and destroy Noir Vulture and retrieve the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out this, Noir Vulture, we're ending you and taking that fragment back, and once we get done destroying Noir Vulture, you're next, Damian Erebus.

Darcy Erebus: You've gone way too far this time, Damian. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Erebus the Underworld Monarch. This won't stand, I'll make sure that your soul is sent to the darkest depths of Hell after we get done destroying Noir Vulture.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Noir Earth to retrieve the next piece of The Tablet of Order and Chaos and destroy Noir Vulture, and once we get done with him, Lincoln and Darcy Erebus are going to kill and destroy her evil older brother, Damian Erebus.

We were off to the Noir Universe.

## NOIR NEW YORK CITY

We arrived in Noir New York City.

The late night train whistle its loud horn while moving along the rails in this quiet city. The train was alone. Minding its own business with no one around to disturb it. One second it passes by buildings as a blur. The next second, it's being watched by The Spider-Man and us on a nearby rooftop.

Noir Spidey: Next on my list - Osborn's right-hand monster."

Nico: Who might that be?

Noir Spiderman: A sadistic circus geek who grew to love the taste of raw flesh… like his namesake. I assume you heard the name, 'Adrian Toomes', from your universe?

Me: Yeah we know him.

Luan: The Vulture? We know him. He's an old man that likes to fly around in a bird costume. He's Hay Lin's archenemy and a good friend of ours.

Hay Lin: He's right and he's a good man for me.

Noir Spidey: Good to know. Because this one isn't a friend of mine. Call him whatever you want. I'll always call him the bastard who killed my uncle.

Luan: What? So it was the Vulture that killed your uncle in this universe?

Noir Spiderman: Not just killed… Eaten.

Me: What the fuck!?

Not even Nico could hide the expression on his face when he heard how Uncle Ben died in this universe. He was stunned speechless while everyone else was stunned and feeling a little disgusted to boot.

Noir Spiderman: (sighs and gets out barf bag) Okay, if you guys need to vomit after hearing that, here's a bag.

Me: Oh thanks.

I gave it to Twilight Sparkle and she threw up her guts.

Me: Ew. Good thing I brought plenty of extras.

I gave them to most of us and then…

NASTY VOMIT STORM!

YUCK!

Many of us threw up!

Noir Spiderman: You guys really have a nasty history with cannibals don't you?

Me: Don't fucking ask.

Noir Spiderman: Sorry you guys got sick like that.

Me: No worries. It's just a very touchy thing for us.

Noir Spiderman: It was Osborn who ordered the death of my uncle, and sent Vulture to eat him alive. I thought I killed that monster the last time we fought, but somehow he survived and got his hands on a fragment.

Luan: You tried to KILL Vulture?

Noir Spiderman: He tried to kill my aunt. And don't act too surprised. You guys have killed lots of people like him.

Me: You're right on that.

Luan: That's a good point.

Noir Spiderman: With him alive, I won't rest until he gets what he deserves for all that he's killed. I could honestly use your help.

Nico: That's what we're here for.

Me: We'd be glad to help.

BlackWarGreymon: Let's go find that lowlife before he finds something else to eat.

Me: Yeah.

Noir Spiderman: I can sense he's near. Follow my lead.

We leap off the building and runs on another while searching for the cannibalistic criminal. It won't be long until we heard something, or someone, slashing their search sharp fingernails on their own wanted poster. A rat can be heard minding their own business scurrying in a dark alley, until a creepy old man suddenly leaps over and grabs the poor rat while he's looking very hungry to eat anything, like the juicy dirty rat in his hands.

?: Hhhhhungrrry!

The old man immediately bites on the rat, feasting on its flesh and bones with no one to disturb his dinner. No one except for us

We saw that it was ADRIEN TOOMES A.K.A. VULTURE! But this one looked a lot like Gollum and Voldemort except he was a bloodthirsty cannibal!

Noir Spiderman: What's the matter, Toomes? No humans around for dinner?

Annoyed, Noir Vulture turned to face us, giving us a good look at his face.

Me: WHOA! He really IS one of Nature's Most Cruelest Mistake!

Jet Vac: (British Accent) Capital observation there.

Luan: That's your Vulture? He's a lot creepier than I thought.

Nico: He looks like Gollum and Voldemort!?

Noir Spiderman: Who?

Me: Long story.

Vulture is in no mood to tangle with Spider-Man, much less us. He fears he might end up dead like the last time he fought the webslinger. The old man bails, running away into the dark alleys to escape the web-crusader and us.

Noir Spiderman: You can't escape us, coward!

Me: Get back here you overgrown chicken!

We went after him!

Vulture cuts corners in the alleyways running scared from his relentless pursuers. Spider-Man chases him with all his speed, swinging through the air with all of his attention focused on hunting down the murderer of his uncle. We continued to follow him.

Me: Boy this guy is fast!

Luan: (in her head) This world's Spider-Man is determined to stop Vulture. I mean, why wouldn't he? This man murdered his uncle and tried to kill his aunt. To think in this universe, it was the Vulture that killed his Uncle Ben. Not some random burglar that Peter willingly let go and still regrets that decision to this day. I feel bad. Behind that tough and distrusting demeanor, this world's Peter is genuinely a good guy that's suffered so much betrayal and loss.

Noir Spidey: Stop for a second.

Luan: What is it?

Noir Spidey: Spider-Sense is picking up Vulture's men patrolling past this corner.

Eli: I sense it too.

Alan: We gotta move fast if we're gonna keep up with him.

Ann: Let's take them down while not touching the ground first. And without being seen.

Me: Right.

Nico: Lets fly.

We flew into the air.

We overheard a conversation between two of them.

Goon 1: Vulture says he's gonna give me a promotion.

Goon 2: To what? Head mook?

Timon: (In his head) Hey you mook! That's my line!

Goon 1: Whaddya you know? You ain't educated.

Oculous: Now that we've listened to that, let's stand on the ground and slam these guys against the walls.

Me: You read my mind.

We landed and then I teleported and grabbed them and smashed them against the wall!

We tied them up and sent them to prison.

Xenia: They weren't worth our time.

Noir Spiderman: Nice job, gang. Let's hurry. Sensing Vulture stopped nearby.

We silently move forward and soon locates the Vulture. Unfortunately, we were forced to hide when they see he's meeting with more of his men.

Noir Spiderman: Damn. More of Vulture's trigger men.

Noir Vulture: The Spider-Man and his new friends are after me!

Thug: Don't worry, Mister Toomes. They drops in, they get lead poisoning.

Noir Spiderman: Vulture's flown the coop again, but he's not getting away. Not from me.

We take some time perching from above thinking who they should take out first. As we get ready to know them out, one of Vulture's men shivers in fear before meeting with his inevitable search fate.

Thug: I rather deal with Spider-Man than Vulture any day. That guy gives me the heebie jeebies.

Scott Truman: Careful what you wish for.

Me: I have an idea. Raven?

Raven: On it,

She used her darkness and grabbed some of the thugs and teleported them to our prisons.

We got rid of the thugs and teleported some of them to prison.

Qin: Boy this version of Vulture is REALLY moving so fast.

Xenia: He sure is.

Me: He has one of the fragments. I sense it.

Centaur Man: That's all of them in this area, but no sign of Vulture.

Shadow looked around finding no signs of where their feathered friend ran off to.

Noir Spiderman: He couldn't have gone that far.

Luan: Do you think he might've gone inside this building?

It was a building called the "Creole Club", which sounds like the perfect hideout for the Vulture to escape to.

Me: Creole Club? Very unusual place.

Noir Spiderman: Probably. Doesn't hurt to check it out. Besides, I could use a drink.

Me: Yeah I am a little thirsty.

Xenia: Me too.

We casually walk into the Creole Club in hopes of finding Vulture inside. The criminal dirtbag unfortunately isn't inside, but some of his men are hanging out and minding their own business, that is, until Spider-Man decides to ruin their little fun.

Noir Spiderman: Hey guys. Don't suppose I can get a glass of milk to feed my pet mascots.

Large Brute: Sorry, pal. But I got somethin' here to get you GOOD an' 'hammered'!

Noir Spiderman: Who invited mount ugly?

I snickered.

Deadwood: Let's clear this place out in under 2 minutes.

While this was going on, Poromon found a good stash of beers in the place before drinking one of them.

Poromon: (Slurred Speech) You can shut up there ugly! (HIC)

BASH!

Poromon bashed down the large brute.

Poliwag: (Slurred Speech) You like that bub! (HIC!) How about this!

Poliwag fired bubbles and blasted them down.

I talked to the bartender.

Bartender: Want something?

Me: Sarsaparilla please.

He gave me a bottle and I gave him good money.

Me: Keep the change.

Bartender: Thank you sir!

Me: You're welcome.

I drank it.

Me: Ahh. Good stuff.

Bartender: So what brings the famous Team Loud Phoenix Storm here?

Me: Just need some information please. We came here to kill Adiren Toomes A.K.A. The Vulture.

Bartender: Ah yeah the cannibal nutjob thug. You heard what he did to Ben Parker?

Me: Yeah we did. Poor guy.

Bartender: Yeah he was very well liked here. Everyone loved him. Until he got inside information on Goblin and his gang. Toomes was ordered to kill him and make sure nothing was left.

Me: (Slurps) And by that you mean eaten and dismembered and mutilated.

Bartender: Yeah that's right!

Me: Motherfucking kumquat. That's why we're all going to kill him.

Bartender: I hope you all do. This town was horrifically terrorized by him long enough.

Me: That is a promise.

Goon: (angrily) He think he's cute!

Noir Spiderman: Bitch, I'm adorable.

The Drunk mascots came up in between them.

Manaphy: (Slurred Speech) (HIC!) NO WE'RE Adorable and we'll kick your ass!

She fired a blast of energy and blasted the Goon and then Horsea did the same.

Horsea: (Slurred Speech) Yeah you like that tubby! (HIC)

Noir Spiderman: By unanimous decision, THE SPIDER-MAN AND HIS GUESTS! Raaah.

Tracer: Glad to see you're lightening up.

Poromon: (offers beer) Beer for the winner?

Noir Spiderman: Oh no thanks.

Me: Have a sarsaparilla.

I gave him one.

Noir Spiderman: Thanks.

Bartender: I heard some guys killed Hammerhead.

Me: That was us. I also ripped off Hammerhead's head and mounted it on a spear and threw it to Goblin. Sending a threatening message to him that his days are numbered.

Bartender: Wow! You guys are incredible.

Me: We are not called the most powerful force in the entire universe for show.

Outside I heard something.

Noir Vulture: Worthlessss! All of you! How can you protect me if you can't even protect yourselves!? Finish The Spider-Man and his friends OR I'LL FINISH YOU!

The cannibal throws one of his own men dead through the club's window as a warning to his other minions and the heroes.

Luan: Our Vulture was never like this! Even during the old days, he would never eat people alive!

Me: No fucking shit there! (Finishes Sarsaparilla) Ahh. (Burps) Oh pardon me. But I needed that. Thank you.

Bartender: Anytime.

Nico: Lets go get him!

We zip out the window and found Vulture waiting for us on a platform. Eddy fired his blaster to stop him but missed. The Vulture was surprisingly fast for his age and book it through an alleyway filled with several dozen of his own men patrolling their path to him. They have their spotlights turned on, scanning from the ground to the walls for us.

Flywheels: How are we gonna get across without being seen?

Noir Spiderman: I got an idea (to Luan) Wanna piggyback ride?

Luan: Really?

Noir Spidey: You're the one who keeps complaining I should stop being a loner. Think of this as a trust exercise.

Me: Good idea.

Luan got on his back.

We went invisible.

Noir Spiderman: Don't tell me your Spider-Man doesn't carry you like

this.

Luan: Not usually. But he and some of the others know how cheer us up when we're feeling down.

Noir Spiderman: You have good friends.

Luan: Of course I do. We worked through incredible hardships in our lives. Some which were never easy. Yet somehow, we always find a way to get through them with a smile. An odd quirk, but can be very inspiring. What about you? Do you have any friends that are like that?

Noir Spiderman: Ben Urich was one before he betrayed me. Robbie Robertson is a good friend of mine. There's Felicia, but sometimes I wish we were more than friends if you catch my drift, but the two of us live totally different lives.

Me: I see what you mean.

Luan: Do you know a woman named Mary Jane Watson? I know you'd be good friends with her.

Noir Spiderman: I think there's someone that goes by that name that works at the Bowery Welfare Center run by my aunt. I'll check her out later. We're almost there.

Me: Lets go.

Luan: Yeah.

We approached to the building in front of us where Vulture is presumably hiding, but before we head inside, we foun some of his lackeys wasting time with their own little conversation.

Goon 1: Vulture seems creepier than usual.

Goon 2: Yeah. And that's sayin' somethin'.

Goon 1: I didn't think anything could scare him. He's usually the scariest thing around. His breath always stinks too.

Me: (In my head) His breath smells worse than a dead carcass.

Goon 2: Yeah… what's that guy eat?

Three more mooks are also seen having their own little conversation near a car.

Goon 3: Never seen Vulture like that! He was sweatin' bullets!

Goon 4: Yeah. And anything that scares a guy like that… scares me.

Goon 5: The Spider and his little friends wants to muscle in on this action, they're messing with the wrong gang. I'll fill 'em fulla daylight!

Goon 3: It's nighttime.

Goon 5: Same principle.

Goon 4: Doesn't sound as good though. 'I'll fill 'em fulla nighttime'?

Goon 5: Exactly.

Goon 3: See, this is why we're just goons. Because we have stupid discussions like this.

Noir Spiderman: Reinforcements, huh? I'll take down every thug in this town if I have to.

Mercurymon: If you have any charge attacks, you should use them.

Me: Good idea.

Noir Spiderman: Lets do it.

Noir Spiderman and Luan bashed all the thugs all over with incredible speed.

Misty Tredwell used green fire to banish some of them to Hell.

Noir Spiderman: Hit the sack!

Me: They sure got SACKED on that one. (LAUGHS)

Luan: (LAUGHS) Good one J.D.

Me: Thanks.

Nico: (LAUGHS) Good one.

Noir Spiderman: That's all of them. Let's not waste any more time. Vulture's inside here, right?

Nico: If he didn't leave.

Scott: Let's get our game faces on first. RPM, get in gear!

Wataru: Henshin!

Scott turned into RPM Red!

Wataru transformed!

Scott: GET IN GEAR! RPM RED!

Wataru: VAMPIRE FORCE OF BATS! KAMEN RIDER KIVA! (DEMONIC LAUGHTER AND LIGHTNING STRIKES)

Brittney: Perfect for a gothic force of good.

Qin: Yep.

Spidey turns around to face the door to the building. He carefully opens it into an abandoned building with nothing but crates and spotlights left. We thread carefully as we walk inside and keeping an eye out for Vulture, but so far there's no trace of the old coot. But something is definitely making Spider-Man's head buzz as his spider-sense is acting up like crazy.

Noir Spiderman: I got a bad feeling about this…

Me: Same here.

And like a true horror movie, something crashes through the windows with a terrifying scream that startles us.. It's the Vulture in all his creepy glory. He quickly lunges at his killer, The Spider-Man, pinning him to the ground and making him struggle as he doesn't want to meet the same search fate as his uncle.

Noir Vulture: No more games - it's time for the Vulture to FEASSST!

Noir Spiderman: Yeah? Eat this!

They grappled with each other. Noir Spiderman beat the crap out of Noir Vulture. The Cannibal tried to chomp on him but he dodge it before beating the crap out of him some more. This repeated two more time before Noir Spidey pushed him back as we got ready to kick the feathers out of the old man.

Me: Time to Ruffle Some Feathers!

I teleported and kicked him in the face and punched him in his mouth and knocked out some of his teeth. I punched him pulverized him in his face 19 times.

Xenia fired an arrow and it hit him on his back and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

It burned a hole in his back!

Qin blasted him all over with fire blasts!

Me: You killed Ben Parker! Now you will die!

Qin: We're going to torture you and then kill you!

Xenia: It's going to hurt! REALLY Bad!

Camie: Yeah!

Noir Vulture: Feel my blades!

Vulture jumps back to give himself the distance to hurl numerous knives at us

Nico: (dodges them) Not interested.

I grabbed all the blades he threw.

Animted Optimus knocked the cannibal down with his axe.

Noir Vulture: I thought you don't hurt humans!

Live Action Optimus: There is a difference between not killing humans and allowing humans to harm others.

Animated Optimus. And you lost the right to be human after what you did to Ben Parker!

Me: That's right!

I threw the blades he threw and they slashed Noir Vulture all over the place!

Varie: Nice one!

Girl Jordan: What you did makes you worse than Cletus Kasady!

Noir Spiderman I thought you were dead, Toomes. But at least I can beat the hell outta you some more before killing you. (punches him)

Aqua Man: (Mega Man) If you had wings, you might stand a chance. Couldn't you have been named after an eagle?

Me: Yeah. Vulture is not a fitting name for you. They are Nature's CRUELEST Mistake!

Camie: Couldn't you pick a really graceful bird like Osprey or Gannet?

Ben Ravencroft: This is no time to be messing around with a spotlight.

Noir Spiderman: There's a reason why Vulture likes to hide in the shadows. His eyes are too sensitive to light. Turn this on…

Spiderman turns on the spotlight and focus the light onto Vulture's eyes, causing the cannibal to hiss and growl in pain from being gazed by the fierce light blinding him!

Noir Spiderman: And he becomes as blind as a bat.

Me: Lets add to that one! (Puts hands in a sign) SOLAR FLARE!

I released a massively bright flash of white light as bright as 100,000 suns right in Noir Vulture's face and blinded him!

Noir Vulture: (SCREAMS IN PAIN) MY EYES! MY EYES!

His eyes were badly burned! NOW HE WAS OFFICIALLY BLIND AS A BAT!

We went at him and punched and pulverized him brutally!

Animated Optimus and Live Action Optimus punched Noir Vulture. Vulture shakes his agonizing head before looking up to see both versions of Optimus about to punch him again. This time, the old cannibal was able to dodge their attacks and leap onto an upper railing for safety.

Noir Spiderman: (in his head) You're not getting away from me this time.

Spiderman jumps and uses his web-strike towards Vulture, kicking him and knocking themselves out through the broken glass window.

Luan: Spider-Man!

Spider-Man must've silently admit that last action was a mistake after accidently knocking himself out from the fall. He slowly comes to looking a little daze, not seeing he's lying on a train rail but is still able to hear Vulture's taunting voice

Noir Vulture: (to his face) Looks like you have a train to catch! Or will it catch you!?

Spiderman's vision returns to normal just as the worrying light from a train approaches. Vulture escapes to safety as he continues taunting the hero,

Noir Vulture: End of the line for you!

The train is closing in any second and the best Spider-Man could do is groan and barely stand up. He shakes his pained head and blinks a few times while staring at the light of the train getting brighter and brighter as it's about to hit him.

Noir Spiderman: This might hurt.

Fortunately for him, he's got friends who've come to save him. Like Live Action Optimus.

Live Action Optimus: I've got you!

He got him away from the train coming.

Qin: Nice try!

I punched Vulture and smashed him into a bunch of boxes and they were full of Fish.

Luan suddenly arrives and blastscuts Vulture in half, but the old man scurries away like a scared dog before she got the chance.

Luan: You can't run forever, Vulture!

Noir Vulture: Stay back! I'm warning you!

Noir Spiderman: Well too bad we're not listening.

Me: We're going to destroy you!

With no goons at the moment, Noir Spiderman is free to web swing after Vulture with us following. Eventually, we landed at a rooftop.

Noir Vulture: Why are you bothering me, huh? Can't we work out some kind of deal?

Me: We don't negotiate with people like you!

Noir Spiderman: Sure. We get the rock. You get killed by a firing squad.

Vulture declines with his hisses and retreats to more rooftops

Noir Vulture: You don't know who you're messing with!

Buffo: Oh, Buffo knows. Buffo just don't care.

Noir Vulture: Let's see you do THIS!

Vulture leaps around certain rooftops as a way to show us of the people he's taken hostage. His men are already there guarding the hostages with orders to kill them if they spot anyone trying to save them.

Luan: We've got to get those people to safety.

Noir Spiderman: Level with me, Toomes. Were you always this wrong in the head?

Me: Yeah were you always this fucked up?

Moonstone: Before we go after Vulture, we have to rescue the hostages.

Me: Right!

Qin: Lets do it!

We went and rescued the hostages all over the place.

Nico: Are you okay?

Man: Thanks to you guys.

Me: Awesome. Get home and stay there. We got this.

Man 2: Okay.

The hostages ran.

Noir Spiderman: The people are safe. Too bad the same won't be said for Vulture.

Me: That's for sure.

Noir Spiderman is still eager to give Toomes a beating and hurries with his allies to find him. They jump and zip over rooftops while searching for the Vulture's current whereabouts or any clues where he might be.

Wataru: Over there. His shadow.

He spotted a clue and points to a large shadow that resembles Vulture on a tall building up ahead. We head for the source of the light emanating that shadow and found Vulture, perching like the disgusting bird he is on a Daily Bugle billboard waiting for them. The ugly-dressed coot smiles creepily before jumping down to confront the heroes. Not by himself. Instead, he calls others to kill them for him

Noir Vulture: GET HIM, BOYS!

Vulture's men walk out the door into the building and has them fight the heroes while he cowardly escapes inside.

Noir Spiderman: The more the merrier.

Me: Get back here you coward!

I threw energy blades and blasted Vulture's men all over and slashed them into dust.

Livewire grabbed one thug

Livewire: How about a kiss?

Livewire kissed him while shocking him. Litreally.

Ed: ZAPPITY ZAP ZAP!

Charlie McGee grabbed another thug.

Charlie McGee: Time for a kiss?

She then kissed him and then he ignited into flames and turned into ashes!

Me: WHOA! The Kiss of The Phoenix!

Luan: C'mon. We can't stand around here. Vulture's getting away.

Noir Spiderman: We're closing in on him. I can feel it (we rush through a door into a corridor that leads to the tall tower ahead) If I know Vulture, he'll go higher and higher… like a bird.

We take it easy and decided to walk into the tower, not wanting to risk rushing into a potential trap. But the second they did, Peter's spider-sense goes off like it never has before.

Noir Spiderman: Oh no.

A sudden explosion hits us and knocks us unconscious. It took a few moments for us to regain consciousness. I formed a force field to protect me. Our eyes are blurry and we have a hard time getting up. Not only that, we smell something. Something burning. And it's happening all around them. We see fire burning out of control as our vision is returning to us. We groan from all the ringing in our ears after that explosion, but we're still able to hear Vulture's taunting voice as he's kneeling right in front of us,

Noir Vulture: Wakey-wakey… eggsss and bakey! Care for a drink? WELCOME TO HELL!

The old geezer leaps into the smoke and throws an explosive Molotov that causes more things to blow up and go aflame while he laughs maniacally from all the destruction he has brought upon them.

Noir Spiderman: Guys! Get up! Get up! GET UP! EVERYTHING IS ON FIRE!

Luan: Oh my god… What did that monster DO?!

Dumbbelltron: He led us right into a trap!

Noir Spiderman: My god! There are other people in here… You maniac! What have you done?!

Luan: We gotta save them!

I then busted in!

Me: Come with me guys!

Nico: WHOA! Perfect timing!

I teleported and got the hostages out and then I brought the entire team out!

Nico: WHOA! Nice save J.D.!

Luan: We've underestimated Vulture! We're not used to this one being so deranged to the point of insanity!

Jun: We'll have Vulture pay for this later! Focus getting these people out of here!

Me: I already took care of that guys. But this version of Vulture will pay for his crimes! BIG TIME!

Camie: YEAH!

Noir Spidey: You're going DOWN!

Spiderman attaches a webline onto Toomes to zip across, lunging himself to grab the madman and knock themselves crashing through a window.

Luan: Not again!

The Spider and the Vulture fell down from a considerable height that would kill any normal man. Good thing neither of them are normal as they crashed through a skylight and landed on their sides. Spider-Man grunts from the pain while Vulture makes a cowardly escape through a warehouse.

Noir Vulture: Never catch me… NEVER!

Noir Spider-Man stands up through his aching body at the same time we regroup with him.

Luan: Are you okay?

Noir Spidey: I'm fine. I really gotta stop jumping out of windows when chasing a bird that can't fly.

Mandarin: Especially since you don't have the ability to fly. You haven't fought alongside us so many times yet.

Qin: Yeah.

Lola: That's true.

Me: But either way we got to get him.

Camie: I'm so sick of this guy!

Luan: Me too!

Hay Lin: I HATE THIS MONSTER!

David Cain: He shouldn't have anywhere to run now.

Nico: A cornered animal is the most dangerous.

Me: Yeah but we got him right where we want him.

Xenia: And it will be brutal.

Lola: No way are we going to let him get away with everything he did.

Noir Vulture: When will you fools stop chasing me?!

Suzumebachi: When you're six feet under!

Me: And sent off to Hell!

Nico: Okay, Vulture. You have nowhere to run. Give up the fragment. And maybe. Just maybe. We might just throw you in prison.

Me: IF We're in a good mood! Which we AREN'T!

Noir Vulture: Couldn't leave me alone, could you? You want to take thissss rock away from me! You fools and Osssborn! But it wants me! ME! MEEEE! It's been calling me! Singing! Don't you hear it?! NO! Of course not! It doesn't want YOU! NONE OF YOU! I'm not SCARED of you, Spider-Man! I'm not scared of OSBORN! I'm not scared of ANYONE! I have the ROCK! I have the POWER! And I'm going to use it NOW!

Luan: Vulture, NO!

But it is already too late, as sensed by Spider-Man with his spider-sense roaring like crazy.

Noir Spiderman: No! We're too late!

Nico: Hurry! We need to do our entrance! We still have some time!

Me: Right!

We went at him!

Noir Vulture laughed and then The spirits of the birds of the world came and then swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we came out!

Me: Nowhere to run Vulture! You are dead meat!

Noir Spiderman: VULTURE! Where are you, you piece of trash-!

Popping up out of nowhere, a fragment-powered Vulture strikes Spider-Man with his claws before disappearing suddenly.

Arbormon: Where did he-?

A surprised Arbormon glances around for the Vulture, only for him to teleport to his blindspot and strike him down next. Luan looks ahead to see Vulture surrounded in a creepy orange aura lunging at him from his teleport dash, but she was able dodge his lunge in time and get a good look on him. He was a Heartless now. But aside from turning his teeth into bunch of needle-thin fangs and the Heartless symbol on his chest, nothing much changed.

WE GASPED!

Luan: So you used the fragment to gain teleportation powers and become a Heartless.

Me: No wonder we had problems with him!

Noir Vulture: I'm gonna leave my mark on you, brace face!

Noir Vulture pounced on Luan and they grappled with each other. Luan beat the crap out of Noir Vulture. The Cannibal tried to chomp on her but she dodged it before beating the crap out of him some more. This repeated two more time before Luan pushed him back.

POW BLAM! SMASH!

Noir Vulture: There is nothing you can do to stop me! With this power, even the mighty Goblin will fall before me!

Nico: Not going to happen!

Me: I'm going to kill Goblin first before you even get the chance! And you aren't the only one that can teleport!

I teleported and kicked him in the face and teleported and punched him in the back and teleported and kicked him in the chest and punched him in the face and then teleported and bashed him in the back!

Noir Vulture: (laughs evilly) Burn! Die, die, die! (gets out Moltov cocktail)

Eddy: You first!

Eddy fired his blaster at him, causing him to drop the cocktail.

Eddy: No one messes with Luan!

The cocktail smashed and burned Noir Vulture!

Qin: Nice!

Eddy fired blaster shots and they hit Noir Vulture!

Xenia: Take this!

She fired waves of explosive arrows and blasted him.

Noir Vulture: Chomp chomp! (laughs insanely)

Nico: You're a fucking monster! Our Vulture would never do what you do!

Noir Vulture: Then your Vulture is a fucking fool!

Me: YOU'RE THE FOOL! YOU'RE FUCKING INSANE!

I punched him and kicked him SQUARE in the crotch and then punched him right in the stomach and punched him right in his face and bashed him in the face with a drop kick!

Xenia: YEAH!

Poromon: CANNIBALS LIKE YOU DESERVE TO FUCKING DIE!

Poromon pecked him.

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

But then Count Spankulot appeared out of nowhere and spanked Noir Vulture all over and laughed maniacally!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Count Spankulot REALLY SPANKED HIM BAD!

Noir Vulture's butt was GLOWING RED!

Then Girder, Krusty, Count Spankulot, Eris, Shade, Abis Mal, Leap Frog, Weather Wizard, Count Vertigo, and Juggernaut appeared.

Nico: Girder, Krusty, Count Spankulot, Eris, Shade, Abis Mal, Leap Frog, Weather Wizard, Count Vertigo, and Juggernaut.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Girder: Nice shot, Count!

Count Spankulot: (Transylvanian Accent) Well, he's been bad, hasn't he?

Nico: He's been more than bad!

Me: He is pure fucking evil!

Krusty: Our Vulture is probably disgusted about how this one turned out.

Me: Yeah no shit there!

Eris: (to Nico) We heard you killed Pacifica's parents.

Nico: We sure did.

Shade: Did you tell her?

Nico: Yep we did and she is glad they are gone. We threw their ashes into the sun.

Shade: Good riddance.

?: Boy he is a monster!

Then a figure came out and it was DOOMWAVE from episode 4 of Super Ninja Steel!

---

Doomwave is sent to plant the Tsunami Machine to engulf the entirety of Summer Cove and wipe it out but Aaron Foster's drone breaks it using a net. He is first seen on the big screens of the Warrior Dome as he reports to Madame Odius that his machine has been broken. After being ordered by Odius to get on with it, Doomwave tries to fix it along with an army of Basherbots and Badonna coming along but the Ninja Steel Rangers (having discovered his plan using the drone) arrive and morph to take him and the Basherbots on. As most of the Rangers fight the Basherbots, Brody takes on Doomwave and is able to overpower the monster but, right before the Rangers can shoot him with the Ninja Blasters and before Levi's Rockstorm Guitar Rockstorm Blast, the monster is able to move away from the lasers as they destroy the Basherbots. Afterwards, he takes his machine and escapes into the ocean with no one to stop him and no way to reach him. After Doomwave fixes his Tsunami Machine, he returns and encounters the Power Rangers again as they are about to set the drone to the water. Preston and Calvin try to get the drone into the water but Doomwave shoots lightning from his eyes to bring them down. Right before he can destroy them, Levi and Brody step in and kick the monster back, allowing Calvin and Preston to put the drone in the water. Doomwave gets back on his feet and knocks the remote out of Hayley's hand. The tsunami then starts and Doomwave summons an army of Basherbots to aid him in battle so the male Rangers fight them off whilst Hayley and Sarah are able to retrieve the controller to control the drone and use it to capture the machine. After dealing with the Basherbots, Brody and Levi then combine their Red Ninja Strike Final Attack and Tornado Slash Final Attack to destroy Doomwave. The monster is dunked into the ocean and bemoans his feeling of defeat before imploding as Levi takes a selfie. With the threats eliminated, Hayley and Sarah pull the Tsunami Machine onto shore and use their Ninja Blasters to obliterate it.

Doomwave is then gigantified in the water by Cosmo Royale and he attacks the Rangers with his more powerful lightning vision. With him out at sea, the Megazords will not be able to attack but the Rangers acquire a new Zord Star by Mick that latches on to the drone (much to the Rangers' surprise) and transforms it into the Sub Surfer Zord. The newly-created Zord attacks Doomwave so the monster himself tries to fight back but he is no match. The Sub Surfer Zord then changes into its Ninja Zord Mode and overpowers Doomwave even more. The Rangers summon their Ninja Steel Zords and form the Ninja Steel Megazord before combining it with the Sub Surfer Zord to form the new Sub Surfer Ninja Megazord. Doomwave tries one last attempt to defeat it but is obliterated by the Riptide Slash Final Attack.

Brody: Doomwave!

Doomwave: Been a while rangers.

Me: I remember you! You were sent to plant a Tsunami Machine and wipe out the city off the face of the Earth.

Doomwave: That's right. Good memory.

Me: Thanks.

Doomwave: Too bad there's hardly any water here.

Me: Yeah but It will be awesome to face you.

Saya Sea: I would love having you as an archenemy.

Doomwave: Boy I would be honored! The Embodiment of Sea VS Tsunami Warrior.

Leap Frog: Good. I know your uncle would be proud.

Noir Spiderman: Thanks. Now, with Vulture out of the way… (grabs the fragment) Osborn's next!

Weather Wizard: Damn right!

Count Vertigo: All he has is his low level goons.

Noir Spidey: I owe you guys one for this.

Juggernaut: Just doing our job

Then his spirit came.

Me: This is for pissing all of us off.

I then painted the Judgement Kanji on him and then the spirits of all those he killed came and found him guilty and banished him to the black gates. Forever!

He was now a forgotten memory.

Xenia: Good riddance.

Qin: Yeah.

After we destroyed Noir Vulture, Hay Lin holstered her massive greatsword on her back and powered down, and Hay Lin's new body, clothes, weapons, jewelry, Third Eye, and massive blue-black angel wings are permanent.

Nico: Good riddance, you filthy cannibal! Awesome job, gang, we destroyed Noir Vulture and got the next piece of The Tablet.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Darcy's older brother, Damian Erebus.

?: (ENRAGED SCREAM) VARIE, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of darkness blasts that came out of nowhere and they hit the barrier, but the dark energy volley was absorbed into us and we became even stronger than ever. Then, we saw Erebus the Underworld Monarch appear.

Darcy Erebus: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Erebus skinsuit, and show yourself, Damian!

Erebus the Underworld Monarch vanished in a vortex of infernal wind, and in its place stood a 6'11" tall male with neon purple hair and dark purple eyes similar as Darcy's, massive muscular build, and dressed in a red prison jumpsuit: it was Damian Erebus, the evil older brother of Darcy Erebus and the seventh of the eleven most dangerous thugs in Royal Woods.

Nico: We meet once again, Damian Erebus.

Darcy Erebus: The seventh of the eleven most dangerous thugs in Royal Woods, I would have never thought I'd have to see your ugly face again, Damian, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Damian Erebus: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Darcy Erebus: You're all bark and no fucking bite, Damian. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Darcy Erebus' dark purple eyes turned neon dark purple and she was surrounded by a black and dark purple energy aura with stars, darkness, hellfire, souls of the dead, phoenixes, and angels, she unholstered her massive Erebus the Underworld Monarch's Demonic Hellfire Darkness Dead Soul Greatsword of Underworld Monarch Justice from her back, and as she approached Damian Erebus, she left black and dark purple energy, stars, darkness, hellfire, souls of the dead, phoenixes, and angels with every step.

Darcy Erebus: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Damian, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them die at the hands of Stern Fern in that downward spiral of depression. We were right to have disowned you, Damian, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Darcy Erebus was surrounded by a massive vortex of green energy with stars, darkness, hellfire, and souls of the dead surrounding it, there are phoenixes, angels, and Erebus the Underworld Monarch flying around the vortex, and in the vortex is a purple phoenix with red blood eyes glaring at Damian Erebus: the red eyes of eternal death. Then, as the vortex faded, Darcy Erebus emerged, but she was changed forever.

Darcy Erebus grew from 6'11" to 7'9" in height, she has the body of a goddess, she has black and blood red highlights in the bangs of her long neon purple hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon dark purple eyes and a black and dark purple energy aura with stars, darkness, hellfire, souls of the dead, phoenixes, and angels surrounding her, she has Erebus the Underworld Monarch with the Dark Kanji in its hands emblazoned on her forehead and Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and holding the Darkness, Star, and Eternity Kanjis in its hands, she also has Erebus the Underworld Monarch with red gems for eyes and holding the Darkness, Star, and Eternity Kanjis in its hands on the bottom of her dark purple phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and dark purple gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Darcy Erebus has on a sleeveless gray blouse, short-sleeved purple shirt, purple skirt, purple stockings, purple legwarmers, purple shoes, and long sleeveless white trenchcoat with stars, darkness, hellfire, souls of the dead, phoenixes, and angels on the coattails and on the back is Erebus the Underworld Monarch surrounded by stars, darkness, hellfire, and souls of the dead. Suddenly, Darcy Erebus felt a sharp pain on her back, and then, her massive purple angel wings with black tips and stars on the large dark purple feathers grew much bigger for her new body, and she now has eleven massive and long purple wolf tails with black tips and black markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Darcy Erebus' scythe, massive Erebus the Underworld Monarch's Demonic Hellfire Darkness Dead Soul Greatsword of Underworld Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, hellfire, souls of the dead, phoenixes, and angels, and when it emerged, it was transformed into Darcy Erebus' Infernal Underworld Monarch Erebus the Underworld Monarch Demonic Darkness Phoenix Angel Greatsword of Darkness Phoenix Underworld Monarch Erebus Justice, it's a brand-new massive greatsword with embedded purple gems and Erebus the Underworld Monarch etched on the 7'6" massive, wide, double-edged black blade, large black dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large dark purple gems embedded in the foreheads, longer midnight black handle, four black phoenix heads with dark purple gems for eyes and large black phoenix head with dark purple gems for eyes and a large dark purple gem in its mouth on the bottom of the black phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Erebus the Underworld Monarch's head with dark purple gems for eyes and a large dark purple gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Erebus the Underworld Monarch that said, "Darcy Erebus, Gene-Slammer of Erebus the Underworld Monarch, Friend and Sister of Lucy Loud, Master Summoner of The Undead and Master of The Souls of The Damned, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Destroyer of Stern Fern, Archenemy of Bat (Super Mario), Destroyer of Damian Erebus, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Phoenixes, and Angels"

We were amazed by Darcy Erebus' Super Angel-Erebus the Underworld Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Damian Erebus saw it, he went fucking mad with rage and transformed into Erebus the Underworld Monarch and fired blasts of darkness at her, but she absorbed them and it made her stronger, and she fired a massive barrage of black and purple energy, darkness, hellfire, damned souls, phoenixes, and angels at Damian Erebus, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, THE GATES OF THE UNDERWORLD HAVE BEEN OPENED, AND THE SOULS OF THE DAMNED ARE ABOUT TO BE UNLEASHED!

Lincoln: Awesome, Darcy Erebus' transformed into her Super Angel-Erebus the Underworld Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Damian big time, and now, it's high-time we got rid of you for good, Damian.

Darcy Erebus: (Divine Echoing Godly Voice of The Divine Infernal Damned Soul Darkness Phoenix Erebus the Underworld Monarch Phoenix Angel and Divine Infernal Damned Soul Darkness Phoenix Erebus the Underworld Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Darcy Erebus.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Damian, but I take comfort knowing when I get married to Darcy in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Darcy Erebus and Lincoln went after Damian Erebus who continued firing darkness blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Damian Erebus and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Damian Erebus also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Damian Erebus even madder than ever!

Damian Erebus: I'LL FUCKING KILL YOU, STINKOLN!

Damian Erebus fired more darkness blasts at Lincoln, but he absorbed them and it made him even more stronger as his darkness aura became more ferocious. Then, Lincoln drove his massive greatsword into Damian Erebus' stomach and he began sucking out and absorbing the wind powers he'd gotten when he Gene-Slammed himself into Erebus the Underworld Monarch along with his massive muscle mass and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more, and his massive white angel wings with aurora and orange tips spread out and halo glowed, and that caused Damian Erebus to revert back to normal, but now, he was thin as a rake and he was really weak.

Lincoln swung his massive greatsword and sent Damian Erebus flying into the air, then, Lincoln and Darcy Erebus fired powerful blasts of darkness at Damian Erebus, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Darcy Erebus and Lincoln did as they holstered their massive greatswords and powered down, and Darcy Erebus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, gold halo behind her head, and massive purple angel wings are permanent.

Darcy Erebus: Burn in The Black Gates forever, Damian. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Darcy.

Suddenly, Darcy Erebus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Darcy Erebus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Erebus the Underworld Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and the souls of the damned echoing in agony behind them and we cheered wildly. Then, Lincoln and Darcy Erebus sucked in and absorbed the elemental forces, darkness, and damned souls and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Damian Erebus, but we still got four more of those thugs to deal with.

Dawn Ehther: Which means tomorrow, it's Douglas Ehther's turn to die.

Lincoln: Douglas isn't getting out of this, and I hope we call down the wrath of the angels and powers of Heaven upon him and let them hand down their holy judgement on his soul, Dawn.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's another one for the Embodiments of Organization XIII: Sora Roxas, Keyblade Knight of the Dwarf Woodlands and Embodiment of Roxas, The Key of Destiny.

Roxas, Lea, and Xion gasped.

Xion: Oh man, no way, Sora Roxas! We haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Sora Roxas is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of Light and she harbors a very very nasty hatred towards Queen Grimhilde for what she did in poisoning Snow White with that poison apple, and it's so powerful and brutal that she wants nothing more than to kill her, cut her head off, and stuff it with poison apples. Plus, she harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they did to Roxas by making him do all their dirty work and even worse, making him have to put Xion down which broke his heart long ago, and she swore they'd all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: WHOA!

Nico: The Keyblade Knight of The Dwarf Woodlands and The Embodiment of Roxas, The Key of Destiny?! Oh man, she must be one skilled Keyblade Knight.

Lincoln: She sure is, Nico, and she even uses The Oathkeeper and Oblivion Keyblades along with the Treasure Trove Keyblade.

Eli: No surprise though, she is Roxas' Embodiment and it makes sense that she also uses Oathkeeper and Oblivion as well.

Noir Spiderman: Thanks for the help, guys. And I really do mean that.

Me: It was our pleasure.

Xenia: Yep.

Me: Good fucking riddance.

Laney: He had it coming.

Luan: That was awesome and cool.

Nico: Yep. Great job today everyone. But we're not done yet. That was number 6 of the fragments.

Xenia: Yep.

Spiderman: (To the viewers) This was a brutal and awesome adventure.

Me: Yep.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on a super extra-extra-extra large bed fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for

Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated: Lincoln was in for four weeks of all-night intense wild lovemaking.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated: I was in for four weeks of all-night intense wild lovemaking.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated: Nico was in for four weeks of all-night intense wild lovemaking.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated: Ace Bunny was in for four weeks of all-night intense wild lovemaking.

Tor tomorrow, the next match-up is Dawn Ehther, Gene-Slammer of Ehther the Heavenly Monarch and Lincoln VS. Douglas Ehther

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Newark, New Jersey, and we got a case of trouble: it appears that an old enemy of Selene Laverna's past when she fought alongside Lord Raiden and the Earthrealm Warriors has shown up, a powerful dark sorcerer by the name of Dorian Quinlan has been sighted there, and he's causing havoc, and even worse, he's also a very fanatical supporter of Shao Kahn and his minions. When he heard of what we did in killing Shao Kahn and sending him, Quan Chi, and Shang Tsung to The Black Gates last year along with what we did in banishing Mileena to an unknown planet, sending Bi-Han, Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika to The Book of Vile Darkness after Lincoln stripped them of their powers, and killing D'Vorah and sending her to The Black Gates, he went insane with rage and he swore that he would kill us if it was the last thing he would ever do. But, it is going to be the last thing he ever does, we're going to destroy him and send him to The Black Gates forever. And we're going to meet the next Keyblade Knight, her name is Sora Roxas, Keyblade Knight of the Dwarf Woodlands and Embodiment of Roxas, The Key of Destiny, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of Light and she harbors a very very nasty hatred towards Queen Grimhilde for what she did in poisoning Snow White with that poison apple, and it's so powerful and brutal that she wants nothing more than to kill her, cut her head off, and stuff it with poison apples. Plus, she harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they did to Roxas by making him do all their dirty work and even worse, making him have to put Xion down which broke his heart long ago, and she swore they'd all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal

Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

For part 8 we're going to battle 2099 Scorpion. But this one has a tragic story to him.

See you next time.

Me: I wonder what this food planet will be like.

Qin: Boy who knows.

Nico: I bet it will be a fun one.

Sonata Dusk: I hope it's a planet made of tacos.

Nico: That will cool.

Lola: Yeah it sure would. We haven't seen a taco planet yet.

Xenia: No kidding.

Hikaru: I'm really excited about this oone.

Esther Blanchett: Me too.

Nico: Hikaru, I want to thank you, Turtle, and your teams for coming

Hikaru: No problem Nico. This will be fun.

Lola: It sure will.

Nico: Esther, what do you like to do in your free time?

Esther: When I'm not learning how to try and be a queen, I'm a minister at a church.

Lola: Being a minister is a good idea.

Qin: It sure is.

Xenia: Yeah.

Fiona Hernandez: Just like how we met Nico.

Maria Hernandez: We met Nico in church and that is perfect for you.

Esther: I'm glad you think so.

Nico: I pity the poor idiots who try to vandalize a church when you're around.

Esther: Yeah no kidding.

Qin: Don't worry we made sure to hire extra protection around Esther's church.

Me: Yeah.

Eli: Boy the Noir Vulture REALLY PISSED US OFF six ways till Sunday!

Nico: No lie there! That version of him was a monster!

Turtle: Our Vulture was horrified by his Noir's actions

Me: Boy he must've puked up Carrion after hearing what he did.

Turtle: YUCK! But yeah he did. By the way J.D. how is your shoulder from where he bit you?

Me: Good. All healed up.

Nico: That was genius using your poisonous blood to kill him.

Me: Thanks.

Nico: Light was able to severely harm him.

Qin: Just like the Bioraptors we faced. Remember those?

Nico: That is very coincidentally similar.

Xenia: Yeah.

Camie: But also he looked like a mixture of Gollum and Voldemort.

Fiona Hernandez: Boy that was shocking. How did Noir Spiderman handle being told about them?

Me: He did not like those 2 one teeny tiny bit. He was really enraged about them that he broke a fire hydrant clear off.

Lola: GEEZ! I would be mad myself at the mention of those two.

Nico: But either way, the Ben Parker of that world has been avenged.

Me: Along with all the other people that Noir Vulture killed. Now all we have left is Goblin and that world will be forever free.

Xenia: You got that right.

Girl Jordan: I can't wait to face Ultimate Carnage and show that son of a bitch what for!

Qin: You really are looking forward to that huh?

Girl Jordan: Yep.

Me: Any version of Carnage is prey for Girl Jordan the Carnage Destroyer.

We laughed!

Xenia: (LAUGHS) Hey that's a great title.

Lola: Yep.

Nico: Okay. If that version of Ultimate Carnage isn't Kasady, you can still kill said Serial Killer if he shows up

Girl Jordan: Deal.

Qin: Good.

Maria: We're here.

We arrived at the planet.

We saw that it looked like a desert planet from above.

Me: Looks like a desert planet from up here.

Nico: Lets get a closer look.

We went down to the planet and we landed and to our amazement and Sonata Dusk's delight we saw that it was A PLANET MADE ENTIRELY OUT OF TACOS!

Me: OH WOW! It's a planet of Tacos!

Xenia: Boy this is cool!

Sonata Dusk: OH BOY! TACOS! I LOVE TACOS!

We laughed!

Me: Boy Sonata Dusk is home!

Nico: Let me try some!

We went and ate some.

Me: Oh boy! (CRUNCH) Mmm! Crispy, delicious and yummy!

Xenia: Boy this planet is a perfect Taco Tuesday Haven.

Sonata: My tacos!

Me: Now Sonata there's more than enough for everyone. (CRUNCH) Mmm! Yummy.

Nico: (CRUNCH) Mmm! Boy the kids of Springfield elementary would love this planet. I heard they LOVE Taco Tuesday. (Season 25, Episode 13)

Qin: Boy they sure do. (CRUNCH) Mmm! So good. Anyone brought any taco sauce?

Sonata: Get your own!

Me: Sonata there's PLENTY here.

Sonata Dusk: Oh sorry.

Qin: No worries. (LAUGHS) Taco fever. (CRUNCH) Mmm!

Lola: Boy these are awesome. (CRUNCH) Mmm! Delicious.

Me: They sure are.

Girl Jordan was thinking about something.

Me: Something on your mind Girl Jordan?

Nico: You're wondering why Ultimate Electro is still in the SHIELD prison if that world? I just feel it might pay off soon.

Girl Jordan: No no it's not that. I have this strong feeling that the Carnage we're about to face later on is actually going to be the clone of Gwen Stacy. Like the one we met when I was in that blind rage like that. Remember?

Me: Boy I remember that one. That was a scary comic I read. Stan Lee said that Ultimate Spider Man Vol. 11 was his most brutal work he ever made.

Girl Jordan: But looking back I can't believe I did that. I was so hellbent on getting revenge on Carnage.

Leeli: It'll be okay Girl Jordan. You didn't know that one was Gwen Stacy.

Takeshi Hongo: I can't believe that Girl Jordan was robbed of her life by Carnage. What he did to her was horrible.

Me: And ever since then Girl Jordan has been hellbent on destroying all versions of Carnage all over and she is not going to stop till she kills ALL of them.

Turtle: Except the ones in our ranks.

Girl Jordan: I know. Those are the exceptions.

Me: But if this version of Ultimate Carnage is going to be like the one I saw in the comic book, then we're going to be in for one helluva rescue operation when we face him.

Lola: Yeah no kidding.

Me: Tell you what Girl Jordan, when we face Ultimate Carnage, we'll rescue Gwen and then you can transform into your most powerful form and blast the Carnage Symbiote into smithereens and banish him to the Black Gates.

Girl Jordan: I would like that very much J.D.

Me: Good.

Nico: We may have to brace ourselves if Ultimate Carnage gets his hand on a fragment.

Me: If he does, we'll be ready for it.

Qin: The power of those fragments is amazing!

Nico: Boy no kidding. As much as it pains me to say it but those fragments made the villains we faced AS POWERFUL As us.

Me: Yeah they sure did! Boy we're going to have to pull off the kiddie gloves with these guys.

Xenia: Yeah.

Juran: Or we keep doing what we normally do.

Me: And that is beat their butts and get the fragments.

Nico: Yep but J.D. does raise a good point. If these fragments make any villain as powerful as us then we're going to have to get serious and raise the stakes.

Eli: I agree. We can't afford anymore mistakes like with Noir Vulture.

Lola: Yeah.

Girl Jordan: What powers have wee seen so far from them?

Me: Kraven got super speed, Hammerhead got metallic skin, 2099 Hobgoblin got Cloning Powers, Electro got Lightning Beast Synthesis, Sandman got unstable stronger sand powers, and Noir Vulture got teleportation. Who knows what the rest will be capable of.

Qin: But so far all those powers they got were amazing. Especially Ultimate Electro's powers.

Me: That was the coolest one out of them all.

Camie: It sure was.

Nico: Are you referring to Noir Spidey just running after Noir Vulture and almost getting run over by a train?

Me: Both that and how that bomb got you guys put into a burning building and almost deep fried.

Nico: Good point.

Eli: Yeah. (Crunch) Mmm!

Qin: J.D. is right on that. We can't afford to make anymore slipups with power like this.

Spiderman: I agree there. With these fragments out there we got to take this seriously.

Lola: Right.

Girl Jordan: Yeah.

Maria: Hey, that scumbag just got a lucky shot in.

Me: Maybe so but that is one mistake we can't make again.

Qin: Yeah.

Nico: Agreed.

We had a good snack.

Me: (Crunch) Mmm! Good tacos though.

Sonata Dusk: They sure are. Thanks for taking me here.

Me: No problem. But it's awesome.

Xenia: Yep. Now to get to work.

Nico: We can't speak for the other 4 Spideys. These ARE their worlds after all.

Me: I know.

Qin: Yeah.

Lincoln: Okay, guys, we've got ourselves a really crazy rescue here on the taco planet, and this will be of interest to you, Peter: I found out that the villain we'll be facing is your old foe, Screwball.

Me: Liz Allen A.K.A. Screwball!? Whoa!

Spiderman: Screwball's here?! Ooh boy, this is going to be one screwy fight with her again.

Nico: She's one of your old foes, and why did you say it's going to be a screwy fight with her again?

Lincoln: Screwball is one of Peter's goofiest foes, she's a self-styled performance artist and she's the world's first live-blogging super-villain.

Nico: What? She's a live-blogging supervillain?! Sheesh, now that really is screwy!

Me: I know, Pete told me she was an internet personality and social-media attention monger to such an extent that she actually committed her crimes on camera and uploaded them on her blog.

Eli: Is she crazy?! She's literally trying to get caught!

Lincoln: And not only that, but her website also has 18 million subscribers, so she's already famous on the internet.

Spiderman: And she's also a master impersonator, she once impersonated me. I tell ya, that girl's all kinds of screwy.

Lincoln: Well, we definitely know where she's going: The Masters of Evil, but first, we got to fight her, and knowing her, she's gonna live-stream it for her blog.

Nico: I agree there.

Pipp Petals: Boy she is like me because I like to post on Social Media too.

Qin: That is amazingly coincidental.

Xenia: Yeah.

Nico: Does she have cameras here?

Lincoln: No she likes using her phone mostly.

Nico: That makes sense.

Me: Boy she would get along great with Lori and Pipp. Both of them are Social Media Bloggers.

Xenia: They sure are.

Pipp Petals: We sure would. Oh my glitter that is too true.

Lola: Yeah.

Lincoln: (Senses for Screwball) AHA! Gotcha! She's 20 yards away and closing fast! (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Screwball.

Me: All right lets get her.

Qin: Yeah!

Lincoln: This is so definitely different from the villains we faced in the past, whenever we go after our old enemies and villains who we haven't gone after on Nico's or my rescues, they're always pissed off and extremely insane with revenge on their minds, but you're an exception.

Spiderman: What'd you expect, she's not like any of our enemies.

Fiona: And if it's a fight she wants with us for her blog, she's got one.

Nico: She's here somewhere

Me: Keep your eyes pealed.

?: I hope you all are ready, I've got the cameras rolling and we are streaming!

Spiderman: Should've guessed it was you, Screwball. Come on out, hope you got your cameras rolling!

We then saw our target, Liz Allen A.K.A. Screwball, Spiderman's goofiest foe, and she's got flying cameras and they are on and rolling.

Me: Liz Allen A.K.A. Screwball.

Spiderman: Boy been a long time since we last faced each other Liz.

Screwball: I know it feels like forever Webby. I was beginning to think you forgot about me.

Spiderman: I know a lot of enemies.

Me: It's the major enemies we had to go after mostly.

Nico: (Whistles) Flying cameras, you really know how to live-stream.

Me: Very cool and awesome.

Screwball: You bet I am, now come on, let's get this fight started!

Lincoln: This is so definitely different from the villains we faced in the past, whenever we go after our old enemies and villains who we haven't gone after on Nico's or my rescues, they're always pissed off and extremely insane with revenge on their minds, but you're an exception.

Spiderman: What'd you expect, she's not like any of our enemies.

Fiona: And if it's a fight she wants with us for her blog, she's got one.

Suddenly, Fiona's eyes turned neon electric blue and she was surrounded by a rainbow energy aura with stars, lightning bolts, sparks of lightning, dragons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Screwball, she left rainbow energy, stars, lightning bolts, sparks of lightning, dragons, phoenixes, and angels with every step.

Fiona: You're definitely not like any of the villains we'd fought against, and since you've already got your cameras rolling and ready to post the footage on your blog, well then, you've gotten your wish, so let's give your audience the fight you've been looking for.

Screwball: Yes! Oh, BTW, there's another massive army of hulking musclebound thugs heading here and they're on the orders of two rich people.

Lincoln: The Northwests still have armies of hulking musclebound thugs? Jeez, their connections with the criminal underworld really run deep.

Me: Which means more for Lincoln to drain dry of their massive muscle mass and great physical strength!

Lincoln: And you and Nico as well, J.D.

Nico: He's right, we can't let him do this on his own, we've got to help out Lincoln. Even though they are already dead, it won't hurt to piss them off from beyond the grave.

Me: Yeah, that's a good idea.

Suddenly, Fiona was surrounded by a massive vortex of rainbow energy with stars, bolts of lightning, and sparks of lightning surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Fiona's massive greatsword, and then, it glowed, and then surrounding the massive vortex of rainbow energy with stars, bolts of lightning, and sparks of lightning surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF FIONA AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: HOPE YOUR CAMERAS ARE SHOCK-PROOF! BECAUSE SPARKS ARE ABOUT TO FLY!

Eli: BIG TIME!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO FIONA! THEN, AS SOON AS THE VORTEX FADED, FIONA EMERGED FOREVER CHANGED!

THE LOUD HOUSE INSTRUMENTAL INTRO PLAYS

We were really amazed by Fiona's Super Angel-Dragon-Phoenix-

Fiona: (Divine Echoing Godly Voice of The Harmonious United Friendship Celestial Eternal Greek Astrape and Bronte Lightning Dragon Phoenix Angel and Divine Cosmic Harmonious United Friendship Celestial Eternal Greek Astrape and Bronte Lightning Dragon Phoenix Angel Love) I might've guessed you'd take a picture.

Screwball: Just to let my subscribers know who I'm fighting. Oh, and those thugs should be coming right now.

Suddenly, we saw three massive armies of The Northwests' hulking musclebound thugs charging right at us like stampeding bulls.

Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the first wave of The Northwests' massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Then, I fired vacuum tubes from my chest which latched onto the chests of the second wave of The Northwests' massive army of hulking muscled thugs, and the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora tips spread out and glowed and my halo glowed and I really grew even stronger. When I was done, the vacuum tubes had detached themselves from the chests of the thugs and went back into me, and the thugs were now weak and thin as a rake and I fired a powerful blast of fire and incinerated them leaving them as ashes.

Finally, Nico fired vacuum tubes from his chest which latched onto the chests of the third wave of The Northwests' massive army of hulking muscled thugs, and the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into Nico and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive dark blue angel wings with dark blue tips spread out and glowed and his halo also glowed and he also grew even stronger. When Nico was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Nico, and the thugs were now weak and thin as a rake and he fired a powerful blast of fire and incinerated them leaving them as ashes.

Sonata Dusk: That's it for The Northwests' musclebound hulking thugs. Now, we can get this battle started.

Screwball: Hmm. Nope. Not getting pissed off. I don't know what everyone else is talking about.

Me: I don't either. Also Liz you are like Spiderman's version of Deadpool.

Screwball: I do act like him don't I.

Jamesdean5842: Except you don't break the fourth wall like he does all the time.

Screwball: Yeah that is confusing.

Me: But it's what he does.

Nico: Are you really Peter's old classmate?

Screwball: I sure am. And we went to Midtown High School Together.

Me: You must've heard about him being Spiderman as well.

Screwball: I sure did and let me tell you I was shocked finding out about that.

Me: So was most of the city. But thanks to us killing most of every hero's major enemies they don't have to live in fear anymore.

Nico: It's true. Most of them are in our frenemies of the M.O.E.

Qin: Yep.

Suddenly, Sonata Dusk's purple eyes turned neon purple, and she was surrounded by a purple, dark blue, and light blue energy aura with stars, light, purple hearts, magic, music notes, and Alicorns, she unholstered her massive Sonata Dusk's Musical Alicorn Greatsword of Light Selflessness and Celestial Music Love, and as she approached Screwball, she left purple, dark blue, and light blue energy, stars, light, purple hearts, magic, music notes, and Alicorns with every step.

Sonata Dusk: Like Fiona said, you're not like any of our old enemies from the past, but we already know you're looking for a fight, so consider it your wish granted, Screwball.

Suddenly, Sonata Dusk was surrounded by a massive vortex of purple, dark blue, and light blue energy with stars, light, magic, purple hearts, and music notes surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a red phoenix.

Screwball: I got to let my subscribers know about it, alright, now we can fight.

Lincoln: Figures you'd say that.

Nico: Also, have you come across any magic rocks?

Screwball: No sorry I haven't.

Me: Good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sonata Dusk and Fiona, and so did we as we also

unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now that we made sure that the hulking musclebound thugs of The Northwests along with Flip's musclebound thugs had been dealt with, now we can fight without their interruptions whatsoever.

Lincoln, Sonata Dusk, and Fiona went after Screwball, and they fired extremely powerful blasts of rainbow energy, purple, dark blue, and light blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Screwball and they exploded with incredible power as they hit them.

Then, they attacked her with their massive greatswords leaving scars on them and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Sonata Dusk, and Fiona attacked her with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts.

Screwball: WHOO! Man, that blog I saw wasn't kidding, you guys are literally beyond mega strong, it's like you guys are literally gods.

Me: We get called that all the time.

Eli: Yeah we're practically gods among man.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's a combo of being blessed by the gods and seven years of training non-stop. Now, to end this fight.

Lincoln fired golden spider silk webs at Screwball, and she was wrapped up in a golden silk cocoon and she was carted off to The Masters of Evil's HQ. We all cheered as Lincoln, Fiona, and Sonata Dusk holstered their massive greatswords on their backs and powered down, and Sonata Dusk's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer dark blue and light blue-streaked tail, longer light blue horn, and massive light blue angel wings are permanent, and Fiona's new body, clothes, gold halo, weapons, jewelry, Third Eye, and massive dark brown angel wings are permanent.

Leni: How did you learn how to fire gold spider silk webs, Lincoln?

Nico: Remember when Lincoln absorbed Chakravartin after taking down Deus, Olga, and Sergei of The Seven Deities?

Me: Oh yeah, now I remember, and he did fire golden spider web blasts at The Northwests yesterday to shut their big fat mouths, and when we were grabbing the fragments of The Tablet.

Lincoln: Yep, and it's soft as fabric but tough as steel.

Spiderman: Dang, so whenever I find villains webbed up in gold spider silk, I'll already know that it's you, Lincoln.

Lynn Sr.: He tied up a group of robbers who tried to break into the restaurant and free that mutant, Flip, and his brother and cousin, in golden spider silk cocoons, and he even webbed their mouths shut.

Me: Just like how I do it with Red Spider Silk. That is awesome.

Suddenly, we saw two thugs coming at us, and Lincoln fired gold spider silk and wrapped them up in gold spider silk cocoons and beamed them to the police station where they got sent to prison.

Lincoln: Nice try, you fat mutant!

Lincoln formed three massive balls of gold spider silk and he threw it into a portal and it hit Flip, his brother, and his cousin, and they were covered head to toe in gold spider silk.

Flip: BLECH! GROSS!

Flip, his cousin, and his brother shook it off, and soon found out Flip had a bomb on his head.

Flip: AH! GIMME A BREAK!

THEN… !

KABOOM!

The bomb exploded and Flip, his brother, and cousin were covered in soot and scattered gold spider silk, and they were cursing and howling with anger as we saw it through a one-way window and we bust out laughing hysterically.

Nico: WHAT A LOSER!

Eli: (LAUGHS) YEAH!

Me: THAT'S FOR ALWAYS SENDING A BUNCH OF MUSCLEBOUND THUGS AT US, YOU HAIRY MUTANT AND YOUR BUTT AND BRAIN SMELL LIKE A DUMPSTER!

Nico and I gave Flip the finger as the one-way window closed.

Lincoln: Guys, you know that's a one-way window, right? Flip wasn't going to see it either way.

Eli: We know, but this'll make him see if he ever does that stunt again, he's going down!

Laney: That stupid mutant cheapskate!

Nico: Was Liz one of your past girlfriends?

Spiderman: No she's just a friend. Only one person was for me and that's Mary Jane.

Qin: That's true.

Me: Speaking of which I wonder how TAS Spiderman and TAS Mary Jane are doing?

Nico: I'm sure they are doing great.

Me: Yeah.

Nico: I bet you he was glad to see her again.

Me: Oh he was.

Nico: Yeah.

Qin: And in the jungle of Kraven the Hunter.

Xenia: Yep.

Applejack: That was an amazing adventure there.

Nico: Yep. Now for business.

Me: The Anothers.

Lola: Lets see what we got.

Eli: We have… WHOA! Most of them are some of Spiderman's enemies. We have Another Doomwave, 50 Foot Tapeworm, Human Fly, Kangaroo, Walrus, White Rabbit, Big Wheel, Wicked Wall, Video Man, Stilt Man, Scirocco Mole and Turtle.

Me: WHOA! Just like Saya Sea said. She is going to have

Doomwave as her archenemy.

Lola: Yeah! And the 50 Foot Tapeworm?

Me: I got a call from my friend Ripper, one of the future stars from Total Drama, he and Julia had to eat that. You should have seen what happened.

Nico: I'll take your word for it.

Spiderman: So the rest of my funniest enemies are in the M.O.E. That is cool!

Qin: Yeah!

Me: Richard Deacon A.K.A. Human Fly, Frank Oliver A.K.A. Kangaroo, Hubert Carpenter A.K.A. Walrus, Lorina Dodson A.K.A. White Rabbit, Jackson Weele A.K.A. Big Wheel, Joshua Waldemeyer A.K.A. Wicked Wall, Francis Byte A.K.A. Video Man and Wilbur Day A.K.A. Stilt Man.

Nico: WHOA! This is gonna be interesting.

Spiderman: Boy it'll be interesting to face them again.

Nico: Who do we call?

Me: Saya Sea, Avianna Triplets, Connie Trevalyon, Cecilia Lola, Zuzana Berzins, The Whoopass Twins, Celica Akamichi, Sally Spitfire, Aurora Cromwell, and Gina Everest.

Nico: Cool!

Qin: Wow! This will be awesome.

Lola: Yep.

Maria called them in.

In swirls of elements came said people.

Connie Trevalyon: Hey, guys!

Nico: Awesome you all made it.

Zuzana Berzins: (Latvian Accent) Wow! A Taco planet. This is amazing.

Sally Spitfire: Yeah no kidding!

Nico: Yep.

Eli: I Sense that the Anothers minus Turtle are all one person.

Qin: Cool!

Me: Easy.

Nico: There they are!

Out came Another Doomwave, 50 Foot Tapeworm, Human Fly, Kangaroo, Walrus, White Rabbit, Big Wheel, Wicked Wall, Video Man, Stilt Man and Scirocco Mole!

Me: WHOA!

Cecilia Lola: WHOA! So we get some of Spiderman's enemies as our Archenemies!

Sally Spitfire: That's very fitting! Since we are dealing with them now.

Avianna Triplets: And we get a tapeworm as our archenemy!? GROSS!

Me: Uch! Tell me about it.

Another Human Fly: (In a girls voice) That is gross huh?

Me: (GASP) That voice.

They merged and she reverted back and and she was a girl with brown hair and orange eyes and had brown angel wings and had brown clothes and had a tiara with the symbol of Quicksand on it and the same symbol was on her skirt and she had a Sand Sword.

Me: (GASP) Qadira Quicksand!

Nico: Whoa!

Qadira Quicksand: Awesome to see you again J.D.

Me: Same here. Qadira is the Embodiment of the Quicksand Dopant.

May: Whoa that is amazing.

Laney: What powers do you have for that one?

Qadira Quicksand: I can do this.

She fired a beam of energy and turned the ground underneath May into Quicksand and she sunk down to her stomach.

May: Hey! Whoa that is crazy cool!

Nico pulled her out.

POP!

Nico: Boy that is awesome!

Qadira Quicksand: It sure is.

Nico: Interestingly, a few days ago, we fought sand.

Qadira Quicksand: That is interestingly coincidental.

Qin: It sure is.

Philip: But that is awesome that you can do that.

Camie: Yeah.

Qadira Quicksand: Yeah.

Me: By the way is the Another Turtle friendly or hostile?

Qadira Quicksand: Friendly and this one is an amazing and interesting one.

Me: Really? Wow.

May: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

Saya Sea: Lets do it!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Qin: Take that!

Maria: Time for backup! (TURNS DIAL) THUNDER FURY 6!

She summoned Thundermon, Strikning, Carapax, Penny the Chicken, Tublat and Overload!

Xenia: Oh yeah!

Strikning: Wow a Taco Planet.

Me: Yep. Sonata Dusk is in heaven.

We laughed!

Qin: (LAUGHS) Yeah.

Sonata: MY TACOS!

Me: See what we mean?

WE LAUGHED!

Qin: (LAUGHS) Yeah she is home.

Nico: Sonata sure loves her tacos.

Me: Yep. But Sonata you must be really full. I think you've had enough to eat till dinner.

Sonata Dusk: Yeah you're right. (BURPS) Oh pardon me.

Me: No worries.

Strikning: But this is an amazing planet that is perfect for Taco Tuesday.

Nico: You got that right.

Maria: And you shouldn't be greedy.

Sonata Dusk: I know.

Me: Lets just focus first.

Nico: Oh right.

Me: And here she comes!

We saw Another Turtle!

Turtle: Whoa who is that handsome devil?

Me: Another version of you.

Lola: Yep.

Another Turtle: (In a girls voice) I think it's amazing that this planet is here.

Me: (GASP) That voice.

She reverted back and was a girl with green hair and had green eyes and had green angel wings and had purple and orange clothes and she had a tiara with the symbol of the Pangaea Dopant on and she had a skirt with the same symbol on it and she had a green plant sword.

Me: (GASP) Paige Pangaea!

Nico: WHOA!

Paige Pangaea: Awesome to see you again J.D.

Me: Same here Paige. Paige is not only the embodiment of the Pangaea Dopant but she is also immortal and has been around ever since Pangaea back over 237 million years ago.

All of us: WOW!

Nico: That's incredible!

Paige Pangaea: It sure is. And it was fitting that I was turned into Another Turtle. Turtles have been around since 230 million years ago and I saw how they lived and all that during that entire timeframe.

Me: Turtles have been around since the dawn of the dinosaurs and have survived the Chicxulub Impact and more.

Nico: Yep.

Philip: We never faced the Pangaea Dopant before. That is awesome.

Shotaro: What powers do you have from it?

Paige Pangaea: I can do this.

She fired a wave of energy and formed an amazing Triassic Cycad Tree!

Me: WHOA! That's a Cycad Tree from 230 million years ago!

Nicole: Wow! That is an amazing specimen.

Paige Pangaea: Many more where that came from.

Me: Yeah.

Kaito: (gets out Timeranger gear) Did Swartz promise you anything?

Zocks: (gets out GoGoV gear) Because we can grant it instead.

Kaito got a Time Force Sword and Zocks got a Lightspeed Rescue Blaster.

Paige Pangaea: No he was in too much of a hurry. Specifically because I have some special friends from my travels in those days back over 230 million years ago.

Nico: Like what kind of friends?

Paige Pangaea: I can summon all kinds of predators from back then. Deinosuchus, Eoraptor, Herrarasaurus, all kinds of creatures.

Nicole: Wow! Deinosuchus was the first ever crocodile and Eoraptor and Herrarasaurus were 2 of the first ever dinosaurs.

Paige Pangaea: That's right.

Nico: He was scared of being turned into lunch by your friends.

Paige Pangaea: Nice.

Sougo: (gets out Time Force Ridewatch) Can we meet some of them in the future?

Geiz: (Gets out Lightspeed Rescue Ridewatch) As long as they don't make a mess.

Sougo got TimeForceRedArmor while Geiz got LightspeedRescueRedArmor.

Paige Pangaea: I would be honored. Sorry we have to fight like this.

She turned into Another Turtle!

Nico: This will be awesome. (ACTIVATES TURTLE AND SCIROCCO MOLE'S RIDEWATCHES)

He fired a wave of energy and smashed her down.

May: I hope I don't turn into a Chimera. (ACTIVATES DR. ABEL CUVIER AND UNIVERSE 666 FLORONIC MAN'S RIDEWATCHES)

She fired waves of energy and smashed her down.

Maria: And now this. (ACTIVATES MEKA AND WOLF EELS RIDEWATCHES)

She fired a blast of energy and blasted her down.

Esther: Now for some fun. (ACTIVATES SCIROCCO MOLE'S RIDEWATCH)

She fired a wave of energy and blasted her down.

Then Trumbipular, Sindbad, 2021 Kraid, Elephant Undead, Bat Man and Flonk came.

Nico: Nice team Trumbipular!

Trumbipular: Thanks Nico.

Qin: Cool!

?: HIYAH!

We then saw an Iron Hands come!

Me: Cool an Iron Hands!

Iron Hands: (In a girls voice) (Japanese Accent) I'm ready to kick some butt!

Nico: Noriko Kimimoto!? Whoa!

She reverted back and was a girl with brown hair and green eyes and was in a red kimono!

Noriko Kimimoto: This will be fun.

She fired a wave of energy and smashed down Another Turtle and I caught the ridewatch and purified it. I brought Paige over.

Me: Awesome!

Esther: What's your favorite memory of Nico?

Noriko Kimimoto: When me and Nico were going to Class and then I caught a bully pulverizing a nerd and then I walked over and gave him a merciless beatdown.

Nicole: Nice!

Eli: Awesome.

Nico: Yep.

Nico and Noriko hugged.

Nico: I've missed you.

Noriko Kimimoto: Same here Nico.

We went back home.

It appears that an old enemy of Selene Laverna's past when she fought alongside Lord Raiden and the Earthrealm Warriors has shown up, a powerful dark sorcerer by the name of Dorian Quinlan has been sighted there, and he's causing havoc, and even worse, he's also a very fanatical supporter of Shao Kahn and his minions. When he heard of what we did in killing Shao Kahn and sending him, Quan Chi, and Shang Tsung to The Black Gates last year along with what we did in banishing Mileena to an unknown planet, sending Bi-Han, Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika to The Book of Vile Darkness after Lincoln stripped them of their powers, and killing D'Vorah and sending her to The Black Gates, he went insane with rage and he swore that he would kill us if it was the last thing he would ever do. But, it is going to be the last thing he ever does, we're going to destroy him and send him to The Black Gates forever.

Lincoln: Whoa, we're here in Newark, New Jersey, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got big trouble. Selene, your old enemy from Outworld is back.

Selene Laverna: (GASPS) No, not him.

Anna Anyanova: Oh no, you mean?! DORIAN QUINLAN'S HERE?! THAT PSYCHOPATHIC MALEVOLENT DARK SORCERER!

Nico: Whoa, sounds like you know him.

Selene Laverna: And I wish I hadn't. Like Anna said, Dorian Quinlan is a powerful dark sorcerer and one of my worst enemies, and even worse, he's also a very fanatical supporter of Shao Kahn and his minions.

We gasped.

Thor: So, another of Shao Kahn's minions has been located here.

Lincoln: And I already know what he's after along with causing havoc, when he heard of what we did in killing Shao Kahn and sending him, Quan Chi, and Shang Tsung to The Black Gates last year along with what we did in banishing Mileena to an unknown planet, sending Bi-Han, Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika to The Book of Vile Darkness after I stripped them of their powers, and killing D'Vorah and sending her to The Black Gates, he went insane with rage and he swore that he would kill us if it was the last thing he would ever do.

Nico: Fucked-up bastard, he'll pay for what he's done.

Lincoln: You said it, and he's right though, it is going to be the last thing he ever does, we're going to destroy him and send him to The Black Gates forever. Now, let's get after that dark sorcerer and kill him!

Suddenly, we saw a beautiful and super sexy girl with long sunlight blonde hair, sunlight yellow, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings and Light Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, elements, Keyblades, and angels on the coattails and on the back is The Dwarf Woodlands, in her right hand is the Treasure Trove Keyblade and with her are the six girls.

Lincoln: (GASPS) Sora Roxas, Embodiment of Roxas, Keyblade Knight of the Dwarf Woodlands and the Key of Destiny.

Sora Roxas: Yep, and I got the girls away from that insanely fanatical malevolent dark sorcerer. I thought Selene got rid of him in Outworld, but knowing him, he always comes back from the dead.

?: YOU ACCURSED BLASPHEMOUS MURDERERS, YOU SHALL PAY FOR WHAT YOU DID TO SHAO KAHN THE CONQUERER!

We then saw our target: a young man with long black hair, red eyes full of hatred, pale skin, and he's dressed in black sorcerer's robes, it was Dorian Quinlan, the malevolent powerful dark sorcerer and insanely fanatical supporter of Shao Kahn.

Sylvester: Well, if it isn't Shao Kahn's fanatical supporter and longtime enemy of Selene Laverna.

Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after Dorian Quinlan, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, the four orbiting gold halos in the corner of Lincoln's large gold halo fired red absorption blasts which hit Dorian Quinlan and they sucked out all his black magic, dark magic, dark magic arts, and knowledge of dark spells and Lincoln made them his own, and then, he fired a blast of light which hit Dorian Quinlan and incinerated him into ashes and sent his spirit to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Your days of causing havoc and destruction on Earth and Outworld are finally over, Dorian, now go join Shao Kahn, Quan Chi, Shang Tsung, and D'Vorah in The Black Gates forever. (To Sora Roxas) And it's so good to see you again, Sora Roxas.

Sora Roxas: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Sora, Lea, Namine, and Xion again, Roxas.

Roxas: You too, Sora.

Lincoln went up to Sora Roxas and he hugged her, and Sora Roxas is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sora Roxas: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Sora Roxas, Keyblade Knight of the Dwarf Woodlands and Embodiment of Roxas, The Key of Destiny, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of Light and she harbors a very very nasty hatred towards Queen Grimhilde for what she did in poisoning Snow White with that poison apple, and it's so powerful and brutal that she wants nothing more than to kill her, cut her head off, and stuff it with poison apples. Plus, she harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII and wants to make sure they did to Roxas by making him do all their dirty work and even worse, making him have to put Xion down which broke his heart long ago, and she swore they'd all pay for their crimes. She's also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Roxas: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Xion: We hadn't forgotten just how deep her hatred for Queen Grimhilde was, along with her hatred for Organization XIII.

Lincoln: You said it, but that vanity-obsessed queen paid the price.

Sora Roxas: Thank God, I hated her with all my heart.

Eli: Plus, we didn't know you're the Keyblade Knight of The Dwarf Woodlands. So, the embodiments of Organization XIII are also Keyblade Knights of the worlds Sora and the others went to.

Xion: You guessed it.

Lincoln: Yeah, not only do they have the powers of each of the members of Organization XIII, but they're also Keyblade Knights as well, and no one dares to mess with them at all.

Me: Because one wrong move, and they were toast, and the same went with Lincoln's old enemies.

Nico: Namely Scoots, Flip, Lewis Travolta, Hawk, Hank, Pablo, Anderson, and the other jerks from Royal Woods and Great Lakes City.

Lincoln: And Lori, Lynn, Lola, Lisa, and Luan, just one of their attempts to kill me and the Keyblade Knights and Organization XIII Embodiments will pulverize the daylights out of them, and now that you're here, Sora.

Lincoln went up to and hugged Sora Roxas in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his gold halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sora Roxas: Whoa, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sora Roxas' neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sora Roxas: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Sora Roxas.

Sora Roxas had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them immediately. The six girls are Firia Carnelius, Vivian Carnelius, Rinrei Chou, Silph, Lucifer Nanari, and Shiori Sanders from Metamor Fantasy.

Lincoln: Oh wow, it's Firia Carnelius, Vivian Carnelius, Rinrei Chou, Silph, Lucifer Nanari, and Shiori Sanders from Metamor Fantasy.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Firia Carnelius: Yes, we're okay, thanks to you.

Then, when Firia Carnelius and the other five girls saw who it was that saved them from Dorian Quinlan, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Firia Carnelius: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Firia Carnelius, Vivian Carnelius, Rinrei Chou, Silph, Lucifer Nanari, and Shiori Sanders with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Dorian Quinlan, a powerful dark sorcerer and an old enemy of Selene Laverna's past when she fought alongside Lord Raiden and the Earthrealm Warriors, and even worse, Dorian Quinlan was also a very fanatical supporter of Shao Kahn and his minions, and when he heard of what we did in killing Shao Kahn and sending him, Quan Chi, and Shang Tsung to The Black Gates last year along with what we did in banishing Mileena to an unknown planet, sending Bi-Han, Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, the fallen Elder God, Shinnok, and the Titan of Time, Kronika to The Book of Vile Darkness after Lincoln stripped them of their powers, and killing D'Vorah and sending her to The Black Gates, he went insane with rage and he swore that he would kill us if it was the last thing he would ever do.

But, when Lincoln showed what we all did in beating that dark sorcerer into the ground and Lincoln firing four red energy blasts from the four orbiting golden rings on each corner of his large golden halo behind his head and that sucked out Dorian Quinlan's dark magic, black magic, and dark magic spells and he made them his own and finishing him off by firing a blast of light that incinerated him and sent him to The Black Gates forever, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Sora Roxas have a lot of catching up to do, now that she's back in town.

Maria: Damn, I had no idea that there was another dark sorcerer in the employ of Shao Kahn.

Lincoln: But unlike the treacherous sorcerers, Quan Chi and Shang Tsung, Dorian Quinlan was a truly fanatical supporter of Shao Kahn, and he killed many warriors in that tyrant's name, and he'd also gotten himself put on the death list of Quan Chi and Shang Tsung for not wanting to join them.

Selene Laverna: Dorian Quinlan's fanatical devotion to Shao Kahn in the end cost him his life, and he is now in The Black Gates forever, and it won't be long before we also send Mileena, Bi-Han, Rain, Tanya, Skarlet, Reiko, Sektor, Motaro, Kollector, Shinnok, and Kronika to join Shao Kahn, Quan Chi, and Shang Tsung in The Black Gates forever.

Nico: You got that right.

Me: They all deserve to pay for their crimes against Earth and all the realms, and they'll pay with their own blood.

---

After getting rid of Dorian Quinlan and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sora Roxas saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sora Roxas: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Sora, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sora Roxas: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sora Roxas: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Sora, what memories did you have with Lincoln?

Sora Roxas: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were at Tall Timbers Park, and we were there for a nice relaxing day there. But, our relaxing day at the park came to an end when we heard a loud belch in the air, and we caught the stench of B.O. and smelly feet, but we knew who it was that'd announced her arrival: it was Lynn and she was out for blood. Lynn charged right at Lincoln on all fours and was about to kill him, but I blasted Lynn with a blast of light and she was blinded temporarily and Lincoln punched her and she got stuck in a Symbiote web Venom made between two trees and she was unable to move. We then called Luna who pulled Lynn out of the wall and threw her in a cage and she took her back home where she got grounded for twenty weeks and thrown in a titanium cage like the animal that she is.

Nico: At it again?! Ugh, that animal just doesn't even know when to quit!

Lincoln: Lynn was always such an animal, she never knew when to stop with her aggressive and very brutal roughhousing. We always warned Lynn about this, but no, she was way too stubborn and very hard-headed.

Me: And she always had her head up her butt many times, and like Lincoln said, she always listened with her butt instead of her head.

Laney: And that always got her in big trouble for her dumb actions.

Lily: And we've had to restrain ourselves many times whenever we had the urge to beat her into a bloody stain, which wasn't easy by the way!

Luna: It was never easy trying to restrain ourselves whenever we had the urge to beat Lynn to a bloody pulp, she always does a lot of aggressive things that get on our nerves and wind up getting Lincoln hurt.

Me: Yeah, it was really bad.

We got a shower, and then, Lincoln, Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Ace Bunny was dressed in black and yellow-trimmed swim trunks, sandals, and he had his weapons holstered in case of trouble.

And Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Will Vandom: Wow, so this is Seaside Hill, it sure is awesome.

Lincoln: It sure is, Will, and it's perfect for our first date. Shall we?

Lincoln, Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin are in your harem.

Phoebe Vandom: Wow, now the Simulator versions of our sisters are now in Linky's harem, that's awesome!

Will Vandom: We already have our boyfriends, and to find out our Simulator counterparts have those same feelings you, Nicole, Xenia, Emma, and Hayley had for Lincoln, that was definitely a surprise, Phoebe.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Will Vandom, Simulator Irma Lair, Simulator Taranee Cook, Simulator Cornelia Hale, and Simulator Hay Lin, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Ace Bunny: And that mutant should be screaming with pure

vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

* * *

In the Park of Gotham Royal York, the mascots were going to do something with a bunch of Skittles Candy.

Poromon: This will be so fun.

Manaphy: It sure will.

We came.

Me: What are you guys doing this time?

Poromon: We're going to make it rain skittles like on those commercials on TV.

Scorp: I'm gonna go prep the medbay.

Poromon: Lets do it.

They dug a hole and planted Skittles of each color and watered them.

Manaphy: Now we wait.

But they didn't have to wait long. There was a rumble and then a HUGE RAINBOW BURSTED OUT OF THE GROUND and then it rained skittles candy!

EVERYONE WAS AMAZED!

We put out baskets and they filled up quickly with Skittles.

Qin: Wow! This is awesome! I love skittles!

Duncan: Lemme try some.

Duncan took a handful and ate them.

Xenia: Boy this is awesome!

Eli: I love Skittles.

We filled up thousands of baskets full of Skittles.

Armada Cyclonus: So, does this cover the whole city?

We saw EVERYONE all over the city catching skittles.

Armada Cyclonus: I'll take that as a BIG Yes.

Qin: Yeah this sure is AWESOME!

Me: Yep.

?: Boy I love Skittles candy!

Then out came an Iron Bundle!

Me: Cool an Iron Bundle.

Nico: Neat.

Iron Bundle: (In a girls voice) Boy look at all this!

Nico: Layla Glitterstorm!? Whoa.

She reverted back and was a girl with purple hair and had purple eyes and blue and purple clothes and had purple butterfly wings.

Layla Glitterstorm: Awesome to see you again Nico.

Powerglide: What's your favorite memory of Nico?

Layla Glitterstorm: When me and Nico made it rain Butterfinger Bars at our school and it was awesome.

Me: That is awesome.

Laney: Yep.

Qin: We called that day the Day of The Butterfingerpalooza.

Xenia: Awesome.

Nico: Yep.

Nico and Layla hugged.

Nico: I've missed you Layla.

Layla Glitterstorm: Same here.

We gathered LOTS OF Baskets of skittles and went back home.

One thing was for sure, we weren't going to be running out of skittles candy anytime soon.

---

We then decided to get ready for the next mission. We put the baskets full of skittles in the kitchen.

Golden Queen: Who wishes to volunteer to lead this time?

Lily: Me, Animorphs Jake, Leo Corbett, Kameo, Yost Reed, Eiji, and Blossom Z

Nico: Awesome ideas.

Qin: Cool!

Kameo: Yeah this will be fun.

Lola: It sure will.

Then the previous group came.

Weather Wizard: Can me, Girder, Krusty, Count Spankulot, Eris, Shade, Abis Mal, Leap Frog, Count Vertigo, and Juggernaut go with you guys this time?

Nico: Yes you all can come with us and this is gonna be fun.

Qin: It sure will be fun.

Long Haul: Boss, which Gene Slammers do you think you'll meet next?

Nico: Iron Jugulis, Iron Moth and Iron Thorns next.

Xenia: Cool! The future relatives of Tyranitar, Volcarona and Hydreigon.

Qin: Yeah.

Me: Yep.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The fifth piece of The Tablet is located on 2099 Earth, and it's in the hands of 2099 Scorpion.

Lincoln: Another of Alchemax's mad creations, and if he's anything like 2099 Hobgoblin, then, there's only one thing waiting for him.

Me: M.O.E.

Nico: You said it, and unlike the one we know, this one's a dangerous monster who only hunts and kills whom his creator has ordered him to kill. So, there's no doubt we're sending this monster right to the M.O.E.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Douglas Ehther, the evil older brother of Dawn Ehther and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Dawn and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Dawn, you're not going to like it: the figure we sensed is none other than your evil older brother, Douglas Ehther, one of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

Dawn Ehther: So, now my older brother, Douglas, has come after us. I always knew that stupid moron would be the first to come after us, he's such a demonic asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say he Gene-Slammed himself into Ehther the Heavenly Monarch, right, Dawn.

Dawn Ehther: Yes, I did, Anna. But, I refuse to let Douglas live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to 2099 Earth and destroy 2099 Scorpion and retrieve the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out this, 2099 Scorpion, we're ending you and taking that fragment back, and once we get done stopping 2099 Scorpion, you're next, Douglas Ehther.

Dawn Ehther: You've gone way too far this time, Douglas. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Ehther the Heavenly Monarch. This won't stand, I'll make sure that your soul faces Heaven's judgement after we get done destroying 2099 Scorpion.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to 2099 Earth to retrieve the next piece of The Tablet of Order and Chaos and stop 2099 Scorpion, and once we get done with him, Lincoln and Dawn Ehther are going to kill and destroy her evil older brother, Douglas Ehther.

We were off to 2099 New York.

---

We Arrived in the year 2099 in New York City.

Me: Here we are again.

Xenia: Yep.

2099 Spiderman: Hey, guys. Good to see you back here.

Krusty: I don't get how you can work for Alchemax knowing their crimes.

2099 Spiderman: Hey, I don't like it either. But it pays well.

Me: Well we have the organization under investigation.

Lola: Yep. We have someone on the inside.

Qin: Yep.

2099 Spiderman: Good.

Public Eye Announcement: All Public Eye units in the vicinity report to 121st and Lex. One of those fragments Alchemax is looking for has been found!

Public Eye Officer: Units 94 and 98 en route.

Me: Uh oh.

From what it sounded like, the Public Eye has managed to secure a fragment of the Tablet in the future city. Two officers are riding their sky bikes en route to Alchemax with the fragment and deliver it to their boss. But none of them have questioned, or even cared to ask, why Alchemax are so interested in these fragments in the first place. For whatever reason, it can't possibly be good, especially when it has become clear the fragments like to attract unwelcome company.

Public Eye Announcement: All units be advised, Alchemax warns that the fragment may attract freakers or other-.

And while the two officers were listening to the radio, they had no idea they were spied on by a mutated green monster from a rooftop. The mysterious monster lets out a monstrous howl as it drops down and lands on one of the officers' skybikes and wastes no time smacking it's driver to his death with its scorpion hand.

Public Eye Officer 2: Shock! What is that thing?

They saw that it was KRON STONE A.K.A. SCORPION 2099!

Scorpion 2099 jumps onto the other skybike to kill its driver as well.

Public Eye Officer 2: Don't move! Hands where I can see 'em!

2099 Scorpion: Hands!?

Scorpion swipes at the officer without remorse, sending him falling to his screaming demise. The skybike crashes onto a nearby Alchemax-owned science building, causing an explosion big enough for us to notice when we approached the area for the fragment.

We saw him!

2099 Spiderman: That can't be good…

We watch Scorpion rampaging through a small army of Public Eye officers as he not holds anything back and send them flying to their deaths. And as much we don't like the Public Eye, we take action to help them stop Scorpion.

Me: Kron Stone A.K.A. Scorpion 2099!

Lily: Who's he? Scorpion's disgusting great-great-grandson?

2099 Spidey: Worse. It's Kron Stone! My older brother!

Lily: What?!

Nico: Kron Stone?! But wasn't he Venom?

2099 Spiderman: Not anymore. I didn't even like the guy when he was human…

2099 Scorpion: MIIINE!

The mutated Kron Stone he found the fragment he's been looking for. But for what reason, it remains unclear. Before he could escape however, his annoying younger brother and us showed up to stop him.

2099 Spiderman: Ah ah ah. You forgot the magic words. "May I please have the-"

2099 Scorpion: DIIIEEEE!

Scorpion swings his large stinger tail onto Miguel and us and smacks us to the floor so he could have the time to escape into the tower.

I dodged the tail just in time.

Lily: Don't shake your tail at us when we're talking to you!

Me: Yeah!

Qin: But that version of Scorpion is much more insane!

Xenia: Yeah he looked like a totally out of control monster!

Alarm: SECURITY BREACH! SECURITY BREACH!

The alarms blared immediately as soon as Scorpion smashes into the building and destroying everything and everyone that's trying to get in his way. We are on our way and would've pursued him by now if the Public Eye didn't bring out one of their largest, toughest officers to block their path while geared out in hi-tech, heavy armor wielding a large, one-handed blade.

2099 Spiderman: Ah, shock. It's a S.I.E.G.E.

Me: Oh shit!

Nico: A what?

2099 Spiderman: **SI** tuational **E** mergency **GE** ar. The Public Eye likes to outfit some of their members with that tech. Just one of them gave me a lot of trouble when I started this superhero gig.

SIEGE Officer: I'll take care of 'em!

The SIEGE starts firing its missiles at us and watches them do what we can to stay clear of their path.

I fired waves of energy and blasted the missiles and blasted them back and blew them apart!

SIEGE Officer: Program 3.13: Eliminate Spider-Man and his unnamed allies.

Lily: Not long ago, you guys recognized we're Team Loud Phoenix Storm. Now you don't know who we are anymore. You cops are not only corrupt, but also forgetful.

Blaster Tron: (scans the SIEGE Officer) Scanning for weaknesses. Suggestion: Divert missiles into hitting SIEGE Officer.

Eli: Leave that to me.

Eli used the Force on numerous missiles and blasted the SIEGE Officers apart.

Qin: Oh yeah!

Eris: More Public Eye! Don't worry! I'll clear the area!

2099 Spiderman: Thanks, Eris. I'll finish off Tiny here so we can move on and find Kron.

Eris: Okay.

She threw golden apples and they formed into A PINGZAP!

IT WAS FARTING ALL OVER THE PLACE WITH INTENSE STINKINESS!

LOUD FARTS AND LONG LOUD FARTS!

THEY SMELLED REALLY HORRIBLE!

Me: OH GOOD GOD!

Nico: GROSS!

The Public Eye and SIEGE Soldiers coughed and gagged and groaned and vomited all over from the REALLY FOUL STENCH!

2099 Spiderman: WHEW! Nice one!

Shanan: Pingzats have been really known to release nasty farts that make human farts and skunk farts smell like flowers in comparison.

Qin: GOOD GOD!

2099 Spiderman: And to think your Gear was a challenge the first time.

We are just about done cleaning up the area of Public Eye before regrouping with Miguel.

Animorphs Jake: No more Public Eye for now. We should get moving into the building.

2099 Spiderman: Agreed.

Me: But Eris' chaos attack gave us a perfect cover.

We run into the building to pursue 2099 Scorpion. It didn't take long as we quickly see him mumbling to himself in front of the inner door

2099 Scorpion: She promised… she promised!

Lily: What's he talking about?

Me: I don't understand.

Scorpion hisses after spotting us on his back

2099 Scorpion: Leave Kron alone! (escapes through the ceiling vent)

2099 Spiderman: Kron, wait up a second!

Me: YEAH!

Miguel would've pursued him until he noticed the disgusting eggs that were laid by the door.

Me: What the? Eggs?

2099 Spidey: Eggs? Where did they come from?

Public Eye Officer 1: I heard something! Cover me!

A Public Eye officer runs out the side door with his partner after hearing the Scorpion and us. When the two ran out, they quickly discovered the scorpion eggs, much to their shared disgust.

Public Eye Officer 2: What the freak are these?

2099 Spiderman: Stay back! You don't know what-!

The second the idiotic officers touched one of them, the eggs exploded. Unleashing a powerful, and equally disgusting acid that instantly kills them,

Me: HOLY SHIT!

Lily: Disgusting!

Nico: YUCK!

Me: That acid is as strong as Xenomorph Blood!

2099 Spiderman: Boy that is potent!

A shielded officer runs out the other side door with two gunners after responding to Scorpion's rampage

Shielded Officer: Breach warning, Sector 84! Available units to Sector 84!

Nico: My, what nice shield you have.

Shielded Officer: The better to arrest you punks with!

Nico: (throws egg at him) Arrest this!

He threw the egg and it hit the officer and exploded and melted him.

Me: Top this too! KLENDATHU STYLE NINJA ART: TANKER BEETLE PLASMA STORM!

I fired an orange blast of orange plasma and it hit NUMEROUS Men and melted them like lava and fire!

Xenia: WHOA!

Lily takes a second to sniff the air of a terrible odor and quickly covers her nose and mouth when we found more acid eggs laid around the room,

Lily: Ew! These eggs REEK! Who put these things here?

Me: (GAGS) HOLY FUCK! WHAT ARE THESE EGGS MADE WITH!?

Strike Man: They look like scorpion eggs. It must be from Scorpion.

2099 Spiderman: My god. I didn't realize they accidently mutated Kron and changed him enough to lay eggs.

Lily: They? Who mutated him? Alchemax?

Spider-Man hums to himself seemingly hesitant to say anything, which is a little unusual for him. Lily notices this and wants to question him further, if they didn't hear people screaming from the other side of the door that's blocking them.

Public Eye Officer: Get back! Ahhh! Get away from me! - Oh no! NO!

2099 Spiderman: No time to discuss that. We need to find out what's going on in there.

Iron Boy: How 'bout you web up one of these eggs and throw it at the door? My scans say they're pretty acidic to melt down almost anything.

Me: Yeah they look like they can even melt even the strongest of metal.

2099 Spiderman: Good idea.

He got an egg and threw it and burned a hole through the floor.

Lily grabbed the officer and tied him up and gagged him.

We waste no time running through the melted door after Scorpion, avoiding exploding eggs on the way. We saw Scorpion holding a Public Eye officer in his giant claw arm.

2099 Spiderman: Drop him! Now!

A growling Scorpion angrily throws away the unconscious cop to the side before running away from his brother.

2099 Scorpion: Will hurt others if followed!

Scorpion leaps across the large and wide room into another. Following him will be a problem as the doors behind him shut tight. Heavily protected that not even the acid eggs could melt through it.

Lily: He got away! And I don't think his eggs will be enough to melt that door.

2099 Spiderman: How can we get those doors to open and follow Scorpion? I bet those scientists can help us

He looks down to the below floor to see two scientists that he believes can help them open the door. Unfortunately, they have another problem. Scorpion laid his eggs everywhere, and while some of them remain acidic and stationary, the others hatch mini-scorpion babies. Babies that are just as deadly and monstrous as their maker and want nothing more than destruction, starting with the scientists and forcing them to hide behind protected doors.

Abis Mal: Okay, this is getting twisted.

Me: It sure is! I got this!

I fired a powerful white hot energy blast and melted the door open!

Then numerous baby scorpions appeared.

Lily: Baby scorpions. I would call them cute if they weren't so ugly and smelly.

Me: Me too!

Leo Corbett: The fragment gave Scorpion a lot more power than we thought. He can reproduce and lay thousands of eggs that can hatch into these mini scorpion monsters.

Lily: At least he's not Venom anymore to produce Venom babies. I wonder what happened that turned him into Scorpion in the first place. Miguel seemed to have a clue but doesn't want to say anything.

Leo Corbett: He is his brother. He probably doesn't want to talk about it.

Lily: I guess so.

Leo Corbett: Let's not force him to say anything. To take your mind off it, why don't you throw an egg at one of the fans to melt it.

Lily: All right then.

Lily grabbed an egg and it hit them and exploded and melted them!

Me: Nice one!

Scientist 1: Who are you guys? Did you take care of those monsters outside?

Princess Luna: Yes. We're with Spider-Man. We've come to save you. And we need your help to open the door so we can chase the Scorpion.

Scientist 1: Okay. Just take me to one of the console at the door, but

I'm still gonna need my colleague to help me.

Me: Right.

I went and did so.

Scientist 1: Thanks.

The door opened.

2099 Spiderman: I got the other scientist!

Me: Great.

Scientist 2: Give us a moment. We'll get this door open for you. In the meantime, protect us from any more monsters.

More scorpions hatch from their eggs growling for destruction. A small swarm of the baby freaks rushes over like rampaging animals to begin the onslaught where we're are standing and protecting the scientists.

I fired waves of fire.

Nico: Shock! They're coming!

2099 Spiderman: You're starting to fit in.

Nico: Yep.

Lola fired waves of fire and blasted the swarm all over.

Poromon threw a beer bottle at one of the eggs.

SMASH!

Me: Poromon it's going to take more than Beer Bottles to destroy them.

Poromon: You're right. (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and obliterated numerous scorpions.

Qin: YEAH!

Qin fired waves of ice and froze them and shattered them.

2099 Spiderman: Well, you can't blame a mascot for trying!

Me: Yeah!

Scientist 1: Got it!

The door was open!

2099 Spiderman: Alright! Thanks for the help, fellas. Might not like 'em, but wait for the Public Eye to get you outta here. We'll go deal with our mutated pest problem.

Scientist 1: Right. Thank you.

Nico: Lets go!

We went to find Scorpion 2099.

We had to be careful crossing through the corridor. Some areas were covered in toxic acid, much to our disgust. We walked around the ones wecan, and if not, we jumped over them. When we arrived at the end of the corridor, Miguel's spider-sense starts tingling like crazy to a certain mutated brother.

2099 Spiderman: Kron's behind this door. I'll talk to him. You guys get ready.

Me: Right.

Leo Corbett: Right. Go, Galactic!

Eiji: Henshin!

Leo transformed and so did Eiji!

Leo: GALACTIC RED!

Eiji: COINS OF JUSTICE! KAMEN RIDER OOO!

Qin: NICE!

Spider-Man melts the door blocking our path with an egg entering a large chamber covered in dried acid and slime because of Scorpion.

2099 Spiderman: Scorpion! I want that fragment!

2099 Scorpion: NO! MMMMINE!

Miguel and us look up to see the snarling Scorpion jump down from a digital air display advertising the Oscorp name.

2099 Spiderman: You don't understand. The power in that thing. It's dangerous.

2099 Scorpion: See me? See this!? I'M dangerous! MONSTER! But no more-she promised!"

2099 Spiderman: 'She' who? Who promised?

Scorpion is too stubborn and angry to tell him anything and tries to swing his tail on him and us.

I dodged it and grabbed him and threw him down.

2099 Spiderman: Kron! Listen to me-!

2099 Scorpion: No, YOU LISTEN! Smart lady said get rock. Bring her rock. Promised make me human again. HUMAN!

2099 Spiderman: Who? What lady?

Scorpion declined to answer. Only unleashes a screeching roar that devastates our ears.

Juggernaut: I think the time for talking is over!

Leo Corbett: Light of Orion, activate!

HE GLOWED AND GOT AN AWESOME BELT BUCKLE, ARMBAND, CLAW GAUNTLET AND CROSSGUARD FOR HIS QUASAR SABER!

Qin: Oh yeah!

I fired waves of energy and elements and blasted him all over.

Lola: Take that!

I then looked in his thoughts. I then saw who it was that promised him and it was SERENA PATEL A.K.A. DOCTOR OCTOPUS 2099!

Me: (GASP) Oh man! So that's it!

2099 Scorpion: I'll rip you to shreds! Heads or tails?!

We barely avoided his tail strikes. But that's when he saw Poromon drinking beer.

2099 Scorpion: Beer? Mine! (grabs beer)

Poromon: No! It's my beer! Get your own!

2099 Scorpion and Poromon started fighting over the beer.

Me: Oh for fucks sake!

I fired a blast of lightning and electrocuted 2099 Scorpion!

Me: Guys I know who promised him. I saw his thoughts! It was Serena Patel A.K.A. Doctor Octopus 2099!

WE GASPED!

I teleported and kicked 2099 Scorpion in the back and smashed him into the floor!

Lily fired a water blast at him. Scorpion recovered and got a good look at her. He takes a moment to sniff her, getting her scent for an odd reason that quickly angers him

2099 Scorpion: YOU! Your scent! It's that of a LOUD!

Lily: What is it to you?

2099 Scorpion: YOU DID THIS TO ME!

Lily: What do you-?

Before she could question him, Scorpion tries to stab her with his tail. The startled Lily rolls and flips a few times, narrowly dodging his pincer strikes before confronting him again on two feet

Lily: What are you talking about?! I barely know who you are!

2099 Scorpion: Burns was your archenemy. So your family is respnosible for making me a monster!

Lily: Wait. Burns?!

Me: How do you know Burns!?

2099 Scorpion shot acid from his tail at her but she dodged out of the way before 2099 Spidey knocked him down. He then tied 2099 Scorpion up with his webs.

2099 Spiderman: She has nothing to do with this, Kron! You know full well that Burns was responsible. I always try many times to help you. But you insist on lashing out at innocent people and causing destruction wherever you go!

Nico: (to me telepathically) Let's not ask Miguel about that right now. He can tell us on his own time.

Me: (Telepathically to Nico.) Agreed. I have a feeling this story with Kron and the Loud Family runs REALLY Deep.

Kron climbed on the wall and started shooting acid at us.

We dodged it.

2099 Scorpion: You can't stop Scorpion!

Paradox: (in our heads) You must dislodge Scorpion somehow.

2099 Spiderman: His acid is creating the eggs! Something I can use to knock him off there!

Kameo: I'll help you with that.

Kameo turned into Chilla. Chilla then fired an icy spear at Scorpion while Miguel threw one of the eggs. This knocked him to the floor for Animorphs Jake to turn into a Tiger and pounce on him.

Animorphs Jake: Guys, we need to finish this battle in two minutes!

Me: I only need 20 seconds.

I teleported and kicked him down.

Me: I know this isn't a good time. Kron what the hell are you talking about! What Burns are you talking about!?

2099 Scorpion kicked me off just as Spider-Man leaps forward with an attack of his own. Scorpion intercepts but Miguel was able to dodge his attack and stomp on his head, yet still got surprisingly entangled by the big guy's tail. Miguel struggles to break free even when using all his strength. The best he could is glare at Scorpion's disgusting face from an upside down angle.

2099 Spiderman: You seem upset.

Scorpion roars directly onto his face as they grappled. Miguel beat the crap out of him. When he tried to attack with his pincher, he dodged it and beat the crap out of him some more. This repeated 2 more times before Scorpion had enough of his brother's inference and decides to mercilessly throw him at us Just when we recovered from Scorpion's earlier attack, we looked ahead for a split second until Miguel accidently collided with us. Scorpion's throw had so much power it smashed us through a wall and fall down a vent while we're repeatedly yelping in pain. The ride stopped when we fell down into a seemingly empty small room.

Lily: Unghhh… Watch where you're going next time.

Me: Ouch. Sorry.

2099 Spiderman: I'm gonna make him pay for that. Just as soon as I can move.

Public Eye Officer: Look who we got here!

A Public Eye officer and a few of his pals were also in the same room with them, looming over us

2099 Spiderman: Awww shock…

Me: Oh shit! Sorry guys we don't have time to play.

I fired waves of energy and blasted the officers.

Me: Now Miguel what did he mean by that? What version of Burns did he mean?

2099 Spiderman: Glad that was over. C'mon. Let's get out of this room and find Scorpion before he hurts more people.

He prepares to walk towards the door and find a way to open it, but then quickly realize we are barely moving from our spot. We also seem concerned. Worried over something going on in our minds.

2099 Spiderman: What's wrong, guys?

Threatpack: Sorry. It's just that, well…

Lily: Miguel, what EXACTLY happened to Kron? How did he go from Venom to Scorpion? And why is he blaming my family for his mutation?

Miguel sighs to himself, knowing full well there was no way he could've kept us in the dark for so long when fighting Scorpion. Seeing how he doesn't sense Kron anywhere at the moment, he thinks it's time to tell us his backstory.

2099 Spiderman: Guess it's only fair after what you heard. Alright I'll tell you, but I'll try to make it brief. As you already know, Kron used to be Venom. He's been bonded to the symbiote for so long it finally corrupted his mind and made him deadlier than ever. Several months ago, Kron broke out of prison and was causing a ruckus as usual while trying to hurt those I care about. I wasn't going to let that happen, so when we fought, I neutralized his symbiote with the town's sonic speakers and finally separated him from the symbiote. He wasn't Venom anymore. And while he was still a jerk, Kron appreciated he wasn't a monster anymore after it tried to search control him. He was happy being human again and tried to be better. It didn't last. Shortly after, Alchemax announced a way to recreate Paradigm's Gene Slammer methoid.

Stacy Bolton: Say what?

2099 Spidey: It was a project meant to improve medical purposes. The idea was to splice the DNA of anything, whether man or animal and use it in a variety of ways like regrowing a person's limb or heal even the worst of scars. One day, Kron was messing around in one of the Alchemax labs because he was curious and got his hands on Scorpion DNA. While that was going on, I just happened to be in the area fighting one of Burns' descendants.

Nico: Who was it?

2099 Spiderman: His name was Albert Charles Montgomery Burns. He was defeated but not before he made the lab Kron was in explode in order to spite me. He got the Death Penalty as a result. But it was worse for Kron. The Scorpion DNA merged with him. As a result, He got turned into the fearsome freaker we see him as now.

Me: That's horrible.

Nico: Gosh. So, what happened after he turned into Scorpion?

2099 Spiderman: He went insane. He was finally separated from the symbiote only to almost immediately return as an even bigger monster. Worst part that there was no way to reverse the process. He was DESEPERATE to find a cure by any means necessary. I honest to god tried to help him, but his condition was incurable. I tried telling him, but he wouldn't listen. I tried many times to help him but Kron always lashed out at others for this pain.

Nico: That is horrible!

Qin: Yeah!

Me: Damn that Burns! Even in death his family always tries to find ways to give us more headaches than they already have.

Lily: But how does my family fit in to this? Why did he say my family was involved in this?

2099 Spiderman: He thinks that because Burns was your archenemy that you guys were responsible for it. But you really aren't.

There was a brief moment of silence as we process the story into our minds. We stare at Miguel wide-eyed after hearing about Scorpion's origin. Lily then looks down at the floor in a depressive state, feeling guilty and sorry for him.

Lily: I can't believe it… So that's why Scorpion wanted to kill me. He blames my family for Albert Burns' actions since Burns was our archenemy. I guess he has a right to…

2099 Spiderman: Lily, It's not your fault. This isn't even your era. What happened to Burns in your era was back over 60 years ago. You can't blame yourself for this.

Lily: I KNOW, but… ! Miguel, I'm…. I'm so sorry. My era or not, my family did this to your brother. I have too much respect for you, and this is how I repay you…?

2099 Spiderman: Listen, Lily. Like you said, it was an accident. I don't blame you, your family, or Kron for this. If there's anyone to blame, it's Albert's dumb ass for causing this. And he already got the Death Penalty for his crimes.

Count Vertigo: Are you sure there's no way to cure him?

2099 Spiderman: I'm one of the smartest geneticists in the city and I couldn't find a cure. But whoever sent Scorpion for the fragment claims she has one, but I don't believe it. We need to find Scorpion and get him to talk.

Nico: (to me telepathically) He forgot that you said the name already. But let's catch up to Kron just to make sure.

Me: (Telepathically to Nico) I agree there.

Nico: We need to catch up to Kron fast.

The moment we start walking towards the door, Miguel's spider-sense begins tingling of something from the other end,

2099 Spiderman: Uh-oh. I think we're about to have visitors.

Eli: Scorpions incoming!

The door begins melting because of the raging mini-scorpions from outside. Two of the monsters growls and lunge at us, only for Miguel to easily punch them aside.

Lily: Where are we?

2099 Spiderman: We're in the metro station. This place is a mess.

Me: Wow looks like it was turned into a hive.

Civilian: HELP! SPIDER-MAN!

A random civilian shouts for the hero's attention to save him as he's being cornered in a destroyed train by a scorpion monster.

Civilian: Do something! You've got to stop this!

It's not just him. Several more people are in immediate danger from the scorpions while some are running for their lives.

2099 Spiderman: We need to get everyone outta here before they become scorpion food!

Eiji: If we split off, we can still save them! We gotta move!

Me: Lets go!

We went to help them out.

Woman: You saved me! You actually saved me!

Eli: We sure did.

We saved all the people and freed them and even blasted numerous scorpions all over.

Qin: Yeah!

Thanks to our efforts, almost all of the civilians have escaped to safety. Sirens can be heard coming from outside, so that means the police are soon to come down and clean up the station of the scorpion swarm. But just as Spider-Man saved the last remaining person, his spider-sense warns him that Scorpion has appeared dropping down on one of the digital logo signs above. Scorpion snarled, grabbing our attention as well as he immediately runs away through the station.

2099 Spiderman: Hey! Big, green and oviparous! We're not done with you!"

Lily: Scorpion! Stop running away! You don't have to do this! We can find some way to help you!

2099 Spiderman: Listen. You think you're a freak. Okay. You are a little on the freakish side, but, I'm a freak too. I mean, look at me. I'm lucky I don't shoot webs outta my butt.

Scorpion continues to make hissing sounds as if he's crying and doesn't want to talk to him at all.

Blast Off: It sounds like he's crying.

Qin: Yeah.

2099 Scorpion: STOP FOLLOWING ME!

He starts destroying public property and structures to impede our pursuit of him.

Lily: And now he's back to sounding angry!

Lily narrowly slides under a collapsing structure while everything Scorpion destroys in the station falls apart. Ceiling signs and digital billboards almost fall on Spider-Man and us but we barely managed to avoid getting crushed by them too..

I used my psychic powers to keep the billboards from falling and I put them back up.

Qin: There!

Xenia: WHEW!

Nico: Looks like Scorpion's kids and the Public Eye are fighting each other.

Maria: Before we continue, we need to take them out in 4 minutes.

2099 Spiderman: Accelerated vision can help with that!

Me: And my super speed.

Miguel used accelerated vision to beat the crap out of all the enemies.

And I used my super speed to help beat the shit out of all the enemies too

Leap Frog: Man, your Accelerated Vision is cool! By the way, guys, I'm actually gonna be participating in the usual battles again.

Nico: But you already had your turn.

Leap Frog: I know but I'm an extra for that.

Nico: Oh.

Yost Reed: It's not that Accelerated Vision makes you fast. It makes enemies too slow. Fascinating.

Me: Very fascinating too.

Qin: Yep.

Lols: That is awesome.

Xenia: It sure is.

We quickly caught up with Scorpion but was too late to stop him from entering the elevator.

2099 Scorpion: Escape - escape!

2099 Spiderman: You said a woman sent you after the fragment. I want a name!

Scorpion does nothing but hiss from inside the elevator as it takes him to the rooftop. He did however leave behind his eggs that immediately hatch into his rampaging children to kill the heroes.

Carly Atlas: Awww shock.

I fired waves of fire and incinerated the children.

Qin: Take that.

Miguel quickly presses a button to call down the elevator for us to ride

2099 Spiderman: C'mon! We need to hurry to the roof!

Shade: Anyone who can't fit meet us at the top!

Me: I'll teleport most of us there!

Nico: Right!

2099 Spiderman: Okay

We enter the elevator as it closes for us while Miguel perches on top of it because of habit.

2099 Spiderman: Up and at them.

Miguel sits still to enjoy the long, extremely high ride to the rooftop. As the elevator takes the group outside, we notice several Public Eye hovercrafts approaching the rooftop as well, seemingly sent to apprehend Scorpion. But the mutated villain wouldn't let them without a fight, as evident from the sounds of the officers' terrifying screams fighting against his children.

Public Eye Officer 1: They're all over the place!

Public Eye Officer 2: Clear the landing zone!

Public Eye Officer 3: We can't stop them!

Public Eye Officer 4: Keep firing! Keep firing!

Public Eye Officer 5: Look out!

Public Eye Officer 6: Watch your right!

Public Eye Officer 7: Behind you!

Public Eye Officer 8: Game changer, man! Game changer!

Blossom Z: (pales) I'm not the only one who hears that, right?

Me: Nope. We hear it too.

Qin: Yeah.

Nico: Yep.

Eventually, the elevator made it to the top for our exit. But the second we walked out, they shockingly notice that a massive battle is going on between the Public Eye and the scorpions on the circular rooftop of the building. The battle is chaotic and it would appear the Public Eye are losing. Even when they have two S.I.E.G.E. soliders by their side, the scorpions' ferocity and monstrous strength prove to be a hectic challenge for them to overcome.

Nico: Should we pick sides here? Who should we help out?

2099 Spiderman: Is that a question? Neither of course! Let's clear them out before Scorpion ends this!"

Public Eye Officer: Secondary targets, Spider-Man and his allies, are in the vicinity! Spread the assault on them!

Lily: You morons! We're trying to help you!

Wendy Koopa: Geez, was the Scorpion DNA merged with Kron from an Emperor Scorpion or what?!

I fired energy waves and blasted the officers and 2099 Scorpion.

Nico: I don't know what he was merged with.

Count Spankulot: (Transylvanian Accent) Public Eye. Scorpions. It does not matter. All of you have been very bad!

Me: Not even spanking will make them listen.

I fired waves of energy and blasted the officers.

Laney then grabbed 2099 Scorpion with strong vines.

Laney: Now listen to us Kron!

It's us versus the Public Eye versus the Scorpion Babies. A massive three-way fight that's hard to determine who has the upper hand. Some officers were knocked out by the monsters, but the monsters got destroyed us. We are holding our own against both factions, but more from both sides keep coming to start giving us a hard time. And during this entire time, Scorpion has been watching us hidden behind a structure on the roof. Watching, and getting tired of this senseless fight that's delaying his plans in becoming human again. He's had enough.

2099 Scorpion: ENOUGH! (breaks free from the vines) ENOUGH! (lunges and easily destroys one of the Public Eye hovercrafts) ENOUGH! (and does the same to another one)

And because of Scorpion's aggressive rampage, the glass dome everyone is standing on is starting to crack beneath them, much to their increasingly frightened shock.

2099 Spiderman: Shock shock shock shock shock shock shock shock-!

Me: SHIT SHIT SHIT AND QUADRUPLE SHIT!

Most, if not all the Public Eye officers are already dead from the freefall. If not, the falling debris and the large explosion from the destruction of their hovercrafts certainly did them in and the scorpions.

Hex Girls Luna: Let's do an entrance when we land!

Me: You got it.

We flew down and 2099 Scorpion landed and then the spirits of the scorpions appeared and then they swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we landed.

Me: Nowhere to run Kron!

Girder: We survived somehow, but… what is this place?

It would seem we landed in another room infested with Scorpion's mess.

2099 Spiderman: Lord. This is Kron's hideout, isn't it? This is where he was running to… He just wanted to get home.

Me: Whoa. Like a scorpion running to its burrow.

We now realized why Scorpion was in such a hurry to run away from everybody. A home where he could enjoy himself being alone. One of the hovercrafts crashed onto the large "Stark-Fujikawa" sign hanged from the ceiling as Scorpion himself stands on the ship. With every jump off the crashed ship, Scorpion gives out grunts of exertion before landing on the outer arena above his nest.

2099 Scorpion: Home, yes! Hide. Then bring rock to lady. Be human again!

2099 Soiderman: Who is she, Kron? Who put you up to this?

Scorpion leaps down to his nest to cling on the wall to answer.

2099 Scorpion: Pretty… pretty suit she wears - green and yellow - And arms so shiny and many…

2099 Spiderman: Shiny arms? What… metal?

Nico: Now, you just confirmed what we needed to know.

2099 Scorpion: No more talk. You and Loud try to stop me, just like before. You die!

Me: Bring it on!

Eiji: Time to test out a new form!

Leo Corbett: Red Armored Ranger!

Taka! Kujaku! Condor! (Phoenix screech) Ta~ja~dol! Eter~nity

Eiji turned into Tajadol Combo Eternity.

Leo donned his Red Armor! Awesome!

Nico: Awesome! Lets do it!

I then fired waves of energy and blasted 2099 Scorpion!

Lily: Scorpion! I'm sorry our archenemy was involved in turning you into this thing! But we can't let you hurt anyone else!

Eiji and Leo Corbett avoided Scorpion's tail strikes and jumped at him.

Lily jumped and kicked him in the face!

Lola fired waves of fire and blasted 2099 Scorpion!

Qin: And this!

She fired ice and blasted him.

Xenia: Take that!

Nico: (to me telepathically) That hovercraft above him might do the trick. And those eggs can bring it down on him after the usual battles.

I saw it.

Me: (To Nico telepathically) That's perfect.

I fired waves of ice and blasted 2099 Scorpion all over.

Then Kaos, INSTIGATOR, Vreedle Brothers, Carmen Dillo, Duff Killigan, El Oso, Tchang Zu, Gramma Stuffum, General Schwarz and Metal Sonic came.

Nico: Kaos, INSTIGATOR, Vreedle Brothers, Carmen Dillo, Duff Killigan, El Oso, Tchang Zu, Gramma Stuffum, General Schwarz and Metal Sonic.

Kaos: Kron did nothing to deserve this!

INSTIGATOR: No, he didn't.

Octagon: I know he might not listen. But I really do hope you get a chance to at least talk to him.

Me: It"s not going to be easy.

Carmen Dillo: (to Nico) We heard you fought Screwball.

Nico: We sure did.

Duff Killigan: (Scottish Accent) She's an unusual one.

Nico: Yeah no kidding.

?: Boy she sure is.

A figure came out and it was TRUMPUS!

---

Trumpus was sent down with an army of Triangulars. However the army was attacked by Wild ZyuohKing. He dealing his Jaccard deck over the population which attached themselves to foreheads and caused mass disruption as people with matching cards were repulsed from each other via painful shocks. However, his game was thwarted by Sela, who discovered that the effect could be negated by defacing the cards before destroying his Card Case. However, the Zyuohgers were prevented from defeating Trumpus by the introduction of The World, who was sent to preserve Trumpus by

Ginis at Quval's request. Then Naria told him to retreat and he obeys to retreat.

After The World proved to be an exceptionally intimidating opponent, Trumpus was allowed to proceed with his second Blood Game in which he trapped people in 4 Choice Boxes that could not be destroy lest their lives be risked while those who attempted to free them were blasted back by the exploding Joker cards which they pulled from the box. While Yamato dealt with The World alone, the Zyumans were able to free everyone by destroying Trumpus' heart before defeating him.

Trumpus is later "revived" and enlarged, alongside Amigard, by Bangray after scanning Zyuoh Shark's memory of them. After, both of them are destroyed by Wild Tousai King.

Another giant copy of Trumpus was created by Bangray from Quval's memory along with Illusion and Amigard in an attempt for the Zyuohgers to summon Cube Whale, only for them to be destroyed by Wild Tousai King's Zyuoh Direct Straight.

---

Yamato: Trumpus!

Trumpus: Been a while rangers.

Me: I remember you! You were a royal flush monster and your blood game was 4 of them. Dealing with one for each of the 4 suits.

Nico: Yep.

Trumpus: Awesome memory.

Me: Yep.

William: Too bad you don't have Yugioh Cards in your arsenal.

Trumpus: Nah. I like being simple.

Me: That suits us. No pun intended.

Qin: Yeah.

We got the battles underway.

To belong, she's cryin' in the night

Be strong, and find the heart of the night owl fallin'

Stay up 'til dawn 'til the night is gone

What will become of the restless kind?

Where do they go when they've done their time?

Wearin' their hearts out on the line for all to see

They have a need to rock and roll

They always will, they're out there still

They're the night owls

Hand me now my walkin' shoes

Here come Johnny with the power and the glory

Backbeat, the talkin' blues

He got the action, he got the motion

Oh yeah, the boy can play

Dedication, devotion

He turnin' all the nighttime into the day

The song about the sweet ole lovin' woman

He do the song about the knife

And he do the walk, do the walk of life

Yeah, he do the walk of life

Here come Johnny singing oldies, goldies

Be-bop-a-lula, baby what I say

Here come Johnny singing "I got a woman"

Down in the tunnels, trying to make it pay

He got the action, he got the motion

Oh yeah, the boy can play

Dedication, devotion

He turnin' all the nighttime into the day

And after all the violence and double talk

There's just a song in all the trouble and the strife

You do the walk, yeah, you do the walk of life

Hmm, you do the walk of life

A-woohoo

Woo-hoo-hoo

Woo-hoo-hoo

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of light blasts that came out of nowhere and they hit the barrier, but the light energy volley was absorbed into us and we became even stronger than ever. Then, we saw Ehther the Heavenly Monarch appear.

Dawn Ehther: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Ether skinsuit, and show yourself, Douglas!

Ehther the Heavenly Monarch vanished in a vortex of infernal light, and in its place stood a 6'11" tall male with yellow hair and yellow eyes similar as Dawn's, massive muscular build, and dressed in a red prison jumpsuit: it was Douglas Ehther, the evil older brother of Dawn Ehther and the eighth of the eleven most dangerous thugs in

Royal Woods.

Nico: We meet once again, Douglas Ehther.

Dawn Ehther: The eighth of the eleven most dangerous thugs in Royal Woods, I would have never thought I'd have to see your ugly face again, Douglas, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Douglas Ehther: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Dawn Ehther: You're all bark and no fucking bite, Douglas. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Dawn Ehther's yellow eyes turned neon yellow and she was surrounded by a white and golden yellow energy aura with stars, lights, crystals, phoenixes, and angels, she unholstered her massive Ehther the Heavenly Monarch's Crystal Heavenly Greatsword of Heavenly Monarch Justice from her back, and as she approached Douglas Ehther, she left white and golden yellow energy, stars, lights, crystals, phoenixes, and angels with every step.

Dawn Ehther: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Douglas, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Douglas, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Dawn Ehther was surrounded by a massive vortex of white and golden yellow energy with stars, heavenly lights, and crystals surrounding it, there are phoenixes, angels, and Ehther the Heavenly Monarch flying around the vortex, and in the vortex is a golden yellow phoenix with red blood eyes glaring at Douglas Ehther: the red eyes of eternal death. Then, as the vortex faded, Dawn Ehther emerged, but she was changed forever.

Dawn Ehther grew from 6'11" to 7'9" in height, she has the body of a goddess, she has heavenly white highlights in the bangs of her long yellow hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and a golden yellow and white energy aura with stars, heavenly lights, crystals, phoenixes, and angels surrounding her, she has Ehther the Heavenly Monarch with the Light Kanji in its hands emblazoned on her forehead and Third Eye with golden yellow iris, she has on phoenix earrings with yellow gems for eyes and holding the Light, Star, and Eternity Kanjis in its hands, she also has Ehther the Heavenly Monarch with red gems for eyes and holding the Light, Star, and Eternity Kanjis in its hands on the bottom of her yellow phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Dawn Ehther has on a sleeveless golden yellow blouse, golden yellow sleeveless tank top, yellow skirt, yellow stockings, yellow legwarmers, yellow shoes, and long sleeveless white trenchcoat with stars, heavenly lights, crystals, phoenixes, and angels on the coattails and on the back is Ehther the Heavenly Monarch surrounded by stars, heavenly lights, and crystals. Suddenly, Dawn Ehther felt a sharp pain on her back, and then, her massive yellow and white angel wings with golden yellow tips on the large white feathers grew much bigger for her new body, and she now has eleven massive and long golden yellow wolf tails with white tips and white markings, she has on a Ring of The Phoenix with golden yellow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Dawn Ehther's massive Ehther the Heavenly Monarch's Heavenly Crystal Light Greatsword of Heavenly Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of golden yellow and white energy, stars, heavenly lights, crystals, phoenixes, and angels, and when it emerged, it was transformed into Dawn Ehther's Heavenly Light Monarch Ehther the Heavenly Monarch Crystal Holy Heavenly Light Phoenix Angel Greatsword of Light Phoenix Heavenly Monarch Ehther Justice, it's a brand-new massive greatsword with embedded golden yellow gems and Ehther the Heavenly Monarch etched on the 7'6" massive, wide, double-edged white blade, large white dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large yellow gems embedded in the foreheads, longer midnight black handle, four white phoenix heads with yellow gems for eyes and large white phoenix head with yellow gems for eyes and a large yellow gem in its mouth on the bottom of the black phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with yellow gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Ehther the Heavenly Monarch's head with white gems for eyes and a large yellow gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a golden yellow kanji below Ehther the Heavenly Monarch that said, "Dawn Ehther, Gene-Slammer of Ehther the Heavenly Monarch, Master of All The Powers of The Angels of Heaven and Crystals, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Scoots, Archenemy of Fire Bro, Destroyer of Douglas Ehther, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The

ドーン・エーサー、天の君主エーサーのジーン・スラマー、天とクリスタルの天使のすべての力のマスター、ラウドの愛情深い守護天使とリンカーンの将来の妻、いじめっ子の軽蔑者、スクートのスマッシャー、ファイアー・ブロの大敵、ダグラス・エーサーの破壊者、チーム・ラウド・フェニックス・ストームの驚くべきメンバー、宇宙の勇敢な戦士、プロテクター、ディフェンダー、宇宙、多元宇宙、そしてその先の救世主、宇宙への希望の大使兼灯台、友情の力と要素のマスター、天界のゼルナガの怒りのマスター、ブラックゲートのマスター、究極の善の究極の力、真実の真の女神、正義、愛、思いやり、希望、許し、勇気、美徳、決意、忠誠心、正直さ、寛大さ、優しさ、無私無欲、勇気、信頼、悪の破壊者にして殺戮者、錯乱した、殺人的、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そして天の天使、クリスタル、光、フェニックス、天使のすべての力のマスター

Suddenly, Dawn Ehther's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Dawn Ehther has transformed into SUPER ANGEL-EHTHER THE HEAVENLY MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA CRYSTAL LIGHT ANGEL HEAVENLY EHTHER THE HEAVENLY MONARCH PHOENIX MONARCH ANGEL OF DIVINE CRYSTAL LIGHT ANGEL HEAVENLY EHTHER THE HEAVENLY MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE CRYSTAL LIGHT ANGEL HEAVENLY EHTHER THE HEAVENLY MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Dawn Ehther's Super Angel-Ehther the Heavenly Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Douglas Ehther saw it, he went fucking mad with rage and transformed into Ehther the Heavenly Monarch and fired blasts of light at her, but she absorbed them and it made her stronger, and she fired a massive barrage of golden yellow and white energy, heavenly lights, crystals, phoenixes, and angels at Douglas Ehther, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, HEAVEN'S FURY IS ABOUT TO BE UNLEASHED!

Lincoln: Awesome, Dawn Ehther's transformed into her Super Angel-Ehther the Heavenly Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Douglas big time, and now, it's high-time we got rid of you for good, Douglas.

Dawn Ehther: (Divine Echoing Godly Voice of The Divine Heavenly Crystal Light Phoenix Ehther the Heavenly Monarch Phoenix Angel and Divine Heavenly Crystal Light Phoenix Ehther the Heavenly Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he

joined Dawn Ehther.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Douglas, but I take comfort knowing when I get married to Dawn in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Dawn Ehther and Lincoln went after Douglas Ehther who continued firing light blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, golden yellow and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Douglas Ehther and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Dawn Ehther also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Douglas Ehther even madder than ever!

Douglas Ehther: I'LL FUCKING KILL YOU, STINKOLN!

Douglas Ehther fired more light blasts at Lincoln, but he absorbed them and it made him even more stronger as his light aura became more ferocious. Then, Lincoln drove his massive greatsword into Douglas Ehther's stomach and he began sucking out and absorbing the light powers he'd gotten when he Gene-Slammed himself into Ehther the Heavenly Monarch along with his massive muscle mass and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed and halo glowed, and that caused Douglas Ehther to revert back to normal, but now, he was thin as a rake and he was really weak.

Lincoln swung his massive greatsword and sent Douglas Ehther flying into the air, then, Lincoln and Dawn Ehther fired powerful blasts of light and crystals at Douglas Ehther, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Dawn Ehther and Lincoln did as they holstered their massive greatswords and powered down, and Dawn Ehther's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, gold halo behind her head, and massive golden yellow and white angel wings are permanent.

Dawn Ehther: Burn in The Black Gates forever, Douglas. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Dawn.

Suddenly, Dawn Ehther wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Dawn Ehther's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ehther the Heavenly Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and heavenly lights shining down on them and we cheered wildly. Then, Lincoln and Dawn Ehther sucked in and absorbed the elemental forces and heavenly lights and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Douglas Ehther, but we still got three more of those thugs to deal with.

Luna Angmarl: Which means tomorrow, it's Logan Angmarl's turn to die.

Lincoln: Logan isn't getting out of this, and I hope you make his worst nightmares come to life with a swing of your scythe, Luna.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's another one for the Embodiments of Organization XIII: Elrena Larxene, The Keyblade Knight of San Fransokyo and The Embodiment of Larxene The Savage Nymph of the 12 Thunderbolts.

Sora and his friends gasped.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Elrena Larxene is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of lightning, and she harbors a very very nasty hatred towards Alister Krei for what had happened to Professor Callaghan's daughter, Abigail, and she also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Larxene and wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Whoa, so we're not the only ones who hate Krei for what happened to Callaghan's daughter.

Lincoln: Elrena hated him so much, she wanted to fry his heart for it, but she didn't, she wanted to see justice done the right way, and Krei also had tons of money which means he'd have the means to hire tough security and/or flee the country.

Nico: That's true, Lincoln, which is why I'm so glad I'd served that lawsuit on Krei years ago and that cost him everything: his money, his company, and his reputation, and it got him sent to federal prison for good.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

He woke up.

Nico: Kron, before you attack us, listen to what we have to say.

2099 Scorpion: Not like I have any choice now.

Me: Good. Now we have a lot to tell you.

We told him everything.

Lily: Kron, we really are sorry that this happened. But it's not our fault or yours. It was Albert's fault for causing that explosion.

Me: Yeah. He was the descendant of this man.

I showed him a photo of Burns.

Kron: Charles Montgomery Burns? I've heard about him.

Me: One of our most hated enemies. He's dead now and gone forever thanks to the Black Gates.

Qin: Long story.

We told him everything about how he caused so much damage to countless lives and more. He was shocked and horrified!

2099 Spiderman: And Albert got the Death Penalty through the electric chair when I busted him.

Me: I didn't know they did the electric chair still in this time.

2099 Spiderman: All forms of the old Capital Punishment methods of New York were reinstated.

Me: Wow.

Nico: They did that in Sing Sing Prison years ago.

2099 Spiderman: I know.

Me: But he speaks the truth.

Lily Loud: So, you see? The only one responsible is already dead.

2099 Scorpion: Oh god. What have I done!

Nico: Kron.

Metal Sonic: It's your choice, Kron. Keep on working for whoever put you up to this with no guarantee of a cure. Or you let us help you.

2099 Spiderman: While I reevaluate my genetic skills.

2099 Kron: I'll go with you guys and have you help me. I need all the help I can get.

Nico: Wise decision.

Qin: Yep.

2099 Scorpion: But I want to be able to turn into this at will.

Metal Sonic: We can do that.

Me: Okay.

Nico: Awesome.

Poromon: You still don't get my beer. It's mine!

2099 Scorpion: I don't know what I was thinking getting after that. I didn't want it.

Poromon: Good.

Nico: But we got another fragment. Great job today everyone.

Me: Yep. Number 7 down.

Laney: Yep.

Spiderman: (To the viewers) Boy this was a crazy one.

Lola: It sure was.

Me: Lets go home.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

The Game Show of Deadpool

---

In the early morning hours at 3:30 AM, Clyde had a dream, and he saw six figures who was hiding out and living in the streets of Kyoto, Japan. But, they were no ordinary six figures, their were, Lindsey McBride, daughter of Clyde's future wife, Hex Maniac. Cheetor Tano, An Cheetah/Human girl. Grimlock the Wyvern, An Humanoid Wyvern. TransMechanoid, An Cybertronian Warrior. Terrorsaur the Pteranodon, An Humanoid Pteranodon. and Axe-Mantis, An Giant Mantis. Clyde woke up from the dream, but he wasn't the only one, Hex Maniac, Lincoln Loud, Dotty Loud, Black Alpha, Nico, and me also had the same dream.

Clyde: Same dream as me?

Lincoln: We sure did, buddy.

Hex Maniac: And it also means that we found out where our daughter at.

Black Alpha: Along with a Cheetah/Human girl, a Humanoid Wyvern, a Cybertronian Warrior, a Humanoid Pteranodon, and a Giant Mantis.

Lincoln: (to Dotty Loud) And Dotty, what are you doing up so late? shouldn't you be in bed?

Dooty Loud: Dotty got same dream as you guys.

Lincoln: Oh, That makes more sense.

Me: they're at Kyoto, Japan.

Nico: Another city of Japan? That's not good at all.

Clyde: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: You got that right, buddy.

Clyde, Lincoln Loud, Dotty Loud, Hex Maniac, Black Alpha, Me, and Nico were heading to Kyoto, Japan. Then, Clyde saw a shorter-than-average, plus-sized and stocky 13-years-old girl who has light skin, brown eyes with a pair of round black-framed glasses, and black medium length hair. She also has black nail polish on her fingernails. She wears a navy blue and white striped sweater, skinny blue jeans, and black flats. A 14-year-old Cheetah/Human girl who has tan fur, long brown hair that reaches down to her ankles, a tail that reaches the floor, and pointed ears. She has green eyes and spots on her cheeks and shoulders. She wears pink blush, blue eyeshadow and pink lipstick. She wears a yellow sweatshirt with an blue collar and sleeve cuffs, a yellow tank top with blue borders and a cheetah face design, yellow and blue capris and yellow sneakers with white laces and black cheetah prints on the toe area. She also has simple gold bracelets. A dark green Humanoid Wyvern with large demon wings, fire breath, dragon-themed armor and a spiked tail, welding a staff-mace like weapon. A dark greenish Cybertronian Warrior with black striped around his body, winged doors-like on his back and he has youthful looks wearing samurai's helmet-like with V-shape. His Autobot symbol and Tech Element symbol are located on his chest. A orange and brown Humanoid Pteranodon with flapping/gliding wings and makeshift weapons that all came from his claws. He wears yellow jeans with a large buttoned pocket on one leg, black shin guards (which his claws protrude through), and a gold necklace-like collar. And A giant greenish mantis-like creature with sharped blades, small blades and has four large wings. Clyde saw who they are, it was Lindsey, Cheetor Tano, Grimlock the Wyvern, TransMechanoid, Terrorsaur the Pteranodon, and Axe-Mantis.

Clyde: Excuse me, are you Lindsey?

Lindsey McBride: Yes, we are, And who are you?

Clyde: I'm Clyde McBride of Team Loud Phoenix Storm, and this is my buddy and brother-in-arms, Lincoln Loud, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know too well.

Then, Hex Maniac came out, and when Lindsey Mcbride saw her, she were stunned.

Lindsey McBride: Mother?

Hex Maniac: I'm here, my little ghost-type.

Lindsey McBride, ran up to Hex Maniac, and they hugged, and they cried tears of happiness, and we looked on at the scene. Clyde joined in on the hug, along with me, Nico, Black Alpha, Lincoln, and Dotty Loud.

Clyde: And there's something you should know, Hex Maniac, your mother is one of my many future wives.

Lindsey McBride: That means… you're my father.

Clyde smiled, and that filled Lindsey McBride with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes. and Cheetor Tano, Grimlock the Wyvern, TransMechanoid, Terrorsaur the Pteranodon, and Axe Mantis join the hug as well.

Clyde: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Clyde told everyone what happened. We were proud of what Clyde did in reuniting Hex Maniac with her daughter, and Lindsey McBride now has a loving, strong, brave, and caring father in their life. And when Caitlyn Loud saw Lindsey McBride, She blushes so hard and Suddenly, Lindsey McBride wrapped her arms around Caitlyn Loud's back, as her chest pressed against Caitlyn Loud's chest and her stomach pressed against her abs, which'd brought an atomic red blush to Caitlyn Loud's face, and she wrapped her arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lindsey McBride leans down to Caitlyn Loud's face, they kissed passionately as Lindsey McBride's right leg lifts up, and when Lincoln's kids and Clyde's Kids see them, they all cheered wildly.

Me: Darn shame this planet we're heading to is not a food planet.

Qin: Yeah that would be awesome.

Xenia: It sure would be cool.

Carly Atlas: I agree there.

Kaina: I wonder what this planet we're heading to will be like?

Nico: We'll find out.

Xenia: Yeah.

She-Hulk: but I'm looking forward to this one.

Lola: Yeah.

Nico: Jen, I want to thank you, Trumbipular, and your teams for coming

She-Hulk: Anytime Nico. This will be so fun.

Xenia: Yeah it will.

Anya Rodriguez: Aye mateys. It sure will be fun.

Nico: Anya, remember the first time we met?

Anya Rodriguez: Aye Lad. We met during an amazing fishing boat journey many moons ago.

Qin: Boy we were on a tuna fishing excursion back then.

Me: Cool!

Anya Rodriguez: Aye. It was a fun time back then.

Lola: I love going fishing.

Xenia: Me too.

Me: Yeah.

Nico: And now, you're part of my harem.

Anya Rodriguez: Aye lad. And it's a good adventure for us.

Nico: It sure is.

Lola: Boy it sure was.

Me: Yeah.

Laney: But yesterday's mission with 2099 Scorpion was so insane.

Me: Boy no kidding. I can't believe he was that crazy!

Qin: Yeah that was awful!

Lana: And all because of an explosion made by Albert Burns!

Maria: We still got the fragment.

Nico: But it was a hollow victory. Because we might've cost Kron his only chance at being human again! (sighs) Some heroes we are.

Me: Nico don't blame yourself. Like 2099 Spiderman said it was all an accident. And this had nothing to do with us.

Nico: Oh you're right. But the good thing is that we did save Kron from himself.

Trumbipular: Yeah Nico you're not to blame for what happened to Kron. Besides, our best scientists at M.O.E. HQ are working around the clock to reverse Kron's condition and give him the power to change at will.

Me: I know you all can do it.

Lola: Yeah!

Lana: The best thing is that we saved Spiderman's brother in that time.

Laney: We sure did.

Nico: On the plus side, Albert Burns got the Death Penalty for causing the whole mess.

Me: Yeah that's a good thing. It would have been nicer if we gave him the black gates but what's done is done.

Qin: Yeah.

Me: But man those Eggs that he laid smelled horrible! And the acid was as potent as Xenomorph Blood.

Lola: Boy that was REALLY Strong. No exaggerations on that.

Qin: Yeah.

Carly Atlas: Yeah that was powerful stuff.

Sento: Isn't this similar to what happened to that Fartor guy?

Me: Now that you mention it Sento, yes that was EXACTLY like what happened with him.

Qin: Yeah! He went crazy because his brother farted on him 24/7!

Nico: YEAH! That was nuts!

Lola: No kidding!

Camie: Yuck!

Me: Yeah we threw his brother in jail and then he died when I lit a match and threw it on him and it blew him apart. But now he's in the M.O.E.

Nico: Yep.

Me: But the important thing is that we saved Kron.

Xenia: Yep.

Maria: We're here.

We arrived at the planet and it was a black planet.

Me: Whoa from up here it looks like a dark planet.

Qin: Sure does. Minus the dark environment.

Nico: Lets get closer.

We went down to the planet and we landed and saw that it was a really scary, foreboding and creepy Tar Swamp Planet!

We gasped!

Me: Whoa! It's a Tar Swamp planet.

Nico: Boy this place gives me the creeps.

Qin: Me too.

Me: It sure is a scary place.

We heard tar bubbling all over and we saw scary dinosaur and alien skeletons sticking out of the tar and there were scary creatures all over that not even the bravest of warriors could even imagine.

Laney: Boy this planet is scary.

Lola: Yeah.

Nico noticed that Lily was very quiet.

Nico: Lily, you okay? You seem quiet back there.

Lily: (Sniffles) I just feel so guilty about Kron. I feel like it's all my fault. (Voice breaking) I feel like I'm the one that did that to him! (CRYiNG HARD)

Lincoln then hugged her and comforted her.

Lincoln: Oh Lily it's not your fault.

Me: Lily it is not your fault.

Lily: Why not? Burns was OUR enemy!

Me: He was our enemy yes. But if it's any consolation he was EVERYONE'S Enemy. He was pure evil incarnate.

Rainbow Dash: Yeah Lily. Everyone HATED Burns for everything he did not just to us but to everyone all over the planet.

Xenia: That's right.

Rarity: Oh Lily darling it's not your fault this happened to Kron.

Laney: Yeah Lily you aren't to blame for what happened to Kron.

Sunset Shimmer: The important thing is we saved him and you should be happy that he was saved from what he was.

Lily: (CRYING) But he blamed me for him turning into that! WHY!? Why would he do that!?

Me: Lily he wasn't in his right state of mind.

Twilight Sparkle: Yeah Lily he was just having problems and they overpowered his judgement.

Starlight Glimmer: Yeah Lily. Burns may have turned Kron into that monster but the important thing is that we saved him from a terrible fate and that's all that matters.

Me: Yeah.

Lily: But we should've done something to make sure his descendant didn't hurt Kron like that!

Me: Lily we had no idea this was going to happen and we didn't know about it until 2099 Spiderman told us.

Professor Paradox came.

Professor Paradox: That is right Lily. You didn't know this was going to happen.

Me: Oh hello Professor.

Nico: Awesome to see you again.

Professor Paradox: And you too everyone. And you all are doing a really great job so far.

Me: Thank you.

He went over to Lily.

Professor Paradox: Lily listen. What happened to Burns in that timeframe was something no one even saw coming. Not even you guys. And like 2099 Spiderman said he was given capital punishment for his crimes and the atrocities he did back then. So don't blame yourself for something Burns did.

Lily: (Sniffles) I just feel so terrible about what happened.

Me: I know Lily. I know.

Trumbipular: (to Paradox) You know, I never even saw you during the old days.

Professor Paradox: I know. So many things went unnoticed.

Nico: Yeah.

Applejack: Come on Lily buck up. You did a great job when it was your moment to shine. The important thing is you saved Kron and made sure that sidewinder Burns had all his work be for nothing.

Me: Applejack is right Lily. You saved Kron. Hollow Victory or not you still did a good thing for him. We all did.

Lily knew we were right and she then wiped away her tears.

Lily: You're right guys. Thank you. And thank you professor.

Professor Paradox: My pleasure Lily.

Nico: Awesome.

Paradox: And try not to go crazy hunting for the next fragment.

Me: Don't worry we won't.

Nicole: I have a feeling later today we're going to experience a WILD Case of extreme Deja-Vu.

Nico: What makes you say that Nicole?

Nicole: Call it a hunch.

Paradox: But keep up the good work on getting those fragments.

Me: We will Professor.

Then he left.

Nico: Good advice from Paradox there along with all of us.

Nico: I'm glad he gave us that talk. Out here, it's just a swamp.

Me: I know. A Tar Swamp.

Lily: Boy this place is really scary.

Qin: And creepy.

Lily: I was expecting a food planet actually.

Me: Me too. But you know this entire place reminds me of the Swamps of Sadness.

Camie: Scary place.

Lola: Yeah.

Xenia: Yeah.

May: Boy this planet is as scary as Dagobah.

Qin: Yeah except the swamps are all tar.

Lola: Yeah.

Lana touched the tar and it was as STICKY as glue!

Lana: Boy this is really STICKY.

Me: Like glue.

Nico: Let's not sink into it.

Me: Good thing we're here on this big rock. Plenty of paths here too.

Lola: Yeah.

Qin: Thank goodness.

Lincoln: Okay, everyone, we've got ourselves a huge emergency, I just got word from Dad that Amy's escaped from her shackles at Lynn's Table and is on the warpath to kill us for everything we did to her and get revenge on her sister!

We gasped.

Nico: That heartless, greedy, psychopathic, bloodthirsty bitch has escaped again!

Me: I can't believe it. First, Icky Vicky escaped, then, The Platypus Brothers, then, Trina Riffins, and now, Amy's escaped from her shackles once more! If I find out Schnozmo was behind this, I'm gonna rip that big fat nose off his face and shove it down his throat!

Suddenly, the four golden halos orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window: we saw the footage of how Amy escaped: she had help from Flip who had a key in his pants, he threw it in her cell and she used it to escape, but not before she slashed the eyes of Flip and Icky Vicky with a knife, and she ran off. The viewing window closed and the four golden halos stop glowing.

Anna Anyanova: So, that's how that bitch escaped: that dumbass mutant!

Nico: Flip I'll tear your balls off for this!

Lincoln: Now, he's really pushing his luck further with us, and he's already getting himself that close to getting his humiliation sentence switched over to death.

Nico: You got that right! That dumbass mutant!

Me: I'll tear that ugly mustache off his face and shove it right up his three-cheeked ass!

Samey: We'll worry about him in the future, J.D., but that dumb stunt that he pulled in helping Amy escape came back to bite him in the butt, and that bitch repaid him by slashing his eyes and Icky Vicky's eyes out.

Lincoln: Karma bit that moron hard in his three-cheeked ass, now, we got to take down Amy and send her right back to Lynn's Table. (Senses for Amy) AHA! Gotcha! Amy's 20 yards away and she's barreling towards us in a fit of bloodthirsty rage, and she's really out for blood!

Nicole: I'll tear that ugly bitch to shreds for this!

Lincoln: Save seconds for us, Nicole. (Sensed Flip's musclebound thugs) Oh, you have got to be kidding me! FLIP!

Me: He sent more of his thugs at us again?!

Lincoln: Yep. (Sighs) Flip's going to go way too far one of these days.

Me: Facing all these thugs from Flip is getting REALLY Old.

Qin: Yeah.

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Amy.

Qin: Now to tear Amy apart.

?: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU WILL ALL DIE FOR EVERYTHING YOU'VE DONE TO ME, TEAM LOUD PHOENIX STORM! AND I WILL FUCKING KILL YOU AS WELL FOR REVENGE, YOU LITTLE BITCH!

Lincoln: And here come the psychopathic elitist bitch now!

We then saw Amy, and boy was she absolutely out of her fucking mind: her hair was wild and her eyes were red and they were murderous and crazy! She got out a bazooka and fired a missile at us, but Lincoln made a massive and powerful diamond barrier protecting all of us and the missile hit the barrier and exploded, but not a single dent was made. Amy continued attacking the barrier in a fit of rage, first, she tried shooting at it with machine guns, but it didn't work, and then, she tried to hit it with her fists, and that didn't work either, but her fists were really bloody, and she tried to stab it with the knife she used to slash out Icky Vicky and Flip's eyes, but the knife broke: AMY WAS ABSOLUTELY OUT OF HER MIND AS SHE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US!

Me: THAT BITCH IS COMPLETELY OUT OF HER MIND!

Nico: SHE'S NOW EVEN WORSE THAN ICKY VICKY AND TRINA RIFFINS! AND THEY HAD COMPLETELY OUT OF CONTROL TEMPERS!

Lincoln: Either way, Amy's getting another savage beating and we're breaking her arms and legs for this!

Lincoln fired two diamond balls at Amy which hit her in the face and stomach and sent her flying into a wall and Lincoln deactivated the barrier and we stood ready to fight Amy, who got back up, but now she's even more out of control and completely bat-shit rage crazy insane!

Amy: YOU! YOU! YOU! FUCKING LOSERS! YOU'VE RUINED MY LIFE! I'LL FUCKING KILL YOU ALL AND SPIT ON YOUR FUCKING REMAINS!

Me: Ah, fuck you, bitch!

Nico: You said it, and you did this to yourself, you heartless bitch! You deserved every bit of payback for everything you've done and you deserve nothing but eternal humiliation and damnation!

Dana: And you've had this coming for a very long time.

Amy: I'M GONNA DROWN YOU IN THIS SWAMP!

Samey: NOT IF I DROWN YOU FIRST!

They jumped and pounded each other!

POW! BLAM!

BIFF!

Amy got punched in her face and bashed all over!

Nico: Nice!

Suddenly, Dana's marine blue eyes turned neon marine blue, and she was surrounded by a rainbow and marine blue energy aura with stars, snow, ice, snowflakes, ice crystals, snow owls, phoenixes, and angels, she unholstered her massive Marzanna's Ice Sword of Cold Justice, and as she approached Amy, she left rainbow and marine blue energy, stars, snow, ice, snowflakes, ice crystals, snow owls, phoenixes, and angels with every step.

Dana: You really really make sick to no end, Amy, you absolutely caused nothing but pain and total suffering to Samey for too many years, not to mention the fact that you and your heartless bitch of a mother murdered her father, and that you've also been killing homeless people and other innocents just because they got in your way. You're just a sick twisted piece of shit who deserves the worst of our punishments, which is why we're taking you down once more and we're sending you straight back to Lynn's Table and you'll be put in tighter shackles along with getting an increase to your humiliation sentence!

Suddenly, Dana was surrounded by a massive vortex of rainbow and marine blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding it, there's an owl, phoenixes, and angels flying around the vortex, and in the vortex is a marine blue phoenix with red eyes glaring at Amy: the red eyes of death.

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO DANA! THEN, AS SOON AS THE VORTEX FADED, DANA EMERGED FOREVER CHANGED!

Samey: Same here, and I've had it up to hear with you, Amy!

This was more than enough to get Amy really mad as her face turned red, steam blew out of her ears like a train whistle, her teeth turned sharp, and her mouth was foaming.

Samey went at her and punched her and bashed her in her face.

Suddenly, Samey's blue eyes turned neon blue and she was surrounded by a rainbow and marine blue energy aura with stars, snow, ice, snowflakes, ice crystals, dragons, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Amy, she left rainbow and marine blue energy, stars, snow, ice, snowflakes, ice crystals, dragons, phoenixes, and angels with every step.

Samey: You really really make sick to no end, Amy, you absolutely caused me nothing but pain and total suffering for too many years, not to mention the fact that you and that heartless bitch that I formerly call my mother murdered Dad years ago, and you've also been killing homeless people and other innocents just because they got in your way. You're just nothing more than a sick twisted piece of shit who deserves the worst of our punishments, which is why we're taking you down once more and we're sending you straight back to Lynn's Table and you'll be put in tighter shackles along with getting an increase to your humiliation sentence!

Suddenly, Samey was surrounded by a massive vortex of rainbow and marine blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding it, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a marine blue phoenix with red eyes glaring at Amy: the red eyes of death.

Let's get them, Linky!

Nico: We'll work out who shot her later!

Me: But whoever it was really was a good marksman and sharpshooter.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Indigo Zap, Dana, and Samey, and so did we as we also unholstered our massive greatswords and transformed.

Me: Lets smash her into pieces!

Lincoln, Indigo Zap, Dana, and Samey went after Amy who's now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, rainbow and marine blue energy, dark conflower blue, moderate cerulean and moderate arctic blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental

The brutal attacks caused massive tons of gold, jewels, gems, and other currencies to explode out of Amy, and that was also combined with the attacks Dana and Samey gave her along with what we did to her when she came barreling towards us.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Indigo Zap, Samey, and Dana attacked them with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Amy mad and she was becoming EVEN MORE ANGRIER BY THE SECOND! AND THEN, SHE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND SHE WAS FOAMING AT THE MOUTH EVEN MORE!

Amy: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL AND SPIT ON YOUR FUCKING GRAVES!

Me: Not if we throw you into the Sun!

Amy ran at Lincoln, Indigo Zap, Samey, and Dana now completely crazy and now out of her mind, but Lincoln and Indigo Zap kicked her into the air and Lincoln summoned a storm, and Amy got zapped by bolts of indigo shadow lightning, and that caused massive tons of gold, jewels, gems, and other currencies to explode out of Amy, and Dana and Samey fired blasts of ice which froze her in a block of ice, and they smashed it and Amy got a nasty cold. Then, Lincoln fired gold spider webs and he'd wrapped her up in an indestructible gold spider silk straitjacket lined with rainbow energy, and then, he opened up a portal leading back to Lynn's Table and her cell and he, Indigo Zap, Dana, and Samey kicked Amy inside and she was back in her cell, and when the portal closed, Amy screamed out with extremely nasty hatred and violence. We all cheered wildly as Lincoln, Dana, Samey, and Indigo Zap holstered their massive greatswords on their backs and powered down, and Indigo Zap's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer dark conflower blue tail with moderate cerulean and moderate arctic blue streaks, long light amberish gray horn, and massive light amberish gray angel wings are permanent, Samey's new new body, clothes, gold halo, weapons, jewelry, Third Eye, and massive dark blue angel wings are permanent, and Dana's new body, clothes, gold halo, weapons, jewelry, Third Eye, and massive dark brown angel wings are permanent.

Dana: Don't you ever let me catch you coming after us again, Amy!

Samey: Otherwise, you're in for a severely brutal beating than the previous ones we'd given you!

Suddenly, Indigo Zap felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Indigo Zap?

Indigo Zap: I'm a little dizzy from that, but I'm okay.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that monster bitch the violent beatings of her life.

Nico: You got that right, and I liked that move you and Indigo Zap did in kicking her high up into the air, Lincoln, and then, summoning a storm to zap her with indigo shadow lightning, that was wicked.

Lincoln: She had to face the wrath of The Shadowbolts, and what better way than that.

Indigo Zap: That was really hilarious, and when I saw her skeleton, man that was so funny!

Suddenly, Indigo Zap wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Indigo Zap's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Indigo Zap sucked in and absorbed the elements and they came back to us as the display vanished.

Lincoln: And when we get back, we're increasing the jerks' humiliation sentences to ten eternities.

Our jaws dropped.

CLANG!

Eli put them back.

Me: Yipe, those jerks are in for even worse Hell now!

Nico: Big time.

King Kai: (Telepathically) I also made sure to put that mutant in a separate Solitary Confinement cell at Lynn's Table and if that idiot tries anything else, I also put a shock collar on him, and he'll be hit with 900,000,000,000 volts of electricity.

Nico: Nice. Thanks, King Kai.

King Kai: (Telepathically) You're welcome. Oh, and heads up, more of the Northwests' musclebound hulking thugs are heading for you.

Eli: Again?! Sore loser rich assholes!

Suddenly, we saw three massive armies of The Northwests' hulking musclebound thugs charging right at us like stampeding bulls.

Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the first wave of The Northwests' massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass, strength, energy, and virility, and it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Then, I fired vacuum tubes from my chest which latched onto the chests of the second wave of The Northwests' massive army of hulking muscled thugs, and the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass, strength, energy, and virility, and it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora tips spread out and glowed and my halo glowed and I really grew even stronger. When I was done, the vacuum tubes had detached themselves from the chests of the thugs and went back into me, and the thugs were now weak and thin as a rake and I fired a powerful blast of fire and incinerated them leaving them as ashes.

Finally, Nico fired vacuum tubes from his chest which latched onto the chests of the third wave of The Northwests' massive army of hulking muscled thugs, and the vacuum tubes literally began sucking The Northwests' massive army of hulking muscled thugs dry of their massive muscle mass, strength, energy, and virility and it was being pumped into Nico and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive dark blue angel wings with dark blue tips spread out and glowed and his halo also glowed and he also grew even stronger. When Nico was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Nico, and the thugs were now weak and thin as a rake and he fired a powerful blast of fire and incinerated them leaving them as ashes.

Eli: Those were the last of The Northwests' thugs, awesome!

Lincoln: I would've thought they'd have more. But, it looks like after we brought an end to their crime empire, all their wealth and assets were seized and most of it was given as restitution to those they'd badly affected.

Me: Yep.

Nico: Now, we've finally brought a permanent end to the Northwests' influence for good.

Me: Thank goodness.

Qin: Yep.

Trumbipular then called Deadshot.

Deadshot: Hello?

Trumbipular: (to Deadshot) Hey, Deadshot. Did you shoot Amy in the shoulder by any chance?

Deadshot: No I was here at M.O.E. HQ doing some target practice.

Trumbipular: Hmm. Odd.

Deadshot: Try not to dwell on it too much.

Trumbipular: Okay. Thanks.

He hung up.

Me: Well at least Amy is back where she belongs.

Qin: Yep.

Nico: Yep. Now to our business.

Qin: Yep.

Eli: and we have Another Di Lung, Raccoons, Valkyries, Sandman, Dog Skeletons, Sindbad and Trumbipular.

We gasped!

Me: Whoa!

Bai Tza: Wait some of those are all enemies of Courage and Francesca.

Nico: Really?

Bai Tza: That's right. Di Lung is that guy that says Watch Where You're Going You Fool!

Nico: That's not nice.

Lincoln: No it isn't. And this version of the Sandman is where I helped him on one of my rescues and helped him find his teddy bear. He couldn't sleep without it.

Lily: Just like how Linky can't sleep without Bun Bun.

Qin: Wow!

Me: I remember that. Muriel was awake for days.

Nico: Poor Muriel.

May: Yeah.

Nico: I used to sleep with a blanky

Me: Really?

Nico: Yeah.

Me: We won't laugh at you for that.

Lana: The Dog Skeletons we met when Courage went looking for the Storm Goddess's dog Duncan. They bashed our heads in with bones.

Nico: Ouch. And you guys found a massive bone.

Laney: Yep.

Lana: The Raccoons are these guys.

She pulled out a wanted poster of them.

Lana: They trashed our camp and took Muriel and we had to find her.

Laney: Yeah. We were camping in the forest.

Nico: Wow.

Bai Tza: And we met the Valkyries when we were in Norway. They were trying to find their sister Brunhilde who was in love with the Troll King. And we saw a wedding with them. It was so awesome.

Nico: Aww that is awesome.

Me: I heard all about that. That was an awesome way to end a brutal feud with the Valkyries and the Trolls.

Xenia: Yeah.

Nico: Who do we call?

Me: Burner Man, The Valkyrie Sisters, St. Louis, Iona Xion and Caroline Hellstrom.

Nico: Cool! The Valkyrie Sisters are perfect for the Valkyries that you all met.

Bai Tza: Very fitting too.

Lily: Yeah.

Me: Yeah.

Eli: And I sense that the Anothers for Di Lung, Raccoons, Valkyries, Sandman and Dog Skeletons are all one person. Same with Sindbad and Trumbipular.

Qin: Wow.

Me: Yeah.

Maria called them in.

Then in swirls of vortex and riding in on horses came said people called in.

Burner Man: Hey, guys!

Qin: Glad you all could make it.

Erda Valkyrie: We are ready for action!

Nico: Yeah!

Burner Man: Boy on a Tar Swamp planet. This is a scary place.

Qin: I know.

Nico: There they are!

Valkyrie Sisters: YO TO HO!

Then out came Another Di Lung, Raccoons, Valkyries, Sandman and Dog Skeletons!

Qin: WHOA!

Lola: Wow! This is gonna be fun.

Nico: Yep.

Another Di Lung: (In a girls voice) Boy it sure will be.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair and had blue eyes and had dark blue clothes and she had blue diamond crystal angel wings and had a tiara with the symbol of the Diamond Dopant on it and the same symbol was on her skirt and she had a diamond crystal sword.

Me: (GASP) Diana Diamond!

Diana Diamond: Awesome to see you again J.D.

Me: Same here. Diana is the embodiment of the Diamond Dopant and she is a great master jewel maker and she makes diamond crystals and jewels.

Lola: Wow!

Rarity: Oh that is a really amazing power.

Diana Diamond: It sure is.

Nico: You and Rarity will get along fine

Diana Diamond: I know. I love all of Rarity's fashions and they are amazing.

Me: They are the ENVY of everyone in schools and more. Also the Diamond Dopant is an unused one.

Nico: Boy what a ripoff.

Philip: I know. Hard to imagine.

Shotaro: Yeah.

Me: By the way Diana is the Another Sindbad and Trumbipular friendly or hostile?

Diana Diamond: Friendly and they are really powerful too.

Me: Cool!

Qin: Nice.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers!

Nico: Awesome!

Me: Lets get them!

Another Di Lung: WATCH WHERE YOU'RE GOING YOU FOOL!

Nico: Watch where YOU'RE GOING you fool!

They fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Qin: Now for Another Sindbad.

Nico: Not to be confused with Sinbad.

Me: Nope. Sindbad's name has a D after the N.

Qin: Good observation.

Me: Yep.

Nico: Lets see here.

Me: There!

We then saw a figure and it was ANOTHER SINDBAD!

Anya Rodriguez: Ahh there be the catch of the day.

Me: Yep.

Another Sindbad: (In a gitls voice) Love that sailor talk.

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair and had blue eyes and had blue clothes and she had blue angel wings and had a tiara with the symbol of the Water Dopant on it and she had the same symbol on her skirt and she had a water sword.

Me: (GASP) Wanda Bench Water!

Nico: Whoa!

Wanda Bench Water: Awesome to see you again J.D.

Me: Yep. Wanda is te Embodiment of the Water Dopant, Another unused Dopant. And she has intensely powerful water powers. And this is a shocker. She is the little sister of Morris Bench A.K.A. Hydro Man.

CLANG CLANG CLANG!

Eli, Nico and Luna's jaws dropped in surprise!

I put them back.

Luna: YOUR BROTHER IS HYDRO MAN!?

Nico: Boy that is amazing!

Wanda Bench Water: I know. I'm glad my brother is now your archenemy Luna. That is so cool.

Luna: It's rockin dude.

Me: Yep.

Philip: Wow that is amazing that your brother is Hydro Man. Also being the Embodiment of the Water Dopant is fitting for you because you and your brother both have water powers.

Maria: Just like me.

Wanda Bench Water: I know.

Nico: Your older brother has been a real good friend.

Luna: He sure is.

Spiderman: He was one of my most dangerous enemies before. Now he is a cool guy.

Wanda Bench Water: I heard. That is awesome.

Me: Yep.

May: Sorry we have to do this.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Anya Rodriguez: Now for some fun lads.

Anya fired waves of energy and smashed the Another and I caught the Wonder Ride Book.

Me: Awesome.

Nico: Now we wait.

Me: We don't have to wait long!

We saw a figure come out and it was ANOTHER TRUMBIPULAR!

Me: Whoa!

Nico: Another Trumbipular.

Trumbipular: Boy who is that handsome devil?

Me: Another you.

Another Trumbipular: (In a girls voice) But this will be fun.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and orange eyes and had red, orange and yellow clothes and had fire angel wings and had phoenix tail feathers and she had a tiara with the symbol of the Phoenix Dopant on it and she had the same symbol on her skirt and had a fire sword.

Me: (GASP) Penelope Phoenix!

Penelope Phoenix: Awesome to see you again J.D.

Me: Same here. Penelope is the Embodiment of the Phoenix Dopant and she not only has all the powers of a phoenix but also she has the strength of a thousand elephants and also loves peanuts.

Penelope Phoenix: Yeah they are tasty.

Kaito: (gets out Gekiranger gear) Did Swartz promise you anything?

Zocks: (gets out RPM gear) Because we can grant it instead.

Kaito got a Jungle Fury Sword and Zocks got an RPM Sword.

Penelope Phoenix: He didn't say anything because I turned into a ball of fire and flew out of there.

Me: Ooh the fireball escape maneuver.

Xenia: Nice.

Penelope Phoenix: I know.

Me: Sorry we have to fight like this.

Penelope Phoenix: No worries.

She turned into ANOTHER TRUMBIPULAR!

Sougo: (gets out Jungle Fury Ridewatch) One of our friends has a peanut allergy.

Geiz: (gets out RPM Ridewatch) Please don't get offended by that.

Sougo got JungleFuryRedArmor while Geiz got RPMRedArmor.

Another Trumbipular: Don't worry I am not offended at all.

Me: Good.

Nico: Time for some Elephant Sailor Power. (ACTIVATES TRUMBIPULAR AND SINDBAD'S RIDEWATCHES)

Nico fired waves of energy and blasted her down.

May: Top this too. (ACTIVATES 2021 KRAID AND ELEPHANT UNDEAD'S RIDEWATCHES)

She fired waves of energy and smashed her all over.

Maria: I'll bash your head in! (ACTIVATES BAT MAN AND FLONK'S RIDEWATCHES)

She fired a wave of energy and bashed her all over.

Anya Rodriguez: This be a fun one. (ACTIVATES SINDBAD'S RIDEWATCH)

She fired waves of coconuts and bashed her all over.

Then Mummy, Mummy of Anhk-Ha, Mr. Magic Pierrot, Ferocious Fins, Lord Peel and Fat Bastard came.

Nico: Nice team Mummy!

Mummy: Thanks Nico.

Me: Cool!

?: I'll say!

We then saw an Iron Moth!

Me: Cool an Iron Moth!

Qin: Nice.

Iron Moth: (In a girls voice) It sure is an awesome sight.

Nico: Leah Beethoven!? Whoa.

She reverted back and was a girl with orange hair and orange eyes and had fire butterfly wings and had orange clothes.

Leah Beethoven: Awesome to see you again Nico. I got this.

She fired a wave of fire and blasted down Another Trumbipular and I caught the ridewatch and purified it and I brought Penelope over.

Me: Awesome!

Laney: What's your favorite memory of Nico?

Anya Rodriguez: I wanted to ask that but it be too strange lass.

Leah Beethoven: No worries. My favorite is when me and Nico put on an awesome concert for everyone in school and it was a song called The Dance of The Phoenix.

Me: Cool!

Qin: That was so fun to watch.

Nico: Yep.

Nico and Leah hugged.

Nico: I missed you.

Leah Beethoven: Same here.

We went back home.

Lincoln: Whoa, we're here in Louisville, Kentucky, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to destroy Towa and Aeos from our prime universe who were brought back by Logan Angmarl and sent to cause havoc and we're going to send them to The Black Gates before Logan Angmarl can also get the chance to kill them and slake his thirst for blood.

Goku: I get Logan bringing them back to cause havoc is one thing, but turning around to kill them and slake his thirst for blood, he's attempting to repeat the same tactics as George Granmorg and Vance Raiza.

Luna Angmarl: That's just like my dumbass brother. He really is that out of control and bloodthirsty.

Lincoln: It's just like Logan to do so, but he's already gotten his death sentence the day he and the other Elemental Monarchs of Evil broke out, so I have no problem killing him right where he stands.

Suddenly, Lincoln's large gold halo and the four gold rings orbiting around his halo glowed and they fired blasts of light and imprisoned three individuals inside prisons that cut off their energy, the three figures in those prisons were Moro, the Planet-Eater, Mira, the artificial demon and servant of Towa, and Hearts, the leader and founder of the Core Area Warriors.

Gohan: And here I was hoping not to see these three again.

Lincoln: Moro, Mira, and Hearts. So, Aeos and Towa weren't the only ones Logan Angmarl brought back from the dead.

Chronoa: That madman. We need to take care of Moro, Mira, and Hearts immediately, they're just as dangerous as Towa and Aeos.

Lincoln: Leave that to me.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his back and Moro in the stomach and Lincoln began sucking out and absorbing Moro's magic, cosmic energy absorption, telekinesis, illusion creation, mind reading, heightened awareness, Ki manipulation, Ki sense awareness, nigh-immortality, high intelligence, superhuman strength, and vast cosmic powers, along with all of the energy of the the Iragi Star System that Moro had consumed and brought about mass extinction on 320 planets 10 million years ago, and Lincoln reduced him to being an old corpse, and Lincoln channeled Black Gate energy through his massive greatsword and he sent Moro to The Black Gates.

Then, Lincoln stabbed Mira in the stomach and he began sucking out and absorbing Mira's dark magic, flight, Ki manipulation, fighting skills, and super-strength and made them his own, and Lincoln channeled Black Gate energy through his massive greatsword and he sent Mira to The Black Gates.

Finally, Lincoln stabbed Hearts in the stomach and he began sucking out and absorbing Hearts', immeasurable strength, immeasurable speed, immeasurable durability, acrobatics, true flight, spaceflight, very strong fighting skills, extremely strong Ki manipulation, energy manipulation, self-sustenance, heart reading/ telepathy, telekinesis, information analysis, analytical prediction, energy absorption, dimensional travel, clairvoyance, and resistance to pain, extremely high temperatures, extremely low temperatures, madness manipulation, morality manipulation, cosmic radiations, time manipulation, and corruption and made them his own, and Lincoln channeled Black Gate energy through his massive greatsword and he sent Hearts to The Black Gates.

Red She-Hulk: That's three super baddies put down, and two more to go.

Eli: (Sensed Logan Angmarl's energy) We better hurry, Logan Angmarl is on his way to kill Towa and Aeos.

Lincoln: He won't get far.

Suddenly, Lincoln's halo glowed and fired a blast of light and trapped Logan Angmarl in a prison so he wouldn't interfere. Suddenly, we saw a beautiful and super sexy girl with short sunlight blonde hair, sunlight yellow, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful electric blue angel wings and Thunder Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, lightning bolts, Keyblades, and angels on the coattails and on the back is San Fransokyo, in her right hand is the Nano Gear Keyblade and with her are the seven girls.

Lincoln: (GASPS) Elrena Larxene, Keyblade Knight of San Fransokyo and The Embodiment of Larxene, The Savage Nymph of the 12 Thunderbolts.

Elrena Larxene: Yep, and I got the girls away from those two bitches, and that was a sweet move you did in imprisoning that asshole in a light prison, and thank God you also took care of those three vile monsters, Moro, Hearts, and Mira. I don't know what that asshole was thinking.

?: It won't matter anyways, because all of you are going to die!

We then saw our targets, Mira and Aeos, The Supreme Kai of Time, and they were out for blood.

Chronoa: Traitor, my husband's blade will cut your head clean off your shoulders!

Sylvester: Well, someone's certainly out for revenge on Aeos.

Then, the four orbiting gold halos in the corners of Lincoln's large gold halo fired red absorption blasts which hit Mira and Aeos, and

Lincoln sucked out and absorbed Towa's flight, Ki blast, Ki sense, dark magic, Time Breaker mind control, Resurrection, size manipulation, giant form, techniques, dark evolution, energy absorber, and metramo-ring and Aeos' flight, energy construct creation, energy projection, portal creation, telekinesis, and time manipulation and made them his own, and he fired blasts of light which Aeos and Towa and incinerated them into ashes and sent their spirits to The Black Gates forever. We cheered as we holstered our weapons and powered down. The barrier keeping Logan Angmarl imprisoned went down, and when he saw what Lincoln did, he roared in rage and ran off like the coward he is.

Lincoln: Moro, Mira, Hearts, Towa, and Aeos, you five bastards have failed this entire universe, and Logan, don't think you're getting out of this, because of what you did, you just made your death sentence a lot easier for us to hand down when we get rid of you later on today. (To Elrena Larxene) And it's so good to see you again, Elrena Larxene.

Elrena Larxene: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Elrena.

Lincoln went up to Elrena Larxene and he hugged her, and Elrena Larxene is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elrena Larxene: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Elrena Larxene, Keyblade Knight of San Fransokyo and The Embodiment of Larxene, The Savage Nymph of the 12 Thunderbolts, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of lightning, and she also harbors a very very nasty hatred towards Alister Krei for what had happened to Professor Callaghan's daughter, Abigail, and she also harbors a very very nasty hatred towards ALL THE

MEMBERS of Organization XIII especially Larxene and wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Michelle Emperyous: She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Xion: We hadn't forgotten just how deep her hatred for Alister Krei was for what happened to Abigail, along with her hatred for Organization XIII.

Lincoln: You said it, but Krei is now in prison for life and his wealth and fortune and his company are now in Abigail's hands and Nico sued Krei for 750 million dollars.

Elrena Larxene: Wait, he sued Krei for that much?! Damn, and I'm so glad Abigail now has control of KreiTech Industries and is now working further to benefit mankind, and Krei can rot in prison for all I care.

Sora: Actually, take a look at what really happened to Krei.

Sora showed Elrena Larxene what happened years after Krei lost everything, Krei lost his home and he was left homeless on the streets.

Elrena Larxene: Oh shit, so Krei's now a homeless bum on the streets?!

Eli: Karma hit him real hard. Plus, we didn't know you're the Keyblade Knight of San Fransokyo.

Xion: She helped Hiro and the team deal with San Fransokyo's foes and sent them to prison.

Lincoln: Yeah, no one dares to mess with her nor the rest of The Keyblade Knights.

Me: Because one wrong move, and they were toast, and the same went with Lincoln's old enemies.

Nico: Namely Scoots, Flip, Lewis Travolta, Hawk, Hank, Pablo, Anderson, and the other jerks from Royal Woods and Great Lakes City.

Lincoln: And Lori, Lynn, Lola, Lisa, and Luan, just one of their attempts to kill me and the Keyblade Knights and Organization XIII Embodiments will pulverize the daylights out of them, and now that you're here, Elrena.

Lincoln went up to and hugged Elrena Larxene in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his gold halo and four surrounding gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Elrena Larxene: Whoa, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Elrena Larxene's neck with electric blue gems on the gold lightning bolts and electric blue crystal links from her merged

Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Elrena Larxene: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elrena Larxene.

Elrena Larxene had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them immediately. The seven girls are Sara Kamiizumi, Reina Kenzaki, Yurika Takadera, Azumi Shiomi, Rinne Katsura, Madoka Toono, and Fuyuno Iwase from Abstinence Ward.

Lincoln: Oh wow, it's Sara Kamiizumi, Reina Kenzaki, Yurika Takadera, Azumi Shiomi, Rinne Katsura, Madoka Toono, and Fuyuno Iwase from Abstinence Ward.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sara Kamiizumi: Yes, we're okay, thanks to you.

Sara Kamiizumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sara Kamiizumi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sara Kamiizumi, Reina Kenzaki, Yurika Takadera, Azumi Shiomi, Rinne Katsura, Madoka Toono, and Fuyuno Iwase with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villains we went after were Towa and Aeos from our prime universe and they were brought back from the dead by Logan Angmarl, but they weren't the only ones: it turns out that asshole also brought Moro, Mira, and Hearts back as well, but he wanted to kill them to slake his thirst for blood and right before they double-cross him.

But, when Lincoln showed what he did to Moro, Mira, and Hearts by stabbing them in the stomach with his massive greatsword and sucking out and absorbing their energy and powers and abilities and made them his own and sent them to The Black Gates and then laying the beatdown on the traitorous omnicidal Supreme Kai of Time and the demon Towa and Lincoln firing four red energy blasts from the four orbiting golden rings on each corner of his large golden halo behind his head and that sucked out Aeos and Towa's powers and he made them his own and finishing them off by firing two blasts of light that incinerated them and sent them to The Black Gates forever which sent that dumbass Logan Angmarl roaring in rage and running, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Elrena Larxene have a lot of catching up to do, now that she's back in town.

Maria: That dumbass, I can't believe he brought back five of the universe's most dangerous criminals and enemies of Master Goku and the Z-Fighters.

Lincoln: All he ever desired was revenge on us for what happened six tears ago, but as always, his lack of common sense proved to be the deciding factor in the fates of Moro, Mira, Hearts, Aeos, and Towa.

Chronoa: Along with his own.

Luna Angmarl: That's right, Chronoa. I'm not letting that dumbass live, he dies after we get the next piece of the Tablet.

Nico: You got that right.

Me: That asshole's getting the beatdown of his miserable life!

---

After getting rid of Aeos, Towa, Moro, Mira, and Hears and this time for good along with driving off that dumbass Logan Angmarl, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elrena Larxene saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elrena Larxene: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elrena, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Elrena Larxene: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Elrena Larxene: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Elrena, what memories did you have with Lincoln?

Elrena Larxene: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were in his room, and we were there doing homework. But, our day came to an end when we heard a loud bellow of rage in the air, and we caught the stench of B.O. and smelly feet, but we knew who it was that'd announced his arrival: it was Flip and that mutant was out for blood. He was about to charge inside, but what that moron didn't know was I summoned a storm and he got hit hard by lightning bolt after lightning bolt and he was electrocuted many times over and while that was happening, Lincoln had called the cops who came to The Loud House and after Flip got hit by one last lightning bolt and he was knocked down. Then, he was cuffed and thrown inside of the cop car, and he bellowed in rage as he was taken back to prison.

Nico: He was at it again?! Ugh, that dumb mutant doesn't even know when to quit!

Lincoln: Flip was nothing more than a moron who has no education and his brain and butt smelled like a thousand dumpsters from New Jersey!

Me: He pissed us all off big time!

Lily: And we've had to restrain ourselves many times whenever we had the urge to beat him into a bloody stain, which wasn't easy by the way!

Luna: It was never easy trying to restrain ourselves whenever we had the urge to beat Flip to a bloody pulp, he's done a ton of low things in the past and tried to kill Lincoln, but now, he's nothing more than a pariah.

Me: Yeah, and now, he's nothing more than a dummy for humiliation sessions!

We got a shower, and then, Lincoln, Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Ace Bunny was dressed in black and yellow-trimmed swim trunks, sandals, and he had his weapons holstered in case of trouble.

And Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi had

feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Rusty Rose: Wow, so this is Everbay Coast, it sure is awesome.

Lincoln: It sure is, Rusty Rose, and it's perfect for our first date. Shall we?

Lincoln, Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi and they hugged them in their abnormally massive and powerful muscular arms, and Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-

Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Rusty Rose, Simulator Tron Bonne, Emilie Christie, Amanda Blackstone, Screwball (Marvel's Spider-Man), Zephyr, Simulator Violet Parr, Universe 666 Scanty and Kneesocks, and Simulator Anna Aoi, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out

their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Ace Bunny: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy

adventure.

Nico: Guys, next is Bonefin Galaxy.

Maria: Whoa that galaxy was creepy.

Me: Yep. So Kingfin next.

Nico: Yep.

Randy Cunningham: Me and Ben will go then.

Qin: Awesome.

Yae: I'm going too.

Nico: Okay.

They went in and Nicole activated the Simulator and they were at BONEFIN GALAXY!

Nico: Here we are.

Yae: Bonefin Galaxy.

Randy Cunningham: Wow this is amazing.

Nico: Yep.

Nicole: (On the radio) The boss is Kingfin. You have to hit him 3 times with your powers or shell throwing.

Nico: Okay.

Yae: Let's dive in!

They flew and dove in and Yae turned into a mermaid!

Nico: Whoa!

Then they saw KINGFIN!

HE WAS A MASSIVE SKELETON FISH CARCASS!

Nico: (pales) Mommy.

Ed: That big fish reminds me of Angus my more than lucky fishy.

Eddy: Shut up Ed.

Yae: Nico now is not the time to get cold feet.

Nico: You're right. Lets get him!

Randy Cunningham: YEAH!

Ben turned into Ampfibian!

Ben: AMPFIBIAN!

Randy and Ampfibian fired waves of lightning and energy and blasted Kingfin!

Nico: (gets out Trumbipular and Turtle's Ridewatches) Ben, this sort of fits since Trumbipular is one of your bad guys.

Ampfibian: It sure does!

Nico activated them and fired energy waves and blasted Kingfin.

Nico: Oh yeah!

Then an Iron Jugulis came!

Nico: Cool an Iron Jugulus!

Iron Jugulis: (In a girls voice) This will be cool and fun.

Nico: Abby Jugulus!? Whoa!

Iron Jugulis: Yep.

She fired an energy blast and it hit Kingfin.

Yae then fired a bazooka blast and it hit Kingfin and then he exploded!

Nico: OH YEAH!

Then the star came.

Nico: There it is!

Yae: We got it.

Yae, Ben and Randy got it.

YOU GOT A STAR!

Abby Jugulus reverted back and she was a girl with purple hair, purple eyes and purple clothes.

Abby Jugulus: That was awesome!

They all high five.

Randy: What's your favorite memory of Nico?

Abby Jugulus: When me and Nico shoved a bucket of chum down a mean girls throat and she hurled her guts out all over.

Nico: Yep. That was awesome.

Yae: Awesome.

Nico and Abby hugged.

Nico: I've missed you.

Abby Jugulus: Same here Nico.

They left the simulator and we cheered for them.

Later the mascots were having a good meal. They were eating Tangerine Chicken.

Gwenpool: You guys enjoying the tangerine chicken?

Poromon: You bet we are.

Poliwag: (Eating) Delicious.

Manaphy: (Eating) It sure is!

Nico: Cool cool.

Me: Yep.

Nico: Where did you guys get it?

Lynn Sr.: Oh I made it. It's really awesome doing a meal like this.

Me: It sure is awesome.

Deadpool: (To the viewers) Boy the Mascots sure love to eat don't they?

Jamesdean5842: You got that right Wade.

Deadpool: You know, with all the shenanigans you 4 go through, I'm surprised there hasn't been an opening where you guys get arrested.

Poromon: Yeah no kidding.

Qin: That is too true.

Jamesdean5842: Believe me guys, that is the last kind of opening on my mind.

Nico: No kidding.

Deadpool: (concerned) You okay now, Lily? I know last chapter was a tearjerker.

Lily: I'm much better now. Thanks.

Deadpool: Good.

Qin: We're happy.

Deadpool: Now, gimme some of that chicken.

Lynn Sr.: I made enough for everyone.

We had some and it was tasty.

Me: (Eating) Mmm! Yummy.

Lola: (Eating) Delicious.

Thunderblast: We're gonna need the energy later.

Me: I know.

Qin: I have a feeling something huge is coming.

Xenia: Me too.

?: Boy that chicken smells great!

We saw an Iron Thorns.

Me: Cool an Iron Thorns.

Nico: Awesome.

Iron Thorns: (In a girls voice) Awesome to see you again Nico.

Nico: Linda Thornsby? Whoa!

She reverted back and was a girl with green hair and had blue eyes and green gym clothes.

Linda Thornsby: Can I have some chicken too?

Nico: Sure.

We gave her some and it was good.

Beachcomber: What's your favorite memory of Nico?

Linda Thornsby: When me and Nico played dodgeball and we smashed the other teams faces in with our brute strength.

Jared: Nice!

Me: Awesome.

Nico: Fun times.

Nico and Linda hugged.

Nico: I've missed you.

Linda Thornsby: Same here.

Raythor: Who can lead this time?

Leni: How about me, Jayden, Randy, Kermit, Rango, Tsukasa, and Ikki and Vice?

Nico: Ooh good idea!

Qin: Yeah!

Lola: That will be fun.

Nico: I have a feeling this will be a good one.

The previous group came.

Carmen Dillo: Kaos, INSTIGATOR, Vreedle Brothers, Duff Killigan, El Oso, Tchang Zu, Gramma Stuffum, General Schwarz and Metal Sonic go with you guys?

Nico: Yes you all can come with us.

Qin: This will be fun.

Nico: Yep.

Astro Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Baxcalibur and Gholdengo.

Me: Nice!

Qin: We only have a couple Pokemon to go.

Nico: I know.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The next piece of The Tablet is located on Ultimate Earth, and it's in the hands of Ultimate Deadpool.

Lincoln: Oh boy. We're so going to be in for quite the challenge with this version of Deadpool, and he's bound to do the same thing that Adrena-Lynn did, but this is going to end with Ultimate Deadpool knocked out and sent to The Masters of Evil.

Nico: Oh man, if he's doing the same thing Adrena-Lynn did two years ago, we really need all of our parkour skills and we better be ready to bring the pain to Ultimate Deadpool.

Me: Along with whoever's with him.

Lincoln: This is also something that The Wilson Sisters are so going to be looking forward to.

Bianca Wilson: We already know of Uncle Wade's skills, so this is going to be one awesome challenge for us.

Gemma Wilson: You said it.

Trisha Wilson: That Ultimate version of Uncle Wade is in for one crazy surprise with us, and if we're right, then Logan Angmarl is going to trigger the warning right… now!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Logan Angmarl, the evil older brother of Logan Angmarl and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Dawn and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Luna, you're not going to like it: the figure we sensed is none other than your evil older brother, Logan Angmarl, one of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

Luna Angmarl: So, now my older brother, Logan, has come after us. I always knew that stupid moron would be the first to come after us, he's such a demonic asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say he Gene-Slammed himself into Angmarl the Fiendish Monarch, right, Luna.

Luna Angmarl: Yes, I did, Anna. But, I refuse to let Logan live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Ultimate Earth and take down Ultimate Deadpool and retrieve the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out this, Ultimate Deadpool, we're taking you down and we're taking that fragment back, and once we get done taking down Ultimate Deadpool, you're next, Logan Angmarl.

Luna Angmarl: You've gone way too far this time, Logan. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Angmarl the Fiendish Monarch. This won't stand, I'll make sure that you suffer the full extent of the powers of darkness and fear after we get done taking down Ultimate Deadpool.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Ultimate Earth to retrieve the next piece of The Tablet of Order and Chaos and take down Ultimate Deadpool, and once we get done with him, Lincoln and Luna Angmarl are going to kill and destroy her evil older brother, Logan Angmarl.

We were off.

A TV Screen turned on with a logo.

?: PAIN FACTOR! With your host… the anti-hero for hire… the mask for your task… the guy who won't die… DEADPOOL!

Hosting it was none other than WADE WILSON A.K.A. DEADPOOL!

And what a way to introduce the Ultimate version of the Merc with the Mouth, Deadpool, starring in his own reality TV program broadcasted live from an oil tanker in the middle of an ocean. A fake audience cheers and claps for the Merc with a Mouth as he introduces himself to viewers around the globe,

Ultimate Deadpool: Hi, Ma! And welcome to Pain Factor, the only show where you compete for your life! And remember, viewers, I'm available for black ops missions, assassinations, and birthday parties!

Ultimate Spideman: I don't know what's weirder… that this guy can somehow come back from the dead, or that they gave him a TV show.

He was watching the show with us on a window TV while out in the city looking for the next fragment.

Me: Yeah.

INSTIGATOR: I never expected for there to be an Ultimate Version of Deadpool. He's just as talkative as ours.

Deadpool: You know I'm standing right here, right?

INSTIGATOR: Sorry.

Ultimate Spiderman: Deadpool was never this… talkative.

Nico: That's hard to believe.

Ultimate Spiderman: He used to be a serious anti-mutant extremist, but after me and the X-Men kicked his butt on some island, he came back to life crazier than ever. He thinks he's in a video game. Or fanfiction, sometimes.

Leni: Good to know.

Me: He is as awesome as the Deadpool we all know and love though.

Octagon: It's good he's not an anti mutant person anymore. Otherwise, we'd have some problems.

Wolverine: Yeah no kidding.

Ultimate Deadpool: Coming up, we've got a very special Pain Factor - with a very guest running the gauntlet!

Ultimate Spiderman: Who?

Ultimate Deadpool: You, Spider-Man!

Nico: Huh?!

Me: What the!?

Ultimate Spiderman: Wait… what?

Leni: I wasn't expecting that.

Ultimate Deadpoo: That's right! Our guest today will be the one, the only, the friendly neighborhood Spider-Man. And if he wants, he can bring Team Loud Phoenix Storm too. Especially since there's at least 2 versions of me with them.

Me: WHOA!

Disk Wars Deadpool: Damn right!

Ultimate Deadpool: Because they need this!

And to persuade us to play the game, Deadpool shows them the grand prize of a lovely Tablet fragment sitting on a Deadpool-themed pedestal.

Ultimate Spiderman: Television, you are cruel mistress.

Me: Deadpool has a really amazing habit of breaking the 4th Wall but this one is going to be all over the place.

Jamesdean5842: Boy no kidding. This is gonna be a wild and crazy one.

Deadpool was kind enough to have a helicopter pick us up to take them to his oil tanker in the middle of an ocean where we'll be special guests in his wonderful show. Ultimate Spider-Man was hanging upside down from below the helicopter outside.

Pilot: You know, you can ride inside.

Leni: That's just who he is.

Me: Most of us are going to fly.

Ultimate Spiderman: Wow, that's not too big or anything. Can somebody say 'overcompensating'?

The helicopter soon drops us off at a helipad, where we are greeted by several flying TV screens that Deadpool is using to speak to them from wherever he is on the tanker.

Me: Why am I picking up a really strong feeling of Deja Vu.

Ultimate Deadpool: Spiderman! Can I call you Spidey? Hey, thanks so much for you and your pals being part of our little "webisode". Heh heh, 'cause… 'cause you shoot the web… OK. Hey can I get you guys anything before we start? Soda? Bottled water?' He asked them.

Ultimate Spiderman: How about the fragment?

Ultimate Deadpool: (laughs) Good one! Okay, here we go, picture up! In three… two… and…

The cameras roll again as it's time to begin the special episode of-

Ultimate Deadpool: Welcome welcome welcome to Pain Factor!

Ultimate Spiderman: Is there a mute button for him?

Me: I wish there was.

Lola: Yeah.

Ultimate Spiderman: Welp, might as well get this over with.

We walk along a bridge into a room up ahead. With every step we take, flames burst out of the holes on the sides of the bridge as a cool way to introduce us into the game.

Me: WHOA!

Ultimate Deadpool: And here they are! The terrifying… the deadly… the amazing… SPIDER-MAN, and his amazing friends!

Ultimate Spiderman: Just what I always wanted: A tasteful introduction.

Me: Awesome welcome.

Lasher: Is it too late to quit this game?

Leni: And leave the fragment in the hands of Deadpool of all people?

Lasher: I'm almost tempted to say yes.

Shortly after walking through the bridge, we entered a little media room with a lonely camera stand looking at them. Deadpool himself then shows his face on the multiple TV screens inside the room

Ultimate Deadpool: Not a bad entrance {mine's gonna be better, though, later on in the chapter}, but could you guys put a little more "oomph" in it, ya know, for the cameras. This is going on live to MILLIONS of viewers.

Ultimate Spiderman: I'll show 'em what we think of your cameras.

Sure enough, Ultimate Spidey destroys the camera with a single punch, cutting off his connection between his show and his audience in some places.

Ultimate Deadpool: Hey! That was a live feed you just killed! Now what am I going to tell its folks?

Ultimate Spiderman: Tell 'em it was a mercy killing. If they've seen your show, they'll understand.

Me: Yeah!

Qin: Wade this is not a game you're playing. This is a dangerous one.

Xenia: It sure is.

Ultimate Spiderman swings over to land in the oil rig, while we follow. We then look up to the large screen covered in static on the wall, as Deadpool quickly fixes it so he could appear to talk to us.

Ultimate Deadpool: Listen, Webby. I can't have you swingin' around in your footy pajamas with your buddies destroying my cameras.

El Oso: (Spanish Accent) Someone has to do it.

Ultimate Deadpool: You're gonna have to tangle with my ARMY! And by "army" I mean Production Assistants. And by Production Assistants I mean unpaid interns. And by unpaid interns I mean "fans". You guys are gonna have to tangle with my FANS!'

Me: We get the idea.

We stand there, baffled and dumbfounded, as we have little words to respond to the fact we'll be fighting his fanboys.

Ultiamte Spiderman: Lamest. Supervillain. Ever.

Me: Welcome to Comic Book Guy's world.

The TV switches back to the "Pain Factor" logo the second his fanboy army appears walking out a garage door to confront us with their baseball bats.

Leni: We're really doing this, aren't we?

Ultimate Spiderman: Yup.

Me: Okay Fanboy's COME AND GET SOME!

We went at them and punched and kicked and slashed and pulverized them all over!

I threw a grenade and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and blew them apart!

Ultimate Spidey: You fanboys are a lot more dangerous online!

Leni: Fighting fanboys aside, how else are we gonna win this game and get the fragment?

Ultimate Spidey: Those cameras are his eyes and ears. Knock 'em out and we'll flush him out. And I see one right over there.

Jayden: Where are the others?

I saw one.

Me: I see one.

I fired a wave of energy and blasted it.

Xenia: YEAH!

I punched a fanboy and kicked one and headbutt one and then bashed one in the crotch!

Ultimate Deadpool: By the way, I was the one who shot Amy. You're welcome!

Nico: That was you?!

Ultimate Deadpool: Hey, I don't like the bitch, alright? She probably has 2013 people who hate her by now!

Me: You're right she does!

Jamesdean5842: He is right on that. Total Drama All Stars and Total Drama Pahkitew Island came out on September 10th, 2013 and and like how most of us HATE Sasuke Uchiha most of us hated Amy.

Nico: WOW!

Me: Trumbipular was wondering if Deadshot might have done that.

Ultimate Deadpool: Nope. That was me.

Me: Very clever.

On our way to a camera, Nico stepped on a whoopee cushion. In fact, he saw dozens of whoopee cushions on the floor.

LOUD FARTS!

Nico: Seriously?!

Me: (LAUGHS) That is funny!

Ultimate Deadpool: Just wanted to liven things up.

Me: (LAUGHS) That is really funny too!

Laney: (LAUGHS) Yeah!

Eddy: Top this one!

He threw the El Mongo Stink Bomb!

It hit Ultimate Deadpool and then.

LOUD EXPLOSIVE FART!

It exploded and Ultimate Deadpool coughed and gagged!

Nico then punched the camera.

KRASMASH!

Me: Take that!

Qin: YEAH!

We then went to find another camera.

Ultimate Deadpool: By the way, nice job against Mr. Mind in the chapter covering the movie.

Nico: Thanks!

Ultimate Deadpool: Makes up for the fact that he hasn't had a full live action debut.

Poromon: That is true and he tasted like chicken!

Qin: He sure did!

Jamesdean5842: That was an awesome adventure for everyone.

Nico: Yep.

Spiderman fires a web shot that seemingly destroys the last camera, thus ruining Deadpool's game show.

Ultimate Spiderman: Easy peasy. (Spider sense tingles) Why is my Spider-Sense telling me there are MORE cameras popping up?

Ultimate Deadpool: C'mon, like I wouldn't have a backup plan? This is live TV, baby - the show must go on!

More cameras popped up.

Acid Man: I suspected this looked too easy.

Ultimate Deadpool: Also, I hope there are Gene Slammers for Robot Masters after the Pokemon ones.

Me: That would be a really awesome series!

Xenia: Yeah!

Astro Man: Is that even possible? We're not made of organic matter.

Galaxy Man: We're all mostly metal.

Ultimate Deadpool: Hey, Digimon are made of data and yet there are Gene Slammers of those.

Me: You know he's right. But that will be awesome.

Lola: Yeah.

Metal Sonic: I'm scanning for the locations of the cameras now.

Ultimate Spiderman: No need. One's flying in the sky above us and one's behind a cage nearby which I'll quickly take care of.

Me: Okay. I'll face the flying one.

I flew up and blasted the Flying Camera.

Nico: Yeah!

Qin: YEAH!

Ultimate Spidey: I just got rid of the baged one.

Randy Cunningham: That's two cameras down. How many do we have left?

Ultimate Spiderman: Two more, thankfully. They're around this area.

Let's check out the one in this room. Seems somewhat interesting.

Me: Right!

Lynn: Boy I'm really getting a massive case of deja-vu here. This is very similar to the battle we had with Adrena-Lyn.

Kim Possible: Yeah it sure is!

Ultimate Deadpool: Hey, this is NOT like with Adrena Lyn. She wanted to use HER show to get rid of you guys! I, on the other hand, know you guys are immortal and am using my show simply to mess with you guys and have some fun.

Nico: Well, that's reassuring.

Me: Even though I love a good joke and love some fun what Adrena Lyn did was horrible. This is fun and awesome.

Qin: Yep.

We carefully enter the room as we have no idea what awaits them inside. What did await us was a little confusing as it looks like we've walked into an extremely cheap knockoff room based off "The Price is Right". There's even a small audience made of Deadpool's fans watching from upstairs while Deadpool continues acting as the host from the TV.

Ultimate Deadpool: Spider-Man! Team Loud Phoenix Storm! YOU GUYS are the next contestants on "The Priceless Fight!" COME ON DOWN!

Me: Feels like I'm back on the Price is Right.

Deadpool gestures us to a wall with a colorful gate that has his small logo on it.

Ultimate Deadpool: Let's see what you've won…

Loud footsteps can be heard from behind the gate as it opens, and walks out a large Deadpool-themed brute with a hammer

Ultimate Deadpool: A ridonkulously big enemy to fight!

Ultimate Spiderman: That's a prize?

The brutish fanboy roared, looking ready to clobber the heroes.

Ultimate Deadpool: Uh-oh! Looks like the Spider and friends are about to get squished!

Leni: This should only take a second.

Ultimate Deadpool: Aaand - we're out to commercial.

Ultimate Spiderman: YeahbutHUH?!

Ultimate Deadpool: Don't worry, we'll pick it up in the same spot when we come back. Guys? Get down there and keep the talent limbered up in the meantime.

Harley Quinn: Oh boy! This is gonna be fun!

Leni: Anyone have the fast forward button to skip this commercial?

Ultimate Spiderman: One fast forward coming up.

Ultimate Spiderman entered Rage Mode and then stated off by taking out 5 Fanboys.

We bashed them all over.

Me: Now back to our show!

A fanboy humorlessly drags another along the ground as Deadpool reappears on TV and stays true to his word picking things off from where they left off.

Ultimate Deadpool: Looks like the Spider and friends are about to get squished. GO GET HIM, BEAUREGARD!

Ultimate Spiderman: 'Beauregard?'

General Schwarz: Heh, your parents must've been on something when naming you.

The now named Beauregard roared.

Me: Bring it!

I formed an energy hammer and then smashed and bashed Beuregard and bashed him into a pulpy pancake!

Qin: Yeah! Take that!

Xenia: OH YEAH!

Ultimate Spiderman: Third camera's down.

Ultimate Deadpool: Aw, man! Where am I gonna find another fan that big and antisocial?

Ultimate Spiderman: I dunno. How friendly are you with Ben Grimm?

Kermit: Or how about Cinderblock?

Thing: Yeah how friendly are you with me!?

Lola: Yeah!

The last camera, presumably, is inside a sizable control room designed after "The Oprah Winfry Show" as if we're walking into a talk show. There's some chairs sitting around on a circular platform with a Deadpool balloon in the middle, and the last camera waiting to be destroyed in front of the room.

Ultimate Spiderman: Mine!

Spidey rushes to destroy it, only for the camera to quickly disappear into the ground because of a proximity defense for being too close

Ultimate Spiderman: Wha-?

Me: A Proximity Defense System!

Ultimate Deadpool: Welcome to "The Wadey Wilson Show". Today's guests, Spider-Man and Team Loud Phoenix Storm.

Clawful: At least you haven't forgotten us.

Ultimate Deadpool: Hey, Spiderman, buddies. Have a seat. Let's talk about the question of everyone's lips… how HOT is Kitty Pryde?

Leni: Uh, why are we talking about her?

The embarrassed Peter was groaning as it sounds like he doesn't want to talk about his complicated love life.

Ultimate Deadpool: Uhh! Almost as hot as that redhead I always see you saving.

Nico: You mean MJ?

Ultimate Spiderman: SSH!

Ultimate Deadpool: MJ, huh? Is that her name? Do I sense a bit of a love triangle there?

Ultimate Spiderman: Oh my god. I'm getting out of here.

Ultimate Deadpool: And is it true there's a clone of you out there with your brain, but trapped inside a girl's body?

Nico: Wait, REALLY?

Ultimate Spidey: Ehhh…

Ultimate Deadpool: Cause that's kinda like CREEPY. And by kinda I mean "insanely". I'd still hit it though.

Ultimate Spiderman: I'm gonna be sick.

Stewie: Sorry. But I'm gonna have to cut this short before you piss Nicole off!

Stewie fires a single shot from his blaster at the last camera as it reappears since no one is close to it at the moment, thus ruining Deadpool's show for his worldwide audience.

Me: Nice shot Stewie!

Leni: Feeling okay?

Ultimate Spiderman: Yeah. Thanks for that. Can we go home already?

Gramma Stuffum: We destroyed all his cameras, so unless he has more, I think we're done.

Ultimate Deadpool: Congratulations, heroes! You've ruined my broadcast. And you deserve your prize…

Ultimate Spiderman: The fragment?

Just then, a fanboy knocks Ultimate Spiderman out with his mike.

Ultimate Deadpool: That won't do!

Fanboy: BAD SUPERHEROES! BAD!

Nico: Don't even think about doing that to us!

Ultimate Deadpool: (sighs) Can you at least go to the next area after the morph? Because that's where I'm taking webhead.

Jayden: That we can do. Go Go Samurai!

Tsukasa and Ikki: Henshin!

They transformed!

Jayden: FIRE! SAMURAI RANGER READY!

Tsukasa: DECADE OF RIDERS! KAMEN RIDER DECADE!

Ikki: TYRANNO DEMON! KAMEN RIDER REVICE!

Me: Oh yeah!

Xenia: Lets do it!

A while later, the knocked out Spiderman slowly wakes up on a lonely arena in the ocean while hearing the sound of someone driving a ski boat.

Ultimate Spiderman: Oww, my head!

Rango: Pete! Glad to see you're up!

Ultimate Spiderman: Did Deadpool knock you guys out too?

Vice: Nope. After Jayden and Ikki morphed, he let us teleport here.

Ultimate Spiderman: (sarcastically) That's nice of him.

Ultimate Deadpool: (on a ski boat) YOO-HOO! Watch me, Mommy! Watch me!

He says this only because he's deliberately about to crash his own boat to his own arena and cause it to explode upon impact, which only served to give him an explosion entrance as he jumps onto the middle of the arena while making an awesome pose in front of us.

Ultimate Deadpool: Ta-daa! Live an in person! The one, the only, DEADPO-oh, look at you.

Ultimate Spiderman: What about me?

Ultimate Deadpool: I thought you'd be taller. Oh well, we just won't use a lot of wide lenses. (continuing) DEADPOOL! Thank you, thank you. Don't throw flowers, just send money.

Ultimate Spiderman: Don't take this the wrong way, but you seem a couple peas short of a pad.

Leni: Was it not obvious already?

Me: Yeah!

Ultimate Deadpool: Just imagine my boss theme from the game playing right now!

Nico: What is he talking about?

Ultimate Spiderman: Don't question him. Just punch him.

Leni: I'll slash him!

Leni tried to slash him with her sword but he countered with his own swords.

Ultimate Deadpool: Now I see why you're leading. Because we both like to use swords among other things!

Jayden: Super Samurai Mode!

He donned his Super Samurai Outfit!

Qin: OH YEAH!

I unsheathed my sword.

Me: Let me clash with his swords.

Ultimate Deadpool clashed his swords with mine.

CLANG!

Sparks flew all over.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

We were clashing all over the place with incredible force.

Qin: Yeah!

CLANG CLANG CLANG CLANG CLANG CLANG!

I kicked him in the face and knocked him down.

Ultimate Deadpool fired his gun at me at the same time I fired an energy blast at him. As a result, both my right arm and Deadpool's left arm got severed.

Ultimate Deadpool: Let's see who can regrow their limbs the fastest! And let's also see if your arm can grow into a second you!

Me: All right then.

I regrew my arm fast in 2 seconds. Deadpool had his arm grow back in 5 seconds.

Me: Thanks to Majin Buu's powers I can grow back my limbs instantly.

Leni charged at Ultimate Deadpool and grappled with him. She beat the crap out of him. When Ultimate Deadpool tried to slash at her, she avoided it and continued to beat the crap out of him. This continued two more times before she pushed him back.

Ultimate Deadpool: Now THIS is something that should've been in every level!

Nico: YEAH!

I punched Ultimate Deadpool down.

Ultimate Deadpool jumped over Randy and Jayden as they charged at him.

Ultimate Deadpool: How about that, Randy? You helped Nico against Kingfin. And now, you're one of the main focuses of this chapter.

Randy: We'll see.

He kicked Ultimate Deadpool and then clashed with him and I kicked Ultimate Deadpool in the back of the head.

Qin blasted him with a fire blast.

Vice: Well, I think it's time we settled that debate!

Ultimate Deadpool: (to Vice) People keep saying that you're the Kamen Rider version of me.

Vice: Well, I think it's time we settled that debate!

Ultimate Deadpool fired his guns at Tsukasa, Ikki, and Vice as they charged at him.

Then they dodged the bullets and smashed him down.

Nico: OH YEAH!

Me: Take that!

Ultimate Deadpool teleports away to one of the helipads.

Ultimate Deadpool: Get in there, boys! Show wally-webs and his buddies here they can't twist my doorknobs.

Ultimate Spiderman: Wally-webs? Seriously?

Me: Couldn't you come up with something unique?

Nico: Yeah!

Ultimate Deadpool then ended up pointing his guns at his Prime Version, who pointed a gun right back at him.

Deadpool: It really is a shame we have to fight each other.

Ultimate Deadpool: I know. It's an honor to meet another version of me!

Deadpool: Same here! But if I learned anything from hanging out with these guys, it's responsibility. And it's our responsibility to get that fragment even if we have to kick the crap out of you.

Ultimate Deadpool: Then do me a favor and don't hold back. Because I'm not going to.

Me: Like meeting yourself in the mirror.

Qin: It sure is.

Zhuqiaomon: I'll say!

Varie: Yeah.

Ultimate Deadpool jumped over Tsukasa as he tried to punch him.

Ultimate Deadpool: Just passing through, Tsukasa?

Tsukasa ducked.

Tsukasa: Yeah I'm just passing through.

Me: And also we're a bunch people you don't want to piss off!

Nico: Yeah!

Ultimate Deadpool clashed swords with Jayden.

Ultimate Deadpool: So, Jayden. When exactly are you guys meeting those Ranger team embodiments?

Nico: That's what I want to know!

Jayden: We're going to meet them after the Pokemon Gene-slammers are done.

Xenia: Yeah.

Me: In a couple of days.

Ultimate Spiderman morphed his arms into tendrils.

Ultimate Spiderman: Time we wrapped this up. Gabriel, Leni, grab my tentacles. I got an idea.

Gabriel: Um… okay?

Leni: A girl touching a tentacle?

Ultimate Spiderman: This isn't Japan. Don't worry.

Leni: Ah. In that case

Spiderman starts spinning around himself while holding onto Gabriel and Leni. After building up momentum, Spiderman hurls both of them into Deadpool as he quickly webs him up so he won't escape, delivering a brutal frontal attack.

KRASMASH!

Me: WHOA! Nice combo attack!

Ultimate Deadpool: Owie!

After slightly rebounding from hitting him, Gabirel and Leni then each deal an additional strike to him simultaneously.

Nico: That had to hurt!

Venom: Boy that was really clever!

Camie: No kidding!

Ultimate Deadpool: Oh I just remembered, I have to… uh… floss.

Me: Why? Do you need to brush your teeth

Ultimate Spiderman: Ah, don't run away like a snivelling coward just cause we were whipping your heinie.

Ultimate Deadpool: I'm not running away! I'm just going to find a dictionary so I can look up 'snivelling'! Snivelling… (laughs) Hahaha - heinie. (hops onto a ski boat)

Tchang Zu: Get back here!

Leni: Oh no you don't!

We flew after him as he drove his ski boat. Spider-Man takes the more fun approach and attaches two weblines on the retreating boat to ski on from behind as he hollers in enjoyment.

Me: You're not going to get away from us that easily!

Xenia: YEAH! We'll find you like a bird seeking it's prey!

A few minutes later, Deadpool is still on his ski boat while successfully luring us to another dangerous oil rig for us to play in

Ultimate Deadpool: Well, my little petunias, it's been fun! For me, I mean. Not so much for you guys.

He purposely crashes his boat to a bottom tower to stop Spider-Man who's still skiing behind him.

Ultimate Spiderman: Uh-oh! Whoa!

Me: WHOA MAN!

Spidey quickly web-zips to the top of the tower before he was caught in the explosion

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

We got out of the explosion.

Ultimate Spiderman: Okay. That was an experience.

Leni: You okay? That was quite a ride, huh?

Ultimate Spiderman: Yeah.

Tsukasa: Where did Deadpool run off to?

Ultimate Spiderman: Must've escaped before his boat crashed.

We find ourselves walking in a large tube with steam vents all around.

Ultimate Spiderman: Nowhere to go but up.

We flew up.

Eventually, we managed to crawl out the tube with little difficulty. We walk out the door into another oil rig that presumably has the same rules, cameras and traps as the other one wesurvived in. But this one features a little conversation between four of Deadpool's unpaid intern fanboys.

Fanboy 1:Hey man. Love your outfit.

Fanboy 2: Back atcha! You get yours in the fan club catalogue too?

Fanboy 1: Nah, the gift shop. You know, if you get it in person they actually tailor it for you.

Fanboy 3: No way! Right there in the shop?

Fanboy 1: Yeah. I mean, they take your measurements there in the shop. Doing the actual tailoring takes a couple days, but it's sooo worth it.

Fanboy 4: Yeah, I was gonna say -.

Fanboy 1: I mean, right?

Fanboy 2: Dude dude dude dude dude… turn around, let me look at how it fits ya. Yeah. I gotta say, that is really nice.

Fanboy 1: I'm telling you, man. Tailored.

We stand there from a distance in silence, motionless after listening to their strange little conversation. We exchange weird looks and eyebrow raises before casually walking away while allowing those fanboys continue talking about tailored clothes in peace.

Me: Are they talking about their outfits?

Eli: Sure feels like it.

Qin: Yeah.

Leni: So I'm assuming there are cameras here too?

Ultimate Spiderman: Yup. Nine.

Rose the Huntsgirl: Where are they?

Ultimate Spiderman: Two in the sky. Six down in a lower level. And one somewhere in the center here.

Ikki: Let's see if this makes it easier.

Vice Up! Gattsuri! Nottori! Kuronuri! Kamen Rider Revice! Vice! Vice! Vice!

Ikki and Vice merged into Kamen Rider Jack Revice.

Me: All right.

Qin: Yeah.

Nico: Lets get to finding time and tearing them apart.

We appraoched a camera with a couple of Fanboys near it.

Fanboy: Gonna need to see some clearance.

Ultimate Spiderman: Will this count?

He disarmed the fanboy of his gun.

I took it and blew his head off.

Qin blasted the camera.

Qin: One down.

We went and found camera after camera and blasted them.

We appraoched another camera with a bop bag and nearby fanboys. I approached the bop bag and it began beeping.

Bop bag: Hi! I'm a bop bag ready to go boom!

Nico: Say what?!

Nico threw the camera and bop bag and then it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Nico: Close one. But it destroyed the camera.

Duff Killigan destroyed a camera with his golf clubs.

Ultimate Deadpool: Hey, Duff. You and Lori ever gonna have that golf off that was promised so many times in the story?

Duff Killigan: (Scottish Accent) Lad, we're still planning that out!

Lori: Yeah!

I fired a blast of energy and blasted more cameras apart.

Nico: Take that.

Ikki saw a camera with a huge fanboy near it.

Ikki: Another huge one!

The fanboy tried to hit Ikki with his hammer only for him to knock out nearby smaller fanboys.

BOWLING CRASH!

Nico teleported and snapped the big fanboys neck.

Eli then smashed the camera.

Qin: Nice one!

Me: I wonder if Deadpool would be able to come back after someone snap his neck.

Nico: Yeah he might.

Leni: PLEASE tell me that's all the cameras?

Ultimate Spiderman: Uhhhhh…

Leni: How many THIS time?!

Ed: Leni calm down.

Ultimate Spiderman: Seven.

Thorn: WHY?!

Ultimate Spiderman: Now, now! Good news, there all seem to be standing in one place.

Leni: Thank god.

Me: Good. That will make it easier.

Xenia: Yep.

Ultimate Deadpool: Did I mention that these ones have flamethrowers?

Nico: Say what now?!

Me: Flamethrower cameras!? You got to be out of your fucking mind!

Then we saw them look at us and then they fired streams of fire at us! WE ABSORBED THE FIRE ALL OVER!

The ultimate Spiderman is too sick of all these cameras showing up to annoy us and quickly goes in destroying them all. All but three, as the remaining cameras are inside a studio room similar to other one that was used for "The Wadey Wilson Show". Spiderman regroups with us inside the studio room.

Nico: I REALLY hope these are the last cameras

Me: Same here.

Ultimate Deadpool: Welcome back to "The Wadey Wilson Show", with our special guests, Walthrop Webs and our favorite invincible heroes.

Nico: Damn straight!

Ultimate Deadpool: Now, Walthrop, let's talk about that time you and Wolverine switched brains…

Leni: That really happened?

Ultimate Spiderman: I rather not discuss that.

Nico: Didn't Doc Ock have a scrapped plan involving that?

Ultimate Spiderman: Well actually, I've got a question for you, Deadpool. Where'd you get that fragment?

Ultimate Deadpool: 'I'm really glad you asked. It was on my bed when I woke up one morning.

Me: Seriously? Did the Tooth Fairy give it to you for losing some of your teeth?

Ultimate Deadpool: Very funny.

Ultimate Spiderman: Is that ALL of the cameras?!

Ultimate Deadpool: Oh the horror. The inhumanity!

Me: Sheesh bub get a better acting career.

Wolverine: Alright, bub. Where are you?! Zip it and tell us where you are so we can knock your lights out?!

Ultimate Deadpool: Oh, I'm waving to you outside.

Nico: Wait, what?!

We look out the window to see that the merc with the mouth really is waving at them outside on a nearby platform even though he is still on TV right now.

Me: He sure is crafty I'll give him that.

Qin: Lets get him!

Ultimate Deadpool: Congratulations! For surviving this long, you've received the Pain Factor Home Game! Now you can risk your well-being and sanity for the entertainment of others in the comfort of your own home! Follow me to pick up your prize!

He leaps onto a container and jumps down to another oil rig building nearby.

Ultimate Deadpool: Can the prize be stuffing a sock in your mouth, instead?

We zip over and follow him into the next building. When we entered the large studio room, the doors and windows suddenly close shut to prevent us from escaping.

Nico: Of course! Another trap!

Ultimate Spiderman: Did you seriously just try to lock us in a room? What are we, grounded?

Ultimate Deadpool: Just sit tight, my little mouth breathers. We gotta pause for another word from our sponsor. Brought to you by Denzel Washington!

And so, while we keep themselves occupied fighting his fanboy army and a one or two brutes entering the studio, Deadpool babbles on about that sponsor of his for his commercial break.

We blasted them all over the place.

Ultimate Deadpool: There is a world of sprits. Unseen by most, but just as real as our own. And when you need a guy to penetrate those mysteries, you know who to call. STRANGE. Doctor Strange. Yeaaah, Stephen Strange Junior. A man who has ventured back from the other side. And has cheated death himself is now available for…

Leni: How long is he going to keep talking?

Ultimate Spiderman: Hopefully another few seconds.

Ultimate Deadpool:… When it comes to the supernatural, there's only one name to call. STRANGE…

Nico: He's still talking.

Ultimate Spiderman: Another few seconds.

I put on earmuffs and fired waves of energy and blasted the fanboys and blew them apart. Then I fired an energy blast and blew the door apart.

Ultimate Deadpool:… Okay everybody. We're back in five. Four. Three…

Deadpool finally shuts up, for a brief moment, and opens up the doors for us to finally walk outside after we finished surviving his onslaught of his fans. We stand outside on a platform next to nothing but the big wide ocean and several platforms out in the near distance.

Leni: I give up. What now?

Once again, Deadpool shows his face on the floating screens around the platform with an important announcement.

Ultimate Deadpool: With highs in the mid-60s and the low of 75. On the bad news tip, viewers are advised to seek higher ground 'cause we're about to have a MASSIVE tidal wave tear through here. Looks like it'll be caused about five seconds from now by some nutty feathered plucker detonating a WHOLE mess of explosives underwater. Of course, the question on everyone's lips is: Who would be CRAZY enough to- Oh, wait. IT'S ME!

Rhomboid: He's going to do what now?

And then, bam, just like that, Spider-Man's head tingles throughout the brain and beyond after sensing his biggest obstacle yet, because out there vastly approaching from the distance, it's the biggest tidal wave he has ever laid eyes upon, and it's coming right for them this instant.

Ultimate Spiderman: HOLY SHIT!

Me: TIDAL WAVE!

Maria: IS HE INSANE?!

Ultimate Spiderman: Go, go, GO, GO, GO, GO!

WE RUSHED OUT AND FLEW UP INTO THE AIR!

We got out of there just in time.

Ultimate Deadpool: Unbelievable! They deserve a breather for that one! Too bad they're gonna have to race another tidal wave!

Nico: HUH?!

We see the second tidal wave approaching from more underwater explosives detonated by Deadpool.

Ultimate Spidey: Go, go, GO, GO, GO, GO, GO!

We flew higher and got out of there as the wave hit.

Qin: Close one.

Xenia: Geez!

Me: Nice try Wade!

Ultimate Spiderman: WOOO! DID IT! And I think I just peed my costume a little bit.

Ultimate Deadpool: I heard that. Again, we're broadcasting this… LIVE.

Ultimate Spiderman: Oh, great.

Sixshot: Hey, if I was wearing pants, I'd be on the same boat.

Ultimate Deadpool: Speaking of boats…

And while we continue traversing to the next tall platform, another tidal wave predictably appears. What we didn't predict is that this one puts the other two to shame from how big and utterly terrifying it looks like.

Leni: Oh. My. God.

Ultimate Deadpool: I dunno, man. I don't think that platform's gonna be high enough, do you? You remember what I said about boats a second ago. You MIGHT wanna think about catching the next boat, know what I mean? Think you can escape this and get to my platform in 1 minute?

St Patricia: Let's do our entrance as soon we get close to him!

Me: Right!

Nico: Lets go!

We went after him.

He later got to the platform and then the spirits of the actors of the world appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above the platform and then a phoenix cry was heard and we came out.

Me: Okay Wade you've had your fun. Now you got to deal with us!

Ultimate Deadpool: And here they are! Bedeviled and bedraggled, drowned but not out… the men and woman, the myths, the legends, the non-mutant superheroes

Ultimate Spidey: Do villains find me this annoyingly talkative? Uh… Don't answer that. All right, Ugly McEvilsteen! You're about to get CANCELLED!"

Ultimate Deadpool: Aaaand… cut! hat's a wrap! Great show, everybody! Great show. Here ya go kid - you earned it!

He casually tosses the webhead the fragment he and us have fought tirelessly for all day.

Nico: FINALLY!

Ultimate Spidey: Uh… thanks.

Ultimate Deadpool: Hey, fair is fair, right? BTW, what's the deal with that thing, anyhoo?

Ultimate Spiderman: Well, it's a long story. Basically it gives bad guys extra super powers, so I have to…

Me: Wait it's too easy.

But he took a closer look at the fragment, only to flip it and see the "Made in Canada" logo on the back, quickly realizing we've been tricked

Ultimate Spiderman: Wait a sec… This is a prop!

Kaos: You tricked us!

Me: I knew it was a fake!

Meanwhile, Deadpool reveals he's still in possession of the real Tablet fragment in his hand as he begins absorbing its incredible power for a new trick.

Ultimate Deadpool: OHH-HHHH, CANDY BAR! GONNA GET A CANDY BAR!

And the power he receives is perhaps the worst, most horrifying power imaginable that'll make him truly unstoppable to beat that we cannot comprehend if they could. And that is? The ability to make clones of himself. 2 of them, in fact.

WE GASPED!

Ultimate Deadpool: Snap! Crackle! Chop!

Ultiamte Spiderman: Oh god no.

Me: Three Deadpool for the price of one!

Deadpool 1: I love this! Finally, some to laugh at my jokes! Hey, what's green and makes noise?

Deadpool 2: What?

Deadpool 1: The Incredible Honk!

Deadpool 1 made a funny noise that got his clones laughing aloud while we stand there horrified of the three Deadpools. But once they're done laughing, they only have one other thing they want to do now.

Deadpool 2: KILL 'EM!

Deadpool 3: KILL 'EM!

Deadpool 1: KILL 'EM!

Tsukasa: More of you won't matter!

Final Kamen Ride: Decade!

Tsukasa became his complete form.

Synchro Up! Ohing! OK! Shonin! Rex! Rolling! Kamen Rider! Revi! Vice! Revice! Shin!

Ikki and Vice merged into Kamen Rider Revice Shin.

Me: I'll take the one with swords.

Nico: The one with the Grenade Launcher is mine.

Eddy: And I'll take the one with the blaster.

I unsheathed my sword.

Me: Boy dealing with one Deadpool is enough now we got to deal with Ugly One, Ugly Two and Ugly Three!

Deadpool 3: Pineapple surprise!

He threw grenades at Kermit, but he dodged them as they exploded.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Kermit: Say. Something does seem different about this Deadpool. So far he's only been chugging grenades at me. Not using his other weapons.

Anakin was clashing his lightsabers to block Deadpool 2's blades.

ZAP ZAP ZAP ZAP!

Anakin: This one is using his swords against me. My lightsaber is better!

I clashed with Deadpool 2.

CLANG CLANG CLANG CLANG!

Rango was firing his guns to counter Deadpool 1's own guins.

Rango: This one seems to prefer a shootout with me.

BANG BANG BANG BANG BANG!

Eddy fired laser and energy blasts from his blaster.

Ultimate Spiderman: Wait! I think I understand what Kermit is talking about. These Deadpools. They're not just clones. They're different personalities split into physical form with each one favoring their own weapon. In a way, they're weaker than when they were as one since neither of them have access to a full arsenal.

Me: That is very awesome!

Qin: It sure is.

I clashed more with Deadpool 2.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

The three Deadpools all disappear to drop numerous big bag bombs from the sky. They formed together to form a heart shape.

Nico: Incoming!

We narrowly avoided the multiple, devastating explosions from the Deadpool bombs.

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Deadpools then suddenly reappear back in the arena laughing like crazy

Deadpool 1: That was Deadpoolicious. In case you're wondering, that's my new word for awesome.

Deadpool 2: Looks like you'll live for ONE MORE DAY!

Deadpool 3: Hey, this is my taunt line.

But then he saw us in a force field dome I made and we were unscathed.

Me: Nice try!

El Oso: (Spanish Accent) Seriously, man?!

Deadpool 1: Relax. Tell ya what. If you defeat us in a specific order, I'll join your little club.

Nico: Which is?

Deadpool 2: First, guns. Then swords. And finally, grenades.

Qin: Good idea.

Deadpool 1: (fires guns at Eddy) Ever wonder if you got your own Omnitrix?

Eddy: That would be cool.

Deadpool 1: Your Sinister 12 could consist of your evil twin, Your Bro in the Iron Monger suit, Lobo, Some wacko with a bat and explosives, Jack Spicer, Control Freak, Psyphon, Crimson Dynamo, Skulker, Fracture, Electro, and Clayface!

Eddy: That would be so awesome!

BANG!

Eddy fired a blast and blasted Deadpool 1 down.

CLANG!

Deadpool 2: (clashes swords with me) The force is strong with you!

Me: The Force has ALWAYS been strong with me.

KROW!

I kicked him in the face and slashed him and cut a huge whole across his chest!

Me: Try regenerating from this.

I teleported behind him and grabbed him and snapped his neck!

Deadpool 3 got cocky and juggled his grenades only for Nico to knock him down.

The grenades then hit Deadpool 3 and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Three Deadpool were down.

They all got up.

Me: Amazed you survived all that.

Lola: Yeah!

Nico charged at Deadpool 2 and bashed him down.

I fired waves of energy and blasted Deadpool 1 and Eli fired Force lightning blasts and electrocuted him.

Qin: Yeah!

Me: Had enough?

Deadpool 1: Never!

But then Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin, Greiger, Rex Goodwin, Atomic Skull, Ben Ravencroft and Kerbero Gangan came.

Nico: Roman Goodwin, Carly Atlas, Devack, Misty Tredwell, Kalin, Greiger, Rex Goodwin, Atomic Skull, Ben Ravencroft and Kerbero Gangan.

Deadpool 1: And in this corner, we have the Dark Signers, the DC version of Radioactive Man, one of the Ganglers from Lupinranger vs Patranger, and a powerful sorecerer that only me and few others remember!

Atomic Skull: Never thought of myself that way.

Ben Ravencroft: At least some people remember me.

Qin: Yeah.

Kerbero Gangan: I was lucky enough to be in the Core MOE members.

Nico: Yeah.

Roman Goodwin: (To Nico) We heard you faced Amy.

Nico: We sure did.

Carly Atlas: Please tell me you thrashed her!

Me: We did Carly. You were there with us.

Carly Atlas: Oh right.

Then Shaidos came.

Me: Shaidos. You sure are a glutton for punishment.

Shaidos: I know.

Qin: Cool.

Deadpool 2: Anything you want to say to the cameras.

Shaidos: Um… don't stay out too late?

Me: Good advice.

The blasts all hit Ultimate Deadpool and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Ultimate Spidey charged at Deadpool 2 and grappled with him. He beat the crap out of him. When Deadpool 2 tried to slash at him, he avoided it and continued to beat the crap out of him. This continued two more times before he pushed him back.

Leni punched him in his face and pounded him.

Lincoln: Show's over, Deadpool.

That attack knocked back Deadpool so hard he starts moving around all dizzy like as he could barely hold his own footing. His two clones soon disappear as his strength and comedy drains from his body

Ultimate Deadpool: We'll be righ' back… after theesh messhages…

FWOMP!

Deadpool finally falls down to the ground, snoring loudly while knocked out cold.

Devack: Thank God that's over!

Misty Tredwell: That was actually pretty fun.

Me: He is out cold.

As we regroup, the fragment we fought so desperately fought so long and hard for emerges from his body.

I grabbed the fragment.

Me: Got it.

King Kai: Another successful mission! You get a HIGH rating for that one.

Greiger: Damn straight!

Me: You got that right King Kai.

Ultimate Spidey: Uh, just one thing… How do we get home?"

We remember we're standing in an arena out in the middle of nowhere.

Me: Lets just head back to New York.

I took out a compass and pointed north.

Me: That way.

Rex Goodwin: We can teleport out of here.

Kalin: After we drop Deadpool off at SHIELD Jail,

Me: Good idea.

Qin: Yeah.

We did so and landed back in New York City.

Nico: And that's a wrap. Awesome job, gang, we took down Ultimate Deadpool and got the next piece of The Tablet.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Luna's older brother, Logan Angmarl.

?: (ENRAGED SCREAM) LUNA, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of darkness blasts that came out of nowhere and they hit the barrier, but the dark energy volley was absorbed into us and we became even stronger than ever. Then, we saw Angmarl the Fiendish Monarch appear.

Luna Angmarl: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Angmarl skinsuit, and show yourself, Logan!

Angmarl the Fiendish Monarch vanished in a vortex of infernal darkness, and in its place stood a 6'11" tall male with black hair and dark blue and purple eyes similar as Luna's, massive muscular build, and dressed in a red prison jumpsuit: it was Logan Angmarl, the evil older brother of Luna Angmarl and the ninth of the eleven most dangerous thugs in Royal Woods.

Nico: We meet once again, Logan Angmarl.

Luna Angmarl: The ninth of the eleven most dangerous thugs in Royal Woods, I would have never thought I'd have to see your ugly face again, Logan, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Logan Angmarl: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Luna Angmarl: You're all bark and no fucking bite, Logan. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Luna Angmarl's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, darkness, nightmare creatures, fiends, phoenixes, and angels, she unholstered her massive Angmarl the Fiendish Monarch's Fiendish Darkness Nightmare Scythe of Fiendish Monarch Justice from her back, and as she approached Logan Angmarl, she left black and purple energy, stars, darkness, nightmare creatures, fiends, phoenixes, and angels with every step.

Luna Angmarl: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Logan, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Logan, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Luna Angmarl was surrounded by a massive vortex of black and purple energy with stars and darkness surrounding it, there are nightmare creatures, fiends, phoenixes, angels, and Angmarl the Fiendish Monarch flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at Logan Angmarl: the red eyes of eternal death. Then, as the vortex faded, Luna Angmarl emerged, but she was changed forever.

Luna Angmarl grew from 6'11" to 7'9" in height, she has the body of a goddess, she has purple highlights in the bangs of her long black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a black and purple energy aura with stars, darkness, nightmare creatures, fiends, phoenixes, and angels surrounding her, she has Angmarl the Fiendish Monarch with the Fiend Kanji in its hands emblazoned on her forehead and Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and holding the Fiend, Dark, Star, and Eternity Kanjis in its hands, she also has Angmarl the Fiendish Monarch with red gems for eyes and holding the Fiend, Dark, Star, and Eternity Kanjis in its hands on the bottom of her purple phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Luna Angmarl has on a short-sleeved black blouse, black sleeveless tank top, long black frilly skirt with jewels around the waist, black shoes, and long sleeveless white trenchcoat with darkness, nightmare creatures, fiends, phoenixes, and angels on the coattails and on the back is Angmarl the Fiendish Monarch surrounded by stars, nightmare creatures, and fiends. Suddenly, Luna Angmarl felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the large black feathers grew much bigger for her new body, and she now has eleven massive and long black wolf tails with purple tips and purple markings, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Luna Angmarl's massive Angmarl the Fiendish Monarch's Fiendish Darkness Nightmare Scythe of Fiendish Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, nightmare creatures, fiends, phoenixes, and angels, and when it emerged, it was transformed into Luna Angmarl's Fiendish Darkness Monarch Angmarl the

Fiendish Monarch Fiendish Demon Darkness Phoenix Angel Scythe of Darkness Phoenix Fiendish Monarch Angmarl Justice, it's a brand-new massive scythe measuring at 8'6" in length with embedded purple gems and Angmarl the Fiendish Monarch etched on the 8'0" massive, wide, curved blade with large purple dragon head on the tang, large white angel faces built into both sides of the heel, longer midnight black handle, four black phoenix heads with red gems for eyes and large purple phoenix head with purple gems for eyes and a large yellow gem in its mouth on the bottom of the phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Angmarl the Fiendish Monarch's head with red gems for eyes and large purple gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Angmarl the Fiendish Monarch that said, "Luna Angmarl, Gene-Slammer of Angmarl the Fiendish Monarch, Duchess of Nightmares, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Billy McLean, Archenemy of Kaminari Kogoro, Destroyer of Logan Angmarl, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of Darkness, Fiends, Nightmares, Phoenixes, and Angels"

Suddenly, Luna Angmarl's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Luna Angmarl has transformed into SUPER ANGEL-ANGMARL THE FIENDISH MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA FIENDISH DARKNESS ANGEL FIENDISH DARKNESS ANGMARL THE FIENDISH MONARCH PHOENIX MONARCH ANGEL OF DIVINE FIENDISH DARKNESS ANGEL FIENDISH DARKNESS ANGMARL THE FIENDISH MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE FIENDISH DARKNESS ANGEL FIENDISH DARKNESS ANGMARL THE FIENDISH MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Luna Angmarl's Super Angel-Angmarl the Fiendish Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Logan Angmarl saw it, he went fucking mad with rage and transformed into Angmarl the Fiendish Monarch and fired blasts of darkness at her, but she absorbed them and it made her stronger, and she fired a massive barrage of black and purple energy, darkness, nightmare creatures, fiends, phoenixes, and angels at Logan Angmarl, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, HELL'S FURY IS ABOUT TO BE UNLEASHED!

Lincoln: Awesome, Luna Angmarl's transformed into her Super Angel-Angmarl the Fiendish Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Logan big time, and now, it's high-time we got rid of you for good, Logan.

Luna Angmarl: (Divine Echoing Godly Voice of The Divine Fiendish Nightmare Darkness Phoenix Angmarl the Fiendish Monarch Phoenix Angel and Divine Fiendish Nightmare Darkness Phoenix Angmarl the Fiendish Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Luna Angmarl.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Logan, but I take comfort knowing when I get married to Luna in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Luna Angmarl and Lincoln went after Logan Angmarl who continued firing light blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Logan Angmarl and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatsword and scythe leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Luna Angmarl also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Logan Angmarl even madder than ever!

Logan Angmarl: I'LL FUCKING KILL YOU, STINKOLN!

Logan Angmarl fired more darkness blasts at Lincoln, but he absorbed them and it made him even more stronger as his darkness aura became more ferocious. Then, Lincoln drove his massive greatsword into Logan Angmarl's stomach and he began sucking out and absorbing the darkness powers he'd gotten when he Gene-Slammed himself into Angmarl the Fiendish Monarch along with his massive muscle mass and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed and halo with four orbiting golden rings glowed, and that caused Logan Angmarl to revert back to normal, but now, he was thin as a rake and he was really weak.

Lincoln swung his massive greatsword and sent Logan Angmarl flying into the air, then, Lincoln and Luna Angmarl fired powerful blasts of darkness at Logan Angmarl, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Luna Angmarl and Lincoln did as they holstered their massive greatsword and scythe and powered down, and Luna Angmarl's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, gold halo with four orbiting gold rings around the halo's corners behind her head, and massive black angel wings are permanent.

Luna Angmarl: Burn in The Black Gates forever, Logan. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Luna.

Suddenly, Luna Angmarl wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Luna Angmarl's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Angmarl the Fiendish Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and fiends shining down on them and we cheered wildly. Then, Lincoln and Luna Angmarl sucked in and absorbed the elemental forces and darkness and fiends and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Logan Angmarl, but we still got two more of those thugs to deal with.

Alina Kuraz: Which means tomorrow, it's Aaron Kuraz's turn to die.

Lincoln: Aaron isn't getting out of this, and I hope you burn him with the fiery intensity of the sun, Alina.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's another one for the Embodiments of Organization XIII: Marcella Marluxia, Keyblade Knight of The Castle of Dreams and Embodiment of Marluxia, The Graceful Assassin of the 11 Colors of Flowers.

Sora and his friends gasped.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Marcella Marluxia is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of lightning, and she harbors a very very nasty hatred towards Lady Tremaine and her evil daughter, Drizella, for what they did in subjecting Cinderella to so much physical and psychological abuse, along with what Lady Tremaine did in murdering Cinderella's father so she could get his wealth and kill Cinderella, but she also knew Anastasia Tremaine is finally on the side of good and cut ties with her sister and mother, and if she ever saw Lady Tremaine and Drizella ever again, she swore to kill them and have Dana Orichalcum send them to The Black Gates.

Ella Tremaine: So, she's not the only one who wants that monster and her daughter dead.

Nico: Damn.

Lincoln: And like the other Organization XIII, Marcella also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Marluxia and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Selene Emperyous: You got that right, and she came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Wow.

Eli: If Lady Tremaine and Drizella dare to come back, if Marcella or Ella find out, blood will be spilled.

Nico: (GULPS) It'll be Bloodbath City.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true. Me: But we did great.

Laney: It sure was.

Nico: Yep. Great job everyone. Number 8 down.

Xenia: Yep.

Spiderman: (To the viewers) This was a really crazy one.

Me: It sure was.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

TO BE CONTINUED…

Lola: I wonder what is the problem at the Bagge house this time.

Lana: We'll find out soon.

Camie: This sounds like something of great importance.

Xenia: Yeah.

Me: I hope Courage and family didn't get hurt.

Varie: Me too.

Nico: Yeah that's the last thing we want.

Laney: No kidding.

Leni: But they will be fine.

Avian: I know they will be okay.

Maxxine: Yeah I agree.

Nico: Maxxine, I want to thank you, Mummy, and your teams for coming.

Maxxine: No problem Nico. It'll be so fun to help out.

Sougo: It's awesome having you with us sis.

Maxxine: It sure is.

Mokunaii XI: I'm looking forward to this.

Camie: Yep.

Nico: Mokunaii, remember when we met you in 2021?

Mokunaii XI: I sure do. That was during J.D.'s rescues.

Qin: That was so awesome.

Lola: Yeah.

Me: Those were really fun back then. I had a lot of fun doing all those.

Nico: You sure did.

Camie: Those were awesome to hear about.

Nico: You and Atem get along great.

Mokunaii XI: I sure do. Same with Eli. He is Atem's son after all.

Eli: It's true. And it's awesome.

Nico: That is true.

Me: Yeah it sure is.

Laney: Yep.

Leni: Boy yesterday's mission was a totes cray cray one.

Me: Boy no kidding! That version of Deadpool was a wild one.

Nico: I actually had fun with that one.

Me: Me too!

Pinkie Pie: That was an amazing and fun battle.

Nico: No kidding. J.D. it's amazing you can regenerate faster than Deadpool.

Me: I'm amazed myself.

Xenia: Yeah.

Lola: Boy I would hate to be Ship Org when he does that to you.

Me: Me too.

Camie: Ship Org did that to you!?

Me: Yep. He slashed off my leg. But I regenerated it.

Xenia: It's true.

Maria: That wasn't like Adrena Lyn's version at all.

Me: Maybe not. But it did bring back memories of it.

Qin: It sure did.

Lola: That was an awesome one.

Camie: It sure was.

Laney: Yeah no kidding.

Nico: And Leni you did a good job leading there.

Leni: Thanks Nico. I totes had a lot of fun.

Qin: We all did.

Jamesdean5842: Boy that version of Deadpool really did a lot of 4th Wall Breaking there.

Xenia: Yep.

Nico: But you never did answer Deadpool on whether your severed arm would grow into another you.

Me: Oh right. No I didn't. I was so caught up in the fought. Lets see.

I unsheathed my sword and then SLASHED MY OWN ARM OFF!

Nico: J.D. are you fucking crazy!

I regrew my lost arm.

Nico: Oh right I forgot.

But then my severed arm disintegrated.

Me: Nope.

Nico: Wow. Make sure no one gets their hands on it.

Me: Yep.

Lincoln: Okay, everyone, we've got ourselves a huge emergency, I just got word from Courage and Francesca that Conway the Contaminationist has turned the farm into a nasty cesspool of garbage and filth again!

Bai Tza: What?! Again?!

Nico: Gross!

Me: OH YUCK!

Lana: Cool!

Lincoln: And it gets worse: I just got word from Dad that Bubble Bass has escaped from his shackles at the restaurant, and even worse news that you're not going to like, Catherine: it was from one of your old enemies.

Catherine Windsor: (GASPS) (British Accent) What?! One of my old enemies freed that gluttonous bag of fish paste?! If it's who I think it is, then, you and I are going to rip that bastard to shreds!

Tabby: Along with cleaning up Conway's act and sending him back to The Masters of Evil and sending Bubble Bass back to Lynn's Table.

Lincoln: First, let's clean up the farmhouse and send that pig back to The Masters of Evil, so they can clean up his act.

Me: Lets go see how bad it is first.

We headed for the farmhouse, and like Lincoln said: Conway the Contaminationist turned the farm into a nasty cesspool of garbage and filth again!

WE GASPED!

Me: OH GOOD GOD!

It was a MASSIVE AND DISGUSTING FILTHBUCKET!

Qin: OH THIS IS VOMITVILLE!

Lola vomited.

Rarity: OH NO NONO NO! I'm not setting foot on a place like this.

Lincoln: Here Rarity.

He picked her up and carried her Bridal Style.

Rarity: Oh why thank you Linky darling.

Me: Aww so cool.

Nico: Lets go see how bad this is.

We went into the farmhouse and what we saw REALLY DISGUSTED US TO THE BRINK! THE WHOLE PLACE WAS A MASSIVE DUMP! There was garbage, sludge and filth EVERYWHERE!

Me: OH GOOD GOD!

Francesca: Oh thank goodness you all came!

Courage: Yeah no kidding!

Nico: What the fuck happened in here!?

Eli: Did your plumbing system throw up!?

Francesca: It's Conway! He's back!

Nico: We know.

Francesca: I tried to stop him but his filth is too strong.

Eustace: (Weak Voice) Oh hey guys.

Muriel: (Weak Voice) You guys have to save us.

Me: Good god you two look HORRIBLE!

Conway came with a barrel of radioactive waste.

Me: Conway the Contaminationist?

We saw that he was a REALLY REALLY old man that looked like he had clothes from almost 200 years ago.

Conway: The famous Team Loud Phoenix Storm. What do you think of my health benefits for this?

Me: You call THIS BEING HEALTHY!?

Nico: This place is fucking filthy!

Francesca: YEAH! You turned our entire farm into a cesspool!

Conway: It's a great feeling! Especially for me. Would you believe I'm 214 years old?

All of us: WOW!

Nico: You lived for so long thanks to all this!?

Me: But that's impossible! That would mean that you were born back in the year 1809!

Eli: How in the world is that possible?

Varie: That's what I want to know.

Conway: It's the benefits of filth.

Me: We know the feelings of living that long. But unlike you we live by being clean and healthy.

Conway: Because you're all immortal.

Me: Yes we are immortal. But we didn't get that way because of filth.

Nico: Yeah.

Aylene C.: What you're doing to this place is too much.

Lincoln: And Rarity here can't STAND Filth and being dirty!

Rarity: That's right! I hate being dirty and filthy!

Courage: Welcome to my world Rarity.

Lola: Same here.

Muriel: Help us guys.

Me: Hold on Muriel!

Francesca: I'll gladly help you out1

So we got to work straight away as Courage made a machine out of the parts of Conway's plane and Lincoln put a durable and indestructible balloon at the end. Then, Courage pressed the remote control and the machine activated and cleaned up the mess in front of the farm and trapped it inside the balloon.

Me: Wow! That is a powerful vacuum.

Nico: Nice job Courage.

Qin: Yeah.

Francesca: That was awesome.

Conway: You know what? I bet that Lana girl would like all this instead of having your reactions!

Lana: Hey I may like all things filthy but this is going too far. Even for me I too have my limits.

Nico: Now we just got to get the filth out of the farmhouse.

Me: I got an idea.

I set up one of those health bubbles and then attached the vacuum to the entrance of it.

Me: Okay.

Then, we proceeded with the inside of the farm.

Me: Here we go.

Eli: Ready!

Me: Contact!

Courage activated the machine and it sucked out all of the filth in the farm and into the balloon, and Courage and Francesca caught Muriel and Eustace, but as for Conway, they didn't catch him and he was sucked inside the balloon full of filth.

We deactivated the machine and Muriel and Eustace breathed in fresh clean air and were restored to normal health.

Muriel: Oh my! I haven't felt this good in days.

Eustace: Yeah.

Me: Are you guys alright?

Muriel: Thanks to all of you guys.

Francesca: Boy that was crazy.

Conway the Contaminationist: Help! Get me out. (Realizes something) Well, you know, it's not so bad in here, nice and polluted. (Coughs)

Courage tied up the balloon.

Muriel: Well, now Conway can live the way he wants like a pig.

Me: Back at M.O.E. HQ.

Courage set the balloon free and right into a portal that led to The Masters of Evil's HQ, and Lincoln had explained to Vypra of what Conway did, so he was in big trouble.

Lincoln: That should do it. Now, to get a shower.

Lincoln summoned a massive rainstorm and we all got poured on by heavy rains which washed all of the filth off and we were clean and fresh.

Nico: Nice one, Lincoln.

Lincoln: You're welcome.

Me: Ahh. Thanks Lincoln.

Eddy: Sockhead has had one of those days before.

Nico: I heard.

Lola: Yeah like when he couldn't take a shower and lost his mind.

Qin: Or he was covered in raw sewage because of Mole Mutants.

Eli: WHEW! No kidding there. The guy loves being clean.

Lincoln: Yeah.

Lincoln put Rarity down.

Rarity: Oh thank you Lincoln for keeping me clean.

Lincoln: Anytime Rarity.

Muriel: I can't believe we were lead to becoming so filthy and dirty like that.

Me: Muriel, Eustace, you don't need to be filthy and dirty to live forever. You already have all that on your own with us.

Eustace: You're right guys.

Nico: (smiles at Eustace) Well, look at you in a good mood today.

Eustace: Don't get used to it. Better to be clean than being filthy like a stupid filthy dog.

Nico: Welcome back Eustace.

Lola: Yeah.

Lincoln: Now, to get after Bubble Bass. (Sensed for Bubble Bass) AHA! Gotcha! That gluttonous tub of Fish Paste is 20 yards away and he's closing fast and he's pretty steamed by what we just did. (Sensed one of Catherine Windsor's enemies) And I also caught the bastard who helped him escape. (Found out who it is) Oh shit, not him! Catherine, the one who freed Bubble Bass is none other than Adrian Langston.

Catherine Windsor: (British Accent) What?! That bloodthirsty murderous traitor to England and the enemy of our family! He was the one who freed Bubble Bass! I'll kill him!

Nico: Whoa! I've never seen you get this fired up, Catherine, and who is Adrian Langston? You called him a bloodthirsty murderous traitor to England and enemy of your family, so he did something to piss you and your family off.

Me: Who is Adrian Langston?

Lincoln: He's done tons of things to piss Catherine and her family off, but I think you should hear it from me since Catherine told me about this bastard. Adrian Langston, he's a descendant of one of England's monarchs, but he's no nobleman or brave warrior, he was a cruel remorseless sadistic bastard with a penchant for murdering people who got in his way and he had an insatiable thirst for blood and destruction. He was absolutely jealous of Catherine Windsor and her family so much so that he's tried numerous attempts to kill them all, but thanks to the royal guards, all his murderous plots were foiled, and Catherine did the one thing that forever got that bastard labelled a traitor to England: she broadcasted all of Adrian's crimes and murderous schemes to all of England, and soon enough, the cries of outrage and hatred for Adrian Langston were heard throughout The British Isles and all of England wanted the heads of Adrian Langston and his family, who also helped him in his plots. In the end, Adrian Langston was arrested and sent to prison for the rest of his miserable life, and as for his parents, his cousins, and his brother and sister, they were forever declared outcasts and traitors to all of England and Catherine Windsor banished them to the wilds of The English Moors. Stripped of their power and wealth and forever labelled as outcasts of England and forever filled with bitterness, hatred, and resentment towards Catherine Windsor and her family, Adrian Langston's parents, cousins, and his brother and sister committed suicide by drinking wine laced with the poisonous water hemlock. The news of their suicides reached Adrian in his prison, and he went mad with rage and hatred and he swore one day, he'd break out of prison and he would kill her and her entire family along with killing every single person in England and burn all of England to the ground!

We gasped.

Nico: Oh shit! This guy is absolutely fucked-up crazy to the infinite power!

Francesca: This guy sounds like he is dangerous!

Qin: Yeah!

Lincoln: And we called him the male version of Lila Rossi, which fits him perfectly. So, Adrian was the one who freed Bubble Bass after he busted out of prison. That's it, the streets of England will run red with his blood!

Lola: Yeah.

Chloe Bourgeois: It doesn't help that he shares the first name of the Adrian that Marinette knows and loves!

Lincoln: Actually his name is spelled differently. It's spelled A-D-R-I-A-N.

Me: The Adrien we know has an E in it.

Chloe Bourgeois: Oh! That's completely different.

Me: Just because they share the same name doesn't mean that they are biologically related or similar.

Nico: He's right.

?: You pathetic losers will pay for humiliating me!

Lily: Yeah, up yours, Bubble Butt!

We then saw our first target, Bubble Bass, and boy was he really steamed up.

?: (NTH-DEGREE FUCKED UP ENRAGED SCREAM) YOU WILL ALL DIE FOR RUINING EVIL'S GLORIOUS PLANS TO DESTROY THIS MISERABLE PLANET, TEAM LOUD PHOENIX STORM! AND I WILL FUCKING KILL YOU AS WELL FOR THE DEATHS OF MY ENTIRE FAMILY, YOU UGLY BITCH!

Catherine Windsor: (British Accent) And there's no mistaking that enraged voice from anywhere!

We then saw our second target: he was a male with brown hair, pale-looking skin, he had red eyes full of murderous hatred and wanton desire to spill blood and cause destruction, and he was dressed in tattered clothes befitting a fallen nobleman: it was Adrian Langston, the murderous bloodthirsty traitor of England. He got out a bazooka and fired a missile at us, but Lincoln made a massive and powerful diamond barrier protecting all of us and the missile hit the barrier and exploded, but not a single dent was made, and that pissed him off. Adrian Langston continued attacking the barrier in his fit of murderous bloodthirsty rage, first, he tried shooting at it with machine guns, but it didn't work, and then, he tried to hit it with his fists, and that didn't work either, but his fists were really bloody, and she tried to stab it with a knife, but the knife broke: ADRIAN LANGSTON WAS ABSOLUTELY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL US AND CATHERINE WINDSOR!

Nico: WHAT A FUCKED-UP CRAZY PSYCHOPATHIC BLOODTHIRSTY ASSHOLE!

Bubble Bass: What are you doing?! You can't even make a single dent in that?!

Bubble Bass chugged a whole truck of Fizz Bomb soda. Suddenly, his stomach rumbled as the sound of a gun being cocked was heard, and then…

MONSTROUSLY LOUD BELCH!

Bubble Bass let out a monstrously loud belch at the barrier, but the barrier had no dents as always.

Me: GEEZ! WHAT A BELCH!

Adrian Langston: STAY OUT OF MY FUCKING WAY! THEY'RE MINE TO KILL!

Adrian Langston stabbed Bubble Bass in the stomach and kicked him away as blood red rubies came out of his wound.

Lincoln: Okay, I may not care for Bubble Bass because he's a jerk, but I refuse to let you live a single second more, Adrian!

Lincoln fired two diamond balls at Adrian Langston and Bubble Bass which hit them in the face and stomach and sent them flying onto the ground and Lincoln deactivated the barrier and we stood ready to fight Adrian Langston and Bubble Bass, who got back up, but Adrian Langston is now even more out of control and completely bat-shit rage crazy insane!

Adrian Langston: I'LL KILL YOU! I'LL FUCKING KILL ALL OF YOU!

Lincoln: We're immortal, stupid! You can't kill us!

Tabby: But, unlike with Bubble Bass, we're so going to enjoy killing you.

Nico: I admit you came close, Bubble Ass. But not close enough!

Bubble Bass: It's Bubble BASS You ingrate!

Then Bubble Bass drank more Fizz Bomb Cola and then…

MONSTROUSLY LOUD BELCH!

He belched right in Nico's face at point blank range and the belch ripped the skin off his face and head and showed his skull!

Nico: You are a disgusting fish! When was the last time you brushed your teeth?

He regenerated his skin, muscles and stuff.

Me: Also you call that a belch?

Nico: THIS is a belch.

Nico drank a gallon of soda and then…

EXPLOSIVELY LOUD SUPER MONSTROUS LOUD BELCH!

Nico belched in Bubble Bass's face so loudly that it ripped his clothes, skin, muscles and organs off! Leaving only his skeleton!

Nico: Top that!

The curse Bubble Bass had caused him to have an incredible deluge of gold bars and jewels explode out of him as he was fully back to normal.

Eustace: Oh! GOLD AND JEWELS! I'm rich! I'm rich!

Me: All yours Eustace!

He took all the gold bars and jewels.

Bubble Bass then took a deep breath. But then…

Tiny pathetic Weak Burp.

Nico: Now who is the Burping Champion.

Bubble Bass CRIED LIKE A PATHETIC LITTLE TWO YEAR OLD!

Xenia: What a baby!

Suddenly, Tabby's eyes turned neon purple and she was surrounded by a sunlight yellow energy aura with rainbow lights, stars, leaves, plants, phoenixes, and angels, she unholstered her massive Tabby's Rock Star Solar Rainbow Plant Cosmic Greatsword of Solar Rainbow Plant Phoenix Iris' Justice and as she approached Adrian Langston, she left sunlight yellow energy, rainbow lights, stars, leaves, plants, phoenixes, and angels with every step.

Tabby: You absolutely make sick to no end, Adrian Langston! You've already shown that despite you are a descendant of English royalty, you showed your true colors: the true colors of a psychopathic, sadistic, monstrous psychopath with an insatiable thirst for blood and destruction, and like those before you, it's time for you to die! But, you, Bubble Bass, you're going right back to prison for good, you gluttonous bag of fish paste!

Suddenly, Tabby was surrounded by a massive vortex of sunlight yellow energy with rainbow lights, stars, leaves, and plants surrounding the vortex, there are phoenixes and angels flying around the vortex and in the vortex is a purple phoenix with red eyes glaring at Bubble Bass and Adrian Langston: the red eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Tabby's massive Tabby's Rock Star Solar Rainbow Plant Cosmic Greatsword of Solar Rainbow Plant Phoenix Iris' Justice, and then, it glowed, and then surrounding the massive vortex of sunlight yellow energy with rainbow lights, stars, leaves, and plants surrounding the vortex, there are phoenixes and angels flying around the vortex and in the vortex is a purple phoenix with red eyes glaring at Bubble Bass and Adrian Langston: the red eyes of eternal death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF TABBY AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOU'RE GETTING A SEVERE THRASHING ONCE MORE, BUBBLE BUTT, AND DEATH'S COMING FOR YOU, ADRIAN LANGSTON!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO TABBY! THEN, AS SOON AS THE VORTEX FADED, TABBY EMERGED FOREVER CHANGED!

(LOUD HOUSE INSTRUMENTAL INTRO PLAYS)

Tabby grew from 7'5" to 7'9" in height, she has the body of a goddess, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has pink highlights in the bangs of her long black hair with purple highlights gelled upwards and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner, she has neon purple eyes and purple eyeshadow and a sunlight yellow energy aura with rainbow lights, stars, plants, leaves, phoenixes, and angels surrounding her, she has a phoenix and the sun of Iris emblazoned on her forehead with Third Eye with purple iris, she has on phoenix earrings with pink gems for eyes and holding the Light, Plants, and Eternity Kanjis in its claws, she also has a phoenix with pink gems for eyes and holding the Light, Plants, and Eternity Kanjis in the claws on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Tabby has on an aubergine jacket, mini t-shirt with horizontal stripes, pink checkered skirt, white platform boots, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with rainbow lights, plants, leaves, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by plants, leaves, rainbow lights, and stars. Catherine Windsor: (British Accent) I will also join in as well. There's no way I'm letting Adrian get away, he must die!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Lemon Zest, Tabby, and Catherine Windsor, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln, Lemon Zest, Tabby, and Catherine Windsor went after Bubble Bass and Adrian Langston, who went Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, crimson red energy, light pistachio, pale, light grayish green, and light brilliant lime green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-

The brutal attacks caused massive tons of gold, jewels, gems, and other currencies to explode out of Bubble Bass, and that was also combined with the attacks we've given that glutton along with what we did to him when he came barreling towards us, and that knocked him down easily and Lincoln and I fired gold and red spider silk and tied him up and Lincoln sent him back to Lynn's Table, and now, all that's left was to destroy Adrian Langston.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Tabby, Lemon Zest, and Catherine Windsor attacked them with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Adrian Langston mad and he was becoming EVEN MORE ANGRIER BY THE SECOND! AND THEN, HE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND HE WAS FOAMING AT THE MOUTH EVEN MORE!

Adrian Langston: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL AND SPIT ON YOUR FUCKING GRAVES! AND I WILL BURN ALL OF ENGLAND TO THE GROUND!

Maxxine: Make them pay!

Lincoln: With pleasure!

Adrian Langston ran at Lincoln, Lemon Zest, Tabby, and Catherine Windsor now completely crazy and now out of her mind, but Lincoln, Lemon Zest, Tabby, and Catherine Windsor kicked him into the air and Lincoln summoned a storm, and Adrian Langston was electrocuted severely with lightning strike after lightning strike and he crashed onto the ground. Then, Lincoln grabbed Adrian Langston and he unholstered one of his Sickle Swords of Hinon and he then sliced him across the stomach with his sickle causing him to bleed profusely, then, Lincoln lifted Adrian Langston up above his head and let all of his blood pour onto his face and body, and he drank some of Adrian's spilled blood and his body absorbed all the excess blood spilled and he threw Adrian Langston's body into the air where Lincoln fired a blast of fire which incinerated Adrian's body and sent him to The Black Gates forever along with his parents, brother, sister, and cousins who were in Hell.

Catherine Windsor: (British Accent) Good riddance forever to you and your damned family, you good-for-nothing parasite! Your days of threatening England are over!

We all cheered wildly as Lincoln, Lemon Zest, Tabby, and Catherine Windsor holstered their massive greatswords on their backs and powered down, and Lemon Zest's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer light pistachio tail with pale light grayish green and light brilliant lime green streaks, long pale light grayish amaranth horn, and massive pale light grayish amaranth angel wings wings are permanent, Samey's new new body, clothes, gold halo, weapons, jewelry, Third Eye, and massive dark blue angel wings are permanent, and Tabby's new body, clothes, gold halo, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Catherine Windsor: (British Accent) You're finished forever, Adrian Langston, and you're done running loose, Bubble Bass.

Suddenly, Tabby and Lemon Zest felt wobbly and she was about to faint, but Lincoln caught them in his massive and powerful muscular arms.

Lincoln: You and Lemon Zest okay, Tabby?

Tabby: I'm a little dizzy from that.

Lemon Zest: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave Bubble Bass quite the beatdown and made him fall like a ton of bricks.

Eli: Yeah!

Nico: That blubber-butt glutton had no chance, and you guys really laid quite the vicious beatdown on Adrian Langston and sent him straight to The Black Gates.

Lincoln: Along with his parents, cousins, brother, and sister who were sent to Hell for their crimes and after they committed suicide years ago.

Me: Good riddance.

Catherine Windsor: (British Accent) Now, we are finally rid of Adrian Langston and his entire family, the traitors of England are now no more.

Tabby: You said it.

Lemon Zest: He and his family deserve only death.

Me: Boy Adrian and his family had to be the worst ever traitors in England's history since Kim Philby.

Qin: Yeah.

Catherine Windsor: Oh they were that dangerous J.D.

Me: But it's good they are gone forever.

Suddenly, Lemon Zest wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Lemon Zest's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a

Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Lemon Zest sucked in and absorbed the elements.

Then, Lincoln and Tabby absorbed the lights and they came back to us as the display vanished.

Lincoln: I still can't believe that rotten black-hearted monster was the one who freed Bubble Bass. He may have planned this, but his thirst for blood and destruction along with his desire for revenge had blinded him to the fact that we're immortal and invincible and we easily take down jerks like Bubble Bass and destroy monsters like him.

Me: You got that right.

Nico: And if we run into anymore of Catherine Windsor's enemies, then, death awaits them as well.

Catherine Windsor: (British Accent) You said it.

Me: That is for sure.

Maxxine: Nice job!

Lemon Zest: Thanks Maxxine.

Me: Boy that was awesome.

Nico: It sure was.

Qin: I had no idea that Catherine had a MASSIVELY huge enemy over in England.

Me: Yeah that was crazy.

Nico: No kidding.

Catherine Windsor: But thank you guys for helping me destroy him and his family.

Me: Yeah she is permanently sick because of that.

Nico: Poor girl.

Sadie Mae Swamp: I have the powers of the swamp and I can turn use swamp mud to suck people into the ground.

Me: That's very similar to Caribou.

Sadie Mae Swamp: It sure is.

Tessa Totem: And I have the powers of all the spirits of the Totems of Alaska and all the Animal Spirits of the world.

Nicole: Wow! You would really get along great with my niece Isabel. She is the shaman of the team and knows so much about the animal spirits.

Tessa Totem: That is cool.

Nico: It sure is.

Me: By the way is the Another Mummy friendly or hostile?

Sadie Mae Swamp: She is friendly y'all.

Qin: Cool.

Tessa Totem: And she is a really interesting one.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and separated from the Anothers!

Cole: Lets do it!

Wild Force Rangers: WILD ACCESS!

They transformed and were ready!

Cole Evans: "Blazing Lion! Red Lion Ranger!"

Taylor Earhart: "Soaring Eagle! Yellow Eagle Ranger!"

Max Cooper: "Surging Shark! Blue Shark Ranger!"

Danny Delgado: "Iron Bison! Black Bison Ranger!"

Alyssa Enrilé: "Noble Tiger! White Tiger Ranger!"

Merrick: "Howling Wolf! Lunar Wolf Ranger!"

Kendall: Magnificent Peacock! Aqua Peacock Ranger!

All: "Guardians of the Earth, United we roar! Power Rangers Wild Force!"

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Nico: This is gonna be awesome!

Me: Lets do it!

I went Super Angel!

Me: OH YEAH!

Another Ship Org: I'll send ye all to Davy Jones Locker!

Me: Bring it on! It's payback time for slashing off my leg!

Nico: Lets dance!

Cole: LION BLASTER CANNON MODE!

He summoned the Lion Blaster and it was ready!

Me: FIRE!

We fired a massive blast of energy and elements and the blasts all hit the Orgs and then…

EXTREMELY MASSIVE EXPLOSION OF FIRE!

Nico: OH YEAH! You orgs have failed this world!

I caught their Wonder Ride Books.

Mokunaii fired an energy wave and blasted the Another Mummy of Anhk-Ha and I caught the Wonder Ride Book for him.

We powered down.

Me: That was fun! Huh?

I saw the Wolf Mask on the ground and I went and picked it up.

Me: The Wolf Mask. I remember this all too well. Merrick this brings back memories right?

Merrick: It sure does. That's the mask that made me turn into Zen-Aku.

Me: Boy I remember that all too well. That was awful that happened to you.

Merrick: I know.

Me: Here Riley.

I gave her the Wolf Mask.

Riley Anderson: The Wolf Mask?

Me: Little trophy for you and to always have with you to show that you battle Zen-Aku.

Riley Anderson: Cool!

Nico: That was fun!

Me: Boy it sure was!

Eli: Boy that had to be an all time record!

Me: The most Power Rangers monsters destroyed in one fell swoop.

Eli: Yeah.

Nico: But that was awesome.

Cole: Boy it sure was.

Qin: I'll say!

Maria: Time for backup! (TURNS DIAL) ELEPHANT FORCE 6!

She summoned Trumbipular, Sindbad, 2021 Kraid, Elephant

Undead, Bat Man and Flonk!

Nico: OH YEAH!

Mummy: This will be so fun.

Lola: Yep.

Trumbipular: Whoa!

They saw fires all over.

Trumbipular: Boy what a battle.

Me: Lots of Anothers.

Qin: Yep.

Flonk: Boy that is awesome guys.

Me: It sure is.

Nico: Now, we wait.

But then…

---

We saw streaks of purple lightning streak across the sky.

Me: Wow!

Qin: Purple Lightning!?

Nico: WOW!

Mummy: Wow! But this isn't Dr. Viktor's work.

Me: No you don't have purple lightning powers.

Laney: And she is not a Transylian.

Me: Yeah.

Nico: Although the old days involving you involved purple lightning.

Mummy: Yeah it's how me and my team got around thanks to Dr. Viktor.

Me: There!

We saw a figure come out and it was ANOTHER MUMMY! Purple Lightning was surging all over her!

Me: WOW! The purple lightning coming off of this one is intense!

Qin: That is intense voltage!

Another Mummy: (In a girls voice) It sure is electrifying.

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and purple eyes and had purple angel wings that were surging with intensely powerful purple lightning and she had purple clothes and she had a tiara with the symbol of the Plasma Dopant on it and the same symbol was on her skirt and she had an intensely powerful sword of purple lightning.

Me: (GASP!) Pika Plasma!? Whoa!

Pika Plasma: Awesome to see you again J.D.

Me: Same here. Pika Plasma is the Embodiment of the Plasma Dopant and she has incredibly intensely strong purple lightning powers.

Nico: WHOA! That is powerful!

Eli: Yeah!

Pika Plasma: It sure is. And it's because not only am I the embodiment of the Plasma Dopant but I'm also the gene-slammer of a Loboan, Thep Khufan, Transylian and an Ectonurite.

We gasped!

Qin: WHOA!

Laney: That is incredible!

Pika Plasma: It sure is. The reason is that I had a fatal blood condition and I had to receive a transfusion of blood from all 4 of those creatures. And it worked. But as an unexpected side effect I got all their powers. Purple Lightning and Lightning Manipulation, Sonic Howls, Bandage Control and Intangibility and more .

Mummy: Wow! So you have all my powers along with Yenaldooshi, Dr. Viktor and Zs'Skayr's powers! That is amazing!

Brittney: Like a true queen of the Monsters of Horror.

Pika Plasma: I know.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Pika Plasma: No he didn't actually. I used my Intangibility to fly out of there before he could say anything.

Qin: Wow!

Me: That is awesome that you have all the powers of the creatures of the planets of the Anur System.

Riley Anderson: Ben told me so much about those planets and how he went there before and they are scary.

Lola: Yeah they sure are.

Pika Plasma: I can tell. Sorry we have to fight like this.

Me: No worries.

She turned into Another Mummy.

Mummy: You know what's crazy was is that I was sent to get Corrodium for a powerful darkness ray to block out the sun for Zs'Skayr to rule the world.

Another Mummy: I heard about that. That was amazing.

Camie: What is Corrodium?

Riley Anderson: Corrodium is an intensely powerful radioactive mineral that's used as a powerful and extremely unpredictable energy source. It comes from the Anur System. It also has an incredibly powerful side effect and it mutates anything that is exposed to it.

Mummy: She's right.

Camie: WHOA! That is deadly stuff.

Me: It sure is.

Kaito and Zocks: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Nico: Time to keep this UNDER WRAPS! (ACTIVATES MUMMY AND MUMMY OF ANHK-HA'S RIDEWATCHES)

He fired bandages and tied her up.

May: Time for some fun! (ACTIVATES MR. MAGIC PIERROT AND FEROCIOUS FINS RIDEWATCHES)

She fired waves of energy and blasted her all over.

Maria: And this fart stack! (ACTIVATES LORD PEEL AND FAT BASTARD'S RIDEWATCHES)

She fired energy and blasted her all over.

Mokunaii XI: This will be fun. (ACTIVATES MUMMY OF ANHK-HA'S RIDEWATCH)

She wrapped bandages around her.

Then Whiplash, Evil Snake, Gold Monster, Fleurina, Penguin and Jack came.

Nico: Nice team Whiplash!

Whiplash: Thanks Nico!

Me: Awesome!

?: Boy it sure is!

?: I agree!

Then out came a Gholdengo and a girl with blue hair with had blue eyes and had blue clothes and blue angel wings and she had a device on her arm.

Nico: COOL!

Me: WHOA! A Gholdengo and I don't believe we met.

Mina Mega: Mina Mega is my name and I'm the gene-slammer for Mega Man.

We gasped!

Qin: WHOA! Mina awesome to see you again.

Mina Mega: You too Qin and Nico it's awesome to see you again.

Nico: Same here.

Gholdengo: (In a girls voice) Good to see you too Nico.

Nico: Elinara Midas!? Whoa!

She reverted back and was a girl with yellow hair and yellow eyes and had golden clothes.

Elinara Midas: We got this.

Mina Mega turned her hand into a powerful energy blaster and they both fired energy blasts and blasted down Another Mummy and I caught the Ridewatch and purified it. I brought Pika over.

Nico: WHOA!

Qin: That is cool!

Mina Mega: But my old clothes ripped when I got Gene Slammed. So, yeah. I'm gonna be naked when I revert back.

Me: Oh boy.

Nico: But you are the first Robot for Mega Man Gene-slammer we met.

Qin: Yeah.

Me: That is awesome.

Mina Mega: It sure is. And like Mega Man, I have all his abilities and powers.

Nico: That is cool.

Mokunaii XI: What are your favorite memories of Nico?

Elinara Midas: When me and Nico were in class and we saw a bunch of poor kids at a table and then I decided to make them filthy rich. I took off my gloves and turned their entire table into solid gold just by touching it.

Me: Wow!

Qin: She has the Midas Touch. Her ancestor was the legendary King Midas himself.

Me: That is amazing! I read stories about him.

Elinara Midas: That is cool. And it's also the reason why I never take off my gloves. My power to turn anything I touch into gold is so powerful that I can LITERALLY turn anything I touch into gold. Even food. So I had these gloves made for me to make sure I don't touch anything without them on.

Qin: Yep.

Me: Wow!

Mina Mega: My favorite is when me and Nico went to New York and we busted a Drug Operation there.

Nicole: Cool!

Qin: Yep that was awesome.

Lola: Yeah.

Me: Lets revert you back Mina.

I put on my blind man glasses.

Nicole: Anyone peeks at her and you are dead.

The boys covered their eyes.

Me: Just so you know this is gonna hurt.

Mina Mega: I know. I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back. She groaned and held her stomach in pain.

Mina Mega: OH GOD IT HURTS!

Me: It'll be over in a few seconds!

Her skin came back and she was back to normal but she was naked but she still had an armband device on her arm.

Mina got up and was naked.

Mina Mega: GAH! (COVERS HERSELF)

Rarity: Don't worry darling we can fix this.

The fashion brigade went in and gave her an awesome new set of clothes. She had all blue clothes on and she looked awesome.

Mina Mega: Oh wow! I look awesome!

Varie showed a mirror.

Mina Mega: Boy I look awesome and it feels good to be back in my human skin.

Qin: It sure does.

Nico: Yep.

Nico hugged both Elinara and Mina.

Nico: I missed you girls.

Elinara Midas: We missed you too Nico.

Mina Mega: Same here. And there are many others like me just so you know.

Nico: I had a feeling there were.

Me: Also Mina you can now use your awesome arm device without the need to transform into your robot form.

Mina Mega: Cool!

Me: And here.

I gave her the powers of all the Mega Man robots and Mega Man X Robots to use.

We later went back home.

Lincoln: Whoa, we're here in Vermont, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy Magaki, the main antagonist of The King of Fighters XI, but that won't be easy, Alina Kuraz's vile brother, Aaron Kuraz, is rushing to kill Magaki and slake his thirst for blood.

Nicole: So, the god's trusted retainer came to avenge his fallen master. I knew it was only a matter of time, but we will end him.

Lincoln: Before Aaron Kuraz does.

Me: That piece of crap is already losing it!

Raven Delg: Along with Robert. They know it's their last chance to try and kill us.

Rice: So far, they lost Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, and Logan Angmarl. Now, they're already on their last legs.

Lincoln: Yep. We just need to kill Aaron Kuraz today, and tomorrow, Robert Delg will perish.

Nico: And we'll forever be rid of The Elemental Monarchs of Evil.

Eli: (Sensed Aaron Kuraz's energy) We better hurry, Aaron Kuraz is on his way to kill Magaki.

Lincoln: He won't get far.

Suddenly, Lincoln's halo glowed and fired a blast of light and trapped Aaron Kuraz in a prison so he wouldn't interfere. Suddenly, we saw a beautiful and super sexy girl with long pink hair, sunlight yellow, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful pink angel wings and Flower Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, flowers, Keyblades, and angels on the coattails and on the back is The Castle of Dreams, in her right hand is the Stroke of Midnight Keyblade and holstered on her back is The Graceful Dahlia, and with her are the five girls.

Lincoln: (GASPS) Marcella Marluxia, Keyblade Knight of The Castle of Dreams and Embodiment of Marluxia, The Graceful Assassin of the 11 Colors of Flowers.

Marcella Marluxia: Yep, and I got the girls away from that servant of that extremist deity, and that was a sweet move you did in imprisoning that asshole in a light prison.

?: You shall all pay for what you did to my master, you filthy humans!

We then saw our target, Magaki, who's transformed into his alien form and he was out for blood.

Sylvester: There's no forgiveness for someone who tried to awaken that destructive extremist and destroy the world!

Then, the four orbiting gold halos in the corners of Lincoln's large gold halo fired red absorption blasts which hit Magaki, and he sucked out and absorbed Magaki's Energy Sense, Transformation, Energy Projectile, Energy Shield, Translocation, Teleportation, Teleporting Projectile, Portal Creation, Explosion, Invisibility, Dimensional Walking, and Energy Field and made them his own, and then, Lincoln stabbed Magaki in the chest with his one of his massive and long eleven white wolf tails as he transformed the tip into Cell's stinger and he absorbed Magaki. Then, Lincoln drained Magaki's soul of all his energy and banished him to The Black Gates. We cheered as we holstered our weapons and powered down, and the barrier keeping Aaron Kuraz imprisoned went down, and when he saw what Lincoln did, he roared in rage and ran off like the coward he is.

Lincoln: That's it for you, Magaki, and Aaron, you can run, but you can't hide and you're not getting out of this as well, later on today after our mission, you're dead. (To Marcella Marluxia) And it's so good to see you again, Marcella Marluxia.

Marcella Marluxia: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Marcella.

Lincoln went up to Marcella Marluxia and he hugged her, and Marcella Marluxia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf

Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marcella Marluxia: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Marcella Marluxia, Keyblade Knight of The Castle of Dreams and Embodiment of Marluxia, The Graceful Assassin of the 11 Colors of Flowers, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of lightning, and she harbors a very very nasty hatred towards Lady Tremaine and her evil daughter, Drizella, for what they did in subjecting Cinderella to so much physical and psychological abuse, along with what Lady Tremaine did in murdering Cinderella's father so she could get his wealth and kill Cinderella, but she also knew Anastasia Tremaine is finally on the side of good and cut ties with her sister and mother, and if she ever saw Lady Tremaine and Drizella ever again, she swore to kill them and have Dana Orichalcum send them to The Black Gates, and Marcella also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Marluxia and she wants to make sure they all pay for their crimes.

Laney: She wasn't the only one who had a grudge against Marluxia.

Lily: Yeah, I still remembered the grudge you held against Marluxia, Laney, and you hated him that much for forcing Namine to mess with Sora's memories.

Lori: Same with Larxene.

Michelle Emperyous: We hadn't forgotten about that one. And Marcella is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Lincoln: We'd heard from Vypra that Drizella has been recruited into The Masters of Evil and she's now the archenemy of Universe 666 Midnight Lemon Zest. But, she'll be kept in line, but as for Lady Tremaine, if she ever thinks of coming back, she's heading for The Black Gates.

Marcella Marluxia: If she dies by my hand or by Ella's, I'm fine with either, just as long as that cruel old woman is gone forever.

Ella Tremaine: You're not the only one who wants that old crone dead.

Eli: Yeah, Ella hates her "mother" that much for what she did to Cinderella, but she saw the good in Anastasia.

Marcella Marluxia: At least, Anastasia's changed, but I'll be keeping an eye on Drizella because one wrong move, and I cut her head off!

Lincoln: We'll leave that punishment to Vypra, she can handle Drizella if she sees one wrong slip from her, and now that you're here, Marcella.

Lincoln went up to and hugged Marcella Marluxia in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his gold halo and four surrounding gold halos on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her, and he also caught the scent of her perfume which made his deep sapphire blue eyes turn deep blood red.

Me: Whoa, what on Earth?!

Nico: Your eyes changed from deep sapphire blue to deep blood red.

Michelle Aphrodite: (GASPS) Oh no, if Lincoln catches the scent of our fragrant smelling perfumes, it causes his eyes to change from deep sapphire blue to deep blood red, and it literally drives him wild.

Lincoln's eyes change back from deep blood red to deep sapphire blue.

Lincoln: It took me years to get that sort of thing under control.

Rita: Which wasn't easy by the way, whenever he caught the scent of his Guardian Angels' perfume, his body temperature rises extremely and thoughts of passion and romance literally take over.

Marcella Marluxia: I almost forgot about that, next time, I'll be more careful. But, whoa, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marcella Marluxia's neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marcella Marluxia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marcella Marluxia.

Marcella Marluxia had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them immediately. The five girls are Tsumugi Hibikino, Yukari Hibikino, Yui Hibikino, Shizuno Hayami, and Youko Honomi from Hibikino-san-chi wa Eroge-ya-san!

Lincoln: Oh wow, it's Tsumugi Hibikino, Yukari Hibikino, Yui Hibikino, Shizuno Hayami, and Youko Honomi from Hibikino-san-chi wa Eroge-ya-san!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Tsumugi Hibikino: Yes, we're okay, thanks to you.

Then, when Tsumugi Hibikino and the other four girls saw who it was that saved them from Magaki, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Tsumugi Hibikino: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Tsumugi Hibikino: (Seductively and rubs her right hand on Lincoln's

massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tsumugi Hibikino, Yukari Hibikino, Yui Hibikino, Shizuno Hayami, and Youko Honomi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Magaki, the main antagonist of The King of Fighters XI, but we also had a very slight interference, Alina Kuraz's vile brother, Aaron Kuraz, who rushed to kill Magaki and slake his thirst for blood.

But, when Lincoln showed what we did in beating down Magaki and Lincoln firing four red energy blasts from the four orbiting golden rings on each corner of his large golden halo behind his head and that sucked out Magaki's powers and he made them his own and finishing him off by stinging him with his tail and absorbing him and after draining his soul of all his energy and sent him to The Black Gates forever which sent that dumbass Aaron Kuraz roaring in rage and running, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Marcella Marluxia have a lot of catching up to do, now that she's back in town.

Maria: Thank goodness you got rid of Magaki and sent that dumbass running. So, was it true that the scent of Marcella's perfume caused your eyes to turn from deep sapphire blue to deep blood red?

Lincoln: How did…?

Maria showed the clip and he also saw who it was that posted it: Zipp Petals. Lincoln turned to face her and Zipp Petals knew she was busted, she tried to run, but Lincoln was way too fast as he then pounced on Zipp Petals and he pinned her arms to the ground and he'd used the tips of his tails to tickle her feet and her armpits.

Zipp Petals: (LAUGHING HYSTERICALLY) OKAY, OKAY, I GIVE!

Lincoln: (Sly Grin) Thank you.

Lincoln let go of Zipp Petals' arms and after he got up, he helped her up, then he kissed her on the lips which she returned.

Nico: Damn, Lincoln was way too fast, he pinned Zipp down and tickled her.

Me: If anyone tried to run, he'd pin them to the ground faster than a lightning bolt. Which means if any dumbass thugs try anything, it's lights out!

* * *

After getting rid of Magaki and this time for good along with driving off that dumbass Aaron Kuraz, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marcella Marluxia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marcella Marluxia: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Marcella, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marcella Marluxia: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marcella Marluxia: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marcella, what memories did you have with Lincoln?

Marcella Marluxia: Oh man, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels were outside in the front yard and we were helping Mrs. Loud with some gardening. But, our day came to an end when we heard a loud belch in the air, and we caught the stench of B.O. and smelly feet, but we knew who it was that'd announced her arrival: it was Lynn and she was out for blood. She was about to charge at Lincoln and kill him, but I summoned sweet smelling flowers that attacked that moron and I sprayed her with water which cleaned her up and she came out smelling a rose. She was absolutely disgusted that I'd given her a bath and gotten rid of that gym bag smell, and she roared like an animal and beat her chest like a gorilla and she was about to charge at me again, but Mr. Loud grabbed her by the collar of her jersey and threw her inside her cage.

Nico: Jeez, what got her gym shorts riding up her butt?

Lincoln: Lynn lost a softball game against Hazeltucky, and she was literally in a nasty mood. Soon, we found out she attacked Margo, Polly, and Paula, and we got them to the hospital, and we immediately called Coach Keck and told her that she can bench Lynn for three weeks.

Me: I remember that day all too well, and boy, Lincoln really got into Dad Mode when he made the call to Coach Keck.

Lily: We thought it was Dad who did it, but no, it was Lincoln.

Luna: Mess with Lincoln or his Guardian Angels and family, and he'll unleash the very thing that made Mom quite the feared character among the Michigan School System.

Me: Yeah, by the way, how did you girls find out about what happens to Lincoln when he catches the scent of your perfumes?

Becky Long: We found out about it thanks to doing a trial experiment I did, we put on some of our sweet smelling perfume and we let the scent head into Lincoln's nose, and then, we saw it: we saw Lincoln's eyes turn from deep sapphire blue to deep blood red, his fangs lengthened, and we also had found out his body temperature rose to extreme levels and passion and love took over his body, and we wound up getting covered in kisses on our faces, and we let him feed on our blood again.

Nico: (WHISTLES) Just one whiff of perfume and Lincoln will literally go wild?!

Girl Jordan: (Mischievous Smirk) Yep.

We got a shower, and then, Lincoln, Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance are heading to Indigo Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Ace Bunny was dressed in black and yellow-trimmed swim trunks, sandals, and he had his weapons holstered in case of trouble.

And Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Aika: Wow, so this is Indigo Ocean, it sure is awesome.

Lincoln: It sure is, Aika, and it's perfect for our first date. Shall we?

Lincoln, Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika

Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Indigo Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance are in your harem.

Leina Vance: I had no idea that some of our Simulator counterparts developed feelings for Lincoln.

Jinx: And now, they're part of his harem. Plus, now we can tell who's who by the jewelry on their neck.

Satsuki: Yeah, we don't want any sort of confusion.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Jinx, Gory Fangtell, Aika, Fina, Simulator Rika Minami, Karla the Gray Witch, Nonon Jakuzure, Simulator Mako Mankanshoku, Simulator Satsuki Kiryūin, and Simulator Leina Vance, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Ace Bunny: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost

his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later Courage was going to tell us some of his favorite and awesome adventures.

Juggernaut then came in.

Juggernaut: Hey, guys. Don't mind me. I'm just stopping by.

Me: No worries Cain. Awesome having you with us.

Cameron: It sure is. Courage was going to tell us what some of his favorite adventures.

Courage: Mm-hmm.

Me: It's going to be awesome hearing about some of them.

Courage: One of my favorites was when Muriel was turned back into a 3 year old girl when a tornado sucked her in.

Me: A Tornado did that to her?

Bai Tza: It sure did. That was really crazy.

Francesca: Grandma Muriel was back in her toddler days. That tornado took over 75 years off her.

Muriel: It was good being a little girl back then.

Cameron: Can we hear more of these?

Me: Yeah.

Courage: Sure. One time we we found Professor Frith all beaten up and he told us that a mummy rose from the dead and was out for revenge.

We gasped!

Francesca: We found out that Grandma Muriel and Grandpa Eustace were the reincarnations of an ancient Mayan Princess and her Poobah. Look here.

She pulled out a scroll and showed an ancient drawing of them.

Me: Whoa!

Eli: Wow!

Nicole: Oh wow! That is amazing. Wait a second. That's the Mayan Princess Zyanya Curiel and her Poobah was Chaac Bustace. Zyanya loved cookies.

Laney: Amazing!

Bai Tza: That sure is amazing.

Francesca: It sure is. We found out about a terrible injustice done to the baker eons ago and we used Past Life Regression hypnosis and found exonerated the Baker of his crimes and brought the Poobah to justice.

Qin: Wow!

Mindwipe: Any vampire ones?

Francesca: No I don't think so.

Mindwipe: Oh.

Courage: There was this one time where I found a stone and I gave it to Muriel and it made her Invisible.

Me: Whoa! An Invisibility Stone?

Vince: I've heard about a project for that from long ago. It was abandoned and the stone was lost.

Courage: I found the stone.

He pulled out a blue glowing stone.

Eustace: Stupid ugly rock.

Vince: (GASP) Oh wow!

Vince took it.

Vince: This stone is a piece of government history. I'll put it in my room for safety.

Me: Okay Partner.

Nico: Most of us can turn invisible anyway.

Starlight Glimmer: We sure can.

Courage: But here is something really crazy. The Computer downloaded into Muriel and in Muriel's body he did ALL KINDS of crazy daredevil tricks.

Me: Whoa like what?

Courage: He was going to shoot himself out of a cannon through the moon to Mars.

Lola: THAT IS NUTS!

Courage: Yep. And then plunge into the San Andreas Fault during an earthquake.

Me: GEEZ!

Courage: And then ski down the Empire State Building into an Open Sewer!

WE GASPED!

Me: Holy Crap!

Kick Buttowski: Not even I am that crazy doing stunts like that. That is BEYOND CRAZY!

Qin: No kidding!

Nico: That could've destroyed the world!

Me: Yeah!

Courage: I know! Crazy! But a crazy one is where Eustace did all kinds of nasty things to me on a TV Show called Angry Nasty People!

Qin: I remember seeing that when me and J.D. found Missy.

Me: Yeah!

Qin: That was crazy.

Missy: I was hoping that we would both revert back naked.

Qin: I know. But not with boys watching.

Eustace: You want to see nasty? (PUTS ON UGLY MASK) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

Eustace laughed!

But then…

BONK!

Eustace got bashed on his head with a rolling pin courtesy of Francesca.

Eustace: OW! What did I do?

Me: Oh brother. What else happened?

Francesca: There was this one time where Courage and I found a Kangaroo Monster skeleton buried in our yard and Grandpa Eustace broke his back. Dr. Vindaloo said he needed a spinal disk transplant.

Me: OOH! Is that even possible?

Lisa Loud: It's very highly unlikely.

Courage: We used the bone from the Kangaroo Monster to do it. But in doing so we ended up turning Eustace into a Kangaroo Monster.

WE GASPED!

Qin: WHOA!

Poromon: That really happened?

Francesca: Yeah. As a result he took Grandma Muriel and went on a global hop trip and smashed NUMEROUS buildings in various parts of the world. We had a very dangerous option. We both had to turn into Kangaroo Monsters.

Me: WHOA!

Courage: Yeah the only thing that can defeat a kangaroo monster is another kangaroo monster.

Me: Geez!

Francesca: Yeah. I turned into a blue Kangaroo Monster and Courage turned into a purple one. It was really cool turning into a Kangaroo Monster.

Nico: Wow!

Francesca: Yep. We both took down Grandpa Eustace as Kangaroo Monsters. We got that bone removed too.

Lola: Ouch.

?: Boy that must've hurt.

We saw a Baxcalibur.

Me: Cool a Baxcalibur.

Baxcalibur: (In a girls voice) Those were awesome stories.

Nico: Alice Arthur? Wow!

She reverted back and was a girl with black hair and grey clothes.

Alice Arthur: Awesome to see you again Nico.

Nico: Same here.

Alice Arthur: Those stories you were telling were great.

Nico: Yep.

Cosmos: What's your favorite memory of Nico?

Alice Arthur: When me and Nico went hiking and we found something in a rock and it was really a huge Whale Monster skeleton.

Nico: We dug it up and did some research on it. It was a monster called Baleenopteryx Oceanus. It's a flying whale monster that lived millions of years ago and it ruled the sky and the ocean. It was a monster that was over 500 feet long and weighed over 900 tons. It crushed even the mighty Tyrannosaurus with a nasty belly flop.

Me: Holy crud!

Qin: Wow!

Lola: What did it look like back then?

Nico: This.

He pulled up an image of one and it was a flying blue whale with fanged teeth and its wings were huge.

We gasped!

Me: WHOA! That is a scary whale.

Lola: No kidding!

Flapjack: Bubbie would not like meeting a whale like that!

Nico: No kidding. But the bones are extremely valuable and are worth trillions of dollars.

Me: WHOA! That is amazing.

Alice Arthur: Yep. It's how my family got rich.

Me: Awesome.

Nico: Yep.

Nico and Alice hugged.

Nico: I've missed you.

Alice Arthur: Same here.

Nautilator: Who leads this time?

Lynn: How about me, Jason, Ripster, Dr. Nick, Shu, Zayto, and Kit?

Rainbow Dash: Awesome! You are going to do great Lynn.

Me: Yeah!

Ripster: JAWSOME!

Lola: Yeah it is!

Nico: Yep.

Juggernaut: Something tells me I should stick around for this.

Nico: I have a feeling you will.

Qin: Yep.

Xenia: this will be fun though.

The Previous Group came.

Roman Goodwin: Can me, Carly, Devack, Misty, Kalin, Greiger, Rex Goodwin, Atomic Skull, Ben Ravencroft and Kerbero Gangan go with you guys?

Nico: Yes you all can come with us.

Qin: This is gonna be awesome and fun.

Laney: Yep.

Camie: I have a feeling this one is gonna be good.

Sonata: Nico, which Gene Slammers do you think you'll meet next?

Nico: Wo-Chien, Chien-Pao, Ting-Lu, Chi-Yu, Roaring Moon and Iron Valiant.

Xenia: Cool! The Treasures of Ruin and the future and Ancient Relatives of Mega Salamence and Gardevoir & Gallade.

Nico: Yep.

Xenia: Wow!

Me: The Treasures of Ruin are intensely powerful.

Eli: Yeah.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The next piece of The Tablet is located on Amazing Earth and it's in the hands of that world's Juggernaut.

We gasped.

Me: WHOA!

Juggernaut: The Amazing version of Me?! Whoa!

Nico: Oh man.

Me: This is gonna be tough!

Lincoln: Whoa, if he's anything like our Juggernaut, then, he won't be going down easy. He'll put up a fight, and it'll require tons of strategy to wear this guy down and brute force aplenty to knock him down.

Me: Yeah, he'll put up a fight, but we're ready.

Nico: You got that right.

Me: In that case…

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) I'm going to need every ounce of power I can muster for this one.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Aaron Kuraz, the evil older brother of Alina Kuraz and one of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Dawn and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Alina, you're not going to like it: the figure we sensed is none other than your evil older brother, Aaron Kuraz, one of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

Alina Kuraz: So, now my older brother, Aaron, has come after us. I always knew that stupid moron would be the first to come after us, he's such an asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say he Gene-Slammed himself into Kuraz the Light Monarch, right, Alina.

Alina Kuraz: Yes, I did, Anna. But, I refuse to let Aaron live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Shattered Dimensions Earth and take down Shattered Dimensions Juggernaut and retrieve the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out this, Shattered Dimensions Juggernaut, we're taking you down and taking that fragment back, and once we get done with him, you're next, Aaron Kuraz.

Alina Kuraz: You've gone way too far this time, Aaron. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison. But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Kuraz the Light Monarch. This won't stand, I'll make sure that your soul faces Heaven's judgement after we get done with Shattered Dimensions Juggernaut.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Shattered Dimensions Earth to retrieve the next piece of The Tablet of Order and Chaos and take down Shattered Dimensions Juggernaut, and once we get done with him, Lincoln and Alina Kuraz are going to kill and destroy her evil older brother, Aaron Kuraz.

We were off to the Amazing Universe!

---

The last fragment in the Shattered Dimensions Amazing Universe is located in a New York construction site, which is exactly where we're heading right now

Shattered Dimensions Spiderman: (swings onto a cement mixer truck) Somewhere in this giant construction yard is the next fra-.

Luckily for him, our fragment is lying on the dirt right next to him, plain as day

Shattered Dimensions Spiderman: Oh. Well, this is a little too easy.

Almost immediately after he said that, the entire construction yard feels like it's shaking as if an earthquake just hit.

Me: UH OH!

Carly Atlas: Why did you say that?

Immediately out of nowhere, the truck Spidey was perching on blew up into pieces, scattering him and us as we all scream for their lives

?: OUTTA MY WAY!

Then they quickly realize it wasn't an earthquake that shook the ground or blew up the truck, but instead got rammed through by a powerful force. It was none other than the one and only, the unstoppable CAIN MARKO A.K.A. JUGGERNAUT! And he looks to be in a hurry.

Shattered Dimensions Spiderman: Juggernaut! Yeesh, could things get any worse?

Me: Cain Marko A.K.A. Juggernaut!?

He had to ask, because the second after he said that, his spider-sense warns him of an incoming missile fired from a flying helicoptor

Lynn: You did it again, didn't you?

The explosion from the missile blew us off the high platform, causing us to scream again for our lives. Juggernaut successfully jumped away from the giant explosion. An explosion caused by his pursuer dressed in all in white.

In that helicopter was none other than SILVIJA SABLINOVA A.K.A. SILVER SABLE!

Shattered Dimensions Silver Sable: Give up, Juggernaut! Silver Sable's on your tail!

Me: Silvija Sablinova A.K.A. Silver Sable! We haven't met her in the prime universe yet!

Silver Sable is the one pursuing Juggernaut. She's the one riding the helicoptor while being in control of the weapons system that almost killed us, who she has no idea are in the area.

Shattered Dimensions Juggernaut: GET LOST!

Juggernaut angrily throws a large construction truck to get her off his back, but missed as the helicoptor flew slightly up to avoid his toss.

Shattered Dimensions Silver Sable: Not a chance, Marko. My Wild Pack can track your every move. And for the bounty that's on your head? We'd follow you to the ends of the Earth.

Me: WHOA! A Bounty!? I wonder how much it is.

Nico: No idea there.

Qin: Yeah.

Shattered Dimensions Spiderman: I think we should let them play through. All we care about right now is that fragm-.

And just when his bad luck wasn't bad enough already, he quickly notices the fragment had a small meeting with Juggernaut's massive foot

Shattered Dimensions Spidey: Oh, come ON! Juggy musta picked it up somehow - and he's probably too stupid to even realize it!

Me: It's on his foot!

Lynn: We can't let Cinder take him in before we get that fragment!

Shattered Dimensions Spiderman: All right, guys, think. Cinder said something about tracking him…

Nico: Over there! On his head!

Me: He's got a tracer on him!

We quickly find the noticeable tracking device attached to the back of Juggernaut's helmet. Spiderman quickly fires a webline to yank away the device.

Shattered Dimensions Spiderman: This'll buy us a little alone time with Juggy.

He flings the tracking device as far as he could away from the area to trick Silver Sable to follow, which she accordingly falls for.

Shattered Dimensions Silver Sable: Shocker! Rhino! Juggernaut is moving fast to the east! Don't let him get away!

Silver Sable contacted her allies as her helicoptor follows Juggernaut's supposed signal when he really hasn't moved from his original position yet.

Shattered Dimensions Spiderman: Great! Now it's just him and us!

Shattered Dimensions Juggernaut: YOU!

Me: Yes us!

Shattered Dimensions Spidey: Great… now it's just him and us!

Jason Lee Scott: Peter, follow our lead and you'll be fine. It's Morphin Time!

Zayto: Link to Morphin Grid!

Kit: Kamen Rider!

THUNDERCLAP!

Jason Lee Scott: TYRANNOSAURUS!

Zayto: TYRANNO FURY! DINO FURY RED!

Kit: RED DRAGON KNIGHT!

Me: OH YEAH!

Nico: Awesome!

Me: Come and get some Cain!

Shattered Dimensions Juggernaut: Once I get started, nothing can stop me!

Me: EXCEPT ME!

Juggernaut charges forward like an unstoppable freight train that destroys everything in his path, but lucky for us, we managed to jump over his head to safety before he could rip us apart. But a few pillars didn't get lucky.

I teleported and kicked him in the back of his head and teleported and punched him in the face with devastating force and kicked him in the face and punched him down!

Shatterd Dimensions Spiderman: Ooohh, so THAT'S why they call you the Juggernaut. I totally get it now.

Jason and Zayto slashed at him.

They slashed him all over.

Our Juggernaut SMASHED HIS FIST into his face and sent him crashing into a wall!

Shattered Dimensions Juggernaut: Make way for PAAAAIN!

He threw a cement truck at us but Shattered Dimensions Spidey jumped over it.

Lynn: Does NOTHING stop this guy?!

Search Man: He's the 'unstoppable' Juggernaut, remember? Even Hulk and Thor have trouble putting this guy down, and they're the strongest we know!

Juggernaut: And he IS me too.

Ripster and Dr. Nick charged at him.

They punched him down.

Godzilla 1998's roar was heard!

He roared and fired a blast of his Emerald Atomic Breath and blasted Shattered Dimensions Juggernaut down!

Me: That must've hurt!

Lola: Yeah!

He got back up!

Devack: He's not the tiny bit exhausted?!

Lynn: That's some mutant invulnerability.

Shattered Dimensions Juggernaut: What are you talking about? I'm no mutant!

Nico: You're not?

Shattered Dimensions Juggernaut: Nope. I was Just a normal guy who became unstoppable because of some magic gemstone I found in a cave.

Lynn: Really? We thought you were a mutant because you're Charles Xavier's brother.

Shattered Dimensions Spiderman: Nope. He's Just a human bulldozer.

Nico: That's probably the same case with ours.

Shattered Dimensions Juggernaut: Now, enough talking!

Kit: Couldn't agree more!

Shu and Kit jumped at him.

They kicked him down.

Me: KAIO KEN ATTACK!

I flared up a red aura and punched him hard in his stomach and smashed him down with a powerful punch!

Lola: OH YEAH!

Nico: Nice one!

Juggernaut: It may be true for this version of me. But for me I am

100% mutant.

Shattered Dimensions Juggernaut: Let's see how tough you are, girly!

Lynn: BRING IT ON YOU BIG OAF!

He charged at Lynn and grappled with her. But she ended up beating the crap out of him. When he tried to punch her, she dodged it and continued to beat the crap out of him. This continued two more times before she pushed him back.

POW!

She punched him down and then Lynn Jr. Kicked him down.

Lynn kicked him hard in his face and Rainbow Dash and Paula and Margo bashed and smashed him all over the place and kicked him down.

Spider-Man slowly walks behind the seemingly weakened Juggernaut while cracking his fists for the final attack,

Shattered Dimensions Spiderman: Okay, laughing boy! Now hold still while I deliver the coup-de-grace!

Before Spider-Man could finish him off, Juggernaut surprises him as he immediately turns around and grabs his whole body.

Shattered Dimensions Juggernaut: I hate French food!

Marinette: (Offended) HEY!

Shattered Dimensions Spiderman: No, coup-de-grace, it means, like-.

Shattered Dimensions Juggernaut: IT MEANS YOU'RE OUTTA HERE!

Juggernaut harshly throws the webhead through several buildings and windows and some other stuff across the construction site, until the hero found himself crashing somewhere else far away from his original position.

I teleported and grabbed him.

Me: You okay?

Shattered Dimensions Spiderman: Yeah. Well… I guess that's one interpretation.

Nico: Hang on, Spidey!

We went towards where he was thrown. But not before Jason looked at Shattered Dimensions Juggernaut one last time.

Jason: Don't think this is over. You have something we need. And the only way to get that is to take you down! (follows us)

Shattered Dimensions Juggernaut: (laughs) I'll be waiting!

Me: You're going down Tubby!

He ran!

With us by his side, Shatted Dimensions Spidey found the strength within to stand up after surviving Juggernaut's unstoppable assault, only to be quickly met with more obstacles flying above us. Two helicoptors are flying above their location as one of them so happens to have Silver Sable on board, much to our dismay as we have enough on our plate as it is. Two more helicoptors came and in them was HERMAN SCHULTZ A.K.A. SHOCKER and ALEXEI SYTSEVICH A.K.A. RHINO! And their helicopters were next to hers as well.

Shattered Dimensions Silver Sable: Spider-Man, what a pleasant surprise! And you brought Team Loud Phoenix Storm. There's a nice little yacht I've had my eye on, and the bounty on your head should just about cover the cost!

Me: Silvija Sablinova A.K.A. Silver Sable. You know in our universe we haven't met you or recruited you yet.

Shattered Dimensions Silver Sable: So I heard.

Hornet Man: Well, I doubt there's a bounty on our heads.

Shattered Dimensions Shocker: There isn't. We just want to test how tough you are.

Me: Herman Schultz A.K.A. Shocker and Alexei Sytsevich A.K.A. Rhino.

Shattered Dimensions Rhino: Nice to know that you know us.

Nico: Come down here and find out!

Shattered Dimensions Rhino: Tempting. But we're saving our strength for the main target.

Me: I take it you mean Juggernaut. Right?

Shattered Dimensions Shocker: That's right.

Shattered Dimensions Spiderman: I see where this is going. Us vs. your gang of misfits, am I right?

Sable presses the headset communicator to talk to her fellow teammates.

Shattered Dimensions Silver Sable: Attention all units! You have new secondary targets - Spider-Man and Team Loud Phoenix Storm!

Shattered Dimesnions Spiderman: This is working out exactly the opposite of perfectly.

Me: Yep. But I could use a challenge.

Several Wild Pack gunners began fighting us. But Shattered Dimensions Spiderman threw one of them at another.

Misty Tredwell: Why are you two working for Sable?

Shattered Dimensions Shocker: With Ock and the other Sinister 6 members either locked up or MIA, we've needed to find work.

Shattered Dimensions Rhino: Lucky for us, Sable was more then happy to have us.

Me: Hmm a little deja-vu. The Prime Universe versions of Shocker and Rhino with us said the same thing before a long time ago.

I threw Hobgoblin's bombs and blasted the Gunners all over in powerful explosions!

KRABBBBBBBOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!

Livewire, Lincoln, Linka and Fiona fired waves of lightning and blasted the Gunners.

Shattered Dimensions Shocker fired a blast of energy and I dodged it and the blast hit the ground and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I fired a blast of energy and it hit Shocker and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Shattered Dimensions Rhino charged at me and I slid underneath him and fired an energy blast and it hit him square in the back and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He got really hurt!

Shattered Dimensions Silver Sable: His power is incredible!

Nico then fired a red web shot from his fist and it wrapped around Shattered Dimensions Shocker and then using Electro's powers he channelled lightning through the web and it zapped Shattered Dimensions Shocker!

He screamed in pain!

Tara threw numerous boulders at Shattered Dimensions Rhino and smashed him into the ground.

Shattered Dimensions Spiderman: WOW! That was genius!

Nico: Thanks.

Shattered Dimensions Rhino: (Groans) That hurt.

Me: Because you underestimated our power.

Eli used the force and Threw them back into their helicopters.

Shattered Dimensions Silver Sable: C'mon. Can any of you stop these guys?

Lynn: Sable, we don't have time for this! We need to get to Juggernaut! He has something that's VERY important!

Shattered Dimensions Silver Sable: This is really nothing personal. But we really need that bounty on his head. (glares at Shattered Dimensions Rhino) Since a certain someone botched up that last job.

Shattered Dimensions Rhino: Hey, it's not my fault Kasady tried threatening that woman and her daughter in front of us. He was asking to get ripped in half!

Girl Jordan: You killed Kasady here!? Thank you!

Shattered Dimension Rhino: You really have it out for Kasady don't you?

Me: Don't fucking ask. But it serves that motherfucker right!

Shattered Dimensions Shocker: You're just lucky that we were able to get that Carnage symbiote in a container.

Me: So the Symbiote is still at large. But at least we know that we're going after Carnage here later on.

Shattered Dimensions Shocker: (to us) That's right. But how about this? First one to stop Juggernaut takes all!

Ripster: Bring it on! We like challenges!

Me: Challenge accepted!

Just then, Sable's sensors on her helicoptor picks up Juggernaut's location

Shattered Dimensions Silver Sable: Juggernaut is coming in fast from the east! Shocker, Rhino, cover me… We'll finish Spider-Man and his pals later.

With that, they fly away.

Shattered Dimensions Spiderman: Phew! I thought they'd never leave."

Lynn: And now we have to deal with Sable, Rhino, Shocker and their mercenaries as well as Juggernaut.

Streex: Thanks a lot, bro!

Ripster: You know as well as I do how they are! We just gotta beat them to Juggernaut. He shouldn't be too hard to find.

Me: But at least Kasady is dead.

Girl Jordan: Too bad I couldn't give him the Black Gates here.

Qin: I know.

Girl Jordan: I have a feeling that my hunch might be right.

Qin: If that's the case then we're going to be in for one awesome battle.

Lola: Yeah.

Shattered Dimensions Juggernaut: OUTTA MY WAY, RUNTS!

Our little conversation was quickly cut short when we spotted Juggernaut ramming out from a building while tearing through the Wild Pack

Wild Pack Mercenary 1: Watch it!

Wild Pack Mercenary 2: It's the Juggernaut!

Shattered Dimensions Juggernaut: And you! You're going down - the hard way! (jumps onto Shattered Dimensions Rhino's helicopter)

Shattered Dimensions Rhino: Hey guys! I could use a little help! Juggernaut's on me! Not joking!

He worriedly sees the unstoppable roaring man entering his ship and throwing out his henchmen, including the pilot which immediately causes his Helicopter to spiral out of control into another area. Another helicopter flies down before the heroes to drop down mercenaries wielding shields commanded by a Wild Pack Captain.

Birdbrain: So… just us, huh?

Wild Pack Captain: Secondary targets spotted. Get them!

Shattered Dimensions Spiderman: Oh, come on. Really?

I fired waves of energy and blasted the Wild Pack Men all over.

Girl Jordan: Taste the Water Dragon!

She flared up a blue water aura and released a massive blast of water that turned into an incredible water dragon and it destroyed the men.

The mercenaries with shields tried charging at us but they ended up being hit by several bricks thrown by Shattered Dimensions Juggernaut.

Lynn: Thanks for the help!

Kalin: Lynn, I really think he's throwing stuff at ALL of us!

Me: I agree. Lets see how they like these!

I fired energy blasts away from them.

Nico: You missed!

Me: Not quite!

The blasts came back and they hit all the mercenaries with shields and blasted them apart in fiery explosions and even one hit Shattered Dimensions Juggernaut and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Hit in the Blind Spot! Very genius!

The Wild Pack Captain cracked his knuckles.

Dr. Nick: Spiderman, can you take care of this one?

Shattered Dimensions Spiderman: Gladly!

He used a charge attack to blind the Wild Pack Captain.

KRASMASH!

He bashed him down.

Qin: Take that!

Me: Come on Sable is this the best your men can do?

Suddenly, Rhino is revealed to have survived the crash of his aircraft as he charged at Juggernaut, knocking him back.

Shattered Dimensions Juggernaut: You again?! I'll flatten you this time!

Rhino's response? As Juggernaut charged towards him, he threw him to the ground.

Shattered Dimensions Rhino: You're a toughie. You might be our most difficult job yet, which makes things more fun!

Juggernaut doesn't care what he wants and quickly flees after getting up.

Shattered Dimensions Rhino: Where ya goin', Juggy? You scared?

Shattered Dimensions Silver Sable: Rhino, get in another helicopter and go after the Juggernaut! He might be gone, but we can still get Spider-Man and the others! Pin them down!

Rhino rides on another Bullhead to track down Juggernaut while Sable sends a horde of mercenaries to slow us down.

Shattered Dimensions Spiderman: Boooooo.

Me: Bring it on!

We fired more energy blasts and blasted them all over.

I then used my super Speed and formed a Rasengan in my hand.

Me: RASENGAN!

I slammed it into Shattered Dimensions Juggernaut and smashed him down into the ground!

I then kicked Shattered Dimensions Juggernaut in his face and knocked him down!

Nico: NICE!

Despite this, Juggernaut ran off with Rhino going into his helicopter after him.

Lynn: Alright. We're gonna have to get inside that building to get to Juggernaut.

Sixshot: (to Juggernaut) No offense, dude.

Juggernaut: None taken. But this is getting intense!

Qin: Yeah.

Nico: But you heard the lady. Lets go.

We went into the building.

Wild Pack Captain: Team Loud Phoenix Storm! We've been waiting for you!

Greiger: Sorry we're late! Traffic sucked.

Me: Yeah we were caught by traffic.

Wild Pack Captain: At least you made it for your bounties to be cashed.

Me: How much is the bounty?

Wild Pack Captain: $500,000,000.00.

Me: That's just pennies compared to the bounty we're REALLY worth.

Wild Pack Captain: Oh really?

Me: Yep. We're worth over $500 GOOGOLPLEX. That's 500 with a Googol Zeroes.

HIS JAW DROPPED!

Wild Pack Captain: HOW DID YOU ALL AMASS AN INCREDIBLY MASSIVE BOUNTY?

Me: You could say that in our universe we destroyed Thanos along with so many dangerous enemies that we have had NUMEROUS aliens and bounty hunters from all over the universe come and try and kill us. And they all failed.

Wild Pack Captain: We'll see about that.

Shu sent Blue Dragon to attack the Wild Pack Captain.

Shu: Hasta La Vista, Baby!

Blue Dragon: (laughs) Arnold Schwarzenegger would be proud!

Me: Yes he would!

We tied him up and beamed him to the SHIELD Prison.

Qin: Nice.

Turbo Man: Yoo hoo. Juggy! There you are!

Shattered Dimensions Juggernaut: Why do you keep following me?!

Shattered Dimensions Spiderman: Let's just say you have something we need.

Me: And it's very important.

Shattered Dimensions Juggernaut: Bah! I've wasted enough time with you.

Shattered Dimensions Spiderman: Was it something I said?

We chase him into a sewer pipeline.

Me: He went into a sewer!?

Lana: Cool!

Lincoln: Oh boy.

Me: Plug your noses everyone.

We went in.

Rarity: From one filth to another!

Lincoln: Tell me about it.

Lincoln held her bridle style and they were in a clean aura to protect them.

Me: I've had enough filth to last a lifetime today.

We went after Juggernaut.

Juggernaut eventually found an exit by making his own, ramming through a wall in the sewers like it was nothing and found himself standing on a building in the construction site boxed in, as another building is blocking his way. And what's even worse, Silver Sable's helicopters finally caught up with him as it suddenly hovers before the unstoppable man.

Shattered Dimensions Silver Sable: Hey, Juggernaut! I got something for you…

Sable had her helicoptor's chin-mounted machine gun fire annoying rapidfire bullets on the invulnerable titan as he roars with sheer rage.

Shattered Dimensions Silver Sable: You're boxed in, Marko. There's no way out.

Shattered Dimensions Juggernaut: Then I'll make one!

And to the shock of everyone watching him, Juggernaut furiously leaps through the tall building that was blocking him and actually smashed it into pieces in the process.

Shattered Dimensions Shocker: Ho-lee…

Iron Boy: Oh my…

Lynn: That's… wow.

Shattered Dimensions Spiderman: Jeez. Not often you see a guy pick a fight with a building - and win.

Rex Goodwin: I believe it was Goethe who said: 'He who jealously guards his fears, secretly yearns to bring them about… Either him or Irving Forbush.

Nico: Interesting.

Qin: Yep.

Shattered Dimensions Rhino: Man, did you see that?! He brought down the whole building!

Me: We all saw it!

Shattered Dimensions Silver Sable: Be impressed on your own time! AFTER HIM!

Shattered Dimensions Spiderman: Sounds like they're going my way. Maybe we can snag a ride.

Spiderman quickly launches a webline to zip himself to her helicoptor's belly, sticking under the vehicle. We hurry to join him by turning invisible. Cinder's helicoptor takes off, flying over a large construction yard that has immediately turned into a warzone between the Wild Pack and the Juggernaut. Juggernaut holds nothing back against his enemies as he smashes, leaps and rams through dozens of mercenaries.

Wild Pack Gunner: Look at him go!

Shielded Wild Pack: And it's only one guy. Can you believe that?

Wild Pack Captain: Dude's a human wrecking ball…

Shattered Dimensions Silver Sable: Get over it!

Wild Pack Captain: Yes, Ms. Sable.

Shattered Dimensions Silver Sable: Emerald, what's his location?

Shattered Dimensions Shocker: He's headed west - towards the building under construction.

Shattered Dimensions Silver Sable: That's the Oscorp building. Go! Go!

Shattered Dimensions Rhino: Hey, what's that over there? On the belly and wings of your Bullhead?

Shattered Dimensions Spiderman: Uh-oh…

Shattered Dimensions Rhino: Yo Sabler, Spiderman and his pals are taking a ride on your transport! I can see them from here!

Zayto: That's our cue to boogie. Thanks for the ride, guys!

Me: SEE YA SUCKERS!

We quickly jump off the aircraft before Silver Sable could take notice of them. She's annoyed with their constant interference but is still determined to capture Juggernaut first, so she ignores them for him but still has her mercenaries to occupy them.

Wild Pack Gunner: Secondary targets acquired! I have visual on Team Loud Phoenix Storm.

Shattered Dimensions Spiderman: You have a visual on YOUR FACE!… Yeah, that sounded better in my head.

Nico: Heh, ya think?

Nico took a good look at the huge mess Juggernaut left behind from his rampage. He caused so much destruction that the path to pursue the musclebound villain was blocked by a large fire leak thanks to the pipes that were destroyed by Juggernaut earlier.

Nico: How are we going to get through that mess?

Lynn: I see workers down there. Look!

Lynn points to three construction workers hiding in different corners down in the large sandbox full of dangerous mercenaries.

Lynn: Maybe if we help one of those workers, they can help us.

Me: Lets go help them out!

We went and did so.

Worker: Hey, Spider-Man! Team Loud Phoenix Storm! Help me out!

Ember McLean: Sure, but we need help closing off those burning pipes!

Worker: I can do that. Get me and my pals to those consoles. We're gonna override the consoles to turn off all three pipes at the same time!

Me: Okay!

We went and got them to the consoles.

Qin: All right!

Worker 2: Spider-Man. Am I glad to see you.

Shattered Dimensions Spiderman: I need your help with something, okay?

Worker: Yeah, sure, sure. Whatever you need. Hey, do I get to spin some webs? Or use the other powers your buddies have?

Atomic Skull: (chuckles) Sorry. But you can't.

Me: It doesn't work that way.

Kit: You CAN close off those burning pipes

Worker 2: That we can do.

Me: Great.

Cheetah: So, how long is this going to take?

The pipes cooled down and the door was clear.

Cheetah: Oh! Nevermind then.

Me: Now we can get moving.

With the fire gone, we head for the still-in-construction Oscorp Tower where Juggernaut, and the Wild Pack, was last spotted in the vicinity.

Shattered Dimensions Shocker: Juggernaut has been spotted at the Oscorp Building!

Shattered Dimensions Silver Sable: All forces, engage! (to us) Looks like we're winning this race, wallcrawler! If you're smart, you and your friends should crawl the way home.

Shattered Dimensions Spiderman: Oh yeah? Well we're NOT smart! In fact, we'll show you JUST how STUPID we are!

Lynn: Really?

Ben Ravencroft: That didn't come out right.

Shattered Dimensions Spidey: That also sounded better in my head.

Me: Top this!

I fired energy blasts and blew the helicopters apart.

Xenia: Oh yeah!

We continued on and we saw the tower.

Eventually, we made it to the front of the Oscorp Building and found Juggernaut trying to run away.

Shattered Dimensions Spiderman: Gotta reach Juggernaut before Sable's thugs blast him - and the fragment - to pieces!

Shattered Dimensions Silver Sable: Move in on him!

Shattered Dimensions Shocker: What's he doing?!

Juggernaut roars, as he makes scary jumps on each helicoptor in terrifying succession to try and drag them into a force crash that'll end very painfully for the Wild Pack.

Shattered Dimensions Silver Sable:: Shake him! Shake him off!

Shattered Dimensions Shocker: I can't! He's dragging me down!

Shattered Dimensions Rhino: Shocker, look out!

Juggernaut violently throws Shocker's helicopter away in a path that would almost surely end badly for him!

Nico: No!

But thank the heavens he survived as Shocker quickly regain control of her transport and stopped it from meeting an untimely crash.

Lynn: He's okay.

Livewire: This is getting ugly by the second.

Nico: Entrance time, guys. We need to end this. NOW!

Me: Right!

We went at him.

Shattered Dimension Juggernaut roared and then the spirits of muscles appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we appeared.

Me: End of the line Cain!

Qin: Yeah!

Lola: You got nowhere else to go!

Juggernaut is being attacked from all sides by the Wild Pack and their helicoptors firing everything they got to stop him. The muscleman has nowhere to go but up, making mighty leaps from ledges to scaffoldings around the building to escape his pursuers once and for all.

Shattered Dimensions Spiderman: Hey, can I have your autograph?

Shattered Dimensions Juggernaut: Again with you!? You're not gonna catch me!

Nico: Of course we will! After that last stunt you pulled, we're more determined than ever to catch you!

Me: That's right!

Shattered Dimensions Spiderman: Wait, what about my autograph?

Shattered Dimensions Juggernaut: Stick it in your web!

Lynn: (we keep chasing him) Can't get away from us!"

Shattered Dimensions Spiderman: Better put some hustle in my bustle! That's why I carry a bustle around, to put hustle in.

Nico: Where? In your nonexistent pockets?

Shattered Dimensions Juggernaut: Hey Sable! The more you chase me, the more I start to think you're sweet on me!

Shattered Dimensions Silver Sable: Oh, don't flatter yourself.

Shattered Dimensions Juggernaut: You know what, Sable, you're kinda hot. FOR A MANLY CHICK!

Shattered Dimensions Shocker: Somebody has a death wish.

Shattered Dimensions Rhino: He's in for it now!

Shattered Dimensions Silver Sable: All forces, open fire on my mark!

Shattered Dimensions Juggernaut: Nah, I'm just kidding. You're not that hot. (gets hit from gunfire) Why won't you just GO AWAY?!"

Shattered Dimensions Silver Sable: Why won't you just give up?

Shattered Dimensions Juggernaut: I'm gonna make you wish you were never born!"

Shattered Dimensions Silver Sable: Aw, now Juggernaut, is that any way to talk to a lady?

Shattered Dimensions Juggernaut: You want to fight me?! COME UP HERE AND FACE ME ONE-ON-ONE!

Shattered Dimensions Silver Sable: No thanks, ugly, I'm fine from where I am.

Shattered Dimensions Spiderman: Sheesh! Express your feelings for each other already!"

Me: Yeah get a room you two!

Shattered Dimensions Juggernaut: You just don't shut up, do you?

Shattered Dimensions Spiderman: Anybody want a peanut?

Shattered Dimensions Silver Sable: Stay outta my business.

Me: This IS Our business!

Lynn: Sorry, Cinder, but we're on world-saving business. Juggernaut's ours!

Nico: Juggernaut's throwing a lot of debris at us. If we jump on top of them, we should make it to the top by 45 seconds.

Me: Lets do it! We only need 10 seconds.

We ran fast and got to the top!

Spider-Man was the first to arrive on the rooftop of the Oscorp building shortly before his friends to find Juggernaut, who he can sense is somewhere near him.

Shattered Dimensions Juggernaut: C'mere, runt.

Juggernaut quickly makes his presence known to the webslinger as he makes a furious charge for him,

Shattered Dimensions Spiderman: Time to scrape you off my shoe once and for all!

The bruiser punches him high into the air, but the webhead quickly fired his webbing to zip himself onto his chest.

Shattered Dimensions Spiderman: Let's get a good look at that gorgeous mug!

Spider-Man punches him in the face a few times to leave him a little stunned, long enough for the hero to latch onto his back and throw away his helmet to reveal his red hair and full face.

Me: Nice hair for you.

Juggernaut: Now that is good looking hair there.

I teleported and kicked Shattered Dimensions Juggernaut in the stomach and punched him down.

Shattered Dimensions Spidey charged at Shattered Dimensions Juggernaut and grappled with him. He ended up beating the crap out of him. When the big guy tried to punch him, he dodged it and continued to beat the crap out of him. This continued two more times before he pushed him back.

I punched and kicked and slashed Shattered Dimensions Juggernaut all over.

Nico blasted him too.

Even after that onslaught of attacks directed to his face, Juggernaut doesn't know when to quit. He quickly gets back onto his two feet as if our attacks did little more but piss him off.

Me: He sure is tough.

Shattered Dimensions Juggernaut: That's not gonna save you. (charges at full speed at us) I'm the Juggernaut, remember? Once I start moving - nothing can stop me!

Too bad for Juggernaut, for all his strength, he lacks the brain to see he's being lead to a trap by us as we all jump on the near top of a tall vertical crane.

Shattered Dimensions Spiderman: That's what we're counting on!

Lynn: What if you start moving DOWN?

Nico: TIMBERRRRR!

Ourcombined weight, mostly from Juggernaut, causes the crane to collapse and causes all of us to fall high from the air downwards to the building.

Shattered Dimensions Spidey: This is gonna be a bumpy ride!

We stomped on Juggernaut as we crash down through the dozens of floors of the Oscorp building. Juggernaut grunts from taking the full painful blunt of each floor first while we use him as footing. From the Wild Pack's point of view in the safety of their helicoptors, they receive a first class view of the destruction of the Oscorp building as everything collapses like a broken down Lego set that took months to build.

Shattered Dimensions Shocker: Holy… !

Shattered Dimensions Silver Sable: Land the Helicoptors NOW- we're going in! It'll be a miracle if any of them survived that.

They saw that we did.

Shattered Dimensions Silver Sable: IMPOSSIBLE!

We miraculously survived the destruction we have wrought, wounded and bleeding from the head yet still very much alive deep below in a wrecked parking lot.

Shattered Dimensions Spiderman: Ta-daaaaa…

Lynn: We're… never… doing that… again.

Kerbero Gangan: Don't be too sure…

More pained moans was heard from within a pile of debris nearby, seemingly from the Juggernaut slipping in and out of consciousness.

Nico: Looks like dropping a building on him did the trick.

Me: It sure did.

Shattered Dimensions Spiderman: This might be our only chance - gotta get our hands on that fragment before he finds it-."

Shattered Dimensions Juggernaut: Hey… what's this glowy thing?

Lynn: Too late. He found it.

Me: Oh NOW he sees it.

Shattered Dimensions Spiderman: Aw, crumbs…

A dangerous yellow aura emanates from the rubble that buried

Juggernaut, as he slowly rises from beneath with a new mystical aura that has also turned his eyes pure yellow filled with incredible power.

Me: UH OH!

Shattered Dimensions Juggernaut: I'M EVEN MORE POWERFUL THAN BEFORE!

Shattered Dimensions Spiderman: Are you also nicer?

Juggernaut roars, unleashing a powerful shockwave that almost blows us back.

Shattered Dimensions Spidey: No, guess not.

Kit: We can get stronger too!

Survive Mode!

Zayto: Dino Knight Mode!

Kit donned his Survive Mode.

And Zayto donned his awesome Dino Knight Armor!

Me: YEAH!

Shattered Dimensions Juggernaut: THIS IS MORE LIKE IT!

The fragment-enhanced Juggernaut is instantly loving his new strength, as one stomp to the ground was enough to creates a localized earthquake that stuns us to get swiftly blown back from a ferocious shockwave clapped by his hands.

Shattered Dimensions Spiderman: Perfect! We couldn't stop him before, and here he is MORE unstoppable!

Me: Not quite.

Nico punched Shattered Dimensions Juggernaut, surprisingly inflicting good damage on him.

Shattered Dimensions Juggernaut: OW! That actually hurt!

Nico: It did? How? Thought you were invulnerable. We're not even using our full power.

Madame Web: (in our heads) You seem to be onto something. I sense the fragment's power is at odds with his Crimson Gem of Cyttorak.

Shattered Dimensions Spiderman: So with great power comes great vulnerability? Well, if that's the case, I'll take it!

Me: Oh yeah!

Shattered Dimensions Juggernaut: Don't you know who I am? I'm the Juggernaut, bitch!

Me: Do I look like I give a flying fuck? Motherfucker!

Eddy: I never get tired of that!

I teleported and bashed him square in his face and knocked him down and he held his face in extreme pain!

Nico: Nice one!

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard came.

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard.

Scorcher: Look on the bright side. At least no civilians were hurt.

Evil Star: Even the workers you rescued are okay.

Me: That is true.

Firepower: That's something to be proud of.

Nico: Yep.

Key: (to Nico) We heard you went to Nowhere.

Nico: We sure did.

Overdrive: How was it?

Me: Conway the Contaminationist turned the farm into a cesspool and it was gross.

?: Boy what a Nightmare!

A figure came out and it was NERO KILNER from episode 17 of LupinRangers VS PatRangers!

---

Nero Kilner is a tapir-themed Gangler Monster and the main antagonist in episode 17 of 2018 TV series called Kaitou Sentai Lupinranger VS Keisatsu Sentai Patranger. Also he's equipped with an expanding sword-like treasure called Long, long et long.

He is voiced by Ryōtarō Okiayu who previously voiced Computer Engineer Gate, Hades Warrior God Cyclops and Mangetsu Kibaoni.

Nero Kilner made his first appearance at the docks of Japan where he'd used his Nemulance as he put four people into a dream like sleep.

A while later he was at the Ganglers Mansion where he'd explained his plan to his boss on how to conquer earth even though it was a dull plan Dogranio Yaboon doesn't mind at all just as long it gets the job done.

A while later he was at the docks where he fought the cops and thieves a while later he managed to put the 3 cops and Lupin Yellow into the dreamworld. However thanks to Lupin Yellow into singing a song to Patren1gou he managed to snap out of it and fired his gun in the sky thus destroying the dream world that Nero Kilner made and freeing everyone from their. However while Nero was complaining on how they destroyed his Dreamworld he was unknowing letting Lupin Red to gain access to his safe (which his password is 6-0-3) and stole Long,long et long (which translate as "Long, Long, long") expanding sword after that he was taken out by PatrenUgou.

However thanks to Goche Ru Medou he was then enlarged and battled Pat Kaiser Biker after that he was then destroyed by this finisher called PatKaiser: Lock-Up Strike.

Me: Wow! HEY NICO! RISE AND SHINE SLEEPYHEAD! SLEEP TIME IS OVER! BATTLE TIME IS NOW!

Nico: Huh? What?

Me: Nero knocked you out.

Nico: Oh.

Nero Kilner: And this is a natural power. Not one provided by a Collection piece.

Nero Kilner: I sure did!

Qin: WHOA!

Lynn: Had enough!

I then went and got the fragment.

Me: I'll take that.

Nico: Whew, that guy sure put up a really tough fight, but we got him. Awesome job, gang, we took down Shattered Dimensions Juggernaut and got the next piece of The Tablet.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Alina's older brother, Aaron Kuraz.

?: (ENRAGED SCREAM) ALINA, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of light blasts that came out of nowhere and they hit the barrier, but the light energy volley was absorbed into us and we became even stronger than ever. Then, we saw Kuraz the Light Monarch appear.

Alina Kuraz: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Kuraz skinsuit, and show yourself, Aaron!

Kuraz the Light Monarch vanished in a vortex of infernal light, and in its place stood a 6'11" tall male with golden yellow hair and yellow eyes similar as Alina's, massive muscular build, and dressed in a red prison jumpsuit: it was Aaron Kuraz, the evil older brother of Alina Kuraz and the tenth of the eleven most dangerous thugs in Royal Woods.

Nico: We meet once again, Aaron Kuraz.

Alina Kuraz: The tenth of the eleven most dangerous thugs in Royal Woods, I would have never thought I'd have to see your ugly face again, Aaron, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Aaron Kuraz: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Alina Kuraz: You're all bark and no fucking bite, Alina. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Alina Kuraz's yellow eyes turned neon yellow and she was surrounded by a golden yellow energy aura with stars, lights, suns, phoenixes, and angels, she unholstered her massive Kuraz the Light Monarch's Light Solar Sun Greatsword of Light Monarch Justice from her back, and as she approached Aaron Kuraz, she left golden yellow energy, stars, lights, suns, phoenixes, and angels with every step.

Alina Kuraz: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Aaron, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Aaron, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong!

Suddenly, Alina Kuraz was surrounded by a massive vortex of golden yellow energy with stars, sunlight, and suns surrounding it, there are phoenixes, angels, and Kuraz the Light Monarch flying around the vortex, and in the vortex is a golden yellow phoenix with red blood eyes glaring at Aaron Kuraz: the red eyes of eternal death. Then, as the vortex faded, Alina Kuraz emerged, but she was changed forever.

Alina Kuraz grew from 6'11" to 7'9" in height, she has the body of a goddess, she has heavenly white highlights in the bangs of her long golden yellow hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon golden yellow eyes and a golden yellow energy aura with stars, lights, suns, phoenixes, and angels surrounding her, she has Kuraz the Light Monarch with the Light Kanji in its hands emblazoned on her forehead and Third Eye with golden yellow iris, she has on phoenix earrings with yellow gems for eyes and holding the Light, Sun, Star, and Eternity Kanjis in its hands, she also has Kuraz the Light Monarch with red gems for eyes and holding the Light, Sun, Star, and Eternity Kanjis in its hands on the bottom of her golden yellow phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with golden yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Alina Kuraz has on a sleeveless golden yellow blouse, golden yellow sleeveless top, golden yellow skirt, yellow stockings, yellow legwarmers, yellow shoes, and long sleeveless white trenchcoat with stars, lights, suns, phoenixes, and angels on the coattails and on the back is Kuraz the Light Monarch surrounded by stars, lights, and suns. Suddenly, Alina Kuraz felt a sharp pain on her back, and then, her massive golden yellow angel wings with golden yellow tips on the large golden yellow feathers grew much bigger for her new body, and she now has eleven massive and long golden yellow wolf tails with yellow tips and yellow markings, she has on a Ring of The Phoenix with golden yellow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Alina Kuraz's massive Kuraz the Light Monarch's Sun Solar Light Greatsword of Light Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of golden yellow energy, stars, lights, suns, phoenixes, and angels, and when it emerged, it was transformed into Alina Kuraz's Solar Light Monarch Kuraz the Light Monarch Solar Sun Light Phoenix Angel Greatsword of Light Phoenix Solar Monarch Kuraz Justice, it's a brand-new massive greatsword with embedded golden yellow gems and Kuraz the Light Monarch etched on the 7'6" massive, wide, double-edged white blade, large golden yellow dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large golden yellow gems embedded in the foreheads, longer midnight black handle, four golden yellow phoenix heads with golden yellow gems for eyes and large golden yellow phoenix head with yellow gems for eyes and a large yellow gem in its mouth on the bottom of the golden yellow phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with golden yellow gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Kuraz the Light Monarch's head with golden yellow gems for eyes and a large golden yellow gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a golden yellow kanji below Kuraz the Light Monarch that said, "Alina Kuraz, Gene-Slammer of Kuraz the Light Monarch, Master of The Powers of The Sun, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Amy, Archenemy of Dublor, Destroyer of Aaron Kuraz, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of The Sun, Light, Phoenixes, and Angels"

Suddenly, Alina Kuraz's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Alina Kuraz has transformed into SUPER ANGEL-ALINA THE LIGHT MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA SOLAR LIGHT ANGEL SOLAR SUN KURAZ THE LIGHT MONARCH PHOENIX MONARCH ANGEL OF DIVINE SOLAR LIGHT ANGEL SOLAR SUN KURAZ THE LIGHT MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE SOLAR LIGHT ANGEL SOLAR SUN KURAZ THE LIGHT MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Alina Kuraz's Super Angel-Kuraz the Light Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Aaron Kuraz saw it, he went fucking mad with rage and transformed into Kuraz the Light Monarch and fired blasts of light at her, but she absorbed them and it made her stronger, and she fired a massive barrage of golden yellow energy, light, suns, phoenixes, and angels at Aaron Kuraz, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, THE SUN'S FURY IS ABOUT TO BE UNLEASHED!

Lincoln: Awesome, Alina Kuraz's transformed into her Super Angel-Kuraz the Light Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Aaron big time, and now, it's high-time we got rid of you for good, Aaron.

Alina Kuraz: (Divine Echoing Godly Voice of The Divine Solar Light Phoenix Kuraz the Light Monarch Phoenix Angel and Divine Solar Light Phoenix Kuraz the Light Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Alina Kuraz.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Aaron, but I take comfort knowing when I get married to Alina in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Alina Kuraz and Lincoln went after Aaron Kuraz who continued firing light blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, golden yellow and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Aaron Kuraz and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Alina Kuraz also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Aaron Kuraz even madder than ever!

Aaron Kuraz: I'LL FUCKING KILL YOU, STINKOLN!

Aaron Kuraz fired more light blasts at Lincoln, but he absorbed them and it made him even more stronger as his light aura became more ferocious. Then, Lincoln drove his massive greatsword into Aaron Kuraz's stomach and he began sucking out and absorbing the light powers he'd gotten when he Gene-Slammed himself into Kuraz the Light Monarch along with his massive muscle mass and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed and halo with four orbiting gold rings on each corner behind his head glowed, and that caused Aaron Kuraz to revert back to normal, but now, he was thin as a rake and he was really weak.

Lincoln swung his massive greatsword and sent Aaron Kuraz flying into the air, then, Lincoln and Alina Kuraz fired powerful blasts of sunlight at Aaron Kuraz, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Alina Kuraz and Lincoln did as they holstered their massive greatswords and powered down, and Alina Kuraz's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, gold halo with four orbiting gold rings on each corner behind her head, and massive golden yellow angel wings are permanent.

Alina Kuraz: Burn in The Black Gates forever, Aaron. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Alina.

Suddenly, Alina Kuraz wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alina Kuraz's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Kuraz the Light Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and sunlight shining down on them and we cheered wildly. Then, Lincoln and Alina Kuraz sucked in and absorbed the elemental forces and sunlight and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Aaron Kuraz, which means now there's one last Elemental Monarch of Evil to deal with.

Raven Delg: My brother, Robert Delg. He's not getting out of this tomorrow.

Lincoln: He sure isn't, Raven. Tomorrow, he's about to get a true taste of true fear and what happens when he dares to mess with the powers of darkness.

Me: That I'd like to see. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's another one for the Embodiments of Organization XIII: Lucy Luxord, Keyblade Knight of The Caribbean and The Embodiment of Luxord, the Gambler of the 10 Fates and Power of Time.

Sora and his friends gasped.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Lucy Luxord is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of time and fate, and she harbors a very very nasty hatred towards Davy Jones, Cutler Beckett, Blackbeard, and Salazar, and she wants nothing more than to kill them all and send them straight to the blackest depths of Hell, and Lucy also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Luxord and his evil self and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Luxord: And like my evil self in The Masters of Evil and I in The Redemption Squad, Lucy believes in playing fair and playing the game right.

Lincoln: That's right, Luxord.

Nico: This will no doubt be one awesome rescue tomorrow when we meet Lucy Luxord, and there's no doubt she's heard of what happened with Luxord joining The Redemption Squad years ago and his evil self joining The Masters of Evil three years ago as well.

Me: You got that right.

Lincoln: (Deep Sapphire Eyes turn Blood Red) You better be ready tomorrow, Robert Delg, because tomorrow is judgement day, and you shall pay the price for every last one of your misdeeds.

Raven Delg: We'll make you pay with your own blood, and your soul will be dragged into the dark for all eternity.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

We then saw Shattered Dimensions Juggernaut knocked out and mangled up.

El Diablo: Would you look at that? Something CAN stop the Juggernaut.

Shattered Dimensions Spiderman: All we needed to do was sacrifice our ribs.

Me: Ouch. But the Fragment took away much more than that. It took his invulnerability.

Qin: Yep.

Toyman: This should be the final fragment in this dimension.

Me: I think it is.

We then saw Silver Sable, Rhino, and Shocker approach us.

Villamax: Here's your target bruised but alive.

Shattered Dimensions Silver Sable: Hard to believe you're just giving him to us after all this.

Wolf: Hey, we just wanted the fragment. Now that we have it, he's all yours.

Me: Yep. Feel free to cash in on that bounty.

Shattered Dimensions Shocker: Do we even want to know what that is?

Shattered Dimensions Spiderman: All you need to know is that it's important.

Weather Wizard: But when we're done with our business regarding it, maybe you 3 can join the Masters of Evil.

Shattered Dimensions Rhino: That would be nice. But right now, we're gonna cash in this bounty and gets lots of bucks!

Me: Awesome.

Nico: Yep. Great job today everyone.

Qin: Yeah!

Spiderman: (To the viewers) Juggernaut was tough.

Me: He sure was. We only have one more fragment to find in the Noir Dimension next.

Nico: Yep.

Me: Watch out Goblin.

We went back home. We still were in a bet we had to honor.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

TO BE CONTINUED…

Me: I can't wait to give those monsters what for.

Nico: Same here.

Carrie W.L.: Same here. It'll be good to confront my evil demons.

Nico: Yeah it sure will be awesome.

Devon: I'm really looking forward to this one.

Lola: Nico I hope you torture Billy first while we make Chris watch.

Nico: Oh that you can count on.

Whiplash: That will be fun.

Nico: Devon I want to thank you, Whiplash and your teams from coming with us.

Devon: No problem Nico. This is gonna be so awesome.

Tsukuyomi: I'm really looking forward to this one.

Nico: Tsukuyomi, are you happy I reunited you with Sougo?

Tsukuyomi: I sure am. And that was so awesome.

Me: That was a lot of fun back then.

Maxxine: It was really fun for us during my missions.

Tsukuyomi: And it was awesome sending Clyde and Syd helping me and the Zi-O Riders keep the Time Jackers at bay till the big day

mission.

Me: Nice to know my plan worked back then.

Camie: It sure did.

Tsukuyomi: I know. But you all saved me from that.

Qin: That was awesome.

Sougo: The best part is that Maxxine became my big sister.

Maxxine: I sure did.

Nico: Yeah.

Taro: Boy being turned into Greeeds like that is VERY SIMILAR to how people got turned into Hitotsuki's.

Xenia: Very close. They involved desires. Except one was formed from Villainous Breakdowns and the other from Core Medals.

Lola: Yeah no kidding.

Camie: Yeah.

Me: Boy yesterday's mission was one that was of Juggernaut Proportions.

WE LAUGHED AT MY PUN!

Nico: (LAUGHS) That was a good one!

Luan: (LAUGHS) Good one J.D.!

Eddy: (LAUGHS) That was a good one!

Me: Thanks! (LAUGHS) But seriously it sure was awesome battling Juggernaut.

Nico: Boy Juggernaut had to be the strongest one out of all the villains we faced so far in these adventures collecting the fragments.

Laney: No kidding there.

Qin: Yeah!

Me: But Lynn you and your team did a great job leading and battling against him.

Lynn: That was so fun. And the Fragment took away his invulnerability.

Me: That made him an easy target to bring down with pain.

Lynn: He probably would've defeated us if he hadn't used the fragment and lost his invulnerability.

Me: That is for sure. But thanks to the fragment doing that we brought the Unstoppable Juggernaut to his knees.

Lana: We sure did.

Lola: He was totally helpless against our power.

Nico: He sure was.

Eli: And the best part was that Silver Sable, Shocker and Rhino there got to enjoy a great show.

Nico: They sure did.

Lynn: And that finishing blow I did was something I learned off of the Matrix movies. That was so fun.

Camie: Very well done.

Rhino: I honestly didn't expect to see the other me there.

Shocker: Or the other me.

Me: Neither did all of us. That was awesome.

Nico: I wonder what they will do with the bounty on their Juggernaut?

Me: Probably enjoy themselves in the lap of luxury.

Nico: (to Rhino) You should be proud of your counterpart for killing his version of Kasady.

Rhino: I sure am.

Girl Jordan: That did answer my question on whether that world's version of Kasady is still alive.

Nico: It sure did.

Me: That world's version of Kasady may be dead but the Carnage Symbiote is still at large.

Xenia: Yeah.

Girl Jordan: And I have a feeling my hunch will be right.

Laney: We'll find out soon.

Lincoln: Yep. Are we ready?

Nico: We're ready. Lets go.

The Simulator activated, and we were in Chamberlain, Maine, but it descended into Hell thanks to the cruel prank of Chris Hargensen.

WE GASPED IN UTTER SHOCK!

Much of the city looked like it was blown apart by a war! There were burning buildings and cars and flaming wrecks everywhere.

Nico: Oh man, Chamberlain, Maine, and it's descended into Hell.

Me: My god. What the hell happened here!?

Eli: This place looks like a warzone.

Carrie White-Loud: Chris' prank on that day traumatized me, and it led to the deaths of so many innocent people, both her, Billy, and my mother were to blame for this.

Me: If we see that monster, we're killing her.

Lincoln: Without a doubt. Plus, after this, we're also going after Margaret White, and we decided to bring Sebastian with us.

Sebastian Mendez: That's correct. After we get done killing Chris, we're going after Margaret next, and I'll not only show her true pain, but I'll also show her pure unadulterated Hell.

Suddenly, the four golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window: we saw everything that happened before our arrival, as Carrie was with Tommy underneath the spotlight, Chris dumps the blood unto Carrie's head and the bucket falls on Tommy's head killing him and Chris played the shower video and that caused Carrie to lose it and she killed all the students but she'd spared Miss Desjardin due to her being pregnant as she was able to escape and Carrie left the school and locked the doors as the entire school burned and Chris and Billy escaped. The viewing window closed and the four golden halos stop glowing.

Lincoln: Chris' prank has already led to Tommy getting killed and Carrie losing control of her powers and she went berserk and killed everyone except for Miss Desjardin who was pregnant and she was able to escape, Carrie left a minute later, and Chris and Billy escaped before the chaos began, but the others are dead.

Me: That little bitch is dead when we get her along with her boyfriend.

Eli: They'll both pay.

We walked around and saw the entire town in flaming shambles.

Me: What a mess!

Nico: This is horrible!

Laney: And all because of that cruel prank done by Chris!

Devon: Better transform.

Tsukuyomi: Same here.

Devon: Activate Beast Power!

Tsukuyomi: HENSHIN!

They transformed and were ready!

Nico: Oh yeah!

Xenia: This is gonna be good.

Nico: Should we go to the school to check things out?

Me: There is no school to go to.

We saw the entire school completely engulfed in flames.

Nico: Oh nevermind.

Qin: Geez!

Eli: Lincoln, do you know where Carrie's Simulator counterpart is?

Lincoln: Let me pick up on her presence (Sensed Carrie's Simulator Counterpart) Whoa! I just picked up on her psychic energy, she's 500 yards away. Let's head on over and help her and then, we go stop Chris and Billy, along with hunting down Margaret White.

We headed for Simulator Carrie's location and not a second to lose.

We ran down the street and followed the trail of destruction that was brought in Carrie's rampage.

We saw buildings destroyed and burning and cars on fire and more.

Me: Holy Shit.

Carrie White Loud: I can't believe I did all this! This is a nightmare! Chris made me do it and so did my mother.

Nico: I know.

Laney: Heartless insane fools.

Lola: Yeah.

Maria: I should probably put these out.

Me: Good idea. (Sees Something) Wait look! There!

We then saw something at the end of the trail and we saw Carrie White and she was in her dress and DRENCHED IN BLOOD!

Me: There!

We went over to her!

Me: Carrie stop!

We went over.

Simulator Carrie: Have you all come to die?!

Lincoln: No, Carrie. We're here to help you, we know what Chris and Billy did and what you suffered through because of them and your mother.

Carrie White-Loud: He's right. I suffered a lot because of Chris, Billy, and my mother, Chris repeatedly tortured and tormented me in school and I was physically and mentally abused by my mother who'd tried to kill me, and because of them, everyone I knew had died and the town became nothing more than a reminder of that dark day. But, it was because of Team Loud Phoenix Storm, I was eventually given a new life and a new home years ago, and for the first time, I felt the love of being in a family: a love that was ruined by the elitist cruelty of Chris Hargensen, the criminal actions of Billy Nolan, and the homicidal religious fanaticism of Margaret White, and I also became the mother of two very beautiful girls as well who I'd adopted, they helped me out of that darkness, let us help you out of this dark road as well.

Me: That's right! Carrie let us help you destroy those monsters. Once and for all!

Simulator Carrie soon realized that what we said was true, and she broke down and cried.

Giggles: Margaret and Chris are going to pay for what they did.

Lincoln: That they will.

Carrie White-Loud: We're glad you're feeling better. Now, let's get you cleaned up.

Lincoln made a shower appear over Simulator Carrie and it cleaned off all the blood on her.

Lincoln: Now, we can hunt down Chris and Billy. (Sensed for Chris and Billy) AHA! Gotcha, you two bastards! Chris and Billy are 20 yards away and they're coming right at us.

Anna Anyanova: Let's get that fucking bitch.

Nico: (Cracks knuckles) Welcome to the corner of pain and suffering.

Me: Yeah!

Nico: Aren't any thugs going to come at us?

Lincoln: Nope not this time.

Nico: Great.

Xenia: Makes it easier.

Anna Anyanova: Saves us a lot of trouble.

Laney: Good.

Nico then saw the headlights of a car.

We didn't have long to wait: soon, we heard a car engine roaring and we saw our targets, Christina Hargensen and her boyfriend, Billy Nolan.

Nico: Hey! Go around, you jerk!

Simulator Chris Hargensen: Kill her, Billy! RUN THAT UGLY BITCH INTO THE GROUND!

Me: Uh oh.

Billy Nolan gunned it and he was speeding right at Simulator Carrie to run her over, but Lincoln steps forward and he punched the car hard and it exploded into nothing but scrap metal, and all that's left was Chris and Billy in their seats.

Simulator Billy Nolan: YOU FUCKER! YOU DESTROYED MY CAR! I'LL FUCKING KILL YOU!

Nico: Sorry. Your license has been revoked!

Simulator Billy Nolan: I'll kill you punk!

He ran up to Nico and then…

KRABLAM!

Nico punched him square in the stomach with devastating force and knocked all the wind out of him!

Then Nico had FLAME CHAINS burst out of the ground and they grabbed Billy's arms and legs and made it impossible for him to move as they held him in place.

Nico: How would you like to die? Swift and fast or Slow and Excruciatingly painful?

Whiplash: How about I get in on that?!

Nico: Sure!

Me: Same with me!

I formed an energy whip!

May and Maria were holding Chris in a chair and forcing her eyes to stay open as she watches us TORTURE BILLY!

Me: Now make a wish Billy. 50 lashes! (ACTIVATES WHIP'S

RIDEWATCH)

CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK!

Me: 10!

CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK!

Nico: 20!

CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK!

Whiplash: 30!

CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK!

Me: 40!

CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK CRACK!

Nico: 50!

He had bleeding cuts all over him and was dripping blood all over.

Maria: Take a look at what you've done!

May: Because of your cruel prank, 270 people are dead!

Laney: Their blood is on your hands!

Simulator Chris: I DON'T FUCKING CARE! CARRIE IS A MOTHERFUCKING FREAK AND SHE BELONGS IN HELL!

POW!

Maria punched her in the face!

Maria: You motherfucking pissant!

Me: Now how about this one?

I pulled out a branding iron in the shape of the star of Satan and made it glow red hot.

Nico: Your mark of damnation.

I went over to him and tore his shirt off and then put the brand on his back and he screamed in pain!

SIZZLE!

Simulator Billy: (SCREAMS OF EXCRUCIATING AGONY)

Nico: Does that hurt? Good!

Eli: How about this too?

Eli went over and then did something we would never expect. We saw him GOUGE HIS EYES OUT! LITERALLY!

Billy screamed in pain! Eli then squished Billy's eyes!

Simulator Billy: (SCREAMS OF AGONY)

Simulator Chris: BILLY NO!

Me: How does it feel Billy! The pain you caused to so many people! The hurt you caused! HOW DOES IT FEEL!

Nico: We can't even go to the school for evidence now!

Me: Because of you and Chris, YOU BURNED THAT WHOLE SCHOOL TO THE GROUND! You killed 270 people!

May: You hear that Chris?

Simulator Chris: THIS WHOLE MOTHERFUCKING TOWN CAN GO TO HELL! I HATE CARRIE WHITE! SHE CAN GO FUCKING BURN IN HELL! MOTHERFUCKING PISSFUCKER!

BLAM POW BIFF!

May punched her in the face and knocked out some of her teeth!

Nico: You deserve the same fate we gave Joker, Luthor, Burns, and Crocker!

Me: And that is death and the Black Gates! But not after we torture you for a bit. To make you feel the same pain Carrie felt.

I then took out a katana and then stabbed him in the gut. Then…

SQUELCH!

I pushed the Katana and then gave him a NASTY CASTRATION AND DISEMBOWELMENT!

Blood and intestines and organs POURED OUT OF HIM!

Nico: Nice one!

Natasha Hernandez: Learned that one from Snowman I'll bet.

Me: Yep I sure did.

Natasha Hernandez: Nice.

Nico then broke his arm.

CRUNCH!

I took a sledgehammer and SMASHED HIS LEGS!

CRUNCH CRUNCH!

Nico then broke his other arm!

Then I took out a pair of pliers.

Me: Lets play Dentist.

Nico: With his teeth?

Me: Yep. Open his mouth.

Nico did so.

I then pulled out all of his teeth one by one and he screamed in agony!

* * *

Chunk: OH GEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight and friends threw up EVERYWHERE!

Nico: Don't act like you don't deserve this!

Me: Because you do!

Nico: Yep. J.D. you can kill him.

Me: And I know just how to do it. First this.

I plunged my hand in into his chest and then..

SQUELCH!

Ripped out his beating heart!

I then force Billy to eat it!

Me: Now! EAT IT!

He was chewing on it but barely.

Me: Now for this one. This is gonna be bloody.

I got behind him.

Me: NIGHTMARE CARNAGE STYLE NINJA ART: DISMEMBERMENT OF THE SAND JELLYFISH!

I fired out tentacles from my hands and they latched onto Billy and then then they were eating him all over! Then they REALLY MUTILATED HIM! Blood and innards splattered everywhere as he was being eaten all over. Not just from the outside but from the inside too! He was reduced to nothing but bloody slop!

I then banished him to the Black Gates forever.

Simulator Chris: (IN DESPAIR) NOOOOOO! BILLY!

Me: BLECH! His blood tasted like gunpowder, bat guano and cow shit!

Maria: YUCK!

Nico: Good riddance!

Lily: That was one Jellyfish that SpongeBob wouldn't catch.

Nico: Yep. Now for our caged bully!

We set our sights on Chris.

Then, Lincoln kicked Chris hard and she crashed into a tree, and that really pissed that bitch off bad!

Simulator Chris Hargensen: (NTH-DEGREE FUCKED-UP ENRAGED SCREAM) I'LL FUCKING KILL ALL OF YOU!

Anna Anyanova: Fuck you, bitch!

Anna Anyanova fired blasts of light and darkness at Chris Hargensen and she got burned bad.

Lincoln: Nice one, Anna!

Me: That was brutal!

Nico: But, well-deserved.

Carrie White-Loud: Indeed. Now, it's high-time that we deliver unto Chris' black heart and soul her punishment for her crimes.

Eli: Your day of eternal damnation has arrived, bitch!

Sabrina Lorelai summoned tentacles of darkness that restrained

Chris Hargensen so she couldn't even escape.

Sabrina Lorelai: You're not getting out of this, you must pay for the lives lost!

Maria: Did you even realize that one of the only people to escape was pregnant?!

Simulator Chris: I DON'T FUCKING CARE! I NEVER WILL CARE! ALL I CARE ABOUT IS WHAT I WANT!

Me: So in a way…

BLAM!

She punched her in the face.

Maria: (Finishes for me) YOU'RE A FUCKING SPOILED BRAT!

Nico: Yeah!

Maria: You're disgusting!

Nico: You deserve every last bit of this!

Me: BIG TIME!

Suddenly, Carrie's eyes turned neon golden yellow and she was surrounded by a white and golden yellow energy aura with stars, rainbow crystals, heavenly lights, phoenixes, and angels, and as she approached Chris Hargensen, she left white and golden yellow energy, stars, rainbow crystals, heavenly lights, phoenixes, and angels with every step.

Carrie White-Loud: Even after all this time, you're still nothing more than a monster through and through. You've bullied, tortured, and tormented me and made my hellish life even worse than before, Chris, and despite the repeated warnings you'd gotten from Miss. Desjardin, you refused to listen, and because of that stupid prank you and Billy pulled and the homicidal religious fanaticism of Margaret White, over 200 people lost their lives. I will never forgive you for what you've done, and now, it's time for you to join your boyfriend in Hell where you rightfully belong.

Lincoln, Sugarcoat, Carrie White-Loud, and Giggles went after Christina Hargensen, who's now gone Nth Degree Fucked-Up Super Crazy, and they fired extremely powerful blasts of rainbow energy, rainbow and aqua blue energy, light opalish gray and light arctic bluish gray energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Chris Hargensen and they exploded with incredible power as they hit her.

AND THEN, SHE LITERALLY TURNED INTO AN OUT-OF-CONTROL RABID DOG AND SHE WAS FOAMING AT THE MOUTH EVEN MORE!

Simulator Chris Hargensen: (NTH-DEGREE FUCKED-UP SUPER MEGA ENRAGED SCREAM) I'LL KILL YOU ALL AND SPIT ON YOUR FUCKING GRAVES!

Simulator Chris Hargensen ran at Lincoln, Sugarcoat, Carrie White-Loud, and Giggles now completely crazy and now out of her mind, but Lincoln, Sugarcoat, Carrie White-Loud, and Giggles kicked her into the air and Lincoln summoned a storm, and Simulator Chris Hargensen was electrocuted severely with lightning strike after lightning strike and she crashed onto the ground. Then, Lincoln wrapped her up in a gold spider silk straitjacket, and just in time too, we saw her dad arrive, and boy was he pissed off at Chris big time.

Mr. Hargensen: I am so absolutely disgusted by your behavior, Christina! So, everything we'd heard from Maria and the others was true! You've tarnished our family's reputation with your despicable actions! I can't believe that you're even my daughter! What kind of person could do those evil acts to Carrie?!

Maria: Everything we told you is all true, Mr. Hargensen. Your daughter is a monster with a complete disregard for the lives of those around her, she's been a nightmare to everyone for years!

Anna Anyanova: Yeah, she's gotten away with everything by using your reputation, and no one's been able to stop her.

Eli: And let's not forget what she'd done in threatening everyone who's crossed her path!

Anna Anyanova: That was until we came here to stop your daughter.

Mr. Hargensen: And we thank you for what you did, Anna. Lincoln's lucky to have a Guardian Angel and future wife like you in his harem.

Lincoln had an atomic red blush on his face, and Anna Anyanova went up and kissed him on the lips and he returned it. Then, he turned to face Chris Hargensen who was literally in big trouble.

Me: Mr. Hargensen, you have raised someone who is nothing short of a monster! If Chris was the Devil in Human Skin she would make Satan himself look like a saint! Your daughter is literally the Spawn of Hell and is PURE EVIL INCARNATE. She has caused nothing but pain and trouble to everyone around her! She only cares about no one but herself and has cheated her way into getting what she wants. Can't you see that Chris has no love for anyone? She HATES YOU! She hates everyone and EVERYTHING! She treated all her friends like garbage and she treated them like they were her slaves and she ruled the school with fear! And she has no love or compassion for ANYONE! She tortured everyone in the school and made them all look like a bunch of motherfucking idiots! You have poisoned her mind with nothing but bullshit elitist status and look at what she became! A HEARTLESS RUTHLESS PSYCHOPATHIC MONSTER! And she played a REALLY CRUEL Prank on Carrie White Here. Drenching her in pigs blood and Humiliating her in front of the whole school with her period! And because of that, Carrie went on a rampage and BURNED THIS WHOLE TOWN to the ground! Killing over 270 people! The blood of all those people is on HER HANDS!

Eli: YEAH!

Nico: Wait. What about her mom?

Me: We'll deal with Carrie's mom when the time comes.

Nico: Oh.

Eli: Yeah.

Mr. Hargensen: I did my best to raise you right, but instead, you went downhill and started causing trouble, God knows how many times I'd been called to the school involving yet another of your stunts. You've used my reputation to get away with doing horrible things to innocent people, and if you hadn't been stopped, you would've wound up taking more lives in other cities. Well, that all ends here and now! Chris, you are hereby disinherited from our family fortune and it'll be passed on to your younger sister, Amanda, and you are also disowned from our family forever.

Simulator Chris Hargensen: WHAT THE FUCK DID YOU JUST SAY?! YOU CAN'T DO THIS TO ME! YOU WEAK, SPINELESS, SENILE OLD FOOL! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL! DO YOU HEAR ME?!

Lincoln fired a rainbow energy blast which turned into a muzzle and she was muzzled.

Maria: Thank you for that, Lincoln, I'm getting sick and tired of hearing her big fat mouth running off like that!

Mr. Hargensen: I never want to see your face again! You're no longer my daughter, you can go ahead and get rid of her.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, Mr. Hargensen.

Me: Remember this Chris. KARMA is a bitch!

Lincoln then brought his massive greatsword down on Chris' neck and beheaded her with one swift cut and she was sent to The Black Gates.

Me: Awesome! Now, we got to deal with Margaret White.

?: YOU WRETCHED SPAWN OF THE DEVIL!

Carrie White-Loud: (Divine Echoing Godly Voice of The Heaven Holy Rainbow Crystal Light Archangel Phoenix Angel and Divine Cosmic Heavenly Holy Rainbow Crystal Light Archangel Phoenix Angel Love) Looks like we don't have to go after her. Here she comes!

We then saw Margaret White, and she's literally gone on a homicidal rampage and was about to kill Carrie with a knife she had. But, Sebastian fired chains of black energy which wrapped around her arm and he tightened his hand and the chains tightened her arm even more and then… !

CRACK!

The chains broke Margaret's arm as she screamed in agonizing pain and she dropped the knife.

Sebastian Mendez: You really make me sick, you religious fanatic. You physically abused and mentally tortured your own daughter and for what, to fulfill your religious fanaticism? That's one of the things I can't even stand with fools like you.

Suddenly, Sebastian was surrounded by a black and red energy aura and we felt the darkness rise up from inside him: THE GATES OF HELL HAVE BEEN OPEN AND ALL HELL WAS ABOUT TO BREAK LOOSE ONCE MORE!

Sebastian Mendez: You never cared for your daughter, you treated her like a plague instead of giving her love and you never raised her properly like a real mother, you led her down that path and she'd have fallen down into darkness had we not arrived. Chris Hargensen already paid the price for her part in what she did to Carrie along with her boyfriend, Billy Nolan. (DEMONIC VOICE) Now, it's your turn, Margaret White!

Sebastian unholstered his massive greatsword from his back and he snapped his fingers and he had sent many knives at Margaret White which went through her body and the entire place was inundated with her blood and the knives then pinned Margaret White to the wall crucifying her, and then, he raised his massive greatsword above his head, and then… !

SLASH!

Sebastian slashed her with his massive greatsword and more of her blood sprayed out from her and onto him, and he opened a portal to The Black Gates which dragged Margaret White's soul inside it, and he sent her dead body to Hell to be food for the demons. Everyone in The Simulator saw it even The Z-Fighters and Buster's gang from Acme Acres.

Gohan: Oh man, I thought I'd never ever have to see that again!

Goku: Me neither.

Drakus: (GULPS) So, that's… really Sebastian?! My God, what on Earth caused him to turn into that!

X-Squad Cell: And I've got a feeling Dustin Keystone and Dark Chase Young weren't the only ones behind that.

Buster Bunny: We've got a lot of explaining to do later.

Vegeta: He's right. You all deserve to know the truth as to why he becomes like that whenever any fool dares to piss him off especially when it comes to family.

We all cheered wildly as Lincoln, Sugarcoat, Carrie White-Loud, and Giggles, holstered their massive greatswords on their backs and powered down, and Sugarcoat's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer light light opalish gray tail with light arctic bluish gray streaks, long light phthalo bluish gray horn, and massive light phthalo bluish gray feathers angel wings wings are permanent, Samey's new new body, clothes, gold halo, weapons, jewelry, Third Eye, and massive white angel wings are permanent, and Giggles' new body, clothes, gold halo, weapons, jewelry, Third Eye, and eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Carrie White-Loud: Good riddance, Chris and Billy, and goodbye forever, "Mother".

Suddenly, Sugarcoat and Giggles felt wobbly and she was about to faint, but Lincoln caught them in his massive and powerful muscular arms.

Lincoln: You and Sugarcoat okay, Giggles?

Giggles: I'm a little dizzy from that.

Sugarcoat: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that bitch, Chris Hargensen, quite the beatdown of her life.

Nico: And finally, the final nail of her coffin was her father finding out of her crimes and disowning her and Lincoln beheading her and sending her straight to The Black Gates.

Lincoln: Now, she and Billy can be together in The Black Gates.

Carrie White-Loud: The same went with Margaret, that woman was never my mother, she was the true spawn of The Devil.

Giggles: You said it.

Sugarcoat: Those three devils deserved death.

Suddenly, Sugarcoat wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sugarcoat's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a

Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Sugarcoat sucked in and absorbed the elements.

Then, Lincoln and Giggles absorbed the water and they came back to us as the display vanished.

Nico: That takes care of that.

Me: Good riddance.

Sebastian Mendez: Yeah no kidding.

Me: Now for our business.

Eli: The Anothers.

Me: Yep.

Eli: We have Another Whip, Sharky, Big Boss Brain, Squirrel Monster, Alien (Courage The Cowardly Dog), Flame Eye Monster, Ferocious Jaws, Eustace the Chicken, Evil Snake and Whiplash.

WE GASPED!

Me: Whoa!

Qin: Wow!

Bai Tza: Whoa! These guys are wicked scary! Courage turned into the Flame Eye Monster and the Ferocious Jaws as a way to warn Muriel and Eustace.

Lana: Eustace turned into a chicken when he had one of the Space Chicken's eggs for breakfast.

Lana: The Big Boss Brain and the Alien were emotion sucking parasitic aliens.

Me: Weird. What did they look like?

Laney showed a hologram of them.

Shanan: WHOA! Wait a second! Those are Emotibrainians! They are a race of Emotion Sucking Parasitic Aliens that want to conquer the universe with emotions from others.

Nico: Ugly!

Me: yeah!

Bai Tza: The Squirrel Monster we encountered on Mount Rushmore and it mauled Eustace. Sharky was that captain we met when we found Carmen the Opera Singing Serpent.

Lincoln: You guys should hear Carmen sing. She has an amazing voice.

Me: I'm sure she does. Wow.

Bai Tza: And The Whip looks like Eustace as a Western Outlaw.

Nico: WHOA!

Nico: Who do we call for this?

Me: Bianca Bombshell, Umika Utopia, Leia Lightning, Hannah Hollow, Helena Halloween - Knight of Halloween Town, Lola Vordranakova A.K.A. Sailor Vodran, Kammie Amii A.K.A. Sailor Kamino and Katherine Khitomera A.K.A. Sailor Khitomer.

Nico: COOL!

Qin: Yeah this will be cool.

Lola: Yeah.

Laney: It sure will.

Maria called them in.

In swirls of elements came said people.

Sailor Kamino: Hey guys!

Sailor Khitomer: We're here.

Me: Awesome girls.

Eli: I sense that the Anothers minus Whiplash are all one person.

Me: Awesome.

Nico: There they are!

Then out came Another Whip, Sharky, Big Boss Brain, Squirrel Monster, Alien (Courage The Cowardly Dog), Flame Eye Monster, Ferocious Jaws, Eustace the Chicken and Evil Snake!

Qin: Whoa!

Xenia: This will be big.

Lola: Yep.

Another Sharky: (In a girls voice) Terrible what happened here huh?

Me: (Gasp) That voice!

They merged and she reverted back and was a girl with black hair and blue eyes and had brown clothes and had a tattoo that looked like a meteor on her arm and she had star angel wings and had a tiara with the symbol of the Meteor Dopant on it and the same symbol was on her skirt and she had a Shooting Star Magisword in her hands.

Me: (GASP) Meteora Meteorite!

Qin: WHOA!

Meteora Meteorite: Awesome to see you again J.D.

Me: Same here. Meteora is the embodiment of the Meteorite Dopant and she has all the power of a meteor and delivers an explosive punch.

Meteora Meteorite: I sure do.

Philip: That is awesome! We never faced the Meteorite Dopant before.

Shotaro: It sure is.

Nicole: What powers do you have as a result of that?

Meteora Meteorite: I have the power to breathe in space and I can fire fireballs that destroy things with the force of an asteroid impact.

Laney: WHOA! That is powerful!

Qin: Like a living asteroid shower.

Me: Yeah! BTW Is the Another Whiplash friendly or hostile?

Meteora Meteorite: Friendly and you will get very hungry from her.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers.

Me: Oh yeah!

Hannah Hollow: Lets blast them.

They fired waves of energy and elements and blasted the Anothers. I then caught the Wonder Ride Books.

Me: Oh yeah!

Xenia: That was awesome!

Nico: Now, we wait.

Me: We don't have to wait long!

We saw ANOTHER WHIPLASH!

Me: Another Whiplash!

Whiplash: Who is that handsome fellow?

Nico: Another you.

Another Whiplash: (In a girls voice) It's going to be fun though.

Me: (GASP) That voice.

She reverted back and was a girl with blond hair and yellow eyes and had red clothes and had red angel wings and she had a tiara with the symbol of the Noodle Dopant on it and she had the same symbol on her skirt and she had a Spaghetti Noodle Sword in her hands.

Me: (GASP) Nyarla Noodle!

Nico: OOH!

Nyarla Noodle: Awesome to see you again J.D.

Me: Same here. Nyarla is the Embodiment of the Noodle Dopant. She is not only an awesome and great pasta chef that can make any kind of noodle there is. But she can also use noodles as any kind of weapon there is.

Nyarla Noodle: That's right. I like making Noodle Whips too.

She formed an Udon noodle whip.

Nyarla Noodle: It's part of my many powers as the Embodiment of the Noodle Dopant.

Nico: Cool!

Kaito: (gets out Kyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Lupinranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Patranger gear) Zocks, I'm joining in too!

Zocks: Cool!

They got LupinRanger & PatRanger blasters and a Star Sword.

Nyarla Noodle: Actually he didn't promise me anything. I made an incredibly big bowl of my escape noodles for Swartz.

Nicole: What's that?

Nyarla Noodle: Homemade Porcini Spaghetti and it's got a nasty secret ingredient in it. EXTRA EXTRA STRONG super laxatives.

WE LAUGHED!

Laney: (LAUGHS) That is funny!

Sakura Knudson: (LAUGHS) That explains why he was on the toilet for over 7 hours that day!

Me: (LAUGHS) THAT IS RICH!

Nico: (LAUGHS) That is funny!

Nyarla Noodle: Yep. I used that time he was in there to run.

Me: Nice!

Sougo: (gets out Kyuranger ridewatch) Noodles as whips, huh?

Geiz: (gets out Patranger Ridewatch) That's actually very clever.

Tsukuyomi: (gets out Lupinranger Ridewatch) Can I join in too?

Sougo: Sure.

Sougo got ShishiRedArmor, Geiz got Patren1gouArmor, and Tsukuyomi got LupinRedArmor.

Me: Awesome. Sorry we have to fight like this.

Nyarla Noodle: No worries.

She turned into Another Whiplash!

Nico: Taste these whips! (ACTIVATES WHIPLASH AND EVIL SNAKE'S RIDEWATCHES)

He formed a whip and lashed her all over!

Qin: WHIP IT GOOD!

May: This is golden! (ACTIVATES GOLD MONSTER AND FLEURINA'S RIDEWATCHES)

She fired waves of gold and wind and smashed her down.

Maria: Now this one. (ACTIVATES PENGUIN AND JACK'S RIDEWATCHES)

She fired energy blasts and smashed her down.

Tsukuyomi: Time to Whip It Up! (ACTIVATES EVIL SNAKE'S RIDEWATCH)

She lashed her all over.

Then Red X, Burnertron, Evil Kirby, Shear, Sushi World and Teruteru Hanamura came.

Nico: Nice Team Red X!

Red X: Thanks Nico and nice job torturing Billy. We saw the whole thing.

Burnertron: That was awesome.

Nico: Thanks.

Me: That was fun.

?: That jerk had it coming.

Then we saw a Wo-Chien, Chien-Pao, Ting-Lu, and Chi-Yu and a girl that looked like Roll!

Me: Cool! Wo-Chien, Chien-Pao, Ting-Lu, and Chi-Yu!

Nicole: And Roll?

Wo-Chien: (In a girls voice) I think this will be fun.

Roll 2: Yeah it will!

Nico: (GASP) Florence Nightingale Jones, Maria Polo Jones, Carla Columbus Jones and Hermione DeSoto Jones, and Rina Mega! Wow!

They reverted back. Florence was a girl with red hair, blue eyes and had red clothes, Maria was a girl with blue hair, blue eyes and blue clothes, Carla was a girl with green hair, blue eyes and green clothes and Hermione was a girl with yellow hair, blue eyes and yellow clothes and Rina was a girl with blond hair and blue eyes and had red and white clothes on and she had red angel wings and an arm device like Mina Mega's.

Rina Mega: Awesome to see you again Nico.

Florence Nightingale Jones: Yep. We got this.

They fired waves of energy and smashed her down and I caught the ridewatch and purified it and brought Nyarla over.

Hermione DeSoto Jones: That was fun!

Nico: I'm surprised you're not naked this time, Rina. Because the others might be.

Rina Mega: I know.

Nicole: Wait I thought you girls looked familiar. You're the daughters of Indiana Jones!

Carla Columbus Jones: That's right. We heard you met our dad a while back.

Me: We sure did and your dad is an awesome treasure hunter.

Nicole: He sure is.

Nico: That is awesome!

Me: Yep.

Tsukuyomi: What's your favorite memories of Nico.

Florence Nightingale Jones: When we went into an ancient underground city in Japan and found these.

They showed 4 books on their backs.

Nicole: (GASP) The Books of Kajin, Dojin, Suijin and Kazejin! I've been trying to find those for years and they are the books of the Gods of the Elements of Japan themselves.

Carla Columbus: Yep.

Nico: That was fun.

Rina Mega: My favorite is when me, Nico and Mina went and bashed a massive diamond smuggling operation and brought them down.

Me: Cool!

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Rina Mega: Same here Nico.

Hermione DeSoto: It's going to be awesome helping you out.

Me: Yep.

We went back.

Lincoln: Whoa, we're here in West Virginia, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to destroy Mukai, the main antagonist from the 2003 game The King of Fighters, but that won't be easy, Raven Delg's vile brother, Robert Delg, is rushing to kill Mukai and slake his thirst for blood.

Me: He's finally gone insane after seeing every last Elemental Monarch of Evil being slain by you and The Elemental Monarchs of Good.

Nico: But, that won't matter, later on today, he's going to die like the rest of the rest of his team.

Casey: He dug his own grave for everything he's done.

Eli: (Sensed Robert Delg's energy) We better hurry, Robert Delg is on his way to kill Mukai.

Lincoln: He won't get far.

Suddenly, Lincoln's halo glowed and fired a blast of light and trapped Robert Delg in a prison so he wouldn't interfere. Suddenly, we saw a beautiful and super sexy girl with long blonde hair put in a ponytail, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful pink angel wings and Time Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, clocks, Keyblades, and angels on the coattails and on the back is The Caribbean, in her right hand is the Wheel of Fate Keyblade and in her left hand are the Fair Game cards, and with her are the seven girls.

Lincoln: (GASPS) Lucy Luxord, Keyblade Knight of The Caribbean and The Embodiment of Luxord, the Gambler of the 10 Fates and Power of Time.

Lucy Luxord: Yep, and I got the girls away from that servant of that extremist deity, and that was a sweet move you did in imprisoning that asshole in a light prison.

?: I commend you all for coming this far, and in honor of your achievements, I shall face you all myself

We then saw our target, Mukai, who's transformed into his alien form.

unholstered our massive greatswords and we transformed, and we went after Mukai, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as

they hit him.

Mukai: So, this is the very power and might of Team Loud Phoenix Storm. I admit defeat: my powers are now yours, Slayer of Orochi.

Then, as if understanding Mukai's wish, the four orbiting gold rings in the corners of Lincoln's large gold halo fired red absorption blasts which hit Mukai, and he'd sucked out and absorbed Mukai's Geokinesis, Transformation, and Stone Techniques and made them his own. Then, Lincoln stabbed Mukai in the chest with his one of his massive and long eleven white wolf tails as he transformed the tip into Cell's stinger and he absorbed Mukai into his body and the stinger had changed back. Then, Lincoln drained Mukai's soul of all his energy and banished him to The Black Gates. We cheered as we holstered our weapons and powered down, and the barrier keeping Robert Delg imprisoned had gone down, and when he saw what Lincoln did, he roared in rage and ran off like the coward he is.

Lincoln: That's it for you, Mukai, and Robert, you can run, but you can't hide and you're not getting out of this as well, later on today after our mission, you shall be the last one to die. (To Lucy Luxord) And it's so good to see you again, Lucy Luxord.

Lucy Luxord: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Lucy.

Lincoln went up to Lucy Luxord and he hugged her, and Lucy Luxord is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lucy Luxord: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Lucy Luxord, Keyblade Knight of The Caribbean and The Embodiment of Luxord, the Gambler of the 10 Fates and Power of Time, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of time and fate, and she harbors a very very nasty hatred towards Davy Jones, Cutler Beckett, Blackbeard, and Salazar, and she wants nothing more than to kill them all and send them straight to the blackest depths of Hell, and Lucy also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Luxord and his evil self and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Laney: My little sister, Lily, defeated Luxord's evil self in Port Royal during The 20 Days of Darkness and he not only accepted defeat, but he allowed her to put him into a Disk.

Lucy Luxord: He always believed in fair play.

Lily: Yep, and while Luxord himself is in The Redemption Squad, we put his evil self into The Masters of Evil just to even out The Organization.

Lucy Luxord: Well, I hope so.

Lea: Hey, don't worry, we've now grown to tolerate them now as frenemies.

Michelle Emperyous: True, Lea, but The Keyblade Knights still held their grudges against them. Lucy came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Lincoln: She even taught me how to use Luxord's powers as well and she really helped Clyde with mastering his time powers as well.

Clyde: You got that right, she taught me a lot. Hey, maybe she can teach all those who have Time Powers her tricks as well.

Nico: Not a bad idea, Clyde.

Lincoln: Good idea, buddy.

Me: I'd like to see what kinds of tricks Lucy taught you.

Lincoln: Maybe for another time, J.D. Today's the day we learn of that very darkness Sebastian kept hidden.

X-Squad Cyclonis: Yeah, I'd hate to find out the truth.

Drakus: Same here.

Lincoln: But, it needs to come out into the open one day, and now that you're here, Lucy.

Lincoln went up to and hugged Lucy Luxord in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his gold halo and four surrounding gold halos on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lucy Luxord: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Lucy Luxord's neck with gold gems on the gold lightning bolts and gold crystal links from her merged Crystal

Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lucy Luxord: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lucy Luxord.

Lucy Luxord had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them immediately. The seven girls are Akina Miyazawa, Hina Natsukawa, Aoi Fukunaga, Yuuki Futaba, Yui Hamada, Haruka Takai, and Suzuran Tsuji from Issho ni H Shiyo.

Lincoln: Oh wow, it's Akina Miyazawa, Hina Natsukawa, Aoi Fukunaga, Yuuki Futaba, Yui Hamada, Haruka Takai, and Suzuran Tsuji from Issho ni H Shiyo.

Ed Cowart: Ooh boy, Lincoln, this new set of girls you just rescued are extremely busty and extremely beautiful and are likely even hotter than Lady Tsunade.

Lincoln: Ed, you better watch it. Are you girls okay?

Akina Miyazawa: Yes, we're okay, thanks to you.

Then, when Akina Miyazawa and the other six girls saw who it was that saved them from Mukai, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope

Akina Miyazawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Akina Miyazawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akina Miyazawa, Hina Natsukawa, Aoi Fukunaga, Yuuki Futaba, Yui Hamada, Haruka Takai, and Suzuran Tsuji with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Mukai, the main antagonist from the 2003 game The King of Fighters, but we also had a very slight interference, Raven Delg's vile brother, Robert Delg, who rushed to kill Mukai and slake his thirst for blood.

But, when Lincoln showed what we did in beating down Mukai and Lincoln firing four red energy blasts from the four orbiting golden rings on each corner of his large golden halo behind his head and that sucked out Mukai's powers and he made them his own and finishing him off by stinging him with his tail and absorbing him and after draining his soul of all his energy and sent him to The Black Gates forever which sent that dumbass Robert Delg roaring in rage and running, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Lucy Luxord have a lot of catching up to do, now that she's back in town.

Maria: Thank goodness you got rid of Mukai and sent that dumbass running.

Lincoln: Yeah, but now, he's completely gone crazy and insane, thanks to what we've done to the rest of his buddies.

Raven Delg: And now, he'll finally join the rest of his blockhead dirtbag friends in The Black Gates after today's mission to get the next Tablet fragment.

Nico: You two will definitely send him straight to Hell for this.

Me: They sure will.

---

After getting rid of Mukai and this time for good along with driving off that dumbass Robert Delg, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lucy Luxord saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lucy Luxord: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lucy, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Lucy Luxord: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lucy Luxord: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. Okay, now it's time to get down to business. Buster, Vegeta, you two said something that concerned about what we saw with Sebastian, right?

Buster Bunny: Yes, we did.

?: Hey, don't start without me.

Suddenly, we saw an extremely sexy and beautiful black-haired Succubus appear from a tornado of darkness, she was tall at 7'0" in height, she had the body of a goddess and she had a large bust, she has black bat wings and tail, and she was dressed in a black sexy two-piece bikini.

Drakus: Oh shit, our favorite sexy Succubus, Rachel Carrington, is back!

Suddenly, Rachel Carrington grabbed Drakus and shoved his head right in between her breasts as she held onto him.

Rachel Carrington: Oh, it's so good to see you again, Drakus, my hot cryptid warrior!

Drakus' face turned bright red and he was about to squirt blood from his nose again, but he held that in while we laughed.

Nicole: Drakus, you know her?

Rachel let Drakus breathe after smothering his face in her breasts.

Drakus: Yeah, I do, Nicole. Everyone, meet my old friend, Rachel Carrington, and as you can guess, she's an extremely sexy and beautiful black-haired Succubus. I had to protect her from the leery eyes of perverts who think they can get a chance to get with her, and I even got covered in blood when I go into Blood Rage Mode. But, I was unable to save her long ago.

Lincoln: What happened?

Rachel Carrington: Ask him! (Points at Sebastian)

Sebastian Mendez: Damn it! I should've known you'd still remember all that even after you got freed from that bitch!

Nico: Hey, what's with the hostility?

Drakus: I never told anyone except my Squad this, but, Rachel Carrington wound up getting killed by Sebastian in cold blood long ago.

We gasped.

X-Squad Cyclonis: And if that wasn't bad enough, he sent her to Rita Repulsa and Lord Zedd who brought her back and brainwashed her into becoming Zixkle, Daughter of Rita Repulsa and Lord Zedd.

We gasped in shock!

Lincoln: And that was a long time ago, long before he was purified by Nyx. So, that's why… !

Rachel Carrington: Yep, because of that, I developed a blood hatred for him. But, I was able to get myself separated from the Zixkle persona and I still retain my immense demonic powers, dark magic, demonic magic, and darkness powers, that Zixkle persona had the same thing copied into her body.

Lincoln: Yeah, and when Dark Sebastian came back from the dead, Sebastian dragged her out and I drove my massive greatsword into Zixkle's stomach, and I'd sucked out all of her dark powers, dark magic, and enormous demonic powers and he made them his own and purified her dark Wonder Ride Book and it transformed into a new Super Book for Sebastian called The Divine Dark Emissary of Nyx, and then, to add insult to injury on Lord Zedd even more, I drained Zixkle of all her life energy, and as soon as her soul appeared, Lincoln banished her to The Black Gates forever.

Rachel Carrington: Damn it, I should've come over to see it for myself.

Drakus: Yeah. But, she like her mother and father was a sore loser, she'd tethered the last remaining fragment of her evil soul to Brandon Skellington's old enemy, Darryl Calderon and one of the allies of Oogie Boogie, but during Lincoln's rescue in Auradon, during a musical fight that was inspired by The Filthy Finale Oogie Song from The Nightmare Before Christmas: Oogie's Revenge, we had destroyed Darryl Calderon and not only was he banished to The Black Gates, but also, the last soul fragment of Zixkle as well was also banished to The Black Gates forever and she's been forever erased from both existence and history.

Rachel Carrington: Okay, but that still doesn't forgive what he did in killing me and sending me to be turned into their puppet.

Me: That was mainly due to the darkness of Chase Young's Dark Side and his descent into madness thanks to Dustin Keystone.

Nico: Yeah, Chase Young's Dark Side was the one who did this! He tethered that dark side of his back to him even after he got freed thanks to Lincoln's purification technique, and his moment of freedom was gone again.

Drakus: And Nyx's intervention separated him from his Dark Side, but that bastard caused a shit ton of damage, but now, he's gone for good.

Rachel Carrington: Oh man, I had no idea.

Lincoln: Dark Chase caused a ton of suffering to me as well, but he paid the price for good.

Rachel Carrington: Good riddance to that piece of shit.

Nico: Yep.

Buster Bunny: Alright, gang, it's time you learned the truth of Sebastian's extreme violence when he's off his leash. Now, it's no surprise that Sebastian is dangerously violent to the truly irredeemable as we saw from many villains we'd fought not to mention extremely scary, but way before he was purified and freed from his dark side, he was an extremely terrifying and dangerously murderous sadistic monster with an unquenchable thirst for blood and a desire to destroy mankind on Earth and all life in the universe and the universes beyond.

Babs Bunny: Yet despite all that, a part of the real Sebastian was there, but what Vegeta did years before J.D. moved to Michigan, we eventually saw what happens when you really get him that mad.

Bugs Bunny: Yep.

Bugs Bunny put up a video of a fight that took place many years ago, and we saw The Looney Tunes and The Z-Fighters fighting against Sebastian and The Z-Fighters' old enemies that he brought back from the dead and put them under his control, and it was literally like Hell on Earth as we'd seen that Sebastian and the resurrected old enemies of The Z-Fighters laid waste to all in their path.

Past Gohan: You seriously don't even know when to quit, Sebastian?!

Past Buster Bunny: You're like a bad case of poison ivy that just won't go away!

Past Sebastian: SILENCE, VERMIN!

Past Sebastian summoned hands of darkness that tried to swat them away, but Gohan blasted the dark hands and then blasted the dark monster in the shoulder with a powerful energy blast and he shrieked in pain, and Buster got out a huge mallet and whacked him hard in the face and sent him flying into a rock formation which crumbled under him. But, he got out and he was mega insane now!

Past Sebastian: You… wretched… little! (SCREAMING DEMONICALLY)

Past Sebastian went at them with murder on his mind, only to get sidewinded by Vegeta who charged right at him, but the dark demon flew out of the way and dodged the attack. But, he went right at Vegeta trying to cut his arms, legs, or his head off, but he dodged them, and he punched Sebastian hard in the stomach and fired an energy blast which should've eviscerated his vital organs, but that didn't work as his wounds immediately healed thanks to The Curse of Devil's Point.

Past Vegeta: You seem to be quite the resilient little pest. But, it won't matter, no one's ever going to miss you, not even your own family, and you'll be nothing more than a forgotten memory to them, including those who died before you!

But, that ultimately did it: the very speaking ill of the dead, especially some of his family who died, had caused Sebastian's blood red eyes and dark red sclera which were full of insanity changed back dark brown with white sclera, but he now had tears of blood in his eyes, and we saw a black and red energy aura of pure unadulterated malevolence flare up around him: THE GATES OF HELL WERE ABOUT TO OPEN!

Past Sebastian: Vegeta! YOU! HOW DARE YOU SPEAK ILL OF THE DEAD, ESPECIALLY THOSE OF MY OWN FAMILY! I'LL KILL YOU!

Sebastian finally lost control and went after Vegeta, but by doing so, the spell he put on the enemies of The Z-Fighters was starting to fade, and Raditz and Nappa were the first to see it and rushed at Sebastian and stood in front of him.

Past Nappa: What are you doing, you psycho! The spell you put is starting to fade!

Past Raditz: If you don't want to end up lying dead in a pool of blood, you better get control of your actions!

Past Sebastian: GET THE HELL OUT OF MY WAY, YOU WORTHLESS FILTHY APES!

SLASH!

Sebastian had slain Raditz and Nappa in a fit of demonic rage, but that would eventually be the very beginning of his rage, he then went after Frieza, and he slashed off Frieza's tail and his arms and legs in a violent rage, and as he got near, he plunged his foot into Frieza's chest and his blood sprayed all over him. Then, he went after Cell and the others and he'd slain every last one of them and the whole place was literally inundated with blood and he was also covered head to toe in blood.

Past Goku: What on Earth would possess you to do such things?!

Past Goten: You have absolutely no shame whatsoever!

Past Sebastian: DIE!

Past Sebastian went at Vegeta and pounced on him, and with his sharpened claws, he clawed at the Saiyan Prince's chest leaving claw marks: he was seriously an out-of-control animal! But, Goten and Trunks blasted him off, but that just made him even angrier than ever. Suddenly, Gohan stabbed him in the stomach with Trunks' sword that he dropped when Sebastian attacked him, and the demonic monster screamed and he howled in unearthly rage, and then, all the souls of The Z-Fighters' old enemies went right back to Hell, and Sebastian fell onto the ground in a pool of blood: the spilled blood of The Z-Fighters' enemies and his own.

Past Buster Bunny: You're through, demon of mankind!

Past Plucky Duck: This better be the last time we deal with him. (Pointing to the dead body)

Past Sebastian: Not likely!

Sebastian's wounds healed and he levitated off the ground which shocked us.

Nico: What the?! He survived all that?! Damn!

Me: Jeez!

Past Sebastian: You may have defeated me once more, but you know as well as I do that I can never die! And as long as I still live, not a single soul will ever be safe! It may not be today, nor tomorrow, but soon! This world and every living soul on it will perish and be wiped from existence! (CACKLING WITH MALEVOLENT INSANITY)

Sebastian disappeared in a tornado of blood-stained darkness while his malevolent insane cackling still echoed in the air.

Past Buster Bunny: And as long as you're still alive, we'll always be there to end your insanity once again should you dare to rise from the dead once more, you vile fiend of The Netherworld!

The video ended and we cheered wildly.

Me: OH MAN! THAT WAS LITERALLY ONE EPIC BATTLE!

Nico: No fooling, you all had guts to stand up to that monster! But, now we know the truth as to why Sebastian has quite the violent streak in him, and it's really horrific.

Lincoln: (Shudders) Yeah, and that he double-crossed the enemies of The Z-Fighters and killed all of them, especially what he did to Frieza, Raditz, and Nappa.

Laney: Yeah, that was gruesome! And what he did to Master Vegeta by clawing at his chest with his claws!

Vegeta: It's alright, I deserved that.

Nico: But still, that was brutal. (To Sebastian Mendez) Sometimes, you're infinite-times worse than Lynn when she goes on her Packing Day rampages!

Eli: I was about to say it!

Gohan: But, what matters is that Sebastian's been freed from his Dark Side for good, yet none of us can forget what he did in the past.

Goku: Those memories still haunt us whenever he lets himself off his leash.

Drakus: (Shudders) I knew he could be dark, but this, that's enough to give anyone nightmares for life!

We got a shower, and then, Lincoln, Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet are heading to Blub-Blub Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Kari Kamiya: Wow, so this is Blub-Blub Ocean, it sure is awesome.

Lincoln: It sure is, Kari, and it's perfect for our first date. Shall we?

Lincoln, Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator

Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Blub-Blub Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet are in your harem.

Kari: I had no idea that some of our Simulator counterparts developed feelings for Lincoln.

Tea: And now, they're part of his harem. Plus, now we can tell who's who by the jewelry on their neck.

Yuffie: Yeah, we don't want any sort of confusion.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Kari Kamiya, Simulator Yolei Inoue, Simulator Rika Nonaka, Simulator Tea Gardner, Simulator Yuffie Kisaragi, and Universe 666 Scarlet, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Ace Bunny: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: Leave that to me. (YELLS AT THE TOP OF HIS LUNGS AT THE JERKS) SHUT YOUR HALF-WIT PIE HOLE, YOU MORONIC MUTANT CHEAPSKATE!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

* * *

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Bowser Jr's Lava Reactor is next.

Me: Cool! Or hot in this case.

Nico: Yep.

Tahu: Me and Vakama will go this time.

Vakama: Yep.

Nico: Awesome.

Zhuqiaomon: And I'll go as well.

Sora Takenouchi: Me and Phoenixmon too.

Nico: Cool!

Kari: Me and Gatomon will come too!

Nico: Cool! Okay.

They went into the Simulator and then Nicole Activated it and they were at Bowser Jr.'s Lava Reactor Galaxy.

Nico: We're in.

Tahu: Hot and amazing brothers.

Vakama: Yep it sure is.

Kari: This is gonna be fun.

Gatomon: Yeah it is.

They went to the galaxy and then out came BOWSER JR.!

Gatomon: There you are!

Bowser Jr.: Yes here I am.

Zhuqiaomon: This will be a hot one!

Bowser Jr.: Oh It sure will be! Get them Kaliente!

Then came KING KALIENTE!

Bowser Jr: Surprised? He's back for round 2!

Nico: Time to cool him down again!

Zhuqiaomon: Yep.

Bowser Jr.: Have fun!

He left.

The monster was ready.

Tahu: Bring it on!

Nico: (gets out Whiplash and Mummy's Ridewatches) Let's restrain you!

Nico activated them and fired whips and vines and bind him.

Nico: YEAH!

Phoenixmon: (Echoing) CRIMSON FLAME!

She fired a wave of fire from her mouth.

Zhuqiaomon: (Echoing) PHOENIX FIRE!

He fired a fire blast from his mouth.

Sora and Kari and Gatomon fired energy blasts. Tahu and Vakama fired waves of fire and blasted him all over.

Nico: Take that!

Then a Roaring Moon Came!

Nico: Cool a Roaring Moon!

Roaring Moon: (In a girls voice) This is gonna be really fun.

Nico: Giselle Moon!? Whoa! Don't revert back yet.

Roaring Moon: I'm not.

She fired waves of energy and blasted Kaliente.

Kaliente then got mad!

Me: WHOA! Now is mad!

Gatomon ran to a coconut.

Gatomon: (Echoing) LIGHTNING PAW!

She bashed it and it hit Kaliente and then he exploded!

BOOM!

Out came the star!

Nico: There's the star!

Sora: Me and Kari will get it.

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Roaring Moon reverted back. Giselle Moon reverted back and she was a girl with red hair and blue clothes and she had green angel wings.

Giselle Moon: That was awesome!

They all high five.

Gatomon: What's your favorite memory of Nico?

Giselle Moon: When me and Nico found a secret awesome hot spring in the middle of the forest and I showed off my awesome bikini to him. It was awesome.

Nico: It sure was.

Qin: Cool.

Nico and Giselle hugged.

Nico: I've missed you.

Giselle Moon: Me too Nico.

That went back and we cheered.

Later we were wondering something.

Kevin Levin: You guys wonder what Mevya does all day?

TAS MJ: He probably just stays here bored.

Maria: You know this is a mascot we're talking about here.

Kevin: Nope.

He showed a video we made of Mevya.

It was called the Day of Mevya.

Me: (on the video) (Australian Accent) Crikey. Mevya goes to the arcade for some fun too mates.

We saw Mevya heading in for some fun.

Mevya was playing Skii Ball and so many awesome games and he won all sorts of prizes.

Next we saw Mevya going to lunch at an awesome salad bar.

Me: (On the video) Crikey. Nothing like having a good salad for lunch mates.

TAS Spiderman: That is for sure.

Mevya: I'm a vegetarian. It's part of what I like.

Nico: Nice.

TAS Spiderman: Mevya, do you get into legal trouble while doing this?

Mevya: Nope. I just want to have some fun every now and then.

Me: Yeah the guy wants to have some fun.

With us was Elizabeth Galleth who is also the Iron Valiant Gene-slammer. She was a girl with green hair and green clothes and had pink eyes and had a pink sword.

Elizabeth Galleth: (British Accent) Here is where I come in.

Mevya then came across an Iron Valiant.

Mevya: (On the video) Hey an Iron Valiant.

Iron Valiant: (In a girls voice) Are you Mevya?

Mevya: I sure am.

She reverted back into the girl we saw.

Elizabeth Galleth: My name is Elizabeth Galleth.

Mevya: Mevya: I'm one of the mascots. I take it you know Nico?

Elizabeth Galleth: That's right. Went to school with him. Showed him all about the Royal Knights.

Mevya: Want to hang out with me?

Elizabeth Galleth: I would be honored.

They went to the mall.

Ransack: You tell her where you came from?

Elizabeth Galleth: I sure did. I was from England.

Nico: Yep.

We then saw Mevya and Elizabeth hang out at the pet store and they were hugging and petting the puppies.

Lana: Aww.

Nico: Those puppies are so cute.

Lana: Yeah.

Later they went over to Mindy's prison cell.

Mindy: Well if it isn't the losers!

Mevya: You're the loser Mindy!

Elizabeth Galleth: That's why you will always be alone and a worthless pig.

Mordecai: HEY YEAH!

Rigby: She told her off!

Mordecai and Rigby: OOOOOOOOOOOOOOHHHHHH!

WE LAUGHED and High Fived!

Muscle Man: You know who else thinks she is a loser? MY MOM!

Nico: Mevya, you did tell her where you come from, right?

Mevya: I sure did and she was amazed.

Elizabeth Galleth: Yep. Mevya told me about the world of Pisciss and it's amazing.

Lola: That is awesome and cool.

Eli: Yep.

The video was done.

Me: That was fun!

Lola: Yep.

Outback: What's your favorite memory of Nico?

Elizabeth Galleth: When me and Nico went to the museum and found out more about about my ancestral British heritage and it was amazing.

Nico: We went to a Medieval exhibit and it was fun.

Lola: Cool!

Me: That sure is awesome.

Nico: Yep.

Nico and Elizabeth hugged.

Nico: I've missed you.

Elizabeth Galleth: Same here Nico.

Me: Aww.

Stone Man: Who gets to lead this time?

Lucy Loud: Me, Connor, Zatch and Kiyo, Jason Jenkins and Kong, Ultimate Alliance Iron Man, Ness, and Jason James.

Nico: Cool!

Me: Darkness falls.

Lola: Yeah!

Nico: Yep.

Varie: This will be fun.

The Previous Group came.

Key: Can me, Scorcher, Firepower, Evil Star, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard go with you guys?

Nico: Yes you all can come with.

Qin: Cool.

Me: I have a feeling this will be epic.

Shockwave: Nico, which Gene Slammers do you think you'll meet next?

Nico: Well since these are the only Pokemon Gene-slammers left, we're do Koraidon, Miraidon, Walking Wake and Iron Leaves. And also we'll do the Robot Master, Cut Man next.

Me: Cool!

Qin: Nice!

Lola: Yeah.

Nico: Yep.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The next piece of The Tablet is located on Noir Earth and it's in the hands of that world's Goblin.

We gasped.

Nico: Oh man.

Me: I KNEW IT!

Lincoln: Whoa, if he's anything like our Green Goblin, then, he won't be going down easy. He'll put up a fight, and it'll require tons of strategy to wear this guy down.

Me: Yeah, he'll put up a fight, but we're ready, and this time, we'll end him for good.

Nico: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Robert Delg, the evil older brother of Raven Delg and the last of the eleven most dangerous thugs in Royal Woods, and he's coming to get revenge on Raven and Lincoln for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Raven, you're not going to like it: the figure we sensed is none other than your evil older brother, Robert Delg, the last of the eleven most dangerous thugs from Royal Woods, and he's coming to get revenge on us for ruining the scheme they formed with Flip six years ago to destroy the world economy with a grand extortion scheme and sending him to prison.

Raven Delg: So, now my older brother and the last of The Elemental Monarchs of Evil, Robert, has finally come after us. I always knew that stupid moron would be the first to come after us, he's such an asshole!

Nico: Yeesh, and Lincoln wasn't kidding when he said you two had bad blood.

Lincoln: And like with the others, their level of hatred is on the same level of hatred Vypra had with Praxina.

Anna Anyanova: Yep, what an asshole. But, we also can't underestimate him: you did say he Gene-Slammed himself into Delg the Dark Monarch, right, Raven.

Raven Delg: Yes, I did, Anna. But, I refuse to let Rober live a single second further, this time, I'm ending that asshole once and for all.

Nico: Oh man, I have no doubt this is going to get ugly later on. Alright, gang, let's go, we're heading to Noir Earth and destroy Noir Goblin and retrieve the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out this, Noir Goblin, we're ending you and taking that fragment back, and once we get done with him, you're next, Robert Delg.

Raven Delg: You've gone way too far this time, Robert. I thought we were done with you and the rest of your buddies after we stopped you and Flip six years ago from trying to destroy the world's economy with a grand extortion scheme and sending you to prison.

But, like the dumbass moron you truly are, you and your buddies decided to bust out of prison a year later, and even worse, you Gene-Slammed yourself into Delg the Dark Monarch. This won't stand, I'll make sure that you are forever consumed by fear and darkness after we get done with Noir Goblin.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Noir Earth to retrieve the next piece of The Tablet of Order and Chaos and destroy Noir Goblin, and once we get done with him, Lincoln and Raven Delg are going to kill and destroy her evil older brother, Robert Delg, and destroy the last of The Elemental Monarchs of Evil and last of the eleven most dangerous thugs in Royal Woods.

---

We arrived in the Noir Universe.

Lucy Loud: A carnival?

We stand in the darkness before a large gate that leads into an abandoned carnival, which has been converted into The Goblin's criminal base of operations. With Hammerhead and Vulture defeated, their boss, Norman Osborn, Spider-Man's worst enemy and the bane of his existence, is the only criminal left that stands between us and recovering the last fragment in this dimension.

Me: Wow.

Noir Spiderman: That's right. The old Carnival. Osborn's camped out here, somewhere in this rotted alley of nightmares. But I'll find him - him and the fragments he's collected

Firepower: Remember, you're not alone in this anymore. If this Goblin is anything like ours, we need to watch our backs.

Noir Spidey: What's your Goblin like again?

Lucy Loud: He's rotten to the core and cares for nobody but himself. A madman that takes pleasure off of other people's pain and misery. He was killed by own glider when he tried to use it to kill us.

Noir Spiderman: Sounds like a charming fellow.

Me: Yeah.

Lucy Loud: And with this Goblin in possession of a fragment, I already know he'll plunge everything into his darkness if we don't do something about it.

Me: That's why we're giving Goblin the Black Gates and it will be ending with death.

It's dark and spooky in a dimly-lit house of mirrors with nothing but one or two lightbulbs to barely brighten the little fun house. A nervous thug walks inside the house of mirrors to talk to the big man of crime himself.

We saw that it was NORMAN OSBORN A.K.A. THE GREEN GOBLIN! Or just Goblin in this case. And he was the ringleader of all the of crime in all of Nori New York! The thug doesn't directly talk to the crimelord face-to-face. The scared little mook is surrounded by the mirrors that all share his shadowy boss's cold and intimidating figure.

Thug: He's after those rocks we've been bringing you. First he and his new friends got Vulture and Hammerhead, and now they're headed here! I'm tellin' ya, Mr. Osborn, The Spider-Man is comin'!

Noir Osborn: Do you take me for a fool?

Noir Osborn: W-what?

Noir Osborn: I want them to come. Let the spider and his pals fall into my web! (clenches his hand on fragment) The other fragments made Hammerhead and Vulture more powerful - let's see what this one does for me!

The lightbulbs in the room start flickering ominously as if they are reacting to the terrifying power growing within Osborn. His loud screams can be heard transforming from the darkness. His body can barely be seen transforming from the mirrors beside the thug. Transforming into something large. Something deadly. Something monstrous with power so great the lightbulbs shatter, as only the silhouette of the monster Osborn has transformed into can be seen standing like a freak in the darkness.

Back with us, Anakin sensed something eerie has affected the atmosphere that surrounds the carnival with a good guess who caused it

Anakin: I sense a disturbance in the Force. It would seem Goblin is finally making his move.

Me: I feel it too.

Eli: Same here.

Lucy Loud: This is it. We have to stop him and free this city from his corruption.

Noir Spiderman: I've waited a long time for this, Osborn. Tonight, your criminal empire ends.

Me: And you die by our hands! (EYES GLOW RED) And it will be slow and excruciatingly painful.

We take it slow while approaching the gate to the carnival, keeping their guard up as they walk into the unknown. Fireworks blast into the sky, lighting up the hideout with the brightness that exploded in the area.

Noir Goblin: Welcome, Spider-Man.

We saw him!

Lucy Loud: Goblin…

Me: Norman Osborn A.K.A. Green Goblin. Or do you prefer just Goblin.

Noir Goblin: Just goblin for now.

Me: Your time has come Norman!

Noir Goblin: Look around! Do you and your new friends know where you are?

Noir Spiderman: A demilitarized zone?

Noir Goblin: The carnival where I once starred in the freak show. Many years ago. The perfect place to begin my revenge.

Noir Spiderman: Great idea.

Me: Now it's time for you to die!

We jumped over the gate as Spidey and Lucy Loud perch themselves on some rope hanging all around the carnival, with us near them, as we continue listening to Goblin's ramble,

Noir Goblin: But when I came back, I had to relocate the current employees to more temporary lodgings. And I do mean temporary…

Osborn intentionally tips them off to the hostages he has locked up in cages in the carnival guarded by his henchmen.

Noir Goblin: I have this unfortunate tendency to kill things when I'm bored. Heh heh. You'll see.

Noir Spiderman: Wrong, Goblin. Cause we're gonna find them, and we're gonna save them. Then we're gonna find you and put you down like the wild dog you are. And last but not least, we're gonna bring back the fragment… starting NOW!

Me: And it's going to hurt really bad.

Flash Man: And after that, we need to do something about this carnival.

Me: I agree.

Nico: Yeah.

Me: By the way Goblin, did you like my little threatening message I sent you in the form of Hammerhead's head?

Noir Goblin: YOU were the one that sent that!?

Me: That's right! He had no idea who he was fucking around with. TLPS? That means Team Loud Phoenix Storm!

Noir Goblin was shocked! But he was overconfident.

Me: We're coming for you Osborn and you will pay!

We looked around.

We found a hostage to our left and heas there immediately to save them from the guards. But before we could get near, we heard some fireworks about to explode in the sky.

Kraven: Everyone, hide!

We quickly realize the light from those fireworks will give out our location if we don't hide immediately. So we do just that, hiding behind a circus tent just in time until the light from the fireworks dissipates and the area is covered in darkness again.

Thug 1: What was that? I thought I saw somethin' over there.

Thug 2: Probably just your imagination.

Lucy Loud: That was a little close. The fireworks almost gave me away They seem to go off once every minute. Goblin knows we attack from the shadows and is trying to take that away from us. Clever bastard, but I shouldn't be surprised. This is Norman Osborn we're talking about. Unfortunately for this Osborn, he doesn't know the shadows are MINE to control.

Nico: Try doing that on the ground. And let's make sure no guards see us.

We nodded.

I went invisible completely and like a predator I snuck up to many guards and killed them.

El Diablo: Let's start rescuing hostages now.

Noir Spiderman: My pleasure.

Noir Spiderman was perched on a spotlight, about to web a guard up.

He webbed him up with ease.

I snuck up on a guard from behind and snapped his neck.

Then I freed the hostage.

Connor: Let's keep on rescuing the hostages.

Poromon flew above a guard.

He stabbed a guard with a powerful beak peck through his head and killed him.

Qin: Nice one Poromon.

Varie killed a guard like how the El of Water did and drowned him in the air.

Nico: Clever.

Woman: Spider-Man, I don't know how to thank you. Could I buy you and your friends an egg sandwich?

Noir Spiderman: Uh, no thank you. Just get out of here.

Woman: Okay. (flees)

Me: stay in your home ma'am.

Woman: Right!

Poromon: Would've accepted if she offered beer.

Nico: Yeah you would.

Nico: Lets get moving.

?: ABANDON ALL HOPE, YE WHO ENTER HERE…

Suddenly, we turned around when we heard Goblin's voice speaking from a door that has a creepy clown face at the other end of the area,

Noir Goblin: ABANDON ALL HOPE, YE WHO ENTER HERE…

Me: Through me the Way to The City of Woe, Through me The Way to Everlasting Pain. Abandon All Hope Ye Who Enter Here.

Most of the lights in the carnival go out, almost turning it into a carnival of darkness.

Noir Spiderman: Cheery.

Me: But we can face it.

Lucy Loud: So I guess we… follow the direction where that creepy voice came from in the darkness.

Shade Man: It's most likely a trap.

Noir Spiderman: Yeah, but I don't care.

Shade Man: At least we're all in agreement. After all, I in particular am one of the masters of the shadows. What's the worst that can happen?

Connor: Lemme get my game face on. Dino Thunder, Power Up! HA!

He turned into Dino Thunder Red!

Connor: TYRANNO POWER! DINO THUNDR RED!

He was ready!

We made our way through the area by following the sound of the Goblin's voice, eventually approaching the clown face door where it's originating from. It keeps repeating the same line over and over again trying to us away,

Noir Goblin: ABANDON ALL HOPE, YE WHO ENTER HERE…

Noir Spiderman: You make it sound so invit-.

And like the terrifying monster he is, the Goblin himself smashes through the clown door's teeth without warning in his new monster form, He quickly struck us down to the ground with a single strike from his new claws before twe could've reacted at all.

Me: WHAT IN THE FUCKING HELL!

Lucy Loud: Wh-What in the…?

We saw this world's Goblin up close. A grotesque, abominable and monstrous version of himself that closely resembles the Green Goblin from our world.

Me: NOW HE LOOKS LIKE A TRUE GREEN GOBLIN!

Villamax: So this is what the Goblin looks like using the fragment.

Noir Goblin: That's right. BEHOLD! The Goblin in all his glory! Stronger! More powerful-.

Noir Spiderman: And that hair! It's scarier than ever!

Me: Now THIS is the kind of Green Goblin that we know.

That didn't get a laugh from his nemesis. Instead, it earns him getting angrily grabbed by the leg, and while he does try using his webbing to break free from his grasp, this transformed Goblin is much stronger than him as he quickly slammed him lying on the ground in pain.

Noir Goblin: I'll give you something to be scared of!

The mutated Goblin tries to stomp his nemesis into a crater, but the webhead just barely moved away from his attack to web his legs down to kneel so he can go in and pummel his grotesque face with a dozen punches. But surprisingly, none of his attacks seem to faze the monster one bit, as Goblin quickly grabs his neck

Noir Goblin: The more you hit me, the more you feed my rage! (brutally slams the poor hero onto the ground)

Just when Goblin was going to stomp onto his weakened nemesis, I interrupt him with a barrage of punches and kicks that also barely faze the mutated criminal

Nico: The fuck?!

Noir Goblin: Is that the best you got, stupid monkey?! (violently smacks his backhand on me)

Nico: Take this!

I then fired an energy blast that blew his arm clean off.

Nico: (smugly) Looks like I just left my mark on you!

Noir Goblin laughs evilly as he suddenly regenerated his arm.

Me: (shocked) Does nothing faze you?!

Noir Goblin: Not anymore, Knudson. The Goblin is now INVINCIBLE! Oh, how I could end you right now. But why end things so soon?

He then punched me to the ground.

But I dodged the punch.

Noir Goblin: You are all pathetic! And you thought you could beat me? HA!

Not one to give up, Spider-Man quickly got back on his feet and vaults over onto the mob boss' back, repeatedly punching him with everything he's got. Goblin gets annoyed from his futile efforts and quickly slams him back onto the ground,

Noir Goblin: Give it your best shot, then, if you can! Come and get your superior… The Goblin Victorious!

He retreats into a tent behind the destroyed clown gate.

Lucy Loud: Goblin was… never this powerful, was he?

Noir Spiderman: He was never this ugly either. The fragment must've mutated the scaled green skin that he's too embarrassed to show to everyone, turning him into the splitting image of the monster he really is.

Lucy Loud: He'll be hard to fight with skin that dense.

Nico: And he also seems to have regenerative abilities! I knew it wouldn't be that easy!

Me: Maybe he has a blind spot. The Back! That's it!

Qin: But we'll have to use TOTAL Obliteration.

Soon, we run into a tent straight ahead, believing Goblin retreated inside. Everything inside the tent is dank and empty with only a large circus ball left in the center below the only light in the tent, until that light shorted-out and leaving us in total darkness.

Noir Spiderman: Seems 'The Goblin Victorious' forgot to pay his electric bill.

Lucy Loud: Guys, get your guard up!

Noir Spiderman: Why?

The lights turn back on so he can properly see we've become surrounded by a large amount of thugs that snuck in through the darkness to fight us.

Noir Spidey: Aw, applesauce.

Jason Jenkins grabbed the circus ball and threw at the goons.

Jason Jenkins: Okay, was this here the whole time?

Me: I think so.

I fired a massive blast of energy and obliterated the thugs in an instant!

Then Noir Goblin came!

Noir Goblin: NO!

Me: Top this!

I fired an energy blast and it missed him!

Noir Goblin: Your aim must be getting sloppy Knudson!

Me: Don't bet on it!

The blast came back and HIT HIM SQUARE IN THE BACK AND EXPLODED!

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

The blasted blew a huge hole RIGHT IN HIS BACK! Shockingly to him the wound wasn't healing!

Noir Goblin: DAMN! YOU HIT THE BLIND SPOT!

Nico: His back is his weakness!

Noir Goblin charged at Noir Spidey and they grappled with each other. Noir Spidey beat the crap out of Noir Goblin. When he tried to hit him, he dodged it and continued to beat the crap out of him. This process repeated for 2 more times before I decided to hit him in the back in his blind spot. It was glowing red. This stunned Noir Goblin just long enough for Noir Spidey to knock him back.

Noir Goblin: You guys are putting up more of a fight this time. I like that! (flees out of the tent)

I fired a massive blast of energy as he ran and it hit him on the back again and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted really bad!

Nico: At least we know he's not completely invincible.

Noir Spiderman: You were right though J.D. His blind spot on his back is his weakness.

Maria: It's like a zit that causes you discomfort when touched.

Me: Yep.

Nico: Nice analysis there J.D.

Me: Thanks.

Qin: That was awesome.

We ran out of the tent to find Goblin running outside in another area of the carnival. He was dripping a trail of blood which will make it easy to follow him. The monster mobster was already at the other side of the area running into an open clown door guarded by a few of his men. Noir Spiderman looks around spotting more of Goblin's men patrolling the area while some are guarding three new hostages behind electrified cages

Noir Spiderman: We got more hostages trapped behind electrified gates.

Lucy Loud: And more fireworks. This might be tricky.

Noir Goblin: Oh Spider. One man against so many. Your friends won't make much of a difference, I assure you. What are you thinking, I wonder? How hopeless it is to defy ME? How defeat is BEARING down? Relentless. Unstoppable. I almost feel so sorry for you. Almost.

Me: Keep on talking motherfucker. That's all you are.

Noir Spiderman: Keep hiding behind the mike, Osborn.

Skywarp: At least his goons can't regernate.

Skywarp teleported very close behind a thug and shot him in the head quietly.

I teleported behind a bunch of thugs and killed them by ripping out their spines and brains and skulls.

Nico: Nice.

Just for good measure, Noir Spiderman webbed up a nearby thug while he was crawling on the wall.

I teleported the webbed up men to our space prisons.

Xenia: They are not going to light prison.

Me: Nope.

Weather Wizard: Spiderman, will you do the honors before we move on?

Noir Spiderman: Gladly.

While standing by a wall, Noir Spiderman webbed up the nearby guard and slammed him against said wall.

He was dead.

Me: Nice.

We went and followed Noir Spiderman.

We were allowed to carefully walk inside Goblin's little funhouse of doom. Things inside weren't what we totally expected. We enter some kind of chamber surrounded by a lot of doors. Very creepy clown doors that speak with the Goblin's voice.

Noir Goblin: WELCOME… WELCOME TO MY HOUSE!'

Noir Spiderman: Phew! All these grinning faces are creepin' me out… it's like an advertisement for hell.

We looked around the new twisty room we dropped in from the chamber.

Elena Validus: What room is this?

Nor Spiderman: Well, this is certainly a twist.

Nico: Does this room remind anyone of any place we've been to in the past?

Me: Now that you mention it. It does.

But that's when he started coughing.

Nico: You okay, Pete?

Noir Spiderman: I don't… think so.

Quickly, it becomes apparent we walked right into a gas chamber pumping out jets of gas from the vents metal-barred floors we're standing on

Nico: He's filling the room with poisonous gas! We're not affected. But you are! We gotta find a way outta here!

May: Norman's gonna get it when it's time to take him down!

UA Iron Man: Look at it this way. At least he doesn't have a glider!

Me: Yeah. Cyanide Gas! Not good!

With not much time left before the gas kills Noir Spiderman, we figured destroying one of the clown doors will reveal the exit. Lucy Loud breaks down one, only for it to be a dud. Nico punched through the teeth of a door only for that one to be a dud as well, wasting more time as the gas continues to kill Noir Spidey. UA Iron Man gave it a shot and fired his repulsors on the teeth of another door, which was the lucky one that revealed a hole to escape through.

UA Iron Man: This one! Hurry!

We flee from the chamber, dropping down to a more confusing twisted hallway.

Another clown door opens for us to walk through as we try to be careful what's awaiting in the other side. We found ourselves in a room that has been completely flipped upside down. Everything is topsy-turvy, much to our shock and slight confusion.

Noir Spiderman: Okayyy, either we've flipped our wigs, or this room is -Aaauugh!

While Spider-Man was joking, a surprising green gas hits us causing us to scream as we can hear the Goblin laughing from the shadows.

The rest of were once again noit affected. Spidey falls down onto the upside down floor, disoriented thanks to the gas as he has a hard time getting up. We drop down to make sure he's ok. He feels so lightheaded as the room looks to be shaking when it's not. It also doesn't help there are some thugs that have come to fight us

Noir Spiderman: Darn, that gas… Can't… concentrate…

Thug 1: What're you tryin' to hit, bugbrain?

Thug 2: Not so tough now, are ya?

Noir Spiderman: Shut… your mouths!

Noir Spiderman jumped up and stomped on the ground, knocking the thugs back.

Wolf: Peter, no! You need a few minutes to recover! We'll handle this!

Noir Spiderman: That'll teach you to flap your jaw. Say hi to your dentist for me. (to Nico) Thanks, guys. That was a little close.

Me: No kidding!

Nico: Now it's personal.

Xenia: Yep.

He was back to normal.

Noir Spiderman: (takes a deep breath) Thanks, guys. I mean that.

Ness: See? If you learn to trust others that deserve to be trusted, they'll always have your back.

Me: You're welcome Pete.

Noir Spiderman: Yeah. What is Vertigo Gas?

Me: It's a gas that induces vertigo. It makes you dizzy and slow. Throws you out of whack.

Nico: Yeah.

Me: Good thing it's only temporary though but me and Lisa were able to make the antidote for it. It will make you permanently immune to it too.

Nico: Wow!

Xenia: Smart thinking.

Me: I knew it would come in handy for this situation.

Another clown door opens for us to walk through as we try to be careful what's awaiting in the other side. We found ourselves in a room that has been completely flipped upside down. Everything is topsy-turvy, much to our shock and slight confusion.

Noir Spidey: Okayyy, either we've flipped our wigs, or this room is - Aaauugh!

While Spider-Man was joking, a surprising green gas hits us causing us to scream as we can hear the Goblin laughing from the shadows. The rest of were once again noit affected. Spideran falls down onto the upside down floor, disoriented thanks to the gas as he has a hard time getting up. We drop down to make sure he's okay. He feels so lightheaded as the room looks to be shaking when it's not. It also doesn't help there are some thugs that have come to fight us

Noir Spidey: Darn, that gas… Can't… concentrate…

Thug 1: What're you tryin' to hit, bugbrain?

Thug 2: Not so tough now, are ya?

Noir Spiderman: Shut… your mouths!

Noir Spiderman jumped up and stomped on the ground, knocking the thugs back.

Wolf: Peter, no! You need a few minutes to recover! We'll handle this!

I punched and pulverized the thugs!

Me: It's Vertigo Gas!

Nico: You saw this one before?

Me: Yeah!

I punched a thug!

Me: I have the antidote!

I pulled out a purple liquid and injected it into Spiderman and he was back to normal.

Noir Spiderman: Whoa. I really need an aspirin.

But of course, we're still in the enemy's stronghold as the Goblin suddenly shows up from a hole to remind us.

Noir Goblin: NOT SO FAST!

Goblin lunges at Lucy Loud grappling with her. She beat the crap out of him. When he tried to hit her, she dodged it and continued to beat the crap out of him. This repeated two more times before she pusehd him back.

Lucy Loud: Wanna risk getting killed early, Osborn?

His response was fleeing.

Me: Get back here you coward!

Noir Spiderman: Guess he couldn't take what we were dishing out!

Jason James: Think we should step our game up.

Connor: Right! Triassic Ranger!

He donned his Triassic Battlizer!

Qin: Oh yeah!

Nico: This guy is REALLY STARTING to piss me the fuck off!

Me: Same with me!

We looked around the new twisty room we dropped in from the chamber.

Elena Validus: What room is this?

Nor Spidey: Well, this is certainly a twist.

Me: Does this room remind anyone of any place we've been to in the past?

Noir Spiderman: I keep tellin' ya, Osborn, you gotta pay your electric bill.

Noir Goblin: (Growls) Rrraaaahh! Get some lights on them! NOW! Find them and shoot them!

As a door on the wall opens up, a couple of turrets present themselves with some spotlights, designed to kill us if they get spotted.

Me: Uh oh.

Noir Spiderman Better grab the shadows.

Jungle Fury Camille: This'll suit me fine. But we should do this in 2 minutes.

Me: I only need 30 seconds.

I went invisible and went over to a turret and destroyed it.

We did the same to the others.

Another sense of Deja-vu kicks in, as shortly after exiting the twisted hallway, we found ourselves in another chamber full of clown face exits.

Lucy Loud: Another chamber similar to the other one. Does that mean more gas?"

And it sounds like she's right, as they quickly hear the sound of poisonous gas pumping out from beneath the metal floor to kill them with again. Once again, the rest of us are immune.

Noir Spiderman: You're right! Hear that sound? More gas! Better find a way outta here before they're measuring us for wooden kimonos!. Or in this case, mostly me!

Toyman: How did you find the exit before?

Noir Spiderman: One of their eyes didn't look right, moving differently from the others

Lucy Loud: Like this one?

Noir Spiderman: Exactly. Stand back!

I fired a blast at the eye and blasted it.

Nico: Take that!

We got into the next room where it's completely safe and small.

Noir Spiderman: Finally.

Connor: Not out of the woods yet. Super Dino Mode!

He donned his Super Tyranno Mode!

RRRRRRRRROOOOOOOOOOOOOOOOAAAAARRRRR!

Me: Oh yeah!

Nico: I think it's time for our entrance. Wouldn't you say?

We ran ahead through the carnival still on the hunt for Osborn.

Roxas: Where did he run off to this time?

Lucy Loud: Up there!

We found a very angry Goblin hanging from the structure that's holding up a ferris wheel.

Noir Goblin: I'LL HAVE MY REVENGE! I'LL TEAR THIS PLACE DOWN WITH MY BARE HANDS IF I HAVE TO!

Noir Spiderman: Wait. He's not gonna…

Spiderman wondered if Goblin really is going to break the ferris wheel to kill us, which would be a little extreme even for him. And it looks like Goblin might actually do it judging from how he's looking at the ferris wheel.

Noir Spidermn: Is he…? Could he…?" Spidey asked.

Lucy Loud: He can't be THAT crazy, can he…?

Me: I have a feeling he will be!

Unfortunately, Goblin really is that crazy as we can hear his furious grunts to lift the ferris wheel from the structure holding it. And with the ferris wheel broken free, Goblin delightfully has it roll in the direction of a civilian locked tight to a carnival car between a very narrow area.

Noir Spiderman: He is, he could, and he did.

Man: Oh no! HELP!

I teleported and formed a jello wall and stopped it and got the man out.

Man: WHEW! Thank you!

Me: No problem.

Overdrive: Before we continue, can you guys see if I can use any vehicles around here.

Me: Bumper Cars, Roller Coaster Cars, I don't think those count. But here.

I gave him a missile tank.

Overdrive: Perfect.

The pathway that leads inside the tent is given a somewhat grand show with harmless sparks flying over us as we carefully walk to the clown door.

Lucy Loud: Somebody is ready for a show.

Noir Goblin: (over the PA System) You fools think you're so high and mighty. Where were people like YOU when I was growing up in the freak show? Capering in the straw for the amusement of the FACES pressed against the bar. Where were the heroes then, huh? I never had a chance. And NOW, NEITHER DO YOU!

Evil Star: (scoffs) Who's he trying to kid? Yeah, people laughed at him when he was in this carnival's freak show. But he's just using that as an excuse to kill people in his way.

Blake: He's no better than Adam Taurus.

Me: Yeah. I don't feel sorry for this douchebag one bit. He killed so many innocent people and now it's time for us to kill him.

Nico: You got that right.

Bowser: Entrance time, motherfuckers!

Nico: Showtime!

We went at the door.

Then in the main show hall was Noir Goblin and then the spirits of insects appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then energy blasts hit him on his back and exploded and then we teleported out.

Me: Time for you to die!

Noir Goblin: I WILL KILL YOU!

He went at me and I punched him in the face and knocked him down and shockingly he felt that one!

Me: When we blasted your blind spot that turned out to be your Achilles Heal. Now you are vulnerable to all pain!

Finally, after surviving all his death traps and defeating all of his men, we have at last cornered the Goblin in his large circus tent that will be used as the arena for our final showdown.

Noir Spiderman: Are you gonna stand there babbling all night, or are we gonna end this?

Noir Goblin. YOU!

Noir Spiderman: That's me.

Me: Don't forget us!

We saw that Noir Goblin finally turned into a Heartless. The Heartless symbol was on his chest.

WE GASPED!

Scorcher: About time you turned into a Heartless!

Connor: Battlizer, Power Up!

Me: He looks scary this way.

Connor donned his Battlizer and it was ready!

Qin: OH YEAH!

Me: Lets do it then.

I powered up to my full strength and then punched him in his face and punched him in his crotch and kicked him in his stomach! I teleported and blasted him in on his back and blasted him all over!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported and kicked him in his face and knocked out some of his teeth!

Me: What's a matter Goblin Fucker!? Had Enough? Or do you want some more?

Noir Goblin threw Nico at the lights. But that was a mistake as everything went dark. Too dark for Noir Goblin to see us .

Noir Goblin: I don't need lights to find you. I can smell your fears.

Me: Then you will smell your fear!

Zatch: Kiyo, now's our chance to do some sneak attacks on him!

Kiyo: Wanna do that with me, Ness?

Ness: You bet! P.K. STARSTORM!

Kiyo: ZEKER!

They fired a massive barrage of lightning and star blasts and blasted Noir Goblin all over.

He was knocked down.

Me: (sounding like Dirty Harry) What's going on here? What? Huh? Oh, what, you going for something? (His eyes dart aside; pan over slightly to Noir Spiderman.) You going for him?

Noir Goblin: (moaning) No.

(Cut back and forth between the two.)

Me: You want some more, man?

Noir Goblin: Uh, I wasn't.

Me: You do?

Noir Goblin: No.

Me: Yeah?

Noir Goblin: No.

(My foot slams down in his face, and the beating resumes.)

I bashed him all over and blasted him.

Thankfully for Goblin, and unfortunately for us, the lights were fixed and came back on, brightening up the arena once more. But what's worse for us, the moment the power came back on, Goblin has summoned a lot of his henchmen to the show and to assist their roaring master.

Noir Goblin: Power's baaaack, and there's nowhere left for you to hide!

He picked up one of the broken poles as a weapon.

Nico: Guys, trick him into hitting his goons!

Tara: I got this!

She picked up a pole and channelled intensely hot fire into it. Then Noir Goblin clashed and the pole clashed with his and melted it clear in half!

Qin: WHOA!

He grabbed another pole and then swung it at Tara and she flared up an intense fire aura and melted it into white hot slop!

Noir Goblin: WHAT THE!?

Tara: You should learn never to mess with someone who burns intensely with the fires of hell!

Nico: Like I said, trick him into hitting his goons!

He then went at me and then I substituted with one of his Goons and then.

SQUELCH!

HE PUNCHED THE GOON'S HEAD CLEAR OFF HIS

SHOULDERS IN A BLOODY MESS!

Me: Now watch this. NINJA ART: ENEMY MISIDENTIFICATION JUTSU!

I used a powerful genjutsu that made Noir Goblin mistake his goons for us and then he killed all of them easily! SUCKER!

UA Iron Man: This would be a lot easier for you if you used a glider

Noir Glider: No need for one!

He went at us and I teleported and kicked him down.

Me: Had enough?

Then Number 7, Zs'Skayr, Dark Spicer, Common Cold, Roquefort, Katnappe, Technus, Xaldin, Waffle Woman and Salami Swami came.

Nico: Number 7, Zs'Skayr, Dark Spicer, Common Cold, Roquefort, Katnappe, Technus, Xaldin, Waffle Woman and Salami Swami.

Number 7: After Goblin is defeated, we should have all the fragments in this Dimension.

Zs'Skayr: And this world will be free of evil.

Nico: You got that right.

Common Cold: (to Nico) We heard you killed Chris.

Nico: We sure did.

Roquefort: I hope you killed Billy and Carrie's mother too.

Me: Oh we did. Nico, me and Whiplash tortured Billy and then the girls mangled up Chris and killed her and Sebastian Mendez here killed Margaret.

Roquefort: Nice!

Xenia: Yep.

Dark Spicer: (to Spiderman) Here's your warning: Your ass is about to be kicked!

Spiderman: You should know better than to say that to your friendly neighborhood spiderman.

Nico: Yep.

Trawler then appeared!

Me: Trawler! Up for another round I see.

Trawler: Aye lad. I sure be ready.

Me: Cool cool.

Trawler: I hope you guys do something nice with this circus after this.

Nico: Oh we will.

Me: I know we will make it a great addition to Phoenix Land.

Nico: Yep.

Dark Spicer: Watch this!

He turned into a spiked Hammerhead Titanothere that had spikes all lover and had 10 legs.

Hammerstroyer: Call me… Hammerstroyer!

Shanan: WOW! A Hammerhead Titanothere hybrid!

Spiderman: That's from Pandora, right?

Hammerstroyer: It sure is! (charges at Spiderman)

Spiderman substituted with a bunch of goons and Dark Smashed them down into roadkill.

Dark reverted back.

Dark Spicer: Now this.

He turned into a Spiked Arrowtongue and it was purple and had sonar pings coming out of it.

Spearsonar: I call this one… Spearsonar!

Zatch: Isn't that from Darwin IV?

Spearsonar: Damn straight!

Shanan: Wow! An Arrowtongue Hybrid! That is cool!

Spearsonar: It sure is.

He charged at Zatch and Kiyo.

Kiyo: ZEKER!

He had Zatch fire a blast of lightning and knock him down.

We got the battles underway.

Kole flared up a crystal dragon aura and Salami Swami flared up a Meat Dragon aura. Kole sang Hell in Paradise by Yoko Ono and Salami Swami sang You Spin Me Round (Like a Record) By Dead Or Alive. Kole and group fired waves of light and crystal and darkness and smashed them down.

Noir Spiderman: Just stand down already, Osborn! You know as well as I do you've lost the moment we took down your flunkies, Hammerhead and Vulture, and we're coming straight for you!

Noir Goblin: I… refuse… to… die here! If I can survive hundreds of venomous spiders trying to pierce my skin with their bites, the bite of one idiotic, pathetic, and lonely bug will just be as weak as the people his heart cares SO MUCH for!

UA Iron Man: Like we said.

Jason James: He's not alone.

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

He was blasted down!

Me: Time for you to go back in your cage! In hell!

Noir Goblin: Back in the cage, eh? Back to the freak show.

Spider-Man quickly turns around noticing a cannon he can use, using several backflips before firing his webbing to insert himself into the cannon, and when all is said and done, he launches himself straight at Osborn to delivering the finishing tackle that knocks out the fragment he had absorbed into his body.

Me: Sheesh buddy get a life!

Noir Spiderman: Oh, boo hoo.

Noir Goblin: I guess this is the part where you take me to prison then.

Noir Spiderman just turned away and walked away from him.

Noir Goblin: (laughs) Oh, don't give me that! I ruled over the City from so many years, killed and caused the deaths of so many people, got your uncle killed, and Hell, it's not even the end of the year yet. But so what?! We all know you'll send me to prison in the end!

Noir Spiderman thought hard about his decision.

Me: Prison is too lenient for you!

Noit Spiderman: (clenches his fist) Every decision you've ever made ends with death and misery. People die. I stop you. And you'll just break out and do it all over again.

Noir Goblin: Just think of it as a running GAG!

Noir Spiderman's Spider Sense began tiggling of Noir Goblin about to attack him from behind.

He jumped and I STABBED NOIR GOBLIN RIGHT THROUGH HIS BLACK HEART WITH MY SWORD ALL THE WAY THROUGH HIM!

His evil spirit appeared.

Me: You've had this coming for a long time! UZUMAKI BLACK

JUDGEMENT SEALING ART: BLACK GATES!

I painted the kanji for Judgement on him and he was found guilty by those he hurt.

He was fading.

Noir Goblin: (starts to fade away) Are you happy now?!

Noir Spiderman: (takes off his mask) Wanna know something funny? Even after everything you did, after how you had Vulture kill Uncle Ben, I still would've sent you to prison.

Noir Goblin: (laughs) Oh, Spider Man. I have to admit. That really is… very funny!

Me: Goodbye Goblin and Good Riddance!

With that, Noir Goblin faded from existence forever.

He was gone forever.

Katnappe: Nice job, Peter. This must've been a long time coming, but you finally freed this city from the Goblin's dark reign.

Technus: No more people will have to suffer any longer, not while you're around protecting them.

Noir Spiderman: I'll admit. I wouldn't have done it without you guys watching my back. I don't say this to a lot of people that I've only known for like a day, but… thank you. You guys are alright.

Me: Thanks

Xaldin: It was our pleasure.

Noir Spiderman: I'm being serious. I really owe you guys for this.

Waffle Woman: You don't owe us anything.

Salami Swami: Other then joining the team.

Me: But the dark cloud of evil over the Noir Dimension is gone for

good.

Nico: Yep.

Lincoln: Game over, Goblin, now go to Hell!

We fired massive and powerful black energy blasts that hit Noir Goblin and he was knocked down and out, and when the fragment came out of him, Lincoln fired a golden spider silk web that caught it and he put it into the case with the other fragments and Noir Goblin was sent to The Black Gates forever.

Nico: Go to Hell, you son of a bitch. Awesome job, gang, we got rid of Noir Goblin and got the next piece of The Tablet.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Raven's older brother, Robert Delg.

?: (ENRAGED SCREAM) RAVEN, LINCOLN, I'LL FUCKING KILL YOU ALL FOR RUINING OUR PLAN TO DESTROY THE WORLD'S ECONOMY AND SENDING ME TO FUCKING PRISON!

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of dark energy blasts that came out of nowhere and they hit the barrier, but the dark energy volley was absorbed into us and we became even stronger than ever. Then, we saw Delg the Dark Monarch appear.

Raven Delg: (GROWLS) I always knew there was no mistaking that foul mouth from anywhere, get out of that Delg skinsuit, and show yourself, Robert!

Delg the Dark Monarch vanished in a vortex of infernal darkness, and in its place stood a 6'11" tall male with black hair and red eyes similar as Raven's, massive muscular build, and dressed in a red prison jumpsuit: it was Robert Delg, the evil older brother of Raven Delg and the last of the eleven most dangerous thugs in Royal Woods.

Nico: We meet once again, Robert Delg.

Raven Delg: The last of the eleven most dangerous thugs in Royal Woods, I would've never thought I'd have to see your ugly face again, Robert, I made sure we were done with you after we foiled the grand extortion scheme you, your buddies, and your boss, Flip, made to destroy the world's economy six years ago and sent you to prison for good.

Robert Delg: Laugh all you want, bitch, I'LL FUCKING KILL YOU AND LINCOLN FOR RUINING MY LIFE! NO ONE CROSSES THE ELEMENTAL MONARCHS OF EVIL AND LIVES!

Raven Delg: You're all bark and no fucking bite, Robert. Now, you're just acting like a rabid dog who needs to be put down.

Suddenly, Raven Delg's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, shadows, darkness, dark magic, demons, phoenixes, and angels, she unholstered her massive Delg the Dark Monarch's Infernal Demon Darkness Greatsword of Dark Monarch Justice from her back, and as she approached Robert Delg, she left black and red energy, stars, shadows, darkness, dark magic, demons, phoenixes, and angels with every step.

Raven Delg: Even after we sent you and your buddies to prison six years ago, you still make me sick to no end, Robert, and it's not just that. You've always hated me ever since the day I was born and when I was growing up, you always tried to find ways to make my life Hell and even worse, you tried to find ways to kill me. Mom and Dad were right to have kicked you out of the house after you turned eighteen, they also couldn't stand your bullshit any longer, and what you, your buddies, and Flip tried to do six years ago with that scheme of yours, you broke Mom and Dad's hearts, and you sent them spiraling into depression because of it, and I was also forced to see them take their own lives in that downward spiral of depression. We were right to have disowned you, Robert, and now, I'm going to do Mom and Dad a favor and send you straight to Hell where you rightfully belong! Today, The Elemental Monarchs of Evil die here and now!

Suddenly, Raven Delg was surrounded by a massive vortex of black and red energy with stars, shadows, darkness, and dark magic surrounding it, there are demons, phoenixes, angels, and Delg the Dark Monarch flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Robert Delg: the red eyes of eternal death. Then, as the vortex faded, Raven Delg emerged, but she was changed forever.

Raven Delg grew from 6'11" to 7'9" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long midnight black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blood red eyes and a black and red energy aura with stars, shadows, darkness, dark magic, demons, phoenixes, and angels surrounding her, she has Delg the Dark Monarch with the Dark Kanji in its hands emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Dark, Star, and Eternity Kanjis in its hands, she also has Delg the Dark Monarch with red gems for eyes and holding the Dark, Star, and Eternity Kanjis in its hands on the bottom of her blood red phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Raven Delg has on a midnight black sleeveless top, midnight black skirt, midnight black stockings, midnight black shoes, and long sleeveless white trenchcoat with stars, shadows, darkness, dark magic, demons, phoenixes, and angels on the coattails and on the back is

Delg the Dark Monarch surrounded by stars and darkness. Suddenly, Raven Delg felt a sharp pain on her back, and then, her massive midnight black angel wings with blood red tips on the large midnight black feathers grew much bigger for her new body, and she now has eleven massive and long midnight black wolf tails with blood red tips and blood red markings, she has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Raven Delg's massive Delg the Dark Monarch's Infernal Demon Darkness Greatsword of Dark Monarch Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of black and red energy, stars, shadows, darkness, dark magic, demons, phoenixes, and angels, and when it emerged, it was transformed into Raven Delg's Infernal Darkness Monarch Delg the Dark Monarch Demonic Darkness Phoenix Angel Greatsword of Dark Phoenix Shadow Monarch Delg Justice, it's a brand-new massive greatsword with embedded red gems and Delg the Dark Monarch etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in the foreheads, longer midnight black handle, four midnight black phoenix heads with blood red gems for eyes and large midnight black phoenix head with blood red gems for eyes and a large blood red gem in its mouth on the bottom of the midnight black phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Delg the Dark Monarch's head with blood red gems for eyes and a large blood red gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blood red kanji below Delg the

Dark Monarch that said, "Raven Delg, Gene-Slammer of Delg the Dark Monarch, Master of The Powers of Darkness and Fear, Halloween Food Expert, Horror Queen of Halloween, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Amy, Archenemy of King Squeaky, Destroyer of Robert Delg, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of Darkness, Fear, Halloween, Phoenixes, and Angels"

Suddenly, Raven Delg's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Raven Delg has transformed into SUPER ANGEL-DELG THE DARK MONARCH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA INFERNAL FEAR DEMON DARKNESS ANGEL INFERNAL FEAR DEMON DARKNESS DELG THE DARK MONARCH PHOENIX MONARCH ANGEL OF DIVINE INFERNAL FEAR DEMON DARKNESS ANGEL INFERNAL FEAR DEMON DARKNESS DELG THE DARK MONARCH PHOENIX MONARCH ANGEL JUSTICE AND DIVINE INFERNAL FEAR DEMON DARKNESS ANGEL INFERNAL FEAR DEMON DARKNESS DELG THE DARK MONARCH PHOENIX MONARCH ANGEL LOVE!

We were amazed by Raven Delg's Super Angel-Delg the Dark Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Robert Delg saw it, he went fucking mad with rage and transformed into Delg the Dark Monarch and fired blasts of darkness at her, but she absorbed them and it made her stronger, and she fired a massive barrage of black and red energy, stars, shadows, darkness, dark magic, demons, phoenixes, and angels at Robert Delg, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Me: HOLY CRAP!

Nico: OH DAMN! NOW, TRUE FEAR AND DARKNESS IS ABOUT TO BE UNLEASHED!

Lincoln: Awesome, Raven Delg's transformed into her Super Angel-Delg the Dark Monarch-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Robert big time, and now, it's high-time we got rid of you for good, Robert.

Raven Delg: (Divine Echoing Godly Voice of The Divine Infernal Demon Darkness Phoenix Delg the Dark Monarch Phoenix Angel and Divine Infernal Demon Darkness Phoenix Delg the Dark Monarch Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Raven Delg.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really made a huge mistake coming after us, Robert, but I take comfort knowing when I get married to Raven in the future, I won't have a heartless twisted bastard like you for a brother-in-law, and like all my future wives' evil relatives, only one thing awaits you: death!

Raven Delg and Lincoln went after Robert Delg who continued firing dark blasts at them, but they absorbed them and it made them stronger, and they fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Robert Delg and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Raven Delg also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Robert Delg even madder than ever!

Robert Delg: I'LL FUCKING KILL YOU, STINKOLN!

Robert Delg fired more light blasts at Lincoln, but he absorbed them and it made him even more stronger as his darkness elemental aura became more ferocious. Then, Lincoln drove his massive greatsword into Robert Delg's stomach and he began sucking out and absorbing the light powers he'd gotten when he Gene-Slammed himself into Delg the Dark Monarch along with his massive muscle mass and strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed and halo with four orbiting gold rings on each corner behind his head glowed, and that caused Robert Delg to revert back to normal, but now, he was thin as a rake and he was really weak.

Drakus: Alright, you fucked-up, money-grubbing ass! TIME FOR YOU TO GET FUCKED!

Drakus and The X-Squad proceeded to beat Robert Delg up until he was bloody and his bones were absolutely broken in many places!

Lincoln swung his massive greatsword and sent Robert Delg flying into the air, then, Lincoln and Raven Delg fired powerful blasts of darkness at Robert Delg, which destroyed the fucker and sent his ass to The Black Gates. We cheered wildly for what Raven Delg and Lincoln did as they holstered their massive greatswords and powered down, and Raven Delg's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight black angel wings are permanent.

Raven Delg: Burn in The Black Gates forever, Robert. Thank you for helping me get rid of my evil older brother forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Raven.

Suddenly, Raven Delg wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Raven Delg's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Delg the Dark Monarch flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness them and we cheered wildly. Then, Lincoln and Raven Delg sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Lincoln: We did it, we got rid of Robert Delg, and we finally got rid of The Elemental Monarchs of Evil!

The Elemental Monarchs of Good and Lincoln cheered wildly.

Drakus: Wow, you guys are really excited about that.

Hilary Thestalos: Those asswipes caused all that trouble six years ago, so yeah, they deserve their fate.

Suddenly, we heard Flip bellow with rage and hatred towards us and our rainbow energy auras flared up extremely.

King Kai: (Telepathically) (Snickers) And I made sure to broadcast all of their deaths to Flip, and he's absolutely mad now! I wouldn't be surprised if he died of a heart attack.

Lincoln: Too easy, he may be old, but he's survived a lot worse than that.

Me: Tough son of a bitch! So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's another one for the Embodiments of Organization XIII and it's one Irma will like: Darla Demyx, Keyblade Knight of Monstropolis and Embodiment of Demyx, The Melodious Nocturne of The 9 Oceans and Melodious Water.

Sora and his friends gasped.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Darla Demyx is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of water and music and she's a very good friend of Mike, Sully, Boo, and all of the monsters of Monstropolis, and she harbors a very very nasty hatred towards Randall Boggs, and she wants nothing more than to kill him and send them straight to the blackest depths of Hell, but she knew why Waternoose did the crimes he committed, but she found out he finally had a change of heart and became good, and Darla also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Demyx and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Irma: Wow, and being Demyx's embodiment, she also knows how to play his sitar, right?

Lincoln: She sure does.

Luna: She knows how to rock out on that sitar like how I rock out on my guitar.

Noir Spiderman: Now, what to do with this carnival?

Me: Leave that to us.

We took everything in the carnival and moved it to Phoenix Land in our universe and made an awesome and super fun new attraction and obstacle course. We call it MARVEL LASER BATTLES. It's a laser tag and obstacle course battle zone where you battle all the marvel villains as posters and protect civilians from them too.

Nico: WOW! This is an amazing success! Look at how many people are lined up for it.

Qin: WOW! No kidding!

Me: Yep and the cool part is that it's for ALL Ages.

Nico: Awesome.

Noir Spiderman: This was a good move. To erase all the evil things that happened here.

Me: It sure is. I'm glad we were able to help out.

Nico: That was so awesome.

Laney: Yep.

Nico: Great job today everyone.

Me: Yep. 2 Dimensions down and 2 more to go.

Qin: Yep.

Spiderman: (To the viewers) This was an awesome adventure for us all.

Me: Yep. But now we have another adventure.

Noir Spiderman: What's that?

Me: (SIGHS) Our bet we have.

The girls in our harems looked at us mischievously.

Noir Spiderman: You probably should consider ending the bet early.

Me: We're trying to convince the girls but they are just hooked on it.

Nico: Yeah. We're trying.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

We're in the simulator to kill him once and for all.

Nico: Crystal Lake.

Me: Boy this place has a lot of bad memories.

Qin: Yeah. This place is home to the infamous Crystal Lake Murders.

Xenia: Jason Voorhees.

Eli: Yeah. He is a monster.

Nico: Yep. And this time he is going to pay for his crimes.

Bender: He can just bite my shiny metal ass!

Me: As long as he bites my big fat fucking ass.

Bender: Yeah!

Hunter: (German Accent) Oh ja ja und this is going to be so fun!

Qin: It sure is Hunter.

Nico: Hunter, I want to thank you, Red X, and your teams for coming.

Hunter: Bitte Nico und this will be so much fun ja.

Qin: It sure will.

Lola: Yeah.

Nico: Bender, have I ever told you you're a funny robot?

Bender: (LAUGHS) I get that all the time Nico. And it's an amazing thing that comes with the job description.

Me: It's amazing how you met Homer and his family the first time. We were amazed that a robot from the year 3000 was able to come and meet Homer and family.

Bender: Yeah and I stayed in his basement for 1,000 years and it was awesome.

Lola: That is cool that you stayed there for that long.

Lana: Yeah it sure is.

Laney: What's amazing is that we did not expect a time capsule being poisoned with all that radioactive waste under Springfield would contribute for you to go back in time to meet Homer and Family. (Season 26 Episode 6)

Bender: Yeah that was amazing.

Lola: It sure was.

Lisa Loud: A Most amazing endeavor.

Nico: You and the mascots should have a drinking contest one of these days

Bender: (LAUGHS) That would be so fun to see and do.

Me: Oh god it's gonna be martial law when that happens.

WE LAUGHED!

Me: (LAUGHS) I was being serious but yeah.

Nico: I know. Boy that was a brutal mission yesterday.

Lucy Loud: It was Nico. But it was good we got rid of all the villains from the Noir Dimension.

Qin: That was really brutal.

Camie: It sure was. But the dark shadow of Goblin and his gang has been lifted.

Tsuyu: Thank goodness.

Himiko: Yeah that was terrible.

Nico: Fitting that he turned into a monster that matched his true self.

Me: That sure was fitting.

Qin: But he was practically indestructible. Except for that blind spot on his back.

Lola: Yeah no kidding.

Camie: Thanks to J.D. blasting that we exposed his Achilles Heel so to speak.

Nico: We sure did. Nice job J.D.

Me: Thanks. And now Noir Spiderman's family and friends all have been avenged and we collected all the fragments for the Noir Dimension.

Nico: At least he didn't have pumpkin bombs and a glider.

Me: No thank goodness.

Sirius: Yeah thank goodness for that or there would have been massive numbers of problems.

Xenia: Yeah.

Me: And we put the amusement park we battled in to good use.

Lincoln: Boy I'll say. Me and Clyde love it. It's an awesome laser tag arena.

Me: Boy it's a big hit attraction in Phoenix Land. People are loving it a lot.

Nico: They sure are. (LAUGHS) Even Stan Lee Himself is loving it!

In Phoenix Land, Stan Lee was blasting away at the villains he created.

Stan Lee: Take that you scum! That was totally fun there True Believers! EXCELSIOR!

Back in the Simulator we laughed!

Me: (LAUGHS) Boy Stan Lee said he is having the time of his life there.

Laney: (LAUGHS) For the creator of Marvel Comics he is having tons of fun.

Nico: The best part is that Noir Spiderman learned a thing or two about trusting others.

Me: He sure did. Like Sasuke told him he knows exactly what Noir Spiderman went through. But now Noir Spiderman knows that bonds of friendship and the love of those you care about are the greatest strength one can have.

Twilight Sparkle: That's right. We showed him that friendship can come from the most unexpected of places. Even from total strangers just willing to give you an hand or a hoof.

Lola: That is true.

Me: Yep and now Noir Spiderman is officially on the team.

Lola: Yep. When this is over we'll have 4 new Spiderman with us.

Nico: We sure will. Including a Black Suit Spiderman from the Ultimate Universe with an Awesome new and amazing Rage Mode.

Laney: You got that right.

Zocks: Should we expect to see a lot of dead bodies?

Me: I have a feeling we will. This is Jason Voorhees we're talking about here. He's responsible for the deaths of 163+ People.

Everyone that hadn't heard about it gasped in utter shock!

Nico: I know.

Me: He is the iconic horror movie mascot from the Friday The 13th Movies. First came out in 1980.

Brittney: Yep. For over 43+ years Jason Voorhees has been a symbol not just in horror movies but in Halloween Fun.

Lola: Yep.

Camie: How many movies did he appear in?

Me: From 1980 to 2023 there have been a total of 12 movies. The last one was back in 2009.

Nico: Yep.

Camie: Wow!

Eli: Yeah.

Camie: Where is Crystal Lake located?

Me: Cunningham County, New Jersey.

Nico: Wow! Near my old neck of the woods.

Qin: Not far from it.

Xenia: Yeah.

We continued on.

Lincoln: Jason will pay for all the people he's killed and he's getting a one-way trip to The Black Gates.

Me: Last time we faced him was in the real world when he and the other horror movie slashers came back during the War Against The Doomsday 23.

Eli: And Drakus transformed because of it, and we sent them and

Jason to The Black Gates.

Lincoln: And last year when we met Selene Emperyous, we sent Pamela Voorhees to The Black Gates to join her bloodsoaked son. Let's head on down to kill Jason, and to make sure he doesn't try to get us.

Lincoln formed a massive indestructible diamond barrier around all of us to protect us from Jason Voorhees.

Me: Awesome! Now, let's get after Jason.

Eli: He'll pay. Lincoln, do you know where Jason is?

Lincoln: Let me pick up on his presence. (Sensed Jason Voorhees) AHA! Gotcha! He's 20 yards away, and not even the darkness can keep him safe from us.

Nico: Jason Voorhees, your time's up, you murderous blood-soaked bastard.

But then A corpse fell in front of us!

PLOP!

We screamed!

We saw that it was that of a teenage girl and she was horribly disemboweled and butchered!

Nico: OH MAN!

Me: GOOD GOD!

Laney: HOLY MACKEREL!

Brittney went over to the corpse.

Brittney: This kill was done a few days ago.

Nico then saw another corpse.

Nico: Another one here!

It was that of a man and he was stabbed all over!

Me: JEEZ!

Eli: UH look there!

We saw THE WHOLE CAMP COVERED IN BUTCHERED AND SAVAGELY DISMEMBERED AND DISEMBOWELED AND MUTILATED PEOPLE!

Nico: Oh good god!

Lincoln: Jason's been here, he always leaves a trail of dead bodies in his wake.

Twilight and friends got green around the gills and then HURLED THEIR GUTS OUT!

Twilight and the Mane 10: (PROJECTILE VOMIT STORM)

Nico even saw another corpse hanging from a tree.

Me: Oh yuck!

Qin: When we're done here we should give all these people a proper burial.

Nico agreed.

Nico: Then we need to destroy this entire camp.

Laney: I agree.

Nico: Yeah.

Eli: Huh? Wait look!

We saw a girl walking and she was stabbed in the stomach.

Me: We got a live one!

We went over and she had red hair, red eyes, red clothes and had red angel wings and had a tiara with the symbol for the Blood

Dopant on it and she had the same symbol on her skirt and she had a blood sword.

Me: (GASP) Oh my god Bliss Blood!

I picked her up and she was badly wounded.

Varie: I got this.

She went and healed her.

Nico: You know her?

Me: She's the embodiment of the Blood Dopant and has the powers of Blood.

Nico: Wicked.

Bliss Blood: Thank goodness you're here J.D.

Me: Hang in there Bliss. You'll be okay.

Varie: You'll be okay Bliss.

She healed her.

Varie: The good news is that your wounds aren't fatal. But you lost a lot of blood.

Nico: We better get you to the infirmary.

Nico called them in and then Maria Santiago and Robo Lori came and put her on a gurney and took her to the Infirmary.

Another corpse fell on Maria.

Maria: OOF! (SCREAMS)

Brittney and Lucy got it off her.

Maria: Oh yuck!

Me: Boy this whole place is is a Corpse storm!

A severed head fell on May

BONK!

May: OUCH! (SCREAMS) SEVERED HEAD!

Me: Boy Jason's turning this whole camp into a CORPSE DUMP!

Lola: No kidding!

BLOOD POURED ONTO NICO!

KRASPLAT!

Me: OH YUCK!

Nico: Now that's just nasty!

Me: GROSS!

Qin: LETS JUST KILL JASON AND GET IT OVER WITH!

Xenia: YEAH!

Me: Good idea!

Lincoln: WAIT! Look there!

We saw 2 girls running! One was a girl with orange hair and red eyes and she had fire angel wings and had orange clothes and she had a tiara that had the symbol for the burning Dopant on it and the same symbol was on her skirt. And she had a fire sword. The other was a girl with red hair and orange eyes and had red clothes and she had fire angel wings and had a tiara with the symbol of the Blaze Dopant on it with the same symbol on her skirt and she had a fire sword.

Me: (GASP That's Bianca Burning and Briana Blaze!

We saw them running from JASON VOORHEES!

Nico: Lets go!

We went at him and just as he was about to attack them…

CLANG!

I blocked his attack with my sword!

Me: Pick on someone your own size you undead zombie!

KROW!

I kicked him in his face and knocked him down.

Bianca Burning: Thanks for saving us J.D.!

Me: No problem girls.

Briana Blaze: We were almost dead meat!

Me: Thank goodness we came.

Nico: Suffer for your crimes!

Me: Yeah!

Me and Nico fired energy blasts and they hit his mask and blasted it off. THEN HE ROARED AT US WITH HIS HORRIFYING CORPSE FACE! CAMIE SCREAMED IN FRIGHT!

Eli: GOOD GOD! What happened to him!?

Me: He has an extremely rare genetic disease called Treacher Collins Syndrome. I've actually seen this before.

Nico: Yikes.

Camie: You have?

Me: Yep. In science and health documentaries.

Maria: A face only a mother would love.

Me: That is a goddamn fact.

He roared at us again.

Bender: Bite my shiny metal ass!

Me: Yeah!

Nico: His mind's already long gone, now all that's left is nothing but murder and destruction.

Lincoln: Which will end with his death here and now.

Lincoln fired a diamond ball at Jason Voorhees which hit him and he crashed onto the ground. Lincoln kept the barrier up, and he was right: Jason got right back up, and he tried to throw his machete at the barrier, but it shattered.

Maggie: There is truly no forgiveness for an undead monster like yourself, and not even Hell will have you.

Suddenly, Maggie's eyes turned neon red and she was surrounded by a rainbow, black and blood red energy aura with stars, darkness, dark flames, stars, creatures of the night, phoenixes, and angels, she unholstered her massive Maggie's Eternal Cosmic Darkness Demonic Dragon Vampire Greatsword of Eternal Cosmic Darkness Demonic Dragon Vampire Phoenix Justice from her back, and as she approached Jason Voorhees, she left rainbow, black and blood red energy, stars, darkness, dark flames, stars, creatures of the night, phoenixes, and angels with every step.

Lincoln: You and Sour Sweet okay, Maggie?

Maggie: I'm a little dizzy from that.

Sour Sweet: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that undead zombie slasher quite the beatdown of his undead life.

Nico: And because of that, you guys avenged the souls of all those he'd murdered.

Lincoln: At least their souls can finally rest in peace for good.

Maggie: We called the police to pick up the slain victims and notified their families. They at least need some sense of closure.

Sour Sweet: Jason deserved much worse than Hell, and we gave that to him.

Nico: Yep, that bloodsoaked slasher wound up getting judged by the dead and erased from existence for good.

Suddenly, Sour Sweet wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, Lincoln and Sour Sweet sucked in and absorbed the elements.

Nico: Take that

Maria: Time for backup! (TURNS DIAL) WHIP IT GOOD!

She summoned Whiplash, Evil Snake, Gold Monster, Fleurina, Penguin and Jack!

Me: Oh yeah!

Nico: Now we wait.

Me: We don't have to wait long!

We then saw a figure come and it was ANOTHER RED X!

Me: This one is gonna be tough.

Nico: Yep.

Another Red X: (In a girls voice) It will be fun though.

Me: (GASP) That voice.

She reverted back and was a girl with yellow hair and orange eyes and she had black and yellow clothes and she had black angel wings and she had the symbols of the Nazca Lines of the Dark Signers along her arm and she had a tiara with the symbol of the Nazca Dopant on it and she had the same symbol on her skirt and she had a sword of darkness in her hands.

Me: (GASP) Nora Nazca!

Nora Nazca: Awesome to see you again J.D.

Me: Same here

Nico: The Embodiment of the Nazca Dopant no doubt.

Me: Yep. And she is also a master of the powers of the Fires of the Nazca Lines and also is a deadly martial artist and has incredible mastery over many kinds of weapons.

Red X: Wow! That is amazing! Just like me and I can do all that minus the fires of the Nazca Lines.

Carly Atlas: That is cool that you have all the powers the Dark Singers do.

Nora Nazca: Yeah it sure is.

Me: By the way Nora are you related to Carla Nazca? She is one of Lincoln's Guardian Angels.

Nora Nazca: Actually yes I sure am. She's my little sister and I was trying to find her.

Me: Carla will be so happy to see you!

Lincoln: She sure will!

Kaito: (gets out Bioman gear) Did Swartz promise you anything?

Zocks: (gets out Dynaman gear) Because we can grant it instead.

Kaito got a Bio Sword and Zocks got a Dynaman Sword.

Nora Nazca: Just to be reunited with my sister Carla.

Me: Well she is back in the Estate.

Lincoln: Yeah we found her on one of my rescues. Long story.

Me: Yep.

Nora Nazca: Cool!

Laney: Yep.

Sougo: (gets out Bioman Ridewatch) Carla's gonna be so happy.

Geiz: (gets out Dynaman Ridewatch) She sure is.

Sougo got Red1Armor while Geiz got DynaRedArmor.

Nora Nazca: J.D. already said that but yeah. I know.

Me: Sorry about this though.

Nora Nazca: No worries.

She turned into ANOTHER RED X!

Nico: Time to kick some shiny metal ass! (ACTIVATES RED X AND BURNERTRON'S RIDEWATCHES)

He fired waves of energy and fire and smashed her down.

May: This is gonna burn! (ACTIVATES EVIL KIRBY AND SHEAR'S RIDEWATCHES)

She fired waves of energy and smashed her down.

Maria: Top this too. (ACTIVATES SUSHI WORLD AND TERUTERU HANAMURA'S RIDEWATCHES)

She fired energy blasts and smashed her all over.

Bender: My turn!

Another Red X: You got something to say to me?

Bender: Bite my Shiny Metal Ass!

Another Red X: I walked right into that one didn't I?

Me: Yep.

Bender: Take this! (ACTIVATES BURNERTRON'S RIDEWATCH)

He fired waves of fire and smashed her down.

Then Spymaster, Morrigan Aensland, Acrobat of the Luck, Impostra, Eagle Deadman and Owl Orphnoch came.

Nico: Nice team Spymaster!

Spymaster: Thanks Nico!

But then we heard motorcycle engines.

Me: Motorcycle Engines?

Qin: Look!

We saw a Koraidon and Miraidon coming and on the Miraidon was a Cut Man!

Me: WHOA! Koraidon & Miraidon!

Nico: And Cut Man?

They stopped.

Cut Man 2: (In a girls voice) It looks like the fun has started.

Nico: Connie Cut!? Whoa!

Koraidon: (In a girls voice) This is gonna be fun.

Miraidon: (In a girls voice) It sure will be.

Qin: Koria and Mirai Ishiwama!? Cool!

The 2 Pokemon reverted back and Koria was a girl with orange hair and had red and pink clothes and blue eyes and Mirai was a girl with purple and yellow clothes and had purple hair and blue eyes.

Nico: Awesome!

Mirai Ishiwama: We got this!

They fired waves of energy and smashed down Another Red X and I caught the ridewatch and purified it and brought Nora over.

Me: Yeah!

Connie Cut: And yes, I'm naked

Me: I had a feeling you were. Lets revert you back first.

Nicole: And no peeking or else!

Bender: UP YOURS BITCH! I CAN…

Nicole held up a can opener.

Nicole: You were about to say?

Me: DON'T… TEST… NICOLE, BENDER!

Bender: Okay okay okay.

He covered his eyes.

I put on my blind man glasses.

Me: Just so you know this is gonna hurt.

Cut Man 2: Thanks for telling me.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back and was in pain.

We covered our eyes.

She threw up all over Bender!

Bender: AW THAT IS SO GROSS CHUMPETTE!

Connie reverted back and was a girl with black hair and had red eyes and had pink angel wings and had a pair of scissors emblazoned in the middle of her forehead.

Connie Cut: (GROANS) That hurt. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade went and gave her new pink clothes.

Connie Cut: Wow! I look awesome!

Varie: You sure do.

Bender: Yeah! What's your favorite memories of Nico?

Koria: When me and Mirai went on an awesome motorcycle journey to Weinertopia, the Kingdom of Wieners.

Nico: Yep.

Laney: Awesome!

Connie Cut: Mine is where me and Nico slashed numerous thugs in a mafia organization all over.

Nico: Awesome.

Laney: Cool!

Nico hugged all three of them.

Nico: I missed you girls.

Koria: We missed you too Nico.

Connie Cut: Same here.

We went back home.

Once she was a friendly girl who was inspired to save the Revenants from their suffering, but all of the experimentations on her drove her to insanity and reduced her into a mindless, feral monster. But, Lincoln's going to cure her and we're going to destroy the dark side of her: the mindless feral monster that's known as The Queen of The Lost.

Lincoln: Ah, we're here in our ancestral home of Scotland, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to face Cruz Silva, later becoming the "Queen" of The Lost, the posthumous central antagonist of Code Vein.

Eli: I sense that she's split in two: one who's a friendly girl and the other is a feral mindless beast.

Nicole: And you're right about that, Eli. Cruz Silva was once a friendly girl who was inspired to save the Revenants from their suffering, but all of the experimentations on her drove her to insanity and reduced her into a mindless, feral monster that's known as The Queen of The Lost.

Lincoln: But, I'm not going to destroy her, I'm going to cure her and we're going to destroy The Queen of The Lost.

Me: How are you going to do that?

Lincoln: I'll gladly show you.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's crisscross orange straps on his chest harness and orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold. Lincoln has transformed into a new Hero Form called LINCOLN, GOD OF THE ETERNAL WHEEL OF LIFE!

Me: Whoa!

Lincoln: This is the result from that unintentional absorption of Chakravartin along with absorbing and acquiring all his immense powers and abilities, and this resulted in a brand-new form that I unlocked. In this form, I'm known as Lincoln, God of The Eternal Wheel of Life.

Nico: That form is really awesome!

Suddenly, we saw a beautiful and super sexy girl with long aqua blue hair, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful aqua blue angel wings and Water Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, water, ocean waves, Keyblades, and angels on the coattails and on the back is Monstropolis, in her right hand is the Happy Gear Keyblade, and with her are the ten girls.

Lincoln: (GASPS) Darla Demyx, Keyblade Knight of Monstropolis and Embodiment of Demyx, The Melodious Nocturne of The 9 Oceans and Melodious Water.

Darla Demyx: Yep, and I got them away from Cruz Silva, but she's not looking good.

?: I will destroy you all!

We then saw our target, Cruz Silva, turned into the mindless Queen of the Lost.

Lincoln: Hold on, this may sting a little.

Lincoln fired gold webs to restrain her, and then, his large golden halo and the four orbiting gold rings fired rays of rainbow healing light which cured her and that also separated her from The Queen of The Lost who was just a rabid mindless animal. Varie got her and sent her back to The World Tree Estate in an ambulance.

Sylvester: Now, all we got to do is destroy this animal!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln formed 27 gold Mantra Orbs and he fired them at The Queen of The Lost and she was overwhelmed by the barrage and destroyed, and Lincoln fired a blast of gold energy that hit her soul and sent her to The Black Gates forever. We cheered as we holster our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Lincoln: That's it for Cruz Silva's dark side, now she can have a brand-new life. (To Darla Demyx) And it's so good to see you again, Darla Demyx.

Darla Demyx: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Darla.

Lincoln went up to Darla Demyx and he hugged her, and Darla Demyx is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Darla Demyx: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D, this is Darla Demyx, Keyblade Knight of Monstropolis and Embodiment of Demyx, The Melodious Nocturne of The 9 Oceans and Melodious Water, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of water and music and she's a very good friend of Mike, Sully, Boo, and all of the monsters of Monstropolis, and she harbors a very very nasty hatred towards Randall Boggs, and she wants nothing more than to kill him and send them straight to the blackest depths of Hell, but she knew why Waternoose did the crimes he committed, but she found out he finally had a change of heart and became good, and Darla also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Demyx and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Eli: Jeez! Well, thank goodness it's against Randall and not Randy.

Darla Demyx: No, Randy I'm good with, it's Randall I've got a problem with.

Michelle Emperyous: Too bad you didn't get a chance to throw him right back into that trailer so he can get the stuffing beaten out of him by the mother and son who thought he was a gator, that was hilarious!

Selene Emperyous: Too easy, you know she wants to kill him, Michelle. Darla came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: So, is it true she threw him into that trailer where he got the stuffing beaten out of him?

Lincoln: Yep, the mother and son thought he was another gator that got into their house again, and he got the stuffing beaten out of him with a shovel.

Nico: (Winces) And there's nothing worse than getting hit with a shovel.

Lincoln: Even Lynn's baseball bats dealt a lot of damage to someone's head, which was why we kept all of the blunt instruments in the shed and locked up tight, so Lori, Lynn, Lola, Lisa, and Luan would not try to grab any of them to hit me on the head with.

Drakus: Did they try anyways?

Lincoln: Yep, one time, and I had to spend a month in the hospital because of Lynn hitting me in the head with a shovel.

Drakus: That stupidhead!

Lincoln: That's another reason why we're glad to be rid of Dark Lynn forever, and now that you're here, Darla.

Lincoln went up to and hugged Darla Demyx in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Darla Demyx: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Darla Demyx's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Darla Demyx: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darla Demyx.

Darla Demyx had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them immediately. The ten girls are Amana Yamabuki, Chizuru Yotsuba, Kaho Akamatsu, Kairi Tsubaki, Kanami Yotsuba, Kisae Yotsuba, Mei Hanamizuki, Mia Hiiragi, Suzuka Fuyou, and Tomako Inugaya from Cantaloupe Collector.

Lincoln: Oh wow, it's Amana Yamabuki, Chizuru Yotsuba, Kaho Akamatsu, Kairi Tsubaki, Kanami Yotsuba, Kisae Yotsuba, Mei Hanamizuki, Mia Hiiragi, Suzuka Fuyou, and Tomako Inugaya from Cantaloupe Collector.

Ed Cowart: Ooh boy, Lincoln, this new set of girls you just rescued are extremely hot.

Lincoln: Ed, you better watch it. Are you girls okay?

Amana Yamabuki: Yes, we're okay, thanks to you.

Then, when Amana Yamabuki and the other nine girls saw who it was that saved them from Cruz Silva's dark side, The Queen of The Lost, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary

Amana Yamabuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Amana Yamabuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amana Yamabuki, Chizuru Yotsuba, Kaho Akamatsu, Kairi Tsubaki, Kanami Yotsuba, Kisae Yotsuba, Mei Hanamizuki, Mia Hiiragi, Suzuka Fuyou, and Tomako Inugaya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Cruz Silva, once a friendly girl who was inspired to save the Revenants from their suffering, but all of the experimentations on her drove her to insanity and reduced her into a mindless, feral monster known as The Queen of The Lost.

But, when Lincoln showed what he did by transforming into his new Hero Form: Lincoln, The God of The Eternal Wheel of Life and firing rainbow blasts that separated Cruz Silva from The Queen of The Lost and we throttled The Queen of The Lost and Lincoln destroyed her with that 27 Mantra Orb barrage and sent her soul to The Black Gates forever, everyone cheered and they hugged us and Lincoln's harem kissed him and steam escaped his ears. Lincoln and Darla Demyx have a lot of catching up to do, now that she's back in town.

Maria: WHOA! So, in that new form of yours, you literally cured Cruz Silva from that split personality that was in her.

Lincoln: Yep, and I've yet to discover the other powers that come with my new form as Lincoln, God of The Eternal Wheel of Life.

Me: Damn, I certainly was quite surprised when you changed into that new form of yours.

Nico: Me too, it was really powerful!

Eli: We'll try it out on more powerful opponents next time, I can't wait to see what the effects will be on them.

Lincoln: They'll be begging for death by the time I get through with them, and it'll tell them to never mess with a god among men with omnipotent power and can easily end their life in a split second.

Me: We already saw how many powerful villains that fell to my hand that quickly.

Nico: Yeah, especially with your new transformations, they had a look of fear on their faces.

---

After saving Cruz Silva and destroying The Queen of the Lost, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Darla Demyx saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Darla Demyx: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Darla, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Darla Demyx: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Darla Demyx: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Darla, what memories did you have with Lincoln?

Darla Demyx: Ooh, I was hoping you'd ask that. Well, this one time, Lincoln and I along with the rest of his Guardian Angels and harem were at Lake Superior and we were going for a swim in the water. But, then, we had a run-in with a bunch of hulking musclebound beach bullies who tried to attack us, but Lincoln being much taller, much bigger, much imposing, intimidating, and extremely stronger than them beat them all to a pulp. Then, he grabbed the leader of the group and made him spill the beans, and we soon found out the mastermind behind sending them at us was that control freak Alpha Bitch, Lori! I blasted her out with a stream of water, and Lincoln put her in a water prison, and she literally freaked out and went ballistic in there. But, we already told the rest of the family of what Lori did and she got her butt grounded for eighteen weeks and sent to Aunt Ruth's.

Nico: Okay, it's bad enough Lori tried to kill Lincoln, but to get a bunch of hulking musclebound beach bullies to do the job, now that's going way too far.

Me: We got told all that after Lori got sent to Aunt Ruth's, oh and as for those hulking musclebound beach bullies, turns out they had criminal records that were extensive and they're a bunch of thugs working for a drug dealer, so Lincoln bit them on the neck and sucked out their blood and massive muscle mass, and he also absorbed them into his body by sprouting out Cell's tail and he stung them on the chest with the stinger and absorbed them until their swim trunks were left.

Eli: How did he even learn that trick?!

Nico: (Realizes something) Wait a second! Lincoln, did you by any chance acquire the same power that I have which is assimilating the powers and abilities of the villains captured or destroyed?!

Lincoln: I was hoping you'd find that out, and you're right, I did. I don't know how it happened, but with every villain we'd captured or destroyed, I'd assimilated all their powers and abilities.

Nico: Just like what happened with my battle with Ken. Did anyone else know of it?

Me: No, we didn't, but now, we know!

Lynn Sr.: We never knew about that before, and neither did Lincoln.

Rita: Which means you and Lincoln are also somewhat alike, Nico, the same with Lincoln and J.D.

Nico: Well, we love our families, we love all our future wives, we hate perverts and heartless bastards who think they can do whatever they want. Whoa! Okay, I think you're right, Ms. Rita!

Me: Yeah, those similarities you pointed out are eerily correct.

We got a shower, and then, Lincoln, Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda are heading to Aquarius. But, they're not the only ones, Yamcha and his girlfriend, Vidro, are also joining in as well.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Yamcha was dressed in orange swim trunks, sandals, and he has his weapons holstered in case of trouble.

And Vidro was dressed in a two-piece black bikini, and Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda had feelings for Lincoln, and he also had feelings for them, and Lincoln removed Putine's Dark Side and sent her to The Black Gates and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Akina: Wow, so this is Aquarius, it sure is awesome.

Lincoln: It sure is, Akina, and it's perfect for our first date.

Yamcha: You said it. Shall we?

Lincoln, Yamcha, Vidro, Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, and Vidro got a massive blush on her face when she saw Yamcha lift up a 900,000,000,000,000-lb barbell, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up toAkina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda and they hugged them in their abnormally massive and powerful muscular arms, and Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda placed their hands on the massive pecs of Lincoln and his clones, and Yamcha went up to Vidro and he hugged her, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs the same with Yamcha.

Me: (Whistles) Looks like you really had a good time at Aquarius, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily

Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Akina the Saiyan Hero, Aurora the Elite Demon, Forte the Female Saiyan Berserker, Dr. Emily Leggings, Tights, Nico the Elite Android, Robelu, Putine, Viola, and Simulator Princess Zelda, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Yamcha: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later we were over in the park of the city. Doctor Octopus came.

Doctor Octopus: Hey, guys. Just visiting.

Me: No problem Otto.

Qin: Cool.

Doctor Octopus: So What's going on?

Lincoln: I'm going to see what it's like to be a Kangaroo Monster.

Courage: He wants to see what being a Kangaroo Monster is like so he can see if it's fun.

Me: Cool.

I got out the Kangaroo Monster bone.

Me: Here we go. Ready Lincoln?

Lincoln: Ready.

Lincoln had his back go intangible. I put in the bone.

Scarlett: Lincoln, this really is no time to be fooling around.

Lincoln: Come on Scarlett we got to have some fun before the big mission.

Me: So far so good.

But then Lincoln grew and transformed into an ORANGE KANGAROO MONSTER! He was a 30 foot tall Kangaroo Monster!

Lincoln: WHOA!

Me: WOW! Lincoln how do you feel?

Lincoln: WOW! I feel amazing!

Jim Crocodile Cook: (Australian Accent) You look really amazing mate!

Ellie Singh: He sure does!

Lincoln: Want to go for a hop in Australia?

Ellie Singh: Sure.

He put them in his pouch.

We teleported to Australia.

---

In Australia we were the deserts of Melbourne.

Lincoln: Here we go.

Lincoln was hopping and they were exploring all over.

Jim Crocodile Cook: Home sweet home!

Ellie Singh: It sure is amazing!

BOOM BOOM BOOM BOOM BOOM!

Lincoln: Boy I love coming to Australia. And being a Kangaroo Monster is amazing!

We were flying alongside him.

Me: You sure do look awesome Lincoln!

Lincoln: Thanks!

Nico: I hope you don't step on anything!

Lincoln: I'll be careful!

But then Lincoln hopped on a huge POACHER CAMP!

CRUSH!

GIRL SCREAM!

Lincoln: Huh?

We saw that the poachers were all pulpy pancakes.

Me: Ooh that's gonna hurt!

Camie: But those were poachers.

Courage: Ouch.

---

Meanwhile, at Masters of Evil HQ, Calamitous and Vexen finally managed to return Kron Ston to human form.

Calamitous: Finally! After 4 days!

Kron Stone: I… don't know what to say.

Vypra: I'm a woman of my word.

Kron Stone: And I think it's time I be a man of mine. As you know, I was in my Scorpion form for some time now. But one day, that smart lady with tentacles found me.

Vypra: Who was the name of the lady?

Kron Stone: Serena Patel.

Vypra: Whoa! That's Doc Ock's Successor in 2099.

Kron Stone: Yep.

* * *

Nico: Having fun, Lincoln?

Lincoln: I sure am!

Xenia: Awesome!

Headstrong: How long do you want to keep going?

Lincoln: I think I saw all of Australia like this.

Jim Crocodile Cook: He loved it.

Ellie Singh: That is cool.

?: I'll say!

?: Me too!

Then we saw a Walking Wake and Iron Leaves.

Me: Cool! Walking Wake and Iron Leaves.

Nico: Yep.

Xenia: The Ancient relative of Suicune and the future relative of Virizion.

Walking Wake: (In a girls voice) That is awesome.

Iron Leaves: (In a girls voice) Being a giant kangaroo must be fun.

Lincoln: It sure is.

Nico: Sheila and Sydney Australis!? Wow!

They reverted back and Sheila was a girl with blue hair and blue eyes and had purple and blue clothes on. Sydney was a girl with green hair and green eyes and had green clothes on and had a green sword.

Sheila Australia: Awesome to see you again Nico.

Nico: Same to you girls.

Pipes: What are your favorite memories of Nico?

Sheila Australis: When we were here in Australia and Nico and us found an amazing aurora crystal cave.

Sydney Australis: It was amazing.

Nico: Yep. That was fun.

Nico hugged them.

Nico: I've missed you girls.

Sydney Australis: We did too Nico.

Me: Aww. And that wraps up the Pokemon Gene-slammers.

Nico: Alright, Lincoln. Fun's over. Time for you to turn to normal.

Lincoln: Aww but I like this.

Me: How about we give you the power to turn into this at will?

Lincoln: That works.

I snapped my fingers and Lincoln reverted back and he also got the power to turn into a Kangaroo Monster at will.

Lincoln: Nice!

Notacon: Who leads next?

Lisa Loud: Me, Yusei, Devon, Juni, Yost Wolverine, Gentaro, and Gingka.

Nico: Cool!

Qin: Awesome!

Lisa Loud: It will be a most amazing honor to lead this mission.

Me: Yep.

The previous group came.

Sunny Tennyson: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well we're officially done with all the Pokemon. Now we move on to the Robot Masters. Next will be Guts Man.

Nicole: Nico told me that he wants to start with the Mega Man games in order. Starting with Mega Man 1.

Rina Mega: This is gonna be so fun and cool.

Lola: It sure will be.

Me: And the Guts Man gene-slammer must be someone with superhuman strength.

Camie: Yeah.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The next piece of The Tablet is located on 2099 Earth, and it's in the hands of 2099 Doctor Octopus.

Lincoln: Dr. Serena Patel A.K.A. Dr. Octopus, she's Director of Alchemax's Shadow Division along with being a scientist. Looks like we're going to be taking her down and sending her to The Masters of Evil along with getting her fragment of The Tablet.

Nico: You said it. By the way, Lincoln, did you find out who it was that Gene-Slammed the evil older brothers of your Elemental Monarch Guardian Angels into the Elemental Monarchs of Evil?

Lincoln: I did some work by sorting their blood memories, and the culprit behind it is someone whom Shattered Dimensions Spiderman knows all too well.

We gasped.

Me: Uh oh.

Nico: We'll worry about him later. Let's get a move-on.

Doctor Octopus: Oh right I just remembered! I got a call from Vypra and she told me that Kron was promised all that by Serena Patel.

Me: I knew it!

Xenia: Whoa! Is Kron…

Doctor Octopus: Yes Kron is now officially cured and has the power to change at will.

Xenia: Great!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Yohan, the central antagonist of the Webtoon comic Unholy Blood, a former human who became a vampire after drinking his saviors' blood, his childhood friend's parents, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone I certainly don't like at all: the dark energy we sensed belongs to Yohan, the central antagonist of the Webtoon comic Unholy Blood, a former human who became a vampire after drinking his saviors' blood, his childhood friend's parents, and he's coming here to destroy us.

We gasped.

Selene Valerious: (Romanian Accent) So, we've got ourselves a vampire coming after us.

Lincoln: He's not just a vampire, Selene, he's a ruthless vampire with a solid desire to overthrow human society, and he will do anything to succeed in that goal, whether it means he has to kill his servants or even harm innocent people. I refuse to let that vampire live, I'll drain him dry of every last drop of blood from his body and absorb his withered body!

Eli: Yikes! Lincoln's vampiric fury has been unleashed!

Nico: Yeah, and we know what happens when a vampire's fury is unleashed. Alright, gang, let's go, we're heading to 2099 Earth and defeat 2099 Doc Ock and retrieve the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out this, 2099 Doc Ock, we're taking you down and taking that fragment back, and once we get done with her, you're next, Yohan.

Selene Valerious: (Romanian Accent) You better be ready to die, Yohan, I've killed many vampires for years, and all of them have fled in fear of hearing my arrival reach their ears. You won't be different from the rest of them, by day's end, you'll be reduced to dust.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to 2099 Earth to retrieve the next piece of The Tablet of Order and Chaos and take down 2099 Doc Ock, and once we get done with her, Lincoln and Selene Valerious are going to destroy Yohan.

We were off to 2099

---

We arrived in the year 2099 and we caught up to 2099 Spiderman.

We were in front of Alchemax Tower.

2099 Spiderman: You guys made it.

Me: We wouldn't miss this for anything.

2099 Spiderman: Great. We're going into Alchemax Tower and infiltrating it.

Me: Nice.

Lisa Loud: Are you sure this is a good idea? Infiltrating one of the biggest, most highly technological megacorporations in the world?

2099 Spiderman: Positive.

At the moment, we are infiltrating Alchemax Tower, headquarters to the corrupted corporation that controls the future with an iron fist. Every obstacle we have encountered up until this point all share a connection with the company. The mysterious creator behind Hobgoblin. The woman who hired Scorpion to collect the fragments. Alchemax seems to be only place in the entire world that will give us the answers we seek, and hopefully won't lead to our untimely demise.

2099 Spiderman: Scorpion was going to bring his fragment to someone here, at one of the high security labs.

He crawls on the ceiling while we carefully follow him from the ground, running below him until we noticed the laser security grid ahead and stopped.

Lisa Loud: A laser grid. Shouldn't be a problem. Thanks for warning us about these, Spiderman.

2099 Spiderman: Luckily, my secret identity happens to work here. I know these security systems better than anyone… 'cept, maybe, whoever's collecting these fragments! Though I have a hunch who it is.

Number 7: Kron told us who it is after he got cured.

2099 Spiderman: Really?

Me: Yep. Dr. Serena Patel.

2099 Spiderman: (GASP) Oh man! I know her.

Inside one of Alchemax's most secured and secret laboratories, a beautiful and intelligent woman is seen conducting experiments and research on the Tablet fragment she acquired through mysterious means. A woman that wears a pretty suit that glows green and yellow, like Scorpion described earlier, with arms so shiny and many, almost like she's dressed in an "octopus" suit.

?: Preliminary tests confirm what I've suspected from the beginning, that this artifact is an energy source of almost immeasurable power!

She was unaware of us dropping down from the ventilation shaft, or so we think.

?: Clearly, this calls for proactive measures… to prevent it from falling into the hands of…

Suddenly, her multiple pink arms latch onto the limbs of 2099 Spiderman, Lisa Loud, Devon, Juni, Gentaro, and Gingka while suspending them in midair,

?: RIVALS!

Nico: Oh no! Busted!

2099 Spidey: Serena Patel! I figured you were behind this!

We saw who it was and it was DR. SERENA PATEL A.K.A. DOCTOR OCTOPUS 2099!

Serena Patel: Long time no see, Spider-Man. And you brought the original Doctor Octopus and Team Loud Phoenix Storm. (to Doctor Octopus) I must say that it is an honor to meet you, Doctor Otto Octavius who is also the Original Doctor Octopus. I am a big fan of your work.

Doctor Octopus: I'm flattered.

Serena Patel: You all should be lucky that I don't have enough tentacles to restrain all of you. We haven't been properly introduced, haven't we, Team Loud Phoenix Storm? I'm Serena Patel, head of Alchemax's Shadow Division.

Me: Pleasure to meet you too doctor. Kron told us so much about you and all that. Your armor suit is very impressive instead it has 6 arms instead of 4.

Serena Patel: Thanks for the compliment.

Nico: Never heard of the Shadow Division.

Serena Patel: Yes. That's why it's called 'Shadow Division'.

Nico: Ah, touché.

2099 Spiderman: So what's the master plan this time, Patel? You shadowy types always have one.

Serena Patel: Hmm. I could kill you, or I could explain everything and then kill you. I think I'll just kill you. (throws 2099 Spidey, Lisa Loud, Devon, Juni, Gentaro, and Gingka into wall)

2099 Spiderman: Sonofa-.

They teleported and landed

Serena Patel: Computer. This laboratory has been compromised. Initiate self-destruct sequence… ten seconds.

2099 Spiderman: Ten seconds? That's barely enough time to come up with a clever explosion-related quip!

UH OH!

Meanwhile, Patel uses one of her arms to press a button on the computer that opens a hatch door on the floor for herself to escape through while leaving us to burn.

Serena Patel: Ooh… that must really burn you up. So long, heroes. It's been a blast.

Nico: Oh, she's good.

Lisa Loud: Good at already annoying me.

The countdown has reached five seconds and it continues counting down while we are about to be trapped inside when the whole lab explodes on us.

Lisa Loud: Um… Miguel?!

Spiderman quickly looks around for an escape route as the countdown reaches two. In that instant, he notices the escape hatch Patel used is about to be closed, which might be their only way outta there. He grunts with extreme urgency as he uses his webbing to stop the hatch before it completely traps them inside.

2099 Spiderman: HOLD ON!

He quickly grabs Lisa as we jump through the open hatch screaming, as the countdown hits zero and explosions start consuming the lab in their fire.

EXTREMELY MASSIVE AND INCREDIBLY FIERY EXPLOSION!

We got out of there just in time as the whole building exploded into a massive and incredible fireball!

Me: WHOA! That was close!

Nico: YEAH!

We're freefalling down a long vertical tunnel.

Me: WOOHOO!

2099 Spiderman: Is it me or is it hot in here?!

We were feeling the heat from the explosion!

Gargoyle: The explosions are coming right behind us!

Lisa Loud: We got more trouble incoming!

Numerous robotic arms fashioned from Patel's likeness popped up through the corridor to try and slow us down.

Serena Patel: YOU CAN'T ESCAPE! I'M IN COMPLETE CONTROL HERE!

Nico: All we have to do is avoid your tentacles!

I slashed her Tentacles all over as they came at us.

SLASH SLASH SLASH SLASH!

Lisa Loud: Please tell me we'll get out of here alive?!

2099 Spiderman: Oh shock!

Lisa Loud: I don't like that shock!

2099 Spiderman: Better slow my fall somehow… WEBS DON'T FAIL ME NOW!

Spider-Man quickly lets go of Lisa so he can fire his webbing to the exit point, creating a web net that should catch us.

2099 Spiderman: Ah! I think it's gonna work!

But we immediately crash through the webbing and bounce onto the floor while making grunts of pain.

Me: OOF! Ow.

Lisa Loud: Perfect landing…

Me: Ew. Sticky. Now I know how a fly feels when it's trapped it a spiderweb.

Dark Spicer: Where are we…?

We slowly stand up inside what appears to be some kind of highly advanced reactor room not unlike Tony Stark's Arc Reactor. Patel climbs down from the vertical shaft we fell through with her tentacles, standing on top of her newest invention

Me: Looks like an energy reactor.

Serena Patel: Welcome to the Shadow Division, heroes. Tomorrow's weapons, developed today. And at the heart of it all - my masterpiece! Impressive, isn't it?

2099 Spiderman: Meh.

Serena Patel: What do you mean, 'meh'?

2099 Spiderman: I've seen one of these before.

Serena Patel: No you haven't!

2099 Spiderman: I have. I totally have.

Dark Spicer: It does remind me of Ottos' Octo Reactor. (to Doctor Octopus) No offense.

Doctor Octopuss: None taken.

Serena Patel: Irrelevant!

Me: What is this reactor?

Serena Patel: This is a Condensed Matter Reactor! The only one in existence!

2099 Spiderman: Is THAT what it is? Ohhhhhh. Meh.

Serena Patel: Maybe THIS will impress you!

Patel reveals her fragment to the heroes as she walks on top of her ingenious reactor

WE GASPED!

Me: The Fragment!

Serena Patel: The power of a million thermonuclear reactions at my command! Now the world is mine! Everybody sing - everybody praise - ME!

The platform levitates her into her reactor so she can start activating it.

Incredible amounts of energy start forming in her reactor that looks like its's ready to burst at any moment, which is a big no-no for us standing inside the reactor chamber.

Lisa Loud: Uh, should we shut that thing down before she does something crazy?

Too little too late as the reactor did unleash a tremendous burst of energy that knocks us out screaming.

We are sent flying outside her reactor chamber, that was built inside a giant metal sphere suspended in the air. We quickly crash down on another area below the floating metal sphere, grunting in pain yet again.

I landed.

Dark Spicer: Ugh… Too little too late for that I'm afraid…

Me: WHOA! That was powerful!

2099 Spiderman: Ow. Just… ow. Is everyone okay?

Me: Yeah I'm fine.

Nico: Me too.

Lisa Loud: I Think so. Now how are we gonna shut off her machine without risk blowing ourselves up again?

Me: We're going to need a plan here for this one.

Qin: Yeah I agree.

Nico: This is gonna be one of those situations where we're going to need some strategy.

2099 Spidey: Okay, see those cables attached to the sphere… They gotta go somewhere. First step, figuring out where.

Yusei: There's four of them. Do you think it'd be better we'd split up and see where each cable goes?

2099 Spiderman: No. We're inside Alchemax, and who knows what sort of crazy experiments Patel have in stored for us here.

Lisa Loud: Like that?

Some weird lizard-like robotic monstrosities that can walk on two legs are suddenly ejected from capsules on the walls, making weird monster roars as they break free to attack us.

Me: WHOA!

Lisa Loud: What the heck are these things?!

2099 Spiderman: Told you guys. Not exactly sure what they are myself

Me: WOW!

I looked at them with my data eyes.

Me: They are Lizard Sentinels and they are IMBUED WITH THE POWERS OF THE BOHRAK!

Xenia: WHOA!

Nico: I did not see that coming!

Jack Spicer gunned one of them down. Once the creatures die, he notices they leave behind a purple sphere that pulsates with light.

Jack Spicer: It's their core, and it seems to be unstable. We can use these to our advantage! Dark me, get ready to duck!

He threw the unstable core at a small swarm of creatures fight Dark Spicer as Tesladoom.

They fired waves of lightning and blasted them.

Me: Top this one. (ECHOING) FLARE UP NOW! 双炎斬

My sword blade glowed white hot and I slashed the sentinels and they all BURSTED INTO AN INTENSE WALL OF INCREDIBLE FIRE!

2099 Spiderman: WHOA! That was powerful!

Me: You haven't seen anything yet!

Serena Patel: Clever, but not clever enough!

The door inside Lab 1 opens for us

Lisa Loud: Says who! Just watch us as we ruin your plan! (to Miguel) How are we gonna do that again?

2099 Spiderman: The answer lies inside this lab.

We enter the large Lab 1 with its own reactor built on the end of the corridor.

Me: This one has its own reactor.

Roquefort: It's an energy core! This must be one of the devices powering her reactor. If we can remove it, she'll lose a quarter of energy to sustain the fusion energy.

2099 Spiderman: Leave this one to me, guys.

Me: Wait Miguel it's too easy. I have a feeling this one is guarded.

Nico: Me too.

More Sentinels appeared

Nico: I hate when I'm right sometimes

Me: Touche. (ECHOING) IRON ROCK CRUSHER! 岩鉄砕

I then smashed the ground with my sword and then destroyed all the sentinels!

Me: Now for this!

I formed a miniature version of the sun in my hands.

Me: The Power of The Sun In The Palm of My Hand.

Doctor Octopus: Cool! Nice one!

I threw the sun and it hit the Reactor and exploded into oblivion!

Qin: WHOA! Nice one!

2099 Spiderman: Three more to go.

Devon: Awesome, it's working! There should be more cores like this in the other labs! Let's keep moving.

Me: Yep.

Nico: Lets go.

We continued on.

We hurry to Lab 2 while avoiding as many unnecessary fights against Patel's creatures as best as we could as we want to stop her plans immediately. We quickly arrive at the entrance to Lab 2 only for a sudden force field to block us from entry.

Lisa Loud: A force field?

Me: Whoa. Not good.

A wall opens up next to the force field that moves into the center a giant mechanical arm, much to our shock.

2099 Spiderman: What the…?

Serena Patel is seen walking down on the large cable above to insert her metal arms into the machine.

Serena Patel: This should finish you handily!

2099 Spiderman: Giant mechanical arm, huh? Meh.

Lisa Loud: A lame invention for a lame scientist.

Serena Patel: Bite your tongue! In fact, I'll be happy to do it for you!

Me: Bite my big fat fucking ass!

Devon: Bring it on! Activate Beast Power!

Gentaro: Henshin!

Devon transformed and so did Gentaro!

Devon: CHEETAH POWER! BEAST MORPHER RED!

Gentaro: 40 YEARS OF RIDERS OF THE STARS! KAMEN RIDER FOURZE!

Me: OH YEAH!

Nico: Yeah!

Patel commands her Mech Arm to slam its pincer to kill us. Unfortunately, the arm moves at a snail's pace compared to us and we can move out of the way from its predictable attacks.

Lisa Loud: Seriously, she's one of the smartest scientists in the future that works for one of the highly advanced companies in the world, and this is what she's using to fight us? Sad really.

2099 Spiderman: Credit comes where credit's due, it's hard to get a good shot with her moving constantly moving like that.

Serena Patel: Need a hand?

Patel finally was able to land a strike on Spider-Man, as Dominique was able to dodge her slam and found herself standing on one of the four hexagon shapes panels on the ground. When the panel Dominique is standing on randomly opens up, she quickly notices there's a purple electrical space that was hidden beneath it.

Dominique: Maybe we can use this electric panel to stun her machine. Just need to get her attention.

Me: Leave that to me! (ECHOING) THUNDERBOLT CUT! 雷光斬

I fired a massive blast of lightning and several energy blasts and stunned her all over.

2099 Spiderman ran up the mechanical arm and began pounding Patel. Then he uses his webbing on her so he could jump back high in the air and come down with a powerful dive kick.

Serena Patel: No! You insolent wretches! You've broken my power couplings! I can't work this arm anymore!

2099 Spiderman: Ha! Then I hope you've got a giant sling-.

Patel is too annoyed to listen to his little joke as she detaches herself from the useless giant arm to flee to safety.

2099 Spiderman: She ran off from my little joke before I could finish.

Lisa Loud: Don't think I haven't noticed you're slowly picking up Peter's wisecracks.

2099 Spiderman: One of the side effects of teaming up with the original.

Lisa Loud: I know what you mean. Well, at least the force field's down.

Me: Yep. Now lets head into reactor 2.

We went and did so.

The door into Lab 2 opens for us to enter through. Like the other lab, this room has an energy core providing the energy for her reactor, which means it needs to be disabled quick. But unlike the previous core, this one's protected by a force field which will make it harder to disable.

Juni Cortez: That energy core looks like it's protected by a force field.

Me: I think it is.

I threw a piece of metal and it hit the Force field and it was vaporized.

Juni Cortez: I HATE IT WHEN I'M RIGHT!

2099 Spiderman: That's gonna be a little difficult to bypass, but we'll have to try something.

Alchemax Scientist: Hey, Spider-Man! Over here!

An Alchemax scientist waves his arms from nearby as he shouts the hero's name to get his attention and assistance.

2099 Spiderman: You're an Alchemax employee. Are you here to help us or get us killed?

Alchemax Scientist: Help you! Doctor Patel is crazy with her experiments and they could get us killed! I can help you lower the force field around the power core. Just watch my back.

Me: Okay!

2099 Spiderman: Alright, but we have our eyes on you if you try anything funny.

Eli: He's telling the truth. I sense it.

Me: Yeah. Lets go!

Public Eye Officer: It's the fugitives!

As expected, some corrupted Public Eye cops working for Patel run out a side door to arrest us and prevent us from succeeding with our plans to deactivate the force field.

I fired waves of energy and blasted them.

Lsia Loud: These guys again?

2099 Spiderman: Hey, Public Eye. Isn't there somewhere more productive you could be doing? Like eating donuts maybe?

Blast Man: How about using Accelerated Vision on these guys?

2099 Spiderman: My pleasure!

Miguel used accelerated vision on the Public Eye Officers before giving them a beatdown.

I fired waves of energy and blasted them.

The Force Field was down!

Nico: Uh-oh! Spiderman! They're bringing out the big guns!

A SIEGE Officer approached us from the door along with a few more cops by his side.

2099 Spiderman: A S.I.E.G.E.? This'll take a while.

Miguel did a charge attack on the SIEGE Officer.

Technus: Patel underestimates me. Here I, Technus - Master of All Things Electronic and Beeping, can control as much technology as I can find!

He controlled a bunch of electronic gizmos and formed into a huge armor and then bashed the SIEGE Officer into dust!

Xenia: Take that!

I fired an energy blast and destroyed the energy core!

Nico: YEAH!

Serena Patel: No!

A hologram of Patel projects itself in the room to complain about us breaking her stuff.

Serena Patel: This is very expensive, DELICATE equipment!

Yost Wolverine: (smirks) But they're the best kind to break.

Me: And easy to make you bankrupt!

This annoys Patel enough to turn off her hologram as we exit the lab back to the main area to see another cable have lost inputting energy to the main reactor.

2099 Spiderman: Two down, two to go!

Me: Now we got to find the 3rd Reactor.

Nico: Yep.

We went to find it.

As we quickly make our way over to the corridor that leads into Lab 3, we are sealed by more force fields that's preventing us from escaping as we are forced to deal with more of Patel's robotic lizard experiments.

Paragus: Miguel, web up those flying Maintenance Drones and throw it at the experiments!

2099 Spiderman: You got it!

He webbed them and did so and they exploded!

Qin: Oh yeah!

2099 Spiderman: Door's open! Let's get a move on!

We jump high to where the door is on the upper platform. We quickly run inside a mini lab of some kind before they enter the real lab on the other side, if the doors didn't close on us again and leave us trap inside.

2099 Spiderman: Great! Now what?!

His spider-sense warns him that they need to fend off smaller, more explosive monsters wanting to attack them.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Salami Swami barely jumped from an explosion of one of the small suicide monsters.

Salami Swami: (Hindu Accent) Don't let them touch you! They'll explode and take you out with them!

Me: Kamikaze Spider Drones! I got this! (ECHOING) SUPER WAVE SMASHER! 超流破

I fired a massive wave of water and blasted them apart in massive fiery explosions!

EXTREMELY MASSIVE FIERY EXPLOSIONS!

Qin: NICE!

We entered Lab 3. This lab is a lot larger than the previous laboratories. Miguel spots the end of the corridor into the energy core room is blocked with even more force fields using his Accelerated Vision, but he does see three terminals over there that can be used to deactivate them, and if wewant to use the terminals, we're gonna need to rescue the three scientists trapped behind glass doors.

2099 Spiderman: I get it. Save the scientists, get them to deactivate the force field. Piece of cake.

Me: Yep.

And of course, the Public Eye are here for our heads and will not go down without a fight, making our rescues a little harder.

Public Eye Officer: (on hovering jetbike) Stay where you are, bug!

Female Scientists: Can someone let me out?!

2099 Spiderman: Look, I'm here to help! Hold on just a sec!

Gentaro: We'll be right there!

Miguel web slammed a Public Eye Officer.

Me: Lets go!

We fired waves of energy and blew up the Public Eye men.

Lori flew and got the female scientists out.

Female Scientists: Thank you!

Miguel then web strike punched a Public Eye Officer on his jetbike!

KRASMASH!

Nico: Take that!

The scientists got to the controls and then the force field was down!

Xenia: It's down!

Lisa Loud: Hold on just a second. Look at this hologram.

We took a look at a circular platform that has a spinning hologram standing on it, which suspiciously resembles that of Scorpion.

Lisa Loud: It's the Scorpion. Patel was the one who hired him to collect the fragments in exchange for a cure. I wonder, if it WAS possible to cure him, would she have kept her promise?

Me: Hmm.

2099 Spiderman: She probably would've done it by extracted the Scorpion DNA to make an army of Scorpions

Me: That could be.

Nico: Good thing we made a third option.

Me: Send him to the M.O.E. where they can cure him and he can transform at will.

Xenia: Yep.

2099 Spiderman: That is right.

I then fired a blast of energy and blew up the 3rd Reactor.

Qin: Number 3 destroyed!

Serena Patel: Oh, wonderful! Another one!

Nico: Did you really have a cure planned for Kron?

Serena Patel: Do you know how difficult it was to make one?

Nico: (sarcastically) Thanks for making us feel like jerks even more!

Me: I can only speculate how hard it is.

Nico: Yeah.

We went to the break room between Lab 3 and the main area as we get ready to shut down the last remaining energy core. Before we could proceed to our objective, the doors are shut for a moment as Patel has a few words to share with us, projecting herself as several very annoyed-looking holograms,

Serena Patel: I can't believe I've let you live this long! I'm warning you, fools. Give up now before I'm forced to destroy each and every one of you. I'm a patient woman, heroes. But my patience is at an end!

2099 Spiderman: Oooh, we're really getting under your skin! We keep this up, you're gonna have a meltdown, aren't ya?

Serena Patel: I won't!

Frightwig: You will!

Serena Patel: SILENCE (turns off communications)

The door opens for us to leave, back into the main area where there is now only one cable left powering the reactor.

2099 Spiderman: Only one more to go!

Me: Lets go find it and destroy it.

Xenia: Yep.

Me: Entrance time Nico?

Nico: Not yet.

Me: Okay.

A sense of Deja-vu clouds our minds as we were about to enter Lab 4 only for it to be blocked by another force field and guarded by another giant mechanical arm that Patel comes down to use it to fight us a second time.

Lisa Loud: Again with the arm? Don't you have enough on your back?

Serena Patel: Let's try this again.

2099 Spiderman: Yeah, let's! You're gonna need the world's biggest SLING, because that arm's about the get BROKEN!

Xaldin: Was that what you're gonna say before?

2099 Spiderman: Possibly.

Serena Patel: DIIIIIE!

She swung the arm.

Me: (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massively powerful vortex of intense fire and light and it hit the arm and melted it as white hot slop!

Qin: WHOA!

2099 Spiderman: That was awesome!

Serena Patel: Why fight me, Otto? Join me and we can crush Team Loud Phoenix Storm together!

Doctor Octopus: Tempting offer. But I'm sticking with my friends. Besides, there's a chance the fragment might be affecting your mind.

Serena Patel: Very well then!

Eli: It is affecting her mind. I sense it.

Qin: We got to get it out of her now.

Serena Patel: Babbling jackanape! Must you fools ruin EVERYTHING!?

2099 Spidey: Is that a trick question?

Gingka: What's a jackanape?

Nico: I have no idea.

Me: What the fuck is a Jackanape?

Patel charged at Miguel and grappled with him. He beat the crap out of her. When she tried to strike him with his tentacles, he dodged them and beat the crap out of her some more. This continued two more times before he pushed her back. Patel flees once again in anger from her second defeat by us as the force field shuts down and we can finally infiltrate Lab 4, finding ourselves standing on a platform at one end of a long, technological corridor with seemingly no proper bottom.

2099 Spiderman: Hello, let's see where this go.

Me: Lets check it out.

Nico: Huh. You know, I just noticed, but why does the Alchemax logo look strangely like the Avengers' own?

2099 Spiderman: That because it kinda is. I've been working here for YEARS and I still can't believe they just flat out ripped off their logo.

Lisa Loud: You must be joking. What is WRONG with these people?

Me: No idea. But the sooner their corruption is brought to light the better.

Nico: Yeah.

We enter a small room with another trapped scientist behind a glass door.

Female Scientist: HELP!

Lisa Loud: That woman is in danger! We have to help her! (hologram of Serena Patel appears) You again?! You don't know when to quit, do you?

Serena Patel: You're not the first to try and stop me, heroes. Even some of my subordinates have accused me of megalomania.

Me: Really?

2099 Spiderman: And let me guess, you listened to their concerns calmly with an open mind?

Serena Patel: Not quite.

Katnappe: That was my guess.

Serena Patel: Public Eye! We have intruders at Lab 4!

Me: Here they come!

We fired waves of energy and blasted the Public Eye men.

Leni and Lori freed the scientist.

Female Scientist: Thanks, Spider-Man and you too Lori and Leni. She wasn't always like this. Ever since that artifact fell into her hands.

Lisa Loud: We can connect the dots. Can you help us get past this barrier?

Female Scientist: I can try. Hold on!

Lisa Loud: Thank you.

She went to the controls.

We fired energy waves and blasted the Public Eye.

Serena Patel: There must have been a power fluctuation!

2099 Spiderman: There was, and it was caused by your ego!

Me: That's right and your mind.

We make it to the power core area, which also shows a hologram of the Hobgoblin floating in front of the device.

Maria: Hey look, Spiderman! It's a hologram of the Hobgoblin!

2099 Spidey: This confirms Alchemax's involvement in his creation. Patel created the Hobgoblin, possibly using the DNA of previous Goblins, to create a cyborg clone with the added abilities to collect the fragments and kill me.

Me: I knew it had to be their doing!

Lisa Loud: Though when we fought, it seemed like Hobgoblin wanted to BETRAY Patel and destroy the world himself. Heh. Seems like no matter the era, you could never trust a Goblin. Except the one from the Ultimate Alliance world.

Me: That is true.

Nico: We should destroy this lab to make sure no more atrocities like this happen.

2099 Spiderman: There's something so satisfying about this.

Serena Patel: Fools! That won't stop me - all you've done is ensure your own doom!

2099 Spiderman: Yeah, says you.

His spider-sense starts firing off to the reactor starting to blow up behind us and forming a giant explosion.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

2099 Spidey and Lisa Loud: Aww shock!

Me: IT'S GOING TO BLOW!

2099 Spidey: We gotta get outta here!

Miguel quickly grabs Lisa as he web-swings them away from the explosion as fast as he could, while we fly next to them.

Serena Patel: I can't wait to watch you BURN!

2099 Spiderman: If we keep this up, we might outpace it!

Nico: What about that scientist lady we rescued?!

Rainbow Dash: I already have her here!

Rainbow Dash went and got her with her super speed earlier and she had her in her arms.

Me: Nice save R.D.!

Nico: YEAH!

And as quickly as we could, we just managed to escape from the explosions as we jump into the sealed room where it's safe to rest and catch our breath from the fire.

Lisa Loud: That was a little too close.

Me: No shit!

Blizzard Man: You said it. (Patel's holograms appear)

Serena Patel: You all have done better than expected. But it ends now. I admire your persistence, heroes, but it's taken you as far as you'll go. I admit, I'm impressed, but then, I had low expectations. I hope you enjoyed your little run while it lasted, because it's over.

Me: Don't count on it. It's just beginning.

2099 Spiderman: You're just jealous.

Lisa Loud: Or extremely arrogant. She acts like a spoiled child with her temper tantrums.

Me: That is putting it mildly.

Blizzard Man: She reminds me a bit of Wily.

2099 Spiderman: That's why she is one of the few villains I ENJOY making fun of.

Nico: I can tell.

Qin: But either way we got to stop her.

Common Cold: We can enter the main central reactor room again!

Me: Yep.

Nico: This will be good.

Eli: I'm ready.

Wood Man: Entrance time!

Me: Lets do it.

Nico: Yeah!

We went at the reactor door.

Serena Patel was really mad and infuriated! But then the spirits of octopuses appeared and swirled around her and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and a phoenix cry was heard and then we landed.

Me: We're pulling the plug on you Patel!

Nico: This ends now!

Lisa Loud: It's over, Patel! Consider your science project a complete and utter failure!

Me: Yeah!

Serena Patel: Congratulations, you've shut down a number of redundant energy batteries. A minor inconvenience!

Zs'Skayr: I dunno. You seemed pretty ticked off when we shut them down.

Me: Yeah you were pissed off from that.

Serena Patel: SILENCE! As long as I have the artifact, my Reactor is UNSTOPPABLE! And the destruction I wreak with it will be a testament to its magnificent design!

2099 Spiderman: Really? Doesn't seem like much of a machine if it gets all its power from a magic rock.

Serena Patel: You cretin! Do you have even the slightest idea what complicated engineering is required for it to successfully derive energy form a mystical artifact?! Do you?! DO YOU?!

2099 Spiderman and Lisa Loud: Meh.

Me: Meh.

Serena Patel: I'LL KILL YOU!

Me: You can try but we're Immortal. We can't die.

Devon: Not gonna happen! Beast X Visor Linked! Activate Beast X Mode!

Fusion On! (Opera music)

Gentaro became Meteor Fusionstates

They went into their Battlizers!

Qin: OH YEAH!

The extremely furious scientist surrounds herself in an impenetrable barrier while attached in the center of her reactor, using its energy to sweep the floor with extremely painful lasers that we will have to avoid.

Nico: Why couldn't you have been based on a blue ringed octopus?!

Lisa Loud: We can't hurt her while she's hiding in the reactor! How do we get her outta there?!

Maria: These switches might do the trick!

Me: I got it!

I fired lasers and blasted the switches and she was out of it!

Me: Now's our chance!

I fired waves of energy and elements and blasted Patel all over!

Xenia: Take that!

Yusei and Gingka charged at her.

Yusei: I SUMMON STARDUST DRAGON!

He summoned Stardust Dragon!

Gingka: LET IT RIP!

He launched his GALAXY PEGASUS BEYBLADE!

They fired waves of energy and stars and blasted her all over!

Patel uses the energy she managed to absorb from the reactor to surround herself in another shield.

Lisa Loud: Another force field? Are you THAT insecure?

She charges at us with her very fast-moving tentacles that are admittedly a little difficult to avoid in time. Lisa and Spiderman try to attack, but that force field makes it almost impossible to touch her, but Iron Boy seem to notice a weakness in her barrier while flying above her.

Iron Boy: Does she not realize she's consuming a great deal of energy trying to hurt us? Maybe we can use that to our advantage!

Me: Good idea Double D.

She used up a lot of energy and Lisa kicked her in her face and punched her in the face and bashed her in the back of her head!

Me: Take this! (ECHOING) BLACK LIGHTNING SLASH! 暗黒跳飛斬り

I fired a massive barrage of black energy lasers and they hit Patel and blasted her all over!

Me: What's the matter Patel? Can't handle the fact that you were wrong about EVERYTHING!?

Serena Patel: (ENRAGED) I WILL KILL YOU!

She went at me and I grabbed one of her tentacles and channeled lightning into it and electrocuted her all over.

The reactor was low on power.

Serena Patel: Power level: low? I need to recharge, then I'll be finish with you inferior specimen!

She comes to the center to attach her tentacles to her reactor to recharge her energy, unleashing a powerful shockwave to attack them with in the process.

Devon: Bad idea taking a nap during a fight!

Devon and Juni charged at her while she was recharging.

Then they bashed her down and disconnected her from the source.

Me: We need to destroy that reactor!

Serena Patel: (to Yost Wolverine) You're just as annoying as you are in this era!

Yost Wolverine: Remind me to meet my future self here sometime!

Yost Wolverine and Gentaro charged at her.

They jumped and kicked her and bashed her down.

Qin: Take that!

Me: What's the matter Patel? Lagging in brain power?

Serena returns to her reactor to get a little more serious. Her impenetrable barrier returns as her hologram self projects from the Reactor itself to look intimidating, using its energy to summon her robotic monster minions to fight for their creator. She fired lasers at us which we avoided.

Nico: Guys, make her laser hit her minions!

Connor Daniels: I got it!

He used his Technokinetic powers and had the lasers fire at the robotic monsters and blew them apart!

Nico: WHOA!

Qin: Nice job Cooper!

The unstable energy cores were left from the defeated creatures.

Nico: Let's throw these at her!

Me: Good idea!

Eli: I got it!

Eli used the Force and threw them at her and they exploded when they hit her!

MASSIVE POWERFUL EXPLOSIONS!

The explosions knocked her all over the place.

Serena Patel: Do not throw my own creations at me to hurt me?!

Lisa Loud: Oh, I'm sorry. I was just testing a little theory like any GOOD scientist would, and it seemed to have worked.

Nico: And that is to knock some sense into you by bashing your head in with what you created.

Me: Yeah!

Laney: Had enough yet!?

2099 Spiderman: Now would really be a good time for the usual battle members to show up!

Nico: Agreed!

Then Wiggum, Chalmers, Springfield Mafia, Cantwell, Selma & Patty, Krusty, Cargill, Rich Texan, Skinner and Comic Book Guy came.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Nico: Wiggum, Chalmers, Springfield Mafia, Cantwell, Selma & Patty, Krusty, Cargill, Rich Texan, Skinner and Comic Book Guy.

Wiggum: We already knew about Serena Patel when Kron told us about her.

Chalmers: Kron is alright, by the way.

Nico: Thank goodness.

Me: I'm glad for that.

Fat Tony: It took our scientists some time to cure him though.

Me: I can tell.

Cantwell: (to Nico) We heard you fought Jason Voorhees.

Nico: We sure did.

Patty: Please tell me there were survivors!

Me: Yes three of them. One is in the infirmary and the other 2 only are shaken up.

Patty: Thank goodness.

A figure came out and it was WHAC-A-MOLE JAMEN from episode

17 of Kiramagers!

---

The Whac-A-Mole Jamen is one of two main antagonists (the other is a Hammer Basra) in episode 17 of 2020 TV series called Mashin Sentai Kiramager. He is a Gold Body Whac-A-Mole-themed Jamenshi of Dark Empire Yodonheim whose dark energy was used to release the Hammer Basra.

He is voiced by Hiroyuki Muraoka who's one of the franchise's recurring suit actors for monsters, and previously voiced Blizaru, Zukangami, a Karateloid, a Domeloid, Meshiubaindaver, Ruretta Gerou and both the Daikon World and the Great Daikon World.

The Whac-A-Mole Jamen made his first appearance disguised as a human as introduced to himself via hologram as he was talking to Takamichi during his flashback however in his first attempt he was overwhelmed by this Jamen's ability.

Now back to the present with help from Tametomo and Juru's inspiration the Mole Buster Jamen got pounded by this new arsenal Yellow Stone Hammer thus finishing the first stage of Whac-A-Mole Jamen's game. After that he revealed his true form and told them his scheme, but if they want to defeat him they need to defeat his game first so its on to the next stage.

A while later the Whac-A-Mole Jamen was in the mansion as he sends out the Bechats to slow down Tametomo while Galza (who'd somehow arrived in the said mansion) battles Takamichi. Once they arrived to the attic Tametomo has somehow got affect with stunning spell from one of defeated Bechats making him impossible to hit one of the moles.

However once Tametomo removed sludge off of him and his mashin he used all of the strength and destroyed the game/dealing damage to the Whac-A-Mole Jamen. After that he was then destroyed by this finisher called Kiramai Buster thus winning the game and freeing the civilians that lost to it.

---

Juru: Whac-A-Mole Jamen!

Me: I remember you! You were sent to pound numerous people in a human version of Whac-A-Mole.

Me: Yep.

William: You could do good in the arcade.

Me: You sure could.

Timmy: Better than the game I played at Flappy Pappy Bob's Learn-A-Torium.

Me: Betty and Gary ruined it with their peabrained antics.

Nico: Yep.

Whac-A-Mole Jamen: Well those two don't know anything.

We got the usual battles underway.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of dark energy blasts that came out of nowhere and they hit the barrier, but the dark energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Yohan, or I will force you out!

A figure came out, and it was none other than Yohan, the former human turned powerful vampire.

Nico: So, that's Yohan. He looks like any normal human being by appearance.

Lincoln: But, that's only with his physical appearance, take a look at his eyes.

We saw that Yohan has blood red eyes with slit pupils and fangs.

Me: He's right, blood red eyes with slit pupils and fangs: that's the… !

Nico: The tell-tale sign that he's a vampire, and an evil one who must be slain!

Selene Valerious: (Romanian Accent) That's exactly what's going to happen to him.

Suddenly, Selene Valerious' blood red eyes turned neon red and she was surrounded by a black and red energy aura with stars, shadows, darkness, blood, demons, vampires, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Yohan, she left black and red energy, stars, shadows, darkness, blood, demons, phoenixes, and angels with every step.

Selene Valerious: (Romanian Accent) You may have saved us all the trouble of hunting you down, Yohan, but I still will never forgive you for what you did in betraying mankind. You were once a young always kind-hearted towards the surroundings and willing to help those in vain. However, after you becoming "God", you became a ruthless vampire with a solid desire to overthrow human society and you'd do anything to succeed in that goal, whether it means killing your own servants or even harm innocent people. That is unforgivable, and for that, you will pay, and by day's end, you'll be reduced to ashes.

Suddenly, Selene Valerious was surrounded by a massive vortex of black and red energy with stars, shadows, darkness, and blood surrounding it, there are demons, vampires, phoenixes, angels, and

Vampire Hunter flying around the vortex, and in the vortex is a blood red phoenix with blood red eyes glaring at Yohan: the red eyes of eternal death. Then, as the vortex faded, Selene Valerious emerged, but she was changed forever.

Selene Valerious grew from 7'0" to 7'9" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long midnight black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blood red eyes and a black and blood red energy aura with stars, shadows, darkness, blood, demons, vampires, phoenixes, and angels surrounding her, she has Vampire Hunter with the Dark Kanji in its hands emblazoned on her forehead and Third Eye with blood red iris, she has on phoenix earrings with red gems for eyes and holding the Darkness, Blood, Star, and Eternity Kanjis in its hands, she also has Vampire Hunter with red gems for eyes and holding the Darkness, Blood, Star, and Eternity Kanjis in its hands on the bottom of her blood red bat-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Selene Valerious has on a crimson red coat, white shirt, white cravat, midnight black pants, midnight black knee-high boots with butterfly buckles, and long long-sleeved white trenchcoat with stars, shadows, darkness, blood, demons, vampires, phoenixes, and angels on the coattails and on the back is Vampire Hunter surrounded by stars, blood, and darkness. Suddenly, Selene Valerious felt a sharp pain on her back, and then, her massive midnight black angel wings with blood red tips on the large midnight black feathers grew much bigger for her new body, and she now has eleven massive and long midnight black wolf tails with blood red tips and blood red markings, she has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Selene Valerious' massive Vampire Hunter-themed greatsword and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of black and red energy, stars, shadows, darkness, blood, demons, vampires, phoenixes, and angels, and when it emerged, it was transformed into Selene Valerious' Infernal Blood Soaked Darkness Vampire Hunter Demonic Darkness Phoenix Angel Greatsword of Dark Phoenix Blood Soaked Vampire Hunter Justice, it's a brand-new massive greatsword with embedded blood red gems and Vampire Hunter etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in the foreheads, longer midnight black handle, four midnight black phoenix heads with blood red gems for eyes and large midnight black phoenix head with blood red gems for eyes and a large blood red gem in its mouth on the bottom of the midnight black phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Vampire Hunter's head with blood red gems for eyes and a large blood red gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blood red kanji below Vampire Hunter that said, "Selene Valerious, Gene-Slammer of Vampire Hunter, Master of The Powers of Darkness and Blood, Blood Descendant of Valerious The Elder, Member of The Knights of The Holy Order, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Destroyer of Felix Asmodeus and Dracula, Destroyer of Yohan, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of Darkness, Blood, Vampire Hunters, Phoenixes, and Angels"

Suddenly, Selene Valerious' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Selene Valerious has transformed into SUPER ANGEL-VAMPIRE HUNTER-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA BLOOD SOAKED VAMPIRE DARKNESS ANGEL BLOOD SOAKED DEMON DARKNESS VAMPIRE HUNTER PHOENIX ANGEL OF DIVINE BLOOD SOAKED VAMPIRE DARKNESS ANGEL BLOOD SOAKED DEMON DARKNESS VAMPIRE HUNTER PHOENIX ANGEL JUSTICE AND DIVINE BLOOD SOAKED VAMPIRE DARKNESS ANGEL BLOOD SOAKED DEMON DARKNESS VAMPIRE HUNTER PHOENIX ANGEL LOVE!

We were amazed by Selene Valerious' Super Angel-Vampire Hunter-Phoenix-Harmony United Friendship Universal Eternal

Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Yohan saw it, the vampire fell into a rage and ran at her to kill her, but Selene Valerious fired a massive barrage of black and red energy, stars, shadows, darkness, blood, demons, vampires, phoenixes, and angels at Yohan, and they exploded as they hit him, he got back up, but now, he was absolutely pissed and driven mad by wrath and bloodthirst.

Sheena Valerious: (GASPS) Oh, no way!

Wendy Valerious: Oh, tell me we're not seeing things!

Nico: You're not, girls.

Lincoln: You're definitely not seeing things, Selene Valerious has transformed into her Super Angel-Vampire Hunter-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got rid of that bloodsucking betrayer of mankind.

Selene Valerious: (Divine Echoing Godly Voice of The Divine Blood Soaked Demon Darkness Vampire Hunter Phoenix Angel and Divine Blood Soaked Demon Darkness Vampire Hunter Phoenix Angel Love) Exactly what I was about to say, Linky. Let's get him!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Selene Valerious.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused enough mayhem and spilled too much blood already, Yohan, and now, you will pay for everything that you've done!

Selene Valerious and Lincoln went after Yohan, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Yohan and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Selene Valerious also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Yohan even madder than ever!

Yohan: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, Yohan, we're immortal and invincible, and we're also The Champions of The Gods. But, you, you're just a former human turned vampire who desired only to destroy mankind, and now, your hour of judgement is at hand!

Lincoln ran with superhuman speed and grabbed Yohan by his neck, and then, Lincoln sank his fangs into Yohan's neck and he not only sucked out his blood, but he also assimilated his superior vampire physiology, superhuman strength, superhuman speed, superhuman endurance, superhuman agility, enhanced senses, advanced intelligence, vampire affecting abilities, and empowerment and he made them his own, and he also absorbed Yohan into his body through physical contact with his skin. Then, as soon as Lincoln was done feeding on and absorbing Yohan, an energy card with Yohan's drained soul appeared in Lincoln's left hand, and he sent Yohan to The Black Gates forever. We cheered wildly for what Selene Valerious and Lincoln did as they holstered their massive greatswords and powered down, and Selene Valerious' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight black angel wings are permanent.

Selene Valerious: (Romanian Accent) Burn in The Black Gates forever, you undead scum. Thank you for helping me get rid of Yohan forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Valerious wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Valerious' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Vampire Hunter flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness around them and blood raining down on them and we cheered wildly. Then, Lincoln and Selene Valerious sucked in and absorbed the elemental forces and darkness and blood and they came back to us as the display vanished.

Lincoln: It's been a long while since I've fed on and absorbed some vampires.

Nico: Yeah, I've forgotten about the fact that you absorb vampires, werewolves, and powerful super-powered villains. But, you've already been getting back to that sort of routine.

Me: You got that right. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one and it's another one for the Embodiments of Organization XIII and it's one Lola will like: Arlea Axel, Keyblade Knight of The Pride Lands and Embodiment of Axel, The Flurry of 8 Dancing Flames.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Arlea Axel is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of fire and she's a very good friend of Simba and his friends, and she harbors a very very nasty hatred towards Scar for killing Mufasa along with his wife Zira, and she wants nothing more than to kill them both and send them straight to the blackest depths of Hell, and Arlea also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Axel and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Lola: Hey, I remember her all too well. (Shudders) I can't forget what she did to Lori when she went too far trying to kill Lincoln yet again, and she got burned badly!

Nico: Wait, what?!

Me: Long story, Nico.

Lincoln: You'll hear it tomorrow, Nico, hope you can keep yourself from trying to kill Lori.

Eli: I'll be ready in case Nico loses it. (Cracks Knuckles)

Nico: (GULPS)

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Spiderman: (To the viewers) But this was an awesome mission for us.

Me: Yeah it sure was.

2099 Spiderman: I'll still work here. But I'm undecided if I want to become CEO or not.

Me: Nonetheless Miguel, you did great.

Qin: Yeah you can give this company a massive overhaul and have it devise technologies for the betterment of society.

2099 Spiderman: That works. Okay I'll be a CEO and give this company a total overhaul and make TONS of changes.

Me: Great.

2099 Spiderman: I honestly couldn't have done it without you guys.

Me: It was our pleasure Miguel.

Me and Miguel shook hands.

Xenia: Boy this was so much fun.

Me: We're not done yet. We still have the Ultimate and Amazing Universes left.

Lola: Yep.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Syria, and tomorrow and the days to come, we've got ourselves a very dangerous series of battles taking place: we've gotten word that Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero have been brought here and they're causing havoc, and we're also going to find out the person responsible for this mess is none other than Boss Cass who also came back from the dead and he had gotten his hands on a Dark Orb and used one of Quan Chi's spells to summon Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero to cause havoc. This time, Boss Cass has gone too far, but we'll make him pay for what he'd done, the first Revenant we're going after is the Revenant version of Liu Kang, but we're going to break Quan Chi's spell and free him. And we're in for a treat: we're also going to be meeting two girls along the way. The first is Arlea Axel, Keyblade Knight of The Pride Lands and Embodiment of Axel, The Flurry of 8 Dancing Flames, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of fire and she's a very good friend of Simba and his friends, and she harbors a very very nasty hatred towards Scar for killing Mufasa along with his wife Zira, and she wants nothing more than to kill them both and send them straight to the blackest depths of Hell, and Arlea also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Axel and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

And the second is Darcy Minjarra, The Legendary Crimson Demon Knight of Burramudgee and The Southern Rivers, she's Lincoln's Guardian Angel from Burramudgee, Australia, the world of Ty the Tasmanian Tiger, she's a member of Bush Rescue and an old friend of Ty and his friends and she goes and rescues people in need and whenever an emergency comes up, and she, Ty, Sly, and Shazza have more than once dealt many dangerous blows to Boss Cass and his minions, and here's a secret: Darcy had a rare and fatal blood disease when she was born, but she was saved when the doctors did a blood transfusion, but what the doctors didn't know was that the blood they used for her risky operation was the blood of a thousand powerful demon lords from The Underworld, the transfusion was a success and not only did she undergo a very powerful transformation, but that powerful demon blood completely changed her physiology forever: she was reborn as a very powerful god-like demon and she acquired her own version of the Devil Sword Dante along with red and black angel wings growing and sprouting out from her back and very powerful god-like abilities and powers over darkness and hellfire, she became faster, stronger, and more powerful than ever. Boss Cass and his minions were extremely afraid of her even before she'd received that blood transfusion, and now, they became even more afraid of her because one wrong move and Boss Cass and his minions were a one-way trip straight to Hell. She moved to Royal Woods and she met Lincoln when they were seven years old, and she'd defended Lincoln with a fierce passion from Lori, Lynn, Lola, Lisa, Luan, Chandler, and all of Lincoln's enemies, and she got along well with Lincoln's nice sisters and parents, she especially got along well with Lucy and The Young

Morticians' Club when they found out about her secret, and she hates Chandler with a bloody passion especially when she found out about what he did in making that deal with The Devil seven years ago, she hates it when some people make deals with The Devil because in the end, no matter what, The Devil will come for their soul. She swore to fight against The Devil and his minions despite being a powerful demon herself, but Ty and the others knew of it, and they swore to keep it a secret especially from that crime lord cassowary, Boss Cass.

The next part of the saga for part 13 is where we go battle Carnage and Girl Jordan is going to make sure THAT MONSTER PAYS FOR EVERYTHING!

See you next time.

Nico: I have a feeling this planet is going to be fun and good.

Lola: Me too.

Camie: This will be awesome and cool. I have a feeling this planet is going to be fun.

Me: It sure will be. All the planets we go to are fun.

Varie: They sure are.

Girl Jordan: I agree there.

SpongeBob: (LAUGHS) You said it. It's so fun.

Nico: Spongebob, I want to thank you, Spymaster, and your teams for coming.

SpongeBob: Not a problem Nico. It's going to be awesome helping all of you out.

Natilee: I'm really excited about this one everyone.

Nicole: I can tell you're going to have fun sis.

Shanan: Yeah this will be awesome.

Nico: Natilee, have you been in any recent dreams lately?

Natilee: I sure have. I saved a girl that was having a nightmare about the movie The Haunting of Connecticut and I also saved a girl from the Beast in the movie Poltergeist III.

Nico: Cool!

Natilee: Also I went into May's dream and she had a really horrible nightmare. She was being chased by Jiraiya naked in the Leaf Village.

Nico: WHOA!

May: (Groans) That was a terrible nightmare!

Nico: I… didn't even know naked dreams like that exist.

Natilee: It's a horrible problem. As a dreamwalker I have to make sure no one has dreams like that.

Nico: That is crazy.

Girl Jordan: I had a dream like that and CHANDLER was chasing me naked through the city!

WE GASPED!

Lincoln: Girl Jordan told me all about that long ago and I beat the living crap out of him.

Leni: Yeah it's true.

Anna Anyanova: I gave Chandler a big kick in the crotch with a spiked boot,

Nico: (WINCES) Ouch!

Laney: Yeah no kidding.

Natilee: Yeah. I wasn't around back then. But now that I am all dreams will be safe.

Nico: Good.

Me: Yep. Boy yesterday's mission was awesome!

Qin: It sure was.

Xenia: I'll say!

Lola: Now the 2099 Universe is safe.

Nico: Yesterday was the beginning of a bright future.

Girl Jordan: It sure was.

Me: We got all the tablet fragments there back.

Qin: We sure did.

Spymaster: We have Serena Patel in our infirmary and she has the worst ever headache ever. She said she feels like she got hit by a bullet train coming in at over 50,000 miles per hour.

Me: Ouch!

Spymaster: Yeah that fragment really drained her big time and gave her a tremendous headache.

Laney: Ooh ouch.

Spymaster: Yeah. Vexen even gave her a really big block of ice to help her.

Nico: Wow that really took it out of her.

Qin: Boy no kidding.

Nico: And Alchemax is corruption free.

Me: Yep. Also we gave that entire Public Eye force a MASSIVE Overhaul.

Lana: No kidding. Thanks to Makina's inside job.

Camie: Yeah no kidding.

Me: Lisa you did a really great job leading your team for that one.

Lisa Loud: Indeed and it was my pleasure to lead a team there.

Lola: Yep. All that's left is me. Now it's my turn to shine.

Me: Yep.

Maria: Define overhaul.

Me: They had to hire new workers that have no mad scientist stories, get new equipment that won't be used for crime, new repairs, new staff, new files, everything.

Maria: Oh.

Nico: Yeah.

Maria: We're here.

We arrived at the planet and it looked like a desert planet from space.

Me: Looks like a desert planet from up here.

Nico: It sure does.

We went down to the planet and landed and we saw that it was a PLANET MADE OF PEACHES!

Me: Cool! A Planet made of peaches!

Nico: WOW!

Laney ate one.

Laney: (Eating) MMM! Juicy and delicious!

Nico: Let's dig in!

We went and ate some.

Natilee: Boy this planet is cool! Jared would love this planet.

Me: Boy he sure would! Taro don't you think this planet is very fitting for you?

Taro: It sure is and I was born from a peach myself!

Xenia: Very cool and coincidental.

Lola: Yeah!

Nico: How about you try one, Taro?

Taro: Sure.

He ate one and it was a sweet and juicy one.

Taro: Mmm! Boy the fruit I was born from is tasty.

Me: It sure is! (Eating) But you can't eat the pits.

Lana: Yeah.

Applejack: This is amazing that there is a planet of peaches.

Me: It sure is Applejack. I hope there isn't a feud with a farm family that grows peaches and your family.

Applejack: Nope there isn't thankfully.

Me: Whew. Good.

Taro: Feud?

Me: You know like a heated argument between families like how the Hatfields and McCoys did years ago,

Taro: Oh.

Applejack: Thankfully there isn't one like that.

Natilee: Thank goodness. There was one with the Pears and the Apples but that passed thanks to dad and Jared.

Me: Yeah it's how we brought back Applejack and Apple Bloom's mom and dad.

Nico: I remember that. But at least there is no feud between peaches and apples.

Lola: Thank goodness.

Taro: But this is really amazing.

Camie: Boy I'll say.

Qin: Yeah.

Me: Boy the Georgia Peach Growers on Earth would love this planet to the brink. And Georgia is known as the Peach State.

Xenia: That is too true.

Samurai Jack: They sure would. I think this is a very amazing and interesting planet.

Me: Brings back memories of when we saved that baby from being turned into dinner by those robots.

Varie: Boy I remember that.

Fu: That was epic. And we saved that baby and found his mother.

Laney: But he inadvertently achieved the Spirit of the Samurai, Sakai.

Lola: Yep.

Nico: Lola, if the baddie today is who I think it is, then it is a REALLY good thing it's your time to shine.

Lola: Yep because Symbiotes are weak against fire.

Girl Jordan: And I have a feeling my hunch is correct. J.D. I have a deal for you.

Me: What is it? It's not a lovemaking fest with you is it?

Girl Jordan: NO NO! Goodness. No. My deal is If we face Carnage and Cletus then you can kill Cletus Kasady. But leave me saving Gwen Stacy from the Carnage Symbiote and killing the Carnage

Symbiote.

Me: Oh. That's a good deal. Okay you have a deal.

Nico: Don't want Lincoln jealous, right?

Me: Don't worry I would never do that to Lincoln. I have too much honor for that.

Lincoln: Thanks J.D.

Me: You're welcome.

Girl Jordan: Besides Lincoln is for me and his harem.

Me: Great.

Lincoln: And you know this planet is perfect for this. I just got this.

Lincoln pulled out a newspaper and the article showed the Miller Family.

Me: (Reading) "Miller Family Escapes! Agricultural Terrorists of the organization S.U.S.P.E.N.S.E. break out of Maximum Security Federal Prison! Miller Family sent to prison for trying to destroy the Country's food supply by wiping out all other fruits except peaches is believed to be out for revenge against Nico Chan and Team Loud Phoenix Storm!?" OH SHIT!

Nico: Well… fuck.

Camie: Who are the Miller family?

Me: They are a family of Agricultural Terrorists that want to destroy all the worlds fruits and replacing them all only with peaches. But in doing so that will destroy the entire global economy.

Nico: Yep. They work for a terrorist organization called S.U.S.P.E.N.S.E. That stands for the Secret Underground Society of Peach Entrepreneurs Nixing Sour Exports. I worked for the C.I.A. and one of my biggest missions before I joined the team was to bring down the Miller Family.

Nico went over their history.

---

Jeff, Carly, and Ryan Miller, collectively known as The Miller Family, are the main antagonists of The Loud House episode "Family Bonding". They are a seemingly normal family that move next door to the Louds, later revealed to be spies working for S.U.S.P.E.N.S.E..

Jeff was voiced by John DiMaggio, who also voiced Bender in Futurama, Dr. Drakken in Kim Possible, Joker in Batman: Under the Red Hood, Nitro Zeus in Transformers: The Last Knight, Jekhide in Mia and the Migoo, Hannibal McFist in Randy Cunningham: 9th Grade Ninja, Lobo in Justice League: Action, Brother Blood in Teen Titans, and General Grievous in Star Wars: Clone Wars. Carly was voiced by Annie Sertich. Ryan was voiced by Pierce Gagnon.

The Millers were sent by an organization called S.U.S.P.E.N.S.E. (Secret Underground Society of Peach Entrepreneurs Nixing Sour Exports) to begin a plot to dispose of the world's cherries, starting with Royal Woods. They moved into a house next door to The Loud Family. However, Lincoln and Clyde became suspicious of them, as they discovers the Millers were putting together a giant machine in their attic. Lincoln tries to warn his family, but they refuse to believe him since he and Clyde have always had a habit of accusing the new neighbors whenever they move into Royal Woods, and their suspicions always end up being wrong causing Lincoln to take matters into his own hands so he can prove to them that he is telling the truth this time.

For the next few days, Lincoln and Clyde proceed to spy on the Millers. While spying on Jeff, they see him meeting up with a woman in a trench coat at a library to obtain a book on how to grow Georgia peaches. While spying on Carly, they see her getting mad at Flip when he tries suggesting to her if she wants the highly-preferred cherry-flavored Flippee instead of a peach-flavored one. While spying on Ryan after the put a microphone in his slice of pizza, they overhear a conversation between him and Lynn Loud, where he says he'll be busy doing other things, including taking out the trash (where Lincoln and Clyde point out that trash night isn't tonight).

After obtaining enough evidence, Lincoln and Clyde realize who the Millers work for and what their goal is (to destroy the world's cherries). When Clyde questions how they can stop them, Lincoln says he says he knows a way.

During a welcome barbecue party, Lincoln attempts to use that distraction to sneak into their house and find the machine that is set to destroy the cherries. However, he is caught in their home because of Lola (who probably had her suspicions about this entire BBQ welcome party thing) finding out about his infiltration from Clyde, and tattling to everyone via megaphone. When he told them everything he and Clyde found out, the Millers played dumb as they cover up their motive by stating that they work for a weather organization causing Rita and Lynn Sr. to ground Lincoln for causing so much trouble for the Millers. As the family prepares to leave, Clyde calls up Lincoln to ask if the mission was a success, but Lincoln declines and declares the mission a failure. When Lincoln tosses his walkie-talkie, he unknowingly hits a button on the weather console that reveals a secret room with a machine ready to destroy all the cherries in 20 seconds.

Rita, Lynn Sr. and the Loud Sisters gasp in horror as the Millers evilly admit they're actually a family of spies working for S.U.S.P.E.N.S.E. (meaning that Lincoln and Clyde were actually telling the truth the entire time). Lincoln was able to beat the Millers and deactivate their machine before it could begin destroying the world's cherries. The Millers proclaim that they won't rest until they make Georgia peaches the popular fruit of the world, and before the Louds can arrange for them to be handed over to the authorities, Ryan uses a peach-shaped smoke bomb to make their getaway.

Later that day, news reporter Katherine Mulligan states that authorities are currently on the lookout for the Millers, and congratulates Lincoln and Clyde for foiling the evil spies' attempt to destroy the world's cherries.

---

When he was done everyone that hadn't heard about it was shocked!

Camie: That's terrible!

Tsuyu: These guys are monster!

Me: Yep. And we faced them during the 20 Days of Darkness.

Nico: Those peach-crazed assholes, what the hell were they thinking?!

Me: Those dummies, and there's no doubt they're here on a planet of peaches no less!

Lincoln: Yep.

Nico: How'd they break out?!

Suddenly, the four golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window: we saw everything that happened earlier: The Miller Family were freed by none other than our old enemy, Boss Cass, who's come back from the dead once again. But, we saw several dark figures with him, and when we saw who they were, Lincoln was in shock: the several dark figures with Boss Cass were the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero. The viewing window closed and the four golden halos stop glowing.

We saw the whole thing and we were horrified.

Lincoln: So, that explains it, The Miller Family were busted out by that crime boss, Boss Cass, who's come back from the dead, and if that wasn't enough, he also has the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero. Lord Raiden and the others are going to want to hear about this, especially Ty and his friends.

Just then, Ty and Sly arrived, along with Lord Raiden and the other Earthrealm Warriors.

Ty the Tasmanian Tiger: (Australian Accent) There's no need to explain, Lincoln. Lord Raiden saw the whole thing, and we came here to warn you all.

Sly the Tasmanian Tiger: (Australian Accent) Boss Cass has done some very low things, but busting The Miller Family out of prison, along with having the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero with him, that's going too far, mate.

Me: But, how did Boss Cass bring them here?

Raiden: He had a Dark Orb with him and he even used one of Quan Chi's spells to summon them here.

We gasped.

Lincoln: This time, Boss Cass has gone too far, we'll make him pay for what he's done, along with freeing the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero. But, first, we should deal with The Miller Family and send them back to prison.

Eli: Right. But, they could be anywhere on this planet.

Camie: But didn't you guys send them to the Neptune Prison?

Me: No we didn't. We sent them to the Uranus Prison. We should have told the FBI To make sure that they are locked up tight.

Laney: Now we have a chance to correct that mistake.

Nico: How far are they?

Lincoln: 50 klicks to the north.

Me: Then lets go. You know Nico we could just leave them here because this planet is perfect for peach terrorists like them.

Nico: Very tempting and fitting. But no. That would be too cruel. They belong in prison.

Lana: Yeah.

Me: You're right. This time we send them to the Neptune Prison.

Qin: Good idea. And put them in solitary confinement forever.

We went to find them.

Me: Keep your eyes peeled for them.

Laney: We might as well give them all the peaches they can eat.

Lana: Good idea.

May: Are they hiding?

Me: On a planet like this it's heaven for them and easy to hide.

Eli: Lets see.

Eli sensed for them with the Force.

Eli: There!

Eli fired a wave of Force Lightning and electrocuted 3 figures out from a peach rock and it was THE MILLER FAMILY!

Me: Jeff, Carly and Ryan Miller. Nice to see you three again.

Nico: I'm amazed you three are here. On a planet of peaches of all things. Very fitting for you.

Ryan Miller: Yes it sure is.

Jeff Miller: And now you will pay for everything you did to us!

Nico: Just surrender and we can get this over with.

Carly Miller: NEVER! You know the kinds of agony we went through eating all those fruits that we hate!? IT'S HORRIBLE! We were forced to eat all the fruits we were trying to destroy!

Ryan Miller: APPLES, BANANAS, STRAWBERRIES, WATERMELONS! IT'S TORTURE!

Me: You brought all that on yourselves!

Lola: Yeah! For trying to destroy the entire country's food supply!

Applejack: Apples are NOT bad!

Me: Neither are strawberries!

Carly Miller: APPLES ARE THE WORST! THEY ARE SO DISGUSTING!

Applejack: (INSULTED) YOU BETTER APOLOGIZE!

Me: Applejack don't waste your breath on them. They hate all kinds of fruits other than peaches and love only peaches.

Xenia: Yeah.

Mr. Miller: THIS IS ALL YOUR FAULT, CHAN! IF YOU HADN'T STUCK YOUR NOSE INTO OUR BUSINESS, THE ENTIRE WORLD'S FOOD SUPPLIES WOULD'VE BEEN DESTROYED AND THE ONLY FOOD SOURCE WOULD ONLY BE PEACHES!

Nico: Don't go blaming me for that, when you threatened to destroy the world's food supplies and replace them with peaches, you basically committed an act of terrorism!

Me: And that's one thing we don't like, it's terrorists!

Lincoln: Boss Cass crossed a huge line breaking all of you out of prison. Now, we're going to fix that and send all of you back to prison, but this time, in one of our space prisons!

Polly Pain: And we'll make sure you never break out again!

Taro: I like peaches myself because I was born from one but I would NEVER Go that far as to destroy the entire planet's food supply!

Carly Miller: What are you going to do? Laugh us to death?

Taro: I see you like my adventures. But no. We're going to show you that PEACHES can fight back! DONBROTHER STYLE!

Sunny Starscout: ALL RIGHT!

Carly Miller: The Piraka Gang aren't here to interfere this time!

Spymaster: That's because they are now in the M.O.E.

Me: Time to show that fruits can be deadly!

I used the Kamen Rider Gaim Gear!

It formed my sword into an amazing and powerful FRUIT SABER! It was called THE HELHEIM FRUIT BLISS BLADE OF GAIM!

Me: COOL!

Kouta: Wow! That sword is cool!

Me: Yep! TASTE DRAGONFRUIT!

I swung my sword and fired Dragonfruits and they flew into the Miller's mouths and then they screamed in agony as their tongues were burning from them.

Nico: WHOA!

Ryan Miller: DRAGONFRUIT! YUCK!

Me: That was for starters! How about LEMONS!

I swung my sword and fired lemons into their mouths and then they scrunched up from the sourness!

Haruka: Suck on that real good!

Eddy: (LAUGHS) That is one way to turn into a Sourpuss! (LAUGHS)

Luan: (LAUGHS) Good one Eddy!

WE LAUGHED!

Me: (LAUGHS) That was a good one Eddy! How about Oranges!

I swung my sword and fired Oranges!

They went into the Millers mouths and turned as ORANGE AS ORANGE CREMESICLES!

Me: WHOA!

Luan: Orange you glad you like oranges now!? (LAUGHS) Get it?

WE LAUGHED!

Me: (LAUGHS) Good one Luan!

Nico: (LAUGHS) That was funny!

Eddy: (LAUGHS) I liked that one!

Me: But I didn't know that they LITERALLY turned orange from oranges.

Nico: These fruits should be pacifiers for the mascots.

Maria: Hey the mascots are not babies Nico.

Nico: I know. But they sure would be perfect for them.

Carly Miller: Well your MASCOTS ARE PATHETIC FREAKS!

WE GASPED!

Me: Uh oh!

Nico was shaking his fist in rage!

Nico: Did I hear that right? What did you say?

Me: Uh oh. She just fucking pushed their buttons big time.

Carly Miller: I SAID YOUR MASCOTS ARE PATHETIC FREAKS!

Me: Boy she is MILES down Shit Creek.

Nico: (sing song voice) Oh Poromon!

The Mascots came.

Mascots: You called?

We told them what they said.

Poromon: WHY YOU LITTLE PEACH EATING BITCH!

Mascots: WE'LL SHOW YOU WHO THE FREAK IS!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted the Millers!

Poliwag slapped them with his tail!

SLAP SLAP SLAP SLAP SLAP!

Manaphy: HAD ENOUGH!?

Poromon: How about this! YOU WANT TO SEE SOMETHING HORRIFYINGLY FREAKY! WELL (SHOWS THE TRAILER FOR BLOOD AND HONEY TO THEM) HERE! LOOK AT IT! IT'S UGLY ISN'T IT!? (SHOWS IT TO JEFF) YOU LOOK AT IT!

Jeff Miller: IS THAT WINNIE THE POOH!? (VOMITS)

Poliwag: (SHOWS CARLY THE TRAILER) YOU LOOK AT IT!

Carly Miller: OH I THINK I'M GONNA BE SICK! (VOMITS ON JEFF!)

Manaphy: (SHOWS RYAN THE TRAILER) LOOK AT IT!

Ryan Miller: OH GOOD GRAVY!

MASCOTS: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL THREE OF YOU TO FUCKING LOOK AT IT!

THE MILLERS TURNED WHITE AS SHEETS AND WERE SCARED OUT OF THEIR MINDS!

Nico: Horsea didn't even get to have a turn

Horsea: Sorry. (SQUIRTS INK INTO THEIR EYES!)

Nico: Now she did.

Lola: Yep.

Carly Miller then slapped Horsea But she dodged it.

Horsea: MISSED ME! MISSED ME! Now you got to kiss me!

Horsea kissed Carly Miller FULL ON THE MOUTH!

Carly Miller spit all over the place!

Qin: That is too funny!

Carly Miller got angry and slapped Manaphy but Manaphy dodged it!

Manaphy: NICE TRY BITCHFACE!

Poromon: Now lets show them an awesome new move we made!

They joined hands!

Mascots: CUTIE RAZZLE DAZZLE!

[They zip away. Cut to them, gaining altitude and spinning about the point of their joined hands. As they speed up, their light trails gradually merge and brighten, and sparks are thrown off until individual mascots can no longer be seen. The whirling dervish barrels toward the Millers from behind and disintegrates into a shower of sparks that engulf them.]

Jeff: WHAT IS THIS!

[Slowly, the Millers are lifted into the air and turned headfirst toward the ground; all three are then carried a distance, spun again to point down headfirst, and slammed to into the ground four times in quick succession. After the fourth hit, the menacing destroyers of fruit are all lifted even higher than before and put into free fall. Following this fifth and final slam, the mascots float off to one side and spin down before breaking their formation. All 4 of them are suffering from extreme dizziness-Manaphy flat on her back, Poromon shaking his head to clear it, Horsea jittering around at random and Poliwag spinning around stupidly.]

Poromon: (woozily) Remind me never to do that again.

Qin: That was AWESOME!

Me: WHOA! I Got dizzy just by watching that! That was so awesome!

Nico: Where did you learn that?

Poromon: The Powerpuff Girls taught us that.

Nico: Wow!

Me: Blossom told us about their Razzle Dazzle move. That is so awesome!

Nico: Yep.

The Millers got up and they were BADLY HURT!

Me: WHOA! You guys did a number on them! Well done.

Lincoln: Now it's time for the coup de grace! Time for me, Polly Paine and Sunny Flare to take them down.

Then, they attacked them with their massive greatswords leaving scars on them and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Polly Pain, and

Sunny Flare attacked them with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving The Millers even madder than ever.

Jeff Miller: (ENRAGED SCREAM) YOU… ! YOU… ! WE WILL KILL YOU, YOU ROYAL WOODS CHERRY EATING BLASPHEMERS!

The Millers ran at Lincoln, Polly Pain, and Sunny Flare and they were absolutely out of their minds, but Lincoln, Polly Pain, and Sunny Flare kicked The Millers right into another peach tree, and then, Lincoln grew three watermelon bombs and he did as he promised: he, Polly Pain, and Sunny Flare shoved them down their throats, and they ran back to us and as soon as they covered their ears!

KABOOM! KABOOM! KABOOM!

The watermelon bombs exploded, and The Millers screamed as they tried to get the watermelon out of their mouths and some of it even came out of their noses! GROSS!

Me: EW! That's just disgusting!

Nico: Ugh, now that's just gross on so many levels!

Then, Lincoln tied them up in gold spider silk straitjackets and sent them back to prison. We all cheered wildly as Lincoln, Sunny Flare, and Polly Pain holstered their massive greatswords on their backs and powered down, and Sunny Flare's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer grayish mulberry tail with light raspberry streaks, long light turquoisish gray horn, and massive light turquoisish gray angel wings wings are permanent, and Polly Pain's new body, clothes, gold halo, weapons, jewelry, Third Eye, and eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Nico: Next time those clowns try to escape, they're going to be humiliation fodder!

Suddenly, Sunny Flare and Polly Pain felt wobbly and she was about to faint, but Lincoln caught them in his massive and powerful muscular arms.

Lincoln: You and Sunny Flare okay, Polly?

Polly Pain: I'm a little dizzy from that.

Sunny Flare: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave those peach-crazy terrorists the beatdown of their lives.

Nico: And that watermelon bomb trick you did, Lincoln, that was really hilarious!

Lincoln: They went through all that in prison, I figure I'd do the same.

Polly Pain: And like Nico said, if they try to escape again, they're humiliation fodder.

Sunny Flare: You got that right.

Nico: And based on that kind of behavior, it's not much longer before they get turned into humiliation fodder.

Suddenly, Sunny Flare wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sunny Flare's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Sunny Flare sucked in and absorbed the elements.

Then, Lincoln and Polly Pain sucked in and absorbed the elemental forces and flames and light and they came back to us as the display vanished.

Lincoln: Okay, we got The Millers taken care of. But, now comes the big challenge today and in the next few days on my rescue.

Liu Kang: Going after the Revenant versions of myself, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jackson, and Sub-Zero.

Ty: (Australian Accent) Is there a way to get them back to normal?

Raiden: There is a way. Normally, Quan Chi's death would make restoration impossible.

Jacqui Briggs: Dad, Sub-Zero, and Scorpion from the alternate timeline were restored thanks to you, Raiden. But, when Scorpion killed Quan Chi, that made restoring Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, and Jade impossible.

Lincoln: However, we've learned a lot about magic for years and I know just how we can break Quan Chi's curse, and I was preparing for this kind of scenario. But, we can't underestimate them, we're going to need all hands on deck.

Nico: I've already sent the alert to the rest of the team and The Masters of Evil, Lincoln. And they are pissed at Boss Cass for what he did.

Ty: (Australian Accent) And so are we.

Sly: (Australian Accent) We'll worry about him later, we've got to deal with the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero.

Me: Right.

Nico: Nice!

Me: That was awesome guys!

Sunny Flare: Thanks guys. It was fun.

Qin: Yep. Now we've seen the last of the Millers.

Xenia: Yep.

Me: If they try to escape and come after us again we'll make them into Humiliation Fodder.

Nico: Cool.

Eli: Yeah!

Me: Now for business.

Eli: Yep and we have a lot of Anothers. Me: (GASP!) Sirius Space!

Sirius Space: Awesome to see you again J.D.

Nico: Cool!

Laney: Wow that is awesome!

Nicole: Yeah! What powers can you do with that?

Sirius Space: I have the powers of all the stars and I can use the powers of the Nebulae, stars, Constellations, planets, galaxies and more.

Nicole: That is really cool!

Qin: It sure is.

Me: By the way is the Another Spymaster friendly or hostile?

Sirius Space: Friendly and she is someone that Aylene Carter and Littlefoot and friends know.

Me: Cool!

Aylene Carter: This will be awesome to see.

Me: Yep.

May: Sorry we have to do this.

Sirius Space: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the Anothers.

Nico: YEAH!

Me: FIRE!

We fired and blasted the Anothers and I caught all the Wonder Ride Books.

Me: Awesome.

Sirius Space: That was awesome!

Nico: Now we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER SPYMASTER!

Qin: WHOA! Another Spymaster!

Nico: Yep. This will be good.

Another Spymaster: (In a girls voice) I think it will be too.

Aylene Carter: (GASP) That voice!

Me: Is that!?

She reverted back and it was a girl with brown hair and had green eyes and had blue clothes and had yellow angel wings and she had a tiara with the symbol of the Jurassic Dopant on it and she had the same symbol on her skirt as well as the Jurassic Park Symbol too and she had a time stone necklace as well and in her hands was a Jurassic Sword.

Me: (GASP) Jenna Jurassic!

Jenna Jurassic: Awesome to see you again J.D.

Aylene Carter: Jenna!

Jenna Jurassic: Aylene!

They hugged.

Aylene Carter: It's so awesome to see you again.

Jenna Jurassic: Same here. Aylene and I have known each other since we were in kindergarten and we talked for a long time about dinosaurs and more.

Me: That is awesome. Also Jenna is a warrior of dinosaurs and she and I infiltrated rival Genetics Companies that Dr. John Hammond is familiar with and spied on them and we found out that they were making dinosaurs to sell on the worlds black market as weapons.

EVERYONE GASPED!

Nicole: That is not good!

Eli: No kidding!

Me: Yep but we stopped them.

Jenna Jurassic: That was so fun.

Spymaster: You have the makings of an awesome spy Jenna.

Jenna Jurassic: Thanks.

Me: Also she is the Embodiment of the Jurassic Dopant.

Nicole: Wow! That is awesome!

Philip: It sure is! What powers do you have as a result of that?

Jenna Jurassic: I have the powers of all the Dinosaurs ever known and I can also summon all kinds of dinosaurs to help me.

Me: COOL!

Nico: That is amazing!

Jenna Jurassic: I can even go to the Great Valley and talk to all kinds of creatures there and I even know dinosaurs that appeared in many parts of the world. I even went to Isla Sorna and I can talk to the dinosaurs that are there. I know many kinds there.

Eli: That is so cool!

Jenna Jurassic: That sure is cool!

Me: Yep. You would love meeting all the dinosaurs we have over in Paleozoic World. We built that park after Isla Nublar suffered a massive 1815 Tambora Eruption and sunk into the ocean.

Qin: That was awful.

Jenna Jurassic: I heard all about that! That was awful!

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Jenna Jurassic: Well he didn't promise me anything. I escaped to the Great Valley before he said anything.

Me: Very crafty.

Aylene Carter: It sure is. He should never underestimate someone that knows all about the Time Stone.

Me: We actually went to the Great Valley Many times before.

Littlefoot: It's true and it's really awesome having J.D. and friends all with us to help us.

Ducky: Oh yes yes yes.

Petrie: It fun.

Me: Yep.

Jenna Jurassic: That is awesome and it's awesome that you are with everyone now Littlefoot.

Littlefoot: It sure is.

Me: Yep. Sorry we have to fight like this though Jenna.

Jenna Jurassic: I know.

She turned into Another Spymaster!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Nico: Here comes awesome! (ACTIVATES SPYMASTER AND MORRIGAN'S RIDEWATCHES)

he fired waves of energy and blasted her down.

May: And this! (ACTIVATES ACROBAT OF THE LUCK AND IMPOSTRA'S RIDEWATCHES)

She fired energy waves and blasted her all over.

Maria: Taste the Undead! (ACTIVATES EAGLE DEADMAN AND OWL ORPHNOCH'S RIDEWATCHES)

She fired waves of energy and blasted her all over.

Natalee: This will be awesome! (ACTIVATES MORRIGAN'S RIDEWATCH)

She fired energy waves and blasted her down.

Then Billy Numerous, Grand Duke's Minions, Haze Shenron, Paradox Roidmude, Plantimals and Fu (DBXV) came.

Nico: Cool team Billy!

Billy Numerous: Thanks Nico! Y'all will love seeing what they can do!

Me: Cool!

?: Lets pound some bad guys!

Then we saw a Guts Man!

Me: Whoa! Guts Man!

Guts Man 2: (In a girls voice) This will be awesome!

Nico: Gia Guts!? Whoa!

She hurled a boulder and smashed down Another Spymaster and I caught the ridewatch and purified it. I brought Jenna over.

Me: That was awesome.

Guts Man 2: I'm naked just so you know.

Me: Oh boy.

I put on my blind man glasses.

Nicole: Peek at her and I'll gouge your eyes out!

The boys covered their eyes.

Me: This is gonna hurt.

Guts Man 2: I know.

I snapped my fingers and she reverted back and doubled over in pain!

She screamed in agony.

Gia Guts: IT HURTS SO MUCH!

Me: It'll be over in a few seconds!

She was back to normal and had brown hair and red eyes and had a muscle arm flexing emblazoned in the middle of her forehead. She was naked.

Gia Guts: (GROANS) That hurt like hell. (Sees herself) GAH! (COVERS HERSELF) EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade went and gave her new clothes. They gave her awesome red sports clothes.

Varie: There.

She saw herself.

Gia Guts: Cool! I look great!

Varie: You sure do.

Natilee: What's your favorite memory of Nico?

Gia Guts: When I was in the state weightlifting competition and I lifted over 75,000 pounds of weight.

Me: WHOA! That is awesome!

Applejack: YEEHAW! You must be really strong.

Nico: She was born with amazing superhuman strength.

Me: Wow! That is amazing.

Gia Guts: Yep.

Nico: I'd hug you but you'd crush me.

Gia Guts: I know. But I missed you Nico.

Nico: Same here.

Nico kissed her instead.

Gia Guts: Aww.

We later went back home.

And we had the whole team with us, since we got ourselves a huge emergency, and we also brought The Masters of Evil with us.

Lincoln: Whoa, we're here in Syria, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but we're also going to deal with the first of Quan Chi's revenants: the revenant version of Liu Kang, and we're going to break Quan Chi's curse on him and free him.

Vypra: I can't believe Boss Cass did this! He's one dead cassoway after we get done freeing and purifying the Revenants.

Cassie Cage: We can't make any mistakes when dealing with him, after Shinnok got killed by Raiden in the alternate timeline, Liu Kang and Kitana's revenants became the new rulers of The Netherrealm and Liu Kang's revenant became further corrupted by Shinnok's influence and he's far more powerful.

Me: Damn.

Nico: We really can't underestimate him now.

Lincoln: That's right. Although Shinnok's dark influence and Quan Chi's curse stoked his desire for revenge against Lord Raiden, Kronika's lies made it even more worse than ever. He needs to be stopped and purified of the curse for good.

Ariel: There's no doubt we need to save him, and I think this may call for you to use your Hero form you showed us yesterday.

Lincoln: Exactly what I was thinking.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's crisscross orange straps on his chest harness and orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold as Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Electro: Whoa, so that's his new Hero Form he showed yesterday.

Girl Jordan: That's right.

Lincoln: Alright, now let's go after Liu Kang's revenant.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful fire angel wings and Fire Kanji on her forehead and she's dressed in a black dress, black stockings, black sneakers, and long white sleeveless trenchcoat with light, flames, Keyblades, and angels on the coattails and on the back is The Pridelands and in her right hand is the Bond of The Blaze Keyblade.

And the second is a beautiful and super sexy girl with long crimson red hair, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings and she's dressed in a sleeveless red crop top, red skirt with the symbol of Bush Rescue on it, red knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with boomerangs, darkness, hellfire, and angels on the coattails and on the back is the symbol of Bush Rescue, in her hand is the Devil Sword Dante, and with them are the fifteen girls.

Lincoln: (GASPS) Arlea Axel, Keyblade Knight of The Pride Lands and Embodiment of Axel, The Flurry of 8 Dancing Flames.

Ty: (Australian Accent) And Darcy Minjarra, The Legendary Crimson Demon Knight of Burramudgee and The Southern Rivers.

Arlea Axel: That's right, and we got the girls away from that murderous piece of crap.

Darcy Minjarra: (Australian Accent) And Boss Cass ran off like the coward he is. I knew he was behind this!

?: RAIDEN!

We then saw our target, the Revenant version of Liu Kang, and he was out for Raiden's head.

Sylvester: Oh boy, here he comes now!

Lincoln fired gold spider silk webs that tied him up, and then, he chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Revenant Liu Kang and purified him freeing him of Quan Chi's curse and Shinnok's dark influence. We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Alternate Liu Kang: W-what happened?

Liu Kang explained everything to his alternate self, and he was horrified by what he'd done.

Alternate Liu Kang: I can't believe what I'd done. I let my anger blind me and stain my honor, I had turned against my own comrades and cost them their lives, and I betrayed Lord Raiden and the Elder

Gods. I am filled with so much regret.

Lincoln: This wasn't your fault, it was Kronika's lies along with the dark actions of Quan Chi, Shinnok, and Shao Kahn from your timeline that this happened to you.

Alternate Liu Kang: But, still, what I'd done can never be forgotten. (To Liu Kang) There is something I need you to do, Liu Kang: I need you to assimilate me. You'll not only have my powers, but you'll also have knowledge on all of Kronika's plans as well. This is the only way I can redeem myself.

Liu Kang: I understand.

Liu Kang went up to his alternate self and he placed his hand on his head, and then, Alternate Liu Kang glowed with bright green light as he was assimilated into Liu Kang and he assimilated all his alternate self's powers and knowledge. Suddenly, a massive tornado of orange fire and blue fire exploded out of him and surrounded him, and two dragons of orange and blue fire flew around the vortex. Then, the vortex faded, and Liu Kang emerged.

But, he underwent quite a powerful transformation: he now had glowing neon blue dragon and cloud tattoos on his arms, stomach, and chest, necklace of blue prayer beads, black and blue pants, boots, and hat with the White Lotus symbol on his back, and he also now has massive black angel wings with red and blue tips on the black feathers.

Nico: That was incredible!

Lincoln: Liu Kang assimilated his purified alternate self, and assimilated all his alternate self's powers and knowledge.

Liu Kang: Yes, and I've also acquired the locations of the other Revenants.

Ty: (Australian Accent) Boss Cass may have had everything planned out, but now, we'll be able to put a stop to the other Revenants.

Sly: (Australian Accent) And free them from Shinnok's influence and

Quan Chi's curse.

Lincoln: That's exactly right. (To Arlea Axel and Darcy Minjarra) And it's so good to see you both again, Arlea Axel and Darcy Minjarra.

Arlea Axel: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Arlea.

Darcy Minjarra: (Australian Accent) It's been seven years since we last met, mate. And it's also good to see my two favorite Tasmanian Tigers again.

Ty: (Australian Accent) Too right, Darcy.

Lincoln went up to Arlea Axel and Darcy Minjarra and he hugged her, and Arlea Axel and Darcy Minjarra are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Arlea Axel: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Darcy Minjarra: (Australian Accent) Too right. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these two sexy hot mamas?

Lincoln: Indeed I do, J.D, the first girl is Arlea Axel, Keyblade Knight of The Pride Lands and Embodiment of Axel, The Flurry of 8 Dancing Flames, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of fire and she's a very good friend of Simba and his friends, and she harbors a very very nasty hatred towards Scar for killing Mufasa along with his wife Zira, and she wants nothing more than to kill them both and send them straight to the blackest depths of Hell, and Arlea also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Axel and she wants to make sure they all pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Michelle Emperyous: You got that right, and she came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: That's so awesome.

Lincoln: And the second girl is Darcy Minjarra, The Legendary Crimson Demon Knight of Burramudgee and The Southern Rivers, she's my Guardian Angel from Burramudgee, Australia, the world of Ty the Tasmanian Tiger, she's a member of Bush Rescue and an old friend of Ty and his friends and she goes and rescues people in need and whenever an emergency comes up, and she, Ty, Sly, and Shazza have more than once dealt many dangerous blows to Boss Cass and his minions, and here's a secret: Darcy had a rare and fatal blood disease when she was born, but she was saved when the doctors did a blood transfusion, but what the doctors didn't know was that the blood they used for her risky operation was the blood of a thousand powerful demon lords from The Underworld, the transfusion was a success and not only did she undergo a very powerful transformation, but that powerful demon blood completely changed her physiology forever: she was reborn as a very powerful god-like demon and she acquired her own version of the Devil Sword Dante along with red and black angel wings growing and sprouting out from her back and very powerful god-like abilities and powers over darkness and hellfire, she became faster, stronger, and more powerful than ever. Boss Cass and his minions were extremely afraid of her even before she'd received that blood transfusion, and now, they became even more afraid of her because one wrong move and Boss Cass and his minions were a one-way trip straight to Hell. She moved to Royal Woods and she met me when we were seven years old, and she'd defended me with a fierce passion from Lori, Lynn, Lola, Lisa, Luan, Chandler, and all of Lincoln's enemies, and she got along well with mt nice sisters and parents, she especially got along well with Lucy and The Young Morticians' Club when they found out about her secret, and she hates Chandler with a bloody passion especially when she found out about what he did in making that deal with The Devil seven years ago, she hates it when some people make deals with The Devil because in the end, no matter what, The Devil will come for their soul. She swore to fight against The Devil and his minions despite being a powerful demon herself, but Ty and the others knew of it, and they swore to keep it a secret especially from that crime lord cassowary, Boss Cass.

Nico: Whoa!

Ty: (Australian Accent) No one would ever want to mess with her, because the only thing awaiting them is death by her hand.

Sly: (Australian Accent) She killed a lot of Boss Cass' minions, it wasn't pretty.

Lincoln: Yeah, it sure wasn't, and now that you two are here.

Lincoln went up to and hugged Arlea Axel in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Arlea Axel: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on Arlea Axel and Darcy Minjarra's necks with crimson red gems on the gold lightning bolts and crimson red crystal links from their merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Darcy Minjarra: (Australian Accent) (Surprised) Lincoln, mate, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Arlea Axel and Darcy Minjarra.

Arlea Axel and Darcy Minjarra had a smile on their face and tears in their eyes and they then pounced on Lincoln and they proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them immediately. Lincoln: Ed, you better watch it. Are you girls okay?

Ema Sanada: Yes, we're okay, thanks to you.

Ema Sanada: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ema Sanada: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ema Sanada, Espresso Sabatini, Funako Chiba, Haruna Takasaki, Hikari Satake, Kageko Satake, Kotoko Yotsuya, Li Meng Meng, Misao Yaguruma, Nanashi, Nogiku Nago, Nozomi Takasaki, Quin, Saori Aso, and Septem with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and we took down the first of the Revenants of Quan Chi.

Maria: We've taken down Liu Kang's revenant, and without him leading, they'll have no leadership.

Nico: But, they're still just as dangerous as ever.

Me: Yeah, and Liu Kang's revenant was really that dangerous, but we stopped him and Lincoln freed and purified him, and Liu Kang assimilated his alternate self acquiring his powers and knowledge.

Raiden: Now, we know the locations of the other Revenants, and it won't be long before we fight them in the days to come.

Jacqui Briggs: We'll save them, except for Kabal's revenant, he's getting The Black Gates.

Lincoln: No question about it, he's just as bad as the one we dealt with on Shang Tsung's island.

Me: Death made him even worse.

Nico: Once a criminal always a criminal.

---

After purifying Revenant Liu Kang and Liu Kang assimilated him, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Arlea Axel and Darcy Minjarra saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Arlea Axel: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Darcy Minjarra: (Australian Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Arlea Axel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Darcy Minjarra: (Australian Accent) Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Darcy, Arlea, what memories did you have with Lincoln?

Arlea Axel: We were hoping you'd ask that. Well, one time, Lincoln, Darcy, and I along with the rest of his Guardian Angels and harem were at Lake Huron for a beach date. But, then, we had a run-in with a bunch of hulking musclebound beach bullies who tried to attack us in a surprise ambush, but we anticipated the attack, and Lincoln being much taller, much bigger, much imposing, intimidating, and extremely stronger than them beat them all to a pulp. Then, he grabbed the leader of the group and made him spill the beans, and we soon found out the mastermind behind sending them at us was that control freak Alpha Bitch, Lori!

Darcy Minjarra: (Australian Accent) I blasted the bloke out with a blast of demonic energy, and then, Lincoln put her in a dark energy prison, and she literally freaked out and went ballistic in there. But, we already told the rest of the family of what Lori did and she got her butt grounded for eighteen weeks and sent to Aunt Ruth's. It turns out she planned the attack to happen by hearing the info from that belching farting animal, Lynn, and Lori wanted them all dead including Ronnie Anne and Girl Jordan.

Nico: (ENRAGED VOICE) WHAT?!

Me: We were told all that after Lori got sent to Aunt Ruth's, oh and as for those hulking musclebound beach bullies, turns out they had criminal records that were extensive and they're a bunch of thugs working for a drug dealer, so Lincoln bit them on the neck and sucked out their blood and massive muscle mass, and he also absorbed them into his body by sprouting out Cell's tail and he stung them on the chest with the stinger and absorbed them until their swim trunks were left.

Varie: That explained how and why Lincoln was much bigger in muscle mass and even more stronger and that explained what happened to him when Darla told her story.

Luna: We eventually knew the reasons why: and who were behind that.

Nico: I forgot to ask, did Lynn get grounded for assisting Lynn?

Lincoln: She sure did with me grabbing her and throwing her in a metal container, and she was so scared seeing me even more taller, bigger, and stronger than her.

Luna: She almost peed her shorts, but it was worth it seeing the fear on her face.

We got a shower, and then, Lincoln, Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora are heading to Ripple Field. But, they're not the only ones, Clyde and Selina Kyle A.K.A. Catwoman (DC Superhero Girls 2019) are also joining in as well.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Clyde was dressed in dark blue swim trunks, sandals, and he has his weapons holstered in case of trouble.

And Selina Kyle A.K.A. Catwoman (DC Superhero Girls 2019) was dressed in a two-piece black bikini, and Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Ninjini: Wow, so this is Ripple Field, it sure is awesome.

Lincoln: It sure is, Ninjini, and it's perfect for our first date.

Clyde: You said it, buddy. Shall we?

Lincoln, Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, Aurora, Clyde and Selina Kyle A.K.A. Catwoman (DC Superhero Girls 2019) dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, and Selina Kyle A.K.A. Catwoman (DC Superhero Girls 2019) got a massive blush on her face when she saw Clyde lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long black wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora and they hugged them in their abnormally massive and powerful muscular arms, and Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora placed their hands on the massive pecs of Lincoln and his clones, and Clyde went up to Selina Kyle A.K.A. Catwoman (DC Superhero Girls 2019) and he hugged her, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs the same with Clyde.

Me: (Whistles) Looks like you really had a good time at Ripple Field, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora are in your harem.

Spyro: We knew that Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora had feelings for Lincoln years ago, and it was only a matter of time before they joined his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Ninjini, Gearshift, Tuff Luck, Head Rush, Knight Mare, Stormblade, Splat, Nightfall, Golden Queen, Bad Juju, Ember, Tidepool, Barbella, Boom Bloom, and Aurora, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates.

Yamcha: And that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost

his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

* * *

Later it was time for another awesome Super Mario Galaxy Adventure.

Nico: Next is Sand Spiral Galaxy.

Me: Cool!

Qin: That one is a tricky one.

Nico: Yep.

Takanuva: Me and Sora will go with.

Sora: We sure will.

Nico: Cool!

They went into the Simulator and Nicole Activated it and they were at SAND SPIRAL GALAXY,

Sora: Wow! This is gonna be tough.

Nico: Any tips, Nicole?

Nicole: (On the radio) You just have to get to the star in the middle at the very end. But it's not easy. You have have to get through the bottle and out the other side to get to it.

Nico: Oh boy.

Takanuva: Lets go then.

Sora: Yeah.

They went through the bottle

They got to the back of the bottle and saw the star on a ball in the middle of a spinning ring set.

Nico: There's the ball.

Takanuva: Yep.

Nico: So, who do you think we'll find here? Another Robot Master Gene Slammer? Or an Embodiment of a Ranger team?

Sora: Embodiment of a Ranger Team.

Nico: Same there.

?: You mean me then?

They saw a girl with red hair and she had blue eyes and had red angel wings and had red clothes and a tiara with the symbol for the

Gorengers on it from 1975 and she had the same symbol on her skirt.

Gloria Gorenger: Gloria Gorenger - Embodiment of The Gorengers.

Nico: Awesome to meet you Gloria!

Gloria Gorenger: Same to you Nico.

Sora: We'll have to talk more later. Goombas dead ahead!

Gloria Gorenger: I got this.

She fired yellow energy waves and blasted some of them.

Nico: Awesome!

Sora and Takanuva fired waves of light and blasted the Goombas.

Nico: (gets out Spymaster and Red X's Ridewatches) Have some of this!

Nico activated them and fired waves of lasers and blasted the goombas.

Nico: Go for the star!

Takanuva: You got it!

Sora and Takanuva went for the star and they got it!

YOU GOT A STAR!

Gloria Gorenger: That was fun!

Nico: Yep!

They high five.

Takanuva: Can you tell us more about yourself?

Gloria Gorenger: Well I am the embodiment of the very first Super Sentai Team from Japan. I am also the destroyer of the forces of

The Black Cross Führer who is the leader of the Black Cross Army. My mission like the Gorengers is to destroy the forces of the Black Cross Army.

Nico: Cool!

Gloria Gorenger: Also I like to have ramen contests and I love my ramen EXTRA MEATY. Especially with this.

She pulled out a poster of a MASSIVE huge bowl of ramen called the SUPER MEATY RAMENZILLA.

Nico: Whoa the Super Meaty Ramenzilla! That is the biggest and most meatiest bowl of ramen in the world.

Gloria Gorenger: Yep. And I ate that bowl 10 times. Won every time.

Nico: Wow!

Sora: That is awesome!

Gloria Gorenger: It sure is.

Nico: Would you like to join the team?

Gloria Gorenger: I would be honored.

We left the simulator and we were watching TV.

Later the Mascots were heading out and they had awesome medieval costumes on.

Leeli: Where are you guys going?

Poromon: We're going to the Renaissance Fair.

Me: COOL! We'll go too.

I spun around and I was in Medieval Norse Warrior Clothes.

Nico: Nice!

I also had a Norse Valknut tattoo on my arm.

Me: What do you think?

Nico: Cool!

Me: I am Sir Thunderrock, Champion of Strength.

Rockhoof: (Scottish Accent) That is an amazing costume lad.

Me: Thanks Rockhoof.

Nico: we'll all go get into our costumes.

We went and did so.

We were ready. Nico was dressed like Captain Jack Sparrow!

Nico: Now this is awesome!

Girl Jordan: Let's get going!

We were off to the Renaissance Fair.

---

We arrived and we were at the Renaissance Fair of Michigan.

Me: Boy this is awesome!

Lola: Look at all the people here! Perfect for princesses.

Twilight Sparkle: It sure is.

Sideways: Where should we check out first?

Nico: The swords for me.

Me: I'm hitting the games.

I pointed to the Vegetable Justice Game.

Nico: Nice.

Poromon: I'll play too.

Me: Okay.

I was playing Vegetable Justice and I hit the man 5 times in a row! EVERYONE CHEERED WILDLY FOR THAT!

Nico looked at all the amazing swords and they were amazing.

May got cinnamon roasted almonds.

Maria got amazing jewelry.

We all got awesome food and yes Poromon and the mascots got beer.

Tara participated in an awesome jousting match with M.O.E. Member SIR BUTCHALOT!

She won by smashing him off his horse! She had awesome ROCK Armor on!

Beast Boy: Go Tara!

Sir Butchalot: And who are you young lady?

Tara: Call me Dame Tara of the Markovian Volcano.

Sir Butchalot: Cool name. Bring it on babe.

Tara: Don't call me babe.

Then they went at each other and then…

KRASMASH!

She knocked him right off his horse and smashed him down!

Tara: YEAH!

Nico: TAKE THAT!

Me: That was awesome!

Beast Boy: WOOHOO!

Me: Jousting has been very popular since 1,500 years ago.

Qin: Yep.

Nico: How's the beer, Poromon?

Poromon: Good!

Laney: The Turkey Legs here are great.

Nico: They sure are.

Girl Jordan: This is always fun coming here.

Poromon drank the beer.

Poromon: Ahh. (BARNEY GUMBLE BELCH)

Nico: (LAUGHS) Funny.

Me: I miss the Pokemon Gene-slammer finding.

Nico: It was fun while it lasted.

Xenia: I know.

Nico: But the Robot Master Gene Slammer finding is just beginning

Me: Yep.

Qin: We got all the time in the world for that.

Swerve: Don't forget the Ranger team Embodiments

Nico: True.

Qin: But it will be fun doing all those.

Xenia: It sure will.

We later went got back home and were back in our normal clothes.

Azula: Lola, who else is getting a time to shine with you?

Lola: Shane, Dan, Kai, 2012 Leo, Kouta, and Artha.

Me: Awesome!

Camie: Cool choices.

Lola: Yeah!

Eli: This will be fun.

The previous group came.

Wiggum: Can me, Chalmers, Springfield Mafia, Cantwell, Selma & Patty, Krusty, Cargill, Rich Texan, Skinner and Comic Book Guy go with you guys?

Legs: It's nice to meet the embodiment of the Gorengers.

Selma: And the Gene Slammer of Guts Man.

Gloria Gorenger: Same here.

Gia Guts: It's awesome to meet you guys too.

Nico: And yes you all can come with us.

Lola: Yep.

Wiggum: Cool.

Nelson: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for Bomb Man next.

Me: Whoa explosive.

Qin: Yeah.

Nico: Yep and I'm hoping for the Embodiment of JAKQ next.

Lola: Ooh a Royal Flush of Power.

Nico: (LAUGHS) Yep.

Gloria Gorenger: That will be awesome.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the next piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The next piece of The Tablet is located on Ultimate Earth, and it's in the hands of Ultimate Carnage which is really a clone of Gwen Stacy.

We gasped.

Me: Oh man!

Girl Jordan: So, the time has finally come. (Sighs) I knew it, this needs to be done, Gwen Stacy will be freed, but Carnage will die!

Lincoln: We can't underestimate this version of Carnage though, this one has the ability to drain the life force of its victims, and with the fragment of the Tablet in its body, who knows what it can do.

Me: Good question.

Suddenly, the spell that was used during the battle against the resurrected Werecats came back once more but even more stronger than ever!

Me: Whoa!

Lincoln: Remember the spell we used to protect ourselves from the resurrected Werecats, now it's come back in response to Ultimate Carnage's power to drain the life force of its victims.

Nico: So, we've got ourselves the advantage over it. That monster's going down and the clone of Gwen Stacy will be freed.

Me: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone

else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Vholran Igniseri, one of the two main antagonists (alongside the Great Spirit of Rena) and the final antagonist of Tales of Arise, and he's coming to kill us all. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone I certainly don't like at all: the dark energy we sensed belongs to Vholran Igniseri, that hegemonic knight, and he's coming to kill us all and rule the world.

Nicole: Ugh, not that asshole! But, you shouldn't underestimate him, he's quick on his feet and has quick reflexes along with being a skilled swordsman and he has mastery over Water-elemental astral energy, using it to cast high-powered arts and enhance his blows with ice, and he also has sovereign powers, but he winds up trading most of his agility to use more Dark-elemental attacks, as well as even stronger manifestations of ice and other elemental attacks.

Serenity Serenade: So, when things start to get rough for him, he'll use his dark elemental attacks but sacrifice his agility, which is something we'll use to our advantage.

Nico: With gaining strength, he develops a weakness, that's right. Alright, gang, let's go, we're heading to Ultimate Earth and free Gwen Stacy's clone and destroy Ultimate Carnage and get the next fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting out of this, Ultimate Carnage, we're freeing Gwen Stacy's clone, destroying you, and claiming the next fragment of The Tablet of Order and Chaos, and once we get done with him, you're next, Vholran Igniseri.

Serenity Serenade: You're not getting out of this, you hegemonic son of a bitch, we'll put you down for good and make you suffer, but that'll be for after we destroy Ultimate Carnage.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Ultimate Earth to retrieve the next piece of The Tablet of Order and Chaos, free Gwen Stacy's clone, and destroy Ultimate Carnage, and once we get done with that bastard, Lincoln and Serenity Serenade are going to destroy Vholran Igniseri.

We were off to the Ultimate Spiderman Universe.

---

We arrived in the Ultimate Spiderman Universe.

Me: We're here.

Lola: Yep.

Me: This is gonna be somewhat like in the comic books.

Xenia: Yeah it sure will be.

Girl Jordan: I have a feeling this is gonna be brutal.

Lola: (we entered the Ultimate Triskelion) HELLOOOOOO! Is anyone home?! It's the girl scouts! I know you don't know most of us, but we kinda need your help saving the universe!

We carefully walk through the front yard leading to an entrance, taking note that the place seems completely abandoned. Everything is quiet. Too quiet for what supposed to be the world's greatest military force that houses hundreds of specially trained SHIELD agents that can take on almost anything. For no one around is a big sign something happened, and it's not good.

Louie: No one's home.

Me: Yeah it's like they left. Weird.

Ultimate Spiderman: (swings around building above us) Great. Just great. I figure, why not swing by the Triskelion and see if we can get some help from Nick Fury or any of his S.H.I.E.L.D. agents… and this is what we find?

He lands before a hole alongside us into the building that was blown open from an explosion of some kind.

Me: Whoa!

Nico: Where did this hole come from? Was there a prison breakout?

Me: Looks like it.

We carefully enter through the destroyed hole into the Triskelion.

Ultimate Spiderman: (getting a bad feeling) Either something really big happened here, or Nick Fury has terrible taste in decoration.

While walking through a hallway deeper in the building, Anakin grunts in pain from suffering a small headache.

Me: Anakin?

Ahsoka: Master Skywalker?

Obi Wan: Anakin, are you okay?

Anakin: I'm fine, but it's weird. I'm sensing the fragment here in the Triskelion.

Me: I feel it too.

Lola: SHIELD found a fragment? That makes things easier.

Anakin: Maybe, but, something's different. I'm sensing its energy spread throughout the facility, and it feels… mutated somehow.

Lola: What does that mean?

Me: I don't know. But I'm getting a really bad feeling about this.

Security Voice: Prisoner 900M has escaped holding. All available security units to Prison level.

Lola: Prisoner 900M?

Me: Uh oh.

Ultimate Spidey: In the entire history of having bad feelings, the one I'm having right now is the worst.

Nico: What is it?

Our questions are answered in ways none of us expected when we entered a control room. The moment we walked inside, Spider-Man suddenly stops in his tracks in horrified shock from what he found.

Ultimate Spiderman: Oh no. No, no, no.

Lola: Pete, what's wrong?

What we saw was hard for us to describe as we too quickly became frozen in horrified shock from what we're staring at.

Lola: Wha… What in the… What is…

Lola doesn't know what to say, and you can't blame her when we're staring at numerous husks of dead SHIELD agents scattered around the room with some entangled by mysterious red webbing.

WE GASPED!

Nico: These are SHIELD agents. What happened…? It looks like something DRAINED the life outta them.

I went over to them.

Me: Good god! Totally drained! Almost mummified!

Ultimate Spiderman seems to be only one who truly recognizes the immense danger we had the unfortunate timing to get involved.

Ultimate Spiderman: I've seen this before… this red goop… bodies drained to husks… (knows who caused this) There's only one thing that could do this. One thing…

Lola: What is it?

Suddenly, a frightening monstrous roar echoes throughout the building that quickly got us to put up their guard.

WE GASPED!

Me: What the fuck was that!?

Nico: Was that a monster?

Girl Jordan: It's Carnage!

Lola: Spiderman, what's going on? Just WHAT are we dealing with?

Spiderman doesn't want to talk about it as this is a mess that's personal to him, but he knows if we want to survive the coming carnage, we needed to know who and what we're up against.

Ultimate Spiderman: What I'm about to tell you isn't easy for me to say… You know this black suit I'm wearing?

Me: Yeah.

Nico: We do.

Ultimate Spiderman: There's another one just like it created from a sample of my own blood, infused with the chemicals from my father's research on this suit. Born from it is a red parasitic monster that consumes others to sustain itself like a vampire.

Lola: A red parasitic monster… (eyes widen) Oh god no… Carnage… You mean Carnage exist in this universe?

Girl Jordan: OH MAN!

Ultimate Spiderman: If that's what you call him, yeah.

Commander Mars: So that freak we heard screaming was Carnage? Not good at all. Carnage is probably THE worst serial killer in the world! He's a pure psychopath, and the guy behind the suit isn't any sweeter, Cletus Kasady. He's the one who ruined Girl Jordan's life. Is he Carnage in this universe too?

Ultimate Spiderman: No. Though Kasady in this world got thrown in the prison here for trying to blow up an orphanage a few days ago.

Me: That motherfucking dirtbag shitstain!

Ultimate Spiderman: I know. This is where things get a little complicated. The one wearing that suit is a good friend of mine… Gwen Stacy.

WE GASPED!

Lola: Gwen?! She's ALIVE in this universe, as Carnage?!

Ultimate Spiderman: Not exactly. It's actually a clone of Gwen wearing the suit. The original was that monster's first victim! (to Girl Jordan) So if you think Carnage ruined your life, you haven't even begun to imagine what he did to mine!

Loa: Oh no… I'm so sorry…

Girl Jordan: Oh man! That is horrible!

Nico: So in this universe, Carnage was created from your DNA and is bonded to a clone of your dead best friend? That's just… just… SICK beyond words!

Me: That is beyond fucked up! WHAT THE FUCK WAS SHIELD THINKING DOING THAT!?

Ultimate Spiderman: Believe me, out of all my enemies, I feel the most responsible for this monster. We have to stop him before he destroys the entire Triskelion.

Me: Lets go!

Girl Jordan: I GOT TO SAVE HER FAST! IT WILL KILL HER!

Me: Lets go stop her!

Ultimate Spiderman leads us down a wrecked hallway carefully so they won't get potentially ambushed by Carnage.

Ultimate Spiderman: Okay. Keep it together.

A dying SHIELD agent suddenly screams while being thrown bloody at a window we were walking past in the hallway. We shout from the jumpscare, thankful the dead body didn't break through the glass.

Eddy: I'm not freaking out. I'm not freaking out.

Me: Keep it together!

Things get even creepier after we walked out of the hallway. We stand on a ledge above a large room that has been filled with dead SHIELD bodies, leaving us horrifyingly disgusted.

Me: WHAT A MESS!

Ultimate Spiderman: My god… It's a massacre. (to us) Even any of you want to vomit, go ahead. I won't judge you.

Twilight and friends HURLED THEIR GUTS OUT!

Twilight and friends: (PROJECTILE VOMIT STORM)

Luna: (FAINTS)

FWOMP!

Lola: Gwen really did this? Even if she is a clone, is there no way to reach her?

Ultimate Spiderman: I wish. C'mon, we gotta keep moving. There's no helping them anymore.

He jumps down the ledge before us. We pass by the corpses on the floor that makes us sick to the stomach with every one we see as we walk by them. But midway over to a door, Peter has his head buzzing like mad because his spider-sense detects something, and it seems to be coming from the twitching corpses that should be dead.

Ultimate Spiderman: This shouldn't be possible…

We looked and saw the supposedly dead SHIELD agents slowly rise from the floor, making weird moans as all of them start moving towards us.

Me: WHAT THE FUCKING SHITWADS!?

Fat Tony: Zombies?! How are they standing on two feet again?! They should be DEAD?!

Ultimate Spiderman: I don't know! The red goop must've brought them back to life! That doesn't make any sense!

Lola: We can discuss the science later, Peter! We need to take them out and put them back to rest!

Ultimate Spiderman: No need to tell me twice!

Ultimate Spiderman used a charge attack on several zombies involving black spikes coming out of him.

I fired a massive blast of fire and it hit all the zombies and incinerated them all in an insant and Lola did the same to them too.

Nico: Try your rage mode to knock them back!

Ultimate Spiderman: Okay!

He went rage and bashed and pulverized them!

Nico: YEAH!

Me: Top this!

I then clapped my hands and released a MASSIVE AND POWERFUL MACH 30 SONIC BOOM! AND BLEW THE CARNAGE ZOMBIES APART INTO OBLIVION!

Xenia: WHOA!

Nico: AWESOME!

In the next room, there's another zombie horde waiting for us, much to their annoyance.

Lola: Aw great. More?!

Me: They're like cockroaches!

Shane: Hey, there's someone else here!

Female Scientist: Get away from me! Please! Please…

Me: I see her!

She traps herself in a room as she's frightened for her life, but the zombies start to attack the door repeatedly to break in and kill her.

Ultimate Spiderman: Hang on!

I fired a massive blast of fire and incinerated the zombie.

We opened the door.

Me: It's okay we're here to help.

Female Scientist: WHEW! Thank you! Team Loud Phoenix Storm it's an honor.

Me: You're welcome.

Nico: It's safe now. You can come out.

The woman nods as she can see the zombies have been killed again and opens the door to personally thank us.

Female Scientist: Thank you.

Ultimate Spiderman :You mind explaining what the hell is goin' on?

Female Scientist: Carnage.

Ultimate Spiderman: Yeah, that much we got.

Me: That much we saw.

Female Scientist: No, that red monster, the clone, that's what we call him: Prisoner 900M, case designate 'Carnage'. He escaped while, uh, we were studying him. I managed to lock him out of here, but then the agents he killed somehow… re-animated themselves…

Ultimate Spiderman: He never had that kind of power before. Tell me this doesn't have anything to do with him being exposed to a mystical fragment.

Female Scientist: My god. How did you know?

Ultimate Spiderman: You stupid…

Lola: What is WRONG with you people?! There's a girl bonded to that monster! Why would you do that?!

Female Scientist: We had to risk it! I know Director Fury wouldn't have approved! But the energy readings we got when the two were in proximity suggested-.

Maria: Oh, great! Ultimate Fury doesn't even know about this!

Me: Oh boy!

Ultimate Spiderman: Just. Open. The fucking. Door.

The scientist knows better than to continue arguing with us and quickly turns to the terminal to open the door that'll lead them to Carnage.

Female Sceintist: You're -? Wait - you people are going in there after it? Why?

Ultimate Spiderman: Because great power comes with great responsibility. Something you wouldn't understand.

Girl Jordan: I hate all versions of Carnage more than all life itself!

Female Scientist: Why?

Girl Jordan: Because that monster RUINING MY FUCKING LIFE! And I vowed to KILL ALL VERSIONS of Carnage!

Me: Ma'am you need to get out of this place and get to safety.

Female Scientist: Right.

We rush into the next room where Carnage is in. But not before Sinestro punches the scientist in the face, knocking her to the

ground.

Sinestro: Just so we're clear, all the damage Carnage does and all the lives he ends is because of you and your scientists!

Me: Was that necessary Sinestro?

Sinestro: Sorry.

I picked her up and beamed her to the infirmary.

Once inside, we see CLETUS KASADY A.K.A. CARNAGE! But it wasn't him. It was actually Gwen Stacy A.K.A. Ultimate Carnage is in the middle of draining the remaining lifeforce of a SHIELD agent with his back tendrils.

Patty: That thing definitely looks like Carnage. A pure monster, no matter the dimension.

Before we could think about fighting Carnage, a new player shows up from another door to assist. A large silver-colored, humanoid battle robot specifically programmed to fight monsters like Carnage.

We saw that they were SPIDER SLAYER ROBOTS!

Lola: What's that?

Ultimate Spiderman: That looks like a newer version of SHIELD's Spider-Slayer robots.

Lola: SHIELD created Spider-Slayers? To what? Kill you?

Ultimate Spidey: My relationship with SHIELD is strained at best!

Spider-Slayer Mark II: Symbiotic presence detected! Purge protocol engaged!

It confronts Carnage with its flamethrower to burn it alive, screaming in agony

Ultimate Spiderman: What the-!?

The red monster couldn't handle the heat anymore and flees through an open door while growling at us.

Me: Oh Growl yourself!

Ultimate Spiderman: Hey, all right! Score one for the flamey robot thing.

Me: Fire is one of its weaknesses.

His spider-sense kicked in about the robot now having its sensors targeted on him, or more specifically the black suit he's bonded to,

Ultimate Spiderman: Whuh-oh!

Me: UH OH!

Spider-Slayer Mark II: Parasitic organism detected! Purge protocol engaged!

Ed: Who's he talking about?!

Eddy: Spider-Man, you idiot! He's wearing a symbiote too, remember?!

Ultimate Spiderman: I knew this black suit was a bad idea!

Lola: Wait, this is a good thing!

Ultimate Spiderman: How is this a good thing?! I'm about to be barbecued!

Lola: No. It's targeted on you but not us, because we're not bonded to a symbiote. Meaning it won't bat an eye while we trash it into scrap!

Lola delivers a powerful right swing on the slayer's back, damaging it. And as she suspected, the slayer continues to ignore her for the symbiote bonded to Spider-Man.

Lola: See? I knew it! Just keep it distracted while we deliver the goods.

Me: At least they aren't after us!

I fired waves of energy and blasted the robots all over!

We chase the rampaging Carnage outside, where we quickly witness that all hell has broken loose at the Triskelion. Dozens of zombified SHIELD soliders swarm the few Spider-Slayers in the area and slowly overwhelm them. SHIELD copters are fighting the infestation from the air, unleashing all the weapons they got on the zombies before Carnage and his monster posse lunge at the copters and kill the pilots inside.

Shield Agent 1: It's all over! We need backup NOW!

Shield Agent 2: Mayday, mayday! I can't hold them off!

Drago: There are zombies EVERYWHERE! This would be a good time to call the Avengers!

Ultimate Spiderman: The who?!

Dan Kuso: You know, Earth's mightiest heroes!

Ultimate Spiderman: Oh, you mean the Ultimates.

Me: The Ultimates?

Nico: Yeah! Whoever they are.

Ultimate Spidey: Last I heard, they're in Europe, dealing with something big.

Me: I see.

Lola: As opposed to this 'small, little thing' here. I bet they're really on vacation, which is something I'm gonna need if we survive this apocalypse!

Ultimate Spiderman: You and me both, sister! (throws explosive barrel at zombies)

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were blasted into oblivion!

Me: Take that!

Ultimate Spiderman: There's a door in the way. Let me web pull it open.

Me: Okay.

He opened it with his web.

Qin: Awesome.

Girl Jordan: This is gonna be awesome.

Ultimate Gwen Stacy: (Telepathically to Girl Jordan) HELP ME! SAVE ME!

Girl Jordan: (GASP) GWEN IS REALLY IN AGONY!

Ransik slashed at a Spider Slayer.

Ransik: Sorry. But we can't risk you going after Spider Man.

Me: That's for sure!

I fired waves of fire and melted the robots into nothing!

Xenia: Take that!

We spot Carnage being assaulted by bullets from a helicopter. The beast roars from their annoying attacks and jumps over a mess of flames to escape us

Ultimate Spiderman: We're gonna stop you, whatever it takes!

He chases the monster on toppled towers while we glide over the huge fire pit to another battle royale on the other side.

Nico: There's more here?!

Ultimate Spiderman: Have you forgotten?! We're in the middle of a zombie apocalypse!

Lola: This brings back bad memories of when we had to do this too.

Me: No shit!

Ultimate Spiderman: Wait! You mean these things were after you guys too?!

Lola: They weren't created from a symbiote! Just regular zombies! And one version of Spiderman was one of said zombies too!

Me: Yeah no shit!

Cargill: Girl Jordan, this isn't just about killing Carnage anymore. If he escapes into the city, there's no stopping him! He'll cause a Symbiote invasion with zombies as well!

Ultimate Spiderman: Yikes! There's no way I'm letting that happen!

Me: Me neither! Take this!

I fired waves of fire and blasted the symbiote all over!

I fired waves of fire and burned the Carnage Zombies all over the place!

Qin: And this too!

She fired waves of fire and incinerated them all over!

Lola: And this!

She fired waves of fire and blasted the Zombies.

But in every room, we keep fighting horde after horde of zombies that don't know when to quit. They may be easy to kill individually, but as a swarm they're a little more difficult to handle. Through our teamwork, we survive each horde with a few scratches until our pursuit of the main monster took us inside a large prison-like room.

Ultimate Spiderman: No way.

Spiderman looked inside the prison cells and wonders if his eyes are messing with him, as it looks like the prisoners behind bars have become affected by Carnage's symbiote and have transformed into creepy copies of himself.

Lola: See? This is what I was talking about. People turning into monsters by symbiotes.

Ultimate Spiderman: Great. Because things weren't sucky enough.

The holographic shields that imprisons the prisoners quickly disappear because of this infestation, so now the infected monsters are free to serve their new master and kill the people that imprisoned them.

Nico: They're breaking out!

Lola: Then take them out!

Me: Lets kill them!

Ultimate Spiderman: I know we're gonna have to fight all these things. I just know it!

Nico: Wait. Who's that over there?

We saw a familiar serial killer becoming another one of the Symbiote creatures too.

It was none other than CLETUS KASADY!

Ultimate Spiderman: That would be this world's Cletus Kasady. And now, he's become another symbiote creature. Good thing he's not as powerful as the Carnage here.

Kai: J.D., take him out. But don't waste any time. We still have Carnage to go after!

Me: I know. I want to savor this fucking moment!

I went over to him.

Me: Cletus Kasady. Now I can kill you where you stand.

Kasady: You are like me J.D.

Me: Here's what I say to you Kasady! You're a fucking cancer! You are a fucking cancer to anyone and everyone you come across. Deceived by your own fucking parents, and no wonder your fucking daddy could never look at you the same way again after how you killed his wife, your mother, just by being born! Because you are FUCKING PATHETIC! YOU'RE A FUCKING STAIN ON THIS PLANET!

I HAD THROWN KASADY'S OWN WORDS RIGHT BACK AT HIM!

Kasady: NO ONE TALKS TO ME LIKE THAT!

He went at me and I blocked his punch and kicked him in his face.

I punched him in his stomach and punched him in his face and kicked him in the stomach. Then I plunged my hand into his chest and then…

SQUELCH!

RIPPED OUT HIS BEATING HEART!

Then I shoved it down his throat!

Then I put a fire bomb infused with black gates energy in it down his throat.

Me: Give my fucking regards to Oblivion!

I left and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

I blew him into a million flaming pieces and banished him to the black gates.

Me: Fast enough?

Kai: Perfect J.D.

Ultimate Spiderman threw a flaming object at a crowd of symbiote creatures.

It hit them and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

They were blown apart!

The exit door finally opens.

Ultimate Spiderman: Yeah. Now it opens.

He was a little annoyed that the door took so long to open but it quickly didn't matter to him anymore. He's just glad that it did open so we could escape into a larger prison room where more spawns of Carnage are causing a ruckus.

Scientist: Spider-Man! Help! Up here!

A male scientist shouts for help from the upper floor.

Ultimate Spiderman: Someone's in trouble! We need to find him!

Killer Frost: Wait. Up there!

We saw a cell with Ultimate Deadpool and Ultimate Electro together. Ultimate Deadpool was bouncing a ball on the walls.

Maria: That's where you sent Ultimate Deadpool and Ultimate Electro, right?

Nico: Yep. Good thing I sent them here, huh?

Me: Clever thinking. I'll get the scientist out.

I flew and blasted the Carnage Zombies and got the scientist out.

Nico: There.

We went to the cell of Ultimate Electro and Deadpool.

Ultimate Deadpool: Hey, guys. What's going on?

Ultimate Spiderman: Oh, you know. The weather's perfect. We're just walking around. Oh, and all Hell's broken loose here.

Girl Jordan: This whole place is infested with Carnage Zombies and Gwen Stacy is in trouble because she is bonded with Ultimate Carnage.

Lola: Yeah!

Ultimate Electro: So that's what's going on!

Nico: Yep.

Ultimate Electro: Wait. So that's why you sent us here?

Nico: It was a gamble I had to take.

Me: It was a big gamble.

Lola: But that's beside the point.

Me: As much as it pains me to say this but we really need your help to bring this version of Carnage down.

Ultimate Deadpool: You know I'm in! This is what should've happened instead of that Easter Egg in the actual game!

Nico: I agree.

Jamesdean5842: I do too.

Ultimate Electro: (Reluctantly) OH Why not!? I've got nothing else to do anyway.

Elrena Larxene: I guess we're going to spend some time together for this. I am going to be your archenemy.

Ultimate Electro: Awesome.

Krusty: Just to clarify, she's the one bonded to Carnage here.

Ultimate Electro: (grimly) I don't mean to insult you guys. But there's a chance that she's probably dead by now.

Ultimate Deadpool: Then how come her voice was heard by Girl Jordan earlier in the chapter?

Girl Jordan: He's right! She's still alive! She spoke to me telepathically. I'm not going to give up on her.

Qin: We won't either.

Nico: Lets not waste anymore time.

We opened the cell… just as some zombies attacked us. Ultimate Electro fired electricity at them while Ultimate Deadpool fired his guns at their heads.

Scientist: Thanks for getting me to safety. And good luck stopping this - you're gonna need it!

Ultimate Spiderman: No kidding.

Ultimate Electro: You guys are just letting them off easy after they caused all this?

Ultimate Deadpool: I know that Sinestro punched one of them earlier in the chapter.

2012 Leo: Trust me. They're NOT getting off easy. Not after the Nick Fury of this world comes back and sees all this.

Me: That's right.

Nico: And when he does the scientists are going to be in a lot of trouble.

And after fighting our way through more monsters inside a large hanger filled with Carnage's webbing, we made their way back outside in the wide wreckage of a crashed Helicarrier, much to our terrified shock that Carnage somehow took one of those giant ships out of the sky.

Ultimate Spiderman: I don't believe it. Is that a crashed Helicarrier?

King Stefan: (Scottish Accent) This is serious. Just where is Carnage before he destroys something else?

And to our startled shock, we all witness the malevolent Carnage himself lunge from one of the functional reactors that survived the Helicarrier crash onto Spider-Man to attack him.

Ultimate Deadpool: Boss battle time!

Ultimate Spiderman: You had to say something, your majesty?!

The webhead manages to avoid Carnage's tendrils long enough for him to grab and throw the creature into the ground. They then grappled with each other. Ultimate Spidey beat the crap out of Carnage. When he tried to slash at him, he dodged iteebfore beating the crap out of him some more. This continued 2 more times.

Ultimate Spidey: I've had ENOUGH!

He ruthlessly stomps on his face, before throwing the clone into a reactor to burn. Carnage roars in anger and pain from the heat of the reactor, as he jumps out of it in flames and confront us for another assault.

Lola: This Carnage isn't much of a talker, is he?"

Ultimate Spiderman: Surprisingly, since he has my DNA and all!

Nico: Normally, he would talk in an insane fucked up way. This one just growls and roars.

Shane: Just the way we like it! Ninja Storm, Ranger Form!

Kouta: Henshin!

They transformed!

Shane: POWER OF AIR!

Kouta: ORANGE ARMS OF THE ORANGE SWORD! KAMEN RIDER GAIM!

Nico: YEAH!

I fired waves of fire and blasted Ultimate Carnage!

I saw an opening that revealed Ultimate Gwen's shirt!

Girl Jordan: Hold on!

She then went over and grabbed Ultimate Gwen and she pulled hard with all her might!

Girl Jordan: (STRAINING) LET HER GO YOU MALIGNANT SACK OF ROTTEN ARTERIES!

I grabbed onto Girl Jordan and we pulled!

Ultimate Gwen was SCREAMING IN AGONY AS WE PULLED!

Ultimate Spiderman fired a web rope that hit my back and he pulled too!

Nico: Lets pull!

EVERYONE GRABBED THE WEB!

Ultimate Carnage pushed us back by pulling on Ultimate Gwen!

Me: (GRUNT!)

Laney: It's so strong!

Skinner: We're gonna have to weaken Carnage to get her out.

Ultimate Spiderman: I got an idea.

Ultimate Spiderman got on top of a reactor. He jumped out of the way as Ultimate Carnage jumped there to attack him. Ultimate Electro then shocked the monster, making it fall into the reactor.

Ultimate Spiderman: Okay. That's one of the ways to damage it.

Then!

SNAP! Ultimate Gwen WAS FREED and Girl Jordan and me caught her!

CRASH!

Me: That did it!

Nico: WHOA!

Girl Jordan: HOLY MACKEREL!

Me: Awesome!

Ultimate Gwen: (Groans Very Weakly)

Me: Gwen? Are you okay?

Varie looked her over.

Varie: She's going to be really weak for a while. The separation took a lot out of her.

Ultimate Gwen: But you did it. You all saved me. Girl Jordan I am forever in your debt.

Girl JOrdan: It was my pleasure.

Kouta: Okay. Carnage should be helpless right now, right?

Ultimate Gwen: No. Inside of him, I could feel his power changing thanks to the Fragment. It doesn't need a host anymore.

WE GASPED

Sure enough, Ultimate Carnage reformed and roared at us. Drago and Beau attacked with fireballs from their mouths.

Me: WHOA!

Drago: Everyone! Carnage is weak to fire! Attack him with that!

I Fired a massive blast of fire and it hit him and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back up.

Me: Boy this is a first! A Symbiote without a host!

Ultimate Carnage: Car… Car… Carnage don't need a host!

Me: WHOA! He can talk!

Spiderman: You don't want to be friends do you?

Ultimate Carnage: FRIENDS!? Carnage is CHAOS!

Me: Why am I getting a sudden case of Deja Vu here!?

Toad Man: The fragment also made it sentient!

Shane and Kai charged at him and they kicked him down.

Ultimate Carnage then starting laughing LIKE A FUCKED UP LUNATIC!

Me: He's just as fucked up as any version of Kasady that we know!

Comic Book Guy: Kai, I hope you remember your element is fire. That's Carnage's weakness!

Kai: I know!

He fired a massive vortex of fire and blasted him!

Me: Take this then! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive vortex of swirling fire and intense light and blasted Ultimate Carnage with incredible power!

Nico: WHOA!

Ultimate Carnage roared at me!

Me: ROAR YOURSELF!

Girl Jordan: I HAVE HAD IT WITH THIS MONSTER!

Ultimate Carnage roared and ran.

We prepare themselves for another assault against him until we heard a SHIELD agent panicking in their comms.

SHIELD Agent: Mayday! Mayday! This is Helicarrier Delta-Sierra!

Can anyone hear me? Mayday! We're coming back in!

The man screamed for immediate assistance, which gave Carnage the chance to flee climbing on the crashed Helicarrier while they were too distracted listening to the panicking in their ears. Spidey quickly grabs ahold of Lola as he zips themselves onto the Helicarrier to climb up with us. We chased Carnage to the top, only to see him making a beeline for the control tower in the center of the Triskelion.

Drill Man: Where's that freak running to now?

Ultimate Spiderman: Looks like he's headed for that control tower.

We jump down to a safe place to land as the SHIELD agent from before continues freaking out in their ears

SHIELD Agent: Mayday, mayday! Some of those creatures got on board! Repeat, we have been boarded!

We quickly turn around to see the Helicarrier vastly coming into view from the air.

Lola: Is that the Helicarrier they're in? And is it… heading right for us?

SHIELD Agent: They're in the cockpit! They're in the -!

Scientist: OH GOD!

The Helicarried was now crashing in the same direction as us

Ultimate Spiderman: Oh geez! No, no, no, no!

Nico: Everyone start running!

WE RAN FAST.

Rich Texan: Guys, we're not gonna make it!

Me: OH YES WE ARE!

WE TELEPORTED AWAY!

The entire HELICARRIER EXPLODED IN A MASSIVE AND POWERFUL FIERY EXPLOSION!

We were safe from harm.

We made a little crash landing ourselves inside a hanger.

Nico: I can't believe it! We're alive! How did we survive something like that?!"

Me: Yeah!

Lola: I dunno. I don't think I've ever been so scared in my life…

Ultimate Spiderman: I never. Wanna do that. Again.

SHIELD Agent: Evacuate! All cleared personnel out of this area immediately! Move it people! Get those birds in the air, let's go! Come on!

A SHIELD agent orders the transports ships that are in the hanger with us to get launched into the sky to help fight the symbiotes. Speaking of, our main target, Carnage, is also spotted inside the hanger and hitches a ride on one of the transport ships into the air.

Girl Jordan: THERE HE IS!

Nico: Get back here, you parasitic freak!

Ultimate Spiderman: Maybe we can hitch a ride.

SHIELD Agent: We've taken heavy damage from infected prisoners! I'm losing altitude! All hands, brace for imp-!

The SHIELD agent was riding a helicopter when he was cut off, as his copter has taken too much damage in the warzone in the sky and makes a loud crash below into a fiery explosion.

MASSIVE AND HUGE FIERY EXPLOSION OF INCREDIBLE POWER!

Ultimate Spiderman: This is INSANE!

Lola: Not just insane! (we hop onto the second transport) We're living a NIGHTMARE! And it's a nightmare we might not have a chance of ever waking up!

The transport ship does its job and transports us into the aerial warzone between SHIELD and the symbiotes. As much as we want to help, we know that the only way to save the Triskelion is by defeating Carnage and retrieving his fragment. Thankfully, the transport survives the aerial battle as it takes us close enough to the control tower, right next to a broken window we can jump through to infiltrate!

Me: Lets jump through that window there!

Nico: Right!

Ultimate Spiderman: Okay, Spiderman. Just - pull it together. You're safe now. Okay? You're safe…

Cantwell: You terrified, kid?

Ultimate Spiderman: "I'm not terrified! I'm not!

Nico: Hey, no one would blame you if you're scared. This is a lot to take in for someone your age.

Me: Yeah.

Ultimate Spiderman: What scares me the most is knowing this is all my fault. If I never gave Dr. Connors a sample of my blood, none of this would've ever happened. Gwen would still be alive and her clone wouldn't have been the host for that freak! How do I stop this?

Me: Pete Pete! Pull yourself together! This is not your fault!

Lola: Easy, Pete. We know you feel guilty about all of this. It's what makes you who you are. You have to be brave. Rise up and be greater than yourself. I know one day you'll grow up to be one of the world's greatest heroes. I've seen it with my own eyes. Now it's time to take that first step into adulthood by making a future for yourself, starting by defeating Carnage. And don't worry. We'll have your back. Always. I promise you that.

Me: That's for sure!

Ultimate Spidey: Thanks for that. Kinda needed something to cheer me up.

Nico: Good.

Ultimate Gwen: But we still need to stop Carnage.

Nico: And by we, you mean us. YOU are staying here.

Ultimate Gwen: It's not safe anywhere. And I'm not gonna let that freak get away with using my body for that!

Me: We won't either!

Nico: But how are you gonna defend yourself against him?

May: I may have an idea.

Me: Gene-slammer?

May: Gene-slammer.

Me: Cool!

Ultimate Gwen: Turn me into a Megalodon! I want to rip that monster apart with the power of a shark from 30,000,000 years ago!

Me: That we can do.

Maria: Lets get you fitted for this first.

She pulled out a pink and purple leotard.

Ultimate Gwen: Good idea. Don't want my clothes getting ripped.

Ultimate Spiderman: Like the Hulk?

Nico: At least the big guy still has purple pants when he Hulks out!

Hulk: Nico right on that. Hulk still has pants.

Qin: Yep.

Nico gave Gwen a Senzu bean and she ate it and was better!

Ultimate Gwen: WHOA! I feel amazing!

Me: Yep.

Maria, Varie and Teresa set up a portable changing room and gave her the leotard and Gwen gave Maria her clothes.

She came out.

Ultimate Gwen: Wow! I look awesome! And purple and pink are my favorite colors.

Me: Awesome! Just so you know Gwen this is going to hurt REALLY BAD but you'll have the power to change at will.

Ultimate Gwen: I know. I'm ready for it.

Me: Okay. Here we go. (SNAPS FINGERS!)

She groaned and her stomach grumbled and she grew in size and muscles and her skin turned purple.

Her boobs vanished into her chest.

Ultimate Gwen: There goes my womanhood.

Then she grew a fin out of her back and her teeth turned into SHARK TEETH! Then her head turned into a shark and then her hands grew claws. She turned into A MEGALODON!

Ultimate Gwen: WHOA! How do I look?

Varie showed her a mirror.

Ultimate Gwen: OH WOW! I look awesome!

Me: Not bad for your first time.

Stacy Bolton: Welcome to the Shark Club.

She saw her hair in a pile on the floor

Me: Don't worry. When you revert back your hair will grow back on your head.

Ultimate Gwen: Okay. How about in this form I'm called SPIDERSHARK!

Nico: Ooh! That would be fitting if you were Spider Gwen.

Ultimate Gwen: Yeah. Ooh! How about OMEGARIP!?

Me: WHOA! That's not bad!

John Bolton: YEAH!

Me: RIGHTEOUS!

Unfortunately, the noise attracted a crowd of zombies.

Ultimate Spiderman: Oh come ON! Do you guys have my back on this one?

Me: We always have EVERYONE's back!

Nico: YEAH! Lets get them!

I fired a massive wave of fire and incinerated NUMEROUS ZOMBIES!

Omegarip punched a Zombie and smashed him into NUMEROUS ZOMBIES!

Omegarip: AWESOME!

She then grabbed a zombie and BIT HIM IN 2!

Omegarip: BLECH! THAT IS GROSS!

Nico: YUCK!

Lola: I think Carnage is up top! Spiderman, can you climb me up there?

Ultimate Spiderman: Stick to me and I'll stick to it!

Nico: What are we? Chopped Liver?

?: No that's what I am!

We saw a jar of chopped liver and a rimshot was heard.

Ultimate Spiderman: Was that?

Ultimate Deadpool: Oh it's a silly running gag that appears in this story every now and then.

Jamesdean5842: (LAUGHS) It's funny for a good laugh every now and then.

Very soon, we are together as they successfully climb to the top of the control tower.

Ultimate Spidey: Now what do we have here…? (pulls head away) Yuh! Don't let 'em see you! Careful…

We carefully peep inside to see a large, disgusting red egg sitting in the center of Carnage's nest.

Me: What the fuck is that?

Gravity Man: Okay, just a guess, but I'm thinking… smash the giant egg in the center of the room.

Lola: Not a bad plan.

Ultimate Deadpool: This is usually the part where an entrance is made!

Chalmers: How right you are!

Me: Lets do it!

We went at the window.

Inside the nest the spirits of birds appeared and they swirled around the Carnage Nest and then converged and then.

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A MASSIVE FIERY EXPLOSION blasted through the wall and fireballs rained down and blasted all the Carnage Swarm and the egg and a phoenix cry was heard. We came in.

?: Spider-Man! Spider-Man! If you and your friends can hear me, this is Agent Welling of S.H.I.E.L.D.! We're sending in new Slayer Robots that have been programmed to recognize you as an ally! Look for the red ones!

Me: That is helpful.

Ultimate Spidey: Well, whaddaya know! Our very own robot sidekicks. I'll call this one 'Herbie'. (to Lola) What do you wanna call yours?

Lola: Princess.

Me: Nice!

We fired waves of fire and blasted the egg all over the place!

Poromon: You sure chirping won't hurt Carnage?

Lisa Loud: Unlikely.

Nico: Symbiote monsters incoming!

Ultimate Spiderman: Get away from my Herbie!

We fired waves of energy and elements and fire and blasted them all over!

Qin: Take this!

Qin fired a massive blast of fire and incinerated them!

Lola and Nico fired waves of fire and blasted them.

Beast Wars Inferno: These monsters will all burn! Inferno, TERRORIZE!

He transformed and fired a massive flamethrower blast from his gun!

Lola: Keep roasting that egg, Princess! I'll protect ya!

Princess did so.

Lola fired waves of fire and blasted the Symbiote monsters all over the place left and right.

I fired a massive wave of fire and blasted the egg.

Nico, Nuova Shenron, Fire Man, Flame Princess and all the fire users blasted the egg and incinerated it.

Me: Boy if Ultimate Carnage turned all those Thanos erased in the Infinity War Movie into Carnage Zombies, I don't think it would be a good sight!

Nico: DON'T EVEN THINK ABOUT IMAGINING STUFF LIKE THAT!

Eli: That would not be a really good thing!

The egg was destroyed to reveal Carnage.

Agent Welling: Yeah! Take that, big red!

Carnage then pinned Lola to the ground. She manages to avoid Carnage's tendrils long enough for her to grab and throw the creature into the ground. They then grappled with each other. Lola beat the crap out of Carnage. When he tried to slash at her, she dodged iteebfore beating the crap out of him some more. This continued 2 more times before Lola then grabs his leg and throws it at a burning structure that falls on him.

CRASH!

Me: Take that you bloodthirsty freak!

Ultimate Spiderman: Had enough?!

Carnage quickly lunges at him roaring directly to his face.

Ultimate Spiderman: Guess not!

He grabs its tendril so he could pummel his face some more. The monstrous clone tries to attack Spider-Man and us some more if the Slayers weren't burning his skin off. So, he buries his tendrils into the floor to surge and pierce the robots into their destruction.

Lola: Princess, no!

Me: We can build another one! Lets destroy him!

We fired more waves of fire and blasted Ultimate Carnage!

Shane: Battlizer Mode, Engage!

Soiya! Kachidoki Arms! Iza shutsujin! Ei! Ei! Oh!

Kouta turned into Kachidoki Arms.

Shane donned his awesome Ninja Storm Ballizer!

Qin: Oh yeah!

They fired waves of energy and wind and smashed Ultimate Carnage.

I fired waves of fire and blasted Ultimate Carnage.

Stewie used his flamethrower.

Stewie: YOU LIKE THAT YOU BLOODFUCKING BASTARD!? YOU LIKE THAT! YOU LIKE THAT!

Nico: YEAH!

Bender: Take this!

He fired a wave of fire and blasted Ultimate Carnage all over.

Bender: You and your bloodthirsty ways can bite my shiny metal ass!

Ultimate Carnage tried to do just that to Bender's ass.

CHOMP!

AND HE BIT A NASTY CHUNK OUT OF HIS METAL BUTT! AND SCREAMED IN PAIN!

Qin: OOH OUCH!

I fired a wave of fire and blasted Ultimate Carnage in his face!

Nico: You okay, Bender?

Bender: I'll be okay. Nothing a little welding won't cure.

Lola: Yeah.

Lisa Loud: Allow me to help you with that.

Lisa fired a fire ray blast and blasted him all over.

Me: YEAH!

Omegarip: Thanks!

Marluxia: Too bad for all the dead agents though.

Demyx: Their deaths won't be in vain!

Me: No they sure won't be in vain.

Saix: (to Nico) We heard you fought the millers.

Nico: We sure did.

Zexion: I can't believe they tried to slap not just Horsea but Manaphy too!

Horsea: They are so predictable.

Manaphy: I know! But it was fun!

Manga World then came out.

Manga World: I'm up for another round baby.

Me: Awesome! This will be fun.

Manga World: You know I'm pretty much the first World Monster you guys fought, right?

Suddenly, something within Girl Jordan's mind snapped brutally as memories of what that psychopath did in getting her disowned those seven years ago and ruined her life rushed right through her head.

Girl Jordan: (Thinking) You ruined my life those seven years ago, you sick twisted son of a bitch, and it wasn't just me, but all those who had their lives ruined: Tabby, Liam, Rusty, Zach, Haiku, Polly, and Giggles.

Lincoln and Leeli felt it: her mind's snapped and they also heard her thoughts, along with all of us.

Suddenly, Girl Jordan's ocean blue eyes turned neon ocean blue and she's surrounded by a rainbow and ocean blue energy aura with stars, sea dragons, ocean waves, water, sea animals, snow, phoenixes, and angels, she unholstered her massive Girl Jordan's Cosmic Celtic Water Ler's Sea Dragon Greatsword of Celtic Ocean Justice from her back, and as she approached Ultimate Carnage, she left rainbow and ocean blue energy, stars, sea dragons, ocean waves, water, sea animals, snow, phoenixes, and angels with every step.

Girl Jordan: (Thinking) You ruined every last one of our lives, and yet, you fucking didn't care, you enjoyed causing pain and suffering and all for your love of causing chaos and destruction. No more! (Out Loud) I have had it up to hear with you to last a billion eternities, Carnage, you ruined so many lives and enjoyed causing pain and suffering to all those in your path and all for your love of causing chaos and destruction. (SUDDENLY GETTING MAJOR LEAGUE PISSED OFF AS HER OCEAN BLUE ENERGY AURA

FLARES UP EVEN MORE) Too many have suffered and so many have lost their lives, and yet, you don't care at all… , YOU ARE NOTHING MORE THAN AN AGENT OF CHAOS AND DESTRUCTION WHO HAS CAUSED NOTHING MORE THAN PAIN AND SUFFERING FOR THE LAST TIME, YOU SICK, TWISTED, FUCKED-UP, BLOODTHIRSTY, BLOOD-CRAZED, VILE, PSYCHOPATHIC SON OF A BITCH! NOW, YOU'RE GOING TO DIE A HORRIBLE BLOODY DEATH FOR EVERYTHING THAT YOU HAVE DONE, AND NOT A SINGLE SOUL WILL SAY A KIND THING ABOUT YOU BECAUSE THERE'S NOTHING TO EVEN SAY TO A SADIST LIKE YOU, CARNAGE! YOUR DAYS OF CAUSING CHAOS AND DESTRUCTION ARE ABOUT TO END HERE AND NOW!

We gasped at the sudden and very dangerously wild extent of Girl Jordan's rage: Carnage has absolutely fucked up for the last time, and now, he's going to die horribly!

Me: OH SHIT!

Eli: UH OH!

Nico: She snapped in the same way you did when we faced Hitoshi, now things are really going to get ugly!

Lincoln: I've seen how fierce Girl Jordan is when Dodgeball Day is declared, and no one wants to get on the wrong side of her. But, what Kasady did seven years ago has proven to be the last straw. STAND YOUR GROUND! SHE'S GOING TO BLOW!

Ultimate Carnage went after Girl Jordan, but then, she screamed like a madwoman to the infinite power and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of power and energy as her energy exploded, and then, she was surrounded by a massive vortex of rainbow and ocean blue energy with ocean waves, sea animals, sea dragons, snow, and ice surrounding it, there's a sea dragon and mermaid swimming around the vortex and phoenixes and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Ultimate Carnage: the red eyes of eternal death, and the force of the vortex sent Ultimate Carnage flying and crashing into a wall.

Suddenly, The Unity Crystals on my J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and The Unity Crystals on Lincoln Loud's massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed with very intense brightness, and then, they fired a beam of light into Girl Jordan's massive massive Girl Jordan's Cosmic Celtic Water Ler's Sea Dragon Greatsword of Celtic Ocean Justice, and then, it glowed, and then surrounding the massive vortex of rainbow and ocean blue energy with ocean waves, sea animals, sea dragons, snow, and ice surrounding it, there's a sea dragon and mermaid swimming around the vortex and phoenixes and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Ultimate Carnage: the red eyes of eternal death is a MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF GIRL JORDAN AND HER POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! Your time's up, you psychopathic bloodthirsty monster!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED

AND THEIR ENERGY FLOWED INTO GIRL JORDAN! THEN, AS SOON AS THE VORTEX FADED, GIRL JORDAN EMERGED FOREVER CHANGED!

Girl Jordan: (Divine Echoing Godly Voice of The Celtic Oceanic Maelstrom Arctic Snowstorm Sea Dragon Phoenix Angel and Divine Celtic Oceanic Maelstrom Arctic Snowstorm Sea Dragon Phoenix Angel Love) You're fucking through, you asshole!

Lincoln: You said it, Girl Jordan, this asshole has lived for far too long and taken far too many lives!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Girl Jordan.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I hope you've enjoyed your only moment for freedom because you're dead, you bloodthirsty asshole!

Lincoln and Girl Jordan went after Ultimate Carnage, and they fired extremely powerful blasts of rainbow energy, rainbow and ocean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ultimate Carnage and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he and Girl Jordan attacked him with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Ultimate Carnage even more insane than ever.

Ultimate Carnage went insane and went after Girl Jordan and Lincoln with intent to drain them dry of their life forces, but the spell reacted and fired a blast of green energy that hit Ultimate Carnage hard and sent him flying into another wall and pissed him off even more.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

Kindness, Selflessness, Courage, and Trust) Let's use Yurgen's Tune to get rid of the Carnage Symbiote, girls.

Girl Jordan: (Divine Echoing Godly Voice of The Celtic Oceanic Maelstrom Arctic Snowstorm Sea Dragon Phoenix Angel and Divine Celtic Oceanic Maelstrom Arctic Snowstorm Sea Dragon Phoenix Angel Love) Right, Linky.

Lincoln, Girl Jordan, and Leeli proceeded to sing Yurgen's Tune as Girl Jordan and Leeli's ocean blue energy auras and Lincoln's rainbow energy aura flared up, fireflies flew around them, the skies turned into oceans with sea dragons swimming and mermaids singing.

Lincoln, Girl Jordan, and Leeli: (Singing Divinely)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

Suddenly, the song began to be heard all over the planet, and then, a sudden explosion of life energy erupted, and it released a powerful wave of light and life energy, and then, it hit Ultimate Carnage, and the song blasted Ultimate Carnage until only his head was left and it was still laughing like a fucked up lunatic!

Girl Jordan: OKAY CARNAGE THIS IS FOR EVERYONE YOU KILLED!

She raised her hands into the air.

Girl Jordan: EVERYONE SHARE YOUR ENERGY WITH ME!

We gasped!

Me: The Spirit Bomb!? No way!

Nico: WHOA! Lets do it guys!

We gave Girl Jordan our energy and then so did Ultimate Gwen and Ultimate Spiderman.

It formed AN INCREDIBLY MASSIVE AND POWERFUL SPIRIT BOMB AS BIG AS THE WHOLE MOON!

WE WERE INCREDIBLY IN AWE!

(DBS THE BIRTH OF A GOD PLAYS AT 2:10 TO 3:25)

Girl Jordan: CARNAGE! THIS IS THE ENERGY OF EVERYONE I LOVE INCLUDING ALL THOSE WE CARE ABOUT AS WELL AS THE ENERGY FROM THE SPIRITS OF ALL THOSE WHO DIED AND SUFFERED BECAUSE OF YOU! INCLUDING ME! LET ME MAKE ONE THING CLEAR TO YOU! YOU RUINED MY LIFE AND I GOT IT BACK! AND I WILL NOT LET YOU RUIN GWEN STACY OR PETER PARKER OR ANYONE ELSES LIVES EVER AGAIN! NOT WHILE I AM PRESENT! REMEMBER THIS! MY NAME IS GIRL JORDAN ROSATO AND I AM YOUR WORST NIGHTMARE!

SHE THREW THE INCREDIBLY MASSIVE SPIRIT BOMB AT HIM! THEN IT ENVELOPED HIM AND COMPLETELY OBLITERATED CARNAGE IN AN INSTANT AND NOT EVEN AN ATOM OF HIM

WAS LEFT AND HE WAS BANISHED TO THE BLACK GATES FOR ALL ETERNITY! ALL THOSE HE KILLED WERE AVENGED!

Me: WHOA!

Nico: Damn, now that was really powerful, just like what happened last time. Burn in The Black Gates forever, Ultimate Carnage.

We cheered as Lincoln and Girl Jordan holstered their massive greatswords on their backs and powered down, and Girl Jordan's new body, clothes, weapons, jewelry, gold halo, eleven massive and long light brown tails, Third Eye, and massive light brown wings are permanent.

Girl Jordan: Never again will I ever have to deal with you, you bloodthirsty asshole. Thank you for helping me destroy Ultimate Carnage for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Girl Jordan.

Suddenly, Girl Jordan wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Girl Jordan's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Sea Dragon, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and waves raging and snow falling behind them and we cheered wildly. Then, Lincoln and Girl Jordan sucked in and absorbed the elemental forces and ocean waves and snow and they came back to us as the display vanished.

Lincoln fired a gold spider silk web which grabbed the piece of the Tablet and put into the case with the others.

Nico: That was quite a tough fight, but we did it, we destroyed

Ultimate Carnage and got the next piece of the Tablet.

Ultimate Spiderman: Awww yeah! Turkey! You're outta here! What? I thought you liked being on fire! My bad.

Ultimate Spiderman then got the fragment.

Ultimate Spiderman: (more seriously) And stay dead!

Me: PERMANENTLY!

Vexen: That's all the fragments in this dimension.

Xigbar: And we killed Carnage.

Vanitas: After he killed so many people.

Robo Blaze: All we can do is give them a purper burial.

?: What the fuck happened here?!

Dr. Light: Uh oh. Ultimate Nick Fury's back!

We saw NICK FURY!

Me: Director Fury. We need to have a little chat. And we need to have it NOW!

Ultimate Nick Fury: Team Loud Phoenix Storm. Good to finally meet you guys.

Me: Pleasure is ours. I just wish it could've been under better circumstances.

Ultimate Nick Fury: Now, you wanna tell me why while I was taking a day off, thousands of my agents are dead and at least 2 Helicarriers are destroyed?!

Ultimate Spiderman: (coldly) Ask your scientists.

Ultimate Nick Fury: What happened to all of you?

Me: Most of us got seriously hurt because of an experiment that went on in SHIELD behind YOUR back.

Nico: Yeah!

Me: And THOUSANDS of people lost their lives today because of THAT Particular experiment gone wrong!

We told him everything and he was shocked!

DIRECTOR FURY WAS PISSED!

He was looking at his scientists with utter disbelief and anger!

Ultimate Nick Fury: Going behind my back, performing an experiment involving a dangerous prisoner, causing the deaths of thousands of agents, and 2 Helicarriers are destroyed. You motherfucking idiots have anything you wanna say for yourselves?!

Scientist 1: Well Director Fury Sir…

Ultimate Deadpool: I like how he said Motherfucker due to being modeled on and played by Samuel L Jackson.

Ultimate Nick Fury: (to Ultimate Deadpool and Ultimate Electro) And you two! Did you both have anything to do with this?!

Nico: No director Fury. They were with us.

Vypra then appeared.

Vypra: It's all right. They are going to be with me Director Fury. I am going to have them put into the M.O.E. Effective immediately.

Me: They helped us destroy Carnage.

Ultimate Gwen Stacy: And Girl Jordan here saved my life. She saved me from a monster that made me kill thousands of innocent people. I will always be forever grateful to her for everything she did to me.

Girl Jordan: Carnage was the monster that destroyed my life and ruined everything for me. I vowed to destroy all versions of Carnage.

Nico: Yep.

Ultimate Nick Fury: (facepalms) This HAD to happen while the Ultimates were on vacation.

Lola: Ha! I knew they weren't really on an important mission!

Me: I know. Of all the rotten things that had to happen it had to be during a time when they were on vacation.

Nico: Yeah no kidding.

Ultimate Nick Fury: All the motherfucking scientists who were part of this motherfucking experiment are motherfucking fired! Pack your motherfucking things and get out!

Scientist 1: No sir you can't!

Ultimate Nick Fury: OUT!

Me: Director Fury if I may?

Ultimate Nick Fury: What is it?

Me: Instead of firing them we'll make sure this never happens again and instead of sending them to prison we'll give them community service. They had no idea this would happen. Besides we saved their lives too. It wouldn't be fair if we just let them go home jobless.

Ultimate Nick Fury: Oh you're right. You raised a good point there.

Me: Thank you.

Ultimate Nick Fury: They can start by giving the Triskelion a fresh coat of paint from top to bottom!

I gave them paint buckets.

Me: It's gonna take a long time for all this stuff to be cleaned up. But they can do it.

Ultimate Nick Fury: I know. But you guys did a great job stopping Carnage. For that all of SHIELD is grateful.

Me: I'm sorry so many people died today because of it.

Nico: Yeah it was a bloodbath.

Ultimate Deadpool started peeing on the ground.

Ultimate Spiderman: Dammit, Deadpool. You're just making it worse!

Me: Wade! You are not a dog that marks his territory!

Ultimate Deadpool: I had to go!

Me: Well NOT ON THE GROUND!

Ultimate Deadpool: I haven't gone all day.

Nico: (gives Ultimate Nick Fury a check) Here's a check to cover the damages

It was worth $500,000,000,000,000.00

Ultimate Nick Fury: It's more than enough. Thank you.

Nico: You're welcome. We have more money than we know what to do with.

Me: Comes with the job description. Got to get funds somehow. But we don't' brag about it.

Ultimate Nick Fury: That's good you don't. But thank you all for saving us.

Me: It was our pleasure sir.

Nico: Make sure to give the dead bodies proper burials.

Ultimate Nick Fury: I will.

He left and went back to SHIELD HQ.

Ultimate Spiderman: Thank you so much for helping me guys.

Me: It was our pleasure Pete.

Nico: I just didn't think it would end like this though.

Girl Jordan: Yeah no kidding. This was one brutal and infernally rough battle.

Nico: Yeah.

Ultimate Gwen: But no kidding there.

Nico: But we got number 13 of the fragments down.

Me: And only one more to go.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Vholran Igniseri, that hegemonic dark knight.

?: I shall destroy you all, Team Loud Phoenix Storm, and I shall rule over the Earth!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of ice blasts that came out of nowhere and they hit the barrier, but the ice energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Vholran Igniseri, or I will force you out!

A figure came out, and it was none other than Vholran Igniseri.

Nico: So, that's Vholran Igniseri.

Lincoln: Yep. I always knew you'd one day show up, and now, I'll kill you and avenge the population of Ganath Haros.

Vholran Igniseri: They are worthless fools only to be used my playthings.

Serenity Serenade: Ganath Haros' population are not your playthings, and I'll make you regret it with your life.

Suddenly, Serenity Serenade's blue eyes turned neon blue and she was surrounded by a moonlight blue energy aura with stars, moonlight, crescent moons, sheep, cats, foxes, birds, panthers, butterflies, tigers, rabbits, wolves, phoenixes, and angels, she unholstered her massive Moonlight Greatsword from her back, and as she approached Vholran Igniseri, she left moonlight blue energy, stars, moonlight, crescent moons, sheep, cats, foxes, birds, panthers, butterflies, tigers, rabbits, wolves, phoenixes, and angels with every step.

Serenity Serenade: You absolutely make me sick to no end, Vholran Igniseri, you used the population of Ganath Haros as your playthings, you attempted to destroy the great spirits, and you attempted to use your sovereign powers to conquer the entire world. Your selfish ambitions have caused nothing but devastation and now, I'll see to it that you die here and now!

Suddenly, Serenity Serenade was surrounded by a massive vortex of moonlight blue energy, stars, moonlight, and crescent moons surrounding the vortex, there are sheep, cats, foxes, birds, panthers, butterflies, tigers, rabbits, wolves, phoenixes, and angels, and The Lunalight Monsters flying around the vortex, and in the vortex is a midnight blue phoenix with the symbol of The Lunalight Monsters on its stomach and red eyes glaring at Vholran Igniseri: the red eyes of eternal death. Then, as the vortex faded, Serenity Serenade emerged, but she was changed forever.

Serenity Serenade grew from 7'0" to 7'9" in height, she has the body of a goddess, she has dark blue highlights in the bangs of her long midnight blue hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a moonlight blue energy aura with stars, moonlight, crescent moons, sheep, cats, foxes, birds, panthers, butterflies, tigers, rabbits, wolves, phoenixes, and angels, she has The Lunalight Monsters surrounding the crescent moon emblazoned on her forehead and Third Eye with dark blue iris, she has on phoenix earrings with dark blue gems for eyes and holding the Moon, Star, and Eternity Kanjis in its hands, she also has The Lunalight Monsters with blue gems for eyes and holding the Moon, Star, and Eternity Kanjis in its hands on the bottom of her moonlight blue phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with midnight blue crystal links from her merged Crystal Necklace of the Buddha and midnight blue gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Serenity Serenade felt a sharp pain on her back, and then, her massive midnight blue angel wings with dark blue tips and crescent moons on the large midnight blue feathers grew much bigger for her new body, and she now has eleven massive and long midnight blue wolf tails with blue tips and blue markings, she has on a Ring of The Phoenix with midnight blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Serenity Serenade's massive Moonlight Greatsword, Lunalight Monsters-themed greatsword and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of moonlight blue energy, stars, moonlight, crescent moons, sheep, cats, foxes, birds, panthers, butterflies, tigers, rabbits, wolves, phoenixes, and angels, and when it emerged, it was transformed into Serenity Serenade's Haunting Moonlight Lunalight Phoenix Angel Greatsword of Crescent Moon Phoenix Haunting Moonlight Lunalight Justice, it's a brand-new massive greatsword with embedded dark blue gems and The Lunalight Monsters etched on the 7'6" massive, wide, double-edged midnight blue blade, large midnight blue wolf heads for the crossguard, large white angel faces built into both sides of the hilt and large midnight blue gems embedded in the foreheads, longer midnight black handle, four midnight blue phoenix heads with blue gems for eyes and large midnight blue phoenix head with blue red gems for eyes and a large blue red gem in its mouth on the bottom of the midnight blue phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with midnight blue gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Lunalight Wolf's head with midnight blue gems for eyes and a large midnight blue gem inside its open mouth for the belt buckle and gold versions of the other Lunalight Monsters with midnight blue gems for eyes and midnight blue gems in their mouths around the belt, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Serenity Serenade's Super Angel-Lunalight Monsters-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Vholran Igniseri saw it, he unholstered his black katana and then ran at her to kill her, but Serenity Serenade fired a massive barrage of moonlight blue energy, stars, moonlight, crescent moons, sheep, cats, foxes, birds, panthers, butterflies, tigers, rabbits, wolves, phoenixes, and angels which hits Vholran Igniseri and despite his agility, he got hit hard, he got back up, and he was now pissed off.

Serena Lunalight: (GASPS) Oh, no way! Did Serenity just…?!

Me: She did, Serena, she did!

Lincoln: You got that right, Serenity Serenade transformed into her Super Angel-Lunalight Monsters-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga, and she really pissed off that hegemonic knight, now the fight's about to begin.

Serenity Serenade: (Divine Echoing Godly Voice of The Divine Celestial Moonlight Lunalight Monsters Goddess Phoenix Angel and Divine Celestial Moonlight Lunalight Monsters Goddess Phoenix Angel Love) And it will end with his dead. Now, let's tear him to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Serenity Serenade.

Serenity Serenade and Lincoln went after Vholran Igniseri, and they fired extremely powerful blasts of rainbow energy, rainbow and midnight blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Vholran Igniseri and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Serenity Serenade also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Vholran Igniseri even madder than ever!

Vholran Igniseri: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, Vholran Igniseri, we're immortal and invincible, and we're also The Champions of The Gods. But, you, you're nothing more than a bio-engineered nihilistic control freak with a desire to destroy everything and rule the world. There is no place for you in this world or the next.

Lincoln ran with superhuman speed and grabbed Vholran Igniseri by his neck, and then, Lincoln sank his fangs into Vholran Igniseri's neck and he not only sucked out his blood, but he also assimilated his swordsmanship, unparalleled reflexes, and sovereign powers and he made them his own, and he also absorbed Vholran Igniseri into his body through physical contact with his skin. Then, as soon as Lincoln was done feeding on and absorbing Vholran Igniseri, an energy card with Vholran Igniseri's drained soul appeared in Lincoln's left hand, and he sent Vholran Igniseri to The Black Gates forever. We cheered wildly for what Serenity Serenade and Lincoln did as they holstered their massive greatswords and powered down, and Serenity Serenade' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight blue angel wings are permanent.

Serenity Serenade: Burn in The Black Gates forever, you hegemonic asshole. Thank you for helping me get rid of Vholran Igniseri forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Serenity.

Suddenly, Serenity Serenade wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Serenity Serenade's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and The Lunalight Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and the full moon in the sky shining moonlight shining down on them and we cheered wildly. Then, Lincoln and Serenity Serenade sucked in and absorbed the elemental forces and moonlight and they came back to us as the display vanished.

Lincoln: Vholran Igniseri was one villain I've been wanting to get rid of for a long time.

Nicole: No one liked him in the slightest, Lincoln, and you did the lands a favor getting rid of him.

Nico: Big time.

Me: You said it. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got two really good ones and it's another two for the Embodiments of Organization XIII: Silina Saix, Keyblade Knight of Space Paranoids and Embodiment of Saix, The Luna Diviner of The 7 Moons and Zellia Zexion, Keyblade Knight of The Enchanted Dominion and Embodiment of Zexion, The Cloaked Schemer of The 6 Illusions.

Sora: Oh man, no way, we haven't seen them in years.

Roxas: It sure has been years since we last saw them.

Michelle Emperyous: And I knew you'd pick them, Lincoln, and you guys will love meeting them as well, Silina Saix is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of the moon and she's a very good friend of Tron and his friends, and she harbors a very very nasty hatred towards Sark and the MCP, and she wants nothing more than to destroy them both and delete them from existence forever, and Silina also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII including Saix for what happened with Xion and she wants to make sure that he and all of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal

Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Selene Emperyous: And Zellia Zexion is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of illusions and she's a very good friend of Princess Aurora, Prince Phillip, Flora, Fauna, Merryweather, and Princess Aurora's parents, and she harbors a very very nasty hatred towards Maleficent for that curse she put on Princess Aurora along with what she's done in trying to drown the worlds in eternal darkness and she'd like nothing more than to kill her and send her straight to the blackest depths of Hell, and Zellia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Zexion and she wants to make sure all of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. Nico: Whoa!

Me: And Zellia is going to be glad to know we got rid of Maleficent along with the rest of her allies.

Lincoln: You said it. She never liked Maleficent in the slightest.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Nico: Great job today everyone even though this one ended on a bittersweet note we still had a great battle.

Me: And this one reminded me of something that happened on a previous adventure we had. Tomorrow I got to make a pit stop.

Nico: Okay.

Ultimate Spiderman: I'm glad we got to do this.

Nico: You and the other Spideys be ready to help us tomorrow. I have a feeling the last battle of this adventure is gonna be big.

Me: Yeah.

Ultimate Spiderman: I have that same feeling myself.

Xenia: Yep.

Spiderman: (To the viewers) WHOA! Some battle we had here huh? Hope you all liked it.

Xenia: We all did.

Nico: Lets go home.

We went and did so.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs)

And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Billy Numerous, Grand Duke's Minions, Haze Shenron, Paradox Roidmude, Plantimals and Fu (DBXV) as well as Ben 10, Alizarin Bubblegum, Mei Terumi, Tula And Hot Dog Princess and we were getting ready for a crazy, wild and funny rescue.

Me: I can't wait to get Lumpus so ticked off that he reveals who he REALLY IS.

Nico: (LAUGHS) Me too!

Girl Jordan: Yeah no kidding! That will be so fun.

Lola: Yeah it will!

Camie: This will be so fun and cool.

Ben Tennyson: It sure will be!

Carly Atlas: I'm excited for this too.

Nico: Ben, I want to thank you, Billy, and your teams for coming.

Ben Tennyson: My pleasure Nico. This will be so fun and cool.

Wallflower Blush: I agree there myself. It will be fun.

Nico: Boy this will be so funny.

Lola: It sure will be.

Girl Jordan: Yeah.

Wallflower Blush: I've got all sorts of crazy gags for him.

Nico: Cool.

Eli: We all do.

Nico: Wallflower, how are the school photos in our school going for you?

Wallflower Blush: Going really well. Check it out.

She showed us photos on her phone of all of us in one awesome Panoramic Picture hung over the School Administration Office and it was over a heart that said OUR MOST FAVORITE STUDENTS.

Me: Aw so awesome.

Lincoln: Boy good times.

Wallflower Blush: And look underneath it.

It was a massive photo of Lincoln, his sisters and all of his harem and guardian angels.

Nico: Cool!

Qin: That is awesome.

Me: It sure is.

She even showed us photos of each of us.

Wallflower Blush: You all look great.

Nico: And this time, you're not ignored.

Sunset Shimmer: That is a sure thing.

Wallflower Blush: I know and I'm also a great mother. Sorry I missed that battle.

Me: It's not your fault W.B. You were just exhausted.

Wallflower Blush: W.B.?

Me: Your initials.

Wallflower Blush: Oh right! I get it.

Xenia: That was still so fun though.

Lola: Yep.

Girl Jordan: Boy the mission yesterday had to be the most brutal ever.

Lola: You're not kidding!

Camie: I can't believe we survived that!

Nico: Me too! Ultimate Carnage REALLY was a brutal one!

Me: No kidding there. But we made it out alive.

Maria: The Shield agents he killed, on the other hand…

Me: I know. So many of them all died.

Xenia: That was awful.

Lola: Yeah.

Girl Jordan: So many casualties.

Nico: And all because they were fucking around with mother nature like that.

Spiderman: I know. That was awful.

Girl Jordan: Yeah.

Me: But Girl Jordan is the main hero of that entire mission. Because she saved not only Gwen Stacy but also she saved the entire world from a nasty Symbiote Zombie Apocalypse.

Lola: Don't forget me!

Me: I know Lola and you did a great job leading your own team.

Lola: Thanks.

Qin: Yeah that was awesome.

Me: Now all the Loud Kids have had their moment to shine.

Camie: They sure did.

Xenia: That was epic.

Wallflower Blush: It sure was.

Varie: Yeah.

Nico: It was a good thing I sent Electro and Deadpool to the Shield prison of that world.

Me: It was a gamble that really paid off.

Nico: Yep. So J.D. what was that pit stop you needed to make?

Me: It was to Howard's house. Before you joined the team. He was a kid that had a robot to date for a girlfriend. She was a synthoid named Cynthia.

Nico: What happened?

Me: We were pretty steamed with him because he did so many things just to get popularity and in the end his house exploded and his parents were pissed. Yesterday was a big wakeup call. Nick Fury yelling at the scientists triggered that.

Nico: Oh man.

Me: I went and apologized to Howard. I told him sorry on behalf of everyone and all of us.

Maria: To be fair, he DID put everyone at risk.

Me: Yeah. But everyone did get out safely.

Nico: Yeah.

Me: But he forgave us. Turns out he is not the kind of person to hold a grudge against us.

Nico: That's good. I'm glad he forgave you guys.

Me: Yeah. I gave him the money he spent on that Synthoid.

Nico: Cool cool. Lets head into the simulator.

We then went in and it activated and we were near Camp Kidney.

Nico: We're here in Camp Kidney, back when Lumpus was still "Scoutmaster".

Me: He won't be for much longer.

Lincoln: You got that right, we're going to expose Lumpus and make him show his true colors and get the scouts to see the kind of monster he really is.

Eli: This is going to be so awesome, and what'll happen with Simulator Lumpus, is he going straight to prison?

Lincoln: Ugh, no way, we've already got one Lumpus on our universe and he's put on ice forever, we're sending this one to The Black Gates.

Nico: Yeah, one Lumpus is bad enough already, two would be a nightmare. Now, let's head on over and expose that monster moose.

We got a move on and we remained in the shadows to avoid being seen by Lumpus.

Ben: It's not like we can just walk up to Lumpus and ask how he became Scoutmaster.

Me: No we got to force it out of him.

Nico: We got to use every funny method on him.

Me: And I have a plan.

I whispered to everyone and told them my plan. I will use an imitation of Lazlo and call Lumpus a bunch of terrible names and then when he comes out we go CRAZY-ASS Sampson on him. That will get him to talk.

Nico: Brilliant.

Lola: I like it.

Nico: Let's get to it.

Me: Here we go. (Clears Throat) (Imitating Lazlo) Hey Scoutmaster Lumpus! Your antlers are stupid and you know what!? You smell like boogers and raw sewage and your breath smells like cow pies and your butt smells like a toxic waste dump! (EVERYONE HEARING ME SNICKERED AT THAT ONE) AND ANOTHER THING YOU'RE UGLY AND STUPID AND YOU SMELL LIKE ROTTEN MEAT!

Nico: Hey that was really good.

Laney: You think Lumpus heard all that?

Me: 3… 2… 1…

Lumpus: WHAT DID YOU SAY ABOUT ME MONKEY BOY!? I WILL RIP YOU APART AND TURN YOU INTO BANANA PIE!

Lumpus came out enraged with fire coming out of his ears and nose!

But then…

KRASPLAT!

Eli and Lana dumped a Garbage can full of raw sewage on him!

LIGHTHOUSE FOGHORN!

Nico peeled a banana and ate it and then put the banana peel near him.

Lumpus: WHEN I GET MY HANDS ON THAT…

SQUISH!

He slid…

Lumpus: WHOOA!

SPLAT!

He slid right into a tub full of CHOCOLATE PUDDING!

PEANUTBUTTER SHORTCAKE!

All the scouts were laughing at him!

Nico then got out a whoopee cushion.

Nico put it on the ground.

Lumpus: (GROWLS) I WILL GET THAT…

LOUD FART!

He stepped on the whoopee cushion and it let out a REALLY LOUD FART!

Lumpus: OH Pardon me everyone.

But then I teleported a LIMBURGER CHEESE BOMB into his pants and pressed a button on the remote control and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

LIGHTHOUSE FOGHORN!

IT STANK SO BAD THAT IT MADE SOME OF THE CAMPERS THROW UP!

Nico got out a water balloon.

Nico: Lets get him.

Me: Yeah. (SPINS MAGISWORD BRACELET)

SLINGSHOT MAGISWORD!

Me: Fire.

We fired a massive shower of Water balloons and they were filled with raw sewage, ketchup, mustard, relish, vomit, toilet water, urine

and more.

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

All the Scouts laughed at him hysterically.

Me: Watch this one guys.

I threw my voice over to him.

Me: (Imitating Lumpus through him) Edward is the most pathetic bean scout ever and I love Lazlo more than I do him!

Edward: (INSULTED) HEY! WHY YOU STUPID!

Lumpus: I DIDN'T SAY THAT…

Edward then beat up Lumpus brutally!

Nico: (imitates Lumpus' voice) Slinkman is the worst person in the world!

Slinkman: Why you ungrateful little!

Lumpus: SLINKMAN NO I DIDN'T SAY THAT!

HE PUNCHED LUMPUS ALL OVER THE PLACE!

POW BLAM BIFF SMASH WHAM!

BASH BASH BASH BASH BASH BASH!

He bashed him with a mop!

Me: (Imitating Lumpus) Chef McMousli makes the most disgusting food in all of history! Organic food is so (LOUD FART NOISE)

Chef McMousli came out enraged and he force fed WORM FILLED SAUSAGES DOWN LUMPUS' THROAT!

Nico: I wonder what those taste like.

Lana was eating Worm Filled Sausages.

Lana: They're earthworm sausages.

Nico: Oh gross. Sorry I asked.

Me: No worries.

But then LUMPUS EXPLODED IN INTENSE RAGE!

Me: (Giddy) Here it comes.

Lumpus: THAT DOES IT! YOU ALL MAKE ME SO SICK! I HATE CAMP KIDNEY! I HATE IT HATE IT HATE IT HATE IT HATE IT! I HATE EVERYTHING ABOUT IT! I KIDNAPPED THE REAL SCOUTMASTER AND STUFFED HIM IN THE CLOSET AND STOLE HIS JOB BECAUSE I WANTED A CAMP OF MY OWN TO RUN AND BE FREE!

Everyone gasped.

Me: Bingo.

Lumpus: THAT'S RIGHT! YOU HEARD ME! I AM A FAKE! A FRAUD! I'M NOT THE REAL SCOUTMASTER!

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window and right in front of the campers and Slinkman, and then, it began to play a video compilation: it showed every last one of Lumpus' crimes and it played in full view of all the campers including Commander Hoo-Ha who was here and it also played to the Squirrel Scouts of Acorn Flats.

Needless to say, everyone was disgusted by Lumpus and were ABSOLUTELY OUTRAGED, and when the part played of how he stole the role of Scoutmaster from Heffer because he was a control freak, that did it! EVERYONE IN PRICKLY PINES AND ACORN FLATS SCREAMED IN DISGUST AND OUTRAGE AT LUMPUS!

NOW HE WAS SEEN AS THE FRAUD AND MONSTER HE REALLY IS!

Simulator Lumpus: YEAH! I LIED SO WHAT! I WANT TO BE IN CONTROL!

?: ALL YOU ARE IS NOTHING MORE THAN A FUCKED-UP MONSTER AND A PIECE OF SHIT!

Me: That's all we need to hear!

Suddenly, the spirits of the campsites of The United States appeared from out of nowhere and they converged and attacked Lumpus with blasts of elements and energy, and then, they converged and a massive explosion erupted and a Phoenix Cry and Thunderbird Screech were heard, and we appeared in front of Lumpus.

Lumpus: YOU!?

Me: Yes us!

Nico: The jig is up Lumpus! You're through!

Me: We pulled all those pranks on you and revealed your true self! Now everyone knows who you really are Lumpus.

Nico: (Imitating Lumpus) What did you think of that?

Me: (Imitating Lumpus) I thought it was funny.

Slinkman: Hey that was really good!

Simulator Lumpus: WHAT HAVE YOU ALL DONE?!

The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Me: Simply put we exposed your actions to all of Prickly Pines!

Lincoln: We always learn about our enemies before we strike: the first rule when going to war against a petty and pathetic control freak like you.

Lumpus: So what if you heard the truth? You'll never prove it to everyone else. And I'll find a way out of this. I always do. So ha! Now, why don't you run along and continue getting those fragment pieces or whatever? I got a lot of planning to top this. Maybe I'll takeover an amusement park next!

Commander Hoo-Hah: (Offscreen) NO YOU WON'T LUMPUS!

They saw Hoo-Hah and 2 policemen and insane asylum guards.

Lumpus: (GASP) Commander Hoo-Hah!?

Commander Hoo-Hah: We heard everything Lumpus! You are a disgusting freak!

We smirked.

Lumpus got out a gun and shot it at the guards.

But the gun was really a Squirt Gun.

Lumpus: WHAT THE!?

Me: I replaced your gun with a squirt gun.

Eli came back with the REAL SCOUTMASTER! It was Heffer.

Heffer: UH HUH! UH HUH! That's him Commander! That is the bad moose who locked me in the closet all summer and stole my job as scoutmaster! He fooled all of you! He's an imposter, a fake and worse… He is NO SCOUTMASTER OF CAMP KIDNEY!

Campers: WHHHHAAAAAAAAAATTTT!?

RECORD SCRATCH!

Lumpus: YEAH! SO!?

Nico: Stand down and come quietly, Lumpus. It doesn't have to be this way.

Lumpus: What? Lock me in your space prisons? Letting you torture me? Beat me to a pulp? Humiliate me? No. I have worked too hard for my work to be undone. Besides, we both know you would never someone with a job. Especially a scoutmaster!

Nico: You really think that after you just admitted you're a fraud? Besides, your schemes have almost gotten Lazlo and the rest killed most of the time. Last chance. Stand down or I'm taking you down.

Lumpus: HA! I'D LIKE TO SEE YOU TRY MONKEY FACE!

Lumpus fled into the forest.

Juran: Dammit, he could be anywhere in that forest!

Me: Don't worry.

I pulled a long ENERGY ROPE and pulled Lumpus back!

Lumpus: NOOOO!

Nico: You're not going anywhere!

But then…

ZOOOOM! WHAM!

HE GOT HIT ON THE HEAD WITH A BOWLING BALL GOING AS FAST AS A BULLET!

OUCH!

Me: Lets smash his head in!

We then bashed and pulverized him all over the place!

Nico: Wait. Who threw that bowling ball?!

Me: Not me.

Unknown to us a shadowy figure was lurking in the bushes.

?: I don't want you all to fall against that buffon. That right is mine.

Especially after all the planning I've done.

The figure disappeared in a puff of smoke.

Nico: (shrugs) Guess we'll never know.

Me: Now back to mister buttface moose.

We bashed and pulverized him all over!

Then I smashed and bashed him all over.

Me: Okay Haiku, Frosty Orange you're up.

Frosty Orange: Awesome!

Simulator Commander Hoo-Ha: And I agree. LUMPUS! You have absolutely disgraced the very honor of being a Scoutmaster! I can't believe that you had the nerve to do all that to these young scouts and caused a whole mess of trouble in Prickly Pines. As of this moment, you are hereby stripped of the title of Scoutmaster because you stole it from the rightful person!

Everyone cheered!

Simulator Slinkman: And as of this moment, I quit! Enjoy getting your antlers ripped off!

unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're through, Lumpus, you've caused too much trouble for the last time for all of Prickly Pines, and now, it's time for you to die.

Lincoln, Maggie, Frosty Orange, and Haiku went after Lumpus, and they fired extremely powerful blasts of rainbow energy, rainbow, black, and blood red energy, pale light grayish arctic blue and light arctic bluish gray, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lumpus and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on them and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Frosty Orange, Maggie, and Haiku attacked him with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Lumpus even madder than ever.

Lumpus went at Lincoln, but Lincoln kicked Lumpus high up into the air, and Frosty Orange fired blasts of ice that shackled his arms and legs, and Haiku and Maggie fired blasts of darkness at him which burned him, and finally, Lincoln channeled Black Gate energy into his massive greatsword as the 7'6" massive, wide, double-edged golden blade was glowing with black energy.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Never show your face here in Camp Kidney or Prickly Pines ever again!

SHEEN!

LINCOLN SKEWERED HIM THROUGH HIS CHEST AND RIGHT THROUGH HIS BLACK HEART!

Then, Lumpus' body exploded in black flame and was turned into moose steaks and his soul was sent to The Black Gates forever!

I was having moose steaks for lunch.

We all cheered wildly as Lincoln, Maggie, Frosty Orange, and Haiku holstered their massive greatswords on their backs and powered down, and Frosty Orange's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer pale light grayish arctic blue and light arctic bluish gray tail, long pale vermilion horn, and massive pale vermilion angel wings wings are permanent, Haiku's new body, clothes, gold halo, weapons, jewelry, Third Eye, and eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Maggie' new body, clothes, gold halo, weapons, jewelry, Third Eye, and eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Haiku: Good riddance for good, Lumpus.

Suddenly, Frosty Orange and Maggie felt wobbly and she was about to faint, but Lincoln caught them in his massive and powerful muscular arms.

Lincoln: You and Frosty Orange okay, Maggie?

Maggie: I'm a little dizzy from that.

Frosty Orange: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that monster moose quite the beatdown of his life.

Nico: Yeah, and Frosty did awesome shackling his arms and legs in case he tried to run away like a coward, and Maggie and Haiku blasted him with darkness.

Lincoln: And I delivered the coupe de grace by skewering him through his chest and black heart with my sword.

Haiku: Lumpus deserved it for his crimes.

Nico: He sure did, what a monster.

Me: Better we get rid of his Simulator counterpart than throw him in prison, we've already got one Lumpus in our universe, two of them would be a nightmare.

Lincoln: Yep, one's been locked away forever and put on ice and we got the Simulator Counterpart in The Black Gates for what he's done.

Suddenly, Frosty Orange wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Frosty Orange's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Frosty Orange sucked in and absorbed the elements.

Then, Maggie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maggie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Maggie sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Lincoln: That's it for Simulator Lumpus. But, I sensed someone was there while we were thrashing him, and he had ill intentions for us. I think it may be the last one who has the final piece of The Tablet.

Nico: If that's true, Lincoln, then that means… !

Anna Anyanova: He may also be the mastermind responsible for busting Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg out of prison and Gene-Slamming them into The Elemental Monarchs to help them get their revenge on Hilary Thestalos, Charlene Novamenova, Leina Mobius, Nika Zaborg, Gina Granmorg, Varie Raiza, Darcy Erebus, Dawn Ehther, Luna Angmarl, Alina Kuraz, and Raven Delg, and he may also be the one responsible for trying to get the other Tablet fragments!

We gasped.

Me: We'll find out later on today. Right after we take down the Anothers, we're going after the next of Quan Chi's masterpieces.

Lincoln: The Revenant version of Kitana.

Me: Boy turning him into Moose Steaks was AWESOME! (LOUD BELCH) Oh pardon me.

Nico: Sorry you guys had to see that.

Lazlo: It's okay but that was all great!

Qin: It sure was!

Nico: Sorry I insulted you, Slinkman.

Slinkman: No worries Nico but that was really good.

Edward: That was a really good imitation.

Me: Same with me. (Imitating Lumpus) I'm an irresponsible bighorned dunderhead buttface freak.

EVERYONE LAUGHED HYSTERICALLY!

Qin: (LAUGHS) That was funny!

Edward: (LAUGHS) Hey that was great!

Nico: Yeah!

Nico: (imitates Raj) (Indian Accent) I'm Raj. And I'm a marshmallow hoarder and I also love cheese from the Kafizzle River!

EVERYONE LAUGHED!

Raj: (LAUGHS) (Indian Accent) Hey that is really amazing!

Lincoln: (Imitating Patsy) Hi Lazlo, want to see what's going on at Acorn Flats?

Everyone laughed at that.

Lazlo: (LAUGHS) Great impression of Patsy there!

Lincoln: Thanks!

Nico: (LAUGHS) Yeah!

Slinkman: Boy you guys are just full of voices for that.

Me: Yep.

Eli: Now for our business.

Me: Yep. Time for our fun.

Eli: We have Grand Duke of Owls, Universe 666 Clockwerk, Owl Orphnoch, Owl Beast, Grand Duke's minions and Billy Numerous.

Me: WHOA! All Owls.

Lola: This is gonna be a Nocturnal Nightmare!

Qin: Yeah!

Nico: Who do we call for this?

Me: Thankfully not as many this time. Charlotte Cooper, Hal, Lofty Thaddeus Worthington and Riley Misaki.

Nico: Cool!

Lola: Awesome!

Maria called them in and in swirls of darkness and light came said people.

Charlotte Cooper: Hey guys!

Riley Misaki: We're ready for some action and fun.

Hal: You got that right.

Eli: I sense that the Anothers minus Billy Numerous are all one person.

But then we heard an Owl Call.

Me: Whoa hear that?

Nico: It's an owl.

We heard it.

Nico: I think that was them!

I put my hands together.

Me: (MAKES A BIRD WHISTLE)

Nico: Cool.

Fluttershy: That is a good bird whistle.

Lola: Awesome.

Then a bunch of figures came.

Nico: There they are!

We saw that they were Another Grand Duke of Owls, Universe 666 Clockwerk, Owl Orphnoch, Owl Beast and Grand Duke's minions!

Me: WHOA!

Lola: Wow this is awesome!

Another Owl Orphnoch: (In a girls voice) That was an awesome owl call. I taught you well.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with purple hair and orange eyes and had grey owl wings and she had black clothes and had a tattoo of a grew owl on her arm and she had a tiara with the symbol of the Owl Dopant on it and she had the same symbol on her skirt and she had an Owl Sword.

Me: (GASP) Olivia Owl! Wow!

Nico: Cool!

Olivia Owl: Awesome to see you again J.D.

Me: You too. Olivia is the Embodiment of the Owl Dopant and she is a very smart and wise girl and she has the power to talk to birds. Mostly owls and she has the powers of darkness and moonlight.

Nico: WHOA! That is cool!

Lola: Yeah!

Philip: Boy that is really awesome! I don't think we ever faced the Owl Dopant before.

Me: Well you have but it's a Manga exclusive Dopant. It was made in the Kamen Rider W Manga.

Philip: Oh!

Shotaro: That makes sense. But that is cool!

Me: Yep.

Camie: That is cool though.

Me: Yep. By the way is the Another Billy Numerous friendly or hostile?

Olivia Owl: Friendly and this one is full of surprises.

Nico: Wow.

Qin: This will be cool.

Nico: Sorry we have to do this.

Olivia Owl: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: YEAH!

We fired waves of energy blasts and more and blew them apart and I caught the Wonder Ride Books!

Me: Take that!

Maria: Time for backup! (TURNS DIAL) SPY FORCE 6!

She suummoned Spymaster, Morrigan Aensland, Acrobat of the Luck, Impostra, Eagle Deadman and Owl Orphnoch.

Me: Awesome!

Nico: Now, we wait.

Me: Yep. (Sees something) Nico please hit me on my head and tell me I'm not seeing double.

Nico: Why?

Me: We didn't have to wait long.

We saw a bunch of figures and it was ANOTHER BILLY NUMEROUS!

Me: WHOA!

Qin: We're surrounded!

Me: Yep.

Another Billy Numerous: (In a girls voice) Sorry for the surprise like

this.

Me: (GASP) That voice!

They merged back and she reverted back. It was a girl with green hair and had red eyes and she had dark green clothes and had green angel wings and had a tiara with the symbol of the Gene Dopant on it and the same symbol was on her skirt and she had a DNA Helix Sword.

Me: (GASP) Gina Deoxys Gene!

Nico: Cool!

Gina Deoxys Gene: Awesome to see you again J.D.

Me: Same here. Gina is the Embodiment of the Gene Dopant and she has one of the most unusual powers ever. She can clone herself as anything or anyone.

Gina Deoxys Gene: Yep. Watch.

She had slime come off her and it formed into a perfect carbon copy clone of Suien, the Rogue Ninja from the Hidden Waterfall.

Fu: WHOA! That's Suien!

Nico: WHOA! That is cool!

Philip: Yeah!

The clone merged back with her.

Zocks: (gets out Donbrothers' gear) Did Swartz promise you anything?

Kaito: Because we can grant it instead. Zenkaiju gear!

Zocks got a Donbrothers Sword and Kaito donned his Zenkaiju armor.

Gina Deoxys Gene: No he didn't promise me anything. I turned myself into a mouse and snuck out of there when he wasn't looking.

I also have shapeshifting powers.

Qin: Very crafty.

Xenia: That is sneaky.

Gina Deoxys Gene: I know. I'm what you call a female version of Dr. Muto.

Nicole: That is so cool and awesome.

Me: Yeah.

Sougo: (Gets out Zenkaiger Ridewatch) You sure you're not a Deoxys Gene Slammer?

Geiz: (gets out Donbrothers Ridewatch) Because you have the same name and abilities.

Sougo got ZenkaizerArmor while Geiz got DonMomotaroArmor.

Gina Deoxys Gene: (LAUGHS) I get that all the time but I assure you I am not a gene-slammer for Deoxys.

Sougo: That does make sense.

Me: Sorry we have to fight like this.

Gina Deoxys Gene: No worries.

She turned into Another Billy Numerous.

Nico: Time to see double! (ACTIVATES BILLY NUMEROUS' RIDEWATCH)

He made 1080 clones of himself!

Nicos: AND NOW THIS! (ACTIVATES GRAND DUKE'S MINIONS RIDEWATCH)

He fired waves of darkness and smashed her all over.

May: Try this one! (ACTIVATES HAZE SHENRON AND PARADOX

ROIDMUDE'S RIDEWATCHES)

She fired a rainbow blast of energy and blasted her down.

Maria: Top this! (ACTIVATES PLANTIMALS AND FU'S RIDEWATCHES)

She fired waves of energy and acid and smashed her down.

Me: Take that!

Wallflower Blush: Time for some darkness! (ACTIVATES GRAND DUKE'S MINIONS RIDEWATCH)

She fired waves of darkness and smashed her down.

Then Multiple Man, Star Creature, Sumo Wrestler Army, Dark Kamen Rider Drive, Land Pollution Vice Minister Hiramechimedes and Hydra (Hercules) came.

Nico: Nice team Multiple Man!

Multiple Man: Thanks Nico!

Nico: Awesome!

But then a bomb flew in and landed by Another Billy Numerous and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted her down and she was back to normal and then I caught the ridewatch and purified it.

Me: WHOA!

I brought Gina over.

Me: Who did that!?

Nico: Bugs doing a bomb gag?

?: No that was me.

We saw BOMB MAN!

Me: Bomb Man!? Whoa!

Bomb Man 2: (In a girls voice) Sorry about that guys.

Nico: Brie Bomb!? Cool!

Bomb Man 2: Awesome to see you again Nico.

Nico: You too. Let me guess, naked?

Bomb Man 2: Yep.

Me: Oh boy.

Nicole: Anyone peeks and I'll gouge your eyes out and shove them so far down your throat that you'll be pooping them out your butt.

Nico: (GULP)

I put on my blind man glasses.

Me: It's going to hurt just so you know.

Bomb Man 2: I'm ready.

The boys covered their eyes. I snapped my fingers.

She doubled over in pain and then vomited bombs all over Edward and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded and burned Edward all over and was HURT REALLY BAD!

Edward: I'm okay!

Brie was back to normal and she had black hair and red eyes and black angel wings and had a bomb symbol in the middle of her forehead.

Brie Bomb: (GROANS) That really hurt. (Sees herself) GAH! I need some clothes!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her an awesome all black clothing ensemble.

Varie gave her a mirror.

Brie Bomb: Oh wow! I look awesome!

Rarity: You're welcome.

Wallflower: What's your favorite memory of Nico?

Brie Bomb: I am known as the Demolition Queen. One time me and Nico were at a Demolition Derby and I had an awesome armored car with all kinds of weapons and blew the competition away by blasting them with missiles.

Nico: Yep.

Qin: That was so explosive.

Lola: That is cool!

Brie Bomb: Boy it sure was.

Nico: Yep.

Nico and Brie hugged.

Nico: I've missed you Brie.

Brie Bomb: Same here Nico.

We left the Simulator and everyone cheered wildly for us.

And we had the whole team with us, since we got ourselves a huge emergency, and we also brought The Masters of Evil with us.

Lincoln: Whoa, we're here in Morocco, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're face the second of Quan Chi's revenants: the Revenant version of Kitana, and we're going to break Quan Chi's spell and free her.

Liu Kang: We've defeated my revenant yesterday, but even without him, the other Revenants are still as dangerous as ever.

Eli: Which is why we can't show them any mercy.

Lori: And since we're going after the Revenant version of Kitana, we're in for a serious challenge.

Lincoln: That's right, Lori.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's crisscross orange straps on his chest harness and orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold as Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Kitana: Now, we must hurry to find my Revenant.

Lincoln: Right, Kitana.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed.

Lincoln: Oh, you've got to be kidding me! FLIP!

Suddenly, we saw three massive armies of Flip's musclebound thugs charging at us like stampeding bulls, and they were all out for blood.

Nico: Flip, I'll tear your crotch out for this!

Vypra: That mutant's getting such a castration for this!

Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the first wave of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Then, I fired vacuum tubes from my chest which latched onto the chests of the second wave of Flip's massive army of hulking muscled thugs, and the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora tips spread out and glowed and my halo glowed and I really grew even stronger. When I was done, the vacuum tubes had detached themselves from the chests of the thugs and went back into me, and the thugs were now weak and thin as a rake and I fired a powerful blast of fire and incinerated them leaving them as ashes.

Finally, Nico fired vacuum tubes from his chest which latched onto the chests of the third wave of Flip's massive army of hulking muscled thugs, and the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of their massive muscle mass and it was being pumped into Nico and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive dark blue angel wings with dark blue tips spread out and glowed and his halo also glowed and he also grew even stronger. When Nico was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Nico, and the thugs were now weak and thin as a rake and he fired a powerful blast of fire and incinerated them leaving them as ashes.

Girl Jordan: Honestly, Flip's going to go way too far one day!

Lincoln: He'd better be ready for another thrashing!

Suddenly, we saw a beautiful and super sexy girl with long dark blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and Moon Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, moonlight, Keyblades, and angels on the coattails and on the back is The Grid and in her right hand is the Photon Debugger Keyblade.

And the second is a beautiful and super sexy girl with long dark blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and Magic Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, magic, Keyblades, and angels on the coattails and on the back is The Enchanted and in her right hand is the Fairy Star Keyblade, and with them are the ten girls.

Silina Saix: That's right.

Zellia Zexion: And we got the girls away from Kitana's revenant and Boss Cass took off again.

?: RAIDEN!

We then saw our target, the Revenant version of Kitana, and she was out for Raiden's head.

Sylvester: Oh boy, here she comes now!

Lincoln fired gold spider silk webs that tied him up, and then, he chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Revenant Kitana and purified her freeing him of Quan Chi's curse and Shinnok's dark influence. We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Alternate Kitana: W-what happened?

Kitana explained everything to her alternate self, and she was horrified by what she'd done.

Alternate Kitana: I can't believe what I've done. I let my anger and jealousy blind me, and even worse, I turned against my own comrades and cost them their lives, and I betrayed Raiden and the Elder Gods. I am filled with so much regret.

Lincoln: This wasn't your fault, it was Kronika's lies along with the dark actions of Quan Chi, Shinnok, and Shao Kahn from your timeline that this happened to you.

Alternate Kitana: But, still, what I'd done can never be forgotten. (To Kitana) There is something I need you to do, Kitana: I need you to assimilate me. You'll not only have my powers, but you'll also have knowledge of everything we'd heard from Kronika. This is the only way I can redeem myself.

Kitana: I understand.

Kitana went up to her alternate self and she placed her hand on her head, and then, Alternate Kitana glowed with bright green light as she was assimilated into Kitana and she assimilated all her alternate self's powers and knowledge. Suddenly, a massive tornado of blue energy and winds exploded out of her and surrounded her, and two blue dragons flew around the vortex. Then, the vortex faded and Kitana emerged.

But, she underwent quite a powerful transformation: she now had glowing neon blue dragons on her arms and stomach, blue highlights in the bangs of her long dark brown hair put in a ponytail, necklace of blue gems and blue gem pendant, and she has on her past self's outfit from Mortal Kombat 11, and she also now has massive black angel wings with blue tips on the black feathers.

Nico: That was incredible!

Kitana: Just like what Liu Kang did in assimilating his alternate future's self along with his powers and knowledge, I also did the same with my alternate future's self. Kronika will not get away with this, when the time comes that we face her, she will die, and the same will go with Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, Kollector, and Bi-Han.

Lincoln: That's right, Kronika's done enough damage to too many timelines in her madness to create a New Era and Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, Kollector, and Bi-Han have caused enough damage to Outworld and Earth, and they will answer for their crimes. (To Silina Saix and Zellia Zexion) And it's so good to see you both again, Silina Saix and Zellia Zexion.

Silina Saix and Zellia Zexion: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, girls.

Lincoln went up to Silina Saix and Zellia Zexion and he hugged them, and Silina Saix and Zellia Zexion are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Silina Saix: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Zellia Zexion: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon

with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these two sexy hot mamas?

Lincoln: Indeed I do, J.D, the first girl is Silina Saix, Keyblade Knight of Space Paranoids and Embodiment of Saix, The Luna Diviner of The 7 Moons, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of the moon and she's a very good friend of Tron and his friends, and she harbors a very very nasty hatred towards Sark and the MCP, and she wants nothing more than to destroy them both and delete them from existence forever, and Silina also harbors a very very nasty hatred towards ALL THE MEMBERS of Organization XIII including Saix for what happened with Xion and she wants to make sure that he and all of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Michelle Emperyous: You got that right, and she came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: That's so awesome.

Lincoln: And the second girl is Zellia Zexion, Keyblade Knight of The Enchanted Dominion and Embodiment of Zexion, The Cloaked Schemer of The 6 Illusions, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of illusions and she's a very good friend of Princess Aurora, Prince Phillip, Flora, Fauna, Merryweather, and Princess Aurora's parents, and she harbors a very very nasty hatred towards Maleficent for that curse she put on Princess Aurora along with what she's done in trying to drown the worlds in eternal darkness and she'd like nothing more than to kill her and send her straight to the blackest depths of Hell, and Zellia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Zexion and she wants to make sure all of them pay for their crimes.

Selene Emperyous: She really hated that witch for what she did in casting that curse on Princess Aurora, along with Organization XIII. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. Me: Wow, that's really powerful, and you don't have to worry, we sent that witch along with the rest of her allies to The Black Gates during Zarya's mission with Zocks and his team last year.

Zellia Zexion: Good riddance.

Lincoln: You said it, and now that you two are here.

Lincoln went up to and hugged Silina Saix in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Silina Saix: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on Silina Saix and Zellia Zexion's necks with blue gems on the gold lightning bolts and blue crystal links from their merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Zellia Zexion: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Silina Saix and Zellia Zexion.

Silina Saix and Zellia Zexion had a smile on their face and tears in their eyes and they then pounced on Lincoln and they proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them immediately. The ten girls are Mafuyu Oribe, Ekaterina Kraeva, Elizabeth, Fumika Mitarai, Jita Phrygianos, Lulu Shiizaki, Miyuki Seta, Miyuri Tsujidō, Tsubasa Amano, and Yumie Hiiragi from Seikon no Qwaser.

Lincoln: And they were here in Morocco and thank goodness our Keyblade Knights got them away. Are you girls okay?

Mafuyu Oribe: Yes, we're okay, thanks to you.

Maria: And now, we've taken down the second of Quan Chi's revenants.

Lincoln: Yeah, we've still got the Revenant versions of Kung Lao, Sindel, Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero to stop, and then, we get after Boss Cass before he does something even more dangerous.

Me: I'm gonna rip that dirty cassoway's head off for this!

Nico: Save seconds for all of us, J.D., he's not getting out of this alive!

---

After purifying Revenant Kitana and Kitana assimilated her, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Silina Saix and Zellia Zexion saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Silina Saix: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and

powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Zellia Zexion: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Silina Saix: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Zellia Zexion: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Silina, Zellia, what memories did you have with Lincoln?

Silina Saix: We were hoping you'd ask that. Well, one time, Lincoln, Zellia, and I along with the rest of his Guardian Angels and harem were at Clyde's house and we were helping Clyde babysit his cats while his Dads were out of town with his Nana Gayle. But, then, we suddenly saw a bunch of hulking musclebound thugs outside, and boy, were they out for blood.

Zellia Zexion: But, that wasn't the worst part, suddenly, we heard the familiar sound of a loud belch in the air along with catching the smell of B.O., farts, and smelly feet, and we knew who it was that had those sorts of characteristics: that aggressive, belching, farting, rude pig of a sister, Lynn, and we put two and two together, and we found out that mutt was the one who hired those thugs to kill Lincoln, Clyde, and all of us. We weren't going to tolerate it, I created an illusion to make the thugs see nothing but money all over the place, and Silina and Lincoln went after that four-legged freak and they beat her senselessly into the dirt, tied her up, and threw her back to The Loud House, where she got grounded for nineteen weeks and thrown in a metal container.

Nico: That was a genius move you did using illusions to distract the thugs while Lincoln and Silina went after the culprit behind it.

Me: I was really fed up with Lynn, so I resorted to painful discipline by paddling her with a wooden paddle, but it didn't work since her butt basically broke the paddle. Damn her butt exercises!

Nico: You should've used a steel paddle on her, if wooden paddles break because of her constant butt exercises, then, steel paddles will make her butt bleed.

May: We should've done that long ago. Oh, and as for those hulking musclebound thugs Lynn hired, turns out they had criminal records that were extensive and they're a bunch of thugs working for one of Colorado's infamous drug dealers, so Lincoln bit all of them on their necks and he sucked out their blood, massive muscle mass, and great physical strength, and he also absorbed them into his body by sprouting out Cell's tail and he stung them on the chest with the stinger and absorbed them until their clothes were left.

Varie: That explained why Lincoln grew much bigger in muscle mass and even more stronger that day. Ugh, Lynn!

Luna: Lynn still wanted Lincoln, his harem, and Guardian Angels dead, and the same went with Lori, Lola, Lisa, and Luan, but we warned them numerous times, but they had their heads too far up their butts to listen to reason. We wanted Mom and Dad to call the cops and send them to prison, and we held that threat in our minds.

Me: But, if they find out, they'd go after all of you for revenge.

We got a shower, and then, Lincoln, Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto are heading to Beach Bowl Galaxy.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Lucy Heartfilia: Wow, so this is Beach Bowl Galaxy, it sure is awesome.

Lincoln: It sure is, Lucy, and it's perfect for our first date. Shall we?

Lincoln, Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Ripple Field, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fivr Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Lucy Heartfilia, Simulator Riana, Simulator Ami Mizuno A.K.A. Sailor Mercury, Simulator Rei Hino A.K.A. Sailor Mars, and Simulator Trista Meioh A.K.A. Sailor Pluto, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

(TREASURE TROVE COVE BY BANJO KAZOOIE PLAYS)

At the beaches of the Alola Region in the Maldives was all of us. We were relaxing and having fun.

All the girls were in their swimsuits and smoking hot bikinis.

Me: Ahh this is the life.

Akiza: After a whole mission of killing zombies, we've earned this.

Nico: Boy you said it Akiza.

Girl Jordan: Yeah no kidding.

Lola: I love a good session of relaxing at the beach.

Lincoln: Boy who doesn't.

Lana: Yeah.

Everyone was surfing, building sandcastles, collecting seashells, digging for buried treasure, playing volleyball and more.

Camie: A perfect way to enjoy the awesome fun of the summer season.

Me: You got that right.

Yusei: Are the mascots diving underwater?

Me: Yep.

The Mascots came back up with a treasure chest!

Poromon: Look what we found.

Nicole: Awesome!

They brought it over and opened it and in it was a big bunch of jewels!

Me: Cool! Awesome treasure guys.

Manaphy: Thanks Nicole.

Cybertron Ransack: Did you guys run into any bad fish?

Poromon: Nope.

?: Boy that is an awesome treasure haul.

We saw a girl with yellow hair and blue eyes and had red clothes and had red angel wings and she had a tiara with the symbol of the JAKQ Team on it and the same symbol was on her skirt.

Me: Oh and you are?

Jackie: My name is Jackie Arlene Kira Quintanilla and I am the Embodiment of the J.A.K.Q. Team from 1977.

Nico: Cool! Awesome to meet you Jackie.

Lola: Same here.

Tailgate: Tell us more about yourself.

Jackie: Sure. I am a big time Casino Gambler and I have been known to have one of the biggest winning streaks ever and I won all the money of one of the hotels in Las Vegas. I don't know which one. But it's true.

Me: Cool!

Qin: That is amazing.

Jackie: It sure is.

Nico: Awesome. Would you like to join the team?

Jackie: I would be truly honored.

---

We came back home.

Cybertron Crumplezone: That was a fun time at the beach!

Me: Yeah it was!

Nico: Nothing like a little fun at the beach to take some stress off.

Me: You said it.

Camie: That was so fun.

The previous group came.

Larxene: Can me, Marluxia, Demyx, Saix, Zexion, Vexen, Xigbar, Vanitas, Robo Blaze and Dr. Light go with you guys?

Nico: Yes you all can go with us.

Lola: We only have 1 last fragment to find.

Me: Yep.

Camie: Whew! That was an awesome series of adventures.

Saix: No kidding. Did you guys get back from the beach?

Me: We sure did. Had a lot of fun.

Lola: Yep.

Zexion: Cool.

Blitzwing: Boss, which Gene Slammer do you think you'll meet next?

Nico: Fire Man.

Me: Ooh! A Hot one.

Nico: And the next Embodiment will be for Battle Fever J.

Me: Cool! 1978's Super Sentai Team.

Lola: That will be awesome.

Nico: Yep.

Then, Madame Web had appeared.

Me: Madame Web, we're ready for the next mission to retrieve the final piece of The Tablet of Order and Chaos.

Madame Web: Excellent. The final piece of The Tablet is located on Shattered Dimensions Earth, and it's in the hands of the Shattered Dimensions version of Mysterio.

Lincoln: So, it's in the hands of that version of Quinton Beck. Hmm.

Nico: What's wrong, Lincoln?

Lincoln: It's all coming together now, from what we'd seen on each adventure, each fragment of The Tablet of Order and Chaos gave each of the villains we faced on Noir Earth, 2099 Earth, Ultimate Earth, and Shattered Dimensions Earth some incredible powers: The Tablet Fragments on Noir Earth gave Noir Hammerhead the ability to fuse his guns to his arms and it transformed them into a

21st century rocket launcher and machine gun, gave Noir Vulture the ability to teleport in a puff of feathers and he became uglier than he already, and gave Noir Goblin a monstrous appearance with super-strength and durability, but has a large glowing hump on his back that is very vulnerable.

Me: WHOA!

Me: Yeah.

Lincoln: Then, on 2099 Earth, The Tablet Fragments there gave 2099 Hobgoblin the power to create red duplicates of himself while his psy power is active and create a defined space in which he makes illusions, it gave 2099 Scorpion the ability to create miniature minions that resemble him that hatch form eggs spewed form his tail acid, and it gave 2099 Doc Ock the ability to control any kind of technology with her mind.

Nico: Those were tough.

Lincoln: Then, on Ultimate Earth, The Tablet Fragments there increased Ultimate Electro's ability to absorb electricity, allowing him to become a giant being made of energy and create multi-colored feral electrical minions, and take control of trucks and drive them by pure thought, it gave Ultimate Deadpool the ability to create clones of himself, and it gave Ultimate Carnage the ability to turn those he drains the life force from people into zombified minions, which eventually mutate into feral beasts similar to him.

Girl Jordan: Those were even tougher and one of them led to a horrifying apocalypse with Ultimate Carnage.

Lincoln: Yeah, and on Shattered Dimensions Earth, The Tablet Fragments there gave Shattered Dimensions Kraven the Hunter super-speed, it enhanced Shattered Dimensions Sandman's powers to control sand is enhanced, but his psyche began to fragment after spreading his consciousness too thin to control the sand which lead to multiple consciousnesses, and it gave Shattered Dimensions Juggernaut ridiculously enhanced strength on top of his normal strength, but the Crimson Gem was at ends with the fragment's power, leaving his defense weak in exchange. (Realizes something)

Which means, the last fragment's in the hands of Shattered Dimensions Mysterio. (GASPS) Oh shit.

Eli: I'm not liking that.

Lincoln: Me too, but it's true. This means it'll give him the power to create real illusions and he's the mastermind behind what's happened the past fourteen days, he's after The Tablet of Order and Chaos so he can shatter the fabric of space to rule the world, and he's also the one responsible for busting Henry Thestalos, Charles Novamenova, Logan Mobius, Nicholas Zaborg, George Granmorg, Vance Raiza, Damian Erebus, Douglas Ehther, Logan Angmarl, Aaron Kuraz, and Robert Delg out of prison and Gene-Slammed them into The Elemental Monarchs to kill Hilary Thestalos, Charlene Novamenova, Leina Mobius, Nika Zaborg, Gina Granmorg, Varie Raiza, Darcy Erebus, Dawn Ehther, Luna Angmarl, Alina Kuraz, and Raven Delg.

Hilary Thestalos: (GASPS) So, that way, we'd be out of the way! That bastard! HE'S FUCKING DEAD!

Raven Delg: I WILL RIP HIM LIMB FROM LIMB FOR THIS!

Spiderman: Ooh boy, he riled up some of your Guardian Angels, and now, he's going to get his butt handed to him.

Lincoln: It's okay, Pete. But, now that we know who the mastermind is, we have to stop him once and for all before it's too late.

Me: I agree there!

ALARM BLARES!

Me: Uh oh!

I went to the computer and it showed that Madame Web was in trouble!

Me: OH NO! We got trouble at Madame Web's Apartment!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy,

Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Heaven Ascension DIO, the main antagonist of JoJo's Bizarre Adventure: Eyes of Heaven, and he's the version of Dio Brando in a universe where he won against the Joestars and became a god-like figure, and he's come here to kill us all and rule the universe. When we saw it, we knew it meant trouble.

Lincoln: Oh, you've got to be kidding me!

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone I thought we were finally rid of a year ago, you remember when Colleen Gallagher and I destroyed Dio Brando after we defeated Justice Lord Wonder Woman?

Jolyne Kujo: Oh yeah, we remember.

Lincoln: Well, you're not going to like this person one bit: the dark energy we sensed belongs to Heaven Ascension DIO, the main antagonist of JoJo's Bizarre Adventure: Eyes of Heaven, and he's the version of Dio Brando in a universe where he won against the Joestars and became a god-like figure, and he's come here to kill us all and rule the universe.

We gasped.

Me: Oh great, as if one Dio Brando wasn't bad enough, now, there's another version of him who became a god-like figure after winning against the entire Joestar bloodline?!

Celestia Eatos: That's it, you're turning him into your next meal, right, Lincoln?

Lincoln: You bet I am, but first, we got to stop Shattered Dimensions Mysterio.

Nico: Exactly what I was thinking. Alright, gang, let's go, we're heading to Shattered Dimensions Earth to take down Shattered Dimensions Mysterio and take back the last fragment of The Tablet of Order and Chaos.

Lincoln: You're not getting away with this, Shattered Dimensions Mysterio, you may have planned all of this from the beginning, but now that we know you're the mastermind behind all this, you're going to be taken down for good and you're going straight to jail forever, and once we get done with that egomaniac, you're next, Heaven Ascension Dio.

Celestia Eatos: You're not getting out of this, you power-hungry God wannabe, we'll put you down for good just like with Dio Brando, right after we deal with that egomaniac.

Lincoln put up a rainbow energy field around The World Tree Estate and we head to Shattered Dimensions Earth to retrieve the final piece of The Tablet of Order and Chaos and take down Shattered Dimensions Mysterio and send him to prison, and once we got done with that egomaniac, Lincoln and Celestia Eatos are going to destroy Heaven Ascension Dio.

We were off to Madame Web's Apartment.

---

We arrived.

Madame Web: Thank you all for coming.

Marluxia: It was our pleasure, Madame Web. Damn, we've really been collecting a lot of fragments.

Me: Boy no kidding! The one with Carnage was a truly brutal one.

Girl Jordan: Yeah that was amazing though.

Madame Web: And you all did a magnificent job collecting all of them. Sadly I'm afraid we have problems.

Skull Man: I know. The last fragment is still out there.

Ultimate Spiderman: But we got all of them in our worlds, right?

Noir Spiderman: Again, one fragment is left.

2099 Spiderman: So, where is it?

Shattered Dimensions Spiderman's Spider Sense tingled.

Shattered Dimensions Spiderman: EVERYONE, GET DOWN!

We all ducked and I formed a force field as the wall of the apartment exploded.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The wall exploded!

A familiar bubblehead appeared.

Then we saw that it was QUENTIN BECK A.K.A. MYSTERIO!

Shattered Dimensions Mysterio: Ah, Team Loud Phoenix Storm! Thank you for doing all the hard work for me!

Me: Quentin Beck A.K.A. Mysterio! I had a feeling it was you next!

Shattered Dimensions Mysterio: I'm impressed that you know about me J.D.

Me: Nice entrance by the way.

Shattered Dimensions Mysterio: Thank you. Did you like my little present I gave to that moose Lumpus?

Me: You're the one that threw that bowling ball!?

Shattered Dimensions Mysterio: Of course. Can't let Lumpus have all the fun. Most of it should be saved for me.

Me: So I see.

Shattered Dimensions Mysterio: And also I should thank you all for getting rid of 2099 Hobgoblin, the Noir Villains and Ultimate

Carnage. I never liked those guys.

Me: That is one thing we can agree on. I HATED ALL three 5 of those douchebags.

Shattered Dimensions Mysterio: I agree too. And young Girl Jordan hated Carnage too. Congratulations destroying him.

Girl Jordan: Thanks.

Me: One thing is for sure though. These fragments of the tablet have given us one helluva challenge. It made many of Spiderman's major enemies more powerful than anything we faced.

Lola: Yeah they sure did.

Qin: I'll say!

Shattered Dimensions Mysterio: Indeed they have.

Ultimate Spiderman: The last fragment! You have it, don't you?!

Shattered Dimensions Mysterio: Indeed I do.

2099 Spiderman: Aw, shock. Don't tell me you used us to get the rest of the fragments for you!

Shattered Dimensions Mysterio: Without you all knowing it. At first, I thought of taking your mentor hostage. But then, I know you probably wouldn't have agreed to it if you knew I was out in the open.

Me: I had a feeling we would be used like this iin your dirty work! Quite frankly, I Knew this was your handiwork!

Noir Spiderman: You're diabolical, you know that?

Shattered Dimensions Mysterio: Thank you. Now, if you would kindly hand over the rest of the Tablet for me.

Demyx: Like we're gonna do that!

Me: Ha you think it's going to be easy don't you.

Shattered Dimensions Mysterio: (laughs) Oh, you don't have to do anything. The Tablet will decide for itself. I'm glad we got to have a nice little chat. Now the time has come!

He held out his fragment and the Tablet in Nico's hand started to get close to it.

Shattered Dimensions Mysterio: Why so worried? You probably have a plan for this, don't you?

Nico: Unfortunately, no!

Shattered Dimensions Mysterio: Too bad for you then! Check and mate!

The Tablet then reassembled itself in Mysterio's hands. Then he got highly immense power from the completed Tablet.

Me: WHOA! WHAT POWER!

Shattered Dimensions Mysterio: POWER! BEYOND THAT OF A GOD!

His body grows in frightening size as he starts glowing with godly mystical energy.

Shattered Dimensions Mysterio: THE WALLS OF REALITY CRUMBLE BEFORE ME! BUT WHY BE SO HASTY? IT'S ONLY FAIR I TEST MY NEW POWER OUT!

And in a blink of an eye, the super-sized Mysterio completely shatters the very fabric of this universe, transformed into a powerful god-like being with powers over reality itself. This entire universe is in ruins. Everything has crumbled away into floating debris. Almost nothing is left, save for us and Madame Web standing on top of the ruins of her apartment.

HE WAS AS BIG AS A KAIJU!

Madame Web: The web of reality - the tapestry of the universe - is unravelling!

Shattered Dimensions Mysterio: YES! A UNIVERSE TO REMAKE IN MY IMAGE! BUT TO BE ON THE SAFE SIDE, I'LL MAKE SURE TO DESTROY YOU ALL! AND THEN, I WILL DEVOUR EVERY DIMENSIONS UNTIL ALL IS MYSTERIO!

King Kai: (in our heads) Don't worry. Me, Paradox, and Clockwork are ensuring that the rest of the universes are protected!

Me: (Telepathically) Thanks King Kai.

Nico: We got to stop him!

Me: Just because he played us for a bunch of fucking patsies doesn't mean we're going to give up! Right guys!?

All of us: RIGHT!

Madame Web: Our last chance! All of you, TOGETHER, are reality's only hope!

Shattered Dimensions Spiderman: No pressure, right?

Noir Spiderman: Got nothing better to do.

2099 Spiderman: I'm sure with all of us working together, there's no way we can lose! Mysterio doesn't know what he's up against!

Ultimate Spiderman (sarcastically): Yeah. I've always wanted to fight someone with the powers of a god.

Tarantulas: Not without us, you won't!

Me: We've come too far to give up!

Nico: And I already just devised a plan for it!

Maria: Really? What is it?

Nico: J.D. you teleport us to Glaren and then grow to his size and battle him and give a distraction. The rest of us will attack him all over.

Me: Right!

The entire universe has shattered. Multiple dimensions have been teared apart into pieces that are floating in a cosmic space of nothingness. The malevolent being behind the destruction of reality is the colossal Master of Illusions, Mysterio. He has gained godlike powers from the Tablet of Order and Chaos, turning him into an Arcane God of Destruction that wants nothing else but to destroy the multiverse and remake it in his image, and his image alone.

Shattered Dimensions Mysterio: I COMMAND REALITY ITSELF!

Noir Spiderman: You don't need to get a swelled head about it.

The hero that mocked the arcane god is none other than Spider-Man, but not the Spider-Man he is familiar with, but the Spider-Man from the Noir Universe. Standing together with his new friends and teammates, Jack Landors, Ace, Kairi Yano, and Keiichiro, Lupin, Sento, Legion Superman, Scott, Tracer, Animated Optimus, Live Action Optimus, Wataru, Jun, Connor, Zatch and Kiyo, Jason Jenkins and Kong, Ultimate Alliance Iron Man, Ness, and Jason James, they consist of the first of the last resistance against Mysterio if they hope to defeat him and save all the universes from his wrath.

Saix: This is the first step of your plan, right?

Nico It sure is! Alright, Noir Spidey. You and the others do what you do best and make sure he doesn't see you!

Noir Spiderman: Right.

I teleported us to Glaren and then I grew to his size and I was ready.

Me: Okay Bubblehead! Lets Rumble!

Shattered Dimensions Mysterio: Gladly!

He fired energy blasts at me and I dodged them and fired energy blasts and blasted him all over and they hit him and blasted him all over!

I teleported and punched him right in his face and slashed him with my sword.

Shattered Dimensions Mysterio: So you want a sword fight huh?

He formed a purple energy sword of darkness!

Me: Cool sword.

Shattered Dimensions Mysterio: Why thank you.

We then clashed!

Luan: What can we do? Sorry to say, but how can we hurt him? He's become a god. No joke.

Lucy Loud: He may have become a god, but that doesn't mean he's any smarter. Mysterio is not used to having this much power and decides to play with it like a child. For instance, he's still wearing that ridiculous helmet that's so obviously a weak spot. That's our goal, if we can reach him.

Shattered Dimensions Mysterio: WHERE ARE YOU, LITTLE SPIDER? IT'S NOT LIKE YOU HIDING LIKE A COWARD WITHOUT MAKING A PATHETIC JOKE! COME OUT AND FACE YOUR GOD!"

I kicked him!

Me: Less talking more fighting bubblebutt!

Noir Spiderman: That's it! Mysterio is not used to a Spider-Man that prefers to fight from the shadows. We can use that to our advantage as we get closer to attack his helmet.

Lana: Alright. Let's press the advantage without alerting him to our presence.

They agreed!

I clashed him and slashed him across his chest and punched him in the crotch and leg swept him and kicked him in the back and punched him down.

Nico: Boy J.D. is doing really well against him. For someone that's only half of Mysterio's power he is doing well.

Goku: He sure is Nico. I'm proud of J.D.

Nico: We all are Kakarot.

Team Noir starts making their move towards the gigantic Mysterio, zipping across several floating platforms when he's not shining his light on reality.

Noir Spiderman: Lana. Luan. Lucy. Thank you for everything. Not only is my world free from Osborn's reign of terror. But you three taught me a valuable lesson in teamwork, friendship, and trust.

Lucy: We're glad we could help you.

Luan: Yeah it was awesome.

Lana: It sure was.

POW! BLAM!

I punched him really hard!

Noir Spiderman: Damn! It's a good thing J.D.'s keeping him distracted or he would've spotted us by now!

Lucy Loud: No kidding.

I punched Mysterio in the stomach and kneed him hard.

I kneed him square in the crotch and punched his ball like a punching bag!

They winced seeing that!

DING!

I flipped and smashed his face in the helmet!

Nico: Whoa nice one.

Noir Spiderman and team used the shadows of the rocks and mountains of Glaren.

Shattered Dimensions Mysterio: YOU DARE TO DEFY ME? ME?! WHO HAS BECOME ONE WITH ALL OF CREATION?!

Blackarachnia: That sounds about right!

Shattered Dimensions Mysterio: WHA-?!

Just as Mysterio turn to the quip, his face got webbed by Spiderman Noir as he tries pulling him into their assault.

Noir Spiderman: (to Lana, Luan, and Lucy) You guys attack him now! But make sure phase 1 ends with a blow to his helmet!

Lucy: Right!

They fired waves of light, darkness and ice and blasted his helmet in a massive and powerful fiery explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Mysterio screams in pain as he holds onto his cracked helmet. Mysterio falls into the void with Team Noir joining him for the ride.

Spidey Noir: Alright, Kid Spidey! Your team's up!

Zexion: Teach this version of Mysterio a lesson!

Ultimate Spiderman: With pleasure! Lets go!

Mysterio got up.

Shattered Dimensions Mysterio: By the way J.D. is it true that Paul had his own version of me in his Sinister 6?

Me: Every single word of it. Our prime universe version of you really was in his Sinister 6. Hired to kill us all.

Shattered Dimensions Mysterio: I see. I never liked that kid. He had a really nasty attitude problem. Neither did his brother Reggie. What a nasty punk.

Me: That's another thing we can agree on. We both hated that rotten egg Paul.

While falling into the ultimate version of Mysterio's new reality, Team Noir seemingly transform into the members of Team Ultimate, consisting of Ultimate Spider-Man, Lincoln, Tai Kamiya, Andros, Marcus Damon, Mikey Kudo, Emu, Michael, Leni, Jayden, Randy, Kermit, Rango, Tsukasa, Ikki and Vice, Lola, Shane, Dan, Kai, 2012 Leo, Kouta, and Artha as they all land on a floating platform surrounded by numerous floating debris, and of course, the gigantic Mysterio in front of them.

Ultimate Mysterio: BEHOLD… NOW THE TINIEST SPIDER OF ALL STANDS AGAINST ME WITH HIS MUSCLEBRAIN SIDEKICKS!

Ultimate Spiderman: Hey. I'm sensitive about my height, okay?

Leni: He's not that tiny, is he?

Lincoln: No, he's not, Leni.

Lola: We're smarter than we look, bubblehead!

Lincoln: Yeah!

Ultimate Spiderman: Lincoln. Leni. Lola. Thanks for everything. You guys helped me a lot about being a hero. And you made sure the Black Suit didn't take control of me.

Lincoln: It was our pleasure and your black suit is really awesome.

Leni: It like is totes amazing.

Lola: We all think so.

Ultimate Spiderman: I'm glad you think so. Lets do it.

Shattered Dimensions Mysterio: THERE IS NOTHING THAT I CANNOT SUMMON!

Mysterio uses his limitless energy to conjure up a horde of mindless purple creatures for them to play with.

Me: WHOA!

Lola: What are these, your dolls? They're not my type! (throws fireballs at them)

Leni: Is that the best you've got?

Ultimate Spiderman: Keep 'em coming! We can do this all day!

Lincoln: I'm just warming up!

They fired waves of lightning, fire and gravity and blasted the creatures.

Me: What kind of creatures were those you summoned?

Mysterio: They are called the Mindless Ones. They make good minions for me.

Me: Very interesting.

I kicked him in the stomach and knocked him down.

Ghuul: Heads up! He's up to something!

Shattered Dimensions Mysterio: I HAVE SOME OLD FRIENDS FOR YOU!

Mysterio then mystically sends out several purple orbs hovering over the platform, summoning purple copies of the various villains they have fought throughout our adventures as well as this one. ME: WHOA! All of our major enemies Ivan Ooze brought back and that all of us faced on our big missions!

Nico: Doppelgangers of them!

Me: The Real ones have been banished to the black gates!

Eli: Most of them anyway. Some of them are all in prison.

Vexen: These aren't real! They're clones created by Mysterio!

Lincoln shot lightning at Ultimate Electro, Leni clashed swords with Ultimate Deadpool, and Lola threw fireballs at Ultimate Carnage.

Me: You've been eying our adventures haven't you?

Shattered Dimensions Mysterio: In a way.

I punched him in the stomach and kicked him down with a drop kick.

He got back up and we clashed more!

Team Ultimate blasted the clones.

Evolt jumped to join Shattered Dimensions Mysterio and grew giant alongside him.

Me: Now I have a chance to set things right! Doppelganger or not!

I fired a wave of energy and chanted an incantation and separated Soichi Isurugi from him and then gave him to Nico. He was tired this

time.

I then SLASHED EVOLT and blasted him down and kicked Mysterio down.

Nico: WHOA! Nice save J.D.!

Soichi Isurugi: (Weakly) Thank you.

Varie looked him over.

Varie: He's just exhausted. He'll be like this for a while.

Ultimate Spiderman: (Shattered Dimensions Mysterio laughs) What's so funny? See a reflection of your outfit?

Shattered Dimensions Mysterio: IMAGINE. ME BEING THREATENED BY AN ITSY BITSY SPIDER!

Ultimate Spiderman: (sarcastically) Yeah, that's hilarious.

Me: I'm not laughing Beck!

His spider-sense suddenly points him to look at the floating purple orbs that are summoning the villains.

Ultimate Spiderman: Why's my spider-sense pointing to those orbs? Wait, that's it! They must be linked to his power! If we destroy those, it might weaken him! Let's give it a shot!

Leni, Lola and Lincoln blasted the orbs with fire, gravity and lightning and blew them apart!

Tania: Nice! Now, keep going!

We were blasting the orbs and I kicked him in his helmet and bashed him down.

Nico then blasted the rest of the Doppelgangers.

Qin: Take that!

Shattered Dimensions Mysterio: THIS IS IMPOSSIBLE! HOW

COULD A SPIDER SO YOUNG HAVE SO MUCH POWER?!

Ultimate Spiderman: It's easy. You underestimated me. I may be small, but I'm still strong. And with this black suit, I'm the strongest spider in the multiverse!"

He fires his webbing onto his weakened helmet to be pulled.

Lincoln: (to Leni and Lola) Now's our chance!

Lincoln, Leni and Lola blasted the helmet and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down and in pain!

Shattered Dimensions Mysterio: ENOUGH! ALL OF YOU ARE BENEATH ME! I AM A GOD FOUL CREATURE! AND I WILL NOT BE BULLIED BY…

IO GABBED HIM AND SMASHED HIM ALL OVER LIKE HOW HULK DID TO LOKI!

SMASH SMASH SMASH SMASH SMASH SMASH!

Me: Puny god.

Hulk: (LAUGHS) YOU TELL PUNY GOD!

Nico: J.D. SMASH!

Me: (In my head) He lost 50% of his power. We're almost there!

Mysterio screams in greater pain than before as everyone starts falling into the abyss.

Ultimate Spiderman: Future Spidey, we're passing you the torch! Good luck!

Xigbar: FYI, this is gonna be freefalling entirely!

Nico: Nice!

2099 Spiderman: Lets do it!

Team Ultimate find themselves freefalling in the endless void while seemingly transforming into the heroes in Team 2099. Which are Miguel O Hara, Wes, Joe, Astro Boy, Marty, Sougo, Taro, Lily, Animorphs Jake, Leo Corbett, Kameo, Yost Reed, Eiji, Blossom Z, Lisa, Yusei, Devon, Juni, Yost Wolverine, Gentaro, and Gingka.

2099 Spiderman: Falling again! You know, standing on solid ground is so 2098.

Lily: But this is fun!

Kameo: It sure is!

Lisa Loud: Indeed it is!

I punched Mysterio and bashed him all over!

2099 Spiderman: Lori. Lily. Lisa. Thanks for everything. 2099 might not have been how you pictured the future. But I'm glad you guys came anyway. Thanks to you guys, Alchemax is now corruption free.

Lisa: It was all of our pleasure Miguel.

Lori: That was literally so fun and amazing.

Lily: Boy it sure was.

2099 Spiderman: You're not getting tired on us? Perhaps you haven't become a god after all.

Shattered Dimensions Mysterio: YOU DARE?! I WILL END YOU!

The arcane god throws a furious volley of energy blasts at the freefalling heroes, as they are doing everything in their ability to dodge his relentless attacks.

I deflected them back and blasted him all over!

Lori: That was literally close!

Lily: We won't catch up to him like this!

Lisa: Miguel, you're the fastest one here! We'll help you reach Mysterio!

2099 Spiderman: How so?

Lori: Watch this.

They flared up their energy and flew fast at him with incredible speed.

Hood Sickle: You guys are getting closer! Keep it up!

I provided more of a distraction and blasted him all over.

Then they got to his helmet and blasted him all over with wind, gears and water and energy and blasted him.

Shattered Dimensions Mysterio: HOW CAN THIS BE?! NO SPIDER-MAN CAN BE THIS FAST! NO ONE! THAT'S IMPOSSIBLE!

Me: NOTHING is impossible!

2099 Spiderman: I thought you've learned by now not all Spider-Men are alike! Case in POINT!

Miguel webs up Mysterio's helmet so Lori, Lily, and Lisa can attack it once more.

They blasted and then there was a huge explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

2099 Spiderman: Is this helping or hurting? I get the two mixed up. Oh whatever. OG Spidey! It's time for you to finish this!

Vanitas: Webhead, you help him too!

Amazing Spiderman: You got it!

Spiderman: Lets do it!

This is it. The final round. Team 2099 are falling into another bright section of Mysterio's twisted reality as they seemingly transformed to their best team: Team Amazing. Amazing Spider-Man lands first on a platform, distance from Mysterio, with Jason Lee Scott, Ripster, Dr. Nick, Shu, Zayto, Kit Taylor, Casey Rhodes, Ruby Rose, Ang Leung, Laval, Ryotaro Nogami, Lin Chung, Thomas the Tank Engine, Vert Wheeler, Right, Juru, Aruto, and Zixx meet him there.

Sour Sweet: I think it's time for an entrance!

Nico: Lets do it!

He crashed into the ground of Amazing Spiderman's universe and then the spirits of Spiderman came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted off above him and and a phoenix cry was heard and then we came out and fired waves of energy and blasted Mysterio all over.

Nico: Take that!

Me: Had enough Beck? Or do you want some more?

Robo Blaze: I swear, Muller-lyer illusions are much more pleasant!

Shattered Dimensions Mysterio: WHAT!?

Qin: You heard us!

I fired waves of energy and blasted him all over the place.

Xenia: Yeah!

Lola: This will be fun!

I fired waves of energy and blasted him all over.

Mysteio summoned more purple creatures.

Pam: Keep summoning your minions! We'll just keep on beating

them!

Eli blasted them all over.

Lazlo: Let me at that Stupid God Wannabe!

BAM BAM BAM BAMBAMBAMBAMBAMBAMBAMBAMBAM!

He bashed Mysterio all over the place.

Samson: SUCK ON THIS!

He threw a volleyball and it smashed his helmet.

Me: And this!

I threw a Heavy Bowling ball and it smashed him on his face!

KRABLAM!

Shattered Dimensions Mysterio: Oh, I get it! Because I did that earlier!

Me: Yep. That was still funny though. So now we're even.

Kevin (EENE): Top this goofball!

He fired a bowling ball bazooka and blasted him square in the crotch with devastating force!

KRABLANG!

MYSTERIO SCREAMED LIKE A LITTLE GIRL!

WE WINCED!

Dr. Light: Do you want to know something funny? The Prime you that was in Paul's Sinister 6 group wasn't even the real one. That was a robotic clone that was used to fake his own death!

Me: It's true!

Shattered Dimensions Mysterio: Very clever and crafty.

Grumblemon: And now, we're gonna teach you a lesson!

Me: In pain and torture!

Ranamon: (to Nico) We heard y'all fought Lumpus in the simulator.

Nico: We sure did.

The blasts all hit him and exploded on contact!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Shattered Dimensions Spiderman webs up Shattered Dimensions Mysterio's helmet.

Shattered Dimensions Mysterio: NOOO! NO! STOP! I'LL GIVE YOU THE TABLET! I'LL GIVE YOU ANYTHING YOU WANT!

Shattered Dimensions Spiderman: In that case, I want you to go to jail! (to Laney, Luna, and Lynn) You guys wanna finish this?

Me: How do we know this isn't a trick? I may be a warrior but even I am not that gullible.

Laney, Luna and Lynn fired waves of leaves, water and lava and blasted him and destroyed his helmet!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The energy Mysterio had absorbed from the Tablet slowly leaves him as his body glows and shrinks back to his normal size. Without the Tablet, Mysterio is back to being a normal stage magician that relies on illusions and tricks, too weakened to do anything while he lies on the ground at Team Amazing's mercy. Though his helmet is severely cracked and is completely outmatched and outnumbered, Mysterio still tries to scurry like the pathetic villain he is to the Tablet that's lying on the ground.

Shattered Dimensions Mysterio: WAIT! Wait, the Tablet! Oh, it could still be mine! It could still-!

Shattered Dimensions Spiderman: (puts his foot down on the Tablet) Some guys never learn. And, uh… speaking of learning. You should learn how to count! Something tells me you're outnumbered. (throws him to his other counterparts) Gentlemen?

POW!

Noir Spiderman: (punches Mysterio over to Ultimate Spidey) I really hate this fella!

KROW!

Ultimate Spiderman: (kicks him over to 2099 Spiderman) Aww, c'mon, he's a blast to kick in the face.

2099 Spiderman: Pal, you got…

KRABAM!

That light disappeared as quickly as it appeared with the entire multiverse repaired from Mysterio's rampage. All the teams found themselves assembled in Madame Web's restored apartment with the old psychic lady back in her spider-chair feeling much better now that the universe is saved.

Me: He got his ass kicked!

We had him tied up.

Me: He should get the black gates for this.

Shattered Dimensions Spiderman: You're such a sore loser, Quinton, well, don't worry, the cops have kept your cell nice and warm.

Shattered Dimension Spiderman handed Shattered Dimensions Mysterio over to the cops who then proceed to take him straight to jail.

Nico: WHEW! That was a really tough fourteen day streak, but we did it, we got The Tablet of Order and Chaos back, beat Shattered Dimensions Mysterio, and saved the fabric of time and space from that egomaniac.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: that egomaniacal powerhungry God Wannabe, Heaven Ascension Dio.

?: I shall destroy you all, Team Loud Phoenix Storm, and I shall rule over the Earth!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of ice blasts that came out of nowhere and they hit the barrier, but the ice energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Heaven Ascension Dio, or I will force you out!

A figure came out, and it's none other than Heaven Ascension Dio, the god-like figure and alternate version of Dio Brando.

Lincoln: You just don't even know when to quit, do you, Dio. No matter how many centuries pass or in any other reality, you still remain the same: you're still a powerhungry God wannabe who turned himself into a vampire to gain immortality centuries ago, and you desired to rule the world, you make me sick as always!

Heaven Ascension Dio: YOU DARE TO SPEAK TO ME LIKE THAT?! DO YOU EVEN KNOW WHO I AM?!

Celestia Eatos: Clearly, we do, and you're no God, Dio Brando.

Nico: Oh! Oh man, now that's got to sting!

Me: Perfect for someone like him!

Suddenly, Celestia Eatos' neon green eyes turned neon green and she was surrounded by a rainbow energy aura with stars, fire, darkness, wind, earth, water, light, Guardian Duel Monsters, phoenixes, and angels, she unholstered Celestial Sword - Eatos from her hip, and as she approached Heaven Ascension Dio, she left rainbow energy, stars, fire, darkness, wind, earth, water, light, Guardian Duel Monsters, phoenixes, and angels with every step.

Celestia Eatos: Everything that Lincoln said about is indeed true, no matter in any different reality or in a different universe, you're nothing more than a powerhungry God wannabe who turned himself into a vampire to gain immortality centuries ago, and you desired to rule the world, as always, you make me sick, Dio Brando. Dealing with our world's version of you wasn't bad enough, now to find out there's you?! That's one too many, and for that, we'll bring your desire for world domination to a permanent end once and for all!

Suddenly, Celestia Eatos was surrounded by a massive vortex of rainbow energy with stars, fire, darkness, wind, earth, water, and light surrounding the vortex, there are phoenixes, angels, and the Guardian Duel Monsters flying around the vortex, and in the vortex is a neon green phoenix with red eyes glaring at Heaven Ascension Dio: the red eyes of eternal death. Then, as the vortex faded, Celestia Eatos emerged, but she was changed forever.

Celestia Eatos grew to 7'9" in height, she has the body of a goddess, she has rainbow highlights in the bangs of her long neon green hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a rainbow energy aura with stars, fire, earth, water, light, wind, darkness, phoenixes, angels, and The Guardian Duel Monsters, she has The Guardian Duel Monsters surrounding the Guardian Kanji emblazoned on her forehead and Third Eye with rainbow iris, she has on phoenix earrings with rainbow gems for eyes and holding the Fire, Earth, Water, Light, Wind, Dark, Star, and Eternity Kanjis in its hands, she also has The Guardian Duel Monsters with rainbow gems for eyes and holding the Fire, Earth, Water, Light, Wind, Dark, Star, and Eternity Kanjis in its hands on the bottom of her rainbow phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Celestia Eatos felt a sharp pain on her back, and then, her massive rainbow angel wings with aurora tips on the rainbow feathers grew much bigger for her new body, and she now has eleven massive and long neon green wolf tails with rainbow tips and rainbow markings, she has on a Ring of The Phoenix with neon green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Celestia Eatos' Celestial Sword and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of rainbow energy, stars, fire, earth, water, light, wind, darkness, phoenixes, angels, and The Guardian Duel Monsters, and when it emerged, it was transformed into Celestia Eatos' Elemental Guardian Duel Monsters Phoenix Angel Greatsword of Elemental Guardian Phoenix Angel Justice, it's a brand-new massive greatsword with embedded rainbow gems and The Guardian Monsters etched on the 7'6" massive, wide, double-edged pink blade, large green phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large rainbow gems embedded in the foreheads, longer midnight black handle, four green phoenix heads with rainbow gems for eyes and large pink phoenix head with rainbow gems for eyes and a large rainbow gem in its mouth on the bottom of the green phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with rainbow gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Guardian Eatos' head with rainbow gems for eyes and a large rainbow gem inside its open mouth for the belt buckle and gold versions of the other Guardian Duel Monsters with rainbow gems for eyes and rainbow gems in their mouths around the belt, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The

Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a rainbow kanji below The Guardian Duel Monsters that said, "Celestia Eatos, Gene-Slammer of The Guardian Duel Monsters, Powerful Master of The Celestial Sword and Butterfly Dagger, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Destroyer of Heaven Ascension Dio, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Earth, Water, Wind, Light, Darkness, The Stars, and The Guardian Duel Monsters"

Suddenly, Celestia Eatos' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Celestia Eatos has transformed into SUPER ANGEL-GUARDIAN DUEL MONSTERS-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE CELESTIAL SIX ELEMENTAL GUARDIAN DUEL MONSTERS GODDESS PHOENIX ANGEL OF DIVINE CELESTIAL SIX ELEMENTAL GUARDIAN DUEL MONSTERS GODDESS PHOENIX ANGEL JUSTICE AND DIVINE CELESTIAL SIX ELEMENTAL GUARDIAN DUEL MONSTERS GODDESS PHOENIX ANGEL LOVE!

We were amazed by Celestia Eatos' Super Angel-Guardian Duel Monsters-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Heaven Ascension Dio saw it, he fell into a rage and fired a blast of ice to kill her, but Celestia Eatos fired a massive and powerful barrage of rainbow energy, stars, fire, earth, water, light, wind, darkness, phoenixes, angels, and The Guardian Duel Monsters which hits Heaven Ascension Dio, and exploded with incredible power, he got back up, and he was now pissed off.

Serena Elma: (GASPS) Oh, no way, did Celestia just…?!

Lincoln: She did, Serena, Celestia Eatos has transformed into her Super Angel-Guardian Duel Monsters-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off that god-like vampire now! Now, blood's about to be spilled.

Celestia Eatos: (Divine Echoing Godly Voice of The Divine Celestial Six Elemental Guardian Duel Monsters Goddess Phoenix Angel and Divine Celestial Six Elemental Guardian Duel Monsters Goddess Phoenix Angel Love) And we'll be rid of every single trace of Dio Brando permanently, let's get him, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga

Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Celestia Eatos.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble to last a couple of centuries, Dio Brando, and now, I'll make sure that not a single trace of you ever remains in this world! And this time, I'll make sure you never rise again!

Celestia Eatos and Lincoln went after Heaven Ascension Dio, and they fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Heaven Ascension Dio and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Celestia Eatos also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Heaven Ascension Dio even madder than ever!

Heaven Ascension Dio: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, Dio, we're immortal and invincible, and we're also The Champions of The Gods. But, you, you're no God, you're nothing more than a powerhungry god wannabe who sacrificed his own humanity and desires world domination. There is no place for you in this world or the next.

Lincoln ran with superhuman speed and he stabbed Heaven Ascension Dio in the chest with one of his tails' tips that he turned into Cell's stinger, and then, Lincoln began absorbing Heaven Ascension Dio who couldn't fight back, and as Lincoln was absorbing him and growing even stronger, he was also assimilating all of Heaven Ascension Dio's powers such as, his high intellect, expertise in psychology, manipulation, extensive knowledge of law, charisma, deception, leadership, endless craving for knowledge, hand-to-hand combat prowess, expertise in boxing, and knifemanship as a human, and as a vampire, all abilities he had as a human amplified such as superhuman strength, superhuman resilience, superhuman endurance, superhuman speed, superhuman dexterity, regeneration, ability to stick to any surface, ability to shoot high-pressured liquid from his eyes, cyrokinesis, hypnosis, necromancy, teleportation, ability to convert victims into zombie minions, ability to convert people into vampires, ability to create Flesh Buds, levitation, superhuman senses, and precision, and he also assimilated and absorbed his Stand, The World Over Heaven: and its' ability to freeze time, reflecting and rewriting attacks, corrupting minds, and warping reality.

Then, as soon as Lincoln was done absorbing Heaven Ascension Dio, all that was left were his clothes and jewelry and the stinger changed back, and then, an energy card with Heaven Ascension Dio's drained soul appeared in Lincoln's left hand, and he sent Heaven Ascension Dio to The Black Gates forever. We cheered wildly for what Celestia Eatos and Lincoln did as they holstered their massive greatswords and powered down, and Celestia Eatos' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long neon green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive neon green angel wings are permanent.

Celestia Eatos: Burn in The Black Gates forever, you powerhungry bastard. Thank you for helping me get rid of Heaven Ascension Dio forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Celestia.

Suddenly, Celestia Eatos wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Celestia Eatos' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and The Guardian Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Celestia Eatos sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Okay, now I can finally say this: Dio Brando, you have failed this entire universe! Now, burn in The Black Gates forever, you worthless piece of crap!

Nicole: That's telling 'em, Lincoln. Of all the worst vampires who've ever plagued the world, Dio Brando was the worst, in a way, he's just like Deacon Frost!

Me: Now, that I was about to say, Nicole, those two are both pieces of shit! So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got two really good ones and it's another two for the Embodiments of Organization XIII: Vina Vexen, Keyblade Knight of Arendelle and Embodiment of Vexen, The Chilly Academic of The 5 Winters and Lorelei Lexeaus, Keyblade Knight of Beast's Castle and Embodiment of Lexeaus, The Taciturn Stalwart of The 4 Earthquakes.

Sora: Oh man, no way, we haven't seen them in years.

Roxas: It sure has been years since we last saw them.

Michelle Emperyous: And I knew you'd pick them, Lincoln, and you guys will love meeting them as well, Vina Vexen is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of ice and she's the intelligent academic of The Keyblade Knights and Organization XIII Embodiments and she's a very good friend of Princesses Anna and Elsa and all their friends, and she absolutely hates that powerhungry mongrel, Hans, with a very bloody vengeance so much so she wants nothing more than to kill him and leave him to die in the snow, and Vina also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Vexen and she wants to make sure he and the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Lana: Whoa, I remember her, and I never knew she was Vexen's Embodiment!

Selene Emperyous: That really caught you off guard, and it's a coincident that you have Vexen as your archenemy, Lana, and Even is part of The Redemption Squad.

Laney Emperyous: That's right. And Lorelai Lexeaus is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of earth and she's the collected and superhuman strong powerhouse of The Keyblade Knights and Organization XIII Embodiments and she's a very good friend of Beast, Belle, and all their friends, and she absolutely hates that chauvinist pig, Gaston, with a very bloody vengeance so much so she wants nothing more than to kill him and leave him to die in the snow, and Lorelai also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Lexeaus and she wants to make sure that the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Hey, I remembered feeling some earthquakes years ago, so those were…?

Vorya Emperyous: Lorelai Lexeaus giving Lincoln's enemies a brutal thrashing? Yep, that's right.

Nico: Wow, she's really strong!

Lincoln: Well, she was born with superhuman strength and her superhuman strength outclasses Lynn's superhuman strength.

Nico: Damn, I hate to see the mug getting into a rumble with her!

Rachel Emperyous: Yeah, any who get into a rumble with her spends a month in the hospital and in a coma.

Lynn: Which is why I never dare attack her. Those last attacks by her years ago landed me in a full-body cast for two months.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Madame Web: Well done, brave heroes! The walls of reality are rebuilding themselves. Together you have saved an untold number of dimensions. These universes owe you a collective debt of gratitude.

Mercurymon: It was our pleasure!

Me: We're glad we were able to do it.

Shattered Dimensions Spiderman: We couldn't have done it without you fellas. Well… maybe I could've.

Noir Spiderman: Perhaps someday we'll work together again.

2099 Spiderman: We certainly make a spectacular team.

Ultimate Spiderman: The Fantastic Four! Or the Spider-Men! Spider-Mans? Spiders-Man. No, uh, Quad-Spiders and their amazing friends

Femme Fetale: Keep trying, kid.

Madame Web: The other Spider-Men must all return to their own dimensions.

Speed Demon: But they're now part of the team and can visit us anytime.

Ultimate Spiderman: See you later, new friends, and older and less cool versions of me.

2099 Spiderman: Old? Hey, I'm from the future. To me, all you guys are ancient history!

Noir Spidey: Good to know there IS a future. And people like you to carry on the good fight.

Ultimate Spiderman: Word.

Shattered Dimensions Spiderman: C'mon, Misty. Time to drop you off at Super-Villain Day Care.

Robo Roxy: Alright. But he's staying locked up in the local jail.

Engineer: I'll help make some devices to keep him locked up.

Copperhead: Good thinking.

Me: Yeah.

Nico: Now Mysterio will never cause trouble again. Great job everyone.

Lola: Yeah.

Spiderman: (To the viewers) Boy this was an awesome series of adventures!

Qin: It sure was.

Nico: Lets go home.

Madame Web: Thank you, Team Loud Phoenix Storm. For your part in saving our worlds from utmost destruction. And thank you, Spider-Man. You should be proud to know your legacy is being upheld across time and space.

Spiderman: I can't answer this since I'm the prime version. But what are your thoughts on those other mees?

Shattered Dimensions Spiderman: those guys were all right, but you have to admit…

Noir Spiderman: (jumps off a rooftop building)… with four different Spider-Men…

Ultimate Spiderman: (sticking onto the wall of a building)… the one thing I know for sure…

2099 Spiderman: (spins a webline out to swing on)… out of all of 'em…

Across the web of reality, the four Spider-Men swing through the skies of their respective cities in the exact same style at the exact same time, as they all shout what they know is the truth about themselves

All 4 Spideys: I'M THE BEST!

ALL THE SPIDERMEN ARE THE BEST!

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and

Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

And the second is Lorelei Lexeaus, Keyblade Knight of Beast's Castle and Embodiment of Lexeaus, The Taciturn Stalwart of The 5 Earthquakes, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of earth and she's the collected and superhuman strong powerhouse of The Keyblade Knights and Organization XIII Embodiments and she's a very good friend of Beast, Belle, and all their friends, and she absolutely hates that chauvinist pig, Gaston, with a very bloody vengeance so much so she wants nothing more than to kill him and leave him to die in the snow, and Lorelai also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Lexeaus and she wants to make sure that the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. Next up is the movie Kickass and that one is going to be a brutal and powerful fight as we face Chris D'amico and make that kid pay.

see you next time.

# KICKBUTT TLPS STYLE

In the control room of the Simulator was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Dragon Knight Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman and his counterparts, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Scott, Firecracker Burst, Sougo, Jaime Marchesano, Akira Shinmei and Jolyne Cujoh as well as Multiple Man, Star Creature, Sumo Wrestler Army, Dark Kamen Rider Drive, Land Pollution Vice Minister Hiramechimedes and Hydra (Hercules) and we were getting ready for a really harrowing and powerful adventure as we go to Paris and do 2 thanks there. 1: We're going to talk to Hawk Moth and get him to join the M.O.E. and 2: We're going to kill Lila Rossi.

Me: Boy this is gonna be a wicked ass adventure in Paris.

Nico: Yeah no kidding. Boy convincing Hawk Moth and killing Lila Rossi.

Lincoln: This time no Dark Orb Contamination to get in our way.

Camie: Thank goodness for that.

Lola: Yeah thank goodness.

Marinette: Mind if me and Adrien go with you guys to help out.

Me: Sure Marinette. We would like that.

Me: Cool.

Nico: Scott, I want to thank you, Multiple Man, and your teams for coming

Scott: No problem Nico. This will be fun.

Qin: Yep. It sure will.

Firecracker Burst: I'm really excited for this one.

Nico: Firecracker, what do you like to do in your free time?

Firecracker Burst: I make my own fireworks.

Me: Cool!

Lincoln: That is awesome!

Firecracker Burst: Yep. It's how I got my cutie mark. I make my own fireworks and give them to people to set off during festivities.

Xenia: That is awesome and cool.

Applejack: That must take up a lot of work.

Camie: Yeah.

Firecracker Burst: It does and it took me 10 years to learn all about the art. I made some of the most amazing fireworks designs ever.

She pulled out a photo album of them and they included many kinds of breathtaking designs for them. Helix Chains, planets, stars, flags, hearts and more.

Me: Whoa that is awesome!

Camie: Boy it sure is.

Firecracker Burst: Yep. Ponyville and Canterlot called on me to be their chief Fireworks Show Master for it many times before.

Xenia: That is so cool.

Twilight Sparkle: It sure is.

Me: Fire Kraken, Flare Wolf, Panda King and our best Fireworks Users would be perfect to help you out.

Firecracker Burst: That is true. It sure would be fun.

Nico: Just don't point it at innocents.

Firecracker Burst: I won't. But making fireworks is more art than combat.

Me: Every firework is a breathtaking work of art. And it's VERY Dangerous business.

Nico: Yep.

Firecracker Burst: That is true.

Laney: Yep.

Me: Whew! Man we got all the pieces of the Tablet back. I can't believe that Mysterio turned into a giant like that!

Noir Spiderman: I know. But it was awesome taking him down.

2099 Spiderman: It sure was. I'm glad we took him down and got the tablet back.

Nico: So, how have things been in your worlds ever since the Tablet got reassembled?

2099 Spiderman: Everything has been brought to peace and Alchemax is now corruption free and the Public Eye have been more focused on catching criminals like Hobgoblin and all that.

Noir Spiderman: People no longer have to live in fear thanks to you guys.

Amazing Spiderman: People are truly thankful to you guys and me too.

Ultimate Spiderman: And thanks to you guys you helped me be in control of the Symbiote Suit.

Me: We're glad.

Amazing Spiderman: It was awesome having you all help us.

Me: That was an awesome adventure. I'm just glad you all are going to be okay now.

2099 Spiderman: I know. It was still so fun having you all help us out.

Nico: Yeah and J.D. you did a great job battling Mysterio and helping to keep him distracted long enough for all 4 teams to bring

him down.

Me: Thanks Nico.

Nico: And J.D. that was a good call to bring back Soichi like that.

Me: It was to make sure he didn't die a second time.

Eli: But to be honest, I did not expect Mysterio to bring in doppelgangers of many of our major enemies we faced. That was awesome!

Qin: Yeah no kidding!

Me: Boy it sure was. But the scariest part was seeing what each piece of the tablet can do to all those villains like that.

Nico: Boy no kidding.

Qin: Yeah. How is Soichi doing?

Varie: He's really exhausted. Being Evolt for over 10 years like that really took it out of him and drained him. He's going to be in the infirmary for a while.

Sento: Boy I would feel the same way if that happened to me. I'm just so glad he's okay.

Gentoku: Me too. Soichi is a good man. It's horrible that happened to him.

Me: But at least he will be okay.

Qin: Yeah.

Shattered Dimensions Spiderman: And it was only fair me and my team did the finishing blow. I AM the best Spiderman, after all.

Noir Spiderman: You? I think I'm the best. I survived a city controlled by a criminal empire for God knows how long.

2099 Spiderman: I'm the best because I'm from the future!

Ultimate Spiderman: Nu uh. I'm the best! I'm the one with the Black Suit!

Spiderman: No. I'm the best because I'm the prime version.

Maria: (deadpans) One series of adventures and they turn into a bunch of bickering 3 year olds.

Me: Actually all 5 of you are the best Spidermen because you all did a great job together as one and you do a great job protecting everything.

Spiderman: That is true.

They all agreed.

Me: You all will be known as The Spiderman 5.

Spiderman: Ooh! I like that.

Noir Spiderman: That is perfect.

Lincoln: I hope it was all worth it, Nico. Because we had to forsake our usual way of doing things just to lead up to the Tablet reassembling. Including not teleporting to other planets for all the fights. Who knows if many people could've died because of your little power trip?

Nico: I know. But the important thing is we won and saved everything and everyone.

Me: Yeah.

Lincoln: Besides it was an awesome adventure Lincoln and we had fun on that.

Me: Yeah. And we had a lot of good victories come out of it. We found TAS Mary Jane and reunited her with TAS Spiderman, Avenged Noir Spiderman's family and friends by killing all his enemies, Helped 2099 Spiderman saved Kron from himself, Saved Ultimate Gwen Stacy and gave her awesome Gene-slamming abilities and helped Girl Jordan kill another version of Carnage and also we brought back Soichi who died last year when we destroyed Evolt.

Nico: Yeah this has been a very productive 14 days.

Eli: It sure has.

Noir Spiderman: It sure has been and it was so fun.

Girl Jordan: It really was awesome and epic.

Ultimate Spiderman: How about we go into the simulator and discuss what happened during this adventure in there?

Me: Good idea. First this! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

The Simulator activated and we were in Paris, France.

Nico: We're here in Paris, France, and you're going to like what's in store for today's rescue. Lincoln, would you do the honors?

Lincoln: You bet. Okay, guys, we're going to expose Lila Rossi for the monster she really is!

Me: Oh! AWESOME!

Lincoln: And then, we're going to kill that monster bitch.

Eini then appeared.

Eini: This is going to be hilarious. Remember the same trick you used to expose Lumpus yesterday, Lincoln?

Lincoln: Oh yeah, that's exactly what I'm going to do, but that's not the only thing, I also asked Becky Long to upload the footage of all of Lila's crimes that Gallie and my other Guardian Angels, along with yours and Nico's friends have to everyone's phones.

Chloe: Once that happens, everyone will be out for that bitch's head.

Universe 666 Trixx came out of the Miracle Box on Lincoln's back.

Universe 666 Trixx: But, by day's end, she'll be dead by our hands.

Lincoln: Right, Universe 666 Trixx.

Zocks: Alright. Now, all you have to do is wait for us to give the signal when it's time to expose her.

Lincoln: Got it.

Me: Yep.

Nico: First before we go after Lila lets make a pit stop to Gabriel's dad. We need to settle some things.

We walked to the Agreste mansion.

Me: I always love coming to Paris. The City of Lights is awesome.

Nico: Yeah it sure is.

2099 Spiderman: Paris is an awesome city.

Me: It sure is Miguel.

Camie: Wow.

Me: When we were here to help Marinette and friends the first time, that became one of the most strenuous adventures we ever had. But that was also the first time Nico lead the team.

Nico: Yep it sure was.

Camie: Wow! That is awesome.

Laney: Yeah it was fun.

Adrien: My house is just around the corner.

We arrived at his mansion.

Ultimate Spiderman: Wow! Your house is amazing Adrien.

Adrien: Yep.

Me: Gabriel is a world famous fashion critic and Leni is one of his biggest fans. She gets most of her fashion designs from all of his magazines.

Leni: It's true and he is totes an amazing legend in fashions.

Brittney: It's true.

Nico: Yep.

Me: You see Adrien's dad is also Marinette and Adrien's most dangerous nemesis, HAWK MOTH.

I went over his history and it was sad and tragic.

2099 Spiderman: So he did all this because he wanted Emile back?

Me: Yeah. And back then we were suffering from the effects of Dark Orb contamination and it was messing around with us. But we didn't even know about it until much later on. We had to refrain from showing even the tiniest bit of anger or else we would be akumatized.

Nico: Yeah it wasn't easy. But we pulled through.

Lily: We sure did.

We went up to the door and Adrien knocked on it and Nathalie answered.

Nathalie: Adrien, now might not be the best time.

Adrien: Nathalie, please don't lie to me. Don't ask me how but I know Dad's Hawk Moth.

Nathalie: How did you-? Nevermind. Your father is dealing with an urgent situation that's come up.

Adrien: Okay. Not only do I have to talk to Dad about his secret. But I think I might know what that urgent situation is.

Lily: It's him trying to get the Miraculous to bring back Emile.

Nathalie gasped.

Nathalie: Follow me.

We followed her to Gabriel's study.

Nathalie: And that is a personal problem. This urgent situation… just came up today.

Me: Let me guess, Lila Rossi is giving him static.

Nathalie: Yes she's stealing an Akuma for herself.

Me: She's going to become Volpina again.

Qin: That girl is a monster.

Me: Yep. But we have a plan for her.

Nathalie: I'm glad you do.

We arrived at Gabriel's study.

Adrien: Uh dad we need to talk.

Gabriel: I'm busy son but what is it?

Adrien: Dad we know you're Hawk Moth.

He gasped.

Gabriel: Gorilla. Please leave us.

The Gorilla bowed and left the room.

Ultimate Spiderman: He doesn't talk much, does he?

Adrien: Nah he is the strong silent type.

2099 Spiderman: Who was that?

Me: That was Adrien's bodyguard Gorilla. He became the Gorilla Kaiju Akuma, Gorizilla.

Carol: Yep.

Me: We're sorry to come in like this so suddenly Gabriel. But we only wish to talk.

Adrien: Dad I know you did what you had to do to save mom. And I want you to know that I completely understand why you did all that.

Gabriel: (sighs) Adrien, you couldn't wait until later to talk to me about this?! Something came up! And since you know my secret, it's only fair you see what I'm referring to.

Gabriel turned on the security footage to reveal Lila Rossi sneaking into Hawk Moth's chamber. She smirked before grabbing an Akuma and running out.

Me: Cunning as a fox and just as evil.

Nico: That's another reason why we're here Gabriel. To kill her.

Gabriel: But isn't your code against killing kids?

Me: Under normal circumstances yes. But Lila Rossi is no kid. She's a monster. And we spared her because of our code. But not this time. We have a plan. We're going to expose her crimes to all of Paris and to everyone in France and the world. As the final nail in her coffin we're going to have her parents disown her before we kill her.

Chloe Bourgeois: Just wanted to make myself known. But she shot my Daddy and Marinette's Mom before. And she ends up killing you in an alternate timeline.

Gabriel gasped!

Me: It's a really long story. I don't know how someone like her got a gun but that is another mistake I'm not going to let happen again.

Nico: Yeah. And I'm not going to let that mistake in that time happen to you here in this time.

Gabriel: Thank you Nico.

Lincoln: Here.

He gave Gabriel a bulletproof vest.

Lincoln: Tom gave us some of his bulletproof vests just in case.

Nico: Cool.

Marinette: Um… back to the main reason we're here?

Nico: Sorry. Just taking precautions.

Marinette: Oh.

Gabriel: I'm glad you told me all this. I have to stop that monster.

Me: And we'll gladly help you.

Gabriel: And I want to redeem myself too. NOOROO DARK WINGS RISE!

He turned into HAWK MOTH!

Nico: Cool!

Me: We'll give you a place in the M.O.E. later on.

Lincoln: That's right.

Hawk Moth: All right. Lets do it.

Nico: Come on guys. We got a bad fox to stop.

Me: The Wolf has found its prey.

Nico: Also, we can cure your wife later.

Hawk Moth: I would like that very much.

Lily: Leave that to me. I can do that.

Nico: Lets go.

We were off to Marinette's school.

Taro: I have an idea for one last Akumatization. Akumatize me.

Hawk Moth: Alright. What would you like your name to be?

Taro: Avataroki.

Me: The Donbrothers Hitotsuki!

Nico: That would have been so cool!

Eli: Whoa that would have been an awesome episode for Donbrothers.

Lola: Yeah!

Me: Go for it.

Hawk Moth: Avataroki, this could very well be the last time I Akumatize someone. All I ask is that you bring down Lila Rossi. By any means necessary.

Taro: Like you even have to ask.

Instead of the usual Akumatization process, Taro was surrounded by an energy circle with the Donbrothers logo before turning into Avataroki.

Hawk Moth: That… usually doesn't happen.

Nico: What you told Taro must've been his desire.

Me: AWESOME! Wow! If this were a REAL episode of Donbrothers then this would be epic!

Haruka: It sure would!

Me: How do you feel Taro?

Taro: Amazing! First time ever being this.

Me: This is actually a Stage Show exclusive Hitotsuki. I read about it on the internet.

Taro: Wow! I didn't know about that.

Me: You learn something new everyday.

Nico: Yep. Also your Akuma's that you made Gabriel are in the M.O.E.

Me: Yep. Another long story. Avataroki pushed the doors to the school open.

We busted in. We saw the halls empty.

Me: No one is here.

Qin: Must be in class.

Me: Hmm.

We went to the cafeteria and we saw her. We then got into position and Lila Rossi was gloating and planning to kill Marinette and her friends.

Nico: Target sighted.

Me: It's showtime, Lincoln.

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window and right in front of the citizens of Paris, and then, it began to play a video compilation: it showed every last one of Lila Rossi's crimes and lies, and their phones went off and they had the clips of her crimes and lies as well playing on them.

Needless to say, everyone was disgusted by Lila Rossi, and that did it! EVERYONE IN PARIS AND THE ENTIRE WORLD SCREAMED IN OUTRAGE AT LILA ROSSI! NOW SHE WAS SEEN AS THE

LIAR AND EVIL HEARTLESS MONSTER SHE REALLY IS!

Simulator Lila Rossi: NO! NO! NO! NOOOOOOOOOOOOOOOOOOOOO!

Me: Bingo.

Suddenly, the spirits of the Miraculous appeared from out of nowhere and they surround and attacked Lila Rossi with blasts of elements and energy, and they converged and a massive explosion erupted and a Phoenix Cry and Thunderbird Screech were heard, and we appeared in front of Lila Rossi.

Simulator Lila Rossi: WHAT THE FUCK HAVE YOU ALL DONE?!

The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Me: Simply put we exposed your actions to all of Paris and the world. Now, they see you for the liar and fucking monster you are.

Nico: Now, everyone here wants to see you dead and your blood spilled all over the streets of Paris.

That ultimately did it, Lila Rossi eventually went insane and turned into a rabid dog with rabies as her mouth was foaming.

Simulator Lila Rossi: (ENRAGED NTH-DEGREE FUCKED-UP SCREAM) YOU! YOU! I'LL KILL YOU ALL AND FEED YOUR ENTRAILS TO THE BUZZARDS!

Lincoln fired a diamond ball at Lila Rossi which hit her in the face and knocked out all of her teeth and he took her Fox Miraculous and gave it to Simulator Alya.

Me: And you have something that belongs to Hawk Moth.

Simulator Lila: TAKE IT IF YOU CAN!

She turned into VOLPINA!

Me: RELEASE THE WOLF! (HOWLS)

(RUNNING WITH THE WOLVES BY AURORA PLAYS)

A massive vortex of blue fire exploded out around me and I released the power of the Wolf 🐺!

Volpina then made us see many copies of herself.

Noir Spiderman: After we beat Mysterio yesterday, this shouldn't be too hard.

Shattered Dimensions Spiderman simply walked up to the real Volpina and punched her in the face.

POW!

Nico: Nice one!

Me: My turn! WOLF MOON STYLE NINJA ART: JANUARY WOLF PACK BLITZ!

I fired a massive wave of blue fire and it formed into a deadly wolf pack and blasted her down!

Me: TAKE THAT!

Marinette: TIKKI SPOTS ON! HA!

She turned into LADYBUG!

Adrien: PLAGG CLAWS OUT!

He turned into CAT NOIR!

Me: Oh yeah!

Volpina: And who are you supposed to be blue boy!

Me: I am WOLF MOON 🌙!

I fired blades of fire and blasted her all over!

Scott: Remember me, bitch?!

Volpina gasped!

Scott: RPM! GET IN GEAR!

He transformed!

Apple Bloom: And remember us!?

Volpina saw the Cutie Mark Crusaders and then she saw the memories of what happened to her! SHE WAS SHOT AND KILLED BY THEM!

Volpina: You 3! I'm gonna kill those whores you call sisters first!

Applejack, Rarity and Rainbow Dash GASPED AND THEN GROWLED IN RAGE!

Rarity: NO ONE CALLS ME A WHORE!

Applejack: WHY YOU DIRTY SNAKE IN THE GRASS!

POW!

Rainbow Dash punched Volpina in the face with incredible force and knocked out some of her teeth and then Chloe bashed her in the face and gave her a NASTY BLACK EYE!

Chloe: That's for shooting my dad! POLLIN BUZZ ON!

She turned into QUEEN BEE!

Nico: Now you are in trouble! PYRI! FIRE WINGS BURN!

(CODA BY HANS ZIMMER PLAYS AT 4:00 TO 4:24)

Nico was enveloped in a swirling vortex of fire and he turned into FIREWING 🔥!

Nico: This will be good!

Me: You just pissed off a bunch of bears you bitch!

Avataroki punched Volpina.

POW BLAM SMASH WHAM!

She was smashed all over the place with powerful force!

Volpina got up and then got out a gun. She pointed it at Marinette and just as she was about to fire I fired a laser blast and blasted the gun out of her hands!

Eli teleported and caught it.

Me: Not this time!

Volpina then rang the school bell. The loud noise started hurting Ultimate Spidey's symbiote suit as he yelled in pain.

I fired a blast of energy and destroyed the bell.

Me: Nice try.

Then the kids and everyone came and saw us fighting Volpina.

Volpina then went at us and Nico and Marinette punched her down.

Marinette: That's for shooting my dad!

We were amazed by Persephone's Super Angel-Vampire-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Lila Rossi saw it, she went absolutely insane with rage and ran at her to kill her, but Persephone fired a massive barrage of rainbow, black, and blood red energy, darkness, dark fire, green fire, vampire bats, creatures of the night, stars, phoenixes, and angels at Lila Rossi, and she got hit hard, she got back up, but now, she was absolutely angrier and insane than ever and she was foaming at the mouth.

Persephone: (Divine Echoing Godly Voice of The Demonic Dark

Cosmic Eternal Darkness Gothic Blood Vampire Phoenix Angel and Divine Dark Cosmic Demonic Cosmic Eternal Gothic Darkness Vampire Phoenix Angel Love) That was only just the start of what's coming for you, Lila Rossi.

Supernova Zap: That's right, now death is finally coming for you, Lila Rossi, and no one's going to ever miss you!

Me: You're heading for an early grave, bitch!

We were spewing death threats at Lila Rossi like crazy, and this was absolutely pissing her off even more than that and she's being driven even more insane.

Avataroki grabbed Lila by the throat.

Lila: Wait! Can't we talk about this?!

Avataroki: No more talking. You're dying now!

Avataroki gripped his left hand around Lila's throat ready to snap her neck. But suddenly, he turned back into Taro.

Hawk Moth: What?! But the Akuma wasn't purified!

Nico: I was afraid of this. It's just like what happened when I battled Ulrich Wernerstein. Due to being around us, Taro's powers must've cured him of the Akuma!

Taro: This isn't good.

Me: Just like how the Akuma's wouldn't affect us because our power is too strong!

Lila grabbed Taro and threw him against the wall

Lila Rossi: (laughs evilly) Oh dear. Seems that someone's powers went down the drain. I, however, still have mine. Now then, before I snap your neck, do you have any last words?!

Taro (grins) Actually, yes. Avatar Change!

He transformed!

Taro: Born from a Peach! DON MOMOTARO! ドンモモタロウ

Marinette: You're through Lila! It's over!

THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 300 UNIVERSES FELT IT AND THEN IT FORMED A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL PHOENIX! IT CROWED INTENSELY WITH AMAZING POWER AND THEN THE FIRE PHOENIX WENT BACK TO EARTH AND MARINETTE GOT AN

Marinette: I am Judgement and Heaven is Nigh.

(JOAN BY HEATHER DALE PLAYS)

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

The courage of Catherine, the flames of the forge

The sword of St. Michael, the blood of St. George

I take what I'm given, I follow my truth

I gladly abandon the bloom of my youth

I'm the lashing that falls from the scourge

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

Christem ducem

Poena fortis

Et sanguinis effusio

Corda terant

Ut te quaerant

Ieso, nostra redemptio

I fight where God tells me, I never ask why

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

No, they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

No, they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

Marinette went at Volpina and punched and kicked her all over the place with intense force.

Hawk Moth: I should've had Nathalie arrest you the minute you showed up on my door!

Me: YEAH!

I then kicked her in her face!

Lola: Take this!

She fired waves of fire and blasted her.

Marinette punched her in her face and legswept her and kicked her into the wall!

Nico: YEAH!

Me: Even your sister Savanna has more heart than you!

Noir Spiderman snuck up behind Lila and grabbed her.

Volpina: HEY!

Noir Spiderman: And you are nothing but a little disease spreading parasite!

Xenia: That's right.

Haruka: Savanna?

Me: Lila Rossi's older sister.

Qin: Yeah.

Me: Savanna hates her sister for everything she does.

Lola: Yeah she's much nicer than Lila. She's the polar opposite of her.

Sabrina: (to Noir Spiderman) I'm not defending Lila. But doesn't holding her like that make you a pervert?

Noir Spiderman: You know what, Sabrina? It doesn't matter at this point!

Me: She's going to die anyway.

Marinette: She had this coming for a long time.

Qin: Yep.

Lincoln, Supernova Zap, and Persephone went after Lila Rossi who's now gone Nth Degree Fucked-Up Insane, and they fired extremely powerful blasts of rainbow energy, rainbow, black, and blood red energy, very light blue violet, very pale cyan, and light brilliant magenta energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lila Rossi and they exploded with incredible power as they hit her.

Lincoln transformed into Thunder Hare Super Angel Thunder Hare Xelnaga as his large white wolf ears turned into white rabbit ears and he whipped her hard with his Lightning Whip and she also got electrocuted bad.

His white rabbit ears changed back into white wolf ears, and they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Supernova Zap, and Persephone attacked her with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving Lila Rossi even madder and even more insane than ever until she looked like a rabid dog with rabies.

Lila Rossi: (NTH DEGREE FUCKED UP SCREAM) YOU! YOU! I WILL KILL YOU ALL AND REDUCE PARIS TO ASHES!

Simulator Lila Rossi ran at Lincoln, Supernova Zap, and Persephone now completely crazy and now out of her mind, but Lincoln, Supernova Zap, and Persephone kicked her up into the air and Lincoln summoned a storm, and Simulator Lila Rossi was electrocuted severely with lightning strike after lightning strike and she crashed onto the ground. Then, Lincoln wrapped her up in a gold spider silk straitjacket, and just in time too, we saw her parents arrive, and boy were they pissed off at her big time.

Mr. Rossi: I am so absolutely disgusted by your behavior, Lila! So, everything we'd heard from Anna and the others was true! You've tarnished our family's reputation even with your despicable actions and you desired to burn all of Paris to the ground!

Mrs. Rossi I can't believe that you're even our daughter! What kind of person could do those evil acts to Marinette, her friends, and to all of Paris?!

Maria: Everything we told you is all true, Mr. and Mrs. Rossi. Your daughter is a rotten black-hearted monster with a complete disregard for the lives of those around her, she lies to everyone she crosses and she wants nothing more than to kill Marinette and her friends and burn all of Paris to the ground, she's been a nightmare to everyone for years!

Anna Anyanova: Yeah, she's gotten away with everything not by using your reputation, but through her lies and threats of physical violence, and no one's been able to stop her because she's that insane and pure evil.

Eli: And let's not forget what she'd done to everyone who's crossed her path!

Anna Anyanova: That was until we came here to stop your daughter.

Mrs. Rossi: And we thank you for what you did, Anna. Lincoln's lucky to have a Guardian Angel and future wife like you in his harem.

Lincoln had an atomic red blush on his face, and Anna Anyanova went up and kissed him on the lips and he returned it. Then, he turned to face Lila Rossi who was literally in big trouble.

Mr. Rossi: Your mother and I did our best to raise you right, but instead, you decided to go downhill and started causing trouble, God knows how many times I'd been called to the school involving yet another of your stunts. You've used nothing but lies to get away with doing horrible things to innocent people, and if you hadn't been stopped, you would've wound up taking someone's life. Well, that all ends here and now!

Mrs. Rossi: He's right, and we've been wanting to do this to you for a very long time, Lila, you are hereby disinherited from our family fortune and it'll be passed on to your older sister, Savannah, and you are also disowned from our family forever.

Simulator Lila Rossi: WHAT THE FUCK DID YOU JUST SAY?! YOU CAN'T DO THIS TO ME! YOU WEAK, SPINELESS, SENILE OLD FOOLS! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL AND BURN ALL OF PARIS TO THE GROUND! DO YOU HEAR ME?!

Lincoln fired a rainbow energy blast which turned into a muzzle and she was muzzled.

Maria: Thank you for that, Lincoln, I'm getting sick and tired of hearing her big fat mouth running off like that!

Mr. Rossi: We never want to see your face again! You're no longer our daughter, our only children are Savannah and her brother.

Mrs. Rossi: Okay, you guys can go ahead and get rid of her and we also ran into someone who you may like to see.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, Mr. and Mrs. Rossi.

Lincoln channeled Black Gate energy into his massive greatsword as the 7'6" massive, wide, double-edged golden blade was glowing with black energy.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Never show your face here in Paris ever again, you heartless bitch.

SHEEN!

LINCOLN SKEWERED HER THROUGH HER CHEST AND RIGHT THROUGH HER BLACK HEART!

Then, Lila Rossi's body exploded in black flame and she was sent to The Black Gates forever!

Marinette: Just like what happened when he killed Lumpus and Jason Voorhees.

We all cheered wildly as Lincoln, Supernova Zap, and Persephone holstered their massive greatswords on their backs and powered down, and Supernova Zap's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer very light blue tail with very pale cyan and light brilliant magenta highlights, long pale vermilion horn, and massive pale yellow angel wings are permanent, and Persephone's new body, clothes, gold halo, weapons, jewelry, Third Eye, and eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Suddenly, Supernova Zap and Persephone felt wobbly and she was about to faint, but Lincoln caught them in his massive and powerful muscular arms.

Lincoln: You and Supernova Zap okay, Persephone?

Persephone: I'm a little dizzy from that.

Supernova Zap: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave that monster bitch quite the beatdown of her miserable life.

Nico: Yeah, and finally, the final nail of her coffin was her mother and father finding out of her crimes and disowning her.

Lincoln: And I delivered the coupe de grace by skewering her through her chest and black heart with my sword.

Persephone: Lila Rossi deserved it for all of her crimes.

Nico: She sure did, what a monster.

Me: It was really awesome to relive that moment of killing her again.

Suddenly, Supernova Zap wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Supernova Zap's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Supernova Zap sucked in and absorbed the elements.

Then, Persephone wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, Lincoln and Persephone sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Kagami: I got my sword. Where's the lying snake?!

Ultimate Spiderman: Sorry. We killed her already.

Kagami: Oh, goddammit!

Me: Sorry Kagumi. Here if it makes you feel better…

I snapped my fingers and formed a meat dummy shaped like Lila.

Kagumi: WOW! Thanks J.D.

Me: No problem.

She stabbed it and slashed and sliced and diced it.

Nico: How do you feel, Marinette?

Marinette: Relieved and much better than ever.

Me: Good.

Lola: That was awesome though.

Apple Bloom: And the best part is that we got another shot in at her.

Lola: You sure did.

Applejack: Good riddance to that disgusting snake.

Me: And the final nail in her coffin was Lila's parents disowning her.

Nico: You aren't really Ambassadors, are you?

Mrs. Rossi: Nope. We're really Pasta Shop owners.

Mr. Rossi: Make some of the best pasta in France.

Me: Neat.

Nico: How'd she even get a gun anyway?! Or sneak it in here?!

Mr. Rossi: Oh Lila was always getting in and out of trouble since kindergarten. We took her to many psychologists and they found nothing wrong with her. But she was always getting in trouble. We were just really scared of her.

Mrs. Rossi: I was too afraid to even make eye contact.

Mr. Rossi: When she was born, a bunch of men tried to take her and put her on the black market. Sometimes I wonder if we were right to stop them.

Nico: And that's not even counting how she had Chameleon pose as her Volpina self!

Eli: Yeah!

Me: And what harsh words would you use to describe Lila?

Marinette: She's a liar.

Luka: She's Uppity.

Adrien: Cruel.

Ayla: Unforgiving.

Chloe: Manipulative.

Juleka: Cynical.

Sabrina: Vile.

Kim: Stinky.

Kagumi: Whack.

Rose: Misanthropic.

Nino: Bungle ridden

Manon: Evil!

August: (Baby Talk)

2099 Spiderman: Who let that baby in here?

Me: Oh that's little August.

I picked him up.

Me: Aww you agree don't you?

He nodded.

Nico: You can add dead to that list now.

Me: Yep.

Juleka: Good riddance.

Qin: Yeah.

Me: I have 2 words for her too. Evil Incarnate.

Lola: Good.

Nico: Three for her. Spawn of Satan.

Laney: Yep.

Me: I think everyone gets the point.

Xenia: Yeah.

Noir Spiderman: I just hope this isn't coming out of our paycheck.

Me: Nah. I got this.

I snapped my fingers and everything was fixed up.

Hawk Moth: Well a deal is a deal. I'll go into the Masters of Evil.

Nico: All right then.

Me: Cool. And it looks like the Donbrothers Hitotsuki is going into the M.O.E. Too.

Qin: Yep.

Taro: At least I was in control.

Me: You sure were.

Lola: Yep.

Nico: Now the fun part comes.

Qin: Yep. Time for the fun part. The Anothers.

Nico: Yep.

Eli: And we have a bunch of prehistoric ones. We have Brachiosaurus Deadman, Universe 666 Sharptooth, Sharptooth Swimmer (Land Before Time IX), Browridge Sharptooth (Land Before Time VI), Plated Sharptooth (Land Before Time V), Sailback Sharptooth (Land Before Time XII), Horned Sharptooth (Land Before Time XIV), Star Creature and Multiple Man.

We gasped!

Me: Whoa!

Aylene Carter: Wow! Mostly Land Before Time dinosaurs.

Qin: Yeah.

Ikki: Including a Deadman.

Qin: Yeah.

Nico: Yeah.

Maria: Who do we call in for this one?

Me: Sora Roxas, Hailey Kirlian, Lorelai Roundtree, Juri Han, Chun Li, Cammy White and Ingrid.

Nico: Cool!

Then Maria called them in and out of vortexes of energy came said people.

Chun Li: (Chinese Accent) What did we miss?

Cammy White: (British Accent) I have a feeling the fun is about to start.

Me: It sure is and you haven't missed anything.

Luan: But we did sock it to Lila.

Lola: Yep.

But then…

Boom.

Lana: What was that?

Me: Shh.

Boom.

We heard it again.

Boom. Boom.

Eli: Anybody hear that. It's a um… (Boom) It's an impact tremor is what it is. I'm fairly alarmed here.

Nico: Why don't we ask THEM that?!

We saw Another Brachiosaurus Deadman, Universe 666 Sharptooth, Sharptooth Swimmer (Land Before Time IX), Browridge Sharptooth (Land Before Time VI), Plated Sharptooth (Land Before Time V), Sailback Sharptooth (Land Before Time XII), Horned Sharptooth (Land Before Time XIV) and Star Creature!

Nico: OH BOY!

Qin: Whoa!

Lola: Awesome!

Another Brachiosaurus Deadman: (In a girls voice) Boy awesome way to make an entrance!

Me: (GASP) That voice!

They merged and reverted back and it was a girl with brown hair and blue eyes and she had green clothes and green angel wings and had a long Mamenchisaurus tail and she had a tiara with the symbol of the Brachiosaurus Dopant on it and the same symbol was on her skirt and she had a Lava sword in her hands.

Me: (GASP) Bianca Brachiosaurus!

Nico: WHOA!

Bianca Brachiosaurus: Awesome to see you again J.D.

Me: Same here. Bianca is the Embodiment of the Brachiosaurus Dopant and she has the strength and power of a thousand Brachiosaurus' and she has the appetite of a thousand of them.

Nico: WHOA!

Bianca Brachiosaurus: I know. Also I have the power to summon spirits of dinosaurs.

Nico: Cool!

Bianca Brachiosaurus: I know. Also I know a lot about different types of Sauropod Dinosaurs. I can also summon many kinds of them from many eras.

Xenia: That is cool!

Philip: And the Brachiosaurus Dopant was one that we never faced.

Me: Actually it's a Manga and Anime exclusive one.

Nico: Yep.

Philip: Oh.

Maria: Wait until you see Jurassic Park!

Bianca Brachiosaurus: I heard all about it and I heard it was destroyed by a volcanic eruption and had to relocate.

Me: Yep. It's now Paleozoic World.

Bianca Brachiosaurus: Cool.

Me: By the way is the Another Multiple Man friendly or hostile?

Bianca Brachiosaurus: Friendly and this one has many kinds of powers.

Me: Wow!

May: Sorry we have to fight like this.

Bianca Brachiosaurus: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: YEAH!

We fired waves of energy blasts and more and blew them apart and I caught the Wonder Ride Books!

Nico: OH YEAH!

Bianca Brachiosaurus: That was fun.

Nico: Now we wait.

Multiple Man: Better make an army for this.

He formed 1,500 clones!

Qin: Yeah!

Me: Here it comes!

We saw a figure and it was ANOTHER MULTIPLE MAN!

Me: WHOA!

Xenia: Another Multiple Man.

Another Multiple Man: (In a girls voice) Looks like the fun started.

Me: (GASP) That voice.

She reverted back and was a girl with yellow hair and blue eyes and had yellow clothes and yellow angel wings and had a light aura around her and she had a tiara with the symbol of the Heaven Dopant on it and she had the same symbol on her skirt and she had a sword of angels in her hand.

Me: (GASP) Hannah Heaven!

Xenia: Cool!

Hannah Heaven: Awesome to see you again J.D. and I heard about everything that happened to you in that journey to find the fragments.

Me: That was fun. Hannah is the Embodiment of the Heaven Dopant and she has Omnipotent powers like me. She can do it all. Including multiply herself.

Xenia: WHOA!

Qin: That is powerful!

Me: Yep.

Kaito: (Gets out Shinkenger gear) Did Swartz promise you anything?

Zocks: (gets out Goseiger gear) Because we can grant it instead.

Kaito got a Samurai Sword and Zocks got a Megaforce Sword.

Hannah Heaven: No he didn't. He was in too much of a hurry to send me out. He was afraid of my power.

Me: I'm not surprised. Hannah's power is as strong as mine is.

Nico: That is really cool!

Qin: Yeah.

Hannah Heaven: I know.

Sougo: (gets out Samurai Ridewatch) Speaking of the Tablet, where is it now?

Geiz: (gets out Megaforce Ridewatch) Hopefully somewhere secure.

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArmor.

Me: Yes it's safe. For good too.

Qin: Yeah.

Me: Sorry we have to do this Hannah.

Hannah Heaven: No worries.

She turned into Another Multiple Man!

Nico: Time for some star clones. (ACTIVATES MULTIPLE MAN AND STAR CREATURE'S RIDEWATCHES)

May: And this! (ACTIVATES SUMO WRESTLE AND DARK KAMEN RIDER DRIVE'S RIDEWATCHES)

Maria: This too! (ACTIVATES HIRAMECHIMEDES AND HYDRA'S RIDEWATCHES)

They all fired waves of energy and elements and blasted her all over.

Firecracker Burst: This will be fun! (ACTIVATES STAR CREATURE'S RIDEWATCH)

She fired stars and blasted her all over.

Me: Just so you know it's going to hurt.

Fire Man 2: I'm ready.

Me: Okay here we go. (SNAPS FINGERS)

Then Merman, Genbu, Commander Saturn, Water Galboros, Paradox Brothers and Hot Dog Monster came.

Nico: Nice team Merman!

Merman: Thanks Nico.

Then a Fire Man came!

Me: Whoa Fire Man!

Qin: This one is hot!

Lola: Yep!

Fire Man 2: (In a girls voice) This one will burn.

Nico: Felicia Fire! Wow!

Fire Man 2: Awesome to see you again Nico. I got this.

She fired a wave of fire and blasted down Another Multiple Man and I caught the Ridewatch and purified it.

I brought Hannah over.

Me: If I were to guess you're naked right?

Fire Man 2: Yep I sure am.

Nicole: Oh boy. No peeking or I'll gouge your eyes out and shove them up your nose!

The boys covered their eyes and I put on my blind man glasses.

She then doubled over in pain as she reverted back!

She groaned in pain.

Fire Man 2: It hurts!

Me: It'll be over in a few seconds!

She reverted back and was a girl with red hair and orange eyes and had fire angel wings and had a flame in the middle of her forehead.

Felicia Fire: (GROANS) That hurt. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her awesome knew red and orange clothes.

Varie held out a mirror.

Felicia Fire: Wow! I look awesome!

Nico: You sure do.

Firecracker Burst: What's your favorite memory of Nico?

Felicia Fire: When me and Nico raided a mafia hideout and brought their entire operation down and arrested them all.

Nico: Yep. That was fun.

Me: Boy it sure must've been.

Nico: Yep.

Nico and Felicia hugged.

Nico: I've missed you.

Felicia Fire: Same here Nico.

Later, we joined Mr. and Mrs. Rossi at their mansion.

Me: Wow, this is quite a fancy mansion.

Mr. Rossi: Thanks, J.D., and we can't thank you enough for telling us of what Lila had done, she was such a monster!

Mrs. Rossi: Indeed, she caused us and all of Paris so much pain and suffering, now Paris is safe once more. Oh, and about who fired that blast of goo that shut our ex-daughter up, okay, you can come in now.

Suddenly, we saw a massive 8'3" tall figure as big as The Hulk with abnormally massive and powerful upper and lower body muscles and eight-pack abs and wearing a black symbiote bodysuit covering his massive and muscular hulking body and it had the Spider emblem on its chest and eight-pack abs and his head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Whoa, so this is the guy who fired that blast of Symbiote goo that shut Lila's big fat mouth?!

Mr. Rossi: (Snickers) He sure did.

Lincoln: (Sees the orange color on the symbiote bodysuit) Wait, the orange color on the symbiote suit, there's only one person whose favorite color is orange, isn't that right, Lincoln Loud?

Suddenly, the symbiote mask peeled itself off and it revealed his face: it was Lincoln Loud, but he had long wild white hair, neon orange eyes, fangs, and he looked like he was 21 years old with some black beard stubble on his chiseled jawline.

Black-Suited Lincoln: You catch on real quick, yeah, you're right, I'm you from a different Earth, and I bonded with a Symbiote and also got bit by the radioactive spider that gave Spiderman his powers as well.

Nico: Holy shit! You wound up bonding to a Symbiote Suit and getting bit by a radioactive spider?! That's what I call a double-whammy!

Me: No shit.

Black-Suited Lincoln: And it's not just me, but my Earth's sisters also bonded with the other Symbiotes and also got bit by radioactive spiders as well.

Suddenly, the symbiote's face appeared from Black-Suited Lincoln's shoulder.

Black-Suited Lincoln: This is my partner, Omega, he's the Symbiote that bonded to me.

Omega: Yes, and me and my fellow Symbiotes happen to be very "unique" in a way.

Girl Jordan: How so?

Omega: Would it count that we got exposed to cosmic radiation eons ago, and when we bonded with our hosts, the cosmic radiation imbued them with the same powers that all of you have?

Our jaws dropped.

CLANG!

Eli put our jaws back.

Me: WHAT?! OH MAN!

Black-Suited Lincoln: Yep, and we've trained constantly for nine years and we became heroes in some way, and here's the additional bonus: the exposure to cosmic radiation eons ago had overridden our Symbiotes' weaknesses to sound and fire.

Nico: Damn! So, we can expect to run into your sisters in the future?

Black-Suited Lincoln: Exactly, and there's a reason why I'm here: I want to merge with you, Lincoln.

Lincoln: Are you sure?

Black-Suited Lincoln: I am, and I'd heard of your time to shine when you went after Ultimate Electro with Ultimate Spiderman, you really gave it to that living lightning rod.

Me: Whoa, word travels fast.

Nico: It sure has.

Lincoln: You got that right. Alright, let's do it.

Black-Suited Lincoln: Awesome. Now, please hold still, this is going to hurt.

Black-Suited Lincoln turned into Omega and he formed a massive black Symbiote web which latched onto Lincoln's stomach, and Lincoln began absorbing Black-Suited Lincoln into his body, and then, Lincoln's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lincoln began merging with Lincoln and Lincoln had gained all of his Black-Suited self's powers and abilities along with knowledge. Then, Lincoln's rainbow energy aura settled.

Me: Is it over?

Lincoln: It is. Hey, Black-Suited Lincoln, you settling in alright?

Black-Suited Lincoln: (Speaking through Lincoln's emblazoned Rainbow Thunderbird and Third Eye) Yeah, I've settled in perfectly.

We saw Lincoln's emblazoned Rainbow Thunderbird glow with orange light.

Eli: So, whenever we speak to you, the Thunderbird will glow with orange light.

Me: Awesome, we already can speak with Lincoln's other counterparts as well.

Lincoln 2, 3, and 4: (Through the Rainbow Thunderbird) Exactly.

Girl Jordan: Ooh, Lincoln, try to summon your Symbiote suit.

Lincoln concentrated and immediately, his massive muscular body was covered in a black Symbiote suit with orange light reflecting off it and it had the spider emblem on it.

Lincoln: Yep, it worked.

The Symbiote suit disappeared back into his body.

We later cured Ellie Agreste and Adrien had his mother back and Gabriel was happy. He was now as Hawk Moth for the M.O.E.

Liu Kang: Just like with the other revenants, we can't show Kung Lao's revenant any mercy.

Black-Suited Lincoln: (Through The Rainbow Thunderbird) Especially if he uses that razor-sharp hat of his, now that'll be trouble.

T.J. Johnson: That's one thing we want to avoid when we fight Kung Lao's revenant.

Lincoln: Right, T.J.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's crisscross orange straps on his chest harness and orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold as Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Lincoln: Now, let's go find Kung Lao's revenant and fast.

Suddenly, we saw a beautiful and super sexy girl with long ice blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and Ice Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, ice, Keyblades, and angels on the coattails and on the back is Arendelle and in her right hand is the Crystal Snow Keyblade.

And the second is a beautiful and super sexy girl with long brown hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful brown angel wings and Earth Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, earth, roses, Keyblades, and angels on the coattails and on the back is Beast's Castle and in her right hand is the Rumbling Rose Keyblade, and with them are the fourteen girls.

Lincoln: (GASPS) Vina Vexen, Keyblade Knight of Arendelle and Embodiment of Vexen, The Chilly Academic of The 5 Winters and Lorelei Lexeaus, Keyblade Knight of Beast's Castle and Embodiment of Lexeaus, The Taciturn Stalwart of The 4 Earthquakes.

Vina Vexen: That's right.

Lorelai Lexeaus: And we got the girls away from Kung Lao's revenant and Boss Cass took off again.

?: RAIDEN!

We then saw our target, the Revenant version of Kung Lao, and he was out for Raiden's head.

Lincoln fired gold spider silk webs that tied him up, and then, he chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Revenant Kung Lao and purified him and freeing him of Quan Chi's curse and Shinnok's dark influence. We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Alternate Kung Lao: W-what happened?

Kung Lao explained everything to his alternate self, and he was horrified by what he'd done.

Alternate Kung Lao: I can't believe what I've done. I let my own arrogance and anger blind me, and even worse, I turned against my own comrades and cost them their lives, and I betrayed Lord Raiden and the Elder Gods. I am filled with so much regret.

Lincoln: This wasn't your fault, it was Kronika's lies along with the dark actions of Quan Chi, Shinnok, and Shao Kahn from your timeline that this happened to you.

Alternate Kung Lao: But, still, what I'd done can never be forgotten. (To Kung Lao) There is something I need you to do, Kung Lao: I need you to assimilate me. You'll not only have my powers, but you'll also have knowledge of everything we'd heard from Kronika. This is the only way I can redeem myself.

Kung Lao: I understand.

Kung Lao went up to his alternate self and he placed his hand on his head, and then, Alternate Kung Lao glowed with bright green light as he was assimilated into Kung Lao and he assimilated all his alternate self's powers and knowledge. Suddenly, a massive tornado of spiritual wind exploded out of him and surrounded him, and a dragon of blue fire flew around the vortex. Then, the vortex faded, and Kung Lao emerged.

But, he underwent quite a powerful transformation: he now had glowing neon blue dragon and cloud tattoos on his arms, necklace of blue prayer beads, he has on his past self's outfit from Mortal Kombat 11, and his hat has the White Lotus symbol on it, and he also now has massive black angel wings with red and blue tips on the black feathers.

Nico: That was incredible!

Lincoln: Kung Lao assimilated his purified alternate self, and assimilated all his alternate self's powers and knowledge.

Kung Lao: Just like what Liu Kang did in assimilating his alternate future's self along with his powers and knowledge, I also did the same with my alternate future's self. Kronika will not get away with this, when the time comes that we face her, she will die, and the same will go with Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, Kollector, and Bi-Han.

Lincoln: That's right, Kronika's done enough damage to too many timelines in her madness to create a New Era and Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, Kollector, and Bi-Han have caused enough damage to Outworld and Earth, and they will answer for their crimes. (To Vina Vexen and Lorelai Lexeaus) And it's so good to see you both again, Vina Vexen and Lorelai Lexeaus.

Vina Vexen and Lorelai Lexeaus: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, girls.

Lincoln went up to Vina Vexen and Lorelai Lexeaus and he hugged them, and Vina Vexen and Lorelai Lexeaus are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Vina Vexen: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Lorelai Lexeaus: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these two sexy hot mamas?

Lincoln: Indeed I do, J.D, the first girl is Vina Vexen, Keyblade Knight of Arendelle and Embodiment of Vexen, The Chilly Academic of The 5 Winters, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of ice and she's the intelligent academic of The Keyblade Knights and Organization XIII Embodiments and she's a very good friend of Princesses Anna and Elsa and all their friends, and she absolutely hates that powerhungry mongrel, Hans, with a very bloody vengeance so much so she wants nothing more than to kill him and leave him to die in the snow, and Vina also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Vexen and she wants to make sure he and the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Michelle Emperyous: You got that right, and she came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: That's so awesome.

Lincoln: And the second girl is Lorelei Lexeaus, Keyblade Knight of Beast's Castle and Embodiment of Lexeaus, The Taciturn Stalwart of The 4 Earthquakes, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of earth and she's the collected and superhuman strong powerhouse of The Keyblade Knights and Organization XIII Embodiments and she's a very good friend of Beast, Belle, and all their friends, and she absolutely hates that chauvinist pig, Gaston, with a very bloody vengeance so much so she wants nothing more than to kill him and leave him to die in the snow, and Lorelai also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Lexeaus and she wants to make sure that the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Selene Emperyous: She really hated that pig for a long time, and she was glad he got thrown in prison forever. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Wow, that's really powerful, and you don't have to worry, if Hans comes back, he's getting The Black Gates forever!

Vina Vexen: I know we'd heard he got sent to The Warp for his crimes, but you're right, he could come back again, but if he does, it's The Black Gates for him.

Lincoln: You said it, and now that you two are here.

Lincoln went up to and hugged Vina Vexen in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Vina Vexen: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on Vina Vexen and Lorelai Lexeaus' necks with blue and brown gems on the gold lightning bolts and blue and brown crystal links from their merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Vina Vexen and Lorelai Lexeaus.

Vina Vexen and Lorelai Lexeaus had a smile on their face and tears in their eyes and they then pounced on Lincoln and they proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the fourteen girls, and when Lincoln saw them, he immediately recognized them immediately. Me: I'm gonna rip that dirty cassoway's head off for this!

Nico: Save seconds for all of us, J.D., he's not getting out of this alive!

* * *

After purifying Revenant Kung Lao and Kung Lao assimilated him, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Vina Vexen and Lorelai Lexeaus saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Vina Vexen: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and

powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Lorelai Lexeaus: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Vina Vexen: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lorelai Lexeaus: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Vina, Lorelai, what memories did you have with Lincoln?

Vina Vexen: We were hoping you'd ask that. Well, one time, Lincoln, Lorelai, and I along with the rest of his Guardian Angels and harem were at Becky Long's house, and we were working on a project for science: we were working on a cold fusion generator, and with it, we were going to use it to provide a means of providing clean safe electricity to Michigan, and it would work in case a major blackout were to occur.

Lorelai Lexeaus :But, then, Becky's alarm sounded, and we suddenly heard the familiar sound of a loud belch in the air along with catching the smell of B.O., farts, and smelly feet, and we knew who it was that had those sorts of characteristics: that aggressive, belching, farting, rude, disgusting pig of a sister, Lynn, and we found out that mutt was come back to kill Lincoln and all of us. We weren't going to tolerate it, Lincoln and I went after that four-legged freak and we beat her senselessly into the dirt and tied her up.

Vina Vexen: And I froze her in a block of ice and pushed it back to The Loud House, and when Lynn was thawed out, she got grounded for nineteen weeks and thrown in a metal container after she got taken to the hospital and put in a full-body cast.

Nico: Sheesh, Lynn didn't stand a chance against you and Lincoln, Lorelai.

Lincoln: Lynn acted like an animal, but we analyzed her movements and made the right moves to avoid her attacks and counter.

Me: That's why I saw Lynn in a full-body cast that day.

Varie: Lincoln told us the whole thing, and we were pretty pissed at Lynn that day.

Nico: Shame on that animal. By the way, did that cold fusion generator of yours work?

Vina Vexen: It sure did, and as a result, we were awarded with medals from the Science Committee of Royal Woods for an outstanding achievement.

Me: It worked like a charm and it was really awesome.

Nico: With an achievement and smarts like that, you could be in college.

Lincoln: She was really that smart, and her smarts have beaten Lisa any time she tried to kill me.

We got a shower, and then, Lincoln, Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Ayeka Masaki Jurai: Wow, so this is Coral Capers, it sure is awesome.

Lincoln: It sure is, Ayeka, and it's perfect for our first date. Shall we?

Lincoln, Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Ayeka Masaki Jurai, Simulator

Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Ayeka Masaki Jurai, Simulator Sasami Masaki Jurai, Simulator Ryoko Hakubi, Simulator Mihoshi Kuramitsu, Simulator Kiyone Makibi, and Simulator Mermista, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Deep Dark Galaxy.

Me: Cool!

Kairi: Me and Aqua will go next.

Nico: All right then.

Me: Go for it.

Aqua: Okay.

They went into the Simulator and Nicole activated it and they were at DEEP DARK GALAXY!

Aqua: Here we are.

She fired waves of energy and blasted Kamella all over!

Kairi and Aqua did the same and it hurt bad.

Nico: Any tips, Nicole?

Nicole: (On the radio) Looks like you're going after Kamella again. You gave to get to the ship he's at and then do what you did before to him.

Nico: Okay.

Kairi: Lets go then.

They dove underwater and found a ghost ship in a cave.

They got on board.

Aqua: Kamella. I know you're here!

Out came KAMELLA!

Nico: There he is.

Kairi: Time for round 2!

Aqua: Lets do it!

?: Let me help too!

A Figure came out and it was a girl with blue hair and she had blue eyes and had red clothes and angel wings and had a tiara with the symbol of Battle Fever J on it and she had the same symbol on her skirt.

Nico: Whoa!

Janet Javier: Janet Javier the Embodiment of the Battle Fever J is ready.

Nico: Awesome!

Nico: (gets out Multiple Man and Billy Numerous' Ridewatches)

Time to make an army!

He activated them and formed into an awesome army!

They fired waves of energy and blasted Kamella all over

Kairi: That's a lot of Nicos!

Aqua: No kidding.

The staff containing the star shattered and the star was freed!

Aqua: There's the star!

Nico: Go get it!

Kairi and Aqua went and got it.

YOU GOT A STAR!

Nico: YEAH!

Janet Javier: That was fun!

They all high five

Aqua: Can you tell us more about yourself?

Janet Javier: Certainly. I like traveling the world and seeing new places, new people. New cultures and more. Also I'm a photographer. I make my own art of places from around the world.

Me: Cool!

Nico: That's amazing. Would you like to join the team?

Janet Javier: I would be honored.

Later they left the simulator and we cheered wildly.

---

The mascots were playing a game on the computer.

MJ: What are you guys playing?

Poromon: League of Angels. It's really cool.

Poliwag: And the girls are all really pretty.

Me: Boy they sure are.

MJ: Ooh that is awesome.

Nico: League of Angels is one of my favorites. It's fun.

Ultimate Gwen: Where did you first find this game?

Poliwag: We saw it on YouTube and it was fun.

Manaphy: So we're hooked on it.

Nico: That's a fun game there.

Lola: Yeah and the wings of the girls are beautiful.

Xenia: They sure are.

Nico: Yep.

Horsea: And the powers they have are awesome.

Poromon: Yep.

Apeface: Have you gotten into any rivalries with the players in this game?

Poromon: No it's an adventure. Right now we're on level 10.

Me: Made really good progress.

Xenia: You sure did.

Camie: Yep.

Me: Some of the girls in this game would make great members of the team.

Nico: I agree there too.

Broadside: Can I see your avatars?

Poromon: Sure.

Poromon's avatar was a girl with blond hair with water powers

Poliwag's Avatar was a girl with brown hair with white wings

Manaphy's avatar was a girl with white hair and had 1 bat wing and 1 angel wing

Horsea's avatar was a girl with blue hair and bat wings.

Nico: Ooh pretty.

Xenia: Yeah.

Me: Those are awesome.

Ace: We should play that sometime.

Poromon: It's really fun!

Qin: Yeah no kidding.

Me: I agree there.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Chris D'Amico, son of the deceased crime lord, Frank D'Amico, and he's planning on causing full-blown chaos as his revenge for the death of his father. When we saw it, we knew it meant trouble

Lincoln: Why, that little… !

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Chris D'Amico, son of the deceased crime lord, Frank D'Amico, and he's planning on causing full-blown chaos as his revenge for the death of his father.

We gasped.

Diana Darkus: Ugh, not that asshole again!

Nico: Diana, you know that piece of shit?

Diana Darkus: Know him? I hate that asshole, along with his piece of crap father, Frank D'Amico, his ugly bitch mother, Angie D'Amico, and his equally heartless asshole uncle, Ralph D'Amico.

Lincoln: I don't know if I told you all this, but seven years ago, Diana was the one who got Ralph sent to prison for the rest of his life for his crimes, and ever since then, the entire D'Amico family wanted her head on a pike for what she did.

We gasped.

Eli: So, you've got some unfinished business with Chris, right?

Diana Darkus: That's right, and I'm really going to enjoy giving that murderous asswipe the ultimate castration by slicing off his crotch and chopping off his legs!

I and the rest of the male members of the team covered their crotches in defense!

Me: I didn't know you had such a terrible history with him.

Nico: That's some serious hate you have for that asswipe! Alright, after we get done beating his ass into the ground, we'll let you do that, Diana.

Diana Darkus: And I'd like Lincoln to help out as well, you chop off his legs, I get to castrate him.

Lincoln: Awesome!

Nico: First we'll watch Kickass and get to know what it's like for us and then we'll head out.

The previous group came.

Mercurymon: Can me, Duskmon, Grumblemon, Ranamon, Arbormon, Femme Fatale, Speed Demon, Robo Roxy, Mysterio and Copperhead go with you guys?

Nico: Yes you all can.

Mercurymon: Okay then.

Xenia: Awesome.

Vegeta: Bokrua, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for Elec Man next.

Me: Shocking!

Qin: Yep.

Nico: First we're going to watch the movie Kick-Ass and then learn about our target.

Lola: I'll get the popcorn.

Lola did so and wee then got to watching the movie.

Dave Lizewski is an ordinary teenager who lives in Staten Island, New York. Inspired by comic books, Dave plans to become a real-life superhero. He purchases and modifies a scuba diving suit and arms himself with batons. During his first outing, he gets stabbed and hit by a car. After recovering, he gains a capacity to endure pain and enhanced durability due to having some bones replaced with metal. In his absence from school, a rumor spreads that he is gay. As a result, his longtime crush, Katie Deauxma, immediately attempts to become his friend. Unhappy with the misunderstanding, Dave nevertheless appreciates the opportunity to get closer to Katie.

Dave returns to crime-fighting and gains notoriety after saving a man from a gang attack. Calling himself "Kick-Ass", he sets up a Myspace account where he can be contacted for help. Responding to a request from Katie, he confronts a drug dealer, Rasul, who has been harassing her. At Rasul's place, Kick-Ass is quickly overwhelmed by Rasul's thugs. Before they can kill him, two costumed vigilantes, Hit-Girl and her father, Big Daddy, intervene, easily slaughter the thugs and leave with their money. After coming home, Dave realizes he is in over his head and plans to give up crime-fighting. However, Hit-Girl and Big Daddy pay him a visit and encourage him.

Big Daddy's real identity is Damon Macready, formerly an honest cop. Framed by Mafia boss Frank D'Amico, he was jailed. His wife committed suicide, leaving behind his daughter Mindy. Against the protest of his former partner Marcus Williams, Damon trains himself and Mindy as preparation for getting revenge on Frank. They have been undermining Frank's operations by raiding his warehouses, robbing his money and destroying his drugs. Frank believes Kick-Ass is responsible for the attacks and targets him, though he mistakenly kills a party entertainer who is dressed like Kick-Ass. Frank's son Chris suggests a different approach and poses himself as a new vigilante named "Red Mist" and befriends Kick-Ass.

Chris plans to lure Kick-Ass into Frank's lumber warehouse and unmask him. However, they find the warehouse on fire and Frank's men dead. Red Mist retrieves a hidden camera he earlier placed in the warehouse, and he sees recorded footage of Big Daddy killing the men and burning the warehouse. Red Mist and Kick-Ass part ways. Frank watches the footage and learns of Big Daddy. Following the event, Dave decides to quit being Kick-Ass. He reveals his identity to Katie and clears up the misunderstanding about him being gay. She forgives him and becomes his girlfriend. However, Red Mist contacts him again and tricks him into revealing Big Daddy and Hit-Girl's location.

At one of Big Daddy's safe houses, Red Mist shoots Hit-Girl out of a window, and Frank's men capture Big Daddy and Kick-Ass. Frank intends to have his thugs torture and execute his captives in a live

Internet broadcast. While Kick-Ass and Big Daddy are being beaten by Frank's gangsters, Hit-Girl, having survived the shooting, storms the hideout and kills all of the gangsters. During the fight, one thug sets Big Daddy on fire. Big Daddy and Mindy say a tearful farewell before he dies of his burns. Kick-Ass and Hit-Girl resolve to defeat Frank D'Amico once and for all. Hit-Girl infiltrates Frank's headquarters and kills numerous guards and henchmen before running out of bullets.

When Hit-Girl is cornered by the thugs, Kick-Ass arrives on a jet pack fitted with miniguns and kills the remaining thugs. Kick-Ass and Hit-Girl then take on Frank and Red Mist. Kick-Ass fights Red Mist, which results in them knocking each other out. Frank overpowers an exhausted Hit-Girl. Before he can kill her, Kick-Ass regains consciousness and blasts Frank out of the window with a bazooka, killing him. Red Mist then regains consciousness, grabs his father's Samurai sword and pursues Kick-Ass in order to continue their fight just in time to see Kick-Ass and Hit Girl fly away on the jet pack.

Dave and Mindy retire from crime-fighting; Marcus becomes Mindy's guardian, and she enrolls at Dave's school. Meanwhile, Chris sits in his father's office, dressed in an upgraded suit, preparing to seek his revenge on Kick-Ass for killing his father. Facing the camera, he says, "as a great man once said, wait'll they get a load of me", before firing a gun at the screen.

---

When the movie was done we were amazed and shocked!

Tayuya: WHOA! J.D. you were not shitting about this movie. It's worse rotten than me.

Me: Told ya.

Nico: But it was still awesome!

Nicole: Hit Girl will make an awesome partner for me in hunting Bullies.

Diana Darkus: But we're not going after Frank, we're going after his son Chris.

She pulled up his history.

---

Christopher "Chris" D'Amico, also known as Red Mist and later The Motherf-ker, is the main antagonist of the Kick-Ass film duology, serving as the secondary antagonist of Kick-Ass and the main antagonist of Kick-Ass 2. He is the son of Frank D'Amico and the archenemy of Kick-Ass who went from an aspiring mobster to self styled supervillain after his father's death at the hands of Kick-Ass.

He was portrayed by Christopher Mintz-Plasse, who also portrayed Edward "Evil Ed" Lee in the 2011 remake of Fright Night.

In the first film, Chris appeared as Red Mist but also as the secondary antagonist.

When it is believed that Kick-Ass is responsible for killing Frank's drug dealers and henchmen, Chris disguises himself as a superhero, Red Mist, and befriends Kick-Ass. During this time, he learns that Big Daddy and Hit-Girl, not Kick-Ass, are the vigilantes intent on bringing down his father's business. He tricks Kick-Ass into taking him to meet Big Daddy and Hit-Girl, in order to lure all three heroes into a trap. He is as ruthless as his father, although he is still human enough not to harm those who pose no threat to him or his father, as evidenced when he pleads with Frank to spare Kick-Ass' life after proving his innocence.

However, when Kick-Ass forms an alliance with Hit-Girl in order to destroy the D'Amico family business, he engages Kick-Ass in a fight and tries to kill him, but ultimately loses the fight. After his father's death at the hands of Kick-Ass, Chris dons a new mask and vows revenge on Kick-Ass and Hit-Girl. At the end of the movie, he sits at his father's desk with a handgun and says "As a good man once said 'Wait till they get a load of me.'" He then shoots his handgun at the camera (breaking the fourth wall), ending the film.

Chris returns as the main antagonist of the sequel as The Motherfucker.

After his father's death, his mother insisted that Chris's obsession with killing Kick-Ass was unhealthy and that Frank died in a fire. Chris, in a fit of rage, accidentally kills his mother by breaking her tanning bed whilst she was in it. Chris takes his mother's outfit and renames himself The Motherfucker.

After his first crime results in failure, despite his goal of attempting to go viral, his right-hand man Javier says that Chris should be his own man and helps him assemble his league, the Toxic-Mega Cunts by paying people to kill Kick-Ass instead of doing the deed himself. Chris visits his Uncle in prison; during the visit, Ralph orders Javier killed in order to dissuade Chris from his path of villainy, but winds up pushing him even further into evil.

That night, he and the Toxic-Mega Cunts infiltrate the Justice Forever hideout and Mother Russia, second in command and bodyguard of D'Amico, kills Justice Forever leader Sal Bertollini (alias Colonel Stars and Stripes) by stabbing him in the chest with a machete. Despite sparing Sal's German Shepherd, Eisenhower, the team goes out for pizza. The next day, with his gang in tow, The Motherfucker learns Justice Forever member Night Bitch's identity and proceeds to attack her in her house. He then attempts to rape her, but when he is unable to get an erection, he hurts her just as Mother Russia kills many police officers outside.

When Dave's father takes blame for his son and claims to be Kick-Ass to police, The Motherfucker hires thugs to kill Dave's father in prison and assault Dave at the funeral. His minions kidnap Dave and fail to bring him back to the lair. He laughs when Kick-Ass and Hit-Girl infiltrate his lair, explaining he and his army outnumber them, not realizing that Hit-Girl is leading Justice Forever to his hideout. Scared and masking his fear by responding to Kick-Ass, he and Dave stare at each other in anger, before Kick-Ass punches him in the face. A massive brawl then breaks out between the heroes and villains, including Kick-Ass and The Motherfucker; Kick-Ass having the upper hand due to his extensive training. The Motherfucker flees with Kick-Ass in pursuit.

Once on the rooftop, The Motherfucker ambushes Kick-Ass by hitting him over the head as he runs through the rooftop door, sending him to the ground in a daze. After berating Kick-Ass for using his talents to help the defenseless, The Motherfucker and Kick-Ass duel. Eventually, The Motherfucker is beaten by Kick-Ass and falls defeated on the skylight. The skylight cracks, but Kick-Ass grabs The Motherfucker, reminding him that if he dies, he has no second chance. The Motherfucker refuses, swearing that he will return, and plummets to his death. As he falls, he realizes that he doesn't want to die, but he lands right in the shark tank. His relief is short-lived, though; he is promptly ambushed by his shark and seemingly killed.

In a post-credits scene, The Motherfucker is at a hospital, shown to have survived his fall into the shark tank but the shark attack had left him without his legs (and penis). Immobilized and in critical condition, he screams for attention as he attempts to get a sip of water, but is ignored. He will be headed to prison once he heals.

We were shocked hearing about all that!

Qin: What a jerk!

Lola: Yeah!

Nico: This guy is one seriously badass piece of motherfucking shit!

Xenia: Big time!

Tayuya: Yeah no fucking shit there!

Camie: Yeah.

Nico: His name is the Motherfucker?! Aw man! There goes one of our best swear words!

Me: Well soon he will be a shitfucker.

Diana Darkus: When I disembowel him and rip him to shreds.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure is none other than Zarok, the medieval evil sorcerer hellbent on taking over the realm with an army of undead and other ghoulish creatures and main antagonist of the videogame MediEvil, and he's come back with an army of undead and ghouls to take over the world again. When we saw it, we knew it meant trouble.

Lincoln: Oh, you've got to be kidding me!

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone Brittney isn't going to like one bit: the figure we saw and the dark energy we sensed belongs to Zarok, the medieval evil sorcerer hellbent on taking over the realm with an army of undead and other ghoulish creatures and main antagonist of the videogame MediEvil, and he's come back with an army of undead and ghouls to take over the world again.

Brittney: Zarok's back?! Again?!

Nicole: I should've known he'd be back once again, that medieval sorcerer was never one to stay dead and gone, and he's back with an army of undead and ghoulish creatures once more. He's got such a one-track mind!

Irena Steelswarm: But, that doesn't change the fact that Zarok is an evil sorcerer hellbent on world domination and bringing back the dead and summoning an army of ghoulish creatures to do so, he must be destroyed!

Lincoln: Yeah, he's even worse than Quan Chi.

Nico: I was just about to say that. Alright, gang, let's go, we're heading to New York, and we're going to pummel that dumbass, Chris D'Amico.

Lincoln: You better be ready for one serious castration and leg amputation, you sick twisted little mongrel, before we throw your butt back in jail, and once we get done with Chris D'Amico, you're next, Zarok.

Irena Steelswarm: Zarok will not get away with the crimes he's committed since The Middle Ages, that sorcerer will pay with his life!

Diana Darkus: Better be ready, Moron Face, payback's coming for your ass!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to New York to take care of Chris D'Amico and throw him back in prison, and once we got done with that shitstain, Lincoln and Irena Steelswarm are going to destroy Zarok.

We were off

---

We arrived in New York City.

Nico: Good old New York City.

Qin: Yep.

We arrived at Kickass and Hit Girl's school.

Duskmon: Here we are!

Me: Awesome school.

POW!

We saw a Hit Girl and Kickass beating up a bunch of thugs and they were coming!

Me: Lets go!

We went at them.

Me: Hey you motherfucking shitfaces! Pick on someone your own size!

I fired an energy blast and blew one of the thugs to pieces and splattered his blood and guts EVERYWHERE!

The thugs were shaking in their pants.

Me: Who wants some?

Then they peed in their pants and ran like cowards.

Me: Yeah you better run!

Kickass: Wow! Team Loud Phoenix Storm! Thanks for helping us deal with those motherfuckers.

Me: Anytime. Awesome to meet you Dave and you as well Mindy.

Kickass: Same here.

Superman: You guys did really great there.

Hit Girl: It's an honor to meet Superman himself!

Airi: He's not all we brought.

Me: We have the entire Justice League and many heroes all over.

Qin: Yep.

Kickass: That is awesome!

Diana Darkus: I have some unfinished business to settle with Chris. I'm going to kill him and castrate him big time.

Ranamon: You guys got a base?

Hit Girl: My fathers mansion. We'll show you.

We went with them to her father's mansion and when we got there we saw that it was amazing. Her father was REALLY decked out in all kinds of amazing weapons and more.

Nico: Nice place.

Hit Girl: Thanks. It's home.

Me: What an amazing arsenal. You're practically a one man army

Mindy.

Hit Girl: I know. People will think twice before messing with me.

Me: You better believe it. They have no idea who they are fucking with.

Princess Rose: I hope you have more teammates.

Hit Girl: I'm afraid not. Just me and Kickass

Qin: Well now you have all of us too.

Diana Darkus: And me. Since the D'amico family is my problem too.

Kickass: Awesome.

Meg Griffin: Ha you know it's funny. The D'amico family also reminds me of Connie. Her last name was D'amico too.

Kick Ass: Didn't you guys just get done reassembling the Tablet of Order and Chaos?

Robo-Roxy: We sure did!

Me: Yeah that was a really brutal battle for all of us.

Camie: But we all did it and came through.

Xenia: We sure did.

Girl Jordan: But thanks to those battles we came out stronger than ever before.

Noir Spiderman: That's for sure. And I learned many big lessons too.

Laney: We taught the Spiderman of those universes that teamwork, friendship and love can help get you through anything. Even the toughest of all challenges.

Hit Girl: Which motherfuckers did you guys fight over those fragments?

Torch Man: A hunter, a walking pile of sand, a bruiser, a gangster, a cannibal, a crime boss, a goblin, scorpion, a scientist, a walking spark plug, a merc with a mouth, and a monstrous pile of malevolent spaghetti.

Me: They are Kraven the Hunter, Sandman, Juggernaut, Hammerhead, Vulture, Goblin, Hobgoblin, Scorpion, Doctor Octopus, Electro, Deadpool and Carnage.

Nico: Yeah.

Me: Including a certain duckbutt haircut motherfucking shitsucking asswipe that hates my guts to the nth degree and calls me a motherfucking cur.

Kickass: An Evil Sasuke.

Me: Bingo.

Hit Girl: What happened to them?

Me: Well Sandman, Kraven, Juggernaut, Scorpion, Electro, Doctor Octopus and Deadpool are all in the M.O.E. The rest have been given the black gates.

Kickass: Good they can stay there.

Me: Yep.

Noir Spiderman: The ones we killed were Evil Sasuke, Hobgoblin, Hammerhead, Vulture, Goblin, Cletus Kasady, and Carnage.

Me: I just said that we killed them.

Noir Spiderman: Oh sorry.

Speed Demon: Hobgoblin was killed because he was a robot. Someone can always make another version of him.

Hit Girl: (laughs) I don't know when or where you guys got the guts to kill the asshole. But I like it!

Me: Well this was the 2099 version. Same guy but a different body.

Lola: Yeah.

Girl Jordan: Carnage was an epic one.

Hit Girl: Wow!

Ravager: So, do any scum know about this place?

Kickass: No thank goodness.

Me: Good. Then we can put this entire house under our protection.

Xenia: Yep.

Just then, we heard a knock on the door.

?: We know you dumb fucks are in there. Open the fuck up!

Femme Fatale: You guys were saying?!

Me: I got this.

I went over.

I opened the door quick and fired an energy blast and blew all the mafia men hired by Chris D'Amico and BLEW them all to smithereens.

Me: HAHA! Come in it's open.

Nico: Nice shot.

Then we heard more coming.

Me: More of them are coming!

I formed a force field over the house.

Me: That will hold them for a while.

Nauthilax: Where do you keep the guns?!

Hit Girl: This way!

She lead us to the guns and we got tons of them including more grenade launchers and more.

Nico: Oh yeah.

Copperhead: Those fucks will regret coming here!

Me: That is for sure. Here we go.

We saw them coming.

Me: (IMITATING SCARFACE) SAY HELLO TO MY LITTLE FRIEND!

I fired a grenade and it hit a bunch of men and blasted them all into a mess.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Wolfgang: Mate, why do I get the feeling that Connie brat sent them after us?!

Me: Wolfgang just because Chris and Connie share the same last name doesn't mean they are biologically related.

Meg Griffin: But if she did I will end her life.

Xenia: Yeah.

Then MANY MORE MEN came!

Cooper: I got this!

He used his technokinesis powers and made made laser turrets and they fired a blasted them all apart into a massive flaming mess!

Qin: Nice one Cooper!

Wolfgang: Sorry mates. I meant to say Chris!

Me: Oh no worries Wolfgang.

Qin: But his mafia man are all dead.

Me: We should put the FBI on full alert for anymore of D'amico's men.

Xenia: Good idea.

Me: These guys have no idea who they are fucking around with. They are facing the very team that killed Tony Montana and his men as well as Alesandro Sosa and his men and brought an end to the entire South American Mafia.

Qin: Yep.

Hit Girl: That was awesome though!

Xenia: Yeah it was.

But then…

ZING!

An arrow skewered a mafia man through his head and killed him and it Xenia that killed him.

Xenia: Hmm!

Mysterio: Which Heartless Robots should I summon for this?

Me: Pirate Heartless for this.

Mysterio: Good choice.

Qin: Awesome.

Coconuts: Chris' villain name is the Motherfucker. That's the filthiest bad guy name I've ever heard.

Nico: Yeah no kidding.

Qin: Now lets go get this monster.

Lola: He is going to pay.

Nico: Big time.

Arbormon: If I were him, where would I hide?

Me: Over there.

I pointed to a mansion on the roof of a building 200 yards ahead of us.

Nico: Obvious.

Xenia: Yep.

Tyzonn: Entrance time!

We went at the mansion.

Chris was INFURIATED! But then the spirits of all the superheroes appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOO

The entire house exploded in a massive fiery explosion and blew him out into the courtyard and then a phoenix cry was heard and we came out of the fire and then we landed.

Me: Okay you motherfucking douchebag. It's time for you to die.

Diana Darkus: I got a score to settle with you Chris the Motherfucker! Just like when I killed your father!

Chris: Don't you know who I am? I'm the Goddamn Motherfucker, bitch!

Me: HEY! No one uses Juggernaut's line but him!

Grumblemon: Another reason why we're getting rid of you! Motherfucker is one of our favorite bad words!

Me: And also use you obviously do not know WHO YOU ARE FUCKING WITH!

He went at me and I punched him in the face and knocked out some of his teeth and kicked him in the crotch and nailed him hard!

I punched him in the face and stomach and kneed him square in the gut and he belched out a lot of blood.

Chris: I will wear your mother's stomach as a handbag, and your father's dick as a glove!

Me: Come and try it you assfucking piece of motherfucking shit!

I punched him in the face and grabbed him buy his throat and smashed my fist into his stomach 7 times with devastating force and he belched out a huge amount of blood!

Me: Top this.

I wrapped my tail around his neck and then tortured him and brutally beat him up with extreme savagery. He belched up a huge amount of blood and it landed on my face and I licked it off. I bashed him all over with intense savagery and mangled him all over the place as he was groaning and screaming in excruciating pain.

Me: Had enough?

Chris: (Groan) Fuck you!

Me: Okay then.

I resumed beating him up savagely and Ultimate Spiderman joined in and attacked him with his tendrils.

SMASH WHAM BIFF CRUNCH WHAM BIFF KROW BLANG SMASH!

We both were REALLY THRASHING HIM WITH INTENSE BRUTALITY!

Nico: Boy J.D. is really tearing him apart!

Vegeta: It's very fitting Bokrua. Frieza beat me up the same way and now he's getting a taste of the same method.

Nico: He sure is.

Hit Girl kicked his groin!

CRUNCH!

Hit Girl: Take that you dick!

BLANG!

All three of us were REALLY RIPPING HIS ASS APART!

I let go of him and Kick Ass grabbed his throat.

Kick Ass punched him in the face and kicked him down.

Me: Nice one.

He was BRUTALLY MANGLED from the nasty beatdown.

Camie: He had it coming.

Nico: He sure did.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

He was knocked down.

Me: (sounding like Dirty Harry) What's going on here? What? Huh? Oh, what, you going for something? (His eyes dart aside; pan over slightly to Hit Girl.) You going for her?

Chris: (moaning) No.

(Cut back and forth between the two.)

Me: You want some more, man?

Chris: Uh, I wasn't.

Me: You do?

Chris: No.

Me: Yeah?

Chris: No.

(My foot slams down in his face, and the beating resumes.)

I bashed him all over and blasted him.

Lincoln saw Chris D'Amico trying to run, but he fired blobs of Symbiote goo which bound his wrists and ankles to the ground.

Nico: Don't think you're getting out of this unscathed, you little shitstain! Lincoln, Diana, administer the castration and leg amputation!

Lincoln: (Smirks) Gladly.

Lincoln held his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds up in the air and covered the 7'6" massive, wide, double-edged golden blade with rainbow fire, and then… !

SLASH

Lincoln cut off Chris D'Amico's legs and he screamed with agonizingly excruciating pain, and then, Diana Darkus held her dark sword up in the air and covered the blade with dark fire, and then… !

SLASH!

Diana Darkus cut off Chris D'Amico's crotch as he screamed even more with agonizing pain!

Stewie: AAAH! AAAH! OH GOD! OH GOD! OH GOD!

Me: OH! OH GOD, I CAN'T BELIEVE THEY DID THAT!

Nicole: Jeez, maybe I should put Lincoln in as The Anti-Pervert Patrol's Castration Expert.

Then, Lincoln tied Chris D'Amico up in gold spider silk and Symbiote goo and threw him into a van that took him away.

Nico: He's not going to survive in prison, now that his legs and crotch were cut off. Awesome job, gang, we're finally rid of Chris D'Amico.

Diana Darkus: And the curse for him is that his father will see him in hell in prison and then Chris will explode and be banished to the black gates forever.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Zarok.

?: YOU FOOLISH HEROES WILL PERISH BEFORE THE MIGHT OF MY UNDEAD ARMY!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of dark energy blasts that came out of nowhere and they hit the barrier, but the dark energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Zarok, or I will force you out!

A figure came out, and it's none other than Zarok, the medieval evil sorcerer hellbent on taking over the realm with an army of undead and other ghoulish creatures and main antagonist of the videogame MediEvil.

Lincoln: You just don't even know when to quit, do you, Zarok. No matter how many centuries pass, your crazed desire to take over the world with an army of undead and ghouls refused to die with you, you make me sick as always!

Zarok: YOU DARE TO SPEAK TO ME LIKE THAT?! DO YOU EVEN KNOW WHO I AM?!

Irena Steelswarm: Clearly, we do, you defiler of the dead!

Suddenly, Irena Steelswarm's dark purple eyes turned neon dark purple and she was surrounded by a black and silver energy aura with stars, light, darkness, insects, fiends, swords, phoenixes, and angels, she unholstered her sword from her hip, and as she approached Zarok, she left black and silver energy, stars, light, darkness, insects, fiends, swords, phoenixes, and angels with every step.

Irena Steelswarm: Everything that Lincoln said about is indeed true, no matter how many centuries pass, your crazed desire to take over the world with an army of undead and ghouls refused to die with you, you defile the graves of the dead and used your dark magic to inflict pain and suffering on the living with no remorse or disregard for the lives of the innocent! Zarok, as punishment for all of your crimes that you've committed against the living and the dead, you are hereby sentenced to death!

Suddenly, Irena Steelswarm was surrounded by a massive vortex of black and silver energy with stars, light, darkness, and swords surrounding the vortex, there are insects, fiends, phoenixes, angels, and The Steelswarm Duel Monsters flying around the vortex, and in the vortex is a dark purple phoenix with red eyes glaring at Zarok: the red eyes of eternal death. Then, as the vortex faded, Irena Steelswarm emerged, but she was changed forever.

Irena Steelswarm grew to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large midnight black and silver orbs orbiting around her legs, she has the body of a goddess, she has silver highlights in the bangs of her long neon midnight black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon dark purple eyes and a black and silver energy aura with stars, light, darkness, insects, fiends, swords, phoenixes, angels, and The Steelswarm Duel Monsters surrounding her, she has The Steelswarm Duel Monsters surrounding the Steelswarm symbol emblazoned on her forehead and Third Eye with dark purple iris, she has on phoenix earrings with dark purple gems for eyes and holding the Sword, Light, Dark, Star, and Eternity Kanjis in its hands, she also has The Steelswarm Duel Monsters with dark purple gems for eyes and holding the Sword, Light, Dark, Star, and Eternity Kanjis in its hands on the bottom of her dark purple phoenix-shaped Element of Harmony for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and dark purple gems on the gold lightning bolts, and she also has on her new white and gold-accented Elemental Thunderbird Choker Necklace of Eternal Love. Irena Steelswarm has on a sleeveless black vest, sleeveless black top, black skirt, black pants, black legwarmers, black sneakers, and long sleeveless white trenchcoat with stars, swords, light, darkness, insects, fiends, phoenixes, angels, and The Steelswarm Duel Monsters on the coattails and on the back are The Steelswarm Duel Monsters surrounded by stars, swords, light, and darkness. Suddenly, Irena Steelswarm felt a sharp pain on her back, and then, her massive silver angel wings with black and dark purple tips on the silver feathers grew much bigger for her new body, and she now has eleven massive and long black wolf tails with silver tips and silver markings, she has on a Ring of The Phoenix with dark purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and

Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Irena Steelswarm's sword and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of black and silver energy, stars, swords, light, darkness, phoenixes, angels, and The Steelswarm Duel Monsters, and when it emerged, it was transformed into Irena Steelswarm's Twilight Fiend Steelswarm Duel Monsters Phoenix Angel Greatsword of Twilight Fiend Steelswarm Phoenix Angel Justice, it's a brand-new massive greatsword with embedded dark purple gems and The Steelswarm Monsters etched on the 7'6" massive, wide, double-edged black blade, large silver phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large dark purple gems embedded in the foreheads, longer midnight black handle, four black phoenix heads with dark purple gems for eyes and large silver phoenix head with dark purple gems for eyes and a large dark purple gem in its mouth on the bottom of the black phoenix heads for the pommel, she has on her new brand-new large gold Bracers of the Champions of The Universe with dark purple gems on her wrists and Dragon Ball Bracelet on the large gold Bracer, new large gold Belt of Elemental Bravery with a gold version of Steelswarm Origin's head with dark purple gems for eyes and a large dark purple gem inside its open mouth for the belt buckle and gold versions of the other Steelswarm Duel Monsters with dark purple gems for eyes and dark purple gems in their mouths around the belt, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a dark purple kanji below The Steelswarm Duel Monsters that said, "Irena Steelswarm, Gene-Slammer of The Steelswarm Duel Monsters, Powerful Master of The Sword, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Destroyer of Dark Chandler, Archenemy of Metal Sally Acorn, Destroyer of Zarok, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Swords, Light, Darkness, The Stars, Insects, Fiends, and The Steelswarm Duel Monsters"

Suddenly, Irena Steelswarm's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Irena Steelswarm has transformed into SUPER ANGEL-STEELSWARM DUEL MONSTERS-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE TWILIGHT SWORD STEELSWARM FIEND DUEL MONSTERS GODDESS PHOENIX ANGEL OF DIVINE TWILIGHT SWORD STEELSWARM FIEND DUEL MONSTERS GODDESS PHOENIX ANGEL JUSTICE AND DIVINE TWILIGHT SWORD STEELSWARM FIEND DUEL MONSTERS GODDESS PHOENIX ANGEL LOVE!

We were amazed by Irena Steelswarm's Super Angel-Steelswarm Duel Monsters-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Zarok saw it, he fell into a rage and summoned an army of demons to kill her, but Irena Steelswarm fired a massive and powerful barrage of black and silver energy, stars, swords, light, darkness, fiends, insects, phoenixes, angels, and The Steelswarm Duel Monsters which cuts down the demons and hits Zarok and exploded with incredible power, he got back up, and he was now pissed off.

Selene Emperyous: (GASPS) Oh, no way, did Irena just…?!

Lincoln: She did, Selene, Irena Steelswarm has transformed into her Super Angel-Steelswarm Duel Monsters-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Zarok now especially since she cut down his army of demons! Now, blood's about to be spilled.

Irena Steelswarm: (Divine Echoing Godly Voice of The Divine Twilight Sword Insect Fiend Steelswarm Duel Monsters Goddess Phoenix Angel and Divine Twilight Sword Insect Fiend Steelswarm Duel Monsters Goddess Phoenix Angel Love) We'll make Zarok pay for every last one of his crimes since the Middle Ages with his own blood, let's get him, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Irena Steelswarm.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble to last a couple of centuries, Zarok, and now, I'll make sure that not a single trace of you ever remains in this world! And this time, I'll make sure you never rise again!

Irena Steelswarm and Lincoln went after Zarok, and they fired extremely powerful blasts of rainbow energy, black and silver energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spiders, whales, monkeys, hummingbirds, lizards, giants, condors, cats, llamas, dogs, snakes, spirals, wings, snakes, trees, crocodiles, herons, fish, dark dragons, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Damned Souls, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Ghouls, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Yetis, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Zarok and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Irena Steelswarm also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Zarok even madder than

ever!

Zarok: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, Zarok, we're immortal and invincible, and we're also The Champions of The Gods. But, you, you're just a pathetic sorcerer who messed with dark powers that were far beyond your comprehension and not even your pathetic little mind could ever comprehend. There is no place for you in this world or the next.

Lincoln ran with superhuman speed and stabbed Zarok in the stomach with his massive greatsword and he began sucking out and absorbing Zarok's black magic, raising the dead, summoning demons, and vast knowledge of both science and magic and he made them his own. Suddenly, the gems on Lincoln's massive greatsword glowed green, and then, Lincoln began draining Zarok of his life force until he was nothing more than a withered lifeless old husk, and then, once his soul appeared, Lincoln threw him in a black coffin that sent Zarok to The Black Gates forever. We cheered wildly for what Irena Steelswarm and Lincoln did as they holstered their massive greatswords and powered down, and Irena Steelswarm's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive black angel wings are permanent.

Irena Steelswarm: Burn in The Black Gates forever, you powerhungry bastard. Thank you for helping me get rid of Zarok forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Irena.

Suddenly, Irena Steelswarm wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Irena Steelswarm's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and The Steelswarm Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Irena Steelswarm sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: I certainly wasn't surprised to find out Zarok came back again, he was never one to stay dead.

Brittney: And he even committed crimes against the living and the dead.

Nicole: Oh yeah, resurrecting the dead and turning them into his zombie minions and summoning demons, those are crimes that can't be forgiven.

Me: You said it. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got three really good ones and they're the last three of the Embodiments of Organization XIII: Dahlia Xaldin, Keyblade Knight of Deep Space and Embodiment of Xaldin, The Whirlwind Lancer of The 3 Tornadoes, Irinia Xigbar, Keyblade Knight of The Land of Dragons and Embodiment of Xigbar, The Freeshooter of The 2 Stars of Space, and Allie Xemnas, Keyblade Knight of The World That Never Was and Embodiment of Xemnas, The Superior of The In-Between.

We gasped.

Sora: Oh man, no way, we haven't seen them in years.

Roxas: It sure has been years since we last saw them.

Michelle Emperyous: And I knew you'd pick them, Lincoln, and you guys will love meeting them as well, Dahlia Xaldin is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of wind and she's a very good friend of Lilo, Stitch, and all their friends, and she defended them from Gnatu and from his former boss, Dr. Jacques von Hämsterviel, and Dahlia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Xaldin for endangering Belle and trying to turn Beast into a Heartless so he can acquire his heart for the creation of Kingdom Hearts, and she wants to make sure he and the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Nico: Lori wasn't the only one to harbor a grudge against Xaldin that day, Dahlia held a bloody grudge as well on him.

Me: Yeah.

Laney Emperyous: Irina Xigbar is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of the stars and she's an awesome sharpshooter. She's a very good friend of Mulan, Shang, Mushu, and all their friends, and she harbors a truly nasty hatred for Shan Yu and the Huns for their attempts to attack and conquer China and she swore that if they ever attack China again, she would drench the lands of China with their blood, and Irinia also harbors a very nasty hatred towards ALL THE MEMBERS of

Organization XIII except for Xigbar, and she wants to make sure the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. Lincoln: She'll be happy to hear we got rid of Shan Yu, and we indeed drenched the land with their blood.

Selene Emperyous: You got that right, and Allie Xemnas is Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of darkness and the void, and she also has the powers of negative energy, and the negative energy she radiates not only gives us an astronomical power boost that's similar to draining and absorbing an astronomically infinite number of Kisenian Blossoms, and she even has the power to make dishonorable villains fall prey to hatred and rage. She's the most powerful Keyblade Knight and the most powerful of The Embodiments of Organization XIII. She harbors a very very very very nasty hatred towards Xemnas for what he did to Nico that kick-started The 20 Days of Darkness, and she swore that one day, if he ever ever comes back from the dead, she would kill him and throw his body into a volcano, and she also harbors a very nasty hatred towards THE OTHER MEMBERS of Organization XIII except for Roxas, Axel, Xion, Zexion, Lexeaus, Luxord, and Demyx, and she wants to make sure the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. We gasped.

Me and Nico: Oh shit.

Nicole: Lincoln, if she finds out we have Xemnas in The Masters of Evil's prison, she'll go after him and finish what was started those years ago.

Lincoln: I hope Vypra can try and talk some sense into her before she kills Xemnas since he's lost all of his powers thanks to your curse.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Blizzard: Now, hopefully, his thugs will back off!

MetalSeadramon: Wishful thinking.

Bonz: We should face his father in the future.

Dayu: Good idea.

Harpymon: But right now, what curse should we put on him?

Me: Diana just told us already.

Lincoln: Yep. It's called the Geryon's Vengeance Torture Curse. It's a curse that will allow deceased relatives to see their loved ones die and explode and be banished to the black gates.

Me: WHOA! Scary!

Xenia: Brutal!

Nico: Nice!

Lola: Yeah.

Hit Girl: Thank you guys for helping us.

Me: It was our pleasure.

Nico: Yep.

Hit Girl: (To the viewers) You mess with me and you mess with all of us.

Me: You got that right.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet and we only had three weeks left. Oh boy.

And we're going to meet the final three Keyblade Knights and Embodiments of Organization XIII, the first girl is Dahlia Xaldin, Keyblade Knight of Deep Space and Embodiment of Xaldin, The Whirlwind Lancer of The 3 Tornadoes, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of wind and she's a very good friend of Lilo, Stitch, and all their friends, and she defended them from Gantu and from his former boss, Dr. Jacques von Hämsterviel, and Dahlia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Xaldin for endangering Belle and trying to turn Beast into a Heartless so he can acquire his heart for the creation of Kingdom Hearts, and she wants to make sure he and the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

The second girl is Irinia Xigbar, Keyblade Knight of The Land of Dragons and Embodiment of Xigbar, The Freeshooter of The 2

Stars of Space, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of the stars and she's an awesome sharpshooter. She's a very good friend of Mulan, Shang, Mushu, and all their friends, and she harbors a truly nasty hatred for Shan Yu and the Huns for their attempts to attack and conquer China and she swore that if they ever attack China again, she would drench the lands of China with their blood, and Irinia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Xigbar, and she wants to make sure the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. And the third girl is Allie Xemnas, Keyblade Knight of The World That Never Was and Embodiment of Xemnas, The Superior of the In-Between, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of darkness and the void, and she also has the powers of negative energy, and the negative energy she radiates not only gives us an astronomical power boost that's similar to draining and absorbing an astronomically infinite number of Kisenian Blossoms, and she even has the power to make dishonorable villains fall prey to hatred and rage. She's the most powerful Keyblade Knight and the most powerful of The Embodiments of Organization XIII. She harbors a very very very very nasty hatred towards Xemnas for what he did to Nico that kick-started The 20 Days of Darkness, and she swore that one day, if he ever ever comes back from the dead, she would kill him and throw his body into a volcano, and she also harbors a very nasty hatred towards THE OTHER MEMBERS of Organization XIII except for Roxas, Axel, Xion, Zexion, Lexeaus, Luxord, and Demyx, and she wants to make sure the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. # JULY 20TH ANNIVERSARY PARTY

This chapter is for the Anniversary of the Defeat of Grandfather

---

In the early morning hours at 2:30 AM, Clyde had a dream, and he saw four figures who was hiding out and living in the streets of Rome, Italy. their were, Robyn McBride, daughter of Clyde's future wife, Gloria (Pokemon). Roller, An Panda-Pillbug Hybrid. Dragoking, An Humanoid Tiger Dragon. and Water Wu, An Frog-like creature. Clyde woke up from the dream, but he wasn't the only one, Gloria (Pokemon), Lincoln Loud, Black Alpha, Nico, and me also had the same dream.

Clyde: Did you guys have that same dream as me?

Lincoln: We sure did, buddy.

Gloria: And it also means that we found out where our daughter at.

Black Alpha: Along with a Panda-Pillbug Hybrid, a Humanoid Tiger Dragon, and a Frog-like creature.

Me: They're at Rome, Italy.

Nico: Oh man, that's not good. Out on the streets in Rome, Italy, is not a safe place for them.

Clyde: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: You got that right, buddy.

Clyde, Lincoln Loud, Gloria (Pokemon), Black Alpha, Me, and Nico were heading to Rome, Italy. Then, Clyde saw a Irish-American 13-years-old girl who has light skin, brown eyes, and medium length hair. She wears a light blue shirt with dark blue collar and short sleeves and a picture of a robin bird on the front, dark blue parts with a black and white checkered jacket tied around the waist, and black and white striped slides. A hulking broad-shouldered Panda-Pillbug hybrid covered in natural, red armor plating on his back, shoulders, and the backs of his arms. He is predominantly white, with black on his upper half. He also has four white claws protruding from both of his paws. He has purple eyes and considerably small, yet sharp teeth. Roller wears an Panda-Pillbug symbol on his chest. A muscular humanoid tiger dragon, but his dragon wings, tail and right arm are mechanical. He wears a light blue shirt with sleeves rolled up and brown shirt vest over it, a double chain bullet bandolier with a jetpack, a blue scarf around his neck, a double chain bullet belt around his waist, and brown pants with pouches for his pistols on his thighs and belted bottoms that stop at his ankles. A dark blue and yellow humanoid frog-like creature with dark brown oval eyes. She wears a faded gray hooded cape, complete with a white-furred collar which is held together with a brown shell. She also wears a brown metal chest plate with a light gray t-shirt underneath, a stitched skirt, and grey winter snow boots which are wrapped with studded straps. She has gray fingerless gloves on each of her hands; moreover, her hand-mounted crossbow that is fitted onto her right forearm. Clyde saw who they are, it was Robyn McBride, Roller the Panda-Pillbug, Dragoking the Tiger Dragon, and Water Wu.

Clyde: Excuse me, are you Robyn?

Robyn McBride: Yes, we are, And who are you?

Clyde: I'm Clyde McBride of Team Loud Phoenix Storm, and this is my buddy and brother-in-arms, Lincoln Loud, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know too well.

Then, Gloria (Pokemon) came out, and when Robyn Mcbride saw her, she were stunned.

Robyn McBride: Mother?

Gloria (Pokemon): I'm here, sweetie.

Robyn McBride, ran up to Gloria (Pokemon), and they hugged, and they cried tears of happiness, and we looked on at the scene. Clyde joined in on the hug, along with me, Nico, Black Alpha, and Lincoln.

Clyde: And there's something you should know, Gloria, your mother is one of my many future wives.

Robyn McBride: That means… you're my father.

Clyde smiled, and that filled Robyn McBride with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes. and Roller the Panda-Pillbug, Dragoking the Tiger Dragon, and Water Wu join the hug as well.

Clyde: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Clyde told everyone what happened. We were proud of what Clyde did in reuniting Gloria (Pokemon) with her daughter, and Robyn McBride now has a loving, strong, brave, and caring father in their life. And when Zach Loud saw Robyn McBride, He blushes so hard and Suddenly, Robyn McBride wrapped her arms around Zach Loud's back, as her chest pressed against Zach Loud's pecs and her stomach pressed against her abs, which'd brought an atomic red blush to Zach Loud's face, and he wrapped his arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Robyn McBride leans down to Zach Loud's face, they kissed passionately as Robyn McBride's left arm was still wrapped around Zach Loud's neck, but she moved her right arm and her right hand onto Zach Loud's right pec, and when Lincoln's kids and Clyde's Kids see them, they all cheered wildly.

Xenia: Yeah they sure are.

Venux: You should see the kinds of planets we visit.

Camie: Yep. And they are awesome.

Me: You got that right.

Lincoln: And we killed Chris D'Amico.

Nico: Make our favorite bad word his villain name, will he?

Me: Not on our watch.

Nico: What happened to Chris?

Lincoln: Diana said he died in prison and the curse killed him. His father in hell watched from there as he was banished to the Black Gates.

Me: He's gonna be MASSIVELY pissed about that.

Xenia: Yeah.

Me: That was awesome.

Nico: And J.D. you were brutally sadistic doing all that to him. I'm impressed.

Me: Learned a lot from Anko and Ibiki.

Nico: Tayuya liked the two of them

Me: She sure did. She praised the two of them for having as rotten a mouth as hers.

We laughed!

Qin: (LAUGHS) That is funny.

Me: Yeah.

Nico: Their mansion won't be attacked again!

Me: Nope. Because we moved it to Gotham Royal York into the estate. And with our security it will be completely impossible for ANY Mafia man to get to it.

Xenia: Yeah let them try.

Camie: It'll be like living in Fort Knox times ∞.

Me: Yep.

May: Where are we heading again?

Me: We're already here.

We saw that we were at an amazing planet and it looked like a desert planet.

Me: Wow! It looks like a desert planet from up here.

Nico: Lets check it out.

We went down to the planet and landed and saw that it was A WIENER PLANET!

Me: Cool! It's a Wiener Planet!

Nico: WHOA! These are amazing!

Lola: Wow! I have a feeling we're going to be harvesting and building up a lot of money from this one.

Nico: Yep just like how we helped Ren and Stimpy get rich. Right guys?

Camie: Are wieners worth their weight in gold?

Me: To the people of Canada and to Ren & Stimpy, they are worth their weight in diamonds.

Camie: Wow!

Maria: We can still eat some.

Me: Good idea.

Me: We're gonna work hard all over. Lets get to work.

[All of us walked offscreen. Sun was shining, and all of us were picking out the wieners out of the garden and I put the wieners in a basket and we were working really hard with them. Nico pours the wiener juice and he drinks the wiener juice.]

Nico: Mwah! C'est magnifique.

[May stomps her wieners in a barrel to get juice]

May ate some.

May: MMM! Delicious.

[Fades to the wiener field, Maria, Nico and us slash the wiener plains with a scythe. Laney was done.]

Laney: Phew.

[We got back to work Later on Lake Wiener which was a lake of baked beans and us and Eli was getting all the Wiener fishes and we were excited.]

Me: That's a lot of Wiener Trout!

Nico: Yeah!

Eli: No kidding.

[In the mountains, Applejack digs with a pickaxe and mining wiener ore and later we were pumping with an oil well system and the pipe creaks and it blows all the wieners out of the pipe.]

Nico: YIPPEEE!

May: WE DID IT! [kisses Nico] WE DID I-I-I-IT! WE… STRUCK…

WIENIIIIIIIIES!

Me: YEAH!

Vroon: Don't get too happy. Sooner or later, someone's gonna be barging in

Me: You're right on that.

Laney: Hey look there.

We saw a figure in the distance.

It was a tree and laying on a bench was none other than Ol' Facefull.

Me: Is that Ol' Facefull?

Nico: What's he doing here? Lets go see.

Vroon: Not who I was thinking of.

We went to go see.

We saw him.

Me: Wow.

Camie: Who is Ol' Facefull?

Me: One of the most popular attractions of the continent of Acromeglia.

Nico: Ren and Stimpy told us all about him. He's a natural hot geaser in the city square. His eruptions are so punctual that you can set your watch bound.

Qin: Yep. I've actually been to Acromeglia. It's really awesome.

Magine: Hi there!

Me: Uh Magine he doesn't really talk hardly at all.

Nico: Yeah.

Magine: Oh.

But then he got up and then his stomach rumbled and his face puffed up.

Me: Uh oh.

He then vomited all over MAGINE!

AND MAN WAS IT DISGUSTING! SHE SMELLED HORRIBLE!

Nico: He does puke though!

Me: Yuck!

Magine: OH THIS IS GROSS!

Qin: I know. Same thing happened to me too. I smelled so horrible for over a month.

Camie: Jeez!

Maria washed Magine off.

Magine: Ahh. Thanks Maria.

Maria: Anytime.

Me: Well he belongs back in the M.O.E.

I snapped my fingers and teleported him back.

Eli: (GASP!)

Me: Eli what's wrong?

Eli: We got big trouble! THE TORTURED ONE IS COMING!

Nico: SAY WHAT?!

Nico opened his mouth so wide from the shock that his skeleton literally fell out!

Me: The Tortured One!? Not good!

Camie: Who or what is The Tortured One?

Me: The Tortured One is a version of Patrick that went mad because of pain caused from Mr. Krabs.

I went over his history.

---

Patrick Star, or more specifically, his clone the Tortured One, is the main antagonist of the SpongeBob fan webcomic The Bikini Bottom Horror.

He is a more competent yet murderous version of his cartoon counterpart, being able to become a monstrous beast that can grab people and dissolve them into fluids that he then dines on. He is also able to clone into multiple Patricks due to his ability to regenerate his body from severed limbs and vice versa.

The story starts with SpongeBob asking Patrick if he wants to go jellyfishing with him, only for Patrick to ask him if he knows how starfish feed. He then proceeds to eat SpongeBob as he explains, apologizing to SpongeBob after he injects him with enzymes and seemingly kills him. Sandy, after learning this, leaps out to avenge him by slicing Patrick in half. However, this just results in the two halves regenerating to become two Patricks, both of which attempt to eat her. As this happens, Barnacle Boy notices the chaos that the Patricks are causing throughout Bikini Bottom and announces to Mermaid Man that there's evil afoot, only for the starfish on Mermaid Man's nose to turn out to be another Patrick clone, who promptly jumps off his face, ripping it off and causing him to bleed to death.

Sandy manages to make it to the Krusty Krab, where she explains to Mr. Krabs that SpongeBob has been eaten by Patrick and that they need to board up the restaurant before they are too. However, a Patrick sticks a large tendril into the building, smashing a hole through the boards, and grabs Sandy with it, dragging her through the hole. Then the Patrick prepares to kill Krabs, who shifts into his giant crab form to try to kill him. After tearing the Patrick's head off, though, the sea star tells him about how he knows about Krabs cutting off one of his arms and using it to generate a clone, which he tormented for years as he used it to make Krabby Patty meat.

As the Patrick finishes his backstory, a group of Patricks grab Krabs's legs and tear them off. Later, Sandy and Squidward enter the Krusty Krab and see Mr. Krabs overturned, with his legs and claws lying around him in pools of blood. He explains how a Patrick forced him to eat a raw Krabby Patty before a small starfish bursts out of his chest, killing him once and for all. A lone Patrick emerges ande Squidward tries to put him to sleep with a song. This Patrick covers his ears and rips them off before turning into his monster form, breaking Squidward's clarinet and knocking him down onto the floor.

This Patrick then turns back into his normal form, now scarred by the bullets fired at him by Sandy and the spaces where his ears used to be. A group of Patricks then surround the two, preparing to kill them both. However, Squidward turns into his monster/Kraken form, killing all of the clones around them. Sandy then decides to shoot the one that killed Krabs, only for Plankton to appear and tell her not to shoot, explaining that she'll want to see where the clone is going. They follow it underneath the Krusty Krab, where a machine hangs from the ceiling.

Plankton explains that the machine is what the tortured clone was hooked up to, injecting it with growth hormones and allowing Krabs to take pieces of the clone's body and turn them into patty meat. Sandy is so disgusted by the revelation that she winds up puking in her suit. Plankton then shows her something even more disturbing: a cult of Patrick clones. The small Patrick clone tugs on a Patrick's robe and says that he has returned. The Patrick responds by telling him that he is too small and unready to rejoin with the Tortured One, and that he must feed some more before returning again. Then a much larger Patrick enters the area, saying that he is ready to rejoin and that the souls that he once fed would now be fed to him.

The other cultists shout "Rejoice" as he leaps into and falls toward the bottom of the pit. Then a Patrick throws Sandy over the edge of the balcony she's standing on, revealing that Plankton had tricked her into going there so that he would be spared by them. After he leaves, a Patrick absorbs her gun and then holds her above the pit, where she sees a large, outer-space-like vortex, which opens up and reveals SpongeBob's face, who tells her to join him and become a part of something beautiful. Beneath the vortex, it is shown that there is actually a large pool of acid, which some grinning Patricks are being dissolved by.

She seemingly considers joining him before wriggling out of the Patrick's grasp and tossing him into the pit, causing him to dissolve in the acid at the bottom. The other cultists are grabbed by dozens of clawed hands that suddenly break through out of the ground, tearing them apart as they happily watch Sandy get grabbed by the hands, which attempt to tear her apart as well. However, she manages to get free by unzipping her suit and escaping with just her helmet. However, more hands grow from the walls of the tunnel she runs through as a crack forms and begins growing in the earth above. When Squidward flies up to get an aerial view of the crack, he sees that there are actually five of them, all forming the shape of a star. At the center of the cracks is the Krusty Krab, which is destroyed as a huge starfish arm breaks through the ground and lands on Larry.

Larry is then torn apart and killed by the tiny appendages of the colossal starfish, which then eats him and stands up above the wreckage of the Krusty Krab, revealing itself to be the tortured clone that Krabs had been using as his source for Krabby Patty meat for years, now also combined with many Patricks. It uses another arm to break through the roof of a building where some survivors hide out, eating Bubble Bass and a few other unfortunate fish. It then attempts to eat a mother and her child, but Squidward grabs the arm with a rope and yanks it out before it's able to grab them, saying to it that its fight is with him.

They engage in a battle, with Squidward tossing the Tortured One down onto the ocean floor, ordering it to stay down. It responds by lifting itself up and causing Squidward to fly into his house, destroying it in the process. In response, Squidward lifts up SpongeBob's pineapple and tosses it straight into the mouth of the

Tortured One, causing it to bleed and begin choking as Squidward flies up to finish it off. Meanwhile, a Patrick that had learned about the secret formula's true amount of secrecy and became heartbroken over the realization finds Gary, who nuzzles against the clone's leg. The clone responds with a promise to redeem himself for his wrongdoing and make things right.

Squidward tries to shove the pineapple further down the Tortured One's throat, only for the pineapple to break into multiple pieces and cause Squidward to nearly be pushed into the TO's stomach. When Squidward looks into it, he sees what look like the ghosts of Larry and SpongeBob that try to convince him to give up and let go. The latter also holds a clarinet that he tells Squidward to play so he can let go and join them. As he holds it out, both the ghosts suddenly begin disintegrating and melting away. Suddenly, Squidward sees the vision of a large audience of rotting and disintegrating sea-dwellers eaten by the monster, including Bubble Bass and Squilliam Fancyson, all telling him to let go and play them a final song to bring him peace. Before Squidward can make a decision, though, Sandy shows up to break him out of his trance and hit the Tortured One with a rocket launcher.

Plankton and Karen then show up in a giant mech, the former wishing to redeem himself for what he did to Sandy. He cuts off one of the Tortured One's limbs and burns its wound to keep the limb from regenerating. However, the small Patrick appears behind him to grab him with its stomach and eat him, killing him after his head explodes. Sandy kills the clone, but the Tortured One's limb begins to grow into a new monster and Karen, without Plankton, is unable to go over to burn it completely. So Sandy and Squidward push her over and allow her to self-destruct atop the limb. It attempts to grab hold of Squidward before Karen blows up, but Sandy shoots off the tentacle that it grabs onto and they quickly fly away before they get caught in the explosion.

Outside, he saw the destruction that the Patricks were causing, including the clothes and the dissolved body of SpongeBob, which Squidward lamented over and which triggered his apology for not being a better friend. After the flashback, the Patricks attempt to kill Squidward by eating their way to his brain, but stop when Good Patrick shows up and berates the Tortured One for his supposed ignorance, explaining how nobody besides Mr. Krabs knew that Krabby Patties were made out of starfish meat, which causes Squidward to jaw-drop in shock and horror. Good Patrick then asks the Tortured One why everyone should be punished for something they never knew about, to which it responds by saying that they never asked and tries to kill the good Patrick by smashing it.
